The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Dear Supervisors:

**GENERAL LAW ENFORCEMENT AND SECURITY SERVICES
AGREEMENT BETWEEN THE COUNTY OF LOS ANGELES AND
THE LOS ANGELES COMMUNITY COLLEGE DISTRICT
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Los Angeles County Sheriff's Department (Department) seeks approval of a General Law Enforcement and Security Services Agreement (Agreement) between the County of Los Angeles (County) and the Los Angeles Community College District (LACCD) for the continued provision of General Law Enforcement and Security Services (Services) by the Department for a period of five years from January 1, 2016, through December 31, 2020.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Mayor of the Board to execute the attached Agreement between the County and the LACCD from January 1, 2016, through December 31, 2020, at the estimated cost of \$18,929,638.34 for the Fiscal Year (FY) 2015-16, based on the County's Auditor-Controller's adjusted Community College District's contract billing rates.
2. Delegate authority to the Sheriff, or his designee, to execute amendments to the Agreement and/or supplemental agreements as set forth in Section 10.0 (Amendments) of the Agreement, including amendments that modify the annual billing rates as determined by the County's Auditor-Controller.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Department seeks Board approval of the attached Agreement by and between the County and the LACCD. The LACCD has requested a five year renewal of this Agreement for the continued provision of Services by the Department for LACCD's nine campuses. The current Agreement will expire on December 31, 2015.

Implementation of Strategic Plan Goals

This Agreement relates to the County's Strategic Plan, Goal 3, Integrated Services Delivery, by maintaining a law enforcement presence on LACCD's nine campuses located throughout the County, and to provide security for the faculty, staff, and students.

FISCAL IMPACT/FINANCING

None. There is no net County cost related to this Agreement due to offsetting revenue from the LACCD. The billing rates, as determined by the County's Auditor-Controller, recover all direct and indirect overhead costs associated with the provision of the Services.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The County's Charter Section 56-3/4 allows for contracts between counties and districts for the performance of district functions by the County. The Department has successfully provided Services for LACCD's nine campuses throughout the County since January 2001.

The term of the Agreement shall be for five years from January 1, 2016, through December 31, 2020. The total estimated cost of the services is \$18,929,638.34 for FY 2015-16. Either party may terminate the Agreement with 180 calendar days advance written notice. The Agreement provides for mutual indemnification of the parties.

The attached Agreement has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This contract renewal will have no negative impact upon law enforcement services in the unincorporated areas of the County.

CONCLUSION

Upon Board approval, it is requested that the Executive Officer-Clerk of the Board return three originally executed Agreements to the Department's Contract Law Enforcement Bureau.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim McDonnell". The signature is stylized with a large, looping initial "J" and "M".

This General Law Enforcement and Security Services Agreement ("Agreement") is entered into this _____ day of _____, 2015, by and between the COUNTY OF LOS ANGELES ("County") and the LOS ANGELES COMMUNITY COLLEGE DISTRICT ("District.")

RECITALS

Whereas, the District is desirous of contracting with the County for the performance of the general law enforcement and security services described herein by the Los Angeles County Sheriff's Department ("Sheriff's Department"); and

Whereas, the County is agreeable to rendering such services on the terms and conditions set forth in this Agreement; and

Whereas, this Agreement is authorized and provided for by the provisions of Section 56-3/4 of the Charter of the County of Los Angeles.

NOW THEREFORE, in consideration of the mutual covenants contained herein, and for good and valuable consideration, the parties mutually agree as follows:

1.0 SCOPE OF SERVICES

- 1.1 The County agrees, through the Sheriff's Department, to provide general law enforcement and security services within the corporate limits of the District to the extent and in the manner hereinafter set forth in this Agreement, including Appendix A (Los Angeles Community College District Law Enforcement and Security Services Plan), which is attached hereto and incorporated herein.

