The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, California 90012

Dear Supervisors:

APPROVAL TO RENEW 11 COMMUNITY CARE RESIDENTIAL FACILITY AGREEMENTS FOR FISCAL YEARS 2012-13 THROUGH 2016-17
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)

SUBJECT

Request approval to renew 11 Community Care Residential Facility agreements for basic board and care services to clients in 24-hour residential facilities.

IT IS RECOMMENDED THAT YOUR BOARD:

1.Approve and authorize the Director of Mental Health (Director), or his designee, to prepare, sign, and execute the renewal of 11 Community Care Residential Facility (CCRF) agreements as listed in Attachment I for Fiscal Years (FYs) 2012-13 through 2016-17, using a substantially similar agreement format to Attachment II. The estimated annual cost of the 11 CCRF agreements is $270,000 for an estimated total of $1,350,000 over the five-year term fully funded by State Mental Health Services Act (MHSA) revenue.

2.Delegate authority to the Director, or his designee, to prepare, sign, and execute future new agreements with other qualified and licensed CCRF providers, provided that: 1) your Board has appropriated sufficient funds for the new agreements; 2) approval of County Counsel is obtained prior to the execution of the new agreements; and 3) the Director, or his designee, notifies your Board and the Chief Executive Officer (CEO) of the new agreements in writing within 30 days after execution of each agreement.

3.Delegate authority to the Director, or his designee, to prepare, sign, and execute future amendment to agreements provided that: 1) any revision will reflect programmatic and/or policy and new agreement changes; 2) your Board has appropriated sufficient funds for all changes; 3) approval by County Counsel, or designee, is obtained prior to any such amendments; and 4) the Director notifies your Board and the CEO of agreement changes in writing within 30 days after execution of agreement.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Board approval is required to renew the existing 11 CCRF agreements which will expire on June 30, 2012. Renewal of these agreements is required to continue the provision of basic board and care services without interruption, which include personal care, protection, supervision, assistance, guidance, and training in a 24-hour residential facility.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the County's Strategic Plan Goal 3, Integrated Services Delivery.

FISCAL IMPACT/FINANCING

The estimated cost of the 11 CCRF agreements for FY 2012-13 is $270,000, funded by State MHSA revenue included in the Department's FY 2012-13 Recommended Budget. Funding for future fiscal years will be requested through Department of Mental Health's (DMH) annual budget process.

The CCRF services are purchased on "as needed" basis, at rates established by the State. The agreements do not contain maximum contract amounts. The CCRF agreements will allow DMH to reimburse facility operators at the board and care rate established by the California Department of Social Services for basic board and care services, which include personal care, protection, supervision, assistance, guidance, and training in a 24-hour residential facility. If a client's eligibility for Supplemental Security Income (SSI) is established, DMH has the opportunity to be retroactively reimbursed for the payments made to the facility operator on behalf of the SSI client.

There is no net County cost impact associated with the recommended actions.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The renewal of these 11 CCRF agreements for FY 2012-13 through FY 2016-17 will allow contractors to provide basic board and care services, which include personal care, supervision, assistance, guidance, and training of clients in a 24-hour operated CCRF. As part of the clients' total care, arrangements are made for clients to be charged personal and incidental expenses and receive mental health services, which may be rendered at other facilities by other providers.

The attached agreement format for the renewal has been approved as to form by County Counsel. The agreement format includes revised or mandated provisions for: Indemnification and Insurance Coverage and Contractor Alert Reporting Database (CARD).

Clinical and administrative staff of DMH will continue to administer and monitor contractors' adherence to the agreements and evaluate programs to ensure that quality services are provided to

clients. As mandated by your Board, performance of all contractors is evaluated by DMH on an annual basis to ensure that contractors are in compliance with all contract terms and performance standards.

CONTRACTING PROCESS

All of the 11 CCRF contractors have existing agreements with DMH, which will expire on June 30, 2012, and are being renewed due to the continuing need for their specialized services for Los Angeles County residents. Any licensed board and care provider can request to enter into a CCRF contract with DMH. DMH awards the contracts to all providers who are in good standing with Community Care Licensing and who are qualified to provide CCRF services. Therefore, there is no competitive solicitation process for these contracts.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Board approval of the proposed actions will allow existing contractors to provide uninterrupted and accessible mental health services to clients residing in Los Angeles County.

Respectfully submitted,

MARVIN J. SOUTHARD, D.S.W.
Director of Mental Health

NOW, THEREFORE, the parties hereto agree as follows:

PREAMBLE

For over a decade, the COUNTY has collaborated with its community partners to enhance the capacity of the health and human services system to improve the lives of children and families. These efforts require, as a fundamental expectation, that the COUNTY's contracting partners share the COUNTY and community's commitment to provide health and human services that support achievement of the COUNTY's vision, goals, values, and adopted outcomes. Key to these efforts is the integration of service delivery systems and the adoption of the Customer Service and Satisfaction Standards.

The County of Los Angeles' Vision is to improve the quality of life in the COUNTY by providing responsive, efficient, and high quality public services that promote the self-sufficiency, well-being and prosperity of individuals, families, business and communities. This philosophy of teamwork and collaboration is anchored in the shared values of:

- Responsiveness
- Professionalism
- Accountability
- Compassion
- Integrity
- Commitment
- A Can-Do Attitude
- Respect for Diversity

These shared values are encompassed in the COUNTY Mission to enrich lives through effective and caring service and the COUNTY Strategic Plan's eight goals: 1) Service Excellence; 2) Workforce Excellence; 3) Organizational Effectiveness; 4) Fiscal Responsibility; 5) Children and Families' Well-Being; 6) Community Services; 7) Health and Mental Health; and 8) Public Safety. Improving the well-being of children and families requires coordination, collaboration, and integration of services across

functional and jurisdictional boundaries, by and between COUNTY departments/agencies, and community and contracting partners.

