Dear Directors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

1-RA July 19, 2016

LORI GLASGOW
EXECUTIVE OFFICER

**ISSUANCE AND SALE OF COUNTY OF LOS ANGELES REDEVELOPMENT REFUNDING
AUTHORITY TAX ALLOCATION REVENUE REFUNDING BONDS, SERIES2016A
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The Treasurer and Tax Collector (the "Treasurer"), on behalf of the County of Los Angeles Redevelopment Refunding Authority (the "Authority"), is requesting authorization to issue tax allocation revenue refunding bonds (the "2016 Refunding Bonds") in an aggregate principal amount not to exceed \$290 million. Proceeds from the sale of the bonds will be used to purchase tax allocation refunding bonds (the "Local Obligations") issued by CRA-LA, a Designated Local Authority and Successor Agency ("CRA-LA Successor Agency") to the Community Redevelopment Agency of the City of Los Angeles (the "Former RDA"). Such Local Obligations are to be issued for the purpose of achieving debt service savings that will benefit local taxing entities, including the County, that receive a share of the ad valorem property tax.

The 2016 Refunding Bonds are being issued by the Authority pursuant to the State of California Marks-Roos Bond Pooling Act. The payment of debt service on the 2016 Refunding Bonds will be funded exclusively by the CRA-LA Successor Agency with no financial recourse to either the County or the Authority. The issuance of the 2016 Refunding Bonds represents the seventh bond sale to be completed under the County of Los Angeles Redevelopment Bond Refunding Program (the "Program").

IT IS RECOMMENDED THAT THE BOARD:

Adopt the resolution authorizing all necessary actions related to the issuance and sale of the County

of Los Angeles Redevelopment Refunding Authority Tax Allocation Revenue Refunding Bonds, Series 2016A, in an aggregate principal amount not to exceed \$290 million to fund the purchase of the Local Obligations.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Effective February 1, 2012, pursuant to Assembly Bill x1 26 (“AB 26”), redevelopment agencies throughout the State were dissolved and prohibited from engaging in future redevelopment activities.

AB 26 enabled the formation of successor agencies (“Successor Agencies”), which have the responsibility of winding down outstanding obligations of the former redevelopment agencies.

On June 27, 2012, the State passed Assembly Bill 1484 (“AB 1484”), which included provisions permitting Successor Agencies to refund outstanding bonds or other obligations of a former redevelopment agency to achieve savings. While Successor Agencies can refund their bonds utilizing their own staff, underwriters, lawyers and consultants, the Treasurer developed the Program to assist Successor Agencies that may not have the staff or the time to pursue a refunding on their own. To further benefit the Successor Agencies, the Treasurer structured the Program to include the following key benefits:

1. The County financing team assumes responsibility for marketing the refunding bonds, managing the credit rating process, and coordinating the approval process with the State Department of Finance.
2. The issuance of multiple series of refunding bonds achieves economies of scale, resulting in reduced costs of issuance for each participating Successor Agency.
3. The Treasurer assumes the ongoing continuing disclosure responsibility by serving as dissemination agent for the Local Obligations.
4. Structural enhancements, including the County's intercept of debt service payments, improves the marketability of the refunding bonds and results in lower interest rates and increased savings.

Since the Program was first established in 2013, nine Successor Agencies have participated and over \$624 million of tax allocation bonds have been successfully refunded. The refunding transactions have generated gross savings in excess of \$166 million that are beginning to be recognized as additional revenue by the County and other local taxing entities.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness/Fiscal Sustainability through collaborative actions between the County and local agencies to refinance outstanding bond obligations of various Successor Agencies to secure additional property tax revenue for the local taxing entities, including the County General Fund.

FISCAL IMPACT/FINANCING

The proposed financing is scheduled to close in August 2016 and will consist of approximately \$250 million of taxable debt. The CRA-LA Successor Agency has previously obtained its governing board and oversight board approvals for the proposed refunding.

The total projected debt service savings for the 2016 Refunding Bonds is estimated to be greater than \$74 million. These savings will translate to additional property tax revenue for the local taxing agencies that have jurisdiction over the 31 redevelopment project areas within the City of Los Angeles. By lowering the amount of future principal and interest payments on their tax allocation bonds, the CRA-LA Successor Agency will be able to reduce the amount requested on its annual Recognized Obligation Payment Schedules (ROPS). This will result in a smaller claim on tax increment revenues and an increased residual distribution to those local agencies that receive a share of the ad valorem property tax.

Of the projected debt service savings, the City of Los Angeles is expected to receive at least 25% of the additional property tax revenues. The County itself can expect to receive approximately 25% of the gross debt service savings, which is projected to result in over \$18.5 million of additional property tax revenue over the life of the bonds. The County General Fund will receive the greatest share of this savings, but certain amounts will also benefit the Flood Control District, Consolidated Fire Protection District, and County Library District.

Upon the successful sale of the 2016 Refunding Bonds, the County will have refunded approximately \$890 million of tax allocation bonds through the Program, with an estimated savings in excess of \$240 million over the life of the refunding bonds. Based on a conservative estimate, this translates to a total increase of approximately \$60 million in County property tax revenue which will be achieved over the same period.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The 2016 Refunding Bonds will be issued pursuant to Health and Safety Code Section 34177.5 and Government Code Section 53580. Utilizing a Marks-Roos structure, the Authority will issue a single series of tax allocation revenue refunding bonds to purchase the Local Obligations. Both the 2016 Refunding Bonds and the underlying Local Obligations will be secured by a pledge of tax increment revenues from each of the 31 CRA-LA Successor Agency project areas.

As a source of financing for its many redevelopment projects, the Former RDA was a large and frequent issuer of tax allocation bonds for its various project areas. The 2016 Refunding Bonds will serve to refinance 46 different series previously issued bonds across 24 project areas. This comprehensive financing effort will be the third and final refunding transaction to be undertaken by the CRA-LA Successor Agency through the Program. In terms of the number of prior bond series being refunded, the 2016 Refunding Bonds are expected to be the largest single refunding transaction ever completed on behalf of a single California borrower. By participating in the Program, the CRA-LA Successor Agency is able to take advantage of the program benefits highlighted above and significantly reduce the Agency's bond-related tasks going forward.

To assist the County with the August 2016 refunding transaction, the Treasurer has assembled a team of professionals with extensive experience in redevelopment financing. Based on the results of a formal solicitation process, Stifel, Nicolaus & Company, Inc. was selected to be the senior managing underwriter, and Citigroup as co-senior manager. KNN Public Finance has been selected as financial advisor, Keyser Marston Associates as fiscal consultant, and Stradling Yocca Carlson & Rauth was chosen as bond and disclosure counsel. Jones Hall will serve as counsel to the underwriters.

CONCLUSION

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

WHEREAS, California Health and Safety Code Section 34179(a) provides that each successor agency shall have an oversight board composed of seven members; and

WHEREAS, an oversight board (the “**Oversight Board**”) for CRA/LA has been duly established pursuant to California Health and Safety Code Section 34179(a); and

WHEREAS, the County of Los Angeles (the “**County**”), a political subdivision of the State and taxing entity recipient of property tax revenues, represented by voting membership on the Oversight Board, has developed a program (the “**Refunding Program**”) to assist successor agencies within the County in refunding bonds or other indebtedness pursuant to AB 1484 in order to provide debt service savings to participating successor agencies within the County, efficiencies in issuance and cost of issuance savings; and

WHEREAS, in order to facilitate the Refunding Program, the County of Los Angeles Redevelopment Refunding Authority (the “**Issuer**”) has been created pursuant to a Joint Exercise of Powers Agreement, dated August 6, 2013, by and between the Los Angeles County Public Works Financing Authority and the County; and

WHEREAS, the Refunding Program contemplates the issuance of revenue bonds to be offered to the public in connection with the proposed refunding of all or a portion of the Former RDA Obligations through the issuance by the Issuer, in one or more series, of its Tax Allocation

Revenue Refunding Bonds, with such other name and series designation as shall be deemed appropriate (the “**Bonds**”), pursuant to the Marks-Roos Local Bond Pooling Act of 1985, constituting Section 6584 *et seq.* of the California Government Code (the “**Act**”), and under the terms of a trust agreement (the “**Trust Agreement**”), by and between the Issuer and U.S. Bank National Association, as trustee (the “**Trustee**”); and

WHEREAS, CRA/LA has determined that it is advisable to issue, in one or more series, its Tax Allocation Refunding Bonds (the “**Local Obligations**”), with such other name and series designation as shall be deemed appropriate, which Local Obligations shall be sold to the Issuer pursuant to the Act, in order to refund all or a portion of the Former RDA Obligations and thereby cause the refunding or defeasance of the related Outstanding JPA Obligations; and

WHEREAS, there are potential debt service savings that can be achieved through a refunding of the Former RDA Obligations, and CRA/LA has determined to issue the Local Obligations, in one or more series and with such other name and series designation as shall be deemed appropriate, for the purposes of: (i) refunding all or a portion of the Former RDA Obligations, thereby causing the redemption and defeasance of the related Outstanding JPA Obligations; (ii) paying the costs of issuing the Local Obligations and CRA/LA’s share (as determined by the Issuer) of costs incident to the authorization, issuance and sale of the Bonds; (iii) funding a reserve account and/or providing for a reserve policy or surety for deposit to the reserve account for the Local Obligations in lieu of funding all or a portion of such reserve account with bond proceeds; and (iv) if advisable, paying for the cost of municipal bond insurance for the Bonds; and

WHEREAS, the Oversight Board, pursuant to California Health and Safety Code Section 34177.5(f), has approved CRA/LA’s issuance of the Local Obligations to refund the Former RDA Obligations, thereby generating debt service savings; and

WHEREAS, the Local Obligations, when issued, will be payable from amounts on deposit in the Redevelopment Property Tax Trust Fund of CRA/LA and allocated to CRA/LA’s Redevelopment Obligation Retirement Fund pursuant to an Indenture of Trust (the “**Indenture**”), by and between CRA/LA and the Trustee; and

WHEREAS, CRA/LA has determined pursuant to Section 6588(v) of the California Government Code to sell the Local Obligations to the Issuer pursuant to a local obligation purchase contract (the “**Local Obligation Purchase Contract**”) by and between CRA/LA and the Issuer, and hereby finds and determines that such sale will result in significant public benefits, including demonstrable savings in effective interest rate, bond preparation, bond underwriting discount, original issue discount or bond issuance costs and more efficient delivery of local agency services to residential and commercial development; and

WHEREAS, Stifel, Nicolaus & Company, Incorporated and Citigroup Global Markets Inc. (collectively, the “**Underwriters**”), have submitted to the Issuer a proposed form of an agreement to purchase the Bonds (the “**Bond Purchase Agreement**”) by and between the Underwriters and the Issuer, which includes a Letter of Representations (the “**Letter of Representations**”) to be executed by CRA/LA; and

WHEREAS, Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 (“**Rule 15c2-12**”) requires that, in order to be able to purchase or sell the Bonds, the Underwriters must have reasonably determined that CRA/LA, as an obligated person, has undertaken in a written agreement or contract for the benefit of the holders of the Bonds to provide disclosure of certain financial information and operating data and certain enumerated events on an ongoing basis; and

WHEREAS, in order to cause such requirement to be satisfied, the Issuer desires to execute a continuing disclosure agreement (the “**Continuing Disclosure Agreement**”) by and between CRA/LA and the Issuer, pursuant to which CRA/LA and the Issuer will provide annual disclosure and notices of certain enumerated events; and

WHEREAS, the Board of Directors of the Issuer (the “**Board of Directors**”) has determined that securing the timely payment of the principal of and interest on one or more series of Bonds, or on the related series of Local Obligations, by obtaining one or more municipal bond insurance policies with respect thereto could be economically advantageous to the Issuer; and

WHEREAS, the Board of Directors has been presented with the form of each document to be entered into by the Issuer referred to herein relating to the actions contemplated hereby, and the Board of Directors has examined and approved each document and desires to authorize and direct the execution of such documents and the consummation of such actions, as follows:

- (f) a form of First Amendment to Continuing Disclosure Agreements; and

WHEREAS, all acts, conditions and things required by the Constitution and laws of the State to exist, to have happened and to have been performed precedent to and in connection with the consummation of the actions authorized hereby do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the Issuer is now duly authorized and empowered, pursuant to each and every requirement of law, to consummate such actions for the purpose, in the manner and upon the terms herein provided;

TRUST AGREEMENT

THIS TRUST AGREEMENT, dated as of _____ 1, 2016 (the “**Trust Agreement**”), is by and between the COUNTY OF LOS ANGELES REDEVELOPMENT REFUNDING AUTHORITY, a joint exercise of powers agency established pursuant to the laws of the State of California (the “**Authority**”), and U.S. BANK NATIONAL ASSOCIATION, a national banking association duly organized and existing under the laws of the United States of America, as trustee (the “**Trustee**”).

RECITALS

A. Pursuant to the Community Redevelopment Law (Part 1 of Division 24 of the California Health and Safety Code (referred to herein as the “**Law**”)), the City Council of the City of Los Angeles (the “**City**”) created the former Community Redevelopment Agency of the City of Los Angeles (the “**Former RDA**”).

B. The Former RDA was a redevelopment agency, a public body, corporate and politic duly created, established and authorized to transact business and exercise its powers, all under and pursuant to the Law, and the powers of the Former RDA included the power to issue bonds, notes, certificates of participation or other evidence of indebtedness for any of its corporate purposes.

C. California Assembly Bill No. 26 (First Extraordinary Session) (“**AB X1 26**”) enacted on June 28, 2011, dissolved all redevelopment agencies in existence in the State of California (the “**State**”) as of February 1, 2012, and designated successor agencies and oversight boards to satisfy enforceable obligations of the former redevelopment agencies and wind down the activities of the former redevelopment agencies.

D. Pursuant to AB X1 26, on January 11, 2012, the City Council of the City, as part of City Council File No. 12-0049, elected not to become the successor agency for the Former RDA.

E. Subsequently, and as authorized by State law, the State Governor appointed three County of Los Angeles residents to serve as the governing board of the Designated Local Authority (“**CRA/LA-DLA**”).

F. Pursuant to Section 34173 of AB X1 26, CRA/LA-DLA adopted Resolution No. 001 on February 3, 2012, to establish the Agency to serve as the successor agency to the Former RDA (“**CRA/LA**”).

G. Assembly Bill No. 1484 (“**AB 1484**”), which was enacted on June 27, 2012, provides a mechanism to refund outstanding bonds or other indebtedness of dissolved redevelopment agencies under certain circumstances.

H. The Former RDA previously issued or executed, as applicable, the obligations (collectively, the “**Refunded Bonds**”) listed in Appendix C to the Local Obligation Indenture (as such term is defined herein), including certain Refunded Bonds that were sold, immediately upon their issuance, to the Community Redevelopment Financing Authority of the Community Redevelopment Agency of the City of Los Angeles (“**CRFA**”) in connection with the issuance by CRFA of the respective obligations marked with an asterisk in Appendix C to the Local Obligation Indenture.

I. The Agency desires to refund or prepay, as applicable, the Refunded Bonds pursuant to AB 1484 in order to achieve debt service savings.

J. California Health and Safety Code Section 34177.5(a) authorizes successor agencies to refund outstanding bonds or other indebtedness provided that: (i) the total interest cost to maturity on the refunding bonds or other indebtedness, plus the principal amount of the refunding bonds or other indebtedness, does not exceed the total remaining interest cost to maturity on the bonds or other indebtedness to be refunded, plus the remaining principal of the bonds or other indebtedness to be refunded; and (ii) the principal amount of the refunding bonds or other indebtedness does not exceed the amount required to defease the bonds or other indebtedness to be refunded, to establish customary debt service reserves and to pay related costs of issuance.

K. Section 34177.5(b) of the California Health and Safety Code authorizes successor agencies to issue refunding bonds pursuant to Article 11 (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code.

L. The County of Los Angeles (the “**County**”), a political subdivision of the State and taxing entity recipient of property tax revenues, has developed a program (the “**Refunding Program**”) to assist successor agencies within the County in refunding bonds or other indebtedness pursuant to AB 1484 in order to provide debt service savings to participating successor agencies within the County, efficiencies in issuance and cost of issuance savings.

M. In order to facilitate the Refunding Program, the Authority has been created pursuant to a Joint Exercise of Powers Agreement, dated August 6, 2013, by and between the Los Angeles County Public Works Financing Authority and the County.

N. The Authority is empowered under the provisions of Article 4, Chapter 5, Division 7, Title 1 of the California Government Code to issue bonds for the purpose of purchasing local obligations issued by certain local agencies and for other purposes, including refunding any of its then-outstanding bonds, and the purchase of tax allocation obligations issued by successor agencies as described in Section 34173 of the California Health and Safety Code, and the Authority has determined to issue the Bonds in order to provide funds to acquire the Local Obligations (as such term is defined herein).

O. The Agency has determined to issue the Local Obligations in order: (i) to refund the Refunded Bonds; (ii) to provide for a bond insurance and a reserve policy or surety for deposit to the reserve account for the Local Obligations; and (iii) to pay the costs of issuance of the Local Obligations, and to sell such Local Obligations to the Authority.

P. The Local Obligations will be secured by a pledge of, and lien on, and shall be repaid from Tax Revenues (as such term is defined in the Local Obligation Indenture) and certain moneys deposited from time to time in the Redevelopment Property Tax Trust Fund established pursuant to subdivision (c) of Section 34172 of the California Health and Safety Code.

Q. The Authority has determined that it would be in the best interests of the Authority to assist the Agency in refunding the Refunded Bonds pursuant to AB 1484.

R. All things necessary to make the Bonds, when authenticated by the Trustee and issued as provided in this Trust Agreement, the valid, binding and legal obligations of the Authority according to the import thereof and hereof have been done and performed.

S. The Authority, in consideration of the premises, the acceptance by the Trustee of the trusts hereby created, the purchase and acceptance of the Bonds by the purchasers thereof and other good and valuable consideration, the receipt of which is hereby acknowledged, and in order to secure the payment of the interest on and the principal of and the redemption premium, if any, on all Bonds Outstanding hereunder from time to time according to their tenor and effect, and such other payments required to be made under the Trust Agreement, and to secure the observance and performance by the Authority of all of the agreements, conditions, covenants and terms expressed and implied herein and in the Bonds, does hereby assign, bargain, convey, grant, mortgage and pledge a security interest unto the Trustee, and unto its successors in the trusts hereunder, and to them and their successors and assigns forever, in all right, title and interest of the Authority in, to and under, subject to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein, each and all of the following (collectively the “**Trust Estate**”):

- (a) the Revenues (as such term is defined herein);
- (b) the amounts in the Funds (as such term is defined herein) established by the Trust Agreement; and
- (c) the Local Obligations (as such term is defined herein).

TO HAVE AND TO HOLD IN TRUST all of the same hereby assigned, conveyed and pledged or agreed or intended so to be to the Trustee and its successors and assigns forever for the equal and ratable benefit of the Owners from time to time of the Bonds authenticated hereunder and issued by the Authority and outstanding and without any priority as to the Trust Estate of any one Bond over any other (except as expressly provided in or permitted by the Trust Agreement), upon the trusts and subject to the agreements, conditions, covenants and terms hereinafter set forth.