- 1.2 Except as otherwise specifically set forth in this Agreement, law enforcement services shall encompass duties and functions of the type coming within the jurisdiction of and customarily rendered by the Sheriff of Los Angeles County ("Sheriff") under the Charter of the County and the statutes of the State of California, and security services shall encompass other services in the field of public safety, law, or related fields within the legal power of the Sheriff to provide, including but not limited to: maintaining the security of District buildings and property; attending meetings and other gatherings to maintain order; patrolling campus grounds and parking lots; observing and reporting facility problems, safety hazards, and other matters that need to be given further attention by District personnel; and responding to incidents that require the administration of first aid.

2.0 ADMINISTRATION OF PERSONNEL

- 2.1 During the term of this Agreement, the Sheriff or his designee shall serve as Chief of Police of the District and shall perform the functions of the Chief of Police at the direction of the District.
- 2.2 The rendition of the services performed by the Sheriff's Department, the discipline of officers, and other matters incident to the performance of such services and the control of personnel so employed shall remain with the County. In addition to the standards of performance customarily applied by the Sheriff, the standards presented in Appendix A (Los Angeles Community College District Law Enforcement and Security Services Plan) of this Agreement shall also be used to assess the performance of Sheriff's Department personnel under this Agreement.
- 2.3 In the event of a dispute between the parties to this Agreement as to the extent of the duties and functions to be rendered hereunder, or the minimum level or manner of performance of such service, the District shall be consulted and a mutual determination thereof shall be made by both the Sheriff's Department and the District.

- 2.4 With regard to Paragraph 2.3 above, the Sheriff's Department, in an unresolved dispute over the minimum level of performance of services, shall have final and conclusive determination as between the parties hereto.
- 2.5 All District employees who work in conjunction with the Sheriff's Department pursuant to this Agreement shall remain employees of the District and shall not have any claim or right to employment, civil service protection, salary, or benefits or claims any kind from the County based on this Agreement. No District employee as such shall become an employee of the County unless by specific additional agreement in the form of a merger agreement which must be concurrently adopted by the District and County.
- 2.6 When performing services and functions pursuant to this Agreement and only for the purpose of giving official status to the performance thereof, and not to establish an agency relationship, every County officer and/or employee engaged in performing any such service and function shall be deemed to be an officer or employee of the District while performing such service for the District, as long as the service is within the scope of this Agreement and is a community college police or security function.
- 2.7 The District shall not be called upon to assume any liability for the direct payment of any Sheriff's Department salaries, wages, or other compensation to any County personnel performing services hereunder for said District. Except as herein otherwise specified, the District shall not be liable for compensation or indemnity to any County employee or agent of the County for injury or sickness arising out of his/her employment as a contract employee of the District.
- 2.8 As part of its compliance with all applicable laws and regulations relating to employee hiring, the County agrees that the County Civil Service Rules to which it is subject and which prohibit discrimination on the basis of non-merit factors, shall for purposes of this Agreement be read and understood to prohibit discrimination on the basis of sexual orientation.

3.0 DEPLOYMENT OF PERSONNEL

- 3.1 Services performed hereunder and specifically requested by the District shall be developed in conjunction with the Sheriff's Department and shall be as indicated on Appendix B (SH-AD 575 Deployment of Personnel Form) of this Agreement.
- 3.2 A new Appendix B (SH-AD 575 Deployment of Personnel Form) shall be authorized and signed annually by the District and the Sheriff's Department each July 1, and attached hereto as an Amendment to this Agreement.
- 3.3 Should the District request a change in level of service other than pursuant to the annual July 1 readjustment, an additional Appendix B (SH-AD 575 Deployment of Personnel Form) shall be signed and authorized by the District and the Sheriff's Department and attached hereto as an Amendment to this Agreement.
- 3.4 The most recent dated and signed Appendix B (SH-AD 575 Deployment of Personnel Form) attached to this Agreement shall be the staffing level in effect between the County and the District.
- 3.5 The District is not limited to the services indicated in Appendix B (SH-AD 575 Deployment of Personnel Form) of this Agreement, but may also request any other service in the field of public safety, law, or related fields within the legal power of the Sheriff to provide. Such other services shall be reflected in a revised Appendix B (SH-AD 575 Deployment of Personnel Form) of this Agreement under the procedures set forth in Paragraphs 3.2 or 3.3 above.
- 3.6 General law enforcement and security services performed hereunder may include, if requested by the District, supplemental security support, supplemental sworn officer support, and supplemental professional civilian support staff.

