The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

Dear Supervisors:

**EIGHT-YEAR LEASE – DEPARTMENT OF MENTAL HEALTH
420 EAST 3rd STREET, LOS ANGELES
(FIRST DISTRICT)
(3 VOTES)**

SUBJECT

A new eight-year lease for 8,526 square feet of office space, and 24 parking spaces for the Department of Mental Health's Skid Row Management Team and Service Area 4 Navigator Teams.

IT IS RECOMMENDED THAT THE BOARD:

1. Consider the Negative Declaration together with the fact that no comments were received during the public review process, find that the project will not have a significant effect on the environment, find that the Negative Declaration reflects the independent judgment of the County of Los Angeles to approve the Negative Declaration, find that the project will have no adverse effect on wildlife resources, adopt the Negative Declaration.
2. Approve and instruct the Chairman to sign the eight-year lease with Little Tokyo Associates, LLC, (Landlord) for the occupancy of 8,526 square feet of office space, and 24 parking spaces located at 420 East 3rd Street, Los Angeles, for the Department of Mental Health, for a maximum first year rental cost of \$283,974, and a maximum one-time tenant improvement reimbursement of \$596,820. The tenant improvement costs will be paid by the Department of Mental Health via a lump sum payment. The rental and related costs are to be fully funded by the Los Angeles County Mental Health Service Act funds.
3. Authorize the Internal Services Department, or the Landlord, at the direction of the Chief Executive Office, to acquire telephone, data, and low voltage systems at a cost not to exceed \$225,500, which

will be paid by the Department of Mental Health via lump sum payment.

4. Authorize the Chief Executive Officer, and Directors of Mental Health and Internal Services to implement the project. The lease will be effective upon approval by the Board, but the term and rent will commence upon completion of the improvements by the Landlord and acceptance by the County.

5. Authorize the Chief Executive Office to exercise the two renewal options by providing 180 days written notice to the Landlord prior to the end of the initial term, or the first option term.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The proposed lease will allow the Department of Mental Health (DMH) to relocate its Skid Row Management Team (SRMT) from 420-G3 South San Pedro Street and the Service Area 4 Navigator Teams (Navigators) from 5000 Sunset Boulevard (Sunset).

Relocation of the SRMT program will allow DMH to ease overcrowding conditions at the Downtown Mental Health Clinic (DMHC) located at 529 South Maple by backfilling the SRMT space with DMHC staff. The SRMT is an administrative component of the Los Angeles County Mental Health Services Act (MHSA). It provides on-going administrative support and a work place for the development of a comprehensive, coordinated network of County-based services in partnership with other public and private partners. SRMT staff initially worked with service providers and community/County collaborators in the Skid Row Area to improve service, coordination, integration, and evaluation of existing programs, as well as the new MHSA programs. In 2010, the function of the SRMT was expanded to include the Hollywood Mental Health Center programs; and in 2013, the Northwest Mental Health Center programs were added.

Relocation of the Navigators will ease overcrowding conditions at the Hollywood Wellness Center Sunset facility. The Navigators are a field-based team serving individuals of all ages. They cover a geographically large diverse area from Boyle Heights to West Hollywood, including the Skid Row area. They engage clients who have a history of multiple and frequent psychiatric hospitalizations, and a history of not following up with outpatient services. Staff works directly with these clients while they are hospitalized to maintain linkage with DMH and community-based programs providing specialized mental health services. This linkage reduces the frequency of hospital care and reduces costs. The proposed location is centrally located to serve the Downtown, Hollywood, and Northeast Mental Health Centers.

The subject facility will be occupied by 24 DMH employees in a multi-tenant, office building.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan Goal of Operational Effectiveness (Goal 1) directs that we maximize the effectiveness of process, structure, and operations to support efficient public services. The proposed lease supports this goal by delivering a facility that supports efficient public services. The space is in conformance with the Asset Management Principles as outlined in Attachment A.

FISCAL IMPACT/FINANCING

The proposed lease will provide DMH the use of 8,526 square feet of office space, and 24 parking spaces at a maximum first year rental cost of \$283,974, or \$33.31 per square foot per month and a

one-time maximum improvement reimbursement of \$616,820, or \$72.35 per square foot. The rental costs consist of two components: office rent and parking costs. Annual office rent is \$253,734, or \$2.48 per square foot per month, and annual parking costs amount to \$30,240, or \$105 per parking space. The Landlord is responsible for all operational and building maintenance costs.

Sufficient funding for the proposed lease is included in the Fiscal Year (FY) 2013-14 Rent Expense budget and will be charged back to DMH. DMH has budgeted sufficient funding in its FY 2013-14 operating budget to cover the projected lease costs, which are funded under the MHSAs funds. Attachment B is an overview of the lease costs.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The proposed lease will provide DMH office space for the SRMT and Navigator Teams. The proposed lease includes the following provisions:

- An eight-year lease term commencing upon completion of the improvements by the Landlord and acceptance by the County.
- A full-service gross lease whereby the Landlord is responsible for the operational costs associated with the County's occupancy.
- A base TI allowance of \$170,520, or \$20 per square foot, included in the base rental rate for improvement of the premises.
- A reimbursable TI allowance of \$554,190, or \$65 per square foot, and a change order allowance of \$42,630. Both will be paid in a lump-sum payment or progress payments.
- A cancellation provision allowing the County to cancel after the 60th month upon 270 days prior written notice from the Chief Executive Office.
- Furniture will be purchased through the additional TI allowance, or by DMH through Internal Services Department (ISD) Purchasing.
- Two five-year options to extend the lease at the same terms and conditions with 180 days prior written notice. Basic rent for each option term shall be adjusted to the current prevailing market rent.
- Fixed annual 3 percent rental increases.

The Chief Executive Office (CEO), Real Estate staff conducted a survey within the project area to determine the availability of comparable and more economical sites. Staff was unable to identify any sites in the survey area that could suitably accommodate this requirement. Based upon said survey, staff has established that the base rental range for similar space and terms is between \$28 and \$42 per square foot per year on a full service gross basis. Thus, the base annual rental rate of \$30 full service gross, for the proposed lease, represents a rate within the market range for the area. In addition, the proposed facility provides a viable space to house DMH's SRMT and Navigators within the service area. Attachment C shows County-owned or leased facilities in the proximity of the service area, and there are no suitable County-owned or leased facilities available for the program.

The facility consists of new construction suitable for County occupancy. Construction of the tenant improvements will be completed in compliance with building codes and the Americans with Disabilities Act.

Notification letters advising of the proposed lease have been sent to the City of Los Angeles pursuant to Government Code Sections 25352 and 65402.

ENVIRONMENTAL DOCUMENTATION

The CEO has made an initial study of environmental factors and has concluded that this project will have no significant impact on the environment, and no adverse effect on the wildlife resources. Accordingly, a Negative Declaration has been prepared, and a notice posted at the site as required by the California Environmental Quality Act and the California Administrative Code, Section 15072. Copies of the completed Study, the resulting Negative Declaration, and the Notice of Preparation of Negative Declaration as posted are attached. No comments to the Negative Declaration were received. A fee must be paid to the State Department of Fish and Game when certain notices are filed with the Registrar-Recorder/County Clerk. The County is exempt from paying this fee when the Board finds that a project will have no impact on wildlife resources.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The proposed lease will provide the necessary office space for this County requirement. DMH concurs with the proposed recommendation.