The basic conditions that represent the well-being we seek for all children and families in Los Angeles County are delineated in the following five outcomes, adopted by the Board of Supervisors in January 1993.

- Good Health;
- Economic Well-Being;
- Safety and Survival;
- Emotional and Social Well-Being; and
- Education and Workforce Readiness.

Recognizing no single strategy - in isolation - can achieve the COUNTY's outcomes of well-being for children and families, consensus has emerged among COUNTY and community leaders that making substantial improvements in integrating the COUNTY's health and human services system is necessary to significantly move toward achieving these outcomes. The COUNTY has also established the following values and goals for guiding this effort to integrate the health and human services delivery system:

- ✔ Families are treated with respect in every encounter they have with the health, educational, and social services systems.
- ✔ Families can easily access a broad range of services to address their needs, build on their strengths, and achieve their goals.
- ✔ There is no "wrong door": wherever a family enters the system is the right place.
- ✔ Families receive services tailored to their unique situations and needs.
- ✔ Service providers and advocates involve families in the process of determining service plans, and proactively provide families with coordinated and comprehensive information, services, and resources.
- ✔ The COUNTY service system is flexible, able to respond to service demands for both the Countywide population and specific population groups.
- ✔ The COUNTY service system acts to strengthen communities, recognizing that just as individuals live in families, families live in communities.

- ✔ In supporting families and communities, COUNTY agencies work seamlessly with public and private service providers, community-based organizations, and other community partners.
- ✔ COUNTY agencies and their partners work together seamlessly to demonstrate substantial progress towards making the system more strength-based, family-focused, culturally-competent, accessible, user-friendly, responsive, cohesive, efficient, professional, and accountable.
- ✔ COUNTY agencies and their partners focus on administrative and operational enhancements to optimize the sharing of information, resources, and best practices while also protecting the privacy rights of families.
- ✔ COUNTY agencies and their partners pursue multi-disciplinary service delivery, a single service plan, staff development opportunities, infrastructure enhancements, customer service and satisfaction evaluation, and revenue maximization.
- ✔ COUNTY agencies and their partners create incentives to reinforce the direction toward service integration and a seamless service delivery system.
- ✔ The COUNTY human service system embraces a commitment to the disciplined pursuit of results accountability across systems. Specifically, any strategy designed to improve the COUNTY human services system for children and families should ultimately be judged by whether it helps achieve the COUNTY's five outcomes for children and families: good health, economic well-being, safety and survival, emotional and social well-being, and education and workforce readiness.

The COUNTY, its clients, contracting partners, and the community will continue to work together to develop ways to make COUNTY services more accessible, customer friendly, better integrated, and outcome-focused. Several departments have identified shared themes in their strategic plans for achieving these goals including: making an effort to become more consumer/client-focused; valuing community partnerships and collaborations; emphasizing values and integrity; and using a strengths-based and multi-disciplinary team approach. COUNTY departments are also working to provide the

Board of Supervisors and the community with a better understanding of how resources are being utilized, how well services are being provided, and what are the results of the services: is anyone better off?

The COUNTY of Los Angeles health and human service departments and their partners are working together to achieve the following ***Customer Service and Satisfaction Standards*** in support of improving outcomes for children and families.

Personal Service Delivery

The service delivery team – staff and volunteers – will treat customers and each other with courtesy, dignity, and respect.

- Introduce themselves by name
- Listen carefully and patiently to customers
- Be responsive to cultural and linguistic needs
- Explain procedures clearly
- Build on the strengths of families and communities

Service Access

Service providers will work proactively to facilitate customer access to services.

- Provide services as promptly as possible
- Provide clear directions and service information
- Outreach to the community and promote available services
- Involve families in service plan development
- Follow-up to ensure appropriate delivery of services

Service Environment

Service providers will deliver services in a clean, safe, and welcoming environment, which supports the effective delivery of services.

- Ensure a safe environment
- Ensure a professional atmosphere
- Display vision, mission, and values statements
- Provide a clean and comfortable waiting area
- Ensure privacy
- Post complaint and appeals procedures

The basis for all COUNTY health and human services contracts is the provision of the highest level of quality services that support improved outcomes for children and families. The COUNTY and its contracting partners must work together and share a commitment to achieve a common vision, goals, outcomes, and standards for providing services.

1. **TERM OF CONTRACT**:

A. The term of this Agreement shall commence on July 1, 2012 and shall continue in full force and effect through June 30, 2013. Thereafter, this Agreement shall be automatically renewed for four successive one-year periods, the first commencing on July 1, 2013 and continuing through June 30, 2014, the second commencing on July 1, 2014 and continuing through June 30, 2015, the third commencing on July 1, 2015 and continuing through June 30, 2016 and the fourth commencing on July 1, 2016 and continuing through June 30, 2017, unless the desire of either party to terminate this Agreement is given in writing to the other party on or before May 31 of any COUNTY fiscal year (July 1, through June 30) in which this Agreement is in effect.

B. Contractor Alert Reporting Database (CARD): The County maintains databases that track/monitor contractor performance history. Information entered into such databases may be used for a variety of purposes, including determining whether the County will exercise a contract term extension option.