4.0 PERFORMANCE OF SERVICES

- 4.1 For the purpose of performing said general law enforcement and security services, County shall furnish and supply all necessary labor, supervision,

equipment, communication facilities, and supplies necessary to maintain the agreed level of service to be rendered hereunder.

- 4.2 Notwithstanding the foregoing, the District may provide additional resources for the County to utilize in performance of the services.
- 4.3 When and if both parties to this Agreement concur as to the necessity of maintaining a law enforcement headquarters or Sheriff's Department substation within the District which would not normally be provided by the Sheriff's Department, the District shall furnish at its own cost and expense all necessary office space, and the Sheriff's Department shall have authority to negotiate with the District regarding which entity shall pay for furniture and furnishings, office supplies, janitor service, telephone, light, water and other utilities.
- 4.4 It is expressly further understood that in the event a District local office or building is maintained in said District pursuant to Paragraph 4.3 above, such facilities may be used by the Sheriff's Department in connection with the performance of its duties in territory outside of the District, provided, however, that (a) the performance of such outside duties shall not be at any additional cost to the District, including, but not limited to, increased operating expenses of the facilities arising from such outside duties performed by the Sheriff's Department, (b) use of the District's facilities for such outside duties shall be of an incidental nature as measured by the types of activities performed and their duration, (c) Paragraphs 5.3 and 5.4, and the provisions of Paragraph 5.5 relevant to the District's indemnity of the County, shall not apply to any liability, expense, claim, cause of action, lawsuit or damage of any kind (collectively, "Loss" for purposes of this Paragraph only) arising from or related in any way to such outside duties, (d) the County shall expressly indemnify and defend the District against any Loss arising from or related in any way to such outside duties, whether or not such Loss was caused, or alleged to be caused, by District's negligence, acts, omissions or willful misconduct, and (e) if the District, in its sole judgment, determines that

the Sheriff's Department is not complying with the aforementioned conditions, the Sheriff's Department, within thirty (30) calendar days advance written notice from the District, shall cease the use of said facilities for outside activities.

- 4.5 Notwithstanding the foregoing, it is mutually agreed that in all instances where special supplies, stationery, notices, forms, and the like must be issued in the name of said District, the same shall be supplied by the District at its own cost and expense.

5.0 INDEMNIFICATION

- 5.1 Except as otherwise provided for in this Agreement, neither party shall be liable for the negligent or wrongful acts or omissions of the other in the performance of this Agreement.
- 5.2 Except as otherwise provided for in this Agreement and Appendix A (Los Angeles Community College District Law Enforcement and Security Services Plan), the County shall indemnify, defend and hold harmless the District and its elected and appointed officers, directors, employees and agents from and against any and all liability, expense (including but not limited to investigative costs, defense costs and attorney's fees), claims, causes of action (including, but not limited to, causes of action related to the selection, retention, or supervision of County officers, employees or agents), and lawsuits for damages of any nature whatsoever, including, but not limited to, bodily injury, death, personal injury, discrimination, harassment, emotional distress, or property damage (including property of County) arising from or connected with any alleged act and/or omission of County, its officers, directors, employees or agents occurring during the performance of this Agreement. This indemnity shall survive termination of this Agreement and/or final payment thereunder, and shall not be limited to the availability or collectability of insurance coverage or self-insurance coverage. In the event that a claim or lawsuit is served on the District alleging liability that arises from or relates to the actions or failure to act of County officers, directors,

employees and/or agents, County shall promptly assume responsibility for investigation and response to said claim or lawsuit. In the event County contends that the legal responsibility lies with the District, County shall provide the written basis for its decision to the District Office of General Counsel, as well as its investigative materials to the District in a manner that provides sufficient time for timely response by the District to third parties. Such materials are stipulated to be privileged as attorney-client communications and/or work-product in anticipation of litigation, and they shall not be discoverable by a third party unless ordered by a court of appropriate jurisdiction. In the event of a dispute over legal liability, both parties will retain all legal and equitable rights for defense and indemnity.

