**CIVIC CENTER PROJECT – LOT 18 VEHICLE ACCESS**

On July 12, 2010, construction began on the Civic Park Project and started with the Grand Avenue vehicular ramps closure for approximately 15 months. The two options available to enter or exit the underground parking structure (Lot 18) between the Hall of Administration and the Stanley Mosk Superior Courthouse is either the Hill Street vehicular ramps or the Music Center employee entrance (located just north of Kendall's Brasserie and Bar).

Due to the diversion of traffic to enter and exit Lot 18, there is absolutely no stopping allowed on Hill Street. The Sheriff's Department will be assisting the County with the flow of traffic on Hill Street, both at the Hall of Administration and the Stanley Mosk Superior Courthouse.
