The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**AWARD OF A CUSTODIAL SERVICES CONTRACT
FOR THE COUNTY OF LOS ANGELES PUBLIC LIBRARY CUSTODIAL AREA 5
WHICH INCLUDES THE CITIES OF ARTESIA, BELLFLOWER, HAWAIIAN
GARDENS, LAKEWOOD, LYNWOOD, LA MIRADA, NORWALK, PARAMOUNT,
PICO RIVERA, SOUTH GATE, AND SURROUNDING UNINCORPORATED AREAS
(SUPERVISORIAL DISTRICTS 1, 2 AND 4) (3 VOTES)**

SUBJECT

The Public Library is recommending that the Board of Supervisors approve the proposed contract with Diamond Contract Services, Inc., to provide custodial services at sixteen libraries located in the Public Library's Custodial Area 5, which includes the Cities of Artesia, Bellflower, Hawaiian Gardens, Lakewood, Lynwood, La Mirada, Norwalk, Paramount, Pico Rivera, South Gate, and surrounding unincorporated areas.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that custodial services for the Public Library's Custodial Area 5 can be performed more economically by an independent contractor than by County employees.
2. Approve and instruct the Chair of the Board of Supervisors to sign the proposed contract with Diamond Contract Services, Inc., to provide custodial services in the Public Library's Custodial Area 5 for a period of three years, with two one-year renewal options, and/or month-to-month extensions not to exceed a total of six months, at an annual contract amount not to exceed \$400,000. The contract

will become effective upon your Board's approval or March 16, 2010, whichever is later.

3. Authorize and delegate authority to the County Librarian or her designee to approve unanticipated work within the scope of the contract, not to exceed \$35,807.80.
4. Authorize and delegate authority to the County Librarian or her designee to approve and execute amendments to exercise the renewal options and/or month-to-month extensions not to exceed six months under the terms of the contract.
5. Authorize and delegate authority to the County Librarian or her designee to approve and execute amendments to reflect any changes created by increases or decreases in the number of facilities or days of service at any of the County libraries over the term of the contract, and to increase the annual contract amount, limited to the additional amount required to implement such changes, not to exceed ten percent of the annual contract amount.
6. Authorize and delegate authority to the County Librarian or her designee to approve and execute amendments to implement additions and/or change of certain terms as required by the Board of Supervisors or Chief Executive Officer during the term of the contract, and to increase the annual contract amount, limited to the additional amount required to implement such changes, if any.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Custodial services are essential to the Public Library's operation. Approval of the recommended actions will allow the Public Library to continue to provide custodial services at sixteen libraries located in the Public Library's Custodial Area 5 (South and Central County Regions), as detailed in Attachment A. The term of the interim services currently provided in Area 5 will expire no later than March 22, 2010.

On March 10, 2009, the Board of Supervisors approved the termination for convenience of Contract No. 76129 with Grace Building Maintenance Co., Inc. for custodial services at the libraries located in Area 5. Since March 23, 2009, interim services have been provided by a contractor who has an existing custodial services contract with the Public Library. The term of this interim agreement is on a month-to-month basis not to exceed 12 months, or until the contract has been awarded to a new contractor.

The award of a contract for custodial services to Diamond Contract Services, Inc. is part of a continuing effort by the Public Library to provide the best possible service to the

public at the lowest responsible cost. The recommended actions are submitted based upon a finding that the provision of custodial services for the affected County facilities can be performed more economically by an independent contractor. The contract with Diamond Contract Services, Inc. will become effective upon your Board's approval or March 16, 2010, whichever is later.

Implementation of Strategic Plan Goals

Approval of the recommended award is consistent with the County's Strategic Plan Goals in the areas of Operational Effectiveness (1) and Community and Municipal Services (3).

FISCAL IMPACT/FINANCING

The annual contract amount of \$400,000 is for the annual contractor's fee of \$364,192.20, and the cost of unanticipated work within the scope of the contract in the amount of \$35,807.80. In addition, approval of the recommended actions would also delegate authority to the County Librarian to increase the annual contract amount, not to exceed ten percent, for the maintenance of additional library facilities and/or service days designated after the contract's effective date.

Funding for the annual contract amount is included in the Public Library's Fiscal Year 2009-10 Operating Budget. Actual usage of this contract for unanticipated work will be contingent upon the Public Library's budget and needs.

The recommended contractor's annual fee of \$364,192.20 represents a cost savings of \$117,834 (24%) over the estimated County cost (including start-up costs) to perform similar services for the first year. The cost analysis in Attachment B was calculated based on the Revised Proposition A Contract Cost Format developed by the County Auditor-Controller's guidelines. The proposed contract does not include any cost-of-living increases.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Representatives of SEIU Local 721 were notified but did not require a meeting with the Public Library regarding the proposed contract. Advanced copies of the Request for Proposal, the proposed contract and the Board letter have been provided to SEIU Local 721.

Under the provisions of Section 2.121.250 through Section 2.121.420 of the Los Angeles County Code as amended, proposals were solicited for the provision of custodial services in the Public Library's Custodial Area 5. All requirements of County Code Section 2.12.380 have been met and there is no conflict of interest.

This contract is in compliance with the mandatory living wage requirements as set forth in Los Angeles County Code Chapter 2.201 (Living Wage Program). The Department has evaluated and determined that the contractor fully complies with the requirements of the Living Wage Program and the contractor has certified that it will comply with all terms, conditions, and requirements of the County's Living Wage Program and agrees to pay its full-time employees providing County services a living wage.

The contract contains a provision which requires the contractor to give first consideration for any employment openings to qualified permanent County employees who are targeted for layoffs or on the County's re-employment list during the life of the contract. The recommended contractor also agrees to comply with the Jury Duty Ordinance, the Safely Surrendered Baby Law, the County's Child Support Compliance Program, and the recently adopted County's Defaulted Property Tax Reduction Program.

On final analysis and consideration of the awards, the recommended contractor was selected without regard to gender, race, color, creed, or national origin.

County Counsel has reviewed and approved the proposed contract as to form.

CONTRACTING PROCESS

On April 27, 2009, proposals were solicited, through the Internal Services Department's purchasing website, from the vendors listed on Attachment C. Proposals were also solicited from vendors listed in the County's Office of Affirmation Action Compliance Community Business Enterprise (CBE) Database.

