SUBJECT: **REVISED REIMBURSEMENT RATES FOR PHYSICIAN SERVICES FOR INDIGENTS PROGRAM (PSIP)**

On February 16, 2010, your Board authorized the Interim Director of Health Services (DHS) to reduce the initial reimbursement rate for PSIP to 18% of the Official County Fee Schedule (OCFS) for Fiscal Year (FY) 2009-10 and offer revised emergency physician services agreements for FY 2009-10 to eligible non-County physicians providing emergency services at non-County emergency hospitals. In addition, your Board instructed DHS to rapidly pay the backlog of frozen claims; and to report progress weekly until the backlog is gone.

PSIP ENROLLMENT AND CLAIMS PROCESSING CURRENT STATUS

Following Board approval of the FY 2009-10 reimbursement rate on February 16, 2010, the enrollment packets were updated and made available to all eligible physicians on February 17, 2010. Physicians can now submit claims for dates of service beginning in July 2009. Since the program requires that providers attempt to identify other sources of payment for 90 days prior to billing the County, services provided during the last 90 days are not yet billable to the program. The Emergency Medical Services Agency is working with the County's contracted claims adjudicator, American Insurance Administrators (AIA), to expedite the enrollment process. Generally, the first claims are received 30-60 days from the beginning of the enrollment period. To date, 465 providers have enrolled and we have received 29,255 claims. The first payment of approximately \$603,766 for 11,372 claims will be processed this week.

REVIEW OF THE PSIP PROGRAM POLICIES

To continue the operational review, the PSIP program has been placed on the agenda of the Emergency Medical Services Commission for the March 17, 2010 meeting.

I will keep you informed about the ongoing enrollment and claims payment process. In the meantime, if you have any questions, please contact me or Carol Meyer, Chief Network Officer at (213) 240-8370.