CONCLUSION

It is requested that the Executive Officer, Board of Supervisors return four originals of the executed lease, two certified copies of the Minute Order and the adopted, stamped Board letter to the CEO, Real Estate Division at 222 South Hill Street, 4th Floor, Los Angeles, CA 90012 for further Processing.

INITIAL STUDY

I. Location and Description of Project

The proposed leased premises are located at 420 East 3rd Street, Los Angeles located in the Second Supervisorial District approximately 1 mile east of the Los Angeles Civic Center and 1 mile south of the 101 Freeway and 3 miles north of the 10 Freeway. (See attached map)

The building to be used is owned by Little Tokyo Associates, LLC and is intended for use as office space. Located at the site are 24 exclusive off-street parking spaces for the County's use and ample public parking located on the surface streets surrounding the area.

This project consists of leasing this facility for 8 years for occupancy by the Department of Mental Health. It is anticipated that an average of 24 employees will be occupying the premises with the maximum employee occupancy anticipated to be 20 per day. In addition to the employees, it is anticipated that an average of 5 members of the public will be visiting the facility, daily, in collaboration with area service providers. No expansion of existing premises will occur for this project and no alterations, except for interior furnishings, will be performed for this project.

II. Compatibility with General Plan

This project site is currently designated as commercial office use in the City of Los Angeles General Plan and zoned LAM2. The proposed project would be consistent with these designations.

III. Environmental Setting

The project site is located in an area of commercial type facilities. The site includes approximately 314,116 square feet of developed property within a 1.16 acre parcel. The site is bordered by Los Angeles Street on the west side, 4th Street on the south side, 2nd Street on the north side, and Central Avenue on the east side.

IV. Identification of Environmental Effects

- A. The impact of the proposed project on existing land forms will be negligible as no reshaping of the soil nor excavation nor foundations, utility lines, sewer lines or water lines will be necessary.
- B. The project will not conflict with adopted environmental plans and goals of the City of Los Angeles.

- C. The project will not have a substantial demonstrable negative aesthetic effect on the site. The existing facility will be continued to be maintained as part of the lease arrangement.
- D. No rare or endangered species of animal or plant or the habitat of the species will be affected by the project. Nor will it interfere substantially with the movement of any resident fish or wildlife species or migratory fish or wildlife species.
- E. The project will not breach published national, state or local standards relating to solid waste or litter control.
- F. Development will not substantially degrade water quality, contaminate water supply, substantially degrade or deplete ground water resources, or interfere substantially with ground water recharge.
- G. There are no known archeological sites existing at the project site.
- H. The proposed project will not induce substantial growth or concentration of population.
- I. The project will not cause a substantial increase to existing traffic. Nor will it affect the carrying capacity of the present street system. This is a government use of private property for public benefit purposes. The County's use is in conformance with uses approved by the City of Los Angeles.
- J. The project will not displace any persons from the site.
- K. The project will not substantially increase the ambient noise levels to adjoining areas. Noise generated by the proposed County use does not exceed that previously experienced in the area when occupied by private tenants.
- L. The proposed developed project will not cause flooding, erosion or siltation.
- M. The project will not expose people or structures to major geologic hazards.
- N. The project will not expend a sewer trunk line. All necessary utilities are available currently to the facility.
- O. No increased energy consumption is anticipated by the County's use of the premises.

- P. The project will not disrupt or divide the physical arrangement of established community; nor will it conflict with established recreational, educational, religious or scientific uses of the area.
- Q. No public health or safety hazard or potential public health or safety hazard will be created by this project.
- R. The project will not violate any ambient air quality standard, contribute substantially to an existing or projected air quality violation, or expose sensitive receptors to substantial pollutant concentrations.

V. Discussions of Ways to Mitigate Significant Effects

The proposed project is not expected to create any significant effects on the environment. To mitigate any effects upon the surrounding community the following measures will be implemented:

- A. None Required.

2. PREMISES

(a) Landlord does hereby lease to Tenant, and Tenant does hereby lease from Landlord, upon the terms and conditions herein set forth, the Premises described in Section 1 and Exhibit A attached hereto.

(b) The parties stipulate that the rentable square footage of the Premises set forth in Section 1.1(k) is correct, and said figure shall be final and binding upon the parties.

3. COMMON AREAS. Tenant may use the following areas ("Common Areas") in common with Landlord and other tenants of the Building: the common area entrances, common area lobbies and other public areas of the Building, walkways, landscaped areas, driveways necessary for access to the Premises, parking areas and other common facilities designated by Landlord from time to time for common use of all tenants of the Building. Tenant shall comply with all reasonable, non-discriminatory rules and regulations regarding the use of the Common Areas established and as may be amended from time to time by Landlord.

4. COMMENCEMENT AND EXPIRATION DATES

(a) Term. The term of this Lease shall commence upon the Commencement Date and terminate on the Termination Date. Within 30 days of determining the Commencement Date, Landlord and Tenant shall acknowledge in writing the Commencement Date by executing the Commencement Date Memorandum and Confirmation of Lease Terms attached as Exhibit C. The Commencement Date shall begin upon Tenant's Acceptance of the Premises. The term "Tenant's Acceptance of the Premises" as used in this Lease shall mean the date upon which the Premises are Substantially Complete (subject to Landlord's Work Letter), Tenant has inspected the Premises and Tenant has accepted the Premises. The term "Substantially Complete" or "Substantial Completion" as used in this Lease shall mean

compliance with all of the following: (1) the shell and core of the Building are complete and in compliance with all applicable laws and codes, and all of the building systems are operational to the extent necessary to service the Premises; (2) Landlord has sufficiently completed all the work required to be performed by Landlord in accordance with the Landlord's Work Letter (the "Landlord's Work"), including the installation of modular furniture systems, if so required (except minor punch list items which Landlord shall thereafter promptly complete), such that Tenant can conduct normal business operations from the Premises; (3) Landlord has obtained a certificate of occupancy for the Building, or a temporary certificate of occupancy for that portion of the Building that includes all of the Premises, or its equivalent; and (4) Tenant has been provided with the number of parking privileges and spaces to which it is entitled under this Lease

(b) Termination Right. If the Commencement Date has not occurred within one hundred twenty (120) days from the Projected Commencement Date, subject to Tenant Delays or Force Majeure Delays as provided in Landlord's Work Letter, which has been executed concurrently herewith, Tenant may thereafter, at any time before the Commencement Date occurs, terminate this Lease effective upon the giving of written notice to Landlord and the parties shall have no further obligations to one another hereunder.

(c) Early Possession. Tenant shall be entitled to possession of the Premises not less than 30 days prior to the Commencement Date for the purpose of installing Tenant's furniture, fixtures and equipment in the Premises. Such early occupancy shall be subject to all provisions hereof but shall not advance the Termination Date, and Tenant shall not pay Basic Rent for such early occupancy period. Tenant shall cooperate with Landlord during such early occupancy period so as not to interfere with the performance of the Landlord's Work. Tenant shall have the right to terminate this Lease at any time after the Early Termination Notice Date, as defined in Section 1, by giving Landlord not less than two hundred seventy (270) days prior written notice executed by the Chief Executive Officer of Tenant.