It is expressly declared that all Bonds issued and secured hereunder are to be issued, authenticated and delivered and all of the rights and property hereby assigned, bargained, conveyed, granted, mortgaged and pledged are to be dealt with and disposed of under, upon and subject to the agreements, conditions, covenants, purposes, terms, trusts and uses as hereinafter expressed, and the Authority has agreed and covenanted, and does hereby agree and covenant, with the Trustee and with the Owners from time to time of the Bonds, as follows:

There shall be issued under and secured by the Trust Agreement bonds in the form of fully registered bonds to be designated “County of Los Angeles Redevelopment Refunding Authority Tax Allocation Revenue Refunding Bonds, Series 2016A (Federally Taxable)” in the aggregate principal amount of \$_____. The Bonds shall be registered initially in the name of “Cede & Co.,” as nominee of the Securities Depository, and shall be evidenced by one bond for each maturity and series of Bonds in the principal amount of the respective maturities of Bonds.

Registered ownership of the Bonds, or any portion thereof, may not thereafter be transferred except as set forth herein. The Bonds shall be dated their date of initial delivery and shall bear interest at the rates specified in the table below, such interest being payable on each Interest Payment Date, and shall mature on the Principal Payment Dates in the following years in the following principal amounts, namely:

<i>Principal Payment Date (September 1)</i>	<i>Principal Amount</i>	<i>Interest Rate</i>
	\$	%

The principal of and redemption premium, if any, and interest on the Bonds shall be payable by check in lawful money of the United States of America. The Bonds shall be issued as fully registered bonds in Authorized Denominations and shall be numbered as the Authority shall determine. The Bonds shall bear interest from their date of initial delivery. Payment of the interest on any Bond shall be made to the Person whose name appears on the Bond Register as the Owner thereof as of the Record Date, such interest to be paid by check mailed by first class mail on the Interest Payment Date to the Owner at the address which appears on the Bond Register as of the Record Date for that purpose; except that in the case of an Owner of one million dollars (\$1,000,000) or more in aggregate principal amount of Bonds, upon written request of such Owner to the Trustee, in form satisfactory to the Trustee, received not later than the Record Date, such interest shall be paid on the Interest Payment Date in immediately available funds by wire transfer. The principal of and redemption premium, if any, on the Bonds shall be payable at the Principal Corporate Trust Office of the Trustee upon presentation and surrender of such Bonds. Interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

Notwithstanding any other provision herein contained, any interest not punctually paid or duly provided for, as a result of an Event of Default or otherwise, shall forthwith cease to be payable to the Owner on the Record Date and shall be paid to the Owner in whose name the Bond is authenticated at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Trustee, notice whereof being given to the Owners not less than ten (10) days prior to such Special Record Date.

Section 2.02 Form of Bonds. The Bonds and the certificate of authentication and assignment forms to appear thereon shall be in substantially the forms set forth in Exhibit A, with such variations, insertions or omissions as are appropriate and not inconsistent herewith.

Section 2.03 Bonds Mutilated, Destroyed, Stolen or Lost. In the event that any Bond, whether temporary or definitive, is mutilated, lost, stolen or destroyed, the Authority may execute and, upon its request in writing, the Trustee shall authenticate and deliver a new Bond of the same principal amount and maturity as the mutilated, lost, stolen or destroyed Bond in exchange and

In every case of loss, theft or destruction of a Bond, the applicant shall also furnish to the Authority and the Trustee evidence to their satisfaction of the loss, theft or destruction and of the identity of the applicant, and in every case of mutilation of a Bond, the applicant shall surrender the Bond so mutilated.

Upon the issuance of any substitute Bond, the Authority and the Trustee may charge the Owner of such Bond their reasonable fees and expenses in connection therewith. Every substitute Bond issued pursuant to the provisions of this section by virtue of the fact that any Bond is lost, stolen or destroyed shall constitute an original additional contractual obligation of the Authority, whether or not the lost, stolen or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all of the benefits of the Trust Agreement equally and proportionally with any and all other Bonds duly issued under the Trust Agreement to the same extent as the Bonds in substitution for which such Bonds were issued.

If any of the officers who shall have signed any of the Bonds shall cease to be such officer of the Authority before the Bonds so signed shall have been actually authenticated by the Trustee or delivered, such Bonds nevertheless may be authenticated, issued and delivered with the same force and effect as though the Person or Persons who signed such Bonds had not ceased to be such officer of the Authority, and any such Bond may be signed on behalf of the Authority by those Persons who, at the actual date of the execution of such Bonds, shall be the proper officers of the Authority, although at the date of such Bond any such Person shall not have been such officer of the Authority.

All Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in form and with guaranty of signature satisfactory to the Trustee, duly executed by the Owner or by his attorney duly authorized in writing, and all such Bonds shall be surrendered to the Trustee and cancelled by the Trustee pursuant to Section 2.08. Authority nor the Trustee shall be affected by any notice to the contrary. Payment of, or on account of, the principal of and redemption premium, if any, on and interest on any Bond shall be made to such Owner or, if such Owner owns \$1,000,000 or more in aggregate principal amount of the Bonds, by wire transfer of immediately available funds to an account in the United States in accordance with written instructions upon such Owner's written order. (c) New Bonds delivered upon any transfer or exchange shall be valid obligations of the Authority, evidencing the same debt as the Bonds surrendered, shall be secured by the Trust Agreement and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

Section 2.07 Authentication of Bonds. No Bond shall be secured by the Trust Agreement, be entitled to its benefits or be valid or obligatory for any purpose unless there shall be endorsed on such Bond the Trustee's certificate of authentication, substantially in the form prescribed in the Trust Agreement, executed by the manual signature of a duly authorized signatory of the Trustee; and such certificate on any Bond issued by the Authority shall be conclusive evidence and the only competent evidence that such Bond has been duly authenticated and delivered under the Trust Agreement.

Upon written request of the Authority deliver a certificate of destruction with respect thereto to the Authority.

Section 2.09 Bonds as Special Obligations. The Bonds shall be special obligations of the Authority, payable and secured as to the payment of the principal thereof and the redemption premium, if any, and the interest thereon in accordance with their terms and the terms of the Trust Agreement, solely from the Trust Estate. The Bonds shall not constitute a charge against the general credit of the Authority or any of its members, and under no circumstances shall the Authority be obligated to pay principal of or redemption premium, if any, or interest on the Bonds except from the Trust Estate. Neither the State nor any public agency (other than the Authority) nor any member of

the Authority is obligated to pay the principal of or redemption premium, if any, or interest on the Bonds, and neither the faith and credit nor the taxing power of the State or any public agency thereof or any member of the Authority is pledged to the payment of the principal of or redemption premium, if any, or interest on the Bonds. The payment of the principal of or redemption premium, if any, or interest on the Bonds does not constitute a debt, liability or obligation of the State or any public agency (other than the Authority) or any member of the Authority.

No agreement or covenant contained in any Bond or the Trust Agreement shall be deemed to be an agreement or covenant of any officer, member, agent or employee of the Authority in his or her individual capacity, and neither the members of the Authority nor any officer or employee thereof executing the Bonds shall be liable personally on any Bond or be subject to any personal liability or accountability by reason of the issuance of such Bonds.

(f) A Cash Flow Certificate to the effect that, assuming that all payments are made with respect to the Local Obligations: (i) the Revenues, together with moneys on deposit in other funds and accounts held under the Trust Agreement, will be sufficient to pay all scheduled principal and interest payments on the Bonds when due; and (ii) the redemption premium, if any, on the Local Obligations payable in the event of early retirement of the Local Obligations, together with other Revenues available to the Trustee for such purpose, are sufficient to offset any difference between the interest to accrue on the Bonds to be paid or redeemed with the proceeds of Prepayment of such Local Obligations (plus any redemption premium payable upon redemption of such Bonds) and the income to be earned on any investment of such proceeds (assured as of the date of payment thereof), in each case until the date of payment or redemption of Bonds, such that in no event will the Prepayment of the Local Obligations cause the Trustee to have insufficient funds to pay: (A) debt service on the Bonds when due; and (B) scheduled debt service on the Bonds which remain Outstanding after such redemption, plus in each case expenses;

(g) An original executed counterpart of the Trust Agreement;

(h) The Local Obligations; and

(i) An Opinion or Opinions of Bond Counsel to the effect that each of the Local Obligations is a valid and binding obligation of the Agency.

Section 3.02 No Additional Bonds. The Authority shall not issue or incur additional indebtedness secured by a lien on any part of the Trust Estate.

ARTICLE IV

REDEMPTION AND PURCHASE OF BONDS

Section 4.01 Privilege of Redemption and Redemption Price. Bonds that are subject to redemption prior to maturity pursuant to the Trust Agreement shall be redeemable, upon mailed notice as provided in this Article, at such times and upon such terms as are contained in this Article. Whenever, by the terms of the Trust Agreement, the Trustee is required or authorized to redeem Bonds, the Trustee shall select the Bonds to be redeemed, give the notice of redemption and pay out of moneys available therefor the redemption price thereof, plus interest accrued and unpaid to the redemption date, in accordance with the terms of this Article.

Section 4.02 Redemption of Bonds.

(a) *Mandatory Redemption from Sinking Fund Installments.* (i) The Bonds maturing on September 1, 20__ are subject to mandatory redemption in part by lot on September 1 in each year commencing September 1, 20__, at the principal amount thereof plus accrued interest thereon to the date fixed for redemption in accordance with the following schedule:

Redemption Date
(September 1)

Principal Amount

\$

*

* Maturity.

(ii) In the event that Bonds that are subject to mandatory redemption pursuant to this subsection (a) are redeemed in part prior to their stated maturity date from any moneys other than Principal Installments, the remaining Principal Installments for such Bonds shall be reduced as directed by the Authority.

(b) *Mandatory Redemption from Prepayments.* The Bonds shall be subject to mandatory redemption on or after ____ 1, 20__, in whole or in part on any date, from and to the extent of any Prepayments with respect to the Local Obligations, at a redemption price equal to the principal amount of the Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption.

The Authority shall give the Trustee written notice of the redemption of Bonds pursuant to this subsection not less than 35 days prior to the applicable redemption date, unless a later date is agreed to by the Trustee. Such written notice shall be accompanied by the Written Request of the Agency (as such term is defined in the Local Obligation Indenture) required to be delivered to, and the Cash Flow Certificate of an Independent Financial Consultant required to be filed with, the Agency Trustee pursuant to Section 2.04(a) of the Local Obligation Indenture, and no such redemption of Bonds shall occur unless such written notice is so accompanied by such Written Request of the Agency and such Cash Flow Certificate of an Independent Financial Consultant. In the event that the Agency Trustee shall mail notice of the redemption of any Local Obligations that will produce Prepayments with respect to Local Obligations, the Trustee shall concurrently mail notice of the redemption of Bonds pursuant to this subsection, such redemption to occur on the date fixed for such redemption of such Local Obligations. On the date of such redemption of the Local Obligations, the proceeds of such redemption shall be applied by the Trustee to pay the redemption price of Bonds pursuant to this subsection.

(c) *Mandatory Redemption as a Result of Acceleration.* The Bonds shall be subject to mandatory redemption, in whole or in part on any date, from and to the extent of any amounts received with respect to any Local Obligations as a result of the acceleration of amounts due on such Local Obligations upon an event of default thereunder, at a redemption price equal to the principal amount of the Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption. Whenever less than all of the Bonds are to be redeemed pursuant to this subsection (c), the Trustee shall, on or prior to the redemption date, receive a Cash Flow Certificate specifying the maturity or maturities of Bonds to be redeemed and showing that the remaining payments of principal of and interest on Local Obligations, together with other Revenues available to the Trustee, will be sufficient to pay on a timely basis the principal of and the interest on the Bonds not so redeemed when due. In the event of acceleration of amounts due on the Local Obligations, payments with respect to the Local Obligations and the Bonds remain subject to the prior lien of the Senior Bonds (as such term is defined in the Local Obligation Indenture).

(d) *[Make-Whole Optional Redemption of the Bonds]*. The Bonds are further subject to optional redemption prior to their respective maturity dates as a whole, or in part by lot, on any date before ____ 1, 20__, by such maturity or maturities as shall be directed by the Authority (or in absence of such direction, pro rata by maturity and by lot within a maturity), from any source of available funds. Such optional redemption shall be at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued but unpaid interest to the date fixed for redemption, together with the Make-Whole Premium (as such term is defined herein).

The term “Make-Whole Premium” means, with respect to any Bond to be redeemed, an amount provided to the Trustee by the Authority which has been calculated by an Independent Banking Institution (as such term is defined herein) to be equal to the positive difference, if any, between:

(1) The sum of the present values, calculated as of the date fixed for redemption of:

(A) Each interest payment that, but for the redemption, would have been payable on the Bond or portion thereof being redeemed on each regularly scheduled Interest Payment Date occurring after the date fixed for redemption through the maturity date of such Bond (excluding any accrued interest for the period prior to the date fixed for redemption); provided, that if the date fixed for redemption is not a regularly scheduled Interest Payment Date with respect to such Bond, the amount of the next regularly scheduled interest payment will be reduced by the amount of interest accrued on such Bond to the date fixed for redemption; plus

(B) The principal amount that, but for such redemption, would have been payable on the maturity date of the Bond or portion thereof being redeemed; minus

(2) The principal amount of the Bond or portion thereof being redeemed.

The present values of the interest and principal payments referred to in clause (1) above will be determined by discounting the amount of each such interest and principal payment from the date that each such payment would have been payable but for the redemption to the date fixed for redemption on a semiannual basis (assuming a 360-day year consisting of twelve (12) 30-day months) at a discount rate equal to the Comparable Treasury Yield (as defined herein), plus 25 basis points.

The term “Comparable Treasury Yield” means the yield which represents the weekly average yield to maturity for the preceding week appearing in the most recently published statistical release designated “H.15(519) Selected Interest Rates” under the heading “Treasury Constant Maturities,” or any successor publication selected by the Independent Banking Institution that is published weekly by the Board of Governors of the Federal Reserve System and that establishes yields on actively traded United States Treasury securities adjusted to constant maturity, for the maturity corresponding to the remaining term to maturity of the Bond being redeemed. The Comparable Treasury Yield will be determined as of the fifteenth day immediately preceding the applicable date fixed for redemption. If the H.15(519) statistical release sets forth a weekly average yield for United States Treasury securities that have a constant maturity that is the same as the remaining term to maturity of the Bond being redeemed, then the Comparable Treasury Yield will be equal to such weekly average yield. In all other cases, the Comparable Treasury Yield will be calculated by interpolation on a straight-line basis, between the weekly average yields on the United States Treasury securities that have a

constant maturity (i) closest to and greater than the remaining term to maturity of the Bond being redeemed; and (ii) closest to and less than the remaining term to maturity of the Bond being redeemed. Any weekly average yields calculated by interpolation will be rounded to the nearest 1/100th of 1%, with any figure of 1/200th of 1% or above being rounded upward.

If, and only if, weekly average yields for United States Treasury securities for the preceding week are not available in the H.15(519) statistical release or any successor publication, then the Comparable Treasury Yield will be the rate of interest per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price (each as defined herein) as of the date fixed for redemption.

“Comparable Treasury Issue” means the United States Treasury security selected by the Independent Banking Institution as having a maturity comparable to the remaining term to maturity of the Bond being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term to maturity of the Bond being redeemed.

“Independent Banking Institution” means an investment banking institution of national standing which is a primary United States government securities dealer in the City of New York designated by the Authority (which may be one of the underwriters of the Bonds). If the Authority fails to appoint an Independent Banking Institution at least 45 days prior to the date fixed for redemption, or if the Independent Banking Institution appointed by the Authority is unwilling or unable to determine the Comparable Treasury Yield, the Comparable Treasury Yield will be determined by an Independent Banking Institution designated by the Authority.

“Comparable Treasury Price” means, with respect to any date on which a Bond or portion thereof is being redeemed, either: (I) the average of five Reference Treasury Dealer quotations for the date fixed for redemption, after excluding the highest and lowest such quotations; and (II) if the Independent Banking Institution is unable to obtain five such quotations, the average of the quotations that are obtained. The quotations will be the average, as determined by the Independent Banking Institution, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of principal amount) quoted in writing to the Independent Banking Institution, at 5:00 p.m. New York City time on the fifteenth day preceding the date fixed for redemption.

“Reference Treasury Dealer” means a primary United States Government securities dealer in the United States appointed by the Authority and reasonably acceptable to the Independent Banking Institution (which may be one of the underwriters of the Series 2016 Bonds). If the Authority fails to select the Reference Treasury Dealers within a reasonable period of time, the Authority will select the Reference Treasury Dealers.]

Section 4.03 Notice of Redemption. In the case of any redemption of Bonds, the Trustee shall give notice, as hereinafter in this section provided, that Bonds, identified by CUSIP numbers, serial numbers and maturity date, have been called for redemption and, in the case of Bonds to be redeemed in part only, the portion of the principal amount thereof that has been called for redemption (or if all the Outstanding Bonds are to be redeemed, so stating, in which event such serial numbers may be omitted), that they will be due and payable on the date fixed for redemption (specifying such date) upon surrender thereof at the Principal Corporate Trust Office, at the redemption price

(specifying such price), together with any accrued interest to such date, and that all interest on the Bonds, or portions thereof, so to be redeemed will cease to accrue on and after such date and that, from and after such date, such Bond or such portion shall no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof shall have no rights in respect of such redeemed Bond or such portion except to receive payment from such moneys of such redemption price plus accrued interest to the date fixed for redemption.

Such notice shall be mailed by first class mail, postage prepaid, at least twenty (20) but not more than sixty (60) days before the date fixed for redemption, to the Securities Depository, the MSRB and the Owners of such Bonds, or portions thereof, so called for redemption, at their respective addresses as the same shall last appear on the Bond Register. No notice of redemption need be given to the Owner of a Bond to be called for redemption if such Owner waives notice thereof in writing, and such waiver is filed with the Trustee prior to the redemption date. Neither the failure of an Owner to receive notice of redemption of Bonds hereunder nor any error in such notice shall affect the validity of the proceedings for the redemption of Bonds.

Any notice of redemption may be expressly conditional and may be rescinded by Written Order given to the Trustee not later than the date fixed for redemption. Upon receipt of such Written Order, the Trustee shall promptly mail notice of such rescission to the same parties that were mailed the original notice of redemption.

Section 4.04 Selection of Bonds for Redemption. Whenever less than all of the Outstanding Bonds of any one maturity are to be redeemed on any one date, the Trustee shall select the particular Bonds to be redeemed by lot and, in selecting the Bonds for redemption, the Trustee shall treat each Bond of a denomination of more than five thousand dollars (\$5,000) as representing that number of Bonds of five thousand dollars (\$5,000) denomination which is obtained by dividing the principal amount of such Bond by five thousand dollars (\$5,000), and the portion of any Bond of a denomination of more than five thousand dollars (\$5,000) to be redeemed shall be redeemed in an Authorized Denomination. The Trustee shall promptly notify the Authority in writing of the numbers of the Bonds so selected for redemption in whole or in part on such date.

