

MOTION BY SUPERVISOR DON KNABE

May 3, 2016

Small businesses bring tremendous benefit to our communities, the economy, and our local marketplace in Los Angeles County.

“National Small Business Week” will take place May 1 through May 7, 2016. This effort is a part of a coordinated national campaign that recognizes the critical contributions of entrepreneurs and small business owners.

I, THEREFORE, MOVE that the Board of Supervisors proclaims May 1 through May 7, 2016, as “National Small Business Week” throughout Los Angeles County, and we encourage all citizens to support local small businesses.
