The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**APPROVAL TO EXECUTE AMENDMENT NUMBER THREE TO
LOS ANGELES COUNTY AGREEMENT NUMBER 77029/CITY AGREEMENT
NUMBER C-117203 WITH THE CITY OF LOS ANGELES
TO PROVIDE PRISONER TRANSPORTATION AND RELEASE SERVICES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County Sheriff's Department (Department) is seeking the Board's approval to execute Amendment Number Three to Los Angeles County (County) Agreement Number 77029/City Agreement Number C-117203 (Agreement) with the City of Los Angeles, to provide prisoner transportation and release services for a period of five years. Under the Agreement, the Department provides custody and transportation services for prisoners of the Los Angeles Police Department (LAPD) from various LAPD detention facilities to arraignment courts, and performs release-related duties for LAPD.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chairman of the Board to sign the attached Agreement with the City of Los Angeles to extend the term of the Agreement from July 1, 2014, through June 30, 2019, and to provide for certain operational changes.
2. Delegate authority to the Sheriff to execute amendments to the Agreement, which may be necessary for the effective provision of services, ensuring any negative fiscal impact to the County is avoided.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The current Agreement between the County and the City of Los Angeles will expire on June 30, 2014. The Agreement is renewable for a term not to exceed five years. The Board is requested to approve Amendment Number Three to the Agreement in order to extend the term of the Agreement for a new five-year period from July 1, 2014, through June 30, 2019, and to provide for minor operational changes.

As the largest law enforcement agencies in Southern California, the Department and LAPD have similar responsibilities to systematically and expeditiously transport, arraign, detain, and release thousands of prisoners. Independent studies indicate that both agencies realize fiscal and operational benefits when the Department provides these services for LAPD via contract.

Implementation of Strategic Plan Goals

Amendment Number Three to the Agreement relates to the County's Strategic Plan, Goal 2, Fiscal Sustainability, by providing revenue reimbursement to the Department for services rendered.

FISCAL IMPACT/FINANCING

Under the terms of the Agreement, LAPD is billed for services rendered at annually adjusted rates established by the County's Auditor-Controller. Revenue generated under these rates fully reimburses the Department's costs associated with the pick-up, transportation, detention, and release of LAPD prisoners.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On April 28, 2010, the County and the City of Los Angeles entered into the Agreement for the transportation, custody, and release of LAPD prisoners by the Department. On September 3, 2010, the parties entered into Amendment Number One to the Agreement to make certain clarifying revisions to the Agreement. On May 25, 2012, the parties entered into Amendment Number Two to the Agreement to update prisoner pick-up locations at LAPD facilities.

The parties now seek to enter into Amendment Number Three to extend the term of the Agreement for five years, from July 1, 2014, through June 30, 2019, and to provide for operational changes. The operational changes involve a meet-and-confer process related to sick or injured LAPD prisoners and certain statutory requirements. Pursuant to Section II (B) of the Agreement, any renewal of the term of the Agreement must be approved by the Board, the Los Angeles City Council, and the Los Angeles Board of Police Commissioners.

This Agreement is authorized under Section 56 3/4 of the Charter of the County.

Amendment Number Three has been approved as to form by County Counsel.

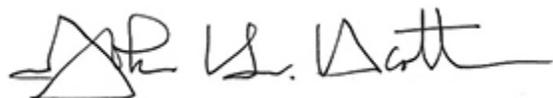

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended action will have no impact on current Department services. The Department is currently providing the services to the City of Los Angeles, and the Department's costs associated with the pick-up, transportation, detention, and release of LAPD prisoners are reimbursed at rates established annually by the County's Auditor-Controller.

CONCLUSION

Upon Board approval, it is requested that the Executive Officer-Clerk of the Board, return three originally executed copies of the Agreement to the Department's Contract Law Enforcement Bureau.

Sincerely,

A handwritten signature in black ink, appearing to read "John L. Scott". The signature is written in a cursive style with a large, stylized initial "J" and "S".