Advertisements were placed in the *Los Angeles Times*, *The Sentinel*, and a chain of bilingual community ethnic newspapers published by *The Eastern Group*.

The mandatory proposers' conference was held on May 13, 2009. Contractors were informed of the County's Living Wage Program and Contractor Responsibility and Debarment provisions.

The Public Library received a total of ten proposals on June 26, 2009. Five proposals were disqualified for being non-responsive, and five proposals were evaluated in

September 2009. The CBE information for the five proposers is summarized in Attachment D.

The proposals were evaluated utilizing an informed averaging scoring method. Each proposal was rated on the following criteria: proposer's qualifications; proposer's approach to providing required services; proposer's quality control plan; and cost. All related evaluation materials and scoring documents were retained. The Public Library also reviewed available resources to assess the recommended contractors past performance, and history of labor law violations.

The Public Library determined, through the solicitation process, that custodial services can be performed more economically by an independent contractor, and recommends awarding a contract to Diamond Contract Services, Inc. While the recommended contractor received a ten-point deduction due to a labor/wage violation finding by the State Labor Commissioner's Office, it was ranked the highest overall, and was determined to have the most responsive and responsible proposal. Two of the non-recommended proposers requested a debriefing. Neither of the two submitted a "Notice of Intent to Request a Proposal Contractors Selection Review."

Diamond Contract Services, Inc. will pay its full-time employees providing County services a living wage of not less than \$11.84 per hour if contractor contributes less than \$2.20 per hour towards health care benefits or not less than \$9.64 per hour if contractor contributes at least \$2.20 per hour towards health care benefits. The form summarizing and comparing the contractor's wages and benefits to those of the County is attached (Attachment E).

ENVIRONMENTAL DOCUMENTATION

The recommended actions are not subject to the California Environmental Quality Act (CEQA) because they do not constitute a project according to Section 15378 of CEQA.

IMPACT ON CURRENT SERVICES

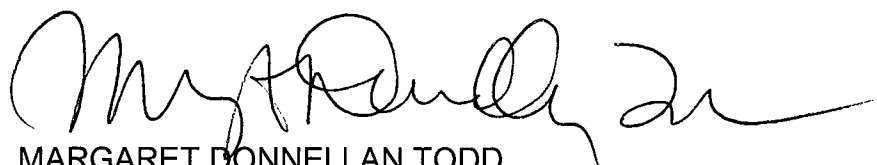

Approval of the proposed contract will assure the continuation of custodial services for County Public Library facilities without interruption.

Any legal defense pursuant to

the Contractor's indemnification obligations under this Sub-section 8.6 shall be conducted by the Contractor and performed by counsel selected by Contractor and approved by the County. Notwithstanding the preceding sentence, the County shall have the right to participate in any such defense at its sole cost and expense, except that in the event the Contractor fails to provide the County with a full and adequate defense, as determined by the County in its sole judgment, the County shall be entitled to retain its own counsel, including, without limitation, County Counsel, and reimbursement from the Contractor for all such costs and expenses incurred by the County in doing so. The Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

8.9 COMPLIANCE WITH THE COUNTY'S JURY SERVICE PROGRAM

8.9.1 Jury Service Program:

This Contract is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code, a copy of which is attached as Exhibit H and incorporated by reference into and made a part of this Contract.

8.9.2 Written Employee Jury Service Policy:

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that the Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), the Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.
2. For purposes of this Sub-paragraph, "Contractor" means a person, partnership, corporation or other entity which has a Contract with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of \$50,000 or more in any twelve (12) month period under one or more County Contracts or subcontracts. "Employee" means any California resident who is a full-time employee of the Contractor. "Full-time" means forty (40) hours or more worked per week, or a lesser number of hours if: (1) the lesser number is a recognized industry standard as determined by the County, or (2) the Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of ninety (90) days or less within a twelve (12) month period are not considered full-time for purposes of the Jury Service Program. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall also be subject to the provisions of this Sub-paragraph. The provisions of this Sub-paragraph shall be inserted into any such subcontract

agreement and a copy of the Jury Service Program shall be attached to the agreement.

3. If the Contractor is not required to comply with the Jury Service Program when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and the Contractor shall immediately notify the County if the Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if the Contractor no longer qualifies for an exception to the Jury Service Program. In either event, the Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County's satisfaction that the Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that the Contractor continues to qualify for an exception to the Program.
4. The Contractor's violation of this Sub-paragraph of the Contract may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract and/or bar the Contractor from the award of future County Contracts for a period of time consistent with the seriousness of the breach.

8.10 CONFLICT OF INTEREST

- 8.10.1 No County employee whose position with the County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee, shall be employed in any capacity by the Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of the Contractor who may financially benefit from the performance of work hereunder shall in any way participate in the County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence the County's approval or ongoing evaluation of such work.
- 8.10.2 The Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. The Contractor warrants that it is not now aware of any facts that create a conflict of interest. If the Contractor hereafter becomes aware of any facts

that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to the County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this Sub-section shall be a material breach of this Contract.

8.11 CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFF/OR RE-EMPLOYMENT LIST

Should the Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, the Contractor shall give first consideration for such employment openings to qualified, permanent County employees who are targeted for layoff or qualified, former County employees who are on a re-employment list during the life of this Contract.

8.12 CONSIDERATION OF HIRING GAIN/GROW PROGRAM PARTICIPANTS

8.12.1 Should the Contractor require additional or replacement personnel after the effective date of this Contract, the Contractor shall give consideration for any such employment openings to participants in the County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program or General Relief Opportunity for Work (GROW) Program who meet the Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that the Contractor will interview qualified candidates. The County will refer GAIN/GROW participants by job category to the Contractor.

8.12.2 In the event that both laid-off County employees and GAIN/GROW participants are available for hiring, the County employees shall be given first priority.

8.13 CONTRACTOR'S RESPONSIBILITY AND DEBARMENT

8.13.1 Responsible Contractor

A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity and experience to satisfactorily perform the Contract. It is the County's policy to conduct business only with responsible Contractors.

