5. Approve and instruct the Chairman to sign the attached Prop A Amendment No. 13 to Agreement No. 68444 with Sodexo, LLC (Sodexo) to extend the term of the Agreement, effective January 1, 2010 through March 31, 2010, for the continued provision of dietary and concession cafeteria services at Rancho Los Amigos National Rehabilitation Center (Rancho), for an estimated cost of \$1,068,434.
6. Authorize the Interim Director of Health Services, or his designee, to execute the attached non-Prop A Amendment No. 13 to Agreement No. H-211094 with Morrison to extend the term of the Agreement, effective January 1, 2010 through March 31, 2010, for the continued provision of public cafeteria services at Harbor, with estimated revenue of \$19,500.
7. Approve and instruct the Chairman to sign the attached Prop A Amendment No. 7 to Agreement No. 73378 with Morrison to extend the term of the Agreement, effective January 1, 2010 through June 30, 2010, for the continued provision of dietary (clinical nutrition) and public cafeteria services at High Desert Health System (High Desert), for an estimated cost of \$75,854.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Dietary and concession cafeteria services at Department of Health Services (DHS) facilities are provided pursuant to seven separate agreements which currently expire on December 31, 2009. Approval of the first six recommendations will ensure the agreements for services at Harbor, LAC+USC, Olive View, and Rancho, and dietary services only at MLK-MACC are extended through March 31, 2010 to allow time to complete the Request for Proposals (RFP) process.

When the RFP was released on June 5, 2009, it was anticipated that successor Agreements would be approved by your Board prior to December 31, 2009. As indicated in my memo to your Board dated August 19, 2009, due to the volume and complexity of the questions received from potential proposers, DHS issued addendums to the RFP and extended the proposal due date from July 10, 2009 to August 7, 2009. These proposals were received and are in the final stage of the evaluation process. The recommended extensions will enable DHS to complete the evaluations, debrief proposers, negotiate the agreements, obtain Auditor-Controller approval of the required Prop A cost analysis, and return to your Board with recommendations for successor agreements by March 31, 2010.

Approval of Recommendation 7 will allow for the continued provision of dietary and public cafeteria services at High Desert. Since High Desert's conversion to a MACC, the Prop A component of dietary services is strictly for clinical nutrition services for patients. A half-time clinical nutritionist provides nutritional assessments, counseling and nutritional education services for patients and families within the health care system. The facility's clinical nutrition services were combined in the RFP with services for Olive View for the succeeding Olive View contract. A Request for Statement of Interest (RFSI) solely for High Desert's public cafeteria services was issued separately on October 9, 2009. RFSI responses are due November 6, 2009. The recommended extension will enable DHS to complete the RFSI process and return to your Board with recommendation for a successor agreement.

Implementation of Strategic Plan Goals

The recommended actions support Goal 4, Health and Mental Health, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

The estimated cost for each facility during the recommended extension period is as follows: \$1,281,689 for Harbor, \$2,583,273 for LAC+USC, \$351,332 for MLK-MACC and Humphrey, \$1,022,621 for Olive View, \$1,068,434 for Rancho, \$75,854 for High Desert, for a total of \$6,383,203. Estimated revenue at Harbor for the cafeteria services is \$19,500 for the three-month extension period. Funding is included in DHS Fiscal Year 2009-10 Final Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Harbor and MLK-MACC

On September 3, 1996, your Board approved Agreements with Morrison to provide dietary services at Harbor and MLK/Drew Medical Center effective September 1, 1996 through February 29, 2004. Subsequently, your Board approved additional Amendments to extend the term through December 31, 2009. MLK-MACC's dietary services currently include services to the patients of the Augustus Hawkins facility, residents and volunteers. Under the current Agreement, a part-time Registered Dietician was also added to Humphrey to accommodate patients who previously went to MLK for nutrition classes for diabetes and HIV. The MLK-MACC's concession services are currently provided under a separate Chief Executive Office (CEO) agreement. Under the RFP, both the dietary and the concession services were solicited and will be included in a single successor agreement.

LAC+USC

Since 1995, DHS has contracted with Morrison for the provision of dietary services at LAC+USC. As a result of an RFP released in June 2001, Morrison was the selected contractor to provide services under a new Agreement effective October 1, 2002 through September 30, 2007, with authority to extend for up to six months through March 31, 2008. On March 25, 2008, your Board approved an Amendment that incorporated the concession services previously provided under a CEO contract and extended the Agreement, effective April 1, 2008 through September 30, 2009. On June 9, 2009, your Board approved an Amendment to extend the term through December 31, 2009.

Olive View

On May 13, 1997, your Board approved an Agreement with Morrison to provide dietary and concession cafeteria services at Olive View, effective June 1, 1997 through November 30, 2002. Subsequently, on June 9, 2009, your Board approved additional Amendments to extend the term through December 31, 2009.

Rancho

On July 18, 1995, your Board approved an Agreement with Sodexho to provide dietary and concession cafeteria services at Rancho, effective August 1, 1995 through January 31, 2003. Subsequently, on June 9, 2009, your Board approved additional Amendments to extend the term through December 31, 2009.

Harbor - Concession Cafeteria Services

On May 9, 2000, your Board approved a revenue concession Agreement with Morrison for the provision of concession cafeteria services at Harbor through February 29, 2004. Subsequently, on June 9, 2009, your Board approved additional Amendments to extend the term through December 31, 2009. Under the RFP, these services are combined with the dietary services so that there will be a single successor agreement.

High Desert

On August 27, 1997, your Board approved an Agreement with Morrison for the provision of dietary services at High Desert through August 12, 2002. On April 2, 2000, Morrison terminated the Agreement effective August 12, 2000. High Desert entered into a Purchase Order Agreement with Morrison until a provider could be selected through a competitive bid process. On May 29, 2001, your Board approved an Agreement with Morrison for the continued provision of dietary services at High Desert through June 30, 2006. Subsequent amendments were approved that extended the Agreement through June 30, 2009. On June 9, 2009, amendments that extended the services through December 31, 2009 were approved.

All Amendments

All the dietary and concession cafeteria contracts have the current Living Wage language and the contractors are in compliance with the Living Wage Program.

On October 19, 2009, the Treasurer and Tax Collector notified departments that your Board adopted a new Defaulted Property Tax Reduction Program Ordinance, effective August 20, 2009, and issued the Implementation Instructions with an effective date of October 20, 2009. The new language was not included in the Amendments because the Department is wrapping up a RFP process and requesting a three-month extension to complete the RFP. The Department will notify all proposers of this new ordinance, and add to the new contract(s).

County Counsel has reviewed and approved Exhibits I, II, III, IV, V, VI and VII as to use and form.

CONTRACTING PROCESS

Not applicable.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval will allow for the continued provision of dietary and concession cafeteria services at Harbor, LAC+USC, MLK-MACC, Olive View, Rancho, and High Desert.

Respectfully submitted,

John F. Schunhoff, Ph.D.
Interim Director
