SUBJECT: **FISCAL YEAR 2010-2011 CASH FLOW PROJECTION**

Attached is the latest cash flow projection for the General Fund and Hospital Funds. The estimated June 30, 2011 combined cash balances for the General Fund and Hospital Funds are negative \$82 million. This amount remains unchanged from the previous month's estimate. To the extent that the cash balances are negative, the County has internal borrowing resources which will sufficiently cover the deficit amount at June 30, 2011. The attachment provides the estimated internal borrowing resources available for each month of this fiscal year.

**Short-Term Outlook**

Our previous report estimated the actual December 31, 2010 cash balances at positive \$153 million. The actual cash balances were positive \$351 million. The major components of the \$198 million difference were higher than anticipated cash receipts for social service programs (\$104 million) and mental health programs (\$71 million). The estimated January 31, 2011 combined cash balances are positive \$352 million. If you have any questions, please contact me, or your staff may call John Naimo at (213) 974-8484.