8.13.2 Chapter 2.202 of the County Code

The Contractor is hereby notified that, in accordance with Chapter 2.202 of the County Code, if the County acquires information concerning the performance of the Contractor on this or other Contracts which indicates that the Contractor is not responsible, the County may, in addition to other remedies provided in the Contract, debar the Contractor from bidding or proposing on, or being awarded, and/or performing work on County Contracts for a specified period of time, which generally will not exceed five (5) years but may exceed five (5) years or be permanent if warranted by the circumstances, and terminate any or all existing Contracts the Contractor may have with the County.

8.13.3 Non-responsible Contractor

The County may debar a Contractor if the Board finds, in its discretion, that the Contractor has done any of the following: (1) violated a term of a Contract with the County or a nonprofit corporation created by the County, (2) committed an act or omission which negatively reflects on the Contractor's quality, fitness or capacity to perform a Contract with the County, any other public entity, or a nonprofit corporation created by the County, or engaged in a pattern or practice which negatively reflects on same, (3) committed an act or offense which indicates a lack of business integrity or business honesty, or (4) made or submitted a false claim against the County or any other public entity.

8.13.4 Contractor Hearing Board

1. If there is evidence that the Contractor may be subject to debarment, the County will notify the Contractor in writing of the evidence which is the basis for the proposed debarment and will advise the Contractor of the scheduled date for a debarment hearing before the Contractor Hearing Board.
2. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Contractor and/or the Contractor's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board shall prepare a tentative proposed decision, which shall contain a recommendation regarding whether the Contractor should be debarred, and, if so, the appropriate length of time of the debarment. The Contractor and the Department shall be provided an opportunity to object to the tentative proposed decision prior to its presentation to the Board of Supervisors.

3. After consideration of any objections, or if no objections are submitted, a record of the hearing, the proposed decision, and any other recommendation of the Contractor Hearing Board shall be presented to the Board of Supervisors. The Board of Supervisors shall have the right to modify, deny, or adopt the proposed decision and recommendation of the Contractor Hearing Board.
4. If a Contractor has been debarred for a period longer than five (5) years, that Contractor may after the debarment has been in effect for at least five (5) years, submit a written request for review of the debarment determination to reduce the period of debarment or terminate the debarment. The County may, in its discretion, reduce the period of debarment or terminate the debarment if it finds that the Contractor has adequately demonstrated one or more of the following: (1) elimination of the grounds for which the debarment was imposed; (2) a bona fide change in ownership or management; (3) material evidence discovered after debarment was imposed; or (4) any other reason that is in the best interests of the County.
5. The Contractor Hearing Board will consider a request for review of a debarment determination only where (1) the Contractor has been debarred for a period longer than five (5) years; (2) the debarment has been in effect for at least five (5) years; and (3) the request is in writing, states one or more of the grounds for reduction of the debarment period or termination of the debarment, and includes supporting documentation. Upon receiving an appropriate request, the Contractor Hearing Board will provide notice of the hearing on the request. At the hearing, the Contractor Hearing Board shall conduct a hearing where evidence on the proposed reduction of debarment period or termination of debarment is presented. This hearing shall be conducted and the request for review decided by the Contractor Hearing Board pursuant to the same procedures as for a debarment hearing.
6. The Contractor Hearing Board's proposed decision shall contain a recommendation on the request to reduce the period of debarment or terminate the debarment. - 8.41.2 Failure on the part of the Contractor to comply with any of the provisions of this Sub-section 8.41 shall constitute a material breach of this Contract upon which the County may terminate or suspend this Contract. Refer to *Exhibit A, Statement of Work Exhibits, Exhibit 2 – Performance Requirement Summary (PRS)* for non-compliance.
- 8.41.3 If, at any time during the term of this Contract or within five (5) years after the expiration or termination of this Contract, representatives of the County conduct an audit of the Contractor regarding the work performed under this Contract, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: (1) repaid by the Contractor to the County by cash payment upon demand or (2) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Contract or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Contract exceed the funds appropriated by the County for the purpose of this Contract.
- 8.41.4 In addition to the above, the Contractor agrees, should the County or its authorized representatives determine, in the County's sole discretion, that it is necessary or appropriate to review a broader scope of the Contractor's records (including, certain records related to non-County Contracts) to enable the County to evaluate the Contractor's compliance with the County's Living Wage Program, that the Contractor shall promptly and without delay provide to the County, upon the written request of the County or its authorized representatives, access to and the right to examine, audit, excerpt, copy, or transcribe any and all transactions, activities, or records relating to any of its employees who have provided services to the County under this Contract, including without limitation, records relating to work performed by said employees on the Contractor's non-County Contracts. The Contractor further acknowledges that the foregoing requirement in this sub-paragraph relative to Contractor's employees who have provided services to the County under this Contract is for the purpose of enabling the County in its discretion to verify the Contractor's full compliance with and adherence to California labor

laws and the County's Living Wage Program. All such materials and information, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Contract and for a period of five (5) years thereafter unless the County's written permission is given to dispose of any such materials and information prior to such time. All such materials and information shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such materials and information is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such materials and information at such other location.

8.42 RECYCLED BOND PAPER

Consistent with the Board's policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Contract.

8.43 SUBCONTRACTING

8.43.1 The requirements of this Contract may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Contract.

8.43.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:

1. A description of the work to be performed by the Subcontractor;
2. A draft copy of the proposed subcontract; and
3. Other pertinent information and/or certifications requested by the County.

8.43.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every Subcontractor in the same manner and to the same degree as if such Subcontractor(s) were the Contractor employees.

8.43.4 The Contractor shall remain fully responsible for all performances required of it under this Contract, including those that the

Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.

- 8.43.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including Subcontractor employees, providing services under this Contract. The Contractor is responsible to notify its Subcontractors of this County right.
- 8.43.6 The County's Contract Project Director is authorized to act for and on behalf of the County with respect to approval of any subcontract and Subcontractor employees. After approval of the subcontract by the County, the Contractor shall forward a fully executed subcontract to the County for their files.
- 8.43.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all Subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.43.8 The Contractor shall obtain certificates of insurance, which establish that the Subcontractor maintains all the programs of insurance required by the County from each approved Subcontractor. The Contractor shall ensure delivery of all such documents to:

County of Los Angeles Public Library
Contract Services Coordinator
7400 East Imperial Highway, Downey, CA 90242

before any Subcontractor employee may perform any work hereunder.