5. RENT. (a) Tenant shall pay Landlord the Basic Rent, without any deduction or offset, unless otherwise provided for in this Lease, as stated below, during the Term hereof. The first calendar month's Basic Rent shall be due and payable on or before the Commencement Date in the total amount shown in Section 1 (subject to proration, if applicable). Thereafter, a monthly installment in the applicable amount stated in Section 1 above, shall be due and payable without demand on or before the first day of each calendar month after the Commencement Date during the Term. Basic Rent for any partial month shall be prorated in proportion to the number of days in such month. Basic Rent for the Term of the Lease is as follows:

<u>Year</u>	<u>Rate/Square foot</u>	<u>Monthly</u>
1	\$2.48	\$21,144.48
2	\$2.55	\$21,778.81
3	\$2.63	\$22,432.18
4	\$2.71	\$23,105.14
5	\$2.79	\$23,798.30
6	\$2.87	\$24,512.25
7	\$2.96	\$25,247.61
8	\$3.05	\$26,005.04

6. USES. The Premises are to be used only for the uses set forth in Section 1 and for no other business or purpose. Any change in use shall be subject to Landlord's consent in its sole and absolute discretion; provided, however, Landlord shall not unreasonably withhold its consent to a change of use which is materially consistent with the Use as set forth in Section 1(l) above. The parties agree that, notwithstanding other existing uses of the Building, the Premises shall be used only for office and administrative functions of Tenant and shall not be used for patient services (as that term is described below) without the express consent of Tenant, which consent may be given or withheld in its sole and absolute discretion. The term "patient services" as used herein means medical, psychological or therapeutic services, including without limitation: (a) medical or psychological evaluation, screening, testing, treatment or counseling, (b) patient intake or discharge, (c) dispensing of medications or narcotics, by injection or otherwise, (d) patient appointments or visits with any medical professional, or (e) the storage, use or discharge of any toxic or Hazardous Materials (as hereinafter defined), except for normal office and cleaning supplies in reasonable amounts and in strict compliance with Applicable Laws (as defined in Section 8 below).

7. Holdover. If Tenant remains in possession of the Premises or any part thereof after the expiration of the Term of this Lease, such occupancy shall be a month-to-month tenancy which is terminable only upon 60 days written notice from Landlord or 30 days written notice from the Chief Executive Officer of Tenant at the last monthly Basic Rent payable under this Lease (as such Basic Rent may be adjusted from time to time in accordance with this Lease, i.e., increased at the rate of three percent (3%) per annum) plus all other charges payable under this Lease, and subject to all of the terms, covenants and conditions of this Lease.

8. COMPLIANCE WITH LAW. Tenant shall, at Tenant's expense, comply promptly with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect during the term hereof, regulating the use, occupancy or improvement of the Premises by Tenant. Landlord, not Tenant, shall, at its sole cost, at all times cause the Premises and the Building to comply with all applicable statutes, ordinances, rules, regulations, orders and requirements in effect and binding upon Tenant or Landlord during the term hereof, including without limitation, the Americans with Disabilities Act, except to the extent such compliance is made necessary as a result of Tenant's particular use of or alterations or improvements to the Premises. For purposes of Section 1938 of the California Civil Code, Landlord hereby discloses to Tenant, and Tenant hereby acknowledges, that the Premises have not undergone inspection by a Certified Access Specialist (CAsp).

9. DAMAGE OR DESTRUCTION.

(a) Damage. In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises may be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days, then Landlord shall promptly, at Landlord's expense, repair such damage and this Lease shall continue in full force and effect. If all or any portion of the Premises shall be made untenable by fire or other casualty, Landlord shall immediately secure the area to prevent injury to persons and/or vandalism to the improvements. Landlord shall promptly, but in any event within ten (10) days, cause an architect or general contractor selected by Landlord to provide Landlord and

Tenant with a written estimate of the amount of time required to substantially complete the repair and restoration of the Premises and make the Premises tenantable again using standard working methods. The failure to do so shall be a material default hereunder, following notice and the expiration of applicable cure period(s) under Section 14 below. Basic Rent shall abate to the extent that the Premises are unusable by Tenant. Tenant waives the provisions of California Civil Code Sections 1932(2) and 1933(4) with respect to any partial or total destruction of the Premises.

(b) Tenant Termination Right. In the event any portion of the Premises is damaged by fire or any other cause rendering the Premises totally or partially inaccessible or unusable and the Premises will not be restored to a complete architectural unit of the same value, condition and character that existed immediately prior to such casualty in less than 180 days for any reason, then Tenant may terminate this Lease by giving written notice within ten days after notice from Landlord specifying such time period of repair; and this Lease shall terminate and the Basic Rent shall be abated from the date the Premises became untenable. In the event that Tenant does not elect to terminate this Lease, Landlord shall promptly commence and diligently prosecute to completion the repairs to the Building or Premises.

(c) Landlord's Termination Right. Notwithstanding the terms of Section 8(a) and (b) of this Lease, Landlord may elect not to rebuild or restore the Premises and/or Buildings, and instead terminate this Lease, by notifying Tenant in writing of such termination within sixty (60) days after the date of discovery of the damage, such notice to include a termination date giving Tenant sixty (60) days to vacate the Premises, but Landlord may elect to do so only if the Buildings are damaged by fire or other casualty or cause, whether or not the Premises are affected, and one or more of the following conditions exists: (i) the holder of any mortgage on the Buildings or ground lessor with respect to the Buildings shall either require that the insurance proceeds or any portion thereof be used to retire the mortgage debt, or require that the ground lease be terminated, as the case may be; or (ii) the damage is not fully covered by Landlord's insurance policies.

(d) Damage In Last Year. Notwithstanding the foregoing provisions, if any material destruction to the Premises occurs during the last year of the Term, either Landlord or Tenant may terminate this Lease by giving notice to the other not more than thirty (30) days after such destruction, in which case (a) Landlord shall have no obligation to restore the Premises, (b) Landlord may retain all insurance proceeds relating to such destruction, and (c) this Lease shall terminate as of the date which is 30 days after such written notice of termination.

(e) Default By Landlord. If Landlord is required to repair and restore the Premises as provided for in this Section and Landlord should fail to thereafter pursue said repair and restoration work with reasonable diligence to completion, Tenant may (a) declare a default hereunder, or (b) perform or cause to be performed the restoration work and deduct the cost thereof plus interest thereon at ten percent (10%) per annum, from the Basic Rent next due as a charge against the Landlord.

10. REPAIRS AND MAINTENANCE.

(a) Delivery Condition. Upon delivery of the Premises to Tenant, (i) the Premises, the Building and all Common Areas, (including electrical, heating, ventilating and

air conditioning ("HVAC"), mechanical, plumbing, gas and fire/life safety systems in the Building and similar building service systems) shall comply with all current laws, codes, and ordinances, including use the Americans With Disabilities Act; and shall be in reasonable good working order and condition; (ii) the Building and Premises shall comply with all covenants, conditions, restrictions and underwriter's requirements; (iii) the Premises, Building and Common Areas shall be free of the presence of any Hazardous Materials (as hereinafter defined); and (iv) Landlord shall not have received any notice from any governmental agency that the Building or the Premises are in violation of any law or regulation. Landlord represents, based upon a professional inspection of the Premises and the Building and the Asbestos Report that the Premises and the Building contain no asbestos containing materials (other than as may be reflected in the Asbestos Report). Landlord shall, prior to Tenant's occupancy, abate, at Landlord's sole cost and expense, all asbestos containing materials to the extent required by law and provide Tenant with an updated report from a licensed California Asbestos contractor to that effect.

