SUBJECT: **FISCAL YEAR 2010-2011 CASH FLOW PROJECTION**

Attached is the latest cash flow projection for the General Fund and Hospital Funds. The estimated June 30, 2011 combined cash balances for the General Fund and Hospital Funds are positive \$290 million, an increase of \$89 million from the previous month's estimate of positive \$201 million. As discussed below, the actual May 31, 2011 combined cash balances exceeded the projected amount by \$163 million. We expect at least \$89 million of this favorable balance for May 2011 to carry forward through the end of June 2011.

Short-Term Outlook

Our previous report estimated the actual May 31, 2011 cash balances at positive \$476 million. The actual cash balances were positive \$639 million. The positive variance of \$163 million was primarily associated with various State and federal revenues of \$85 million, charges for services of \$42 million, and property taxes of \$22 million.

We will report the County's year-end cash position in next month's report. If you have any questions, please contact me, or your staff may call John Naimo at (213) 974-8484.