8.44 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Failure of the Contractor to maintain compliance with the requirements set forth in *Sub-section 8.15 - Contractor's Warranty of Adherence to County's Child Support Compliance Program*, shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of this Contract, failure of the Contractor to cure such default within ninety (90) calendar days of written notice shall be grounds upon which the County may terminate this Contract pursuant to *Sub-section 8.47 - Termination for Default* and pursue debarment of the Contractor, pursuant to County Code Chapter 2.202.

8.45 TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM

Failure of Contractor to maintain compliance with the requirements set forth in *Sub-section 8.16 - Contractors Warranty of Compliance with County's Defaulted Property Tax Reduction Program* shall constitute default under this Contract. Without limiting the rights and remedies available to County under any other provision of this Contract, failure of Contractor to cure such default within ten (10) days of notice shall be grounds upon which County may terminate this Contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.46 TERMINATION FOR CONVENIENCE

8.46.1 This Contract may be terminated, in whole or in part, from time to time, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to the Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.46.2 After receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall:

1. Stop work under this Contract on the date and to the extent specified in such notice, and
2. Complete performance of such part of the work as shall not have been terminated by such notice.

8.46.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Contract shall be maintained by the Contractor in accordance with *Sub-section 8.41 - Record Retention and Inspection/Audit Settlement*.

8.47 TERMINATION FOR DEFAULT

8.47.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Contract, if, in the judgment of County's Contract Project Director:

1. The Contractor has materially breached this Contract; or

2. The Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Contract; or
3. The Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements under this Contract, or of any obligations of this Contract and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.47.2 In the event that the County terminates this Contract in whole or in part as provided in Paragraph 8.47.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this Sub-section.

8.47.3 Except with respect to defaults of any Subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in Paragraph 8.47.2 if its failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a Subcontractor, and if such default arises out of causes beyond the control of both the Contractor and the Subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this Paragraph 8.47.3, the terms "Subcontractor" and "Subcontractors" mean Subcontractor(s) at any tier.

8.47.4 If, after the County has given notice of termination under the provisions of this Sub-section 8.47, it is determined by the County

that the Contractor was not in default under the provisions of this Sub-section 8.47, or that the default was excusable under the provisions of Paragraph 8.47.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to *Sub-section 8.46 - Termination for Convenience*.

- 8.47.5 The rights and remedies of the County provided in this Sub-section 8.47 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.48 TERMINATION FOR IMPROPER CONSIDERATION

8.48.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment, or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

8.48.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.

8.48.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.49 TERMINATION FOR INSOLVENCY

8.49.1 The County may terminate this Contract forthwith in the event of the occurrence of any of the following:

1. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code

- and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;
2. The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
 3. The appointment of a Receiver or Trustee for the Contractor; or
 4. The execution by the Contractor of a general assignment for the benefit of creditors.

8.49.2 The rights and remedies of the County provided in this Sub-section 8.49 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.50 TERMINATION FOR NON-ADHERENCE OF COUNTY LOBBYIST ORDINANCE

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Contract, upon which the County may in its sole discretion, immediately terminate or suspend this Contract.

8.51 TERMINATION FOR NON-APPROPRIATION OF FUNDS

Notwithstanding any other provision of this Contract, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Contract during any of the County's future fiscal years unless and until the Board appropriates funds for this Contract in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Contract, then this Contract shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.52 VALIDITY

If any provision of this Contract or the application thereof to any person or circumstance is held invalid, the remainder of this Contract and the application of such provision to other persons or circumstances shall not be affected thereby.

8.53 WAIVER

No waiver by the County of any breach of any provision of this Contract shall constitute a waiver of any other breach or of such provision. Failure of the County to enforce at any time, or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The rights and remedies set forth in this Sub-section 8.53 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

8.54 WARRANTY AGAINST CONTINGENT FEES

8.54.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon any Contract or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.54.2 For breach of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from the Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

9.0 UNIQUE TERMS AND CONDITIONS

9.1 COMPLIANCE WITH THE COUNTY'S LIVING WAGE PROGRAM

9.1.1 Living Wage Program

This Contract is subject to the provisions of the County's ordinance entitled Living Wage Program as codified in Sections 2.201.010 through 2.201.100 of the Los Angeles County Code, a copy of which is attached as *Exhibit J* and incorporated by reference into and made a part of this Contract.

9.1.2 Payment of Living Wage Rates

1. Unless the Contractor has demonstrated to the County's satisfaction either that the Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that the Contractor qualifies for an exception to the Living Wage Program (Section 2.201.090 of the County Code), the Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to

the County, including, without limitation, "Travel Time" as defined below at Sub-paragraph 5 of this Paragraph 9.1.2 under the Contract:

- a. Not less than **\$11.84** per hour if, in addition to the per-hour wage, the Contractor contributes less than \$2.20 per hour towards the provision of bonafide health care benefits for its Employees and any dependents; or
 - b. Not less than **\$9.64** per hour if, in addition to the per-hour wage, the Contractor contributes at least **\$2.20** per hour towards the provision of bona fide health care benefits for its Employees and any dependents. The Contractor will be deemed to have contributed \$2.20 per hour towards the provision of bona fide health care benefits if the benefits are provided through the County Department of Health Services Community Health Plan. If, at any time during the Contract, the Contractor contributes less than \$2.20 per hour towards the provision of bona fide health care benefits, the Contractor shall be required to pay its Employees the higher hourly living wage rate.
2. For purposes of this Sub-paragraph, "Contractor" includes any Subcontractor engaged by the Contractor to perform services for the County under the Contract. If the Contractor uses any Subcontractor to perform services for the County under the Contract, the Subcontractor shall be subject to the provisions of this Sub-section. The provisions of this Sub-section shall be inserted into any such subcontract and a copy of the Living Wage Program shall be attached to the subcontract. "Employee" means any individual who is an employee of the Contractor under the laws of California, and who is providing full-time services to the Contractor, some or all of which are provided to the County under the Contract. "Full-time" means a minimum of forty (40) hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the County; however, fewer than thirty-five (35) hours worked per week will not, in any event, be considered full-time.
 3. If the Contractor is required to pay a living wage when the Contract commences, the Contractor shall continue to pay a living wage for the entire term of the Contract, including any option period.