(b) Landlord Obligations. Landlord shall keep and maintain in good repair and working order and promptly make repairs to and perform maintenance upon and replace as needed: (i) the structural elements of the Building, including without limitation, all permanent exterior and interior walls, floors and ceilings, roof, concealed plumbing, stairways, concealed electrical systems and telephone intrabuilding network cable, (ii) mechanical (including HVAC), electrical, plumbing and fire/life safety systems serving the Building (iii) the Common Areas; (iv) exterior windows of the Building; and (v) elevators serving the Building. Landlord, at its sole cost and expense, shall also perform all maintenance and repairs to the Premises, and shall keep the Premises in good condition and repair, reasonable wear and tear excepted. Landlord's repair obligations include, without limitation, repairs to: (1) the floor covering (if such floor covering is carpeting it shall be replaced as needed, but not more often once every five years of use); (2) interior partitions; (3) doors; (4) the interior side of demising walls (which shall be repainted as needed but not less often than every five years); and (5) signage. Notwithstanding the foregoing, to the extent any of the foregoing repairs to be made by Landlord are required due to damage caused by the negligence, acts or omissions of Tenant, its employees, agents, invitees or visitors, Tenant shall pay the cost of such repairs.

(c) Tenant Obligations. Without limiting Landlord's Obligations, Tenant shall, at Tenant's sole expense, be responsible for the cost of repairing any area damaged by Tenant or Tenant's agents, employees, invitees and visitors and the repair of low voltage electronic, phone and data cabling and related equipment that is installed by or for the exclusive benefit of Tenant. All repairs and replacements shall: (a) be made and performed by contractors or mechanics approved by Tenant and Landlord, which consent shall not be unreasonably withheld or delayed; (b) be at least equal in quality, value and utility to the original work or installation; and (c) be in accordance with all laws.

(d) Tenant's Right to Repair. If Tenant provides written notice (or oral notice in the event of an emergency such as damage or destruction to or of any portion of the Building structure and/or the Building systems and/or anything that could cause material disruption to Tenant's business) to Landlord of an event or circumstance which requires the action of Landlord with respect to repair and/or maintenance necessary within the Premises, and Landlord fails to provide such action within a reasonable period of time, given the circumstances, after the giving of such notice, but in any event not later than five business days after the giving of such notice, then Tenant may proceed to take the required action (provided, however, that no such notice shall be required in the event of an emergency which threatens life or where there is a material

imminent danger to property or a possibility that a failure to take immediate action could cause a material disruption in Tenant's normal and customary business activities). Tenant shall have access to the Building to the extent necessary to perform the work contemplated by this provision. If such action was required under the terms of this Lease to have been taken by Landlord and was not taken by Landlord within such period (unless such notices were not required as provided above), and Tenant took such required action, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in having taken such action plus interest thereon at ten percent (10%) per annum. If Tenant is not reimbursed by Landlord within twenty (20) days following Tenant's delivery of a detailed invoice to Landlord, Tenant shall, upon prior written notice to Landlord, be entitled to deduct from Basic Rent payable by Tenant under this Lease the amount set forth in its invoice for such work. The remedies provided in this Section are in addition to the remedies provided in Section 14.

11. SERVICES AND UTILITIES.

Landlord shall furnish the following services and utilities to the Premises:

(a) Heating, Ventilation and Air Conditioning. Landlord shall furnish heating, ventilation and air conditioning ("HVAC"), during Normal Working Hours in amounts required for the use and occupancy of the Premises for normal office purposes to a standard comparable to other comparable buildings and not less than the standard set forth in Exhibit D attached hereto.

(b) Electricity. Landlord shall furnish to the Premises the amount of electric current provided for in the Working Drawings (if applicable) but in any event not less than seven watts of electric current (connected load) per square foot of Rentable Square Feet in the Premises, for power and lighting and electric current for HVAC, and Landlord shall provide the existing or new transformers or subpanels on each floor of the Premises necessary for Tenant to utilize such capacity in the Premises.

(c) Elevators. Landlord shall furnish freight and passenger elevator services to the Premises during Normal Working Hours. During all other hours, Landlord shall furnish passenger elevator cab service in the elevator bank serving the Premises on an as needed basis, and, by prior arrangement with Landlord's building manager, freight elevator service.

(d) Water. Landlord shall make available water for normal lavatory and potable water meeting all applicable governmental standards for drinking purposes in the Premises.

(e) Janitorial. Landlord shall provide janitorial service on five (5) nights per week generally consistent with that furnished in comparable office buildings in the County of Los Angeles, but not less than the services set forth in the specifications set forth in Exhibit E attached hereto.

(f) Access. Landlord shall furnish to Tenant's employees and agents access to the Building, Premises and Common Areas on a seven day per week, 24 hour per day basis, subject to compliance with such reasonable security measures as shall from time to time be in effect for the Building.

12. LANDLORD ACCESS. Tenant shall permit Landlord and its agents to enter the Premises upon prior written notice for the purpose of inspecting the Premises for any reasonable

purpose. If Landlord temporarily closes any portion of the Building or Premises, Basic Rent shall be prorated based upon the percentage of the Premises or Building rendered untenable and not used by Tenant. Landlord shall have the right at any and all times to enter the Premises in the event of an emergency.

13. TENANT DEFAULT.

(a) Default. The occurrence of any one or more of the following events (a "Tenant Default") shall constitute a material default and breach of this Lease by Tenant:

(i) The failure by Tenant to make any payment of Basic Rent or any other payment required to be made by Tenant hereunder (except to the extent an offset is expressly permitted hereunder), as and when due and if the failure continues for a period of ten days after written notice to Tenant;

(ii) The failure by Tenant to observe or perform any of the other covenants, conditions or provisions of this Lease, where such failure shall continue for a period of 30 days after written notice from Landlord specifying in detail the nature of the Tenant Default; provided, however, if more than 30 days are reasonably required for its cure then Tenant shall not be deemed to be in default if Tenant commences such cure within said 30-day period and thereafter diligently prosecutes such cure to completion.

(b) Termination. Tenant agrees that if a Tenant Default should occur and should not be cured within the time periods set forth above, it shall be lawful for Landlord to terminate this Lease upon the giving of written notice to Tenant. In addition thereto, Landlord shall have such other rights or remedies as may be provided by law or in equity, including without limitation, the rights and remedies provided under California Civil Code Sections 1951.2 and 1951.4 (Landlord may continue this Lease in effect after Tenant's breach and abandonment and recover rent as it becomes due, if Tenant has the right to sublet or assign, subject only to reasonable limitations.

(c) No Effect on Indemnity. Nothing in this Article shall be deemed to affect either Landlord or Tenant's right to indemnification under any indemnification clause or clauses set forth in this Lease.

