Reading and Approval of the Minutes of the Previous Meeting

On Motion by Commissioner Porter, seconded by Commissioner Gabriel, the Minutes of the Regular Meeting of December 17, 2008, were approved. Commissioners Martinez and Parrish abstained from approving the minutes.

Agenda Item No. 4 - Report of the Executive Director

In the absence of Bobbette Glover, Maria Badrakhhan substituted in presenting the report of the Executive Director.

Ms. Badrakhhan congratulated Commissioners Aszkenazy and Gabriel for their appointments as Chair and Vice Chair, respectively.

Ms. Badrakhhan welcomed Corde Carrillo as the new Acting Executive Director. Mr. Carrillo stated that he has been an employee of the Commission/Housing Authority since 1991, first as Manager for the Economic Redevelopment Division,

followed by his appointment as Division Director in 1993, until his recent appointment as Acting Executive Director. He added that he is committed to the valuable work performed by the agency in the community, especially in the unincorporated areas.

Ms. Badrakhan announced that recruitment for the Executive Director position has been advertised and will remain open until filled.

Ms. Badrakhan provided an update on Ujima Village. Currently, 23 units out of 300 units are still occupied, with 3 tenants scheduled to move out this weekend. HUD relocation assistance ended on January 23, 2009.

After HUD's approval of the relocation plan, it will be published for 30 days and a 90-Day Notice will be sent to the remaining residents. It is expected that Ujima Village will close in June 2009. The seven market-rate residents that moved before the Board approved the relocation plan will receive letters informing them that they may be eligible for benefits and should contact OPC.

Ms. Badrakhan stated that HUD has been responsive to letters from attorneys representing the Housing Authority. HUD is preparing a response to our letter dated January 14, 2009, referencing Contract of Sale for Ujima Village, sent by the attorneys.

Ms. Badrakhan provided an update on the Economic Stimulus Bill, stating that if the bill is approved, federal funding will more than likely be awarded to housing authorities.

Ms. Badrakhan added that the Housing Authority's Advocate has requested a list of improvements needed at public housing sites. This request is timely, because a physical needs assessment has just been completed for inclusion with the five-year Action Plan that will be submitted to the Board and to HUD.

Commissioner Martinez asked that given the challenges that the Housing Authority has had with HUD, how will the anticipated funds impact the stability of this organization since competition for funding is on a national level. Ms. Badrakhan responded that capital funds are awarded based on the number of housing units. Ms. Badrakhan believes that the award will be a direct allocation.

Commissioner Aszkenazy emphasized the importance of performing at our best, since this will be a consideration in requests for future funding. Commissioner Aszkenazy also recommended that a portion of our website be designated to publicize how resources received from the stimulus program are being used.

Ms. Badrakhan provided an update on the Section 8 Program. She reported that a meeting was recently held with Fifth Supervisorial District staff and the cities of Palmdale and Lancaster to address concerns in North County regarding landlords without business licenses renting to Section 8 Program participants.

The Housing Authority has sent letters to over 700 landlords reminding them that they are required to pay their business license fees.

Commissioner Porter asked if HUD's emergency ordinance related to Violence Against Women Act (VAWA) is going to be a permanent part of the Agency Plan. Ms. Badrakhan responded that the VAWA is already part of the Agency Plan. Commissioner Aszkenazy suggested that going forward, the Agency Plan be sent to the Housing Commissioners at the same time as the web site posting.

Ms. Badrakhan stated that in reference to the \$1 million to HUD, we are still trying to work out a repayment plan.

Ms. Badrakhan is happy to report that all housing sites, with the exception of South Scattered Sites, passed the physical inspections performed by HUD in December. The passing score was 60. All of the scores were significantly higher than last year thanks to the hard work of maintenance staff.

Agenda Item No. 5 – Public Comments

Mr. Lee Overvold and Mr. Donald Proto of Noresco, an energy services firm servicing public housing, made a brief presentation on their services and expressed interest in competing for future energy conservation projects.

Agenda Item No. 6 - Staff Presentations

There were no staff presentations.

Regular Agenda

On Motion by Commissioner Gabriel, seconded by Commissioner Martinez, and unanimously carried, the following was approved by the Housing Commission:

APPROVE CONSTRUCTION CONTRACT FOR NUEVA MARAVILLA WOOD REPAIR PROJECT (DISTRICT 1) AGENDA ITEM NO. 7

1. Recommend that the Board of Commissioners find that the approval of a Contract for exterior improvements at the Nueva Maravilla housing development is exempt from the provisions of the California Environmental Quality Act (CEQA), as described herein, because the work includes activities that will not have the potential for causing a significant effect on the environment.
2. Recommend that the Board of Commissioners approve and authorize the Acting Executive Director to execute a Contract in the amount of \$99,594 to AZ Home, Inc. to complete the exterior improvements at the Nueva Maravilla housing development, following approval as to form by County Counsel and to be effective

upon issuance of the Notice to Proceed, which will not exceed 30 days following the date of Board approval.

3. Recommend that the Board of Commissioners authorize the Acting Executive Director to use a total of \$99,594 in Community Development Block Grant (CDBG) funds allocated to the First Supervisorial District and included in the Housing Authority's approved Fiscal Year 2008-2009 budget for the purposes described herein; and authorize the Acting Executive Director to approve Contract change orders not exceeding \$19,918 for unforeseen project costs, using the same source of funds.

On Motion by Commissioner Martinez, seconded by Commissioner Gabriel, and unanimously approved by the Housing Commission, the following agenda item was amended to require that staff report back to the Housing Commission regarding publication costs to announce the contract awards:

RECOMMENDATION TO DISCONTINUE NEWSPAPER ADVERTISING
AGENDA ITEM NO. 8

It is, therefore, recommended that the Housing Authority discontinue newspaper advertising for procurement solicitations, effective upon Housing Commission approval.

Agenda Item No. 9 – Housing Commissioner Comments and Recommendations for Future Agenda Items

Commissioner Martinez reiterated her request to have staff submit information regarding costs associated with announcing contract awards in newspapers.

Commissioner Porter stated that the recent County Ethics Training included discussion of outside activities. He asked if staff is aware that such activities must be reported and approved by the Commission/Housing Authority. Emilio Salas responded that procedures are in place and annual Outside Employment Declarations are being processed.

In reference to the Green Building Ordinance, Commissioner Porter asked if staff works with the County when developing our projects. Geoffrey Siebens stated that staff recently completed training with the Department of Public Works on the Green Building Ordinance.

Commissioner Porter asked about the status of the letter received from Ms. Ann Glowacki regarding an issue with her application. Ms. Badrakhan responded that staff conducted the property inspection and the contract should be completed by February 2, 2009.

Commissioner Aszkenazy thanked the Commissioners for his re-election as Chair and for the confidence in his leadership for 2009. Commissioner

Aszkenazy and Commissioner Martinez expressed interest in attending the 2009 NAHRO Conference at Washington, D.C.