4. If the Contractor is not required to pay a living wage when the Contract commences, the Contractor shall have a continuing obligation to review the applicability of its “exemption status” from the living wage requirement. The Contractor shall immediately notify the County if the Contractor at any time either comes within the Living Wage Program’s definition of “Employer” or if the Contractor no longer qualifies for an exception to the Living Wage Program. In either event, the Contractor shall immediately be required to commence paying the living wage and shall be obligated to pay the living wage for the remaining term of the Contract, including any option period. The County may also require, at any time during the Contract and at its sole discretion, that the Contractor demonstrate to the County’s satisfaction that the Contractor either continues to remain outside of the Living Wage Program’s definition of “Employer” and/or that the Contractor continues to qualify for an exception to the Living Wage Program. Unless the Contractor satisfies this requirement within the time frame permitted by the County, the Contractor shall immediately be required to pay the living wage for the remaining term of the Contract, including any option period.
5. For purposes of the Contractor's obligation to pay its Employees the applicable hourly living wage rate under this Contract, “Travel Time” shall have the following two meanings, as applicable: 1) With respect to travel by an Employee that is undertaken in connection with this Contract, Travel Time shall mean any period during which an Employee physically travels to or from a County facility if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time; and 2) With respect to travel by an Employee between County facilities that are subject to two different Contracts between the Contractor and the County (of which both Contracts are subject to the Living Wage Program), Travel Time shall mean any period during which an Employee physically travels to or from, or between such County facilities if the Contractor pays the Employee any amount for that time or if California law requires the Contractor to pay the Employee any amount for that time.

9.1.3 Contractor’s Submittal of Certified Monitoring Reports

The Contractor shall submit to the County certified monitoring reports at a frequency instructed by the County. The certified monitoring reports shall list all of the Contractor’s Employees

during the reporting period. The certified monitoring reports shall also verify the number of hours worked, the hourly wage rate paid, and the amount paid by the Contractor for health benefits, if any, for each of its Employees. The certified monitoring reports shall also state the name and identification number of the Contractor's current health care benefits plan, and the Contractor's portion of the premiums paid as well as the portion paid by each Employee. All certified monitoring reports shall be submitted on forms provided by the County (*Exhibit K – Monthly Certification for Applicable Health Benefit Payments* and *Exhibit L – Payroll Statement of Compliance*), or other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, the Contractor shall promptly provide such information. The Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

9.1.4 Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of the Contract, if the Contractor becomes aware of any labor law/payroll violation or any complaint, investigation or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding same. This disclosure obligation is not limited to any labor law/payroll violation or claim arising out of the Contractor's contract with the County, but instead applies to any labor law/payroll violation or claim arising out of any of the Contractor's operations in California.

9.1.5 County Auditing of Contractor Records

Upon a minimum of twenty-four (24) hours' written notice, the County may audit, at the Contractor's place of business, any of the Contractor's records pertaining to the Contract, including all documents and information relating to the certified monitoring reports. The Contractor is required to maintain all such records in California until the expiration of four (4) years from the date of final payment under the Contract. Authorized agents of the County shall have access to all such records during normal business hours for the entire period that records are to be maintained.

9.1.6 **Notifications to Employees**

The Contractor shall place County-provided living wage posters at each of the Contractor's places of business and locations where the Contractor's Employees are working. The Contractor shall also distribute County-provided notices to each of its Employees at least once per year. The Contractor shall translate posters and handouts into Spanish and any other language spoken by a significant number of Employees.

9.1.7 **Enforcement and Remedies**

If the Contractor fails to comply with the requirements of this Paragraph, the County shall have the rights and remedies described in this Paragraph in addition to any rights and remedies provided by law or equity.

1. **Remedies For Submission of Late or Incomplete Certified Monitoring Reports**

If the Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information or is inaccurate or is not properly certified, any such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. **Withholding of Payment**

If the Contractor fails to submit accurate, complete, timely and properly certified monitoring reports, the County may withhold from payment to the Contractor up to the full amount of any invoice that would otherwise be due, until the Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. **Liquidated Damages**

It is mutually understood and agreed that the Contractor's failure to submit an accurate, complete, timely and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the

Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete or uncertified, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete and certified monitoring report. The County may deduct any assessed liquidated damages from any payments otherwise due to the Contractor.

c. Termination

The Contractor's continued failure to submit accurate, complete, timely and properly certified monitoring reports may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

2. Remedies for Payment of Less Than the Required Living Wage

If the Contractor fails to pay any Employee at least the applicable hourly living wage rate, such deficiency shall constitute a breach of the Contract. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

a. Withholding Payment

If the Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due the Contractor the aggregate difference between the living wage amounts the Contractor was required to pay its Employees for a given pay period and the amount actually paid to the employees for that pay period. The County may withhold said amount until the Contractor has satisfied the County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

b. Liquidated Damages

It is mutually understood and agreed that the Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and

agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for the Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against the Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due to the Contractor.

c. Termination

The Contractor's continued failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

3. Debarment

In the event the Contractor breaches a requirement of this Paragraph, the County may, in its sole discretion, bar the Contractor from the award of future County Contracts for a period of time consistent with the seriousness of the breach, in accordance with Los Angeles County Code, Chapter 2.202, Determinations of Contractor Non-Responsibility and Contractor Debarment.

9.1.8 Use of Full-Time Employees

The Contractor shall assign and use full-time Employees of the Contractor to provide services under the Contract unless the Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time Employees based on staffing efficiency or County requirements for the work to be performed under the Contract. It is understood and agreed that the Contractor shall not, under any circumstance, use non-full-time Employees for services provided under the Contract unless and until the County has provided written authorization for the use of same. The Contractor submitted with its proposal a full-time Employee staffing plan. If the Contractor changes its full-time Employee staffing plan, the Contractor shall immediately provide a copy of the new staffing plan to the County.

9.1.9 **Contractor Retaliation Prohibited**

The Contractor and/or its Employees shall not take any adverse action which would result in the loss of any benefit of employment, any Contract benefit, or any statutory benefit for any Employee, person or entity who has reported a violation of the Living Wage Program to the County or to any other public or private agency, entity or person. A violation of the provisions of this Paragraph may constitute a material breach of the Contract. In the event of such material breach, the County may, in its sole discretion, terminate the Contract.

9.1.10 **Contractor Standards**

During the term of the Contract, the Contractor shall maintain business stability, integrity in employee relations and the financial ability to pay a living wage to its employees. If requested to do so by the County, the Contractor shall demonstrate to the satisfaction of the County that the Contractor is complying with this requirement.