C. Termination:

(1) Notwithstanding any other provision of this Paragraph, the failure of Contractor or its officers, agents, or employees to comply with the terms of this Agreement or any directions by or on behalf of County issued pursuant thereto shall constitute a material breach hereof and the Agreement may be terminated immediately.

(2) Failure to provide or bill for services to DMH clients for a period of twelve consecutive months will result in the automatic termination of this Agreement, which shall be effective upon written notice to Contractor by DMH. County's failure to exercise this right of termination shall not constitute waiver of such right, which may be exercised at any subsequent time.

(3) In the event of termination of the Interim Funding portion of this Agreement and upon receipt by Contractor of notice of termination, Contractor shall make immediate and appropriate plans to transfer or refer all clients treated under this Agreement to other agencies for continuing care in accordance with the clients' needs. Such plans shall be approved by the Director or his authorized designee, except in such instances, as determined by Contractor, where an immediate client transfer or

referral is indicated. In such instances, Contractor may make an immediate transfer or referral.

D. Suspension of Payments: Payments to Contractor under this Agreement shall be suspended if Director, for good cause, determines that Contractor is in default under any of the provisions of this Agreement. Except in cases of alleged fraud or similar intentional wrongdoing, at least 30 calendar days notice of such suspension shall be provided to Contractor, including a statement of the reason(s) for such suspension. Thereafter, Contractor may, within 15 calendar days, request reconsideration of the Director's decision. Payments shall not be withheld pending the results of the reconsideration process.

2. TERMINATION WITHOUT CAUSE: This Agreement may be terminated by either party at any time without cause by giving at least 30 calendar days prior written notice to the other party. County may also terminated this Agreement immediately if County determines that any Federal, State, and/or County funds are not budgeted or available for this Agreement or any portion hereof.

3. IMMEDIATE TERMINATION BY COUNTY:

A. In addition to any other provisions for termination provided in this Agreement, this Agreement may be terminated by County immediately if County determines that:

(1) Contractor has failed to initiate delivery of services within 30 calendar days of the commencement date of this Agreement; or

(2) Contractor has failed to comply with any of the provisions of Paragraphs 12 (INDEMNIFICATION AND INSURANCE), 13 (NONDISCRIMINATION IN SERVICES), 14 (NONDISCRIMINATION IN EMPLOYMENT), 24 (CERTIFICATION OF DRUG-FREE WORK PLACE), 30 (DELEGATION AND ASSIGNMENT), 33 (CONFLICT OF INTEREST), 41 (SUBCONTRACTING), 44 (CHILD SUPPORT COMPLIANCE PROGRAM), 51 (CONTRACTOR'S EXCLUSION FROM PARTICIPATION IN A FEDERALLY FUNDED PROGRAM), 52 (WARRANTY AGAINST CONTINGENT FEES) and/or 65 (CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM); or

(3) In accordance with Paragraphs 35 (TERMINATION FOR DEFAULT), 36 (TERMINATION FOR IMPROPER CONSIDERATION), 37 (TERMINATION FOR INSOLVENCY), 56 (COUNTY LOBBYISTS), and/or 66 (TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN

COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM).

(4) Any termination of this Agreement by County shall be approved by County's Board of Supervisors.

B. Six Months Notification of Agreement Expiration: Contractor shall notify County when this Agreement is within six (6) months of expiration. Contractor shall send such notice to those persons and addresses which are set forth in Paragraph 68 (NOTICES).

4. DESCRIPTION OF SERVICES: Contractor agrees to provide services as described in Exhibit H, inclusive, attached hereto and incorporated herein by reference. Services provided pursuant to Exhibit H shall be the same regardless of source of payment.

5. PAYMENT:

A. Contractor shall bill County in arrears on billing forms provided by County. All billings shall clearly reflect all required information as specified on billing forms provided by County regarding services for which claims are to be made.

Billings shall be made and forwarded to County at least monthly. Within 30 calendar days following receipt of a complete and correct billing form, County shall make payment in accordance with the approved rate of reimbursement for the period services are provided.

B. In the event Contractor provides Interim Funding Services as defined in Exhibit H, County shall reimburse Contractor at the currently approved Community Residential Care Rate. Payment shall be based on facility size and the level(s) of care for which Contractor is authorized to provide, and for which client is assessed by the Department of Mental Health's (DMH) case managers and/or staff.

Notwithstanding the foregoing, Contractor agrees that Interim Funding Services are not an entitlement program, and further agrees that only services provided for clients approved by Director or his authorized designee shall be reimbursed.

C. No Payment for Services Provided Following Expiration/Termination of Contract: Contractor shall have no claim against County for payment of any money, or reimbursement of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify County and shall

immediately repay all such funds to County. Payment by County for services rendered after expiration/termination of this Agreement shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

D. Contractor agrees to hold harmless both the State and beneficiary in the event County cannot or will not pay for services performed by contractor pursuant to this Agreement.

6. LIMITATION OF PAYMENTS BASED ON FUNDING AND BUDGETARY RESTRICTIONS:

(1) This Agreement shall be subject to any restrictions, limitations, or conditions imposed by State which may in any way affect the provisions or funding of this Agreement, including, but not limited to, those contained in State's Budget Act.

(2) This Agreement shall also be subject to any additional restrictions, limitations, or conditions imposed by the Federal government which may in any way affect the provisions or funding of this Agreement.

(3) In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in County contracts, the County reserves the right to unilaterally reduce its payment obligation under this Agreement to implement such Board reductions for that fiscal year and any subsequent fiscal year during the term of this Agreement, and the services to be provided by the Contractor under this Agreement shall also be reduced correspondingly. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such action. Except as set forth above in this Paragraph 6 the Contractor shall continue to provide all of the services set forth in this Agreement.

