Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

50 May 17, 2016

LORI GLASGOW
EXECUTIVE OFFICER

**SUPPLEMENTAL LAW ENFORCEMENT SERVICES AGREEMENT FOR
DNA CRIME LAB SERVICES BETWEEN THE COUNTY OF
LOS ANGELES AND CITY OF TORRANCE
(FOURTH DISTRICT) (3 VOTES)**

SUBJECT

The Los Angeles County (County) Sheriff's Department (Department) seeks approval of a Supplemental Law Enforcement Services Agreement for DNA Crime Lab Services (Agreement) with the City of Torrance (City) for the performance of DNA testing, analysis, and forensic-related consulting for the City.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Chair to sign the attached Agreement with the City to provide the services of one full-time equivalent senior criminalist to perform DNA testing, analysis, and forensic-related consulting for the City, effective July 1, 2016 through June 30, 2021. The annual cost of services for Fiscal Year (FY) 2016-17 is \$170,792, which is fully funded by the City.
2. Delegate authority to the Sheriff to execute amendments to the Agreement that increase or decrease service levels, and thereby increase or decrease annual costs; modify the annual billing rates, as determined by the Auditor-Controller; and make immaterial or clerical changes to the Agreement with the concurrence of County Counsel.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the Agreement is to provide the City with the services for one full-time equivalent senior criminalist from the Department to perform DNA testing, analysis, and forensic-related consulting as requested by the City, effective July 1, 2016 through June 30, 2021. The City's current agreement with the County for this position expires on June 30, 2016. This Agreement will not result in the creation of an additional senior criminalist position, as the position was created during the previous agreement.

Implementation of Strategic Plan Goals

This Agreement supports the County's Strategic Plan, Goal 1, Operational Effectiveness/Fiscal Sustainability. This Agreement will provide revenue reimbursement to the Department for services rendered.

FISCAL IMPACT/FINANCING

There is no net County cost to this Agreement. The City shall pay the Department for services according to the appropriate and prevailing billing rates as determined by the Auditor-Controller for the FY 2016-17. The City is aware rates will change at the beginning of every fiscal year hereafter, as determined by the Auditor-Controller.

Based on current projections, the City will offset the annual cost for services in the amount of \$170,792 for one senior criminalist for FY 2016-17.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Torrance Police Department (TPD) desires to retain the services of a senior criminalist to enhance the successful prosecution of criminal cases requiring DNA forensics. The City has contracted for this service since December 1, 2003. The current agreement will expire on June 30, 2016.

The Agreement provides for mutual indemnification. The Agreement may be terminated by either party with 60 calendar days advance written notice to the other party. Notwithstanding, the Sheriff may cancel the provision of services under the Agreement if the Sheriff concludes that he has insufficient available personnel to provide the services required by the Agreement and to perform his duties as required by law.

The Department will assign one full-time equivalent DNA trained senior criminalist, with requisite supplies and equipment, to complete all aspects of TPD's DNA cases. The senior criminalist will provide training and consultation to the City related to forensic DNA testing.

The attached Agreement has been approved as to form by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This Agreement will improve the quality of DNA crime lab services to all of the incorporated cities and the unincorporated areas of the County by enhancing the timeliness for DNA case processing. The County currently offers this service to all of the incorporated cities as a County-wide service without directly recovering cost.

CONCLUSION

Upon Board approval, it is requested that the Executive Officer-Clerk of the Board return the adopted Board letter and two originally executed Agreements to the Department's Contract Law Enforcement Bureau.

Sincerely,

A handwritten signature in black ink, appearing to read "Jim McDonnell". The signature is stylized with a large, looping initial "J" and a cursive "McDonnell".

**EXHIBIT A
STATEMENT OF WORK**

1.0 SCOPE OF WORK

The County, through the Sheriff's Department, will provide the services of one (1) full-time equivalent Senior Criminalist position to assist the City of Torrance, through its Torrance Police Department, in completing forensic DNA testing.