Commissioner Aszkenazy reminded staff to always take opportunities that come their way by performing their jobs in an excellent manner, and always have high expectations for *all* of our programs not just the Section 8 program.

On Motion by Commissioner Porter the Regular Meeting of January 28, 2009, was adjourned at 1:20 p.m.

Respectfully submitted,

Housing Authority - County of Los Angeles

February 25, 2009

To: Housing Commissioners

From: *for* Cordé D. Carrillo, *Robert A. Glover* Acting Executive Director

SUBJECT: NEWSPAPER ADVERTISING FOR CONTRACT AWARDS

This is in response to the Housing Commission's request to provide recommendations for announcing bid awards of Commission contracts to potential job seekers.

Background Data:

- CDC's old policy required newspaper advertising of all formal procurement (IFB, RFP, and RFSQ > \$24,999).
- CDC spent \$169,456.22 in newspaper advertising in FY 07-08.
- To announce Bid Awards, a one day advertisement would cost:

<u>Publication</u>	<u>Cost for Advertisement</u>
Los Angeles Times	\$646.00
LA Daily news	\$168.00
International Daily News	\$98.82
LA Sentinel	\$89.42
The Press Telegram	\$164.88
The Southwest Wave	\$55.00
LA Opinion	\$71.42
TOTAL	\$1,293.54

The request to eliminate newspaper advertising requirements was directly linked to the limited success we have had with this method of communication, coupled with our need to reduce costs.

An alternative method of announcing bid awards that will have greater impact is posting these announcements directly on the CDC Website. The announcement can be placed within the CDC "jobs" page which is already aimed at reaching people actively seeking employment opportunities. This alternative is cost effective and efficient.

Housing Authority - County of Los Angeles

FOR YOUR INFORMATION ONLY

February 17, 2009

TO: Each Supervisor

FROM:  Corde Carrillo, Acting Executive Director

**SUBJECT: MONTHLY PROGRESS REPORT ON THE SECTION 8 PROGRAM
PERIOD OF JANUARY 15, 2009 – FEBRUARY 13, 2009**

On March 13, 2007 your Board instructed the Housing Authority of the County of Los Angeles (HACoLA) to report monthly on the progress to remove the Section 8 program from its Troubled status under the Section 8 Management Assessment Program (SEMAP). On June 17, 2008 your Board directed the Housing Authority to report on progress made in obtaining HUD VASH (Veterans Affairs Supportive Housing Program) vouchers. Additional Program information has also been provided.

This report covers activities for the period between January 15, 2009 and February 13, 2009 on the following:

Section Eight Management Assessment Program (SEMAP)

SEMAP measures the performance of the public housing agencies (PHAs) that administer the housing choice voucher program in 14 key areas (indicators). HACoLA is reporting data on its most troubled SEMAP indicators in Fiscal Year 05-06.

Lease-up, Annual Reexaminations and Inspections –

Performance information is obtained from HUD's data reporting system, known as the Public and Indian Housing Information Center (PIC). The PIC system bases delinquencies on a 14-month cycle. HACoLA maintains an internal tracking system based on a 12-month cycle to anticipate program outcomes.

As of January 31, 2009:

Indicator 13 - Lease-Up: The 97% lease-up rate reflects 20,227 vouchers leased, out of the 20,876 voucher allocation.

Indicator 12 - Annual Inspections: The 4% delinquency rate reflects 831 inspections out of 18,656 annual reinspections.

Indicator 9 - Annual Reexaminations: The 10% delinquency reflects 1,901 out of 18,791 annual reexaminations. Three factors have contributed to the delinquency in reexaminations. 1) Conversion, staff training, and implementation of the Yardi Software

System in June 2008 delayed reexaminations for two months. 2) The increased lease-up effort in the summer of 2007 resulted in a significant increase in reexaminations in the summer of 2008. 3) In October 2008, staff converted from an operational system to a case management approach to establish greater accountability, efficiency, effectiveness in the long term.

The Division needs to complete 10,346 reexaminations for Fiscal Year 2008-09 by June 30, 2009. Staff is averaging 2,000 reexaminations per month, however, additional support is necessary to start processing 5,373 reexaminations effective in July, August, and September 2009. HACoLA is procuring a housing consultant on a limited basis to complete the reexaminations due by June 30, 2009. We will be requesting Board approval to contract with the most responsive housing consultant in March 2009. The Division is tracking weekly progress to be current by June 30, 2009 and to prevent future delinquencies.

Indicator 14 – Family Self Sufficiency (FSS) Status –

HUD requested that HACoLA inform the Board monthly on the FSS Program in reference to the CAP for FY 06-07. The FSS Program helps participating voucher families obtain employment that will lead to economic independence and self-sufficiency. Participating families contribute to a matched savings account that can be used toward higher education or homeownership. HACoLA works with welfare agencies, schools, businesses, One Stop Employment Centers and other local partners in assisting FSS family members gain the skills and experience needed to obtain employment that pays a living wage.

FSS program services include referrals to agencies that provide child care, transportation, education, job training and employment counseling, substance/alcohol abuse treatment or counseling, and household skills training.

FSS reporting data is also obtained from PIC (see above). Our mandatory HUD assigned slots (updated once annually) are for 782 families. As of January 31, 2009, the 54% enrollment rate reflects enrollment of 426 families, with 28% of the families (118) maintaining an escrow balance. HACoLA must maintain a 60% enrollment rate, of which 30% must have escrow balances. Staff is currently conducting direct outreach from new contracts to recruit new program participants who have direct income to increase our FSS enrollment.

HACoLA's internal assigned slots are for 764 families; the difference is due to 18 families who have graduated from the program. Our internal reporting rate reflects a 62% enrollment rate (474 families), with 139 families (29.3%) having escrow balances.

Each Supervisor

This discrepancy is due to families porting out of LA County to Housing Authorities that do not administer an FSS program. HACoLA continues to manage their contracts, but they are not recognized under PIC.

HUD OIG Audits

HUD OIG Audit on Tenant Eligibility and Annual Reexaminations – FYE 2005- 2006

In January, 2008, in recommendation 1M of the 2008-LA-1007 Audit report, the OIG recommended that HACoLA repay \$3,662,972 from administrative savings for fiscal years 2005 and 2006 for not adequately administering the Program, due to delinquent annual reexaminations. On October 23, 2008, after further review, HUD agreed to reduce the amount to \$1 million with a target date of November 30, 2008. HUD also suggested that HACoLA submit a request if it would like to negotiate a repayment agreement.

In a November 19, 2008 letter, HACoLA requested reconsideration of the \$1 M repayment due to the negative fiscal impact on the Program operations and the cooperation that HACoLA had demonstrated in resolving audit deficiencies. On December 8, 2008, HUD's response indicated that the \$1M repayment gave consideration to the seriousness of the violations and the fiscal impact on HACoLA. In January 22, 2009, I met with the HUD Los Angeles Area Officials to discuss this matter further. HUD officials reemphasized HACoLA's obligation to repay the \$1M, taking into consideration a proposed repayment plan. On February 9, 2009, I sent a letter to HUD requesting to repay the \$1M over a ten (10) year period. I will inform you of HUD's response upon receipt.