Section 4.05 Payment of Redeemed Bonds. If notice of redemption has been given or waived as provided in Section 4.03, the Bonds or portions thereof called for redemption shall be due and payable on the date fixed for redemption at the redemption price thereof, together with accrued interest to the date fixed for redemption, upon presentation and surrender of the Bonds to be redeemed at the office specified in the notice of redemption. If there shall be called for redemption less than the full principal amount of a Bond, the Authority shall execute and deliver and the Trustee shall authenticate, upon surrender of such Bond, and without charge to the Owner thereof, Bonds of like interest rate and maturity in an aggregate principal amount equal to the unredeemed portion of the principal amount of the Bonds so surrendered in such Authorized Denominations as shall be specified by the Owner.

If any Bond or any portion thereof shall have been duly called for redemption and payment of the redemption price, together with unpaid interest accrued to the date fixed for redemption, shall have been made or provided for by the Authority, then interest on such Bond or such portion shall cease to accrue from such date, and from and after such date such Bond or such portion shall no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof shall have no rights in respect of such Bond or such portion except to receive payment of such redemption price and unpaid interest accrued to the date fixed for redemption.

Section 4.06 Purchase in Lieu of Redemption. In lieu of redemption of any Bond pursuant to the provisions of Section 4.02, amounts on deposit in the Principal Fund or in the Redemption Fund may also be used and withdrawn by the Trustee at any time prior to selection of Bonds for redemption having taken place with respect to such amounts, upon a Written Order for the purchase of such Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Fund) as the Authority may in its discretion determine, but not in excess of the redemption price thereof plus accrued interest to the purchase date. All Bonds so purchased shall be delivered to the Trustee for cancellation.

ARTICLE V

REVENUES AND FUNDS

Section 5.01 Establishment of Funds. There are hereby established with the Trustee, and the Trustee hereby agrees to maintain, the following special trust funds for the Bonds, which the Trustee shall keep separate and apart from all other funds and moneys held by it: (a) the Revenue Fund (and the Debt Service Account and the Prepayment Account therein); (b) the Interest Fund; (c) the Principal Fund; (d) the Costs of Issuance Fund; and (e) the Redemption Fund.

Section 5.02 Deposit of Proceeds of Bonds and Other Moneys. The proceeds received from the sale of the Bonds in the amount of \$_____ shall be applied as follows: (a) \$_____ of such amount shall be applied by the Trustee to the purchase of the Local Obligations; and (b) \$_____ of such amount shall be deposited in the Costs of Issuance Fund.

Section 5.03 Revenue Fund. (a) All Revenues, other than Revenues described in subsection (b), received by the Trustee shall be deposited by the Trustee into the Debt Service Account within the Revenue Fund, which account is hereby created. The Trustee shall transfer Revenues from the Debt Service Account, in the amounts and at the times specified in Sections 5.04 and 5.05 for deposit into the following respective funds in the following order of priority, the requirements of each fund to be fully satisfied, leaving no deficiencies therein, prior to any deposit into any fund later in priority:

- (i) Interest Fund; and
- (ii) Principal Fund.

(b) All Revenues derived from Prepayments (other than any portion of a Prepayment that is attributable to accrued interest, which shall be deposited into the Interest Fund) or the acceleration of amounts due on Local Obligations upon an event of default thereunder that are received by the Trustee shall be deposited in the Prepayment Account within the Revenue Fund, which account is hereby created. Amounts in the Prepayment Account shall be transferred as soon as practicable (and in any event prior to the next succeeding Interest Payment Date which is at least forty-five (45) days following receipt of such Prepayment) to the Redemption Fund to be used to redeem Bonds pursuant to Section 4.02(b), subject to the terms of Section 4.06.

Section 5.04 Interest Fund. Not later than each Interest Payment Date, the Trustee shall deposit in the Interest Fund from moneys held in the Debt Service Account an amount of Revenues which, together with any amounts then on deposit in the Interest Fund, is equal to the interest on the

Bonds due on such date. On each Interest Payment Date, the Trustee shall pay the interest due and payable on the Bonds on such date from the Interest Fund. All amounts in the Interest Fund shall be used and withdrawn by the Trustee solely for the purpose of paying interest on Bonds as it shall become due and payable (including accrued interest on any Bonds purchased or redeemed prior to maturity pursuant to the Trust Agreement).

Section 5.05 Principal Fund. Not later than each Principal Payment Date, the Trustee shall deposit in the Principal Fund from moneys held in the Debt Service Account an amount of Revenues which, together with any amounts then on deposit in the Principal Fund, is equal to the principal of the Bonds due on such date. On each Principal Payment Date, the Trustee shall pay the principal due and payable on the Bonds on such date from the Principal Fund. All amounts in the Principal Fund shall be used and withdrawn by the Trustee solely for the purpose of paying principal on Bonds as it shall become due and payable.

Section 5.06 Costs of Issuance Fund. Moneys deposited in the Costs of Issuance Fund shall be held by the Trustee in trust and applied to the payment of Costs of Issuance upon a Requisition of the Authority filed with the Trustee, which shall be in substantially the form attached as Exhibit B. Each such requisition shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. In no event shall moneys from any other fund or account established hereunder be used to pay Costs of Issuance. All payments from the Costs of Issuance Fund shall be reflected on the Trustee's regular accounting statements. At the end of six months from the date of issuance of the Bonds, or upon earlier receipt of a Written Order of the Authority stating that amounts in such fund are no longer required for the payment of Costs of Issuance, such fund shall be terminated and any amounts then remaining in such fund shall be transferred to the Agency Trustee for deposit in the Tax Increment Fund (as such term is defined in the Local Obligation Indenture) in proportion to the original amount deposited in the Costs of Issuance Fund by the Agency Trustee. The Trustee shall then close the Costs of Issuance Fund.

Section 5.07 Redemption Fund. All moneys held in or transferred to the Redemption Fund pursuant to Section 5.03(b) shall be used for the purpose of redeeming or purchasing all or a portion of the Outstanding Bonds pursuant to Sections 4.02 or 4.06. The Trustee shall use amounts in the Redemption Fund solely for the payment of the redemption price of Bonds called for redemption pursuant to Sections 4.02 or the purchase price of Bonds purchased pursuant to Section 4.06 (accrued interest to the redemption or purchase date on such Bonds shall be paid from the Interest Fund).

Section 5.08 [Reserved].

ARTICLE VI

SECURITY FOR AND INVESTMENT OF MONEYS

Section 6.01 Security. All moneys required to be deposited with or paid to the Trustee in any of the Funds referred to in any provision of the Trust Agreement shall be held by the Trustee in trust, and except for moneys held for the payment or redemption of Bonds or the payment of interest on Bonds pursuant to Section 12.02, shall, while held by the Trustee, constitute part of the Trust Estate and shall be subject to the lien and pledge created hereby.

Section 6.02 Investment of Funds. So long as the Bonds are Outstanding and there is no default hereunder, moneys on deposit to the credit of the Revenue Fund, the Interest Fund, the Principal Fund, the Costs of Issuance Fund and all accounts within such funds shall, at the request of an Authorized Officer, which may be telephonic if confirmed in writing within two (2) Business Days, specifying and directing that such investment of such funds be made, be invested by the Trustee in Permitted Investments, and moneys held in the Redemption Fund shall, at the request of an Authorized Officer, which may be telephonic if confirmed in writing within two (2) Business Days, specifying and directing that such investment of such funds be made, be invested by the Trustee in Federal Securities, and the Trustee shall be entitled to rely on such instructions for purposes of this section. If no such instructions are provided, the Trustee shall invest such funds in Permitted Investments described in clause (6) of the definition thereof, and the Trustee shall thereupon immediately request investment instructions from the Authority. The Trustee shall not be responsible for any losses or consequences of any investment if it follows such instructions in good faith. The Trustee and its affiliates may act as principal, agent, sponsor or otherwise with respect to any Permitted Investment.

The securities purchased with the moneys in each such Fund shall be deemed a part of such Fund. If at any time it shall become necessary or appropriate that some or all of the securities purchased with the moneys in any such Fund be redeemed or sold in order to raise moneys necessary to comply with the provisions of the Trust Agreement, the Trustee shall effect such redemption or sale, employing, in the case of a sale, any commercially reasonable method of effecting the same. The Trustee shall not be liable or responsible for any consequences resulting from any such investment or resulting from the redemption, sale or maturity of any such investment as authorized pursuant to this section.

Investments in the Revenue Fund, the Interest Fund, the Principal Fund, the Redemption Fund and the Costs of Issuance Fund may be commingled at the written direction of the Authority for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in particular Funds amounts received or held by the Trustee; provided, that the Trustee shall at all times account for such investments strictly in accordance with the Funds to which they are credited and otherwise as provided in the Trust Agreement.

The Authority acknowledges that to the extent that regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Authority the right to receive brokerage confirmations of security transactions as they occur, the Authority will not receive such confirmations to the extent permitted by law. The Trustee will furnish the Authority with periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

ARTICLE VII

COVENANTS OF THE AUTHORITY

Section 7.01 Payment of Bonds; No Encumbrances. The Authority shall cause the Trustee to promptly pay, from Revenues and other funds derived from the Trust Estate pledged hereunder, the principal of and redemption premium, if any, and the interest on every Bond issued under and secured by the Trust Agreement at the place, on the dates and in the manner specified in the Trust Agreement and in such Bonds according to the true intent and meaning thereof. The

Authority shall not issue any bonds, notes or other evidences of indebtedness or incur any obligations payable from or secured by the Trust Estate, other than the Bonds.

Section 7.02 Enforcement and Amendment of Local Obligations. The Authority shall enforce all of its rights with respect to the Local Obligations to the fullest extent necessary to preserve the rights and protect the security of the Owners under the Trust Agreement. The Authority hereby covenants to take such actions within its power as may be reasonable and necessary to compel the County Auditor-Controller to comply with the irrevocable direction of the Agency to transfer to an account of the Agency, held by the Agency Trustee under the Local Obligation Indenture, all amounts set forth in any duly approved Recognized Obligation Payment Schedule with respect to principal and interest payments due on the related Local Obligations and any senior and/or parity obligations, and any deficiency in the related reserve accounts for such related Local Obligations and parity obligations related thereto.

The Authority and the Trustee may, without the consent of or notice to the Owners, consent to any amendment, change or modification of any Local Obligation that may be required: (a) to conform to the provisions of the Trust Agreement (including any modifications or changes contained in any Supplemental Trust Agreement); (b) for the purpose of curing any ambiguity or inconsistency or formal defect or omission; (c) so as to add additional rights acquired in accordance with the provisions of such Local Obligation; (d) in connection with any other change therein which is not to the material prejudice of the Trustee or the owners of the Bonds pursuant to an Opinion of Bond Counsel; or (e) in the Opinion of Bond Counsel, to preserve or assure the exemption of interest on the Bonds from State personal income tax.

Except for amendments, changes or modifications provided for in the preceding paragraph, neither the Authority nor the Trustee shall consent to any amendment, change or modification of any Local Obligation without the mailing of notice and the written approval or consent of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding given and procured as in this section provided. If at any time the Authority or any Agency, as the case may be, shall request the consent of the Trustee to any such proposed amendment, change or modification of a Local Obligation, the Trustee shall, upon being satisfactorily indemnified with respect to reasonable expenses, cause notice of such proposed amendment, change or modification to be mailed in the same manner as provided by Section 13.04. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file with the Trustee for inspection by all Owners. Nothing contained in this section shall be construed to prevent the Trustee, with the consent of the Authority, from settling a default under any Local Obligation on such terms as the Trustee may determine to be in the best interests of the Owners.

Section 7.03 Further Documents. The Authority covenants that it will from time to time execute and deliver such further instruments and take such further action as may be reasonable and as may be required to carry out the purpose of the Trust Agreement; provided that no such instruments or actions shall pledge the faith and credit or the taxing power of the Authority, any member of the Authority, the Agency, the City, the County of Los Angeles, the State, or any political subdivision thereof.

Section 7.04 [Reserved].

Section 7.05 Maintenance of Existence. The Authority shall maintain its existence, powers and authority as a joint powers authority under California law.

Section 7.06 Continuing Disclosure. So long as any of the Bonds are Outstanding, the Authority hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement for which it has assumed responsibility as Dissemination Agent. Notwithstanding any other provision of the Trust Agreement, failure of the Authority or the Agency to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; provided, however, that the Trustee (at the request of any Participating Underwriter (as defined in the Continuing Disclosure Agreement) or the Owners or Beneficial Owners of at least 25% in aggregate principal amount of Bonds Outstanding) shall take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Authority or the Agency to comply with its obligations under this section and the Continuing Disclosure Agreement. For purposes of this section, “Beneficial Owner” shall mean any Person which has or shares the power, directly or indirectly, to make investment decisions concerning ownership of any Bonds (including Persons holding Bonds through nominees, depositories or other intermediaries).

Section 7.07 Notifications Required by the Act. The Trustee shall notify the Authority in writing if the Trustee fails to pay principal or interest due on any scheduled payment date for the Bonds and shall notify the Authority in writing of any withdrawal of funds from any reserve fund to pay principal and interest on a Local Obligation, as applicable. In accordance with Section 6599.1(c) of the Act, the Authority shall notify the California Debt and Investment Advisory Commission of such failure or withdrawal, as applicable, within 10 days of the failure or withdrawal, as applicable.

ARTICLE VIII

DEFAULTS AND REMEDIES

Section 8.01 Events of Default. The following shall constitute “Events of Default” hereunder:

- (a) if payment of interest on the Bonds shall not be made when due; or
- (b) if payment of any Principal Installment shall not be made when due and payable, whether at maturity, by proceedings for redemption, by acceleration or otherwise; or
- (c) if the Authority shall fail to observe or perform in any material way any agreement, condition, covenant or term contained in the Trust Agreement on its part to be performed, and such failure shall continue for thirty (30) days after written notice specifying such failure and requiring the same to be remedied shall have been given to the Authority by the Trustee or by the Owner(s) of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds Outstanding, provided that if such default (other than a default arising from nonpayment of the Trustee’s fees and expenses) cannot be corrected within such thirty (30) day period, it shall not constitute an Event of Default if corrective action is instituted by the Authority within such thirty (30) day period and the Authority shall thereafter diligently and in good faith cure such failure in a reasonable period of time; or

(d) the Authority or the Agency shall commence a voluntary case under Title 11 of the United States Code or any substitute or successor statute.

Section 8.02 Action on Default. Upon the happening and continuance of any Event of Default, the Trustee in its discretion may, or at the written request of the Owners of not less than twenty-five percent (25%) in aggregate principal amount of Bonds Outstanding shall, upon notice in writing to the Authority, take whatever action at law or in equity as may appear necessary or desirable to protect and enforce any of the rights vested in the Trustee or the Owners by the Trust Agreement or by the Bonds, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement or for the enforcement of any other legal or equitable right, including any one or more of the remedies set forth in Section 8.03.

Section 8.03 Other Remedies of the Trustee. During the continuance of an Event of Default, the Trustee shall have the right to do the following:

(a) by mandamus, or other suit, action or proceeding at law or in equity, to enforce all rights of the Owners, including the right to receive and collect the Revenues;

(b) to bring suit upon or otherwise enforce any defaulting Local Obligation;

(c) by action or suit in equity to enjoin any acts or things which may be unlawful or in violation of the rights of the Owners;

(d) as a matter of right, to have a receiver or receivers appointed for the Trust Estate and the earnings, income, issues, products, profits and revenues thereof pending such proceedings, with such powers as the court making such appointment shall confer; and

(e) to take such action with respect to any and all Local Obligations or Permitted Investments as the Trustee shall deem necessary and appropriate, subject to Section 9.02 and to the terms of such Local Obligations or Permitted Investments.

Section 8.04 Effect of Discontinuance or Abandonment. In case any proceeding taken by the Trustee on account of any default shall have been discontinued or abandoned for any reason, or shall have been determined adversely to the Trustee, then and in every such case the Trustee and the Owners shall be restored to their former positions and rights under the Trust Agreement, respectively, and all rights, remedies and powers of the Trustee shall continue as though no such proceeding had been taken.

Section 8.05 Rights of Owners. Anything in the Trust Agreement to the contrary notwithstanding, subject to the limitations and restrictions as to the rights of the Owners in Sections 8.01, 8.02, 8.03 and 8.06, upon the happening and continuance of any Event of Default, the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have the right, upon providing the Trustee security and indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings to be taken by the Trustee under the Trust Agreement.

The Trustee may refuse to follow any direction that conflicts with applicable laws or the Trust Agreement, or that the Trustee reasonably determines is prejudicial to rights of other Owners or would subject the Trustee to personal liability without adequate indemnification therefor.

Section 8.06 Restriction on Owner's Action. In addition to the other restrictions on the rights of Owners to request action upon the occurrence of an Event of Default and to enforce remedies set forth in this Article, no Owner of any of the Bonds shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of any trust under the Trust Agreement, or any other remedy under the Trust Agreement or on the Bonds, unless such Owner previously shall have given to the Trustee written notice of an Event of Default as hereinabove provided and unless the Owners of not less than twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding shall have made written request of the Trustee to institute any such suit, action, proceeding or other remedy, after the right to exercise such powers or rights of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers granted in the Trust Agreement, or to institute such action, suit or proceeding in its or their name; nor unless there also shall have been offered to the Trustee security and indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee shall not have complied with such request within a reasonable time; and such notification, request and offer of indemnity are hereby declared in every such case to be conditions precedent to the execution of the trusts of the Trust Agreement or for any other remedy under the Trust Agreement, it being understood and intended that no one or more Owners of the Bonds secured by the Trust Agreement shall have any right in any manner whatever by their action to affect, disturb or prejudice the security of the Trust Agreement, or to enforce any rights under the Trust Agreement or under the Bonds, except in the manner provided in the Trust Agreement, and that all proceedings at law or in equity shall be instituted, had and maintained in the manner provided in the Trust Agreement, and for the equal benefit of all Owners of Outstanding Bonds; subject, however, to the provisions of this section. Notwithstanding the foregoing provisions of this section, the obligation of the Authority shall be absolute and unconditional to pay, but solely from the Trust Estate, the principal of and the redemption premium, if any, and the interest on the Bonds to the respective Owners thereof at the respective due dates thereof, and nothing herein shall affect or impair the right of action, which is absolute and unconditional, of such Owners to enforce such payment.

Section 8.07 Power of Trustee to Enforce. All rights of action under the Trust Agreement or under any of the Bonds secured by the Trust Agreement which are enforceable by the Trustee may be enforced by it without the possession of any of the Bonds, or the production thereof at the trial or other proceedings relative thereto, and any such suit, action or proceedings instituted by the Trustee shall be brought in its own name, as Trustee, for the equal and ratable benefit of the Owners, subject to the provisions of the Trust Agreement.

Section 8.08 Remedies Not Exclusive. No remedy conferred upon or reserved to the Trustee or to the Owners in the Trust Agreement is intended to be exclusive of any other remedy or remedies, and each and every such remedy shall be cumulative, and shall be in addition to every other remedy given under the Trust Agreement or now or hereafter existing at law or in equity or by statute.

