

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

March 22, 2016

At its August 11, 2015 meeting, the Board of Supervisors directed the Interim Chief Executive Officer, in collaboration with the County Sustainability Council and the Pharmaceutical Working Group to draft an ordinance which requires manufacturers and producers of prescription and non-prescription drugs and sharps to develop product stewardship take-back programs to collect and dispose of unused/unwanted pharmaceutical and sharps waste from County residents.

In the last several weeks, the County has received numerous calls and inquiries about the implementation of such a program, necessitating further review.

I THEREFORE MOVE that the Board of Supervisors direct the Chief Executive Officer to report back on the status on May 3, 2016.
