The parties specifically acknowledge and agree to comply with the terms set forth in Exhibit A, Statement of Work, to this Agreement, including the responsibilities of each respective party expressly set forth in Exhibit A, Statement of Work.

1.2 Except as otherwise hereinafter specifically set forth in this Agreement, such services shall only encompass duties and functions of the type coming within the
jurisdiction of and customarily rendered by the Sheriff of the County under the Charter of said County and statutes of the State of California.

2.0 ADMINISTRATION OF PERSONNEL

2.1 The rendition of the services performed by the Sheriff's Department, the standards of performance, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County.

2.2 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, CDCR shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and CDCR.

2.3 The Sheriff's Department, in an unresolved dispute, shall have final and conclusive determination as between the parties hereto.

3.0 DEPLOYMENT OF PERSONNEL

3.1 Services performed hereunder and requested by CDCR shall be indicated in the attached Exhibit A, Statement of Work, and Exhibit B, Los Angeles County Sheriff's Department Deployment of Personnel Form SH-AD 575. To the extent that the terms of any exhibit to this base document may conflict with the base document, the terms of this base document shall prevail.

3.2 For the purpose of performing the said function, County shall furnish and supply all necessary labor, supervision, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

3.3 CDCR shall not assume any liability for the direct payment of any salaries, wages, retirement benefits, workers' compensation insurance, or other compensation to any County personnel performing services hereunder or any liability other than provided for in this Agreement.

3.4 Except as herein otherwise specified, CDCR shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her employment as a contract employee of CDCR, unless such injury or sickness is proximately caused by acts or omissions of CDCR, its officers, agents, or employees.

4.5 Annual rate adjustments shall be made by the County's Auditor-Controller in accordance with the policies and procedures for the determination of such rate as adopted by the Los Angeles County Board of Supervisors.

4.6 CDCR shall authorize and execute an annual Los Angeles County Sheriff's Department Deployment of Personnel Form, SH-AD 575, by July 1st of every year hereinafter authorizing services to be performed at the prevailing rates established throughout the term of this Agreement. The revised form shall be attached to this Agreement as an Amendment to this Agreement pursuant to Section 9.0, Amendments.

5.2 Payment for said services shall be made by check or money order payable as directed on the monthly invoice.

5.3 If such payment is not delivered to the County office which is described on said invoice within sixty (60) calendar days after the date of the invoice, the County is entitled to recover interest thereon.

8.3 In the event of such a circumstance, the Sheriff's Department will provide at least ten (10) calendar days notice of its inability unless circumstances preclude it, as a practical matter, from giving at least ten (10) calendar days notice, in which event the Sheriff's Department shall provide such notice of less than ten (10) calendar days as is feasible and practical under the circumstances.

STATEMENT OF WORK
LAW ENFORCEMENT DISPATCH SERVICES

1.0 SCOPE OF WORK

The County, through the Sheriffs Department, will provide the services of one (1) full-time equivalent Law Enforcement Technician (LET) to assist CDCR with law enforcement dispatch activities, as more specifically set forth below.

2.0 CWIRS USE BY REGION III

2.1 As part of the provision of law enforcement dispatch services provided by County hereunder, the County hereby grants permission for the California Department of Corrections and Rehabilitation (CDCR), Division of Adult Parole Operations (DAPO) Region III and the Office of Correctional Safety (OCS), collectively hereinafter called "Region III" to use County Wide Integrated Radio System (CWIRS) Talk Groups, which will be maintained by the Los Angeles County Internal Services Department and will be monitored by the Los Angeles County Sheriff's Department-County Services Bureau (LASD).

2.2 CWIRS will be used by Region III for the purpose of conducting official law enforcement, tactical, special events, emergency business, and sharing of the DAPO Law Enforcement Automated Data System (LEADS) with LASD.

2.3 Region III will have access to CWIRS using M/A-COM 700 PI handheld radios.

2.4 Region III consists of approximately 600 Parole Agents who are Peace Officers as defined in California Penal Code sections 830.5 and 830.2. Region III has parole jurisdiction over the entirety of Los Angeles County.