Section 8.09 Waiver of Events of Default; Effect of Waiver. Upon the written request of the Owners of at least a majority in aggregate principal amount of all Outstanding Bonds, the Trustee shall waive any Event of Default hereunder and its consequences. The Trustee may waive any Event

of Default hereunder and its consequences at any time. If any Event of Default shall have been waived as herein provided, the Trustee shall promptly give written notice of such waiver to the Authority and shall give notice thereof by first class mail, postage prepaid, to all Owners of Outstanding Bonds if such Owners had previously been given notices of such Event of Default; but no such waiver, rescission and annulment shall extend to or affect any subsequent Event of Default, or impair any right or remedy consequent thereon.

No delay or omission of the Trustee or of any Owner to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default, or an acquiescence therein; and every power and remedy given by this Article to the Trustee and to the Owners of the Bonds, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 8.10 Application of Moneys. Any moneys received by the Trustee pursuant to this Article shall, after payment of all fees and expenses of the Trustee, and the reasonable fees and expenses of its outside counsel, if any, incurred in connection with the performance of the Trustee's duties hereunder, be applied as follows:

(a) to the payment to the Owners entitled thereto of all installments of interest then due on the Bonds, in the order of the maturity of the installments of such interest, and if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or privilege;

(b) to the payment to the Owners entitled thereto of the unpaid principal of and redemption premium, if any, and any of the Bonds which shall have become due (other than Bonds matured or called for redemption for the payment of which moneys are held pursuant to the provisions of the Trust Agreement) in the order of their due dates, and if the amount available shall not be sufficient to pay in full the principal of and redemption premium, if any, on such Bonds due on any particular date, then to the payment ratably, according to the amount due on such date, to the Persons entitled thereto without any discrimination or privilege; and

(c) to be held for the payment to the Owners entitled thereto as the same shall become due of the principal of and redemption premium, if any, on and interest on the Bonds which may thereafter become due, either at maturity or upon call for redemption prior to maturity, and if the amount available shall not be sufficient to pay in full such principal and redemption premium, if any, due on any particular date, together with interest then due and owing thereon, payment shall be made in accordance with subsections (a) and (b).

Whenever moneys are to be applied pursuant to the provisions of this section, such moneys shall be applied at such times, and from time to time, as the Trustee shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application in the future. The Trustee shall give prompt notice to the Owners of the deposit with it of any such moneys.

ARTICLE IX

THE TRUSTEE

Section 9.01 Appointment and Acceptance of Duties. The Trustee hereby accepts and agrees to the trusts hereby created, to all of which the Authority agrees and the respective Owners of the Bonds, by their purchase and acceptance thereof, agree.

Section 9.02 Duties, Immunities and Liability of Trustee.

(a) The Trustee shall, prior to an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in the Trust Agreement, and no implied duties or obligations shall be read into the Trust Agreement against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise the rights and powers vested in it by the Trust Agreement, and use the same degree of care and skill in their exercise as a reasonable individual would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Authority may, in the absence of an Event of Default, and upon receipt of an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) following an Event of Default (irrespective of cause), or if at any time the Trustee shall cease to be eligible in accordance with subsection (e) of this section, or shall become incapable of acting, or shall commence a case under any bankruptcy, insolvency or similar law, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take control or charge of the Trustee or its property or affairs for the purpose of rehabilitation, conservation or liquidation, shall, remove the Trustee by giving written notice of such removal to the Trustee, and thereupon the Authority shall promptly appoint a successor Trustee by an instrument in writing.

(c) The Trustee may, subject to subsection (d) below, resign by giving written notice of such resignation to the Authority and by giving notice of such resignation by mail, first class postage prepaid, to the Owners at the addresses listed in the Bond Register. Upon receiving such notice of resignation, the Authority shall promptly appoint a successor Trustee by an instrument in writing.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and shall have accepted appointment within thirty (30) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under the Trust Agreement shall signify its acceptance of such appointment by executing and delivering to the Authority and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless, at the written request of the Authority or of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for fully and certainly vesting in and confirming to such successor

Trustee all of the right, title and interest of such predecessor Trustee in and to any property held by it under the Trust Agreement and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Authority shall execute and deliver any and all instruments as may be reasonably required for fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance of appointment by a successor Trustee as provided in this subsection, such successor Trustee shall mail a notice of the succession of such Trustee to the trusts hereunder by first class mail, postage prepaid, to the Owners at their addresses listed in the Bond Register.

(e) Any Trustee appointed under the provisions of this section shall be a trust company or bank having the powers of a trust company or authorized to exercise trust powers, having a corporate trust office in California, having (or in the case of a bank, trust company or bank holding company which is a member of a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least one hundred million dollars (\$100,000,000), and subject to supervision or examination by federal or state authority. If such bank, trust company or bank holding company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such bank, trust company or bank holding company shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection, the Trustee shall resign immediately in the manner and with the effect specified in this section.

(f) No provision in the Trust Agreement shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder unless the Owners shall have offered to the Trustee security or indemnity that it deems reasonable, against the costs, expenses and liabilities that may be incurred.

(g) In accepting the trust hereby created, the Trustee acts solely as Trustee for the Owners and not in its individual capacity, and under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds.

(h) The Trustee makes no representation or warranty, express or implied, as to the compliance with legal requirements of the use contemplated by the Authority of the funds under the Trust Agreement, including, without limitation, the purchase of the Local Obligations hereunder.

(i) The Trustee shall not be responsible for the validity, effectiveness or value of any collateral or security securing any Local Obligation. The Trustee shall not be responsible for the recording or filing of any document relating to the Trust Agreement or any Local Obligation or of financing statements (or continuation statements in connection therewith), mortgage or any supplemental instruments or documents of further assurance as may be required by law in order to perfect the security interests or lien on or in any collateral or security securing any Local Obligation. The Trustee shall not be deemed to have made representations as to the security afforded thereby or as to the validity, sufficiency or priority of any such document, collateral or security of the Bonds.

(j) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a Responsible Officer shall have actual knowledge thereof at the Trustee's Principal Corporate Trust Office.

(k) The Trustee shall not be accountable for the use or application by the Authority or any other party of any funds which the Trustee has released under the Trust Agreement.

(l) The Trustee shall provide a monthly accounting of all Funds held pursuant to the Trust Agreement to the Authority within fifteen (15) Business Days after the end of each month and shall provide statements of account for each annual period beginning July 1 and ending June 30, within 90 days after the end of such period. Such accounting shall show in reasonable detail all financial transactions made by the Trustee during the accounting period and the balance in any Funds and accounts created under the Trust Agreement as of the beginning and close of such accounting period.

(m) All moneys received by the Trustee shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law.

(n) The permissive rights of the Trustee to do things enumerated in the Trust Agreement shall not be construed as a duty unless so specified herein.

(o) The Trustee may appoint and act through an agent and shall not be responsible for any misconduct or negligence of any such agent appointed with due care.

(p) The Trustee will not be considered to be in breach of or in default in its obligations hereunder or progress in respect thereto in the event of delay in the performance of such obligations due to unforeseeable causes beyond its control and without its fault or negligence, including, but not limited to, acts of God or of the public enemy or terrorists, acts of a government, acts of the other party, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, earthquakes, explosion, mob violence, riot, inability to procure or general sabotage or rationing of labor, equipment, facilities, sources of energy, material or supplies in the open market, litigation or arbitration involving a party or others relating to zoning or other governmental action or inaction pertaining to any project refinanced with the proceeds of the Bonds, malicious mischief, condemnation, unusually severe weather or delays of suppliers or subcontractors due to such causes or any similar event and/or occurrences beyond the control of the Trustee.

Section 9.03 Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated, any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided that such company shall be eligible under Section 9.02(e), shall succeed to the rights and obligations of such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 9.04 Compensation. The Authority shall pay or cause the Agency to pay the Trustee reasonable compensation for its services rendered hereunder and reimburse the Trustee for reasonable expenses, disbursements and advances, including reasonable attorney's and agent's fees, and expenses incurred by the Trustee in the performance of its obligations hereunder and with respect to the Local Obligations.

The Authority agrees, to the extent permitted by law, to indemnify the Trustee and its officers, directors, employees, attorneys and agents for, and to hold it harmless against, any loss,

liability or expense incurred without negligence or willful misconduct on its part arising out of or in connection with: (i) the acceptance or administration of the trusts imposed by the Trust Agreement, including performance of its duties hereunder and the costs and expenses of defending itself against any claims or liability in connection with the exercise or performance of any of its powers or duties hereunder; (ii) the Local Obligations; (iii) the sale of any Bonds or the purchase of any Local Obligations and the carrying out of any of the transactions contemplated by the Bonds or the Local Obligations; or (iv) any untrue statement of any material fact or omission to state a material fact necessary to make the statements made, in light of the circumstances under which they were made, not misleading in any official statement or other disclosure document utilized by the Authority or under its authority in connection with the sale of the Bonds or the Local Obligations. The Authority's obligations hereunder with respect to indemnity of the Trustee and the provision for its compensation set forth in this Article shall survive and remain valid and binding notwithstanding the maturity and payment of the Bonds or the resignation or removal of the Trustee.

The Trustee shall have no responsibility for or liability in connection with assuring that all of the procedures or conditions to closing set forth in the contract of purchase for sale of the Bonds are satisfied, or that all documents required to be delivered on the closing date to the parties are actually delivered, except its own responsibility to receive or deliver the proceeds of the sale, the Bonds and other certificates expressly required to be delivered by it and its counsel.

The Trustee shall not be responsible for determining or investigating whether any Local Obligation held hereunder is a Local Obligation, as defined in the Trust Agreement, and the Trustee may conclusively rely on the Authority's determination and direction in this regard. The Trustee shall be entitled to rely on the covenants, representations and warranties of each obligor on any Local Obligation and in the documents and certificates delivered in connection therewith.

Section 9.05 Liability of Trustee. The recitals of facts contained herein and in the Bonds shall be taken as statements of the Authority, and the Trustee does not assume any responsibility for the correctness of the same, does not make any representations as to the validity or sufficiency of the Trust Agreement or of the Bonds and shall not incur any responsibility in respect thereof, other than in connection with the duties or obligations herein or in the Bonds assigned to or imposed upon it; provided that the Trustee shall be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder except for its own negligence or willful misconduct. The Trustee (in its individual or any other capacity) may become the Owner of Bonds with the same rights it would have if it were not Trustee hereunder, and, to the extent permitted by law, may act as depository for and permit any of its officers, directors and employees to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners, whether or not such committee shall represent the Owners of a majority in principal amount (or any lesser amount that may direct the Trustee in accordance with, and as provided in, the provisions of the Trust Agreement) of the Bonds then Outstanding. The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of a majority in principal amount (or any lesser amount that may direct the Trustee in accordance with, and as provided in, the provisions of the Trust Agreement) of the Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, hereunder. Whether or not therein expressly so provided, every provision of the Trust Agreement or related documents relating to the conduct or affecting the liability of or affording protection to the Trustee shall be subject to the

provisions of this Article. All indemnifications and releases from liability granted herein to the Trustee shall extend to the directors, officers, employees and agents of the Trustee.

Section 9.06 Right to Rely on Documents. The Trustee may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bond or other paper or document reasonably believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel, who may be counsel of or to the Authority, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection for any action taken or suffered or omitted by it hereunder in good faith and in accordance therewith.

Whenever in the administration of the trusts imposed upon it by the Trust Agreement the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering or omitting any action hereunder, such matter (unless other evidence in respect thereof is specifically prescribed herein) may be deemed to be conclusively proved and established by an Officer's Certificate, and such Officer's Certificate shall be full warrant to the Trustee for any action taken or suffered or omitted in good faith under the provisions of the Trust Agreement in reliance upon such Officer's Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

The Trustee shall be entitled to advice of counsel and other professionals concerning all matters of trust and its duty hereunder, but the Trustee shall not be answerable for the professional malpractice of any attorney-at-law or certified public accountant in connection with the rendering of professional advice in accordance with the terms of the Trust Agreement, if such attorney-at-law or certified public accountant was selected by the Trustee with due care.

Section 9.07 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of the Trust Agreement shall be retained in its possession and shall be subject at all reasonable times upon prior notice to inspection by the Authority, the Owners of at least twenty-five percent (25%) of the aggregate principal amount of the Bonds, and their agents and representatives duly authorized in writing, at reasonable hours and under reasonable conditions.

Section 9.08 Indemnity for Trustee. Before taking any action or exercising any rights or powers under the Trust Agreement, the Trustee may require that satisfactory indemnity be furnished to it for the reimbursement of all costs and expenses which it may incur and to indemnify it against all liability, except liability which may result from its negligence or willful misconduct, by reason of any action so taken.

ARTICLE X

EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 10.01 Execution of Instruments; Proof of Ownership. Any request, direction, consent or other instrument in writing required or permitted by the Trust Agreement to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor by different parties and may be signed or executed by such Owners in person or by agent appointed by an instrument in writing. Proof of the execution of any such instrument and of the ownership of Bonds shall be sufficient for any purpose of the Trust Agreement and shall be conclusive in favor of the

Trustee with regard to any action taken, suffered or omitted by either of them under such instrument if made in the following manner:

(a) The fact and date of the execution by any Person of any such instrument may be proved by the certificate of any officer in any jurisdiction who, by the laws thereof, has power to take acknowledgments within such jurisdiction, to the effect that the Person signing such instrument acknowledged before such officer the execution thereof, or by an affidavit of a witness to such execution.

(b) The fact of the ownership of Bonds under the Trust Agreement by any Owner and the serial numbers of such Bonds and the date of his ownership of the same shall be proved by the Bond Register.

Nothing contained in this Article shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters in this Article stated which to it may seem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond and any Bond or Bonds issued in exchange or substitution therefor or upon the registration of transfer thereof in respect of anything done by the Trustee in pursuance of such request or consent.

ARTICLE XI

MODIFICATION OF TRUST AGREEMENT AND SUPPLEMENTAL TRUST AGREEMENTS

Section 11.01 Supplemental Trust Agreements Without Consent of Owners. The Authority may, without the consent of the Owners, enter into any Supplemental Trust Agreement, which thereafter shall form a part of the Trust Agreement, for any one or more of the following purposes:

(a) to add to the agreements and covenants of the Authority contained in the Trust Agreement other agreements and covenants thereafter to be observed, or to surrender any right or power in the Trust Agreement reserved to or conferred upon the Authority; provided, that no such agreement, covenant or surrender shall materially adversely affect the rights of any Owner;

(b) to cure any ambiguity, to supply any omission or to cure, correct or supplement any defect or inconsistent provisions contained in the Trust Agreement or in any Supplemental Trust Agreement;

(c) to make any change which does not materially adversely affect the rights of any Owner;

(d) to grant to the Trustee for the benefit of the Owners additional rights, remedies, powers or authority;

(e) to subject to the Trust Agreement additional collateral or to add other agreements of the Authority;

(f) to modify the Trust Agreement or the Bonds to permit qualification under the Trust Indenture Act of 1939, as amended, or any similar statute at the time in effect, or to permit the

qualification of the Bonds for sale under the securities laws of any state of the United States of America;

(g) to make any change necessary or appropriate to accommodate changes to the Dissolution Act; provided that no such change shall permit the creation by the Authority of any lien prior to or on a parity with the lien of the Trust Agreement upon the Trust Estate or which will affect the times, amounts and currency of payment of the principal of or the redemption premium, if any, on or the interest on the Bonds;

(h) to evidence the succession of a new Trustee; or

(i) in the Opinion of Bond Counsel, to preserve or assure the exemption of interest on the Bonds from State personal income tax.

The Trustee may in its discretion determine whether or not in accordance with the foregoing powers of amendment, any particular Bond would be affected by any such modification or amendment of the Trust Agreement, and any such determination shall be binding and conclusive on the Authority and all Owners of Bonds. For all purposes of this section, the Trustee shall be entitled to rely upon and shall be fully protected in relying upon an Opinion of Bond Counsel, in form and substance satisfactory to it, with respect to the extent, if any, to which any action affects the rights under the Trust Agreement of any Owner.

Section 11.02 Trustee Authorized to Enter into Supplemental Trust Agreement. The Trustee is hereby authorized to enter into any Supplemental Trust Agreement with the Authority that is authorized or permitted by the terms of the Trust Agreement, and to make the further agreements and stipulations which may be therein contained, and for all purposes of this section, the Trustee shall be entitled to rely upon and shall be fully protected in relying upon an Opinion of Bond Counsel, in form and substance satisfactory to it, to the effect that such Supplemental Trust Agreement is authorized or permitted by the provisions of the Trust Agreement.

Section 11.03 Supplemental Trust Agreements With Consent of Owners. Any modification or alteration of the Trust Agreement, the rights and obligations of the Authority or the Owners of the Bonds may be made with the consent of the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding; provided that no such modification or alteration shall be made which will reduce the percentage of aggregate principal amount of Bonds the consent of the Owners of which is required for any such modification or alteration, or permit the creation by the Authority of any lien prior to or on a parity with the lien of the Trust Agreement upon the Trust Estate or which will affect the times, amounts and currency of payment of the principal of or the redemption premium, if any, on or the interest on the Bonds or affect the rights, duties or obligations of the Trustee without the consent of the party affected thereby.

Section 11.04 Notice and Information Requirements. The Authority shall deliver a copy of any modification or amendment to the Trust Agreement and S&P at least ten days prior to the effective date thereof.

ARTICLE XII

DEFEASANCE

Section 12.01 Defeasance. (a) If: (i) the Authority shall pay or cause to be paid or there shall otherwise be paid to the Owners of all Outstanding Bonds the principal thereof and the interest and premium, if any, thereon at the times and in the manner stipulated herein and therein; and (ii) all other amounts due and payable hereunder shall have been paid, then the Owners shall cease to be entitled to the lien created hereby, and all agreements, covenants and other obligations of the Authority hereunder shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the Authority all such instruments as may be necessary or desirable to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver to the Authority all money or securities held by it pursuant hereto which are not required for the payment of the principal of and interest and premium, if any, on the Bonds.

(b) Subject to the provisions of subsection (a), when any Bond shall have been paid and if, at the time of such payment, the Authority shall have kept, performed and observed all of the covenants and promises in such Bonds and in the Trust Agreement required or contemplated to be kept, performed and observed by it or on its part on or prior to that time, then the Trust Agreement shall be considered to have been discharged in respect of such Bond, such Bond shall cease to be entitled to the lien created hereby and all agreements, covenants and other obligations of the Authority hereunder shall cease, terminate, become void and be completely discharged and satisfied as to such Bond.

(c) Notwithstanding the discharge and satisfaction of the Trust Agreement or the discharge and satisfaction of the Trust Agreement in respect of any Bond, for as long as any Bond remains outstanding, those provisions of the Trust Agreement relating to the maturity of the Bonds, interest payments and dates thereof, exchange and transfer of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, non-presentment of Bonds and the duties of the Trustee in connection with all of the foregoing, shall remain in effect and shall be binding upon the Trustee and the Owners of Bonds that remain outstanding; and the Trustee shall continue to be obligated to hold in trust any moneys or investments then held by the Trustee for the payment of the principal of and interest and premium, if any, on the Bonds, to pay to the Owners of the Bonds the funds so held by the Trustee as and when such payment becomes due.

