The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**REQUEST TO ACCEPT COMPROMISE OFFERS OF SETTLEMENT
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

To request Board approval for the Interim Director of Health Services (Director) to accept compromise offers of settlement for patients who received medical care at either County facilities or at non-County operated facilities under the Trauma Center Service Agreement. The compromise offers of settlement referenced below are not within the Director's authority to accept.

IT IS RECOMMENDED THAT YOUR BOARD:

Authorize the Director or his designee, to accept the attached compromise offers of settlement, pursuant to Section 1473 of the Health and Safety Code, of the following individual accounts:

Patients who received medical care at a County facility:

(1)	Account Number	LAC+USC – 5503317	\$	4,182
(2)	Account Number	LAC+USC – Various	\$	8,200
(3)	Account Number	LAC+USC – 5992433	\$	11,620
(4)	Account Number	H/UCLA – Various	\$	32,795
(5)	Account Number	H/UCLA – Various	\$	35,000
(6)	Account Number	H/UCLA – 8976047	\$	877,557

Trauma patients who received medical care at non-County facilities:

(7)	Account Number	EMS 168	\$	4,845
(8)	Account Number	EMS 189	\$	5,000
(9)	Account Number	EMS 190	\$	5,000
(10)	Account Number	EMS 164	\$	7,031
(11)	Account Number	EMS 193	\$	15,692
(12)	Account Number	EMS 192	\$	37,868

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Patients who received medical care at a County facility: The compromise offers of settlement for patient accounts (1) – (5) are recommended because the patients are unable to pay the full amount of charges and the compromise offers represent the maximum amount the Department was able to negotiate or was offered under the legal settlement involved in these cases. The compromise offer of settlement for patient account (6) is recommended because the amount is the highest amount that could be negotiated with the patient's insurance provider (Commercial or HMO) under the circumstances of the case, and receipt of such insurance proceeds prevents further collection from the patient, except for possible beneficiary co-insurance or deductible obligations.

Trauma patients who received medical care at non-County facilities: The compromise offers of settlement for patient accounts (7) – (12) are recommended because the County has agreements with certain non-County medical facilities under which it pays for trauma care provided to eligible indigent patients at those facilities. These agreements allow the County, after it has made payment for a particular patient, to pursue recovery from third parties who are financially responsible for such trauma care.

The best interests of the County would be served by approving the acceptance of these compromises, as it will enable the Department of Health Services (DHS) to maximize net revenue on these accounts.

Implementation of Strategic Plan Goals

The recommended action will satisfy County Strategic Plan Goal #4, Fiscal Responsibility.

FISCAL IMPACT/FINANCING

This will expedite the County's recovery of revenue totaling approximately \$1,044,790.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Under County Code Chapter Section 2.76.046, the Director has the authority to reduce patient account liabilities by the greater of i) \$15,000, or ii) \$75,000 or 50% of the account balance, whichever is less. Any reduction exceeding the Director's authority requires Board approval.

On January 15, 2002, the Board adopted an ordinance granting the Director authority to compromise or reduce patient account liabilities when it is in the best interest of the County to do so.

On November 1, 2005, the Board approved a revised ordinance granting the Director authority to reduce, on an account specific basis, the amount of any liability owed to the County which relates to medical care provided by third parties for which the County is contractually obligated to pay, and related to which the County has subrogation or reimbursement rights. The revised ordinance was adopted by the Board on December 8, 2005.

Typically, recoveries in legal settlements are divided approximately into thirds between plaintiff, plaintiff's attorney, and all medical lien holders, which would include the County's lien. Factors that contribute to each party receiving more or less than one-third of the recovery include the number of medical lien holders, the patient's attorney retainer agreement, and costs accrued by the patient during the legal process.

The Honorable Board of Supervisors

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Maximizing net revenues on patients who received medical care at County facilities will help DHS meet its budgeted revenue amounts. All payments received for the trauma accounts (non-County facilities) will replenish the Los Angeles County Trauma Fund.

When approved, DHS requires three signed copies of the Board's action.

Respectfully submitted,

John F. Schunhoff, Ph.D.
Interim Director
