TO: Each Health Deputy

FROM: John Viernes, Jr., Director   
Substance Abuse Prevention and Control

SUBJECT: **FUNDING REALLOCATION FOR BEHAVIORAL HEALTH SERVICES, INC.,  
COUNTY CONTRACT NO. H-801603**

This is to inform you that the Department of Public Health (DPH) plans to use the delegated authority granted by the Board on May 30, 2006 (Board Agenda Synopsis #34) to implement the adjustments and reallocations provision as found within the contract with Behavioral Health Services, Inc. This provision allows the Director of DPH, or his authorized designee, to reallocate funds in amounts up to 25 percent of the contract's budget, or \$100,000, whichever is greater.

DPH recommends this funding reallocation to enable the agency to maximize its utilization of Residential Services and Residential Medical Detoxification Services funding. Attachment 1 is a description of the services to be revised by this amendment and Attachment 2 outlines the agency's current and new proposed funding amounts.

If you have any questions or need additional information, please let me know.

ALCOHOL AND DRUG RESIDENTIAL SERVICES (RS-Ongoing)

Alcohol and drug residential services is a twenty-four (24) hour residential program where recovery services, and/or specialized recovery services are made available to persons who have alcohol and/or drug problems. Program participants are to be involved in no less than six (6) hours of planned treatment and recovery activities per day under the supervision of trained staff. Specialized recovery services may include therapeutic intervention by professional staff such as Licensed Clinical Social Workers, Marriage and Family Therapists, and Doctors of Philosophy. The alcohol and drug residential services program is an accessible resource to the community for information about alcohol and drug related issues, referrals to appropriate alcohol and drug services, and opportunities for volunteer activity.

RESIDENTIAL MEDICAL DETOXIFICATION SERVICES (RDTX)

Residential medical detoxification services are services directed towards the care and treatment of persons (including, but not limited to, homeless persons) suffering from the toxic effects of narcotics and/or dangerous drugs. These services shall be conducted within a facility licensed and approved by the State of California, Department of Health Services ("SDHS") in accordance with current federal and State standards for such facility(ies).