During the week of February 16, 2009, HUD staff is on site conducting a review of re-examinations completed for FY 2005 and 2006 with the goal of closing recommendation 1D that required HACoLA to complete 4,700 delinquent re-exams. You will be notified of the results.

HUD OIG Financial Audit for Fiscal Years 2005 and 2006

An OIG financial audit of Fiscal Years 2005 and 2006 began the week of January 5, 2009. The exit conference was conducted on January 28, 2009. The OIG audit included a complete financial assessment of our agency. One finding was identified regarding how administrative costs are allocated to the CDC Divisions. The current methodology was developed by KPMG LLP (a national provider of audit, tax, and advisory services) and subsequently modified to meet HACoLA's needs. OIG's preliminary report recommends that Section 8 Program be reimbursed approximately \$3 M from non-restricted funds because allegedly funds were not reasonably and equitably

allocated in Fiscal Years 2005 and 2006. No funds will need to be reimbursed to HUD. A final OIG report is pending by the end of February, 2009. Staff is reviewing options and the current allocation methodology with KPMG to prepare a response in March 2009.

Corrective Action Plan (CAP) for FYE 2006 –

In response to the HUD OIG Audit for FY 05-06, all CAP items for FYE 2006 have been closed, with the exception of one member of the Housing Commission Advisory Board's completion of the Housing Choice Voucher Program training. The Housing Commissioner is currently completing the training on-line and should be finished by February 28, 2009.

Corrective Action Plan (CAP) for FYE 2007 –

HUD's on-site confirmatory review resulted in a reduction of points for specific SEMAP indicators and a Troubled rating for Fiscal Year ending June 30, 2007. HACoLA and HUD finalized a CAP that was approved by your Board on December 16, 2008 with thirty four (34) PHA strategies. The second monthly progress report of the CAP was sent on February 13, 2009, with subsequent submittals due the 15th of every month. Twelve (12) strategies have been addressed and it is expected that all items for the CAP will be closed by June 2009.

Confirmatory Review Results for FYE 2008 -

On February 10, 2009, I informed you that HUD and the Office of Recovery and Prevention had completed an on-site confirmatory review for FYE 2008 from January 26 through January 29, 2009. HACoLA received a SEMAP score of 113 out of 145 possible points, earning a "Standard Performer" rating. HUD will provide our score in writing within 30 days of January 29, 2009. This was a major milestone in transitioning the Program out of troubled status. Upon execution of the \$1M repayment agreement, completion of the implementation of the CAP for FY 2006-07, and HUD approval of the Agency Plan, the Section 8 Program will be removed from HUD's troubled status.

Honorable Housing Commissioners
Housing Authority of the
County of Los Angeles
2 Coral Circle
Monterey Park, California 91755

Dear Commissioners:

**APPROVE AN ELEVATOR CONSULTING SERVICES AGREEMENT FOR THE
ELEVATOR MODERNIZATION OF FIFTEEN ELEVATORS AT FIVE HOUSING
AUTHORITY SENIOR HOUSING DEVELOPMENTS
(1, 4, 5)**

SUBJECT

This letter recommends approval of an elevator consulting services agreement with Integrated Design Systems Group, Inc. to prepare the designs, plans, calculations, and specifications for 15 elevators at the following five senior housing developments: Nueva Maravilla in unincorporated East Los Angeles, Lomita Manor in the City of Lomita, Orchard Arms in the City of Valencia, Lancaster Homes in the City of Lancaster, and Foothill Villa in the City of La Crescenta.

IT IS RECOMMENDED THAT YOUR COMMISSION:

1. Recommend that the Board of Commissioners find that the approval of an Agreement to provide elevator evaluation and design consulting services is not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the work includes activities that will not have the potential for causing a significant effect on the environment.
2. Recommend that the Board of Commissioners approve and authorize the Acting Executive Director to execute an elevator evaluation and design consulting services Agreement in the aggregate amount not to exceed \$375,000, and in substantially the form of the attached, and all related documents, with Integrated Design Systems Group, Inc. to complete elevator evaluation and design services for the modernization of 15

elevators at five senior housing developments, to be effective following approval as to form by County Counsel, execution by all parties, and issuance of the Notice to Proceed, which will not exceed 30 days following the date of Board approval.

3. Recommend that the Board of Commissioners authorize the Acting Executive Director to use for this purpose \$325,000 in Capital Funds Program funds and \$50,000 in Project-Based Section 8 funds allocated by the U.S. Department of Housing and Urban Development (HUD) and included in the Housing Authority's approved Fiscal Year 2008-2009 budget; and authorize the Acting Executive Director to approve Contract change orders not exceeding \$75,000 for unforeseen project costs, using the same source of funds.
4. Recommend that the Board of Commissioners authorize the Acting Executive Director to execute amendments to the Agreement, following approval as to form by County Counsel, to extend the time of performance, at no additional cost to the Housing Authority, to allow the Consultant to perform construction observation services during the construction phase of the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to award an Agreement to the Consultant for elevator evaluation and design services for the modernization 15 elevators at five senior housing developments: Nueva Maravilla in unincorporated East Los Angeles, Lomita Manor in the City of Lomita, Orchard Arms in the City of Valencia, Lancaster Homes in the City of Lancaster, and Foothill Villa in the City of La Crescenta.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The Housing Authority will fund the Agreement with \$325,000 in Capital Funds Program funds \$50,000 in Project-Based Section 8 funds allocated by HUD and included in the Housing Authority's approved Fiscal Year 2008-2009 budget for this purpose. A 20% contingency, in the amount of \$75,000, is also being set aside for unforeseen costs, using the same source of funds.

A 20% contingency is necessary because once the Consultant provides services such as elevator design, plans, and construction observation, there will likely be additional billable hours needed than initially identified in the original contract amount.

The Agreement may be extended at no additional cost to the Housing Authority to allow the Consultant to perform construction observation services during the construction phase of the project.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The two-story, 504-unit Nueva Maravilla housing development was built in 1943 and has four elevators. The two-story, 78-unit Lomita Manor was built in 1985 and has two elevators. The two-story, 183-unit Orchard Arms was built in 1980 and has four elevators. The two-story, 120-unit Lancaster Homes was built in 1978 and has two elevators. The three-story, 62-unit Foothill Villa was built in 1981 and has three elevators.

The Consultant will be responsible for preparing the designs, plans, calculations, and specifications for the 15 elevators, as well as obtaining all plan check approvals, assisting with the bid phase to identify a consultant to perform the needed elevator modernization, and performing construction observation services.