5.2.1 The parties acknowledge and agree that Appendix A (Los Angeles Community College District Law Enforcement and Security Services Plan) of this Agreement provides a general description of the general law enforcement and security services to be provided under this Agreement. The District understands and agrees that the general law enforcement and security services provided hereunder are unlikely to accomplish fail-proof security or to foresee, detect, prevent and or eliminate the occurrence of all crime or any wrongdoing, at any particular location or time.

5.2.2 Notwithstanding anything contained herein, the County's obligation hereunder to the District for tortious matters shall be limited by any immunity or freedom from suit or liability provided by law, including but not limited to those stated in California Government Code sections 818.2 and 845, as if such immunity or legal provision were incorporated in full in this Agreement and made applicable to the District. This provision shall not operate to limit the County's obligation to defend and indemnify the District as to any liability, claim, action or lawsuit by any third party, nor shall this provision

operate to limit any of County's responsibilities for breach of its contractual duties under this Agreement.

5.2.3 It is the intent of the parties to this Agreement that nothing herein shall impose, nor shall be interpreted to impose, on the County any liability for injuries or death to any County employee greater than the liability imposed pursuant to the provisions of the worker's compensation laws.

5.3 Except as provided in Paragraph 4.4 if this Agreement, the District shall indemnify, defend and hold harmless County and its elected and appointed officers, directors, employees and agents from and against any and all liability, expense (including but not limited to investigative costs, defense costs and attorney's fees), claims, causes of action, (including, but not limited to, causes of action related to the selection, retention, or supervision of District officers, employees or agents) and lawsuits for damages of any nature whatsoever, including, but not limited to, bodily injury, death personal injury, discrimination, harassment, emotional distress, or property damage (including property of District) arising from or connected with any alleged act and /or omission of District, its officers, directors, employees, or agents occurring during the performance of this Agreement. This indemnity shall survive termination of this Agreement and/or final payment thereunder, and shall not be limited to the availability or collectability of insurance coverage or self-insurance coverage.

5.4 Except as provided in Paragraph 4.4 of this Agreement, when liability is based on or alleged to be based on a dangerous condition of District property pursuant to Government Code section 830, et seq. (including but not limited to, the plan or design of the District property), District shall assume liability and defend and hold County harmless from any loss, cost, or expenses (including but not limited to defense costs and attorney's fees) unless the dangerous condition was caused by an act or omission of the County or any of its officers, employees or agents. This indemnity shall survive termination of

this Agreement and/or final payment thereunder, and shall not be limited to the availability or collectability of insurance coverage.

- 5.5 Except as provided in Paragraph 4.4 of this Agreement, by providing for indemnification by and among the parties hereto as set forth above, it is expressly understood and agreed that the provisions of California Government Code sections 895.2 and 895.6 are not applicable to this Agreement. The provisions of California Civil Code section 2778 regarding interpretation of indemnity agreements are made a part hereof as if fully set forth herein.

Executive Summary

This document is made a part of the District-County General Law Enforcement and Security Services Agreement (Agreement) to which it is attached. Specifically this attachment sets out the services to be provided by the Sheriff, how resources will be deployed and how the Sheriff and the District will collaborate to manage the delivery of law enforcement and security services to maximize effectiveness and efficiency.

This service level plan is to be consistent with and is designed to further articulate the use of resources as defined in the annual Deployment of Personnel Form SH-AD 575, which under the Contract, is to be approved annually by both parties.

This attachment adds detail about the services to be delivered, the resources to be employed, the deployment of those resources and performance measure and reporting requirements. It may be updated as necessary with the consent of the parties during the term of the Agreement.

Statement of Services Provided

The District and the County agree that the following provisions shall be applicable to any Determination of the extent of the duties and functions to be rendered under the "District County General Law Enforcement and Security Services Agreement" between the parties, or to the level or manner of performance of such service:

1. In providing law enforcement services for the District, the Sheriff's primary focus and principal jurisdiction shall be limited to law enforcement on the campuses of the District or other grounds or properties owned, operated, controlled, or administered by the District.