9.1.11 **Employee Retention Rights**

1. The Contractor shall offer employment to all retention employees who are qualified for such jobs. A “retention employee” is an individual:
 - a. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the Federal Fair Labor Standards Act; and
 - b. Who has been employed by a Contractor under a predecessor Proposition A Contract or a predecessor cafeteria services Contract with the County for at least six (6) months prior to the date of this new Contract, which predecessor Contract was terminated by the County prior to its expiration; and
 - c. Who is or will be terminated from his or her employment as a result of the County entering into this new Contract.
2. The Contractor is not required to hire a retention employee who:
 - a. Has been convicted of a crime related to the job or his or her performance; or

- b. Fails to meet any other County requirement for employees of a Contractor.
- 3. The Contractor shall not terminate a retention employee for the first ninety (90) days of employment under the Contract, except for cause. Thereafter, the Contractor may retain a retention employee on the same terms and conditions as the Contractor's other employees.

9.1.12 Neutrality in Labor Relations

The Contractor shall not use any consideration received under the Contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of the Contractor's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining Contract, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

9.2 LOCAL SMALL BUSINESS ENTERPRISE (SBE) PREFERENCE PROGRAM

- 9.2.1 This Contract is subject to the provisions of the County's ordinance entitled Local Small Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code.
- 9.2.2 The Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.
- 9.2.3 The Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.
- 9.2.4 If the Contractor has obtained County certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of

such certification has been awarded this Contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the contract amount and what the County's costs would have been if the Contract had been properly awarded;
2. In addition to the amount described in Sub-paragraph (1), be assessed a penalty in an amount of not more than ten percent (10%) of the amount of the Contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code (Determinations of Contractor Non-responsibility and Contractor Debarment).

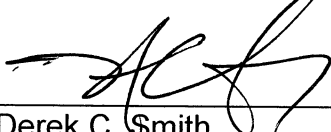

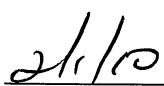

The above penalties shall also apply to any business that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the County's Office of Affirmative Action Compliance (OAAC) of this information prior to responding to a solicitation or accepting a Contract award.

The County will notify the Contractor of any such variations, in writing, at least ten (10) business days prior to the effective date of the modification. **Note:** *Exhibit B – Pricing Schedule*, in the Contract requires that proposals include a flat daily rate for each library facility. The rate specified will be used to adjust the Contract price in the event of an increase or decrease in days of service. Refer to the *Statement of Work Exhibits, Exhibit 2 - Performance Requirements Summary* (PRS). In any case of apparent inconsistency between services as stated in the Contract and the SOW and this PRS, the meaning apparent in the Contract or the SOW will prevail. If any service seems to be created in this PRS, which is not clearly and forthrightly set forth in the Contract and the SOW, that apparent service will be null and void and place no requirement on the Contractor. JURY SERVICE ORDINANCE

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies.

2.203.020 Definitions.

The following definitions shall be applicable to this chapter:

- A. "Contractor" means a person, partnership, corporation or other entity which has a contract with the county or a subcontract with a county contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more such contracts or subcontracts.

SAFELY SURRENDERED BABY LAW

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

Ley de Entrega de Bebés Sin Peligro

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Angeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan si tienen custodia legal.

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé

A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.

EXHIBIT J

LIVING WAGE ORDINANCE

2.201.010 Findings.

The board of supervisors finds that the county of Los Angeles is the principal provider of social and health services within the county, especially to persons who are compelled to turn to the county for such services. Employers' failure to pay a living wage to their employees causes them to use such services thereby placing an additional burden on the county of Los Angeles. (Ord. 2007-0011 § 1, 2007: Ord. 99-0048 § 1 (part), 1999.)

2.201.020 Definitions.

The general definitions contained in Chapter 2.02 shall be applicable to this chapter unless inconsistent with the following definitions:

A. "County" includes the county of Los Angeles, any county officer or body, any county department head, and any county employee authorized to enter into a Proposition A contract or a cafeteria services contract with an employer.

B. "Employee" means any individual who is an employee of an employer under the laws of California, and who is providing full time services to an employer, some or all of which are provided to the county of Los Angeles under a Proposition A contract, or under a cafeteria services contract at a county of Los Angeles owned or leased facility.

C. "Employer" means:

1. An individual or entity who has a contract with the county:

a. For services which is required to be more economical or feasible under Section 44.7 of the Charter of the county of Los Angeles, and is not listed as an excluded contract in Section 2.121.250 B of the Los Angeles County Code, referred to in this chapter as a "Proposition A contract," or

b. For cafeteria services, referred to in this chapter as a "cafeteria services contract," and

c. Who has received or will receive an aggregate sum of \$25,000.00 or more in any 12 month period under one or more Proposition A contracts and/or one or more cafeteria services contracts; or

2. An individual or entity that enters into a subcontract with an employer, as defined in subsection C1 and who employs employees to provide services under the employer's contract with the county.

D. "Full time" means a minimum 40 hours worked per week, or a lesser number of hours, if the lesser number is a recognized industry standard and is approved as such by the chief administrative officer, but in no event less than 35 hours worked per week.

E. "Proposition A contract" means a contract governed by Title 2, Section 2.121.250 et seq. of this code, entitled Contracting with Private Business. (Ord. 2007-0011 § 2, 2007: Ord. 99-0048 § 1 (part), 1999.)

2.201.030 Prospective effect.

This chapter shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments the terms of which commence three months or more after the effective date of this chapter.* It shall not be applicable to Proposition A contracts or cafeteria services contracts or their amendments in effect before this chapter becomes applicable. (Ord. 99-0048 § 1 (part), 1999.)

* **Editor's note:** Ordinance 99-0048, which enacted Ch. 2.201, is effective on July 22, 1999.

2.201.040 Payment of living wage.

A. Employers shall pay employees a living wage for their services provided to the county of no less than the hourly rates set under this chapter. The rates shall be \$9.64 per hour with health benefits, or \$11.84 per hour without health benefits.