14. LANDLORD DEFAULT.

(a) Remedies. In addition to the provisions for Landlord's default provided by Sections 9(d), 10(c) 19 and 20(b), Landlord shall be in default ("Landlord Default") in the performance of any obligation required to be performed by Landlord under this Lease if Landlord has failed to perform such obligation within ten (10) days after the giving of written notice with respect thereto by Tenant (which notice shall be, if appropriate, the same notice given under Section 10(c)); provided, however, that if the nature of the Landlord Default is such that the same cannot reasonably be cured within such ten (10) day period, Landlord shall not be deemed to be in Landlord Default if Landlord shall within such period commence such cure and thereafter diligently prosecute the same to completion. If the Landlord Default is of such a nature that it materially and substantially interferes with Tenant's occupancy and use of the Premises and if such Landlord Default is not cured within the foregoing cure period, then Tenant shall have the right, at its option, with or without further notice or demand of any kind to Landlord or any other person, to any one or more of the following described remedies in addition to all other rights and remedies provided at law or in equity or elsewhere herein: (i) to remedy

such default or breach and deduct the costs thereof (including but not limited to attorneys' fees) plus interest at the rate of ten (10%) per annum from the installments of Basic Rent next falling due; (ii) to pursue the remedy of specific performance; (iii) to seek money damages for loss arising from Landlord's failure to discharge its obligations under this Lease or offset such damages against Basic Rent next coming due.

(b) Waiver. Nothing herein contained shall relieve Landlord from its duty to effect the repair, replacement, correction or maintenance required to restore any affected services, or to perform any other obligations to the standard prescribed in this Lease, nor shall this Section be construed to obligate Tenant to undertake any such work.

(c) Emergency. Notwithstanding the foregoing cure period, Tenant may cure any default without notice where the failure promptly to cure such default would, in the reasonable opinion of Tenant, create or allow to persist an emergency condition or materially and adversely affect the operation of Tenant's business in the Premises.

15. ASSIGNMENT AND SUBLETTING. Tenant shall not assign, mortgage, encumber or otherwise transfer this Lease or sublet the whole or any part of the Premises without first obtaining Landlord's prior consent, and no such assignment, subletting or other transfer shall relieve Tenant of any liability under this Lease unless Landlord has given its written consent thereto, which Landlord shall not unreasonably withhold if (i) such assignee expressly assumes all obligations of Tenant under this Lease, and (ii) there is no change in use from that set forth in Sections 1.1(l) and (iii) the assignee has a financial condition which is reasonably sufficient, in Landlord's judgment, for it to be responsible for all future obligations under this Lease.

16. ALTERATIONS AND ADDITIONS.

(a) Landlord Consent. Tenant shall not make any alterations, improvements, additions, or utility installations in or about the Premises (collectively, "Alterations") without first obtaining the prior written consent of Landlord, which consent shall not be unreasonably withheld, conditioned or delayed, unless such Alteration adversely affects the structural portions or the systems or equipment of the Building or is visible from the exterior of the Building. However, Landlord's consent shall not be required for any Alteration that satisfies all of the following criteria: (1) complies with all Laws; (2) is not visible from the exterior of the Premises or Building; (3) will not materially affect the systems or structure of the Building; (4) does not unreasonably interfere with the normal and customary business office operations of other tenants in the Building; and Tenant provides Landlord with thirty (30) days' prior written notice of such Alterations. If Landlord fails to respond in writing within 30 days of a request for approval of an Alteration, Landlord shall be deemed to approve the Alterations.

(b) End of Term. Any Alterations not removed by Tenant shall become the property of Landlord and remain upon and be surrendered with the Premises at the expiration of the Term.

17. CONDEMNATION.

(a) Controlling Terms. If during the Term, or during the period of time between the execution of this Lease and the Commencement Date, there is any taking of all or any part

of the Premises or any interest in this Lease by Condemnation (as defined below), this Section shall determine the rights and obligations of Tenant and Landlord. "Condemnation" shall mean the exercise of any governmental power to take title to any portion of the Premises, whether by legal proceedings or otherwise, by a Condemnor (as defined below) or a voluntary sale or transfer by Landlord to any Condemnor, either under threat of a Condemnor's exercise of such power or while legal proceedings are pending for the exercise of such power. "Condemnor" shall mean any public or quasi-public authority, or private corporation or individual, having the power of Condemnation.

(b) Total Taking. If the Premises are totally taken by Condemnation, this Lease shall terminate on the date the Condemnor has a right to possession of the Premises (the "Date of Taking").

(c) Partial Taking. If any portion, but not all, of the Premises is taken by Condemnation, this Lease shall remain in effect, except that Tenant may elect to terminate this Lease if, in Tenant's reasonable judgment, the remaining portion of the Premises (including the space available for parking) is rendered unsuitable for Tenant's continued use of the Premises. If Tenant elects to so terminate this Lease, Tenant must exercise its right to terminate by giving notice to Landlord within 30 days after the date that the nature and the extent of the Condemnation have been determined (the "Determination Date"), which notice shall set forth the date of termination. Such termination date shall not be earlier than 30 days nor later than 90 days after Tenant has notified Landlord of its election to terminate; except that this Lease shall terminate on the Date of Taking if the Date of Taking falls on a date before the date of termination as designated by Tenant. If Tenant does not so notify Landlord within 30 days after the Determination Date, all obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated.

(d) Restoration. Notwithstanding the preceding paragraph, if, within 30 days after the Determination Date, Landlord notifies Tenant that Landlord at its cost will add to the remaining Premises so that the area of the Premises and the space available for parking, will be substantially the same after the Date of Taking as they were before the Date of Taking, and Landlord commences the restoration promptly and, subject to reasonable allowance for delays that are not caused by Landlord, completes it within 90 days after Landlord so notifies Tenant, this Lease shall continue in effect. All obligations of Tenant under this Lease shall remain in effect, except that Basic Rent shall be equitably abated or reduced during the period from the Date of Taking until the completion of such restoration.

(e) Award. The Award (as defined below) shall be divided between Landlord and Tenant as their respective interests may appear. "Award" shall mean all compensation, sums or anything of value awarded, paid or received on a total or partial Condemnation of the Premises.

(f) Waiver of Statute. Landlord and Tenant hereby waive the provision of California Code of Civil Procedure Section 1265.130 allowing Landlord or Tenant to petition the superior court to terminate this Lease in the event of a partial taking of the Premises.

18. INDEMNIFICATION.

(a) Tenant's Indemnity. Tenant shall indemnify, defend and hold Landlord harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Tenant or its officers, contractors, licensees, agents, employees, guests, or visitors, or arising from any breach or default under this Lease by Tenant. The foregoing provisions shall not be construed to make Tenant responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees or invitees. Nothing in this Lease shall be construed to waive, limit, or supersede any of Tenant's rights or immunities under the California Labor Code, including but not limited to a waiver pursuant to section 3864 of the Labor Code.

(b) Landlord's Indemnity. Landlord shall indemnify, defend and hold Tenant harmless from and against all loss, cost and expense, including attorneys' fees, arising from any injury or damage to any person or property, occurring in or about the Building or Premises as a result of any negligent act, omission or willful misconduct of Landlord, or its officers, contractors, licensees, agents, employees, guests, or visitors, or arising from any breach or default under this Lease by Landlord. The foregoing provisions shall not be construed to make Landlord responsible for loss, damage, liability or expense resulting from injuries to third parties caused by the negligence or willful misconduct of Tenant, or its officers, contractors, licensees, agents, employees or invitees.