(4) Notwithstanding any other provision of this Agreement, County shall not be obligated for Contractor's performance hereunder or by any provision of this Agreement during this or any of County's future fiscal years unless and until County's Board of Supervisors appropriates funds for this Agreement in County's Budget for each such fiscal year. In the event funds are not appropriated for this Agreement, then this Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. County shall notify Contractor of any such non-appropriation of funds at the earliest

possible date.

7. **ADMINISTRATION**: The Director of Mental Health (Director) shall have the authority to administer this Agreement on behalf of the County. All references to the actions or decisions to be made by the County in this Agreement shall be made by the Director unless otherwise expressly provided.

A. The Director may designate one of more persons to act as his/her designee for the purposes of administering this Agreement. Therefore "Director" shall mean "Director and/or his/her designee."

B. Contractor shall designate in writing a Contract Manager who shall function as liaison with County regarding Contractor's performance hereunder.

8. **PRIOR AGREEMENT(S) SUPERSEDED**: Reference is made to that (those) certain document(s) entitled:

TITLE	COUNTY AGREEMENT NUMBER	DATE OF EXECUTION
N/A	N/A	N/A

The parties agree that the provisions of such prior Agreement(s) and all Amendments thereto, shall be entirely superseded, as of date of execution by County's Board of Supervisors, by the provisions of this Agreement.

9. **SEVERABILITY**: If any provision of this Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

10. **WAIVER**: No waiver by County of any breach of any provision of this Agreement shall constitute a waiver of any other breach of such provision. Failure of County to enforce at any time, or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this Paragraph 10 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.

11. **PERFORMANCE STANDARDS AND OUTCOME MEASURES**: The Contractor shall comply

with all applicable federal, State, and County policies and procedures relating to performance standards and outcome measures, including but not limited to those performance standards and outcome measures required by specific federal or State rules for entities receiving their funding. .

Performance standards and/or outcome measures will be used as part of the determination of the effectiveness of the services delivered by Contractor.

12. INDEMNIFICATION AND INSURANCE:

A. Indemnification: Contractor shall indemnify, defend and hold harmless the County, its Special Districts, elected and appointed officers, employees, and agents from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, and expenses (including attorney and expert witness fees), arising from or connected with the Contractor's acts and/or omissions arising from and/or relating to this Agreement.

B. General Provisions for all Insurance Coverage: Without limiting Contractor's indemnification of County, and in the performance of this Agreement and until all of its obligations pursuant to this Agreement have been met, Contractor shall provide and maintain at its own expense insurance coverage satisfying the requirements specified in Subparagraphs B and C of this Paragraph 12. These minimum insurance coverage terms, types and limits (the "Required Insurance") also are in addition to and separate from any other contractual obligation imposed upon Contractor pursuant to this Agreement. The County in no way warrants that the Required Insurance is sufficient to protect the Contractor for liabilities which may arise from or relate to this Agreement.

1) Evidence of Coverage and Notice to County

(a) Certificate(s) of insurance coverage (Certificate) satisfactory to County, and a copy of an Additional Insured endorsement confirming County and its Agents (defined below) has been given Insured status under the Contractor's General Liability policy, shall be delivered to County at the address shown below and provided prior to commencing services under this Agreement.

(b) Renewal Certificates shall be provided to County not less than 10 days prior to Contractor's policy expiration dates. The County reserves the right to obtain complete, certified copies of any required Contractor and/or Subcontractor insurance policies at any time.

(c) Certificates shall identify all Required Insurance coverage types and limits specified herein, reference this Agreement by name or number, and be signed by an authorized representative of the insurer(s). The Insured party named on the Certificate shall match the name of the Contractor identified as the contracting party in this Agreement. Certificates shall provide the full name of each insurer providing coverage, its NAIC (National Association of Insurance Commissioners) identification number, its financial rating, the amounts of any policy deductibles or self-insured retentions exceeding fifty thousand ($50,000.00) dollars, and list any County required endorsement forms.

(d) Neither the County's failure to obtain, nor the County's receipt of, or failure to object to a non-complying insurance certificate or endorsement, or any other insurance documentation or information provided by the Contractor, its insurance broker(s) and/or insurer(s), shall be construed as a waiver of any of the Required Insurance provisions.

Certificates and copies of any required endorsements shall be sent to:

Further, by executing this Agreement, Contractor certifies that, to its knowledge, none of its subcontractors, at any tier, or any owner, officer, partner, director or other principal of any subcontractor is currently suspended, debarred, ineligible, or excluded from securing federally funded contracts. Contractor shall immediately notify County in writing, during the term of this Agreement, should it or any of its subcontractors or any principals of either be suspended, debarred, ineligible, or excluded from securing federally funded contracts. excluded or suspended from providing services under any health care program funded by the federal government, directly or indirectly, in whole or in part, and that Contractor will notify Director within 30 calendar days in writing of: (1) any event that would require Contractor or a staff member's mandatory exclusion or suspension from participation in a federally funded health care program; and (2) any exclusionary or suspension action taken by any agency of the federal or State governments against Contractor or one or more staff members barring it or the staff members from participation in a federally funded health care program, whether such bar is direct or indirect, or whether such bar is in whole or in part.

There are a variety of different reasons why an individual or entity may be excluded from participating in a federally funded health care program. Sometimes, the exclusion is mandatory and in other cases the Office of Inspector General (OIG), and State officials have the discretion not to exclude.

The mandatory bases for federal exclusion include: (1) felony convictions for program related crimes, including fraud or false claims, or for offenses related to the dispensing or use of controlled substances, or (2) convictions related to patient abuse.