2. Among the law enforcement and security services the Sheriff will perform under the Agreement are services like the following:

- A. Observing and reporting facility problems (for example, broken windows, burnt-out lights, water leaks, and the like), safety hazards, and other matters needing attention by District personnel (for example, graffiti, or excessive litter);
- B. Investigating the whereabouts of missing equipment or property; responding to incidents requiring first aid; completing and submitting injury reports;
- C. Providing security and maintaining order at meetings, hearings, rallies, and other gatherings; and
- D. Rendering aid to students and others on campus who need assistance because they are having vehicle problems (e.g., dead battery, lost keys.) or who ask to be escorted to their vehicles at night or in other appropriate circumstances.

3. A Sheriff's Personnel will also be responsible for participating in administrative proceedings when appropriate (for example, student and employee disciplinary matters or attending campus meetings such as the Work Environment Committee); service of subpoenas on campus for the benefit of the District; timely conveyance of incident reports to the designated College administrator; receiving and processing citizens complaints about individuals employed by the Sheriff; complying with applicable laws and regulations regarding the compilation and reporting of college crime statistics; providing operational supervision of college police cadets or other non-sworn community service officers; observing the training and qualifications requirements set forth in Education Code Section 72330 and following; participating in parking enforcement on campus; and assisting with college emergency response planning and preparedness.

4. The Sheriff will reasonably accommodate the preferences of the College President in terms of the "enforcement style" adopted by the Sheriff on campus, and all Sheriff s personnel shall become sufficiently familiar with the college which they serve, including its services and procedures, to be able to direct students and visitors to locations on campus and to assist them in finding appropriate resources on campus. The Sheriff will cooperate with the District to develop and implement a training program to train its officers on applicable requirements of federal and state law, as well as District policies and procedures.

Police Department Structure

Delivery of the law enforcement and security services provided for under this contract shall be provided in a unified fashion by a Bureau within the Sheriff's Department, under the command of a Sheriff's Captain. The specific deployment of personnel will be as specified in the annually approved Deployment of Personnel SH-AD 575, which is included as Appendix B.

The Sheriff shall ensure that each campus is assigned a law enforcement and security services team leader as the primary contact between campus administrators and the Sheriff's Department

Scheduling and Stationing of Resources

As part of the annual development of the Personnel Deployment form (SH-AD 575), the District and the Sheriff will seek to deploy resources based on professional law enforcement and security practice, workloads and the needs of individual District campuses. A goal in this process will be to maximize the presence of sworn and security personnel on District campuses.

Should circumstances warrant the resource deployment may be changed with consent of both parties. For example, if one campus is determined to have a unique crime or security problem that merits additional resources, the normal deployment arrangements may be adjusted, provided all campuses continue to receive coverage and deputy/security officer safety is not compromised.

Regional Support Services

The District will have access to regionalized support services provided by the Los Angeles County Sheriff's Department on the same basis as cities which contract for law enforcement services. These services are available on an as-needed basis and can be requested by the District to enhance law enforcement and security services to the campuses. The District will be billed for such services as provided in the contract and under the same terms that the Sheriff offers to other contract agencies.

Performance Measures

The Sheriff in conjunction with District staff shall evaluate the efficiency and effectiveness of law enforcement and security services through a variety of performance measures and assessment tools. These measures are broken down into eight specific categories or objectives.

- A. Prevention of Crime
- B. Responsiveness
- C. Effective Monitoring of Property
- D. Feeling of Safety
- E. Personnel Management
- F. Emergency Response and Threat Assessment Planning & Preparedness
- G. Appropriate Enforcement Style
- H. Administrative Responsiveness

The measures are to be reported to the District Director of Business Services and each campus' Vice President Administrative Services on the frequency noted. Information from the District necessary to the development of the measures will be supplied by the Vice President Administrative Services for each campus. Such measures are shaded in the tables below. The annual survey will be administered jointly by the District and the Sheriff, using a web-based survey tool.

It is recognized that the development and reporting is a partnership between the District and the Sheriff. The District supports the use of existing information and reporting formats to the maximum extent possible and will work with the Sheriff to modify reporting measures if necessary to make the reporting requirements as economical and efficient as possible.

