Stern, Chief Executive Officer of the LA Opera, and members of the Board of Directors requesting that the “Ring Festival LA” shift the focus from honoring composer Richard Wagner, to featuring other composers as headliners, to provide balance, historical perspective and a true sampling of operatic and musical talent. (09-1698)

*Stephen D. Rountree, Chief Operating Officer, Marc I. Stern, Chairman and Chief Executive Officer, and Barry Sanders, Director of the Board, LA Opera; Miguel De Virgilio, Hal Goldberg, Carie Delmar, Peter Gimpel, and other interested persons addressed the Board.*

After discussion, Supervisor Yaroslavsky made a substitute motion requesting the Board to take the following actions:

1. Go on record in support of the Los Angeles Opera's production of Richard Wagner's Ring Cycle, and its presentation of Ring Festival LA as a series of events that will consider the composer in his totality, including not only his musical genius but also his despicable anti-Semitism and the appropriation of his music to serve the goals of fascism and Nazism; and urge the LA Opera to follow through on its plans to conduct the Festival in this manner; and

2. Urge the LA Opera to widely publicize the Festival and to seek the broadest possible audience for both the Festival and the operas themselves; and in so doing not only ensure the success of the operatic performances, but also educate the public about the life and times of Richard Wagner in all of its contexts.

After discussion, Supervisor Antonovich made a suggestion to amend Supervisor Yaroslavsky's motion to request that LA Opera continue to add musical events, symposiums and conferences with balanced viewpoints about the evils of Wagner's philosophy and proactively recruit and secure additional operatic talent to create balance, perspective and context to the event surrounding the Ring.
Supervisor Yaroslavsky did not accept Supervisor Antonovich’s amendment.