19. INSURANCE.

(a) Landlord's Insurance. During the term of this Lease, Landlord shall maintain the following insurance:

(i) Commercial property insurance which shall (1) cover damage to Landlord's property, including improvements and betterments, from perils covered by the causes-of-loss special form (ISO form CP 10 30), and include ordinance or law coverage (and coverage against acts of terrorism to the extent such coverage is reasonably available and priced at commercially reasonable rates); and (2) be written for full replacement cost of the property, with a deductible of no greater than 5% of the property value. Landlord shall carry insurance on any furniture and furnishings which will become the property of Tenant at the expiration of the Term and on all modular furniture installed in the Premises. Insurance proceeds shall be payable to Landlord and Tenant as their interests may appear and be utilized for repair and restoration of the Premises.

(ii) General liability insurance (written on ISO policy form CG 00 01 or its equivalent) with limits of not less than the following: (1) per occurrence and general aggregate amount of \$5,000,000; (2) products/completed operations aggregate of \$2,000,000; and (3) personal and advertising injury of \$1,000,000.

(iii) Failure by Landlord to maintain the insurance required by this Section and deliver evidence thereof as required by this Lease or to use any insurance proceeds to timely repair and restore the Premises shall constitute a material breach of this Lease.

(b) Tenant's Insurance. Tenant shall maintain, at Tenant's own cost throughout the Term: (i) commercial general liability insurance in the same amounts and with the same limits as required to be carried by Landlord under Section 19(a)(ii), and (ii) a policy of standard fire and extended coverage insurance on Tenant's personal property, which shall provide coverage of one hundred percent (100%) of the full replacement value.

(c) At the sole option of the Tenant, it may self-insure by self-funding any or all of its insurance obligation required under this Lease. It is understood that if Tenant elects to self-insure as permitted above, Landlord shall have the same benefits and protections as if Tenant carried insurance with a third party insurance company satisfying the requirements of this Lease, including without limitation, the waiver of subrogation provisions of paragraph 19(f) hereof, and such self-insurance shall not limit Tenant's indemnification obligations set forth in paragraph 18(a) hereof.

(d) Insurance Requirements. All insurance policies required to be maintained by Landlord or Tenant under this Lease shall be issued by insurance companies which have a Best's Rating of "AVII" or better and which are qualified to do business in the State of California. All liability and property damage and other casualty policies of Landlord shall be written as primary policies, not contributing with, and not in excess of coverage which Tenant may carry.

(e) Certificates. Landlord shall deliver to Tenant, and Tenant shall deliver to Landlord, as the case may be, on the Commencement Date of this Lease and thereafter at least fifteen (15) days prior to expiration of any insurance required to be carried hereunder, certificates of insurance evidencing the foregoing coverage, as applicable, to each party, with limits not less than those specified above. Certificates shall include the address of the leased premises and must document that each party has named the other as an additional insured (or its equivalent) on its general liability and property insurance policy, and that Tenant has been named a loss payee on Landlord's commercial property insurance policy, as required. Further, all certificates shall expressly provide that no less than 30 days' prior written notice shall be given to Tenant in the event of material change to, expiration or cancellation of the coverages or policies evidenced by the certificates.

(f) Waiver of Subrogation. Landlord and Tenant each hereby waive their rights of subrogation against one another to the extent it is covered by the property insurance policies carried or required to be carried hereunder. Landlord shall cause its insurance carriers to consent to the foregoing waiver of rights of subrogation against Tenant.

20. PARKING.

(a) Tenant's Rights. Tenant shall have the right to lease the number of unreserved parking stalls on levels 3, 4 and 5 set forth in Section 1.1(i) at the rates set forth therein, without charge for the Term of this Lease. No tandem parking shall be permitted and Tenant shall be entitled to full in/out privileges. Tenant's parking rights shall be subject to reasonable parking rules and regulations adopted by Landlord from time to time, provided that such procedures shall be uniformly applied to all tenants. Tenant acknowledges that all other unreserved parking spaces are not for the exclusive use of Tenant, rather, all such parking spaces are to be used on a non-exclusive, first-come, first-served basis by Tenant and other tenants, occupants, licensees, invitees and permittees of the Building.

(b) Remedies. Landlord acknowledges that it is a material term of this Lease that Tenant receive all of the Parking Spaces to which it is entitled under this Lease for the entire Term of this Lease and that it would be impracticable and extremely difficult to fix the

actual damages for a breach of such provisions. It is therefore agreed that if, for any reason whatsoever, a material number of the Parking Spaces then leased by Tenant pursuant to Section 20(a) above are not available to Tenant, (in addition to the rights given to Tenant under Section 14 and Sections 9 and 17 in the event of casualty or condemnation) Tenant may, upon ten (10) days' notice to Landlord deduct from the Basic Rent thereafter accruing hereunder an amount each month equal to the Basic Rent times the percentage of Parking Spaces not so provided times 1.5 but such deduction from Basic Rent shall be not less than ten percent (10%) nor more than one hundred percent (100%), unless Landlord shall remedy the parking shortage within such 10-day notice period.

21. ENVIRONMENTAL MATTERS

(a) Hazardous Materials. Tenant shall not cause nor permit, nor allow any of Tenant's employees, agents, customers, visitors, invitees, licensees, contractors, assignees or subtenants to cause or permit, any Hazardous Materials to be brought upon, stored, manufactured, generated, blended, handled, recycled, treated, disposed or used on, under or about the Premises, the Building or the Common Areas, except for routine office and janitorial supplies in usual and customary quantities stored, used and disposed of in accordance with all applicable Environmental Laws. As used herein, "Hazardous Materials" means any chemical, substance, material, controlled substance, object, condition, waste, living organism or combination thereof (excluding any office or household cleaners and chemicals commonly used to maintain the Premises or Building, and any chemicals or substances routinely used for office operations, such as printer or copier toner), whether solid, semi solid, liquid or gaseous, which is or may be hazardous to human health or safety or to the environment due to its radioactivity, ignitability, corrosivity, reactivity, explosivity, toxicity, carcinogenicity, mutagenicity, phytotoxicity, infectiousness or other harmful or potentially harmful properties or effects, including, without limitation, molds, toxic levels of bacteria, tobacco smoke within the Premises, petroleum and petroleum products, asbestos, radon, polychlorinated biphenyls (PCBs), refrigerants (including those substances defined in the Environmental Protection Agency's "Refrigerant Recycling Rule," as amended from time to time) and all of those chemicals, substances, materials, controlled substances, objects, conditions, wastes, living organisms or combinations thereof which are now or become in the future listed, defined or regulated in any manner by any Environmental Law based upon, directly or indirectly, such properties or effects. As used herein, "Environmental Laws" means any and all federal, state or local environmental, health and/or safety-related laws, regulations, standards, decisions of courts, ordinances, rules, codes, orders, decrees, directives, guidelines, permits or permit conditions, currently existing and as amended, enacted, issued or adopted in the future which are or become applicable to Tenant, the Premises, the Building or the Common Areas.

(b) Landlord Indemnity. Landlord shall indemnify, protect, defend (by counsel acceptable to Tenant) and hold harmless Tenant from and against any and all claims, judgments, causes of action, damage, penalties, fine, taxes, costs, liabilities, losses and expenses arising at any time during or after the Term as a result (directly or indirectly) of or in connection with the presence of Hazardous Materials on, under or about the Premises, Building or Common Areas violation of laws relating to Hazardous Materials caused by Landlord. This indemnity shall include, without limitation, the cost of any required or necessary repair, cleanup or detoxification, and the preparation and implementation of any closure, monitoring

or other required plans, to the extent such action is required by local or state laws or any governmental agency. Landlord shall promptly deliver to Tenant a copy of any notice received from any governmental agency during the Term of this Lease concerning the presence of Hazardous Materials in the Building or the Premises. Landlord's obligations pursuant to the foregoing indemnity shall survive the expiration or termination of this Lease. A default by Landlord under this Section shall constitute a material default under this Lease.