Section 12.02 Bonds Deemed to Have Been Paid. (a) If moneys shall have been set aside and held by the Trustee for the payment or redemption of any Bond and the payment of the interest thereon to the maturity or redemption date thereof, such Bond shall be deemed to have been paid within the meaning and with the effect provided in Section 12.01. Any Outstanding Bond shall, prior to the maturity date or redemption date thereof, be deemed to have been paid within the meaning of and with the effect expressed in Section 12.01 if: (i) in case any of such Bonds are to be redeemed on any date prior to their maturity date, the Authority shall have given to the Trustee in form satisfactory to it irrevocable instructions to mail, on a date in accordance with the provisions of Section 4.03 hereof, notice of redemption of such Bond on said redemption date, said notice to be given in accordance with Section 4.03; (ii) there shall have been deposited with the Trustee either: (A) money in an amount which shall be sufficient; or (B) Federal Securities, the principal of and the interest on which when due, and without any reinvestment thereof, will provide moneys which shall be sufficient to pay when due the interest to become due on such Bond on and prior to the maturity date or redemption date thereof, as the case may be, and the principal of and premium, if any, on such

Bond; and (iii) in the event that such Bond is not by its terms subject to redemption within the next succeeding 60 days, the Authority shall have given the Trustee in form satisfactory to it irrevocable instructions to mail as soon as practicable, a notice to the owners of such Bond that the deposit required by clause (ii) above has been made with the Trustee and that such Bond is deemed to have been paid in accordance with this Section and stating the maturity date or redemption date upon which money is to be available for the payment of the principal of and premium, if any, on such Bond. Neither the money nor the Federal Securities deposited with the Trustee pursuant to this subsection in connection with the deemed payment of Bonds, nor principal or interest payments on any such Federal Securities, shall be withdrawn or used for any purpose other than, and shall be held in trust for and pledged to, the payment of the principal of and, premium, if any, and interest on such Bonds.

(b) No Bond shall be deemed to have been paid pursuant to subsection (a)(ii)(B) unless the Authority shall cause to be delivered: (i) an executed copy of a Verification Report with respect to such deemed payment, addressed to the Authority and the Trustee; (ii) a copy of any escrow agreement or instruction entered into in connection with the deposit pursuant to subsection (a)(ii)(B) resulting in such deemed payment, which escrow agreement or instruction shall provide that no substitution of Federal Securities shall be permitted except with other Federal Securities and upon delivery of a new Verification Report, and that no reinvestment of Federal Securities shall be permitted except as contemplated by the original Verification Report or upon delivery of a new Verification Report; and (iii) an Opinion of Bond Counsel, dated the date of such deemed payment and addressed to the Authority and the Trustee, to the effect that such Bond has been paid within the meaning and with the effect expressed in the Trust Agreement, and that all agreements, covenants and other obligations of the Authority hereunder as to such Bond have ceased, terminated, become void and been completely discharged and satisfied.

(c) The Trustee may seek and is entitled to rely upon: (i) an Opinion of Bond Counsel reasonably satisfactory to the Trustee to the effect that the conditions precedent to a deemed payment pursuant to subsection (a)(ii) have been satisfied; and (ii) such other opinions, certifications and computations as the Trustee may reasonably request of accountants or other financial consultants concerning the matters described in subsection (b).

ARTICLE XIII

Attention: Global Corporate Trust Services

Each such notice, statement, demand, consent, approval, authorization, offer, designation, request or other communication hereunder shall be deemed delivered to the party to whom it is addressed: (a) if personally served or delivered, upon delivery; (b) if given by electronic communication, whether by telex, telegram or telecopier, upon the sender's receipt of an appropriate answer back or other written acknowledgment or confirmation of receipt of the entire notice, approval, demand, report or other communication; (c) if given by first class registered or certified mail, return receipt requested, deposited with the United States mail postage prepaid, seventy-two (72) hours after such notice is deposited with the United States mail; (d) if given by overnight courier, with courier charges prepaid, twenty-four (24) hours after delivery to said overnight courier; or (e) if given by any other means, upon delivery at the address specified in this section.

In case, by reason of the suspension of or irregularities in regular mail service, it shall be impractical to mail to the Owners of Bonds notice of any event when such notice is required to be given pursuant to any provision of the Trust Agreement, then any manner of giving such notice as the Authority shall direct and not objected to by the Trustee shall be deemed to be a sufficient giving of such notice.

Section 13.05 Counterparts. The Trust Agreement may be executed in any number of counterparts, each of which, when so executed and delivered, shall be an original; but all of which such counterparts shall together constitute but one and the same instrument.

Section 13.06 Governing Law. The Trust Agreement shall be governed as to validity, construction and performance by the laws of the State.

Section 13.07 Non-Business Days. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in the Trust Agreement, shall not be a Business Day, such payment may be made or act performed or right exercised on the next

succeeding Business Day, with the same force and effect as if done on the nominal date provided in the Trust Agreement, and no interest shall accrue for the period from and after such nominal date.

Section 13.08 Limitation of Liability. The Authority shall not be obligated to make any payments required hereunder or under any Bond, or be deemed to incur any liability hereunder or by reason hereof or arising out of any of the transactions contemplated hereby, payable from any funds or assets other than the Trust Estate as provided herein. The Bonds and the obligation to pay principal of and interest thereon and any redemption premium with respect thereto will not constitute an indebtedness or an obligation of the Authority, the members and officers of the Authority, any agency, any city, the County of Los Angeles, the State or any other political subdivision thereof, within the meaning of any constitutional or statutory debt limitation, or a charge against the general credit or taxing powers of any of them. The Bonds shall be a special obligation of the Authority, payable solely from the Trust Estate duly pledged therefor. Neither the faith and credit nor the taxing power of the Authority, any member of the Authority, any agency, any city, the County of Los Angeles, the State or any political subdivision thereof is pledged to the payment of the Bonds.

Section 13.09 Unclaimed Money. Anything contained herein to the contrary notwithstanding, any money held by the Trustee in trust for the payment and discharge of the interest on, or principal or prepayment premium, if any, of any Bond which remains unclaimed for two (2) years after the date when such amounts have become payable, if such money was held by the Trustee on such date, or for two (2) years after the date of deposit of such money if deposited with the Trustee after the date when such amounts have become payable, shall be paid by the Trustee to the Authority as its absolute property free from trust, the Trustee shall thereupon be released and discharged with respect thereto and the Owners shall look only to the Authority for the payment of such amounts; provided that before being required to make any such payment to the Authority, the Trustee shall, at the expense of the Authority, give notice by first class mail to all Owners and to the Securities Depository and the MSRB that such money remains unclaimed and that after a date named in such notice, which date shall not be less than sixty (60) days after the date of giving such notice, the balance of such money then unclaimed will be returned to the Authority.

Section 13.10 Moneys Held for Particular Bonds. The money held by the Trustee for the payment of the principal of or premium or interest on particular Bonds due on any date (or portions of Bonds in the case of Bonds redeemed in part only) shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Owners of the Bonds entitled thereto, subject, however, to the provisions of Section 13.09, but without any liability for interest thereon.

THE COUNTY OF LOS ANGELES REDEVELOPMENT REFUNDING AUTHORITY, a joint exercise of powers agency established pursuant to the laws of the State of California (the "Authority"), for value received, hereby promises to pay to the registered owner specified above, or registered assigns, on the maturity date set forth above (subject to any right of prior redemption hereinafter mentioned) the principal sum set forth above in lawful money of the United States of America; and to pay interest thereon at the interest rate per annum set forth above in like lawful money from the date hereof. The interest on this Bond will be payable on March 1 and September 1 in each year (each an "Interest Payment Date"), commencing on _____ 1, 20__. The principal hereof and redemption premium hereon, if any, are payable upon presentation and surrender hereof at the Principal Corporate Trust Office (as such term defined in the Trust Agreement described herein) of U.S. Bank National Association (together with any successor as trustee under the Trust Agreement, the "Trustee"). Interest hereon is payable by check, mailed by first class mail, on each interest payment date to the owner whose name appears on the Bond Register maintained by the Trustee as of the close of business on the fifteenth day of the month preceding the month in which the interest payment date occurs (the "Record Date"), except with respect to defaulted interest for which a special record date will be established; provided that, in the case of an owner of one million dollars (\$1,000,000) or more in aggregate principal amount of Bonds, upon written request of such owner to the Trustee received not later than the Record Date, such interest shall be paid on the interest payment date in immediately available funds by wire transfer. Interest shall be calculated on the basis of a 360-day year consisting of twelve 30-day months.

The Authority and the Trustee may deem and treat the owner of this Bond as the absolute owner hereof for the purpose of receiving payment as herein provided and for all other purposes, and the Authority and the Trustee shall not be affected by notice to the contrary.

No member or officer of the Authority, nor any person executing this Bond, shall in any event be subject to any personal liability or accountability by reason of the issuance of this Bond.

This Bond is one of a duly authorized issue of a series of bonds of the Authority designated as “County of Los Angeles Redevelopment Refunding Authority Tax Allocation Revenue Refunding Bonds, Series 2016A (Federally Taxable)” (the “Bonds”) issued in the aggregate principal amount of (\$_____) pursuant to the provisions relating to the joint exercise of powers found in Chapter 5 of Division 7 of Title 1 of the California Government Code, including the Marks-Roos Local Bond Pooling Act of 1985, as amended and supplemented (the “Act”), and pursuant to a Trust Agreement, dated as of ____ 1, 2016, by and between the Authority and the Trustee (the “Trust Agreement”). The Bonds are issued for the purpose of providing funds to acquire certain local obligations, and reference is hereby made to the Trust Agreement (a copy of which is on file at the Principal Corporate Trust Office of the Trustee) and all trust agreements supplemental thereto and to the Act for a description of the purposes thereof, of the rights thereunder of the owners of the Bonds, of the nature and extent of the security for the Bonds and of the rights, duties and immunities of the Trustee and the rights and obligations of the Authority thereunder, to all of which provisions of the Trust Agreement, the owner of this Bond, by acceptance hereof, assents and agrees.

The Bonds and the interest thereon and any redemption premium thereon are special obligations of the Authority payable solely from the Trust Estate (as such term is defined in the Trust Agreement) and are secured by the Trust Estate, including amounts held in the funds and accounts established pursuant to the Trust Agreement (including proceeds of the sale of the Bonds), subject only to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth in the Trust Agreement.

THE BONDS ARE SPECIAL OBLIGATIONS OF THE AUTHORITY, PAYABLE AND SECURED AS TO THE PAYMENT OF THE PRINCIPAL OF AND ANY REDEMPTION PREMIUM ON OR INTEREST ON THE BONDS IN ACCORDANCE WITH THEIR TERMS AND THE TERMS OF THE TRUST AGREEMENT, SOLELY FROM THE TRUST ESTATE. THE BONDS DO NOT CONSTITUTE A CHARGE AGAINST THE GENERAL CREDIT OF THE AUTHORITY OR ITS MEMBERS, AND UNDER NO CIRCUMSTANCES SHALL THE AUTHORITY BE OBLIGATED TO PAY PRINCIPAL OF OR ANY REDEMPTION PREMIUM ON OR INTEREST ON THE BONDS EXCEPT FROM THE TRUST ESTATE. NEITHER THE STATE OF CALIFORNIA NOR ANY PUBLIC AGENCY (OTHER THAN THE AUTHORITY) NOR ANY MEMBER OF THE AUTHORITY IS OBLIGATED TO PAY THE PRINCIPAL OF OR ANY REDEMPTION PREMIUM ON OR INTEREST ON THE BONDS, AND NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE STATE OF CALIFORNIA OR ANY PUBLIC AGENCY THEREOF OR ANY MEMBER OF THE AUTHORITY IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF OR ANY REDEMPTION PREMIUM ON OR INTEREST ON THE BONDS, AND NEITHER THE PRINCIPAL OF OR ANY REDEMPTION PREMIUM ON OR INTEREST ON THE BONDS CONSTITUTES A DEBT, LIABILITY OR OBLIGATION OF THE STATE OF CALIFORNIA OR ANY PUBLIC AGENCY (OTHER THAN THE AUTHORITY) OR ANY MEMBER OF THE AUTHORITY.

The Bonds are subject to redemption at the times, in the manner, at the redemption prices and upon notice as specified in the Trust Agreement.

The Bonds are issuable as fully registered bonds in denominations of \$5,000 or any integral multiple thereof. This Bond may be transferred or exchanged by the owner hereof, in person or by an attorney duly authorized in writing, but only in the manner, subject to the limitations and upon payment of the charges, if any, provided in the Trust Agreement, and upon surrender and cancellation of this Bond. Upon such transfer or exchange, a new Bond or Bonds, of authorized

denominations, for the same aggregate principal amount, interest rate, and maturity will be issued to the transferee in accordance with the provisions of the Trust Agreement. The Trustee is not required to register the transfer of, or to exchange, any Bond during a period commencing on or after the fifteenth (15th) business day immediately preceding the date on which the notice of redemption is scheduled to be mailed and ending on the date scheduled for redemption of any Bonds selected for redemption.

The Trust Agreement and the rights and obligations of the Authority and the owners of the Bonds may be modified or amended from time to time and at any time (and in certain cases without the consent of the owners) in the manner, to the extent, and upon the terms provided in the Trust Agreement.

It is hereby certified and recited that any and all conditions, things and acts required to exist, to have happened and to have been performed precedent to and in the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by the Constitution and laws of the State of California, including the Act, and that the amount of this Bond, together with all other indebtedness of the Authority, does not exceed any limit prescribed by the Constitution and laws of the State of California, including the Act, and is not in excess of the amount of Bonds permitted to be issued under the Trust Agreement.

This Bond shall not be entitled to any benefit under the Trust Agreement, or become valid or obligatory for any purpose, until the certificate of authentication hereon endorsed shall have been manually signed by an authorized signatory of the Trustee.

Unless this Bond is presented by an authorized representative of The Depository Trust Company to the Trustee for registration of transfer, exchange or payment, and any Bond issued is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment is made to Cede & Co., ANY TRANSFER, PLEDGE OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL because the registered owner hereof, Cede & Co., has an interest herein.

Capitalized terms used herein and not defined shall have the meanings ascribed thereto in the Trust Agreement.

IN WITNESS WHEREOF, the County of Los Angeles Redevelopment Refunding Authority has caused this Bond to be executed in its name and on its behalf by the manual or facsimile signature of its Chair and attested by the manual or facsimile signature of its Secretary, all as of the dated date first set forth above.

CRA/LA, a Designated Local Authority and

Agency of the City of Los Angeles
448 South Hill Street, Suite 1200
Los Angeles, California 90013

Ladies and Gentlemen:

The undersigned County of Los Angeles Redevelopment Refunding Authority (the “**Authority**”), offers to enter into this Local Obligation Purchase Contract (the “**Local Obligation Purchase Contract**”) with you, CRA/LA, a Designated Local Authority and Successor Agency to the Community Redevelopment Agency of the City of Los Angeles (the “**Agency**”), which, upon acceptance, will be binding upon the Agency and the Authority.

1. Purchase, Sale and Delivery of the Local Obligations.

(a) Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Authority hereby agrees to purchase from the Agency, and the Agency hereby agrees to sell to the Authority, all (but not less than all) of the \$_____ aggregate principal amount of CRA/LA Tax Allocation Refunding Bonds, Series 2016A (Federally Taxable) (the “**Local Obligations**”) to be issued under the provisions of the Indenture of Trust, dated as of _____ 1, 2016 (the “**Agency Indenture**”), by and between the Agency and U.S. Bank National Association, as trustee (the “**Agency Trustee**”); and

The Agency Indenture was approved by a resolution of CRA/LA on _____, 2016 (the “**Agency Resolution**”) related to the issuance and sale of the Local Obligations. Except as otherwise provided herein, capitalized terms used herein shall have the meanings attributed to them in the Agency Indenture.

The Local Obligations are to be dated the date of their delivery and bear interest payable on the dates and at the interest rates, and mature on the dates and in the amounts set forth in Exhibit A attached hereto. So long as the Local Obligations are held by the Authority Trustee (as such term is defined below), there shall be one Local Obligation for each series and each maturity thereof in the denomination of the entire outstanding principal amount of such maturity of such series of Local Obligations.

The Local Obligations will be purchased with proceeds of the Authority's Tax Allocation Revenue Refunding Bonds, Series 2016A (Federally Taxable) (the "**Authority Bonds**"). The Authority Bonds shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable from the Revenues as provided in the Trust Agreement, dated as of _____ 1, 2016 (the "**Trust Agreement**"), by and between the Authority and U.S. Bank National Association, as trustee (the "**Authority Trustee**"), and Article 4 of Chapter 5 of Division 7 of Title 1 of the California Government Code and Parts 1.8 and 1.85 of Division 24 of the California Health and Safety Code (collectively, the "**Bond Law**"). The issuance of the Authority Bonds has been duly authorized by the Authority pursuant to a resolution (the "**Authority Resolution**") adopted by the Board of Directors of the Authority on _____, 2016.

The purchase price of the Authority Bonds shall be \$_____ (being an amount equal to the principal amount of the Authority Bonds, plus/less a net original issue discount of \$_____ and less an underwriter discount of \$_____).

The above purchase prices shall be paid from amounts received from the Underwriters under the Bond Purchase Agreement (as such term is defined below).

The purchase price of the Local Obligations shall be \$_____ (being an amount equal to the principal amount of the Local Obligations, plus/less a net original issue discount of \$_____ and less an underwriter discount of \$_____).

The above purchase price shall be payable from amounts held by the Authority Trustee under the Trust Agreement subject to the terms and conditions thereof.

Such purchase price for the Local Obligations, which is net of the allocable purchaser's discount, includes the Agency's share (as determined by the Authority) of the funding of surety premium and costs of issuance allocable to the Local Obligations and the Authority Bonds, in the amount of \$_____, which amounts shall be transferred to the Authority and paid on the Agency's behalf by the Authority for such purposes. Amounts on deposit on account of the obligations to be refunded (the "**Refunded Obligations**") in the amount of \$_____ will be released and applied to costs of the refunding.

The Local Obligations shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable as provided in the Agency Indenture providing for the issuance of the Local Obligations and registered in the name of the Authority Trustee. Pursuant to the Agency Indenture, the Agency Trustee shall deposit or cause to be deposited from the proceeds of the Local Obligations the amounts in the funds and accounts established under the Agency Indenture and in the Cost of Issuance Fund established under the Trust Agreement.

Stifel, Nicolaus & Company, Incorporated and Citigroup Global Markets Inc. (collectively, the "**Underwriters**"), have submitted to the Agency a proposed form of an agreement to purchase the Authority Bonds (the "**Bond Purchase Agreement**") by and between the Underwriters and the Authority, which includes a Letter of Representations (the "**Letter of Representations**") to be executed by the Agency, each to be executed and delivered concurrently with this Local Obligation Purchase Contract.

