SUBJECT: **NOTIFICATION OF THE USE OF DELEGATED AUTHORITY TO AMEND CONTRACT NUMBER PH-001747 WITH COMPASSION CARE CENTER, INC., FOR THE PROVISION OF DRUG/MEDI-CAL SERVICES**

This is to notify you that I am exercising the delegated authority approved by your Board on June 7, 2011, to execute amendments to Drug/Medi-Cal (DMC) agreements that increase or decrease the contractual maximum obligations, and/or provide an internal reallocation of funds between budgets pursuant to the federal ruling of Sobky v. Smoley, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office.

Pursuant to both State legislation and the federal ruling of Sobky v. Smoley, counties are required to enter into agreements with all State-certified DMC service providers who request service contracts and who demonstrate the ability to comply with all local requirements. Moreover, when these agencies request additional funds necessary to provide services to persons eligible for DMC program services, counties are required to amend the DMC agreements to reflect the additional services and funding. Under this federal ruling, counties have no basis to deny reimbursement for services if the contractor is in full compliance with contractual requirements.

Under the delegated authority referenced above, I will execute an amendment to DMC Agreement Number PH-001747 with Compassion Care Center, Inc. for the term July 1, 2012 through June 30, 2014 to increase the annual funding by \$50,000, increasing the annual obligation from \$50,000 to \$100,000, and the total maximum obligation from \$150,000 to \$250,000 to provide Day Care Habilitative services; 100 percent offset by State Realignment revenues as authorized under Assembly Bill 118 and federal Medicaid matching funds.