The improvements are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, the Consultant will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The Agreement has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations Part 58, Section 58.34 (a)(8) because it involves evaluation and design activities that will not have a physical impact on or result in any physical changes to the environment. The action is not subject to the provisions of CEQA pursuant to State CEQA Guideline 15060 (c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS

On September 1, 2006, the Housing Authority initiated a Request for Statement of Qualifications (RFSQ) process to identify a qualified and experienced architectural and engineering firm to provide the needed elevator evaluation and design services. Notices of the RFSQ were mailed to 46 architectural and engineering firms identified from the Housing Authority's vendor list. Announcements also appeared in eight local newspapers and on the County Web Site. Three RFSQ packages were requested and distributed.

On September 28, 2006, two firms submitted Statements of Qualifications (SOQ). A review panel of Housing Authority personnel evaluated the two SOQs and determined that the two top-ranked firms, Integrated Design Systems Group, Inc. and Amtech Elevator Services, were qualified. However, Amtech Elevator Services would not agree to sign the Housing Authority's standard services contract.

On June 12, 2007, the performance of the firms was evaluated by the review panel, which determined that Integrated Design Systems Group, Inc. was the most qualified firm to provide the necessary services. The Consultant was invited to submit a fee proposal for elevator evaluation and design services, and entered into negotiations with the Housing Authority, resulting in the proposed Agreement. The details of the fees by site are as follows:

Nueva Maravilla	\$ 100,000
Lomita Manor	\$ 50,000
Orchard Arms	\$ 100,000
Lancaster Homes	\$ 50,000
Foothill Villa	<u>\$ 75,000</u>
Total:	\$ 375,000

The Summary of Outreach Activities is provided as Attachment A.

Honorable Housing Commissioners
Housing Authority of the
County of Los Angeles
2 Coral Circle
Monterey Park, California 91755

Dear Commissioners:

**APPROVE A CONSULTING ARCHITECTURAL AND CIVIL ENGINEERING
SERVICES AGREEMENT FOR PARKING LOTS AND SIDEWALK MODERNIZATION
AT FOUR HOUSING AUTHORITY HOUSING DEVELOPMENTS
(1, 4, 5)**

SUBJECT

This letter recommends approval of an architectural and civil engineering consulting services agreement with Integrated Design Systems Group, Inc. to provide analysis and design services for 36 parking lots and sidewalks at the following four housing developments: Nueva Maravilla in unincorporated East Los Angeles, Carmelitos in the City of Long Beach, Harbor Hills in the City of Lomita, and Lancaster Homes in the City of Lancaster.

IT IS RECOMMENDED THAT YOUR COMMISSION:

1. Recommend that the Board of Commissioners find that the architectural and civil engineering phase of the parking lots and sidewalks modernization project at the four Housing Authority housing developments is not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the work includes activities that will not have the potential for causing a significant effect on the environment.
2. Recommend that the Board of Commissioners approve and authorize the Acting Executive Director to execute an architectural and civil engineering consulting services agreement (Agreements) in an amount not to exceed \$1,600,000 and in substantially the form of the attached, and all related documents, with Integrated Design Systems Group, Inc., to complete

analysis and design services for the modernization of a total of 36 parking lots and sidewalks at four housing developments, to be effective following approval as to form by County Counsel, execution by all parties, and issuance of the Notice to Proceed, which will not exceed 30 days following the date of Board approval.

3. Recommend that the Board of Commissioners authorize the Acting Executive Director to use a total of \$1,600,000 comprised of \$1,500,000 in Capital Funds Program funds and \$100,000 in Project-Based Section 8 funds, allocated by the U.S. Department of Housing and Urban Development (HUD) and included in the Housing Authority's approved Fiscal Year 2008-2009 budget for the purposes described herein; and authorize the Acting Executive Director to approve Contract change orders not exceeding \$320,000 for unforeseen project costs, using the same source of funds.
4. Recommend that the Board of Commissioners authorize the Acting Executive Director to execute amendments to the Agreement, following approval as to form by County Counsel, to extend the time of performance, at no additional cost to the Housing Authority, to allow the Consultant to perform construction observation services during the construction phase of the project.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to award an Agreement to Integrated Design Systems Group, Inc. (Consultant) for architectural and civil engineering consulting services for the modernization of a total of 36 parking lots and Americans with Disabilities Act (ADA) compliant sidewalks at four housing developments: Nueva Maravilla in unincorporated East Los Angeles, Carmelitos in the City of Long Beach, Harbor Hills in the City of Lomita and Lancaster Homes in the City of Lancaster.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The Housing Authority will fund the Agreement with \$1,600,000 in Capital Funds Program funds and \$100,000 in Project-Based Section 8 funds. All funds are allocated by HUD and included in the Housing Authority's approved Fiscal Year 2008-2009 budget for this purpose. A 20% contingency, in the amount of \$320,000, is also being set aside for unforeseen costs, using the same source of funds.

A 20% contingency is necessary because once the Consultant provides services such as parking lot designs, plans, and construction observation, there will likely be additional billable hours needed that were not initially identified in the original contract amount.

The Agreement may be extended at no additional cost to the Housing Authority to allow the Consultant to perform construction observation services during the construction phase of the project.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The two-story, 504-unit Nueva Maravilla housing development was built in 1943 and has six parking lots. The two-story, 558-unit Carmelitos Family, and three-story, 155-unit Carmelitos Seniors, were built in 1939 and have a total of 20 parking lots. The two-story, 301-unit Harbor Hills was built in 1941 and has eight parking lots. The two-story, 120-unit Lancaster Homes was built in 1978 and has two parking lots.

The Consultant will be responsible for preparing the designs, plans, calculations, and specifications for the parking lot and sidewalk modernization, obtaining all plan check approvals, assisting with the bid phase to identify a contractor to perform the construction, and performing construction observation services.

The improvements are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, the Consultant will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The Agreement has been approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

This project is exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations Part 58, Section 58.34 (a)(8) because it involves design activities that will not have a physical impact on or result in any physical changes to the environment. The action is not subject to the provisions of CEQA pursuant to State CEQA Guideline 15060 (c)(3) and 15378 because it is not defined as a project under CEQA and does not have the potential for causing a significant effect on the environment.

CONTRACTING PROCESS

On May 15, 2008, the Housing Authority and Community Development Commission jointly initiated a Request for Statement of Qualifications (RFSQ) process to identify the most qualified and experienced architectural and engineering firms to provide the needed design services for various Housing Authority and Community Development

Commission projects. Notices of the RFSQ were mailed to 316 architectural and engineering firms identified from the Community Development Commission's vendor list. Announcements also appeared in eight local newspapers and on the County Web Site. One hundred and thirty-nine RFSQ packages were requested and distributed.

On June 6, 2008, a total of 29 firms submitted Statements of Qualifications (SOQs). Immediately following the submittal deadline, a selection panel consisting of Housing Authority and Community Development Commission staff began independent evaluations of the SOQs. Twenty-five firms passed basic threshold requirements and were found to be qualified to provide services. The shortlist was reviewed and approved by the Acting Executive Director on August 6, 2008. On January 6, 2009, Integrated Design Systems Group, Inc. was selected from the shortlist as the most qualified firm to provide the necessary services for this Agreement.