Pursuant to the authorization of the Agency and the Authority, the Underwriters have distributed copies of the Preliminary Official Statement dated _____, 2016, pertaining primarily to

the Authority Bonds but also describing the Authority's tax allocation bond refunding program, the Local Obligations, the Agency and its redevelopment project areas (collectively, the "**Project Areas**"), which, together with the cover page, inside cover page and appendices thereto is herein called the "**Preliminary Official Statement**." By its acceptance of this Local Obligation Purchase Contract, the Agency hereby acknowledges the use by the Underwriters of the Preliminary Official Statement including the form of Agency "Appendix A" with respect to the Agency's Project Areas (the "**Agency Appendix**") and the Agency Appendix is hereby approved. The Agency hereby approves the distribution of a final official statement (the "**Official Statement**") which will substantially consist of the Preliminary Official Statement and the related Agency Appendix with such changes as may be made thereto, with the approval of: (i) as to the Agency Appendix, the Agency's General Counsel; (ii) Stradling Yocca Carlson & Rauth, a Professional Corporation, the Authority's Bond Counsel (herein called "**Bond Counsel**"); and (iii) the Underwriters.

Rule 15c2-12 promulgated under the Securities Exchange Act of 1934 ("**Rule 15c2-12**") requires that, in order to be able to purchase or sell the Authority Bonds, the Underwriters must have reasonably determined that the Agency, as an obligated person, has undertaken in a written agreement or contract for the benefit of the holders of the Authority Bonds to provide disclosure of certain financial information and operating data and certain enumerated events on an ongoing basis. In furtherance thereof, the Agency agrees to deliver a continuing disclosure agreement with respect to the Local Obligations (the "**Continuing Disclosure Agreement**") by and between the Authority and the Agency, pursuant to which the Agency will provide annual disclosure and notices in the event of certain enumerated events.

(b) At 8:00 a.m., California time, on _____, 2016, or at such earlier or later time or date as shall be agreed by the Agency and the Authority (such time and date being herein referred to as the "**Closing Date**"), the Agency will deliver to the Authority at the offices of Bond Counsel in Newport Beach, California (or at such other location as may be designated by the Authority and approved by the Agency), the Local Obligations in definitive forms, duly executed by the Agency and authenticated by the Agency Trustee, and will deliver to the Authority at said location, the other documents described in Section 3 hereof; and the Authority will accept such delivery and pay the purchase price of the Local Obligations as set forth in paragraph (a) of this Section by wire transfer payable as provided in the Agency Indenture (such delivery and payment being herein referred to as the "**Closing**"). The Local Obligations shall be made available to the Authority not later than one business day before the Closing Date for purposes of inspection.

2. Representations, Warranties and Agreements of the Agency. The Agency represents and warrants to and agrees with the Authority that:

(a) The Agency is duly organized and validly existing as a successor agency under California Assembly Bill 1484 (Stats 2012 c. 26) ("**AB 1484**"), with full right, power and authority to adopt the Agency Resolution, to issue the Local Obligations, to execute, deliver and perform its obligations under the Agency Indenture, the Local Obligations, the Continuing Disclosure Agreement, the Letter of Representations, the Agency's Tax Certificate, the escrow agreements being entered into by the Agency in connection with the refunding of the Refunded Obligations and the Local Obligation Purchase Contract (collectively, the "**Agency Documents**") and to carry out and consummate the transactions contemplated by the Agency Documents and the Agency Appendix; and the Agency Documents are and will be at the Closing Date valid and binding obligations of the Agency and enforceable obligations under AB 1484; and

(b) When delivered to and paid for by the Authority at the Closing in accordance with the provisions of this Local Obligation Purchase Contract, the Local Obligations will have been duly authorized, executed, issued and delivered and will constitute valid and binding obligations of the Agency in conformity with, and entitled to the benefit and security of, the Agency Indenture; and

(c) By all necessary official action, the Agency has duly adopted the Agency Resolution at a meeting properly noticed at which a quorum was present and acting throughout; and the Agency has duly authorized and approved the execution and delivery of, and the performance by the Agency of its obligations contained in, the Agency Documents, and as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered by the Agency and the other respective parties thereto, the Agency Documents will constitute the legally valid and binding obligations of the Agency enforceable against the Agency in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights generally, or by the exercise of judicial discretion and the limitations on legal remedies against governmental agencies in the State of California (the "**State**"). The Agency has complied, and will at the Closing be in compliance in all respects, with the terms of the Agency Documents; and

(d) The Agency has complied with all material requirements of the Community Redevelopment Law of the State of California (being Part 1 of Division 24 of the California Health and Safety Code, as amended) (the "**Law**") and the California Environmental Quality Act with respect to capital improvements financed and refinanced with proceeds of the Refunded Obligations; and

(e) The information contained in the Agency Appendix is true and correct in all material respects and does not contain a misstatement of any material fact or omit any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading; and

(f) Except as otherwise disclosed in the Agency Appendix, the Agency is not in breach of or in default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Agency is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument; and, as of such times, except as disclosed in the Agency Appendix, the authorization, execution and delivery of the Agency Documents and compliance with the provisions of each of such agreements or instruments do not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance or other agreement to which the Agency (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties is bound, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be provided by the Agency Documents; and

(g) All approvals, consents, authorizations, certifications and other orders of any governmental authority, board, agency or commission having jurisdiction, and all filings with any such entities, which would constitute conditions precedent to or the failure to obtain which would materially adversely affect the performance by the Agency of its obligations hereunder or under the Agency Documents, have been duly obtained and no further consent, approval, authorization or other action or filing with or by any governmental or regulatory authority having jurisdiction over the Agency is or will be required for the issue and sale of the Local Obligations or the consummation by the Agency of the other transactions described in the Agency Documents; and

(h) Except as disclosed in the Agency Appendix, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or threatened: (i) in any way questioning the corporate existence of the Agency or the titles of the officers of the Agency to their respective offices; (ii) affecting, contesting or seeking to prohibit, restrain or enjoin the issuance or delivery of the Local Obligations, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Local Obligations, or in any way contesting or affecting the validity of the Local Obligations or the Agency Documents or the consummation of the transactions contemplated thereby or hereby or contesting the powers of the Agency or its authority to issue the Local Obligations; (iii) with respect to information relating to the Agency only, contesting the completeness or accuracy of the Agency Appendix or any supplement or amendment thereto or asserting that the Preliminary Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and (iv) there is no basis for any action, suit, proceeding, inquiry or investigation of the nature described in clauses (i) through (iii) of this paragraph; and

(i) Except as disclosed in the Official Statement, within the last five years, the Agency has materially complied with its previous undertakings pursuant to Rule 15c2-12; and

(j) The Agency will refrain from taking any action with regard to which the Agency may exercise control that results in the inclusion in gross income for State income tax purposes of the interest on the Authority Bonds relating to the Local Obligations; and

(k) The Agency's Oversight Board has duly approved the issuance of the Local Obligations and no further Oversight Board approval or consent is required to issue the Local Obligations; and

(l) In furtherance of the terms of the Agency Indenture, the Agency will authorize the transfer to an account of the Agency, held by the Trustee under the Agency Indenture, of all amounts set forth in any duly approved Recognized Obligation Payment Schedule (the "**ROPS**") with respect to principal and interest payments due on the Local Obligations and any deficiency in the reserve account established pursuant to the Agency Indenture.

The execution and delivery of this Local Obligation Purchase Contract by the Agency shall constitute a representation by the Agency to the Authority that the representations, warranties and agreements contained in this Section 2 are true as of the date hereof; provided that no member of the Governing Board of the Agency shall be individually liable for the breach of any representation, warranty or agreement contained herein.

3. Conditions to the Local Obligations of the Authority. The obligation of the Authority to accept delivery of and pay for the Local Obligations on the Closing Date shall be subject, at the option of the Authority, to the accuracy in all material respects of the representations, warranties and agreements on the part of the Agency contained herein as of the date hereof and as of the Closing Date, to the accuracy in all material respects of the statements of the officers and other officials of the Agency made in any certificates or other documents furnished pursuant to the provisions hereof, to the performance by the Agency of its obligations to be performed hereunder at or prior to the Closing Date and to the following additional conditions:

(a) On the Closing Date, all conditions precedent to the purchase of the Authority Bonds by the Underwriters shall have been satisfied or waived and no conditions to the obligations of the Underwriters to accept delivery of and pay for the Authority Bonds on the Closing Date shall have been identified by the Underwriters as an impediment to such purchase and sale;

(b) On the Closing Date, the Agency Documents shall be in full force and effect in the form heretofore submitted to the Authority and there shall have been taken in connection with the issuance of the Local Obligations and the transactions contemplated thereby and by this Local Obligation Purchase Contract all such actions as, in the opinion Bond Counsel, shall be necessary and appropriate;

(c) At the Closing Date, the Agency Resolution shall not have been rescinded, amended, modified or supplemented, except as may have been agreed to by the Authority; and

(d) At or prior to the Closing Date, the Authority and the Authority Trustee shall have received the following documents with respect to the Local Obligations, in each case satisfactory in form and substance to the Authority:

(1) A certified copy of the Agency Resolution;

(2) Executed copies of the Agency Documents;

(3) Executed copies of each certificate of instruction for the deposit of Authority Bond proceeds;

(4) A certificate dated the Closing Date and signed by an authorized representative of the Agency or an authorized designee, on behalf of the Agency to the effect that: (i) the representations and warranties of the Agency in the Letter of Representations and herein are true and correct in all material respects on and as of the Closing Date, with the same effect as if made on the Closing Date; (ii) to the best knowledge of such officer, no event has occurred since the date of the Official Statement which should be disclosed in the Agency Appendix for the purpose for which it is to be used or which it is necessary to disclose therein in order to make the statements and information therein not misleading in any material respect; (iii) the Agency has complied with all of the agreements and satisfied all of the conditions on its part to be satisfied under the Local Obligation Purchase Contract, the Agency Resolution and the Agency Indenture at or prior to the Closing Date; and (iv) all information in the Agency Appendix relating to the Agency is true as of the date of the Official Statement and, as of the Closing Date, does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(5) An unqualified opinion of Bond Counsel dated the Closing Date and addressed to the Agency with respect to the Local Obligations to the effect that the Local Obligations and the Agency Indenture have been duly authorized, executed and delivered by the Agency and, assuming due authorization, execution and delivery by the applicable trustee, constitute the legal, valid and binding agreements of the Agency and are enforceable in accordance with their terms, except to the extent that enforceability may be limited by moratorium, bankruptcy, reorganization, insolvency or other similar laws affecting creditors' rights generally or by the exercise of judicial discretion in accordance with general principles of equity or otherwise in appropriate cases and by limitations on legal remedies against public agencies in the State;

Party”), from and against any and all Indemnifiable Losses (as such term is defined herein) arising out of, resulting from, or in any way connected with:

Upon such notice or other notice from an Indemnified Party of a Third Party Action, the Agency shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party and reasonably acceptable to the Agency, and shall assume the payment of all Litigation Expenses (as such term is defined herein) related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that: (i) the Indemnified Party shall have the right to review and approve or disapprove (in its reasonable discretion) any such compromise or settlement; and (ii) the Indemnified Party has no liability with respect to any compromise or settlement of any Third Party Action or similar claim effected without its written approval. If the Indemnified Party fails to provide such notice to the Agency, the Agency is still obligated to indemnify the Indemnified Party for Indemnifiable Losses. It is hereby acknowledged that the indemnification of the County in this Section 5 relates to the County Auditor-Controller's obligations as set forth in California Health and Safety Code Section 34183 and the Agency's irrevocable direction under Section 5.02 of the Indenture.

The rights and undertakings set forth in this Section do not terminate and shall survive the final payment or defeasance of the Local Obligations and the termination or defeasance of the Agency Indenture or any related agreement.

For purposes of this Section, the term "**Adverse Change in State Law**" means a change in State law, including any judicial decision that adversely affects the ability of the Agency to comply with the Agency Indenture.

The Agency shall place all costs expected to be incurred and actually incurred in connection with its indemnification obligations, including any amounts in connection with a valid indemnification claim received from the County or the Authority, on the next ROPS and shall undertake its best efforts to ensure that such expenditures are approved by the Oversight Board and the State Department of Finance. Any unpaid amounts shall constitute a debt and an enforceable obligation of the Agency and shall continue to be carried forward and placed on subsequent ROPS until paid in full. If payable to the County or the Authority, the term “paid in full” in the preceding sentence includes payment of interest in addition to the unpaid amount, and the interest rate on the unpaid amount shall increase over time as follows: (a) the rate of return earned by the Los Angeles County Treasury Pool for the relevant time period (the “**County Pool Rate**”) for the first year that payments are overdue to the County or the Authority; (b) the County Pool Rate plus 3% for the second year that payments are overdue to the County or the Authority; (c) the County Pool Rate plus 6% for the third year that payments are overdue; and (d) the County Pool Rate plus 9% for the fourth year and any additional years that payments are overdue; provided, however, that in no event shall the interest rate exceed 10% in any year. The payment of any Indemnifiable Losses that are reimbursable under this Local Obligation Purchase Contract shall be subordinate to the payment of debt service on the Local Obligations.

Re: \$_____ CRA/LA Tax Allocation Refunding Bonds, Series 2016A (Federally Taxable)

Ladies and Gentlemen:

The undersigned is the duly qualified and acting counsel to CRA/LA (the “Agency”). In connection with the issuance and delivery of \$_____ original aggregate principal amount of the CRA/LA Tax Allocation Refunding Bonds, Series 2016A (Federally Taxable) (the “**Local Obligations**”), I have examined originals (or copies certified or otherwise identified to my satisfaction) of such documents, records and other instruments as I deem necessary or appropriate for the purposes of rendering this opinion, including, without limitation, Resolution No. _____ adopted by CRA/LA on _____, 2016 (the “**Agency Resolution**”) and the Indenture of Trust, dated as of _____ 1, 2016 (the “**Indenture**”), by and between the Agency and U.S. Bank National Association, as trustee (the “**Agency Trustee**”). Capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Local Obligation Purchase Contract, dated _____, 2016, by and between the County of Los Angeles Redevelopment Refunding Authority (the “**Authority**”) and the Agency.

Based upon the foregoing, it is my opinion that:

(A) The Agency is a public entity validly existing under the laws of the State of California;

(B) The Agency Resolution has been duly adopted at a meeting of the Agency that was duly called and held on _____, 2016 pursuant to law, with all required public notice and at which a quorum was present and acting throughout. The Agency Resolution is in full force and effect and has not been amended or repealed;

(C) The Agency Documents have been duly authorized, executed and delivered by the Agency and, when duly executed by the other respective parties thereto, constitute valid and binding legal obligations of the Agency enforceable in accordance with their respective terms, except as such enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally, or by the exercise of judicial

discretion and the limitations on legal remedies against governmental entities in the State of California;

(D) Except as otherwise disclosed in Appendix A to the Official Statement and under the caption “LITIGATION” to the Official Statement, there is no litigation, proceeding, action, suit, or investigation at law or in equity before or by any court, governmental agency or body, pending (and notice of which has been served on the Agency) or, to the best knowledge of such counsel after due inquiry, threatened against the Agency: (i) challenging the creation, organization or existence of the Agency; (ii) challenging the validity of the Agency Documents; (iii) seeking to restrain or enjoin the repayment of the Local Obligations; (iv) in any way contesting or affecting the validity of the Agency Documents; (v) contesting the authority of the Agency to enter into or perform its obligations under any of the Agency Documents; (vi) which, in any manner, questions the right of the Agency to use the Tax Revenues (as such term is defined in the Indenture) for repayment of the Local Obligations; or (vii) affects in any manner the right or ability of the Agency to collect or pledge the Tax Revenues as described in Appendix A to the Official Statement; and

(E) Except as otherwise disclosed in Appendix A to the Official Statement, there are no outstanding bonds, notes or other obligations of the Agency which are payable out of tax increment revenues of the Agency on a basis senior to the Local Obligations.

This opinion is limited to the laws of the State of California, and I assume no responsibility as to the applicability or the effect of the laws (including securities, blue sky and insolvency laws) of any other jurisdiction or of federal or state income tax laws. This opinion is limited to the matters stated herein, and no opinion is implied beyond the matters expressly stated. This opinion is given for your use and benefit only in connection with transactions described herein, and it may not be relied upon in any other transaction or by any other person, nor may copies be delivered to any person other than your counsel without my prior written consent.

Very truly yours,

BOND PURCHASE AGREEMENT

_____, 2016

County of Los Angeles Redevelopment Refunding Authority
c/o County of Los Angeles
Los Angeles, California

Ladies and Gentlemen:

Stifel, Nicolaus & Company, Incorporated, acting on behalf of itself and as representative (the "Representative") of Citigroup Global Markets Inc. (collectively, the "Underwriters"), and acting in its capacity as principal and not as a fiduciary or agent, offers to enter into this Bond Purchase Agreement (this "Purchase Agreement") with the County of Los Angeles Redevelopment Refunding Authority (the "Authority"), which upon acceptance will be binding upon the Underwriters and the Authority. The agreement of the Underwriters to purchase the Bonds (as hereinafter defined) is contingent upon the Authority purchasing the Local Obligations (as hereinafter defined) from CRA/LA, a Designated Local Authority and Successor Agency to The Former Community Redevelopment Agency of the City of Los Angeles (the "Agency"), upon the Authority satisfying all of the obligations imposed upon it under this Purchase Agreement, upon the delivery of an executed Agency Letter of Representations in the form substantially set forth in Exhibit B hereto by the Agency on the date hereof (the "Agency Letter of Representations") and upon the closing conditions set forth in Section 4 hereof being met. This offer is made subject to the Authority's acceptance by the execution of this Purchase Agreement and its delivery to the Representative at or before 8:00 p.m., California local time, on the date hereof, and, if not so accepted, will be subject to withdrawal by the Underwriters upon notice delivered to the Authority at any time prior to the acceptance hereof by the Authority. All capitalized terms used herein, which are not otherwise defined, shall have the meaning provided for such terms in the Trust Agreement (as hereinafter defined), or if not defined therein, in the Local Obligations Indenture (as hereinafter defined).

1. Purchase, Sale and Delivery of the Bonds.

A. Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriters hereby agree to purchase from the Authority and the Authority hereby agrees to sell to the Underwriters all (but not less than all) of the \$_____ aggregate principal amount of the County of Los Angeles Redevelopment Refunding Authority Tax Allocation Revenue Refunding Bonds, Series 2016A (Federally Taxable), each dated the Closing Date (as hereinafter defined), bearing interest at

the rates and maturing on the dates and in the principal amounts set forth in Exhibit A hereto (the "Bonds").

The purchase price for the Bonds shall be as shown on Exhibit A hereto.

The Underwriters agree to make a bona fide public offering of all of the Bonds initially at the public offering prices (or yields) set forth in Exhibit A attached hereto and incorporated herein by reference. Subsequent to the initial public offering, the Underwriters reserve the right to change the public offering prices (or yields) as each deems necessary in connection with the marketing of the Bonds, provided that the Underwriters shall not change the interest rates set forth in Exhibit A. The Bonds may be offered and sold to certain dealers at prices lower than such initial offering prices.