Permissive exclusions may be based on: (1) conviction of a misdemeanor related to fraud or financial misconduct involving a government program; (2) obstructing an investigation; (3) failing to provide access to documents or premises as required by federal health care program officials; (4) conviction of a misdemeanor related to controlled substances; (5) failing to disclose information about the entity itself, its subcontractors or its significant business transactions; (6) loss of a State license to practice a health care profession; (7) default on a student loan given in connection with education in a health profession; (8) charging excessive amounts to a federally funded health care program or furnishing services of poor quality or which are substantially in excess of the needs of the patients; (9) paying a kickback or submitting a false or fraudulent claim. Persons controlling or managing excluded entities who knew of the conduct leading to the exclusion can themselves be excluded, and entities which are owned and controlled by excluded individuals can also be excluded.

Contractor shall indemnify and hold County harmless against any and all loss or damage County may suffer arising from any federal or State exclusion or suspension of Contractor or its staff members

from such participation in a federally funded health care program. Contractor shall provide the certification set forth in Exhibit D as part of its obligation under this Paragraph 51.

Failure by Contractor to meet the requirements of this Paragraph 51 shall constitute a material breach of Agreement upon which County may immediately terminate or suspend this Agreement.

52. WARRANTY AGAINST CONTINGENT FEES: Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Agreement upon any agreement or understanding for any commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by Contractor for the purpose of securing business. For Contractor's breach or violation of this warranty, County may, in its sole discretion, deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

A. Contractor shall comply with all federal laws, including, but not limited to, Title XIX of the Social Security Act, State, and local laws, ordinances, rules, regulations, manuals, guidelines, Americans with Disabilities Act (ADA) standards, and directives applicable to its performance hereunder. Further, all provisions required thereby to be included in this Agreement are hereby incorporated herein by reference.

B. Contractor shall indemnify and hold harmless County from and against any and all liability, damages, costs or expenses, including, but not limited to, defense costs and attorneys' fees, arising from or related to any violation on the part of Contractor, its officers, employees, or agents, of any such federal, State or local laws, ordinances, rules, regulations, manuals, guidelines, ADA standards, or directives.

In the event of any conflict or inconsistency in the definition or interpretation of any word, responsibility, or schedule, or the contents or description of any service or other work, or otherwise, between the body of this Agreement and the other referenced documents, or between such other documents, such conflict or inconsistency shall be resolved by giving precedence first to the body of this Agreement and then to Service Exhibit H: Mental Health 24-Hour Services Interim Placement Funding For Basic Care Services.

56. COUNTY LOBBYISTS: Contractor and each County lobbyist or County lobbying firm as defined in Los Angeles County Code Section 2.160.010, retained by Contractor, shall fully comply with County's Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of Contractor or any County lobbyist or County lobbying firm retained by Contractor to fully comply with County's Lobbyist Ordinance shall constitute a material breach of this Agreement upon which County may immediately terminate or suspend this Agreement.

57. AUTHORIZATION WARRANTY: Contractor represents and warrants that the person executing this Agreement for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Agreement and that all requirements of Contractor have been fulfilled to provide such actual authority.

2.7 Availability of Internal Practices, Books and Records to Government Agencies. Business Associate agrees to make its internal practices, books and records relating to the Use and Disclosure of Protected Health Information available to the Secretary of the federal Department of Health and Human Services for purposes of determining Covered Entity's compliance with the Privacy and Security Regulations. Business Associate shall immediately notify Covered Entity of any requests made by the Secretary and provide Covered Entity with copies of any documents produced in response to such request.

Business Associate shall provide copies of that Protected Health Information within five (5) business days after receipt of request from Covered Entity. If Business Associate maintains an Electronic Health Record, Business Associate shall provide such information in electronic format to enable Covered Entity to fulfill its obligations under the HITECH Act.

2.9 Amendment of Protected Health Information. Business Associate shall, to the extent Covered Entity determines that any Protected Health Information constitutes a "designated record set" as defined by 45 C.F.R. § 164.501, make any amendments to Protected Health Information that are requested by Covered Entity. Upon Covered Entity's request, Business Associate shall provide to Covered Entity an accounting of each Disclosure of Protected Health Information made by Business Associate or its employees, agents, representatives or subcontractors, in order to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected

Health Information in accordance with 45 C.F.R. § 164.528 and/or the HITECH Act which requires an Accounting of Disclosures of Protected Health Information maintained in an Electronic Health Record for treatment, payment, and health care operations.

However, Business Associate is not required to provide an Accounting of Disclosures that are necessary to perform the Services because such Disclosures are for either payment or health care operations purposes, or both.

Any accounting provided by Business Associate under this Section 2.10 shall include: (a) the date of the Disclosure; (b) the name, and address if known, of the entity or person who received the Protected Health Information; (c) a brief description of the Protected Health Information disclosed; and (d) a brief statement of the purpose of the Disclosure. Business Associate shall provide to Covered Entity, within ten (10) business days after receipt of request from Covered Entity, information collected in accordance with this Section 2.10 to permit Covered Entity to respond to a request by an Individual for an accounting of disclosures of Protected Health Information in accordance with 45 C.F.R. § 164.528. If Business Associate maintains an Electronic Health Record, Business Associate shall provide such information in electronic format to enable Covered Entity to fulfill its obligations under the HITECH Act.

