This is to let you know that the Huntington Library has agreed to accept historic photos and documents from Olive View-UCLA Medical Center in order to preserve them and make them available for historical research, education, and publication. We are working with the Library staff to transfer the archives to the Library where they will be appropriately stored and maintained in archival condition.

This transfer is supported by the Fifth Supervisorial District.

Please contact Carolyn Rhee, CEO, Olive View-UCLA Medical Center if you have any questions.