The Bonds shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable from the Revenues as provided in the trust agreement relating to the Bonds, dated as of _____ 1, 2016, (the "Trust Agreement") by and between the Authority and U.S. Bank National Association, as trustee (the "Authority Trustee"), the Preliminary Official Statement (as hereinafter defined), and Article 4 (commencing with Section 6584) of Chapter 5, Division 7, Title 1 of the Government Code of the State of California (the "Bond Law"). The issuance of the Bonds has been duly authorized by the Authority pursuant to a resolution (the "Authority Resolution") adopted by the Board of Directors of the Authority on _____, 2016.

The net proceeds of the Bonds will be used to purchase the \$_____ aggregate principal amount of the CRA/LA Tax Allocation Refunding Bonds, Series 2016A (Federally Taxable) (the "Local Obligations").

The Local Obligations shall be substantially in the form described in, shall be issued and secured under the provisions of, and shall be payable from tax increment revenues pledged thereto as provided in the Indenture of Trust dated as of _____ 1, 2016 (the "Local Obligations Indenture"), by and between the Agency and U.S. Bank National Association (the "Local Obligations Trustee").

The Local Obligations shall be issued in accordance with Parts 1.8 and 1.85 of Division 24 of the Health & Safety Code of the State of California (as amended from time to time, the "Dissolution Act") and Article 11 (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State of California. The issuance of the Local Obligations has been duly authorized by a resolution adopted by the Board of Directors or Governing Board of the Agency (the "Agency Resolution") and by a resolution (the "Oversight Board Resolution") of the Oversight Board for the Agency (the "Oversight Board"), and the Department of Finance of the State of California has issued a letter dated _____, 2016, approving the Oversight Board Resolution and the issuance of the Local Obligations. The net proceeds of the Local Obligations will be used as indicated in the Local Obligations Indenture. The Local Obligations shall be purchased by the Authority pursuant to the terms of a Local Obligation Purchase Contract (the "Local Obligations Purchase Contract") by and between the Authority and the Agency.

The Local Obligations are being issued to (i) [acquire a debt service reserve fund surety policy (the "Surety Policy") from _____ (the "Insurer"),] (ii) pay costs of issuance allocable to the Local Obligations, and (iii) refund and defease the obligations issued by the predecessor-in-interest to the Agency (the former Community Redevelopment Agency of the

City of Los Angeles) as set forth in Exhibit D hereto (such obligations are referred to collectively or individually herein as the "Refunded Bonds").

B. The Authority hereby acknowledges that the Representative is entering into this Purchase Agreement in reliance on the representations, warranties and agreements made by the Authority herein, and the Authority shall take all action necessary to enforce its rights hereunder for the benefit of the Underwriters and shall immediately notify the Representative if it becomes aware that any representation, warranty or agreement made by the Agency in connection herewith is incorrect in any material respect.

The Authority acknowledges and agrees that: (i) the purchase and sale of the Bonds pursuant to this Purchase Agreement is an arm's-length commercial transaction between the Authority and the Underwriters; (ii) in connection therewith and with the discussions, undertakings and procedures leading up to the consummation of such transaction, each Underwriter is and has been acting solely as principal and is not acting as a Municipal Advisor (as defined in Section 15B of the Securities Exchange Act of 1934, as amended); (iii) the Underwriters have not assumed an advisory or fiduciary responsibility in favor of the Authority with respect to the offering contemplated hereby or the discussions, undertakings and procedures leading thereto (irrespective of whether either Underwriter has provided other services or is currently providing other services to the Authority or the County of Los Angeles (the "County") on other matters); (iv) the Authority has consulted its own legal, financial and other advisors to the extent that it has deemed appropriate; (v) the only obligations that the Underwriters have to the Authority with respect to the transactions contemplated by this Purchase Agreement are those expressly set forth herein; (vi) the Underwriters have financial interests that may differ from, and be adverse to, those of the Authority; and (vii) the Underwriters have provided the Authority with certain disclosures required under the rules of the Municipal Securities Rulemaking Board (the "MSRB").

C. Pursuant to the authorization of the Authority, the Underwriters have distributed copies of the Preliminary Official Statement dated _____, 2016, relating to the Bonds, which, together with the cover page, inside cover page and appendices thereto is herein called the "Preliminary Official Statement." By its acceptance of this Purchase Agreement, the Authority hereby ratifies the use by the Underwriters of the Preliminary Official Statement and the Authority agrees to execute a final official statement relating to the Bonds (the "Official Statement") which will consist of the Preliminary Official Statement with such changes as may be made thereto, with the approval of Stradling Yocca Carlson & Rauth, a Professional Corporation, the Authority's Bond Counsel (herein called "Bond Counsel"), and the Underwriters, and to provide copies thereof to the Underwriters as set forth in Section 2(N) hereof. The Authority hereby authorizes and requires the Underwriters to use and promptly distribute, in connection with the offer and sale of the Bonds, the Preliminary Official Statement, the Official Statement and any supplement or amendment thereto prepared by the Authority and consented to by the Underwriters in accordance with Section 3(D) hereof. The Authority further authorizes the Underwriters to use and distribute, in connection with the offer and sale of the Bonds, the Trust Agreement, the Local Obligations Indenture, this Purchase Agreement and all information contained herein, and all other documents, certificates and statements furnished by or on behalf of the Authority or the Agency to the Representative in connection with the transactions contemplated by this Purchase Agreement.

D. To assist the Underwriters in complying with Securities and Exchange Commission Rule 15c2-12(b)(5) (the "Rule"), the Agency will undertake pursuant to a Continuing Disclosure Agreement, dated as of _____1, 2016 (the "Continuing Disclosure

Agreement”), by and between the Agency and the Authority, acting as dissemination agent (the “Dissemination Agent”), to provide annual reports and notices of certain enumerated events. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

E. Except as the Representative and the Authority may otherwise agree, the Authority will deliver to the Underwriters, at the offices of Bond Counsel in Newport Beach, California, or at such other location as may be mutually agreed upon by the Representative and the Authority, the documents hereinafter mentioned; and the Authority will deliver to the Underwriters through the facilities of The Depository Trust Company (“DTC”) in New York, New York, the Bonds, in definitive form (all Bonds bearing CUSIP numbers), duly executed by the Authority and authenticated by the Authority Trustee in the manner provided for in the Trust Agreement and the Bond Law at 8:00 a.m. California time, on _____, 2016 (the “Closing Date”), and the Underwriters will accept such delivery and pay the purchase price of the Bonds as set forth in paragraph (A) of this Section by wire transfer, payable in federal or other immediately available funds (such delivery and payment being herein referred to as the “Closing”). The Bonds shall be in fully registered book-entry form (which may be typewritten) and shall be registered in the name of Cede & Co., as nominee of DTC.

2. Representations, Warranties and Covenants of the Authority. The Authority represents, warrants and covenants to the Underwriters that:

A. The Authority is a joint exercise of powers authority, duly organized and existing under the Constitution and laws of the State of California, and formed pursuant to Articles 1 through 4 (commencing with Section 6500) of Chapter 5, Division 7, Title 1 of the Government Code (the “JPA Act”), with full right, power and authority: (i) to enter into this Purchase Agreement and the Local Obligations Purchase Contract; (ii) to enter into the Trust Agreement; (iii) to adopt the Authority Resolution authorizing the issuance of the Bonds and entry into this Purchase Agreement and the Trust Agreement and to take all other actions on the part of the Authority relating thereto; (iv) to issue, sell and deliver the Bonds to the Underwriters as provided herein; (v) to purchase the Local Obligations; and (vi) to carry out and consummate the transactions on its part contemplated by this Purchase Agreement, the Trust Agreement, the Local Obligations Purchase Contract, the Continuing Disclosure Agreement and the Official Statement.

The Trust Agreement, the Bonds, this Purchase Agreement, the Continuing Disclosure Agreement and the Local Obligations Purchase Contract are collectively referred to herein as the “Authority Documents.”

B. By all necessary official action of the Authority, the Authority has duly authorized and approved the execution and delivery by the Authority of, and the performance by the Authority of the obligations on its part contained in, the Authority Documents, and has approved the use by the Underwriters of the Preliminary Official Statement and the Official Statement and, as of the date hereof, such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered by the parties thereto, the Authority Documents will constitute the legally valid and binding obligations of the Authority enforceable upon the Authority in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors’ rights generally. To the best of the Authority’s knowledge, the Authority has complied, and will at the

Closing Date be in compliance in all respects, with the terms of the Authority Documents that are applicable to the Authority.

C. The information in the Preliminary Official Statement and in the Official Statement (other than statements pertaining to the book-entry system and Appendices A, B, C and G, as to which no view is expressed), is true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; and, upon delivery and up to and including 25 days after the End of the Underwriting Period (as defined in paragraph (D) below), the Official Statement will be amended and supplemented so as to contain no misstatement of any material fact or omission of any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading.

D. Up to and including 25 days after the End of the Underwriting Period (as defined below), the Authority will advise the Underwriters promptly of any proposal to amend or supplement the Official Statement and will not effect or consent to any such amendment or supplement without the consent of the Underwriters, which consent will not be unreasonably withheld. The Authority will advise the Underwriters promptly of the institution of any proceedings known to it by any governmental agency prohibiting or otherwise materially affecting the use of the Official Statement in connection with the offering, sale or distribution of the Bonds. As used herein, the term "End of the Underwriting Period" means the later of such time as: (i) the Bonds are delivered to the Underwriters; or (ii) the Underwriters do not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriters give notice to the contrary, the End of the Underwriting Period shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the Authority at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the "End of the Underwriting Period." If in the opinion of the Underwriters any such event or proceeding requires the preparation and distribution of a supplement or amendment to the Official Statement in order to ensure that the Official Statement contains no misstatement of any material fact or omission of any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading, the Authority shall prepare and furnish to the Underwriters, at the Authority's expense, such number of copies of the supplement or amendment to the Official Statement as the Underwriters may reasonably request. If such amendment or supplement to the Official Statement shall be made subsequent to the Closing Date, the Authority and the Agency also shall furnish, or cause to be furnished, such additional certificates, instruments and other documents as the Underwriters may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

E. At the time of acceptance, the Authority is not, and as of the Closing Date, except as otherwise disclosed in the Official Statement, will not be, in breach of or in default under any applicable constitutional provision, law or administrative rule or regulation of the State of California or the United States of America, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Authority is a party or is otherwise subject; and, to the Authority's knowledge, no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument which breach, default or event could have an adverse effect on the Authority's ability to perform its obligations under the Authority Documents; and, as of such times, except as disclosed in the

Official Statement, the authorization, execution and delivery of the Authority Documents and compliance by the Authority with the provisions of each of such agreements or instruments does not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State of California or the United States of America, or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Authority (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties is bound; nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be provided by the Authority Documents.

F. To the best knowledge of the Authority, at the time of acceptance, as of the Closing Date, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively and individually, an "Action") pending (notice of which has been served on the Authority) or to the best knowledge of the Authority threatened, in which any such Action: (i) in any way questions the corporate existence of the Authority or the titles of the officers of the Authority to their respective offices; (ii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of any of the Bonds, or the payment or collection of Revenues (as defined in the Trust Agreement) or any amounts pledged or to be pledged to pay the principal of and interest on the Bonds, or in any way contests or affects the validity of the Authority Documents or the consummation of the transactions on the part of the Authority contemplated thereby; (iii) contests the exclusion of the interest on the Bonds from state income taxation or contests the powers of the Authority which may result in any material adverse change relating to the financial condition of the Authority; (iv) except as disclosed in the Official Statement, wherein an unfavorable decision, ruling or finding would materially adversely affect the financial position or condition of the Authority or would result in any material adverse change in the ability of the Authority to pledge or apply the Revenues or to pay debt service on the Bonds; or (v) contests the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserts that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and, as of the time of acceptance hereof, there is not, and as of the Closing Date, there will be no known basis for any Action of the nature described in clauses (i) through (v) of this sentence.

G. The Authority will furnish such information, execute such instruments and take such other action in cooperation with the Underwriters and at the expense of the Underwriters as the Underwriters may reasonably request in order: (i) to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions of the United States of America as the Underwriters may designate; and (ii) to determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds; provided, however, that the Authority will not be required to execute a special or general consent to service of process or qualify as a foreign corporation in connection with any such qualification in any jurisdiction.

H. Those Authority Documents described in the Official Statement conform as to form and tenor to such descriptions contained therein. The Authority represents that the Bonds, when issued, executed and delivered in accordance with the Trust Agreement and sold

to the Underwriters as provided herein, will be validly issued and outstanding obligations of the Authority, entitled to the benefits of the Trust Agreement pursuant to which the Bonds were issued. The Trust Agreement creates a valid pledge of the moneys in certain funds and accounts established pursuant to such Trust Agreement, subject in all cases to the provisions of the Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth therein.

I. The issuance and sale of the Bonds is not subject to any transfer or other documentary stamp taxes of the State of California or any political subdivision thereof.

J. [Reserved].

K. Any certificate signed by any authorized officer of the Authority and delivered to the Representative in connection with the issuance and sale of the Bonds shall be deemed to be a representation and covenant by the Authority to the Underwriters as to the statements made therein.

L. The Authority will apply the proceeds of the Bonds in accordance with the Trust Agreement.

M. Until such time as moneys have been set aside in an amount sufficient to pay all then outstanding Bonds at maturity or to the date of redemption if redeemed prior to maturity, plus unpaid interest thereon and premium, if any, to maturity or to the date of redemption if redeemed prior to maturity, the Authority will faithfully perform and abide by all of the covenants, undertakings and provisions contained in the Trust Agreement related to the Bonds.

N. The Preliminary Official Statement was deemed final by a duly authorized officer of the Authority prior to its delivery to the Underwriters, except for the omission of such information as is permitted to be omitted in accordance with paragraph (b)(1) of the Rule. The Authority hereby covenants and agrees that, within seven (7) business days from the date hereof, or upon reasonable written notice from the Representative within sufficient time to accompany any confirmation requesting payment from any customers of the Underwriters, the Authority shall cause a final printed form of the Official Statement to be delivered to the Underwriters in sufficient quantity to comply with paragraph (b)(4) of the Rule and Rules G-12, G-15, G-32 and G-36 of the MSRB.

The Authority hereby approves the preparation and distribution of the Official Statement, consisting of the Preliminary Official Statement with such changes as are noted thereon and as may be made thereto, with the approval of Bond Counsel, and the Underwriters, from time to time prior to the Closing Date.

The Authority hereby ratifies any prior use of and authorizes the future use by the Underwriters, in connection with the offering and sale of the Bonds, of the Preliminary Official Statement, the Official Statement, this Purchase Agreement, the Local Obligations Purchase Contract, the Continuing Disclosure Agreement and all information contained herein, and all other documents, certificates and written statements furnished by the Authority to the Underwriters in connection with the transactions contemplated by this Purchase Agreement.

The execution and delivery of this Purchase Agreement by the Authority shall constitute a representation to the Representative that the representations and warranties contained in this Section 2 are true as of the date hereof.

3. Conditions to the Obligations of the Underwriters. The obligation of the Underwriters to accept delivery of and pay for the Bonds on the Closing Date shall be subject, at the option of the Underwriters, to the accuracy in all material respects of the representations and warranties on the part of the Authority contained herein and on the part of the Agency contained in the Agency Letter of Representations, to the accuracy in all material respects of the statements of the officers and other officials of the Authority and the Agency made in any certificates or other documents furnished pursuant to the provisions hereof, to the performance by the Authority of its obligations to be performed hereunder at or prior to the Closing Date, to the performance by the Agency of its obligations to be performed under the Local Obligations Purchase Contract at or prior to the Closing Date and, to the following additional conditions:

B. At the Closing Date, except as was described in the Preliminary Official Statement, the Authority shall not be, in any respect material to the transactions referred to herein or contemplated hereby, in breach of or in default under, any law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Authority is a party or is otherwise subject or bound, and the performance by the Authority of its obligations under the Authority Documents, the Authority Resolution and any other instruments contemplated by any of such documents, and compliance with the provisions of each thereof, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Authority is a party or is otherwise subject or bound, in any manner which would materially and adversely affect the performance by the Authority of its obligations under the Authority Documents or the Authority Resolution.

C. At the Closing Date, except as described in the Preliminary Official Statement, the Agency shall not be, in any respect material to the transactions referred to herein or contemplated hereby, in breach of or in default under, any law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Agency is a party or is otherwise subject or bound, and the performance by the Agency of its obligations under its Local Obligations, Agency Resolution, Local Obligations Indenture, Local Obligations Purchase Contract,

Continuing Disclosure Agreement, Escrow Agreements and any other instruments contemplated by any of such documents, and compliance with the provisions of each thereof, or the performance of the conditions precedent to be performed hereunder, will not conflict with or constitute a breach of or default under any applicable law or administrative rule or regulation of the State of California, the United States of America, or of any department, division, agency or instrumentality of either thereof, or under any applicable court or administrative decree or order, or under any loan agreement, note, resolution, indenture, contract, agreement or other instrument to which the Agency is a party or is otherwise subject or bound, in any manner which would materially and adversely affect the performance by the Agency of its obligations under its Local Obligations Indenture, the Local Obligations issued by the Agency or the performance of the conditions precedent to be performed by the Agency under the Local Obligations Purchase Contract, under the Continuing Disclosure Agreement, or under the Escrow Agreements.

D. The information contained in the Official Statement is, as of the Closing Date and as of the date of any supplement or amendment thereto, true and correct in all material respects and does not, as of the Closing Date or as of the date of any supplement or amendment thereto, contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

E. Between the date hereof and the Closing Date, the market price or marketability, at the initial offering prices set forth on the cover page of the Official Statement, of the Bonds shall not have been materially adversely affected, in the judgment of the Representative (evidenced by a written notice to the Authority terminating the obligation of the Underwriters to accept delivery of and pay for the Bonds), by reason of any of the following:

i. [Reserved]

xi. Any legislation, ordinance, rule or regulation shall be introduced in, or be enacted by any governmental body, department or agency of the State, or a decision by any court of competent jurisdiction within the State or any court of the United States shall be rendered which, in the reasonable opinion of the Underwriters, materially adversely affects the market price of the Bonds.

Los Angeles, California

County of Los Angeles Redevelopment Refunding Authority
Los Angeles, California

CRA/LA, a Designated Local Authority and Successor Agency to The Former Community Redevelopment Agency of the City of Los Angeles (the "Agency") hereby represents and warrants as follows:

1. The Agency is a public entity validly existing under the laws of the State of California (the "State") with full right, power and authority to adopt the Agency Resolution, to issue the Local Obligations and to execute, deliver and perform its obligations under the Local Obligations Indenture, Local Obligations Purchase Contract, Continuing Disclosure Agreement and Escrow Agreements (collectively, the "Agency Documents") and to carry out and consummate the transactions on its part contemplated by the Agency Documents and the Official Statement.

2. By all necessary official action, the Agency has duly adopted the Resolution No. S.A. ___-2016 (the "Agency Resolution") at a meeting properly noticed at which a quorum was present and acting throughout and has duly authorized and approved the execution and delivery of, and the performance by the Agency of the obligations contained in, the Agency Documents, and as of the date hereof such authorizations and approvals are in full force and effect and have not been amended, modified or rescinded. When executed and delivered by the Agency and the other respective parties thereto, the Agency Documents will constitute the legally valid and binding obligations of the Agency enforceable upon the Agency in accordance with their respective terms, except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws or equitable principles relating to or affecting creditors' rights generally, or by the exercise of judicial discretion and the limitations on legal remedies against governmental agencies in the State of California. The Agency has complied, and will at the Closing be in compliance in all respects, with the terms of the Agency Documents.