Integrated Design Systems Group, Inc. was invited to submit a fee proposal for civil engineering evaluation and design consulting services and entered into negotiations with the Housing Authority, resulting in the proposed Agreement. The details of the fees by site are as follows:

Nueva Maravilla	\$ 500,000
Carmelitos	\$ 500,000
Harbor Hills	\$ 500,000
Lancaster Homes	\$ 100,000
Total:	\$ 1,600,000

The Summary of Outreach Activities is provided as Attachment A.

IMPACT ON CURRENT PROJECT

The proposed Agreement will provide for the necessary evaluation and design services for the modernization of parking lots and sidewalks at four housing developments, and will provide residents with safe, decent living conditions.

Honorable Housing Commissioners
Housing Authority of the
County of Los Angeles
2 Coral Circle
Monterey Park, California 91755

Dear Commissioners:

**APPROVE THE ANNUAL PLAN FOR THE HOUSING AUTHORITY OF THE COUNTY
OF LOS ANGELES (ALL DISTRICTS)**

SUBJECT

This letter recommends approval of the Housing Authority's Annual Plan for Fiscal Year 2009-2010. The Annual Plan updates the Housing Authority's program goals, major policies, financial resources and is required for the receipt of Capital Fund Program funds.

**IT IS RECOMMENDED THAT YOUR COMMISSION, AT THE CONCLUSION OF THE
PUBLIC HEARING:**

1. Recommend that the Board of Commissioners find that the activities in the attached Annual Plan for Fiscal Year 2009-2010, as described herein, are not subject to the provisions of the California Environmental Quality Act (CEQA), because they will not have the potential for causing a significant effect on the environment.
2. Recommend that the Board of Commissioners approve the attached Annual Plan, as required by the U.S. Department of Housing and Urban Development (HUD), to update the Housing Authority's program goals, major policies and financial resources, including the Capital Fund Annual Statement and Five-Year Action Plan, the Admissions and Continued Occupancy Policy for the Conventional Public Housing Program, the Public Housing Lease Agreement, and the Section 8 Tenant-Based Program Administrative Plan.
3. Recommend that the Board of Commissioners adopt and instruct the Chairman to sign the attached Resolution approving the Annual Plan for

submission to HUD, and authorizing the Acting Executive Director of the Housing Authority to take all actions required for implementation of the Annual Plan.

4. Recommend that the Board of Commissioners authorize the Acting Executive Director to execute all documents required to receive approximately \$5,847,288 in Capital Fund Program funds from HUD for resident programs, operating costs, and the rehabilitation of 1,737 housing units at eight Conventional Public Housing Program developments throughout Los Angeles County, as described in the Annual Plan.
5. Recommend that the Board of Commissioners authorize the Acting Executive Director to incorporate into the Annual Plan all public comments received and approved for inclusion by your Board; and authorize the Acting Executive Director to submit the Annual Plan to HUD by April 17, 2009.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Section 511 of the Quality Housing and Work Responsibility Act of 1998 (QHWRA) mandates that the Housing Authority submit an Annual Plan to update program goals and objectives each year.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. Upon approval of the Annual Plan, the Housing Authority will receive approximately \$5,847,288 in Capital Fund Program funds from HUD for resident programs, administrative costs and housing rehabilitation for the Conventional Public Housing Program. Operating funds for the Conventional Public Housing Program and administrative fees for the Section 8 Tenant-Based Program are allocated through a separate budgetary process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On October 21, 1998, the QHWRA mandated that all housing authorities submit an Annual Plan to HUD. The Annual Plan identifies goals, major program policies, and financial resources for both the Conventional Public Housing Program and the Section 8 Tenant-Based Program.

The Annual Plan identifies major program policies and financial resources. It updates information on housing needs, waiting lists, housing strategies, deconcentration and income mixing plans, income analyses, and other program and management data. The Annual Plan must be updated each year, and was last approved by your Board on March 25, 2008.

Also included as part of the Annual Plan are the updated Capital Fund Annual Statement and Five-Year Action Plan, the Admissions and Continued Occupancy Policy for the Conventional Public Housing Program, the Public Housing Lease Agreement and the Section 8 Tenant-Based Program Administrative Plan. Significant changes to these documents are discussed below.

Capital Fund Annual Statement

During Fiscal Year 2007-2008, a total of 1,462 housing units were rehabilitated at ten Conventional Public Housing Program developments throughout Los Angeles County.

The 2009-2010 Capital Fund Annual Statement summarizes the Housing Authority's plan to use modernization funds to rehabilitate 1,737 housing units at eight Conventional Public Housing Program developments throughout Los Angeles County. Included are proposed work items, estimated costs, and an implementation schedule for the work to be completed. Also provided is a list of programs and funding for non-modernization activities, including the maintenance of family learning centers, crime prevention programs, resident self-sufficiency training programs, upgrading of computers, and program staffing.

As authorized by HUD, the Acting Executive Director may amend the Capital Fund Annual Statement as necessary to respond to needs such as housing emergencies, to safeguard property or protect health and safety, or to implement other changes that are in the interests of the Housing Authority and public housing residents. The Acting Executive Director may also implement changes to the Capital Fund Annual Statement in response to changes in federal funding.

Admissions and Continued Occupancy Policy and Lease Agreement for the Conventional Public Housing Program

The Admissions and Continued Occupancy Policy and Lease Agreement for the Conventional Public Housing Program set guidelines to determine eligibility for admission and continued occupancy. There are no major changes to these documents.

Section 8 Tenant-Based Program Administrative Plan

The purpose of the Section 8 Tenant-Based Program Administrative Plan is to set forth the policies and procedures that govern the Housing Authority's administration of rental assistance under this program. The revised Section 8 Tenant-Based Program Administrative Plan reflects the following nine changes:

First, the number of vouchers that the Housing Authority issues to applicants is based on statistics of program attrition. Based on these statistics, the Housing Authority projects the necessary number of vouchers that are required to meet leasing and budget goals for the fiscal year.

Currently, the Housing Authority will honor all vouchers issued in excess of maximum voucher and/or budget allocation. In accordance with HUD regulations, the Housing Authority now may not honor vouchers issued in excess of voucher and/or budget allocation. As the Housing Authority approaches 100% lease-up, vouchers will be honored in the order they were issued.

Second, the Housing Authority currently allows adults to be added to participant households only through marriage or marital-type relationship or if they are an adult child returning home from military service. In accordance Section 24 of the Code of Federal Regulations, Part 982.551(h)(2), the Housing Authority will now allow the addition of adults to participant households in cases of major illness or disability.

Third, the Housing Authority currently conducts interim reexaminations in cases of income decreases or family additions. The current policy also allows the option to conduct an interim reexamination when a participant family's income has increased. Families are also required to submit all changes in income or family composition to the Housing Authority within 30 days, whether or not it will result in an interim reexamination.

