The Honorable Board of Supervisors
County of Los Angeles

Los Angeles, California 90012

Dear Supervisors:

**APPROVAL TO AMEND 31 LEGAL ENTITY AGREEMENTS TO ADD CALIFORNIA WORK
OPPORTUNITY AND RESPONSIBILITY TO KIDS FUNDING FOR MENTAL HEALTH SERVICES
FOR THE REMAINING SIX MONTHS OF FISCAL YEAR 2010-11
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

SUBJECT

Request approval to amend 31 Legal Entity Agreements to add funding to California Work Opportunity and Responsibility to Kids programs to continue mental health services without interruption on a month-to-month basis for the remaining six months of Fiscal Year 2010-11.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve and authorize the Director of Mental Health, or his designee, to prepare, sign, and execute amendments, substantially similar in format to Attachment A, to add California Work Opportunity and Responsibility to Kids (CalWORKs) funding to 31 existing Legal Entity (LE) Agreements that provide CalWORKs services, as listed in Attachment B, in order to continue providing mental health services on a month-to-month basis, for the next six months, beginning January 1, 2011 through June 30, 2011.
2. Delegate authority to the Director of Mental Health, or his designee, to prepare, sign, and execute future amendments to these LE Agreements provided that: 1) approval by County Counsel, or designee, is obtained prior to any such Amendment; 2) County and contractor may, by written Amendment, reduce programs or services and revise the applicable Maximum Contract Amount (MCA); 3) any revisions are used to provide additional services or to reflect program or Board policy changes; and 4) the Director of Mental health notifies your Board and the Chief Executive Officer

(CEO) of Agreement changes in writing within 30 days after execution of each Amendment.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval is required to execute Amendments to 31 LE Agreements that provide CalWORKs services on a month-to-month basis, for a six-month period, in order to continue with their CalWORKs funding and to avoid interruption in services. On June 9, 2010, your Board approved an initial six-month extension for these 31 LE Agreements to allow the Department of Mental Health (DMH) time to complete its Request for Proposals (RFP) process. However, following notification of the evaluation outcomes, 21 proposers requested and completed debriefings. Of those, four proposers in five different service areas requested advancement to the next phase in the protest process, the Proposed Contractor Selection Review. This stage is pending the finalization of negotiations with selected proposers. The six-month extension will allow DMH the time required to resolve the appeals and award contracts to the selected proposers.

Implementation of Strategic Plan Goals

The recommended actions support the County's Strategic Plan Goal 4, Health and Mental Health.

FISCAL IMPACT/FINANCING

There is no net County cost.

The month-to-month funding to add the additional CalWORKs allocation for 31 LE Agreements is through an Intrafund Transfer from the Department of Public Social Services (DPSS) in the amount of \$6,705,700. Funding is included in DMH's 2010-11 Final Budget.

The monthly disbursement of funds to the 31 LE Agreements will be based upon submitted claims for mental health services provided to CalWORKs recipients. The monthly disbursements will be limited to one-sixth of the six-month allocation.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The request for the month-to-month addition of CalWORKs allocation will allow DMH to address the appeals and complete its contract negotiation process for the RFP. Current contract providers of CalWORKs services will be able to continue providing the necessary services without interruption to allow the solicitation process to be finalized with the successful RFP awardees and will meet the State requirement for CalWORKs allocation.

The extended CalWORKs funding will not be included when computing the 20 percent increase allowed over the last applicable Board-approved MCA.

The Amendment format has been approved as to form by County Counsel. The CEO has reviewed the proposed actions.

DMH will continue to supervise and monitor Contractors' adherences to the Agreements' provisions

and DMH policies and that performance outcomes are being achieved.

CONTRACTING PROCESS

On January 11, 2010, DMH issued a RFP to provide CalWORKs mental health supportive services. The issuance of the RFP is in accordance with State requirements regarding the allocation of CalWORKs funding within Los Angeles County. The RFP was distributed to agencies on the Departmental Bidders list which included minority agencies. Announcements were published in local community and ethnic newspapers as well as DMH's own Internet site.

On February 2, 2010, DMH held a mandatory bidders' conference that was attended by 170 people, representing 106 agencies. DMH received 54 complete proposals by February 23, 2010. Seven panels, comprised of individuals representing the Department of Public Health, DPSS and DMH, met in mid-March to review and evaluate the proposals' program components on a standard evaluation scale. Based on the evaluation panel scores and a commitment to distribute the funds regionally across the County, DMH reviewed and finalized the recommendations for funding 31 LEs as detailed in Attachment B. After notification of the RFP results, 21 debriefings were requested by 15 agencies, some of whom submitted proposals for multiple service areas. After completing the 21 requested debriefings, four agencies requested Proposer Contractor Selection Reviews in five different service areas. This stage of the review process is pending until negotiations with the recommended award recipients are finalized.

The final award recipients are to be determined during the extension period of January 1, 2011 through June 30, 2011. Should any of the existing 31 LE Contractors not be awarded CalWORKs funds as the result of the RFP process, those Contractors will be given 30 days to transition their existing CalWORKs participants to those successful CalWORKs awardees under contract with DMH. RFP process and protest requirements prevented DMH from completing the RFP solicitation process before the beginning of the new contract term on December 31, 2010.

The Department will return to your Board to request authority to award CalWORKs funding contracts to the successful proposers.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The 31 LE Contractors have existing agreements with DMH, and the addition of CalWORKs funding to these contract service providers is being requested to continue providing services without interruption, pending DMH's completion of the RFP process.