22. ESTOPPEL CERTIFICATES. Tenant shall, within 30 days after written request of Landlord, execute, acknowledge and deliver to Landlord or its designee a written statement in the form of Document II in the Supplemental Lease Documents delivered to Landlord concurrently herewith (properly completed) but shall have no other obligation to deliver any other form of estoppel certificate. It is intended that any such statement delivered pursuant to this Section may be relied upon by a prospective purchaser of Landlord's interest or holder of any mortgage upon Landlord's interest in the Premises.

23. TENANT IMPROVEMENTS. Landlord shall construct the Tenant Improvements in the manner set forth in the Landlord's Work Letter executed by Landlord and Tenant concurrently herewith.

24. LIENS. Tenant shall keep its interest in this Lease and the Premises free from any liens arising out of any work performed or materials ordered or obligations incurred by Tenant. Landlord shall keep its interest in this Lease and the Premises free from any liens which would impair the interest of Tenant hereunder and hereby indemnifies and holds Tenant harmless from any liability or loss from any such lien.

25. SUBORDINATION AND MORTGAGES

(a) Subordination and Non-Disturbance. Tenant agrees, at Landlord's option, to subordinate this Lease to the lien of any mortgages or deeds of trust now or hereafter in force against the Building; provided, however, Tenant's obligation to subordinate this Lease is expressly conditioned upon Tenant receiving a written agreement in the form of Document I in the Supplemental Lease Documents delivered to Landlord concurrently herewith and provided further that no such subordination shall affect any option to extend the Term of this Lease, right of first offer to lease additional premises, option to purchase or right of first offer to purchase the Property which may be included herein.

(b) Existing Deeds of Trust. The beneficiary under any existing deed of trust affecting the Building shall provide a written agreement to Tenant in the form of Document I in the Supplemental Lease Documents delivered to Landlord concurrently herewith within 30 days after the execution of this Lease.

(c) Request for Notice. Landlord acknowledges that Tenant intends to record a Request for Notice with respect to any mortgages or deeds of trust affecting the Property in the form of Document V in the Supplemental Lease Documents delivered to Landlord concurrently herewith.

(d) Notice of Default. If any mortgagee or beneficiary under a deed of trust affecting the Property gives written notice of its name and address to Tenant by registered mail

requesting any such notice with reference to this Section, Tenant agrees to use its best efforts (but without liability for failure to do so) to give such mortgagee a copy of any notice of default served upon Landlord hereunder which could permit Tenant to terminate this Lease and an additional ten (10) days within which to cure such default.

26. SURRENDER OF POSSESSION. Subject to casualty, at the expiration of the Term of this Lease, whether by lapse of time or otherwise, Tenant shall: (a) promptly and peacefully surrender the Premises to Landlord in a "broom-clean" condition, and (b) shall remove, at its own expense, all fixtures, equipment and all other personal property placed or installed in or upon the Premises by Tenant, or under its authority (including any modular furniture).

27. SIGNAGE. Subject to Landlord's prior written consent, Tenant shall be permitted to install at the Premises reasonably appropriate signs that conform with any and all applicable laws and ordinances.

28. QUIET ENJOYMENT. So long as Tenant is not in default hereunder, Tenant shall have the right to the quiet and peaceful enjoyment and possession of the Premises and the Common Areas during the Term of this Lease, subject to the terms and conditions of this Lease.

29. GENERAL

(a) Headings. Titles to Sections of this Lease are not a part of this Lease and shall have no effect upon the construction or interpretation of any part hereof.

(b) Successors and Assigns. All of the covenants, agreements, terms and conditions contained in this Lease shall inure to and be binding upon the Landlord and Tenant and their respective successors and assigns.

(c) Brokers. Landlord and Tenant each represent and warrant to each other that it has not engaged any broker, finder or other person who would be entitled to any commission or fees in respect of the negotiation, execution or delivery of this Lease, other than Eugene F. Page of Lindom Company, and shall indemnify and hold harmless each other against any loss, cost, liability or expense incurred by the other party as a result of any claim asserted by any such broker, finder or other person on the basis of any arrangements or agreements made or alleged to have been made in variance with this representation. Tenant shall receive from Landlord or Landlord's broker, within ten (10) days after the execution of this Lease, an amount equal to 50% of all commissions due to Landlord's broker as a result of the execution of this Lease

(d) Entire Agreement. This Lease (and the Landlord's Work Letter and Supplemental Lease Documents) is the final and complete expression of Landlord and Tenant relating in any manner to the leasing, use and occupancy of the Premises, to Tenant's use of the Building and other matters set forth in this Lease. No prior agreements or understanding pertaining to the same shall be valid or of any force or effect and the covenants and agreements of this Lease shall not be altered, modified or added to except in writing signed by both Landlord and Tenant.

(e) Severability. Any provision of this Lease which shall prove to be invalid, void or illegal shall in no way affect, impair or invalidate any other provision hereof and the remaining provisions hereof shall nevertheless remain in full force and effect.

(f) Notices. All notices and communications to any party hereunder shall be in writing and shall be deemed properly given if delivered personally, sent by registered or certified mail, postage prepaid, or by a recognized overnight commercial messenger providing proof of

delivery, facsimile (electronically confirmed) to Landlord's Address for Notice and Tenant's Address for Notice as set forth in Section 1. Any notice so given shall be deemed to have been given as of the date of delivery (whether accepted or refused) established by U.S. Post Office return receipt or the overnight carrier's proof of delivery, as the case may be. Any such notice not so given shall be deemed given upon receipt of the same by the party to whom the same is to be given.

(g) Governing Law and Forum. This Lease shall be governed by and construed in accordance with the internal laws of the State of California. Any litigation with respect to this Lease shall be conducted in the County of Los Angeles, State of California.

(h) Waivers. No waiver by Landlord or Tenant of any provision hereof shall be deemed a waiver of any other provision hereof or of any subsequent breach by Landlord or Tenant of the same or any other provision. Landlord's or Tenant's consent to or approval of any act shall not be deemed to render unnecessary the obtaining of Landlord's or Tenant's consent to or approval of any subsequent act by Landlord or Tenant.

(i) Time of Essence. Time is of the essence for the performance of all of the obligations specified hereunder.

(j) Consent. Whenever any consent is required by Landlord or Tenant hereunder, such consent shall not be unreasonably withheld, conditioned or delayed and, unless otherwise specifically provided herein, shall be deemed granted if not refused within ten (10) days after written request is made therefore, together with all necessary information.

(k) Community Business Enterprises. Landlord shall complete and deliver to Tenant concurrently with the execution hereof a Community Business Enterprises form set forth as Document III in the Supplemental Lease Documents delivered to Landlord concurrently herewith.

(l) Memorandum of Lease. If requested by Tenant, Landlord and Tenant shall execute and acknowledge a Memorandum of Lease in the form of Document IV in the Supplemental Lease Documents delivered to Landlord concurrently herewith, which Memorandum may be recorded by Tenant in the Official Records of Los Angeles County.

