FIREFIGHTER PREPARATORY SEMINAR SERIES

I would like to inform your Honorable Board that the Los Angeles County Fire Department is proudly presenting a series of Firefighter Preparatory seminars between January and May 2014 to help interested candidates prepare for our upcoming Firefighter Trainee examination this summer.

This one-day seminar will be presented by expert members of our Department's Human Resources Division and firefighter training teams. To give everyone an opportunity to attend and learn more about our prestigious firefighting career, we are planning to offer the seminar three times in each of our Department's three operational regions across Los Angeles County, for a total of nine presentations.

The first one is scheduled to take place on Saturday, January 11, 2014, from 8:00 a.m. until 5:00 p.m., at Western University in the City of Pomona. Additional dates and locations are being scheduled at this time.

The seminars will cover a wide range of helpful information, including:

- Introduction to the Fire Service
- Recruit and Probationary Firefighter Expectations
- Written Test Preparation
- Oral Interview Preparation
- Introduction to the Background Check Process
- Health and Fitness
- California Physical Agility Test (CPAT)
