SUBJECT: **FUNDING AUGMENTATIONS FOR VARIOUS DRUG/MEDI-CAL CONTRACTS**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for various Drug/Medi-Cal agencies using the delegated authority granted by the Board on June 10, 2008 (Board Agenda Synopsis #31). The agencies' agreements provide flexibility to adjust funding allocations, and contain provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending the funding increases based on the Sobky v. Smoley court litigation which allowed agencies to request additional funds to cover persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments:

- Attachment 1 - Description of the services affected by this amendment
- Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.