2.11 Indemnification. Business Associate shall indemnify, defend, and hold harmless Covered Entity, including its elected and appointed officers, employees, and agents, from and against any and all liability, including but not limited to demands, claims, actions, fees, costs, penalties and fines (including regulatory penalties and/or fines), and expenses (including attorney and expert witness fees), arising from or connected with Business Associate's acts and/or omissions arising from and/or relating to this Business Associate Agreement; Business Associate's obligations under this provision extend to compliance and/or enforcement actions and/or activities, whether formal or informal, of Secretary of the federal Department of Health and Human Services and/or Office for Civil Rights.

OBLIGATION OF COVERED ENTITY

3.1 Obligation of Covered Entity. Covered Entity shall notify Business Associate of any current or future restrictions or limitations on the use of Protected Health Information that would affect Business Associate's performance of the Services, and Business Associate shall thereafter restrict or limit its own uses and disclosures accordingly.

TERM AND TERMINATION

4.1 Term. The term of this Business Associate Agreement shall be the same as the term of this Agreement. Business Associate's obligations under Sections 2.1 (as modified by Section 4.2), 2.4, 2.5, 2.6, 2.7, 2.8, 2.9, 2.10, 4.3 and 5.2 shall survive the termination or expiration of this Agreement.

4.2 Termination for Cause. In addition to and notwithstanding the termination provisions set forth in this Agreement, upon either party's knowledge of a material breach by the other party, the party with knowledge of the other party's breach shall:

(a) Provide an opportunity for the breaching party to cure the breach or end the violation and terminate this Agreement if the breaching party does not cure the breach or end the violation within the time specified by the non-breaching party;

(b) Immediately terminate this Agreement if a party has breached a material term of this Agreement and cure is not possible; or

(c) If neither termination nor cure is feasible, report the violation to the Secretary of the federal Department of Health and Human Services.

4.3 Disposition of Protected Health Information Upon Termination or Expiration.

(a) Except as provided in paragraph (b) of this section, upon termination for any reason or expiration of this Agreement, Business Associate shall return or destroy all Protected Health Information received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision shall apply to Protected Health Information that is in the possession of subcontractors or agents of Business Associate. Business Associate shall retain no copies of the Protected Health Information.

(b) In the event that Business Associate determines that returning or destroying the Protected Health Information is infeasible, Business Associate shall provide to Covered Entity notification

of the conditions that make infeasible. If return or destruction is infeasible, Business Associate shall extend the protections of this Business Associate Agreement to such Protected Health Information and limit further Uses and Disclosures of such Protected Health Information to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such Protected Health Information.

MISCELLANEOUS

5.1 No Third Party Beneficiaries. Nothing in this Business Associate Agreement shall confer upon any person other than the parties and their respective successors or assigns, any rights, remedies, obligations, or liabilities whatsoever.

5.2 Use of Subcontractors and Agents. Business Associate shall require each of its agents and subcontractors that receive Protected Health Information from Business Associate, or create Protected Health Information for Business Associate, on behalf of Covered Entity, to execute a written agreement obligating the agent or subcontractor to comply with all the terms of this Business Associate Agreement.

5.3 Relationship to Services Agreement Provisions. In the event that a provision of this Business Associate Agreement is contrary to another provision of this Agreement, the provision of this Business Associate Agreement shall control. Otherwise, this Business Associate Agreement shall be construed under, and in accordance with, the terms of this Agreement.

5.6 Amendment. The parties agree to take such action as is necessary to amend this Business Associate Agreement from time to time as is necessary for Covered Entity to comply with the requirements of the Privacy and Security Regulations and other privacy laws governing Protected Health Information.

59. COMPLIANCE WITH JURY SERVICE PROGRAM:

A. Jury Service Program: This Agreement is subject to the provisions of the County's ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections 2.203.010 through 2.203.090 of the Los Angeles County Code.

B. Written Employee Jury Service Policy:

(1) Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not a "Contractor" as defined under the Jury Service Program (Section 2.203.020 of the County Code) or that Contractor qualifies for an exception to the Jury Service Program (Section 2.203.070 of the County Code), Contractor shall have and adhere to a written policy that provides that its Employees shall receive from the Contractor, on an annual basis, no less than five (5) days of regular pay for actual jury service. The policy may provide that Employees deposit any fees received for such jury service with the Contractor or that the Contractor deduct from the Employee's regular pay the fees received for jury service.

(2) For purposes of this Section, "Contractor" means a person, partnership, corporation or other entity which has an Agreement with the County or a subcontract with a County Contractor and has received or will receive an aggregate sum of $50,000 or more in any 12-month period under one or more County Agreements or subcontracts. "Employee" means any California resident who is a full-time employee of Contractor. "Full-time" means 40 hours or more worked per week or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County, or 2) Contractor has a long-standing practice that defines the lesser number of hours as full-time. Full-time employees providing short-term, temporary services of 90 days or less within a 12-month period are not considered full-time for purposes of the Jury Service Program. If Contractor uses any subcontractor to perform services for the County under the Agreement, the subcontractor shall also be subject to the provisions of this Section. The provisions of this Section shall be inserted into any such subcontract Agreement and a copy of the Jury Service Program shall be attached to the Agreement.

(3) If Contractor is not required to comply with the Jury Service Program when the Agreement commences, Contractor shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Contractor shall immediately notify County if

Contractor at any time either comes within the Jury Service Program's definition of "Contractor" or if Contractor no longer qualifies for an exception to the Program. In either event, Contractor shall immediately implement a written policy consistent with the Jury Service Program. The County may also require, at any time during the Agreement and at its sole discretion, that Contractor demonstrate to the County's satisfaction that Contractor either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Contractor continues to qualify for an exception to the Program.

