38-A. Conditional Use Permits to Increase Debris Tonnage at Chiquita Canyon and Sunshine Canyon Landfills

Recommendation as submitted by Supervisor Kuehl: Find that the temporary waiver of the wasteshed restrictions at the Calabasas Landfill to allow it to accept debris generated by the fire and mudflows that occurred in Los Angeles and Ventura Counties is necessary for the immediate preservation of the public peace, health and safety; authorize the Calabasas Landfill to temporarily accept material from outside of the wasteshed to accommodate the emergency disposal of fire and mudflow debris generated from the Woolsey Fire burn area effective immediately and continuing for six months, initially, and that it may be extended, as necessary, by the Director of Public Works in concert with the Chief Engineer of the County Sanitation Districts, to assist in the recovery efforts and when it is in the public interest to protect public health and safety; find that the temporary waiver for wasteshed restriction waiver at the Calabasas Landfill and increase landfill tonnage limits for disaster debris is exempt from the California Environmental Quality Act; and authorize the Sunshine Canyon and Chiquita Canyon landfills to temporarily increase their tonnage limits as follows continuing for an initial 120 days, with a potential for extension by the Board, upon joint recommendation from the Directors of Public Health and Public Works, to assist in the recovery efforts, provided that the excess tonnage amounts consist solely of disaster debris:

For Chiquita Canyon Landfill, increase the monthly tonnage limit authorized under its CUP by 20% from 233,333 tons to 280,000 tons; and

For Sunshine Canyon Landfill, increase the daily tonnage limit under its CUP by 2,900 tons, from 12,100 tons to 15,000 tons, with a corresponding increase in the weekly tonnage limit. (19-0738)
