Dear Supervisors:

**METRO CONTRACT INCREASED SERVICES**

On March 1, 2005, your Board requested that the Los Angeles County Sheriff's Department (Department) provide notification to the Board regarding increases to existing contracts.

The purpose of this letter is to advise your Board that the Department received written notice on December 10, 2009, that the Metropolitan Transportation Authority (Metro) is increasing their Law Enforcement Services Contract effective December 14, 2009.

Metro will be adding one lieutenant, one sergeant, ten deputy sheriff generalists, one bonus one canine handler, six law enforcement technicians, and eight security assistants.

The lieutenant will be responsible for supervising Metro Security. The sergeant, seven deputy sheriff generalists, and eight security assistants will be assigned to patrol the newly created East Los Angeles Gold Line Extension. Three deputy sheriff generalists and one bonus one canine handler will be assigned to the Transit Interdiction Team. Three law enforcement technicians will be involved with Metro's Red Light Abatement Program. Three law enforcement technicians will be assigned to Metro's Bus Operations Center.

This contract increase will not have an impact on the level of service being provided in the unincorporated areas.

*A Tradition of Service*

The Honorable Board of Supervisors