2.0 RESPONSIBILITIES

The Sheriff's Department and the Torrance Police Department duties and responsibilities for the term of the Agreement are as follows:

2.1 SHERIFF'S DEPARTMENT

- 2.1.1 Assigning one (1) full-time equivalent DNA trained Senior Criminalist, with the requisite supplies and equipment, to complete the Torrance Police Department's DNA cases. All analysts examining evidence under this Agreement are required to meet all minimum requirements for education, training, experience, and proficiency testing as required by ASCLD/LAB and the FBI's DNA quality assurance standards.
- 2.1.2 Completing cases and the number and the types of case samples based on the priorities set by the Torrance Police Department, regardless of crime category.
- 2.1.3 Providing direction and training, when necessary, to the Torrance Police Department in areas relating to sample collection, crime scene investigation, case sample testing, policy, and any other type of information requirements or consultations related to forensic DNA testing.
- 2.1.4 Providing, when available and necessary, trained project personnel to respond to crime scenes for consultation and crime scene documentation and collection.
- 2.1.5 Providing a Project Supervisor, who shall act as a central point of contact with the Torrance Police Department. The Project Supervisor/alternate shall have full authority to act for the Sheriff's Department on all matters relating to the daily operation of the Agreement. The Project Supervisor for the Sheriff's Department for all matters relating to the performance of this Agreement shall be the Captain of the Scientific Services Bureau (or his/her designee).

2.1.6 Records of the County's time pertaining to the project, and records of accounts between the City of Torrance and the County, will be kept on a generally recognized accounting basis. The County will also maintain all other records, including without limitation specifications, drawings, progress reports and the like, relating to the project. All records will be available to the City of Torrance during normal working hours. The County will maintain these records for three (3) years after final payment by the City.

2.2 TORRANCE POLICE DEPARTMENT

2.2.1 Providing funding for one (1) full-time equivalent DNA trained Senior Criminalist. The funding shall provide the service to fulfill required practices to be completed by the assigned Sheriff's Department personnel, which include but are not limited to courtroom testimony, reagent preparation, analyst proficiency testing, and other quality assurance measures.

2.2.2 Providing and maintaining the priority list of cases and samples that will be analyzed under the scope of this Agreement. The priority must be clearly communicated to the Project Supervisor and/or the assigned Senior Criminalist.

2.2.3 Allowing the completion of adjoining or nearby city police department cases when the priority of the Torrance Police Department's casework is completed.

2.2.4 Providing a Project Manager, who shall act as a central point of contact with the Sheriff's Department. The Project Manager/alternate shall have full authority to act for the Torrance Police Department on all matters relating to the daily operation of this Agreement. The Chief of the Torrance Police Department is hereby designated as the contact officer for all matters relating to the Los Angeles County Sheriff's Department performance of this Agreement. The Los Angeles County Sheriff's Department shall not take direction from any City of Torrance employee or official other than the contact officer (or his/her designee).

3.0 MATERIALS AND EQUIPMENT

The purchase of all materials and equipment to provide the required services will be provided by the Sheriff's Department. If cost of the materials and equipment to provide services does not meet the Sheriff's Department's current criteria for testing and approval

causes the Sheriff's Department's total cost under the Agreement to exceed the annual billing rates, the Torrance Police Department, at its option, may provide additional funding for the purchase of materials and supplies used during the testing of its cases and samples.

4.0 OVERTIME

The Torrance Police Department shall provide, when available and necessary, funding for optional overtime for the assigned DNA Senior Criminalist or other Sheriff's Department personnel as determined by the Torrance Police Department. Prior to performing any overtime work, the Torrance Police Department shall provide written authorization (memorandum, fax, or email) for the time expenditure. If the overtime work exceeds the Sheriff's Department estimate, the Torrance Police Department Project Manager or assigned designee must be notified and approve the excess cost.

5.0 QUALITY ASSURANCE

The Sheriff's Department has established and utilizes a comprehensive Quality Assurance Program that is appropriate to the testing activities to assure a consistently high level work product. The Torrance Police Department may observe performance and activities, and review documents relevant to this agreement at any time during normal business hours. However, the Torrance Police Department may not unreasonably interfere with the Sheriff's Department's performance nor be able to modify or alter established testing or quality assurance procedures.