B. To qualify for the living wage rate with health benefits, an employer shall pay at least \$2.20 per hour towards the provision of bona fide health care benefits for each employee and any dependents during the term of a Proposition A contract or a cafeteria services contract. Proof of the provision of such benefits must be submitted to the county for evaluation during the procurement process to qualify for the lower living wage rate in subsection A of this section. Employers who provide health care benefits to employees through the county department of health services community health plan are deemed to have qualified for the lower living wage rate in subsection A of this section.

C. The board of supervisors may, from time to time, adjust the amounts specified in subsections A and B of this section, above for future contracts. Any adjustments to the living wage rate specified in subsections A and B that are adopted by the board of supervisors shall be applicable to Proposition A contracts and cafeteria services contracts and their amendments which become effective three months or more after the effective date of the ordinance that adjusts the living wage rate. (Ord. 2007-0011 § 3, 2007; Ord. 99-0048 § 1 (part), 1999.)

2.201.050 Other provisions.

A. Full Time Employees. An employer shall assign and use full time employees to provide services under a Proposition A contract or a cafeteria services contract, unless the employer can demonstrate to the county the necessity to use non-full time employees based on staffing efficiency or the county requirements of an individual job.

B. Neutrality in Labor Relations. An employer shall not use any consideration received under a Proposition A contract or a cafeteria services contract to hinder, or to further, organization of, or collective bargaining activities by or on behalf of an employer's employees, except that this restriction shall not apply to any expenditure made in the course of good faith collective bargaining, or to any expenditure pursuant to obligations incurred under a bona fide collective bargaining agreement, or which would otherwise be permitted under the provisions of the National Labor Relations Act.

C. Administration. The chief administrative officer shall be responsible for the administration of this chapter. The chief administrative officer may, with the advice of county counsel, issue interpretations of the provisions of this chapter. The chief administrative officer in conjunction with the affirmative action compliance officer shall issue written instructions on the implementation and on-going administration of this chapter. Such instructions may provide for the delegation of functions to other county departments.

D. Compliance Certification. An employer shall, during the term of a Proposition A contract, or a cafeteria services contract, report for each employee and certify the hours worked, wages paid, and amounts the employer paid for health benefits, and provide other information deemed relevant to the enforcement of this chapter by the county. Such reports shall be made at the times and in the manner set forth in instructions issued by the chief administrative officer in conjunction with the affirmative action compliance officer. The affirmative action compliance officer in conjunction with the chief administrative officer shall report annually to the board of supervisors on contractor compliance with the provisions of this chapter.

E. Contractor Standards. An employer shall demonstrate during the procurement process and for the duration of a Proposition A contract or a cafeteria services contract a history of business stability, integrity in employee relations, and the financial ability to pay a living wage. (Ord. 99-0048 § 1 (part), 1999.)

2.201.060 Employer retaliation prohibited.

No employer shall take an adverse action causing a loss of any benefit of employment, of any contract benefit, or any statutory benefit to any employee, person, or other entity, who has reported a violation of this chapter to the board of supervisors or to one or more of their offices, to the county chief administrative officer, or to the county auditor controller, or to the county department administering the Proposition A contract or cafeteria services contract. (Ord. 99-0048 § 1 (part), 1999.)

2.201.070 Employee retention rights.

In the event that any Proposition A contract or cafeteria service contract is terminated by the county prior to its expiration, any new contract with a subsequent employer for such services shall provide for the employment of the predecessor employer's employees as provided in this section.

A. A "retention employee" is an employee of a predecessor employer:

1. Who is not an exempt employee under the minimum wage and maximum hour exemptions defined in the federal Fair Labor Standards Act;

2. Who has been employed by an employer under a predecessor Proposition A contract or a predecessor cafeteria services contract for at least six months prior to the date of a new contract; and

3. Who is or will be terminated from his or her employment as a result of the county entering into a new contract.

B. Subsequent employers shall offer employment to all retention employees who are qualified for such jobs.

C. A subsequent employer is not required to hire a retention employee who:

1. Has been convicted of a crime related to the job or his or her job performance; or

2. Fails to meet any other county requirement for employees of a contractor.

D. A subsequent employer may not terminate a retention employee for the first 90 days of employment under a new contract, except for cause. Thereafter a subsequent employer may retain a retention employee on the same terms and conditions as the subsequent employer's other employees. (Ord. 99-0048 § 1 (part), 1999.)

2.201.080 Enforcement and remedies.

For violation of any of the provisions of this chapter:

A. An employee may bring an action in the courts of the state of California for damages caused by an employer's violation of this chapter.

B. The county department head responsible for administering a Proposition A contract or a cafeteria services contract may do one or more of the following in accordance with such instructions as may be issued by the chief administrative officer:

1. Assess liquidated damages as provided in the contract; and/or

2. Recommend to the board of supervisors the termination of the contract; and/or

3. Recommend to the board of supervisors that an employer be barred from award of future county contracts for a period of time consistent with the seriousness of the employer's violation of this chapter, in accordance with Section 2.202.040 of this code. (Ord. 2007-0011 § 4, 2007; Ord. 99-0048 § 1 (part), 1999.)

Title 2 ADMINISTRATION
Chapter 2.201 LIVING WAGE PROGRAM

C. This chapter shall not be applied to any employer which is a nonprofit corporation qualified under Section 501(c)(3) of the Internal Revenue Code.

D. Small Businesses. This chapter shall not be applied to any employer which is a business entity organized for profit, including but not limited to any individual, partnership, corporation, joint venture, association or cooperative, which entity:

2. Has 20 or fewer employees during the contract period, including full time and part time employees; and

4. If the business is a technical or professional service, does not have annual gross revenues in the preceding fiscal year which if added to the annual amount of the contract awarded exceed \$2,500,000.00.

“Dominant in its field of operation” means having more than 20 employees, including full time and part time employees, and more than \$1,000,000.00 in annual gross revenues or \$2,500,000.00 in annual gross revenues if a technical or professional service.

(Ord. 99-0055 § 1, 1999; Ord. 99-0048 § 1 (part), 1999.)

2.201.100 Severability.

CALIFORNIA LABOR CODE SECTIONS 1060 - 1065

LABOR CODE

SECTION 1060-1065

1060. The following definitions shall apply throughout this chapter:

(a) "Awarding authority" means any person that awards or otherwise enters into contracts for janitorial or building maintenance services performed within the State of California, including any subcontracts for janitorial or building maintenance services.

(b) "Contractor" means any person that employs 25 or more individuals and that enters into a service contract with the awarding authority.