In accordance with federal regulation, the Housing Authority policy will no longer contain the option to conduct interim reexaminations when income increases. Families will be required to submit changes in income decreases and family composition within thirty days of the change. All other changes may be submitted at the annual reexamination.

Fourth, the Housing Authority currently conducts Compliance Checks/Home Visit inspections to assure compliance with program rules. The Housing Authority has expanded its policy on Compliance Checks/Home Visit inspections by requiring that investigators conduct inspections between the hours of 7:00 a.m. to 6:30 p.m. on Monday through Friday. If circumstances require a visit outside of this timeframe (for example, if the members of the household work during these hours), then a notice of a weekend or evening visit shall be given to the tenant either by mail or by leaving such notice at the residence. This notice may state that the Housing Authority will return to conduct an inspection within thirty days. No specific day or time need be given in the notice. If the notice is provided by the Housing Authority of a future visit, then a Housing Authority investigator may conduct their investigation from 7:00 a.m. to 7:30 p.m. on Monday through Friday and 9:00 a.m. to 5:00 p.m. on Saturdays. If the Housing Authority is not the lead agency approaching an assisted household, these hours do not apply. The written permission of the Executive Director is required if Housing Authority investigators wish to conduct a Compliance Check/Home Visit inspection outside the hours stated in the policy.

The policy has been further clarified to state that before entering a unit, Housing Authority investigators must request consent from someone they reasonably believe to be at least eighteen years of age and in control of the unit. If the family refuses to

provide consent to the investigators to enter the unit, the Housing Authority may schedule an appointment, which the head of household will be required to attend, in order to address investigators' concerns. Failure to appear at this appointment may be grounds to terminate assisted housing benefits.

The Housing Authority will also provide a form with an acknowledgement that outlines this policy and its related procedures, including when the Compliance Checks/Home Visits may take place and the family's right to refuse consent to the Housing Authority to enter the assisted unit. Applicants and participants will be required to sign an acknowledgement of the policy during the voucher briefing session and during their annual reexamination.

Fifth, the Housing Authority currently maintains a policy that requires participant households to be terminated for drug-related or violent criminal activity committed by a member of the household. The Housing Authority will now expand this policy to a more comprehensive "zero tolerance" policy by defining the term "illegal drugs" and addressing criminal activity of guests or invitees of the family.

The Housing Authority "zero tolerance" policy toward illegal drugs and other criminal activity will now state that members of the family and their guests or invitees may not engage in drug-related criminal activity, violent criminal activity, or other criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents and persons residing in the immediate vicinity of the premises. Drug-related criminal activity includes the manufacture, dispensation, distribution, sale, use or possession of illegal drugs. An "illegal drug" is defined as any controlled substance, in any amount, as defined by the United States Code, Title 21, section 321, including but not limited to narcotics, amphetamines, hallucinogens, cocaine, marijuana, designer drugs, or other intoxicants. This definition also specifically includes over-the-counter medications used in the manufacture of illegal drugs or for the purposes of becoming intoxicated, and pharmaceutical medications which are used either without being prescribed by a licensed physician or in excess of the amount prescribed by a physician, for the purpose of becoming intoxicated.

The Housing Authority will now also require termination of a participant household for drug-related or violent criminal activity committed by guests or invitees of any member of the household on the premises of the assisted unit. The Housing Authority will retain its current policy under the Violence Against Women Act 2005 to not terminate the assistance of a participant based on incidences or threats of abuse.

Sixth, the annual reexamination policy currently states that when the tenant rent decreases from the previous year due to an annual reexamination, the effective date of the annual reexamination and the rent decrease will be the anniversary date of the Housing Assistance Payment contract. In accordance with Section 24 of the Code of Federal Regulations, Part 982.516(d)(2), the Housing Authority will now make all tenant

rent decreases due to an annual reexamination effective on the first day of the month after the reexamination is completed.

Seventh, the Housing Authority currently maintains a policy that reexaminations will be conducted at least annually. In accordance with the current Corrective Action Plan executed with the U.S Department of Housing and Urban Development (HUD), and in accordance with Indicator 9 under the Section Eight Management Assessment Program (SEMAP), this policy will now be expanded to state that all annual reexaminations must be effective within 12 months of the last annual reexamination.

Eighth, in accordance with the current Corrective Action Plan executed with HUD, and in accordance with Indicator 7: Expanding Housing Opportunities, under SEMAP, the Housing Authority will include a list of participating cities within the jurisdiction that are not considered to be impacted by poverty or minority concentration.

Ninth, the Housing Authority currently maintains five admissions preferences in the Administrative Plan. Current preferences are as follows, with families of veterans or current members of the armed forces receiving priority in each of the following categories:

1. Families admitted through set-aside, targeted or special programs;
2. Families previously assisted by the Housing Authority whose assistance was terminated due to insufficient funding;
3. Families who live or work in the jurisdiction and are approved for admission by the Executive Director as victims of declared disasters, displaced due to a government action or a referral from law enforcement;
4. All other families who live or work in the jurisdiction;
5. Date and time.

The Housing Authority is removing date and time as a preference. Families will continue to be selected from the waiting list in order of date and time after preferences have been applied.

As required by Section 24 of the Code of Federal Regulations, Part 903.17, a public hearing to approve the Agency Plan was conducted. Copies of the Annual Plan were made available for public review and comment during a 45-day comment period extending from December 29, 2008 to February 11, 2009 at nine public libraries, 11 housing developments, the South Whittier Community Resource Center, Housing Authority administrative offices, and the Housing Authority website. Notices of the availability of the documents and the public hearing were also published in newspapers of general circulation during the 45-day period.

The Summary of Public Outreach regarding the amended Annual Plan, a list of the eight Conventional Public Housing Program developments in the Capital Fund Annual

Statement for Fiscal Year 2009-2010, and the Annual Plan, are provided as Attachments, A, B, and C, respectively.

The Resolution approving the Annual Plan for submission to HUD has been approved as to form by County Counsel and is provided as Attachment D. All public comments pertaining to the Annual Plan from the Public Review and Comment period are incorporated into the attached Annual Plan. At the conclusion of the public hearing, public comments approved by your Board will be incorporated into the Annual Plan and submitted to HUD.

The Honorable Housing Commissioners
Housing Authority of the
County of Los Angeles
2 Coral Circle
Monterey Park, CA 91755

Dear Commissioners:

**APPROVE CONTRACT FOR MASTER PEST CONTROL SERVICES FOR
ALL HOUSING DEVELOPMENTS LOCATED WITHIN LOS ANGELES COUNTY
(ALL DISTRICTS)**

SUBJECT

This letter recommends approval of a Contract with Lone Star Termite and Pest Control Inc. to provide standardized master pest control for 61 housing developments and three administrative buildings throughout Los Angeles County.