Rows that are shaded indicate that the data collection and reporting will be completed by the District. Rows which are not shaded indicate measures for which the Sheriff has primary responsibility.

Annual Report

The Annual Report will be due September 1 of each year and shall be for the fiscal year ended June 30. It shall be structured to convey the annual performance measure information and include all Clery Act reporting requirements which must be published each year by October 1.

Summary of Clery Act

The **Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act**, codified at 20 USC 1092 (f) as a part of the Higher Education Act of 1965, is a federal law that requires colleges and universities to disclose certain timely and annual information about campus crime and security policies. All public and private institutions of postsecondary education participating in federal student aid programs are subject to it. Violators can be "fined" up to \$25,000 by the U.S. Department of Education, the agency charged with enforcement of the Act and where complaints of alleged violations should be made, or face other enforcement action.

Annual Report

Schools have to publish an annual report every year by October 1st that contains 3 years worth of campus crime statistics and certain security policy statements including sexual assault policies which assure basic victims' rights, the law enforcement authority of campus police and where students should go to report crimes. The report is to be made available automatically to all current students and employees while prospective students and employees are to be notified of its existence and afforded an opportunity to request a copy. Schools can comply using the Internet so long as the required recipients are notified and provided the exact Internet address where the report can be found and paper copies are available upon request. A copy of the statistics must also be provided to the U.S. Department of Education.

Crime Statistics

Each school must disclose crime statistics for the campus, unobstructed public areas immediately adjacent to or running through the campus, and certain non-campus facilities including Greek housing and remote classrooms. The statistics must be gathered from campus police or security, local law enforcement, and other school officials who have "significant responsibility for student and campus activities" such as student judicial affairs directors. Professional mental health and religious counselors are exempt from reporting obligations, but may refer patients to a confidential reporting system which the school has to indicate whether or not it has.

Crimes are reported in the following 7 major categories, with several sub-categories: 1.) Criminal Homicide broken down by a.) Murder and Nonnegligent Manslaughter and b.) Negligent manslaughter; 2.) Sex Offenses broken down by a.) Forcible Sex Offenses (includes rape) and b.) Nonforcible Sex Offenses; 3.) Robbery; 4.) Aggravated Assault; 5.) Burglary; 6.) Motor Vehicle Theft; and 7.) Arson.

Schools are also required to report the following three types of incidents if they result in either an arrest or disciplinary referral: 1.) Liquor Law Violations; 2.) Drug Law Violations; and 3.) Illegal Weapons Possession. If both an arrest and referral are made only the arrest is counted.

The statistics are also broken down geographically into "on campus," "residential facilities for students on campus," noncampus buildings, or "on public property" such as streets and sidewalks. Schools can use a map to denote these areas. The report must also indicate if any of the reported incidents, or any other crime involving bodily injury, was a "hate crime."

Access to Timely Information

Schools are also required to provide "timely warnings" and a separate more extensive public crime log. It is these requirements which are most likely to affect the day to day lives of students. The timely warning requirement is somewhat subjective and is only triggered when the school considers a crime to pose an ongoing "threat to students and employees" while the log records all incidents reported to the campus police or security department.

Timely warnings cover a broader source of reports (campus police or security, other campus officials, and off-campus law enforcement) than the crime log but are limited to those crime categories required in the annual report. The crime log includes only incidents reported to the campus police or security department, but covers all crimes not just those required in the annual report, meaning crimes like theft are included in the log. State crime definitions may be used.

Schools that maintain a police or security department are required to disclose in the public crime log "any crime that occurred on campus...or within the patrol jurisdiction of the campus police or the campus security department and is reported to the campus police or security department." The log is required to include the "nature, date, time, and general location of each crime" as well as its disposition if known. Incidents are to be included within two business days but certain limited information may be withheld to protect victim confidentiality, ensure the integrity of ongoing investigations, or to keep a suspect from fleeing. Only the most limited information necessary may be withheld and even then it must be released "once the adverse effect...is no longer likely to occur."

The log must be publicly available during normal business hours. This means that in addition to students and employees the general public such as parents or members of the local press may access it. Logs remain open for 60 days and subsequently must be available within 2 business days of a request.