(c) "Employee" means any person employed as a service employee of a contractor or subcontractor who works at least 15 hours per week and whose primary place of employment is in the State of California under a contract to provide janitorial or building maintenance services. "Employee" does not include a person who is a managerial, supervisory, or confidential employee, including those employees who would be so defined under the federal Fair Labor Standards Act.

(d) "Person" means any individual, proprietorship, partnership, joint venture, corporation, limited liability company, trust, association, or other entity that may employ individuals or enter into contracts.

(e) "Service contract" means any contract that has the principal purpose of providing services through the use of service employees.

(f) "Subcontractor" means any person who is not an employee who enters into a contract with a contractor to assist the contractor in performing a service contract.

(g) "Successor service contract" means a service contract for the performance of essentially the same services as were previously performed pursuant to a different service contract at the same facility that terminated within the previous 30 days. A service contract entered into more than 30 days after the termination of a predecessor service contract shall be considered a "successor service contract" if its execution was delayed for the purpose of avoiding application of this chapter.

1061. (a) (1) If an awarding authority notifies a contractor that the service contract between the awarding authority and the contractor has been terminated or will be terminated, the awarding authority shall indicate in that notification whether a successor service contract has been or will be awarded in its place and, if so, shall identify the name and address of the successor contractor. The terminated contractor shall, within three working days after receiving that notification, provide to the successor contractor identified by the awarding authority, the name, date of hire, and job classification of each employee employed at the site or sites covered by the terminated service contract at the time of the contract termination.

(2) If the terminated contractor has not learned the identity of the successor contractor, if any, the terminated contractor shall provide that information to the awarding authority, which shall be responsible for providing that information to the successor contractor as soon as that contractor has been selected.

(3) The requirements of this section shall be equally applicable to all subcontractors of a terminated contractor.

(b) (1) A successor contractor or successor subcontractor shall retain, for a 60-day transition employment period, employees who have been employed by the terminated contractor or its subcontractors, if any, for the preceding four months or longer at the site or sites covered by the successor service contract unless the successor contractor or successor subcontractor has reasonable and substantiated cause not to hire a particular employee based on that employee's performance or conduct while working under the terminated contract. This requirement shall be stated by awarding authorities in all initial bid packages that are governed by this chapter.

(2) The successor contractor or successor subcontractor shall make a written offer of employment to each employee, as required by this section, in the employee's primary language or another language in which the employee is literate. That offer shall state the time within which the employee must accept that offer, but in no case may that time be less than 10 days. Nothing in this section requires the successor contractor or successor subcontractor to pay the same wages or offer the same benefits as were provided by the prior contractor or prior subcontractor.

(3) If at any time the successor contractor or successor subcontractor determines that fewer employees are needed to perform services under the successor service contract or successor subcontract than were required by the terminated contractor under the terminated contract or terminated subcontract, the successor contractor or successor subcontractor shall retain employees by seniority within the job classification.

(c) The successor contractor or successor subcontractor, upon commencing service under the successor service contract, shall provide a list of its employees and a list of employees of its subcontractors providing services at the site or sites covered under that contract to the awarding authority. These lists shall indicate which of these employees were employed at the site or sites by the terminated contractor or terminated subcontractor. The successor contractor or successor subcontractor shall also provide a list of any of the terminated contractor's employees who were not retained either by the successor contractor or successor subcontractor, stating the reason these employees were not retained.

(d) During the 60-day transition employment period, the successor contractor or successor subcontractor shall maintain a preferential hiring list of eligible covered employees not retained by the successor contractor or successor subcontractor from which the successor contractor or successor subcontractor shall hire additional employees until such time as all of the terminated contractor's or terminated subcontractor's employees have been offered employment with the successor contractor or successor subcontractor.

(e) During the initial 60-day transition employment period, the successor contractor or successor subcontractor shall not discharge without cause an employee retained pursuant to this chapter. Cause shall be based only on the performance or conduct of the particular employee.

(f) At the end of the 60-day transition employment period, a successor contractor or successor subcontractor shall provide a written performance evaluation to each employee retained pursuant to this chapter. If the employee's performance during that 60-day period is satisfactory, the successor contractor or successor

subcontractor shall offer the employee continued employment. Any employment after the 60-day transition employment period shall be at-will employment under which the employee may be terminated without cause.

1062. (a) An employee, who was not offered employment or who has been discharged in violation of this chapter by a successor contractor or successor subcontractor, or an agent of the employee may bring an action against a successor contractor or successor subcontractor in any superior court of the State of California having jurisdiction over the successor contractor or successor subcontractor. Upon finding a violation of this chapter, the court shall award backpay, including the value of benefits, for each day during which the violation has occurred and continues to occur. The amount of backpay shall be calculated as the greater of either of the following:

(1) The average regular rate of pay received by the employee during the last three years of the employee's employment in the same occupation classification multiplied by the average hours worked during the last three years of the employee's employment.

(2) The final regular rate of pay received by the employee at the time of termination of the predecessor contract multiplied by the number of hours usually worked by the employee.

(b) The court may order a preliminary or permanent injunction to stop the continued violation of this chapter.

(c) If the employee is the prevailing party in the legal action, the court shall award the employee reasonable attorney's fees and costs as part of the costs recoverable.

(d) In the absence of a claim by an employee that he or she was terminated in violation of this chapter, an employee may not maintain a cause of action under this chapter solely for the failure of an employer to provide a written performance evaluation.

1063. (a) This chapter only applies to contracts entered into on or after January 1, 2002.

(b) Except for the obligations specified in subdivisions (a) and (b) of Section 1061, nothing in this chapter changes or increases the relationship or duties of a property owner or an awarding authority, or their agents, with respect to contractors, subcontractors, or their employees.

(c) Nothing in this chapter limits the right of a property owner or an awarding authority to terminate a service contract or to replace a contractor with another contractor or with the property owner's or awarding authority's own employees.

1064. Nothing in this chapter shall prohibit a local government agency from enacting ordinances relating to displaced janitors that impose greater standards than, or establish additional enforcement provisions to, those prescribed by this chapter.

1065. If any provision or provisions of this chapter or any application thereof is held invalid, that invalidity shall not affect any other provisions or applications of this chapter that can be given effect notwithstanding that invalidity.