30. AUTHORITY. Only the Board of Supervisors has the authority, by formally approving and/or executing this Lease, to bind the County to the terms included herein. Each individual executing this Lease on behalf of Tenant represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Tenant, and that this Lease is binding upon Tenant in accordance with its terms. Landlord understands that no material terms of this Lease may be altered or deleted, nor may any new material terms be added to this Lease, without the express written approval of the Board of Supervisors, either through an amendment to the Lease or by other formal board action. No County officer, employee, agent or independent contractor has any authority to alter, add or delete the material terms of this Lease and Landlord may not rely upon any representations to the contrary. This limitation of authority applies to all material terms of the Lease including, without limitation, any monetary ceiling established for Tenant Improvements or other project costs of Landlord which are subject to reimbursement by County. County shall not reimburse Landlord for any expenses which exceed this ceiling. Notwithstanding the foregoing, the Chief Executive Officer of the County or its delegee (the "Chief Executive Officer") may take any administrative act on behalf of Tenant hereunder which does not have the effect of increasing Basic Rent or other financial obligations of Tenant under this Lease, including without limitation, granting any approvals, terminating this Lease in the

manner provided herein by an Early Termination Notice or otherwise, signing estoppel certificates, signing the Commencement Date Memorandum and Confirmation of Lease Terms or subordinating this Lease. Each individual executing this Lease on behalf of Landlord represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of Landlord, and that this Lease is binding upon Landlord in accordance with its terms.

31. ACKNOWLEDGMENT BY LANDLORD

Landlord acknowledges that it is aware of the following provisions:

(a) Consideration of GAIN Program Participants. Should Landlord require additional or replacement personnel after the effective date of this Lease, Landlord shall give consideration for any such employment, openings to participants in the County Department of Public Social Services' Greater Avenues for Independence ("GAIN") Program who meet Landlord's minimum qualifications for the open position. The County will refer GAIN participants by job category to Landlord.

(b) Solicitation of Consideration. It is improper for any County officer, employee or agent to solicit consideration in any form from a landlord with the implication, suggestion or statement that the landlord's provision of the consideration may secure more favorable treatment for the landlord in the award of the Lease or that landlord's failure to provide such consideration may negatively affect the County's consideration of the landlord's offer to lease. A landlord shall not offer or give, either directly or through an intermediary, consideration in any form to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of the Lease.

Landlord shall immediately report any attempt by a County officer, employee or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. Failure to report such solicitation may result in the landlord's submission being eliminated from consideration.

(c) Landlord Assignment.

(i) Landlord may assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof (including the right to receive rental payments but excluding its duties and obligations hereunder), and Landlord may execute any and all instruments providing for the payment of Basic Rent directly to an assignee or transferee, but only if the conditions set forth in this Section are met. Tenant agrees that in the event of any such transfer, so long as Landlord's transferee expressly assumes Landlord's obligations hereunder in writing, Landlord shall automatically be released from all future liability under this Lease and Tenant agrees to look solely to such transferee for the performance of Landlord's obligations hereunder after the date of transfer, including the return of any security deposit, and Tenant shall attorn to such transferee.

(ii) Any document or agreement purporting to assign, transfer, mortgage, hypothecate or encumber Landlord's right, title and interest in and to this Lease or any portion thereof, is hereinafter referred to as a "Security Agreement." Any Security Agreement which is executed without full compliance with the requirements of this Section shall be void.

(iii) Each assignee or transferee under the Security Agreement shall certify and agree in writing that such assignee or transferee has read and is familiar with the requirements of Sections 5950-5955 of the California Government Code, which prohibits the offer or sale of any security constituting a fractional interest in this Lease or any portion thereof, without the prior written consent of the County. Notwithstanding the foregoing, the County hereby acknowledges and agrees that Landlord shall have the right to encumber the Property with CMBS (collateralized mortgage backed securities) financing or other traditional real estate financing. However, Landlord may not encumber the Property through any type of bond financing vehicle, including but not limited to certificate of participation financing.

(iv) Violation by Landlord of the provisions of Section 5951 of the California Government Code will constitute a material breach of this Lease, upon which the County may impose damages in an amount equal to the greater of (a) \$500,000 or (b) 10% of the aggregate principal portion of all rental payments payable by the County during the entire Term of this Lease, it being expressly agreed that the aforesaid amount shall be imposed as liquidated damages, and not as a forfeiture or penalty. It is further specifically agreed that the aforesaid amount is presumed to be the amount of damages sustained by reason of any such violation, because from the circumstances and nature of the violation it would be impracticable and extremely difficult to fix actual damages. In addition, the County may exercise or pursue any other right or remedy it may have under this Lease or applicable law.

(v) Landlord shall give the County notice and a copy of each Security Agreement and any other instrument relating thereto (including, but not limited to, instruments providing for the payment of Basic Rent directly to an assignee or transferee) at least two weeks prior to the effective date thereof.

(vi) Landlord shall not furnish any information concerning County or the subject matter of this Lease (including, but not limited to, offering memoranda, financial statements, economic and demographic information, and legal opinions rendered by the office of counsel for the County) to any person or entity, except with County's prior written consent. Landlord shall indemnify, defend and hold County and its officers, agents and employees harmless from and against all claims and liability alleged to arise from the inaccuracy or incompleteness of any information furnished by Landlord in violation of this Section.

(vii) The provisions of this Section shall be binding upon and applicable to the parties hereto and their respective successors and assigns. Whenever in this Section Landlord is referred to, such reference shall be deemed to include Landlord's successors or assigns, and all covenants and agreements by or on behalf of Landlord herein shall bind and apply to Landlord's successors and assigns whether so expressed or not.

32. **IRREVOCABLE OFFER.** In consideration for the time and expense that Tenant will invest, including, but not limited to, preliminary space planning, legal review, and preparation and noticing for presentation to the Tenant Real Estate Management Commission of Los Angeles County in reliance on Landlord's agreement to lease the Premises to Tenant under the terms of this Lease, Landlord irrevocably offers to enter into this Lease and not to revoke this offer until the Irrevocable Offer Expiration Date, as defined in Section 1.

33. OPTION TO EXTEND.

(a) Terms of Option Provided that no material default has occurred and is continuing under the Lease at the time the option is exercised, Tenant shall have two options to renew this Lease for two additional consecutive periods of five years each (each, an "Option Term").

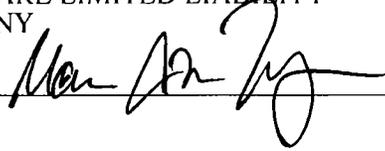

(b) Exercise of Option Tenant must exercise its option to extend this Lease, if it elects to do so, by giving Landlord written notice of its intent to do so by Chief Executive Office letter no later than 180 days prior to the end of the initial Term, or first option term, as the case may be. The rights contained in this Section shall be personal to the original Tenant and may only be exercised by the original Tenant (and not any other assignee, sublessee or other transferee of the original Tenant's interest in this Lease) if the original Tenant occupies the entire Premises.

(b) Terms and Conditions of Extension Term The Option Term shall be on all the terms and conditions of this Lease, except that Basic Rent for each Option Term shall be the rate in effect (adjustable only as provided in Sections 2(b) and 5) hereof during the last year of the original Lease Term (or first Option Term, as the case may be) subject to increase to fair market value by negotiation and mutual agreement of the parties.

IN WITNESS WHEREOF this Lease has been executed the day and year first above set forth.
