V. DISCUSSION ITEM 60

60. Chief Executive Officer to present a proposal for Board consideration to approve the positions for monitoring Foster Family Agencies and group homes that were requested in the recommended budget by the Department of Children and Family Services, instead of waiting for final budget changes, as requested at the meeting of April 30, 2013. (Continued from meeting of 5-14-13)

Also consideration of Supervisor Molina’s recommendation: Request the Director of Children and Family Services to provide a written report by June 4, 2013 addressing the following specific questions as they relate to the positions for monitoring Foster Family Agencies and group homes:

1. If we have a number of group homes with outstanding corrective actions or funds they owe to the County, how does the Department of Children and Family Services (DCFS) determine when to terminate their contract?

2. How many violations take place per agency before referrals are terminated?

3. What is the anticipated impact of these new positions, ranging from today to one year from now?

4. Would it be a better investment to recruit additional Foster Family Agencies (FFA's) that are in good standing, or mandate that agencies in good standing mentor troubled agencies?

5. How many FFAs and Group Homes are monitored by DCFS?

6. How many FFAs and Group Homes require a secondary inspection?

7. How many investigations were conducted by the Out-of-Home Care Investigation Section (OHCIS) unit in the last Fiscal Year 2012-13?

8. Were there investigations that should have been conducted but were not completed?
   a. If so, how many?
   b. How will the backlog of these investigations be addressed?
9. There are five components-allegations, incidents, investigative findings, corrective action plans, and patterns of concern. What is the criterion for triaging these components?
   a. What will be addressed first?
   b. How will it be addressed?
   c. Is there a comprehensive list of Foster Homes and Group Homes to be investigated? Provide list.

10. What is the time period between the Emergency Response investigation and the secondary investigation?

11. Who is currently conducting secondary investigations?

12. Once Foster Parents and/or Group Homes are found to be in violation of state regulations and/or their contract is in violation, how long does it take for corrective action to be taken?
   a. What is meant by “expeditious action”?

13. What is the current practice for corrective actions of Group homes and Foster Care Agencies in violation?

14. How many current positions are housed in the OHCIS of DCFS?

15. How was the number of new positions determined?
   a. Why seven?
   b. How will the workload be distributed among the seven staff?
   c. Will there be a performance assessment of this unit to determine impact on workload by additional staff?
      i. If so, when?
      ii. If not, why?
16. It has been stated that recruitment for these positions is to be conducted from within the Department; how will the vacated positions be back-filled?

   a. What is the timeline for filling these positions?

   b. How will this impact the current workload of the OHCIS unit?

17. The Board requested a plan with specifics: 1) outline how DCFS will perform annual programmatic audits; 2) budget and identify the number of fiscal audits to be conducted annually; 3) explain why DCFS and the Auditor-Controller have not collaborated to produce a comprehensive audit report during years when fiscal/programmatic audits overlap; 4) clarify the status of the existing system and the efforts utilized to track and collect payments; 5) recommendation for a collection policy and outline. What is the status of that plan?

18. In the scope of work, who will conduct program audits and who will conduct fiscal audits? Explain how these audits will overlap within the new staff assignments. (13-2195)

Eric Preven and Dr. Genevieve Clavreul addressed the Board.

Philip Browning, Director of Children and Family Services, responded to questions posed by the Board.

After discussion, on motion of Supervisor Yaroslavsky, and by Common Consent, there being no objection (Supervisor Molina being absent), the Chief Executive Officer's recommendations were approved; and the Director of Children and Family Services was instructed to report back by June 4, 2013 with responses to the questions as detailed above.