(4) Contractor's violation of this section of the Agreement may constitute a material breach of the Agreement. In the event of such material breach, County may, in its sole discretion, terminate the Agreement and/or bar Contractor from the award of future County Agreements for a period of time consistent with the seriousness of the breach.

60. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.

The fact sheet is set forth in Exhibit E of this Agreement and is also available on the Internet at www.babysafela.org for printing purposes.

61. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the County's policy to encourage all County Contractors to voluntarily post the County's "Safely Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position in the subcontractor's place of business. The County's Department of Children and Family Services will supply the Contractor with the poster to be used.

62. CONTRACTOR'S CHARITABLE ACTIVITIES COMPLIANCE: The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions.

The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the certification in Exhibit G, the County seeks to ensure that all County contractors which receive or raise charitable contributions comply with California law in order to protect the County and its taxpayers. A Contractor which receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings or both. (County Code Chapter 2.202)

63. LOCAL SMALL BUSINESS ENTERPRISE PREFERENCE PROGRAM: This contract is subject to all provisions of the County's ordinance entitled Local Business Enterprise Preference Program, as codified in Chapter 2.204 of the Los Angeles County Code. Specifically, Contractor shall pay particular attention to the following provisions in Chapter 2.204:

Contractor shall not knowingly and with the intent to defraud, fraudulently obtain, retain, attempt to obtain or retain, or aid another in fraudulently obtaining or retaining or attempting to obtain or retain certification as a Local Small Business Enterprise.

Contractor shall not willfully and knowingly make a false statement with the intent to defraud, whether by affidavit, report, or other representation, to a County official or employee for the purpose of influencing the certification or denial of certification of any entity as a Local Small Business Enterprise.

If Contractor has obtained certification as a Local Small Business Enterprise by reason of having furnished incorrect supporting information or by reason of having withheld information, and which knew, or should have known, the information furnished was incorrect or the information withheld was relevant to its request for certification, and which by reason of such certification has been awarded this contract to which it would not otherwise have been entitled, shall:

1. Pay to the County any difference between the Contract amount and what the County's costs would have been if the contract had been properly awarded;
2. In addition to the amount described in subdivision (1), be assessed a penalty in an amount of not more than 10 percent (10%) of the amount of the contract; and
3. Be subject to the provisions of Chapter 2.202 of the Los Angeles County Code

(Determinations of Contractor Non-responsibility and Contractor Debarment).

The above penalties shall also apply to any Contractor that has previously obtained proper certification, however, as a result of a change in their status would no longer be eligible for certification, and fails to notify the State and the Internal Services Department of this information prior to responding to a solicitation or accepting a contract award.

64. FORCE MAJEURE:

A. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's subcontractors), freight embargoes, or other similar events to those describe above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this sub-paragraph as "force majeure events").

B. Notwithstanding the foregoing, a default be a subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such subcontractor, and without any fault or negligence of either or them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet its obligations under this agreement. As used in this sub-paragraph, the term "subcontractor" and subcontractors" mean subcontractors at any tier.

C. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

65. CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the

economic burden otherwise imposed upon County and its taxpayers. Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

66. TERMINATION FOR BREACH OF WARRANTY TO MAINTAIN COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM: Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 65 (CONTRACTOR'S WARRANTY OF COMPLIANCE WITH COUNTY'S DEFAULTED PROPERTY TAX REDUCTION PROGRAM) shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

67. BACKGROUND AND SECURITY INVESTIGATIONS:

A. Each of Contractor's staff performing services under this Contract who is in a designated sensitive position, as determined by County in County's sole discretion, shall undergo and pass a background investigation to the satisfaction of County as a condition of beginning and continuing to perform services under this Contract. Such background investigation may include, but shall not be limited to, criminal conviction information obtained through fingerprints submitted to the California Department of Justice. The fees associated with the background investigation shall be at the expense of the Contractor, regardless if the member of Contractor's staff passes or fails the background investigation.

B. If a member of Contractor's staff does not pass the background investigation, County may request that the member of Contractor's staff be immediately removed from performing services under the Contract at any time during the term of the Contract. County will not provide to Contractor or to Contractor's staff any information obtained through the County's background investigation.

C. County, in its sole discretion, may immediately deny or terminate facility access to any member of Contractor's staff that does not pass such investigation to the satisfaction of the County or whose background or conduct is incompatible with County facility access.

D. Disqualification of any member of Contractor's staff pursuant to this Paragraph 67 shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract.

Safely Surrendered Baby Law

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents or other persons, with lawful custody, which means anyone to whom the parent has given permission to confidentially surrender a baby. As long as the baby is three days (72 hours) of age or younger and has not been abused or neglected, the baby may be surrendered without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially, and safely surrender a baby within three days (72 hours) of birth. The baby must be handed to an employee at a hospital or fire station in Los Angeles County. As long as the baby shows no sign of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, staff will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent or other surrendering adult.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their baby within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

No. While in most cases a parent will bring in the baby, the Law allows other people to bring in the baby if they have lawful custody.

Does the parent or surrendering adult have to call before bringing in the baby?

No. A parent or surrendering adult can bring in a baby anytime, 24 hours a day, 7 days a week, as long as the parent or surrendering adult surrenders the baby to someone who works at the hospital or fire station.

Does the parent or surrendering adult have to tell anything to the people taking the baby?

No. However, hospital or fire station personnel will ask the surrendering party to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the baby. The questionnaire includes a stamped return envelope and can be sent in at a later time.

What happens to the baby?

The baby will be examined and given medical treatment. Upon release from the hospital, social workers immediately place the baby in a safe and loving home and begin the adoption process.