3.0 GENERAL GUIDELINES

To ensure that the appropriate talk groups are dedicated to an operation when needed, it is essential that strict control be exercised so that other users who have not received clearance do not disrupt approved operations. To this end, the LASD talk groups operate at all times under the command and control of LASD. Authorized LASD talk groups may be used with prior approval of the LASD watch commander. When immediate access to a talk group is required, CDCR shall contact the LASD watch commander via telephone at (213) 974-8000 or via Dispatch 1 talk group module.
4.0 OPERATING PROCEDURE

4.1 Use of the LASD talk group modules shall be for official use only and restricted to those transmissions necessary for communicating with LASD personnel for access to the California Law Enforcement Telecommunications System (CLETS), DAPO Law Enforcement Automated Data System (LEADS), interagency special events coordination, and emergency communications.

4.2 Talk groups to access LASD will be programmed into the Region III radios and LASD dispatch consoles, and any other required modifications, shall be at CDCR's sole expense.

4.2 LASD’s dispatch desk (850D) will monitor Region III talk groups identified under this Agreement and access those talk groups for the purpose of communicating with Region III personnel for tactical, special events, emergency communications. LASD will provide monitoring of Region III talk groups twenty four (24) hours a day, seven days a week, including holidays and weekends.

4.3 Routine radio contact by Region III to LASD shall be initiated on the Region III talk group for routine requests. When a Region III radio unit initiates communication with the LASD dispatch console, the LASD dispatch console will display a Logic Identification Code (LID). The LASD personnel monitoring the LASD dispatch console will handle the request for emergency assistance, requests via CLETS, LEADS, or medical assistance. The LASD’s watch commander or LASD dispatcher may assign Region III units to another module based upon type of operation, availability, or other concurrent operations, and priority.

4.4 Region III hand held radios shall be equipped with the emergency button feature. When depressed, this button shall transmit a signal to the above-mentioned LASD dispatch console and display the Region III LID. It shall be the responsibility of Region III to supply a list of LID assignments to the CWIRS administrator at the Los Angeles County Internal Services Department for input into CWIRS. It shall be the responsibility of the Region III agent requesting assistance to provide the correct information to the LASD dispatcher on the following:

Assistance

- Location addresses or cross streets
- Nature of incident
- Number of units requested
- Agency (s) requested
Fire Equipment / Paramedics / Ambulance

Location addresses or cross streets
Nature of the request
Age of victim
Nature of injuries
Is victim breathing?

4.5 Requests for assistance shall be deemed emergent and broadcasted immediately. The use of plain language is encouraged due to the variations in the radio codes between agencies. LASD’s dispatcher (850D) will use a controlled response and will relay permanent information to the appropriate law enforcement agency in the event of an emergency or call for assistance.

4.6 Region III shall provide LASD dispatchers with access to and training for the DAPO Law Enforcement Automated Data System (LEADS) database. This access will be for official business only. Access and use by LASD personnel must comply with all DAPO rules governing access. It shall be the responsibility of Region III to supply and update those rules to LASD as needed.

4.7 Region III shall provide LASD the names and phone numbers of one Telecommunications liaison and one Gang/Special Events liaison. These two liaisons shall coordinate mutual-aid with LASD.

4.8 Region III shall provide LASD with a Region III personnel roster which will contain the radio identifier and contact numbers for each Region III personnel assigned a hand held radio with CWIRS access. This will enable LASD’s dispatch desk (850D) an additional avenue to make contact with an agent in the field (e.g. an emergency trigger activation wherein the agent does not respond to the radio). The roster shall be maintained and updated monthly by Region III.

4.9 Region III shall provide the LASD’s watch commander with a copy of an Operations Plan for all pre-planned operations wherein LASD’s dispatch desk (850D) will be required to monitor and respond to CWIRS radio traffic generated by Region III personnel.

5.0 SYSTEM TEST

5.1 LASD will conduct periodic scheduled and unscheduled tests on Region III talk groups to verify functionality and report talk group failure to the Los Angeles County Internal Services Department Communications Division.
5.2 Any questions or problems with CWIRS shall be directed to LASD’s Watch Commander at (213) 974-8000.