IT IS RECOMMENDED THAT YOUR COMMISSION:

1. Recommend that the Board of Commissioners find that a pest control Contract is exempt from the California Environmental Quality Act (CEQA) as described herein, because the activities will not have the potential for causing a significant effect on the enforcement.
2. Recommend that the Board of Commissioners approve and authorize the Acting Executive Director to execute a one-year Contract in the amount of \$64,992 with Lone Star Termite and Pest Control Inc. to provide pest control services for 61 housing developments located within Los Angeles County, as well as the Mary B. Henry Telemedicine Center, the Bright Futures Child Care Center, and the South Scattered Sites management office.
3. Recommend that the Board of Commissioners authorize the Acting Executive Director to use for this purpose \$58,813 in Conventional Public Housing Program funds and \$3,543 in Project-Based Section 8 Program funds allocated by the U.S. Department of Housing and Urban

Development (HUD), \$2,183 in Rental Housing Construction Program (RHCP) program revenue allocated by the State of California, and \$453 in General Fund Bond Fees; and authorize the Acting Executive Director to approve Contract change orders not exceeding \$19,500 for unforeseen project costs, using the same source of funds.

4. Recommend that the Board of Commissioners authorize the Acting Executive Director to execute amendments to the one-year Contract, following approval as to form by County Counsel, to extend the term of the Contract for a maximum of four years, in one-year increments, using funds to be approved through the annual budget process.
5. Recommend that the Board of Commissioners authorize the Acting Executive Director to execute all necessary administrative amendments to the Contract as well as any amendments to increase the compensation amount upon each annual renewal with an escalation percentage cap equal to the Consumer Price Index (CPI) for the County of Los Angeles determined by the U.S. Bureau of Labor Statistics, and a 30 percent contingency per year, to provide for any unforeseen needed pest control services, following approval as to form by County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to provide pest control services at the Housing Authority's public housing developments and administrative buildings throughout Los Angeles County. The interior of each unit will be treated two times per year by spraying or bating with a gel substance the interior of all units and administrative offices. The exterior of all buildings will be sprayed monthly for the control of ants and other insects.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. For the first year of services under the Contract, the Housing Authority will use a maximum aggregate of \$64,992 included in the Housing Authority's approved Fiscal Year 2008-2009 budget, consisting of \$58,813 in Conventional Public Housing Program funds and \$3,543 in Project-Based Section 8 Program funds allocated by the U.S. Department of Housing and Urban Development (HUD), \$2,183 in Rental Housing Construction Program (RHCP) program revenue allocated by the State of California, and \$453 in General Fund Bond Fees. A 30% contingency, in the amount of \$19,500, is also being set aside for unforeseen costs, using the same source of funds.

A 30% contingency is necessary because the Contractor will likely need to provide services beyond the regular twice annual unit treatment. These services may special treatments for fleas and bedbugs, removal of bee hives, rodents and other pests.

After the first year, the Housing Authority seeks authority extend the Contract for an additional four years, in one-year increments, contingent upon availability of funds. If extended, compensation for the second, third, fourth and fifth years of the Contract, including the costs of unforeseen needed pest control services and any adjustment for the CPI, will use funds to be approved through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Housing Authority operates 61 housing developments totaling 3,336 housing units throughout Los Angeles County. Each unit will be treated a maximum of two times annually. The exterior of each development will be sprayed once per month and all community space areas will be treated quarterly or as necessary.

These services are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, Lone Star Termite and Pest Control will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The Contract has been approved as to form by County Counsel and executed by Lone Star Termite and Pest Control Inc.

CONTRACTING PROCESS

On September 23, 2008, the Housing Authority and the Community Development Commission (CDC) initiated a combined outreach bid process to identify a pest control maintenance service company. Invitations for Bid Notices were mailed to 73 pest control providers identified from the CDC/Housing Authority's vendor list. Advertisements also appeared in eight local newspapers and on the Community Development Commission and L.A. County Websites. Sixteen proposal packages were distributed.

Twelve Contractors attended a mandatory Pre-Bid Conference on November 25, 2008. On December 22, 2008, five bids were received. The lowest bid was rejected because

of the company's failure to meet the minimum requirements. Lone Star Termite and Pest Control Inc. submitted the lowest, most responsive and responsible bid and is being recommended for the Contracts award.

The Summary of Outreach Activities is provided as Attachment A.

ENVIRONMENTAL DOCUMENTATION

Pursuant to Title 24 of the Code of Federal Regulations, Section 58.35 (b) (3), this action is excluded from the National Environmental Policy Act (NEPA) because it involves activities that will not alter existing environmental conditions. The action is exempt from the provisions of CEQA pursuant to State CEQA Guidelines Section 15301 because it involves negligible or no expansion of an existing use and does not have the potential for causing a significant effect on the environment.

IMPACT ON CURRENT SERVICES

The award of this Contract will allow the Housing Authority to continue providing a pest-free living environment for all residents and employees at all housing developments located throughout the County.

RESOLUTION OF THE BOARD OF COMMISSIONERS OF THE HOUSING
AUTHORITY OF THE COUNTY OF LOS ANGELES DECLARING
ITS OFFICIAL INTENT TO UNDERTAKE
THE FINANCING OF A MULTIFAMILY HOUSING PROJECT
AND RELATED ACTIONS

WHEREAS, the Housing Authority of the County of Los Angeles (the "Authority") is authorized and empowered by the provisions of Chapter 1 of Part 2 of Division 24 of the Health and Safety Code of the State of California (the "Act") to issue and sell mortgage revenue bonds for the purpose of making loans or otherwise providing funds to finance the acquisition, construction, rehabilitation and development of multifamily residential rental housing projects, including units for households meeting the income limits set forth in the Act; and

WHEREAS, Compton Senior Housing, LP, a California limited partnership (or an affiliate or assign) (the "Borrower"), has requested that the Authority issue and sell its mortgage revenue bonds pursuant to the Act to provide financing for the acquisition and construction of a multifamily rental housing development consisting of 84 units to be located at 15810 Frailey Avenue in unincorporated Los Angeles County and in the City of Compton (the "Project"); and

WHEREAS, this Board of Commissioners of the Authority (the "Board") hereby finds and declares that it is necessary, essential and a public purpose for the Authority to finance multifamily housing projects pursuant to the Act, in order to increase the supply of multifamily housing in Los Angeles County available to persons and families within the income limitations established by the Act; and

Honorable Housing Commissioners
Housing Authority of the
County of Los Angeles
2 Coral Circle
Monterey Park, California 91755

Dear Commissioners:

**APPROVE CONSTRUCTION CONTRACT FOR CARMELITOS SENIOR HOUSING
DEVELOPMENT EXTERIOR IMPROVEMENTS PROJECT IN LONG BEACH
(DISTRICT 4)**

SUBJECT

This letter recommends approval of a Construction Contract with Tobo Construction, Inc. to complete various exterior repairs at the Carmelitos Senior Housing Development, located at 761 and 817 Via Carmelitos in the City of Long Beach.