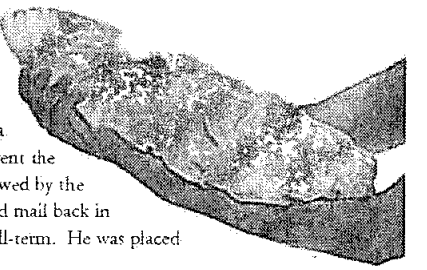
What happens to the parent or surrendering adult?

Once the parent or surrendering adult surrenders the baby to hospital or fire station personnel, they may leave at any time.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned, hurt or killed by their parents. You may have heard tragic stories of babies left in dumpsters or public bathrooms. Their parents may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a baby is illegal and places the baby in extreme danger. Too often, it results in the baby's death. The Safely Surrendered Baby Law prevents this tragedy from ever happening again in California.

A baby's story



Early in the morning on April 9, 2005, a healthy baby boy was safely surrendered to nurses at Harbor-UCLA Medical Center. The woman who brought the baby to the hospital identified herself as the baby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunt was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed her mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and said she would have the mother complete and mail back in the stamped return envelope provided. The baby was examined by medical staff and pronounced healthy and full-term. He was placed with a loving family that had been approved to adopt him by the Department of Children and Family Services.

Ley de Entrega de Bebés *Sin Peligro*

¿Qué es la Ley de Entrega de Bebés sin Peligro?

La Ley de Entrega de Bebés sin Peligro de California permite la entrega confidencial de un recién nacido por parte de sus padres u otras personas con custodia legal, es decir cualquier persona a quien los padres le hayan dado permiso. Siempre que el bebé tenga tres días (72 horas) de vida o menos, y no haya sufrido abuso ni negligencia, pueden entregar al recién nacido sin temor de ser arrestados o procesados.

Cada recién nacido se merece la oportunidad de tener una vida saludable. Si alguien que usted conoce está pensando en abandonar a un recién nacido, infórmele que tiene otras opciones. Hasta tres días (72 horas) después del nacimiento, se puede entregar un recién nacido al personal de cualquier hospital o cuartel de bomberos del condado de Los Ángeles.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura dentro de los tres días (72 horas) del nacimiento. El bebé debe ser entregado a un empleado de cualquier hospital o cuartel de bomberos del Condado de Los Ángeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre o el adulto que lo entregue recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden comenzar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Ángeles al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

No. Si bien en la mayoría de los casos son los padres los que llevan al bebé, la ley permite que otras personas lo hagan *si tienen custodia legal.*

¿Los padres o el adulto que entrega al bebé deben llamar antes de llevar al bebé?

No. El padre/madre o adulto puede llevar al bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, siempre y cuando entreguen a su bebé a un empleado del hospital o cuartel de bomberos.

¿Es necesario que el padre/madre o adulto diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital o cuartel de bomberos le pedirá a la persona que entregue al bebé que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para cuidar bien del bebé. El cuestionario incluye un sobre con el sello postal pagado para enviarlo en otro momento.

¿Qué pasará con el bebé?

El bebé será examinado y le brindarán atención médica. Cuando le den el alta del hospital, los trabajadores sociales inmediatamente ubicarán al bebé en un hogar seguro donde estará bien atendido, y se comenzará el proceso de adopción.

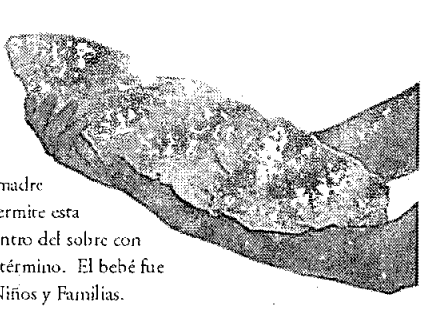
¿Qué pasará con el padre/madre o adulto que entregue al bebé?

Una vez que los padres o adulto hayan entregado al bebé al personal del hospital o cuartel de bomberos, pueden irse en cualquier momento.

¿Por qué se está haciendo esto en California? ?

La finalidad de la Ley de Entrega de Bebés sin Peligro es proteger a los bebés para que no sean abandonados, lastimados o muertos por sus padres. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Los padres de esos bebés probablemente hayan estado pasando por dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus bebés porque tenían miedo y no tenían nadie a quien pedir ayuda. El abandono de un recién nacido es ilegal y pone al bebé en una situación de peligro extremo. Muy a menudo el abandono provoca la muerte del bebé. La Ley de Entrega de Bebés sin Peligro impide que vuelva a suceder esta tragedia en California.

Historia de un bebé



A la mañana temprano del día 9 de abril de 2005, se entregó un recién nacido saludable a las enfermeras del Harbor-UCLA Medical Center. La mujer que llevó el recién nacido al hospital se dio a conocer como la tía del bebé, y dijo que la madre le había pedido que llevara al bebé al hospital en su nombre. Le entregaron a la tía un brazalete con un número que coincidía con la pulsera del bebé; esto serviría como identificación en caso de que la madre cambiara de opinión con respecto a la entrega del bebé y decidiera recuperarlo dentro del período de 14 días que permite esta ley. También le dieron a la tía un cuestionario médico, y ella dijo que la madre lo llenaría y lo enviaría de vuelta dentro del sobre con franqueo pagado que le habían dado. El personal médico examinó al bebé y se determinó que estaba saludable y a término. El bebé fue ubicado con una buena familia que ya había sido aprobada para adoptarlo por el Departamento de Servicios para Niños y Familias.
