President’s Award

Pasadena Celebrates 2020
Women Win The Vote!

The Pasadena Celebrates 2020 Committee was created to celebrate and commemorate the 100th anniversary of the passage of the 19th Amendment to the United States Constitution, winning suffrage for women in America. The dedicated planning committee, comprised of a small group of women, was formed to provide an arena for the numerous individuals and groups in Pasadena, and its environs, to participate and work on the support for the Pasadena Tournament of Roses Parade Celebration Float and for activities throughout 2020. This year’s float theme was titled, “Years of Hope. Years of Courage.”

The Pasadena Celebrates 2020 is under the umbrella of the National Women’s History Alliance (NWHA), who in its early stages, lobbied Congress to designate the month of March as National Women’s History Month, which is now celebrated nationally. The NWHA is a leader in promoting women’s history and is committed to the goals of education, empowerment, equality, and inclusion.

The Pasadena Celebrates 2020, together with the men and women in every state, is excited to celebrate this centennial year and their initiative to promote pride in, and dedication to the words of the 19th Amendment, by shining light on those individuals who worked for women’s equality and justice.

Congratulations to the Pasadena Celebrates 2020 supporters and their Executive Team, Nan Johnson, Carolyn Harris, Carmen Boykins, Andrea Edoria, Marta Escañuelas, Sylvia Guerrero, Denise Jones, Dawneen Lorance, Beverly Morgan-Sandoz, Carol Robbins, Annette Spence, Martha Wheelock, Bonnie Wallace, and Jane Guthrie.