IT IS RECOMMENDED THAT YOUR COMMISSION:

1. Recommend that the Board of Commissioners find that the approval of a Contract for exterior improvements at the Carmelitos senior housing development is exempt from the provisions of the California Environmental Quality Act (CEQA), as described herein, because the work includes activities that will not have the potential for causing a significant effect on the environment.
2. Recommend that the Board of Commissioners approve and authorize the Acting Executive Director of the Housing Authority to execute a Contract in the amount of \$352,552 with Tobo Construction, Inc. to complete exterior improvements at the Carmelitos senior housing development, following approval as to form by County Counsel and to be effective upon issuance of the Notice to Proceed, which will not exceed 30 days following the date of Board approval.
3. Recommend that the Board of Commissioners authorize the Acting Executive Director to use a total of \$352,552 in Capital Fund Program

funds allocated by the U.S. Department of Housing and Urban Development and included in the Housing Authority's approved Fiscal Year 2008-2009 budget for the purposes described herein; and authorize the Acting Executive Director to approve Contract change orders not exceeding \$70,510 for unforeseen project costs, using the same source of funds.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of this action is to award a Contract to complete exterior improvements at the Carmelitos senior housing development.

FISCAL IMPACT/FINANCING

There is no impact on the County general fund. The Housing Authority will fund the exterior improvements with \$352,552 in Capital Funds Program funds allocated by U.S. Department of Housing and Urban Development (HUD) and included in the Housing Authority's approved Fiscal Year 2008-2009 budget. A 20% contingency, in the amount of \$70,510, is also being set aside for unforeseen costs, using the same source of funds.

A 20% contingency is needed due to the nature of decking underlayment repair work and other construction items. There is often damage that extends further than initially identified in the scope of work.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The scope of work for the exterior improvements at the 155-unit Carmelitos senior housing development includes the exterior stair repairs, breezeway lighting fixture replacement, breezeway painting, removal of rubber tiles on the ground floors of the breezeways, ground floor breezeway concrete staining, deck repairs, new deck coating, replacement of damaged concrete at walkway, new flooring and countertops at the community center kitchen and new countertops at the community center.

The improvements are being federally funded, and are not subject to the requirements of the Greater Avenues for Independence (GAIN) Program or the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles. Instead, Tobo Construction, Inc. will comply with Section 3 of the Housing and Community Development Act of 1968, as amended, which requires that employment and other economic opportunities generated by certain HUD assistance be directed to low- and very low-income persons, particularly to persons who are recipients of HUD housing assistance.

The Contract has been approved as to form by County Counsel and executed by Tobo Construction, Inc.

CONTRACTING PROCESS

On December 5, 2008, the Housing Authority initiated an outreach to identify a contractor to complete the work at the subject property. Invitations for Bids were mailed to all 641 Class B licensed contractors identified from the Housing Authority's vendor list. Advertisements also appeared in eight local newspapers and on the County WebVen website. Eighteen bid packages were requested and distributed.

On January 7, 2009, nine bids were received and formally opened. The lowest bidder, Consolidated Professionals, Inc., withdrew their bid because it was intended for a different Community Development Commission project. The next lowest bidder, Tobo Construction, Inc., was determined to be the most responsive and responsible and is being recommended for the Contract award. The Summary of Outreach Activities is provided as Attachment A.

ENVIRONMENTAL DOCUMENTATION

Pursuant to Title 24 of the Code of Federal Regulations, Section 58.35 (a)(3)(ii), this action is excluded from the National Environmental Policy Act (NEPA) because it involves activities that will not alter existing environmental conditions. The action is exempt from the provisions of CEQA pursuant to State CEQA Guidelines Section 15301 because it involves negligible or no expansion of an existing use and does not have the potential for causing a significant effect on the environment.

IMPACT ON CURRENT PROJECT

The award of the Contract will improve the exterior appearance of the Carmelitos senior housing development and continue to provide the residents with decent, safe, and sanitary living conditions.

Respectfully submitted,

for **CORDÉ D. CARRILLO**
Acting Executive Director

Housing Authority - County of Los Angeles

TO: Housing Commissioners

SUBJECT: HOUSING COMMISSION TRAVEL POLICY

Background

Housing Commissioners are sometimes called upon to travel to conferences and meetings to represent the Housing Authority in an official capacity. Commission members may be reimbursed for, or obtain travel advances for, their actual and necessary travel expenses including meals, lodging, transportation and other expenses.

The Travel Policy requires that the Commissioner submit a signed Travel Expense Report and all receipts within five days after receiving the Expense Report from the Housing Authority staff. In most cases, Housing Authority staff will prepare the Travel Expense Report on behalf of the traveling Commissioner once receipts are submitted. On many occasions, Commissioners who received advances have not submitted receipts to document their expenses. This lack of documentation is an operational weakness and can result in a future audit finding for our agency.

The Housing Commission's Travel Policy was adopted on March 23, 2005. The existing language regarding reconciling travel expenses reads as follows:

Travel Expense Reconciliation

Immediately following the conclusion of a trip, the Executive Office will prepare and transmit to the Housing Commissioner a Travel Expense Report for signature. This signature certifies that all claimed expenses were incurred in connection with Housing Commission business. Only legitimate travel-related expenses can be claimed (e.g. meals, taxi fare to a meeting location, etc.). Reimbursements are not provided for expenses unrelated to the purpose of the trip (e.g. tee-shirts, souvenirs, and other non-essential items).

The signed Travel Expense Report and all receipts must be submitted to the Executive Office within five (5) days after the form is received to enable prompt travel expense reconciliation.

This language has not been effective in ensuring the timely submission of travel receipts. Therefore, it is necessary to revise both the Travel Policy and the procedures to address the recurring situation described above.

Recommendation

IT IS RECOMMENDED THAT THE HOUSING COMMISSION:

1. Revise the Travel Policy to read as follows:

Within five (5) days of returning from the authorized business trip, the Housing Commissioner shall submit original travel receipts to the Housing Authority's designated staff, who shall promptly prepare the Travel Expense Report. Staff shall determine if the Housing Authority is to reimburse the traveler, or if the Housing Authority is due a refund for advances that exceed expenses. The completed Travel Expense Report will be transmitted to the Housing Commissioner for signature. If money is due the Housing Authority, the traveler shall submit a check, payable to the "Housing Authority of the County of Los Angeles", within 5 days of receiving the completed Travel Expense Report.

If original receipts are not submitted or a refund check is not received within the specified timeframe, the Housing Authority will issue an IRS Form 1099-MISC (Miscellaneous Income) in the amount of the advance at the end of the calendar year.

The Housing Commissioner's signature on the Travel Expense Report certifies that all claimed expenses were incurred in connection with Housing Commission business. Only legitimate travel-related expenses can be claimed (e.g. meals, taxi fare to a meeting location or to or from the airport, etc.). Reimbursements are not provided for expenses unrelated to the purpose of the trip (e.g. Tee-shirts, souvenirs, dry cleaning and other non-essential items).

- 2) Direct Housing Authority staff to make the changes effective the date of Commission approval and to implement the new procedures immediately.