3. The Agency deems Appendix A to the Preliminary Official Statement to be final for purposes of the Securities and Exchange Commission Rule 15c2-12(b)(5) and has approved the distribution of such appendix as a part of the Preliminary Official Statement pursuant to the Agency Resolution.

4. The information contained in Appendix A to the Preliminary Official Statement is true and correct in all material respects, and information contained in Appendix A to the Preliminary Official Statement does not contain a misstatement of any material fact and does

not omit any statement necessary to make the statements contained therein, in the light of the circumstances in which such statements were made, not misleading.

5. Up to and including 25 days after the End of the Underwriting Period, if any event shall occur of which the Agency is aware, as a result of which it may be necessary to supplement Appendix A to the Official Statement in order to make the statements in Appendix A to the Official Statement, in light of the circumstances existing at such time, not misleading, the Agency shall forthwith notify the Authority and the Underwriters of any such event of which it has knowledge and shall cooperate fully in furnishing any information available to it for any supplement to the Official Statement necessary, in the Underwriters' opinion, so that the statements therein as so supplemented will not be misleading in light of the circumstances existing at such time. As used herein, the term "End of the Underwriting Period" means the later of such time as: (i) the Bonds are delivered to the Underwriters; or (ii) the Underwriters do not retain, directly or as a member of an underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriters give notice to the contrary, the End of the Underwriting Period shall be deemed to be the Closing Date. Any notice delivered pursuant the previous sentence shall be written notice delivered to the Agency at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the "End of the Underwriting Period." If in the opinion of the Underwriters any such event or proceedings requires the preparation and distribution of a supplement or amendment to the Official Statement, the Agency shall assist the Authority and the Underwriters in preparing and furnishing the information necessary to supplement or amend the Official Statement. If such amendment or supplement to the Official Statement shall be made subsequent to the Closing Date, the Agency also shall furnish, or cause to be furnished, such additional certificates, instruments and other documents as the Underwriters may reasonably deem necessary to evidence the truth and accuracy of any such supplement or amendment to the Official Statement.

6. Except as otherwise disclosed in Appendix A to the Preliminary Official Statement, the Agency is not in breach of or in default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States, or any applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the Agency is a party or is otherwise subject, and no event has occurred and is continuing which, with the passage of time or the giving of notice, or both, would constitute a default or event of default under any such instrument; and, as of such times, except as disclosed in Appendix A to the Preliminary Official Statement, the authorization, execution and delivery of the Agency Documents, and compliance with the provisions of each of such agreements or instruments do not and will not conflict with or constitute a breach of or default under any applicable constitutional provision, law or administrative rule or regulation of the State or the United States or any applicable judgment, decree, license, permit, trust agreement, loan agreement, bond, note, resolution, ordinance agreement or other to which the Agency (or any of its officers in their respective capacities as such) is subject, or by which it or any of its properties is bound, nor will any such authorization, execution, delivery or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of its assets or properties or under the terms of any such law, regulation or instrument, except as may be provided by the Agency Documents.

7. Except as disclosed in Appendix A and under the caption "LITIGATION" to the Preliminary Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body (collectively

and individually, an “Action”), pending (notice of which has been served on the Agency) or to the best knowledge of the Agency threatened, in which any such Action: (i) in any way questions the corporate existence of the Agency or the titles of the officers of the Agency to their respective offices; (ii) affects, contests or seeks to prohibit, restrain or enjoin the issuance or delivery of the Local Obligations, or the payment or collection of any amounts pledged or to be pledged to pay the principal of and interest on the Local Obligations, or in any way contests or affects the validity of the Local Obligations or the Agency Documents or the consummation of the transactions on the part of the Agency contemplated thereby or hereby; (iii) contests the powers of the Agency which may result in any material adverse change relating to the financial condition of the Agency; (iv) except as disclosed in the Official Statement, wherein an unfavorable decision, ruling or finding would materially adversely affect the financial position or condition of the Agency or would result in any material adverse change in the ability of the Agency to pledge or apply any amounts pledged or to be pledged to pay debt service on the Local Obligations; (v) with respect to information relating to the Agency only, contesting the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto or asserting that the Preliminary Official Statement or the Official Statement contained any untrue statement of a material fact or omitted to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; and there is no known basis for any Action of the nature described in clauses (i) through (v) of this paragraph.

8. The Agency will refrain from taking any action with regard to which the Agency may exercise control that results in the inclusion in gross income for State of California income tax purposes of the interest on the Authority Bonds.

9. Except as disclosed in Appendix A to the Preliminary Official Statement, the Agency has not defaulted under any prior continuing disclosure undertaking in the last five years.

10. The Oversight Board has duly adopted the Oversight Board Resolution approving the issuance of the Local Obligations, and no further Oversight Board approval or consent is required for the issuing of the Local Obligations or the consummation of the transactions described in the Preliminary Official Statement.

11. The Department of Finance of the State of California (the “Department of Finance”) has issued a letter dated _____, 2016, approving the Oversight Board Resolution approving the issuance of the Local Obligations (the “DOF Letter”). No further Department of Finance approval or consent is required for the issuance of the Local Obligations or the consummation of the transactions described in the Preliminary Official Statement.

12. Except as disclosed in Appendix A to the Preliminary Official Statement, the Agency is not aware of the Department of Finance directing or having any basis to direct the County Auditor-Controller to deduct unpaid unencumbered funds from future allocations of property tax to the Agency pursuant to Section 34183 of the Dissolution Act.

All terms not otherwise defined herein shall have the meaning ascribed to them in the Bond Purchase Agreement, dated _____, 2016 (the “Purchase Agreement”), by and between the County of Los Angeles Redevelopment Refunding Authority (the “Authority”) and Stifel, Nicolaus & Company, Incorporated (the “Representative”), on behalf of itself and Citigroup Global Markets Inc.

- (ix) Bankruptcy, insolvency, receivership or similar proceeds of the Agency.

Note: For purposes of each event identified in paragraph (ix), the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for an obligated person in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the obligated person, or if such jurisdiction has been assumed by leaving the existing governmental body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the obligated person.

Section 7. Dissemination Agent. The Authority has agreed to be the initial Dissemination Agent under this Disclosure Agreement. However, if the Dissemination Agent shall fail to comply with this Disclosure Agreement (including the obligations under Section 2(a)), the Agency may appoint a successor Dissemination Agent to assist it in carrying out the obligations of Dissemination Agent under this Disclosure Agreement, and may discharge any Dissemination Agent, with or without appointing a successor Dissemination Agent. The Authority agrees to continue to serve as Dissemination Agent (and to continue to obtain and provide the Agency with the information described in the second paragraph of Section 2(a)), unless and until the Agency has appointed a successor Dissemination Agent or has discharged the Authority as Dissemination Agent. In the event that the Agency appoints a successor Dissemination Agent or discharges the Authority as Dissemination Agent, the Authority's obligations under Section 2(a) shall terminate.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Authority and the Agency may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if, in the opinion of nationally recognized bond counsel:

(a) such amendment or waiver is permitted under the Rule; and

(b) such amendment or waiver does not materially impair the interests of Holders or Beneficial Owners of the Authority Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Agency shall describe such amendment or waiver in the next Annual Report, and shall include, as

applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Agency. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements: (i) notice of such change shall be given in a filing with the MSRB; and (ii) the Annual Report for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Additional Information. Nothing in this Disclosure Agreement shall prevent the Agency from voluntarily disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other reasonable means of communication, or including such information in any Annual Report or notice required to be filed pursuant to this Disclosure Agreement. If the Agency chooses to include any information in any Annual Report or notice in addition to that which is specifically required by this Disclosure Agreement, the Agency shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event or any other event required to be reported.

A default under this Disclosure Agreement shall not be deemed to be an Event of Default under the Indenture or the Trust Agreement, and the sole remedy under this Disclosure Agreement in the event of any failure of the Agency or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. To the extent permitted by law, the Agency shall indemnify and save the Dissemination Agent harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder, and which are not due to the negligence or willful misconduct of the Dissemination Agent. The obligations of the Agency under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Authority Bonds and the Refunding Bonds.

Section 12. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Authority, the Agency, the Dissemination Agent, the Participating Underwriter and the Holders and

INTRODUCTION

This introduction contains only a brief summary of certain terms of the Series 2016 Bonds being offered, and a brief description of this Official Statement. All statements contained in this introduction are qualified in their entirety by reference to the entire Official Statement. References to, and summaries of, provisions of the Constitution and laws of the State of California (the “State”) and any documents referred to herein do not purport to be complete and such references are qualified in their entirety by reference to the complete provisions. All capitalized terms used in the forepart of this Official Statement and not otherwise defined herein have the respective meanings assigned to them in the Trust Agreement. See APPENDIX D – “SUMMARY OF TRUST AGREEMENT” attached hereto. For information regarding the Agency Participant and the terms of the Agency Indenture for the Local Obligations (each as defined below), see APPENDIX A.

General

This Official Statement, including the cover page, the inside cover pages and the appendices attached hereto (the “Official Statement”), provides certain information concerning the sale and issuance by the County of Los Angeles Redevelopment Refunding Authority (the “Authority”) of its Tax Allocation Revenue Refunding Bonds, Series 2016A (Federally Taxable) (the “Series 2016 Bonds”). The Series 2016 Bonds will be issued pursuant to a Trust Agreement dated as of _____ 1, 2016 (the “Trust Agreement”), by and between the Authority and U.S. Bank National Association, as trustee (the “Trustee”) and the Marks-Roos Local Bond Pooling Act of 1985, constituting Article 4 (commencing with Section 6584) of Chapter 5, Division 7, Title 1 of the California Government Code, as amended from time to time.

For over 50 years, State law provided for the creation of redevelopment agencies and redevelopment commissions in accordance with the Community Redevelopment Law (Part 1 of Division 24 of the California Health and Safety Code and referred to herein as the “Law”). Once created, each was authorized to transact business and exercise its powers, all under and pursuant to the Law, including the power to issue bonds and incur indebtedness for any of its corporate purposes. As part of an effort to address structural deficits in the State’s general fund budgets for its fiscal years 2011-12 and 2012-13, the State Legislature and Governor serially enacted Assembly Bill X1 26 (“AB 26”) and Assembly Bill 1484 (“AB 1484”) as trailer bills necessary to implement provisions of the State’s budget acts for such years. The State Legislature subsequently enacted Senate Bill 107 (“SB 107”) which amended the provisions of AB 26 and AB 1474 to, among other things, eliminate certain plan limits for redevelopment project areas.

In general, this legislation dissolved redevelopment agencies (“Former RDAs”) and provided for the assumption of defined enforceable obligations by successor agencies and other designated authorities to such Former RDAs (the “Successor Agencies”) under limited powers and authority. AB 1484 was

* Preliminary, subject to change.

enacted on June 27, 2012 as part of the Fiscal Year 2012-13 State of California budget bill. AB 1484 modified and supplemented provisions of AB 26, including provisions related to the refunding of outstanding Former RDA bonds and other indebtedness, and the expenditure of remaining bond proceeds derived from redevelopment agency bonds issued on or before December 31, 2010. With respect to outstanding bonds and indebtedness, AB 1484 authorizes Successor Agencies to refund outstanding bonds or other indebtedness provided that (i) the total interest cost to maturity on the refunding bonds or other indebtedness plus the principal amount of the refunding bonds or other indebtedness shall not exceed the total remaining interest cost to maturity on the bonds or other indebtedness to be refunded plus the remaining principal of the bonds or other indebtedness to be refunded, and (ii) the principal amount of the refunding bonds or other indebtedness shall not exceed the amount required to defease the bonds or other indebtedness as described herein, to establish customary debt service reserves, and to pay related costs of issuance. See “THE REFUNDING PLAN” in Appendix A for information with respect to the refunding plan.

The County Refunding Program

The County of Los Angeles (the “County”) has developed a program (the “County Refunding Program”) and caused the formation of the Authority to assist Successor Agencies within the County to refund tax increment obligations pursuant to AB 1484 in order to provide debt service savings and to increase property tax revenues available for distribution to affected taxing entities. Concurrently with the issuance of the Series 2016 Bonds, CRA/LA, a Designated Local Authority and Successor Agency to The Community Redevelopment Agency of the City of Los Angeles (the “Agency Participant”) will issue its CRA/LA Tax Allocation Refunding Bonds, Series 2016A (Federally Taxable) (the “Local Obligations”) pursuant to an Indenture of Trust dated as of _____ 1, 2016 (the “Agency Indenture”), by and between the Agency Participant and U.S Bank National Association (the “Agency Trustee”), the proceeds of which will be used to refund certain bonds relating to the Agency Participant’s Project Areas (the “Project Areas”), as more fully described herein. Proceeds of the Series 2016 Bonds will be used to purchase the Local Obligations.

From time to time, the Authority may issue other tax allocation refunding bonds, each under a separate trust agreement and offering document, for the purpose of assisting Successor Agencies within the County, which may include the Agency Participant, to refund tax increment obligations pursuant to AB 1484 by purchasing tax allocation refunding bonds issued by such Successor Agencies. There is no cross-collateralization among any of such tax allocation refunding bonds issued by the Authority.

For detailed information regarding the Agency Participant and the terms of the Agency Indenture for the Local Obligations, see “SECURITY FOR THE REFUNDING BONDS” in Appendix A.

The Series 2016 Bonds will be special, limited obligations of the Authority, payable from and secured by Revenues (as defined herein) of the Authority, consisting primarily of payments on the Local Obligations to be purchased by the Authority under the Trust Agreement and received by the Authority from the Agency Participant.

The Local Obligations are being issued to refund certain of the Former RDA’s outstanding obligations as described in Appendix A under the caption “THE REFUNDING PLAN” (collectively, the “Series A Refunded Bonds”).

The Local Obligations will be payable from and secured by designated property tax revenues (formerly tax increment revenues) related to the Project Areas as specified in the Agency Indenture, which will include moneys deposited, from time to time, in the related Redevelopment Property Tax Trust Fund (“RPTTF”) attributable to the Agency Participant and the Project Areas, as provided in California

Health and Safety Code section 34183, as more fully described herein. The Agency Indenture specifies the property tax revenues pledged. Collectively, such designated property tax (subject to certain statutory and contractual deductions specified in the Agency Indenture) as pledged under the Agency Indenture is referred to herein as “Tax Revenues.”

Under the Agency Indenture, Tax Revenues is defined to mean: “all taxes annually allocated and paid to the Agency [Participant] pursuant to Article 6 of Chapter 6 (commencing with Section 33670) of the Law, Section 16 of Article XVI of the Constitution of the State and other applicable state laws that are available for deposit into the RPTTF, subject to the prior application and liens in favor of the Senior Bonds and to payments with respect to Pass-Through Obligations and Prior Agreements (unless otherwise subordinated), and limited, in each case, to the extent of the project area-specific or site-specific portion of such Tax Revenues applicable and/or pledged to the payment of such obligations.

If, and to the extent, that the provisions of Section 34172 or paragraph (2) of subdivision (a) of Section 34183 are invalidated by a final judicial decision, then Tax Revenues shall include all tax revenues allocated to the payment of indebtedness pursuant to California Health and Safety Code Section 33670 or such other section as may be in effect at the time providing for the allocation of tax increment revenues in accordance with Article XVI, Section 16 of the California Constitution. Other bonds of the Agency Participant currently have, and future bonds and obligations will have, a parity claim on moneys deposited into or available for deposit into the RPTTF so long as the requirements of the Dissolution Act have been satisfied.”

Debt service on the Local Obligations will be subordinate to the payment of debt service on those bonds of the Former RDA identified in Appendix A under the caption “CRA/LA, A DESIGNATED LOCAL AUTHORITY AND SUCCESSOR AGENCY TO THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF LOS ANGELES—Senior Obligations” (collectively, the “Senior Bonds”). The Senior Bonds are currently outstanding in the aggregate principal amount of \$222,345,000. Payments on the Local Obligations to be purchased by the Authority under the Trust Agreement are calculated to be sufficient to permit the Authority to pay the principal of, premium (if any) and interest on the Series 2016 Bonds when due. The Local Obligations will be registered in the name of the Trustee and Local Obligation payments will be paid to the Trustee under the Trust Agreement. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS” herein.

This Official Statement describes the Series 2016 Bonds, which are secured by and issued under the Trust Agreement and secured by and payable from Revenues (as defined herein).

The County Intercept

In order to assist the Agency Participant, the County Auditor-Controller and the County Treasurer and Tax Collector have accepted the irrevocable direction of the Agency Participant to transfer on or about each January 2 and June 1 to an account of the Agency Participant, held by the Agency Trustee under the Agency Indenture, all amounts set forth in any duly approved Recognized Obligation Payment Schedule (“ROPS”) with respect to principal and interest payments due on the Local Obligations and any senior obligations, including the Senior Bonds, and any deficiency in the reserve account for the Local Obligations. Such transfers to the Agency Trustee shall be made after the payment of unsubordinated pass-through obligations to local taxing entities, if any, as provided in Section 34183(a) of the California Health and Safety Code, and after the payment of subordinated pass-through obligations in the event such subordinated amounts are not required to pay debt service on the Series 2016 Bonds. The Authority has covenanted to take such actions as may be reasonable and necessary to compel the County Auditor-Controller and the County Treasurer and Tax Collector to comply with the irrevocable direction of the Agency Participant to make such transfers. However, no assurance can be given that a court would order

the County Auditor-Controller and the County Treasurer and Tax Collector to continue to make such transfers if either or both refused to do so. The Agency Participant remains obligated under the Agency Indenture to take all actions required under the Dissolution Act to include on its ROPS for both six-month periods covered thereby all payments expected to be made to the Agency Trustee in order to satisfy the requirements of the Agency Indenture, including any amounts required to pay principal and interest payments due on the Local Obligations, any deficiency in the reserve account for the Local Obligations to the debt service reserve requirement, and any Compliance Costs (as defined in this Official Statement).

Security and Sources of Payment for the Series 2016 Bonds

The Series 2016 Bonds will be special limited obligations of the Authority, payable from and secured as to the payment of the principal, redemption premium (if any) and interest thereon in accordance with their terms and the terms of the Trust Agreement, solely from (i) the Revenues (as defined below); (ii) the amounts in the funds and accounts established under and as specified in the Trust Agreement (except amounts in the Expense Account), and (iii) the Local Obligations purchased from proceeds of the Series 2016 Bonds (collectively, the “Trust Estate”). Under the Trust Agreement, “Revenues” is defined to mean all amounts received by the Trustee as the payment of interest or redemption premium on, or the equivalent thereof, and the payment or return of principal of, or the equivalent thereof, all Local Obligations purchased from proceeds of the Series 2016 Bonds, whether as a result of scheduled payments or redemptions or remedial proceedings taken in the event of a default thereon, and all investment earnings on any moneys held in the funds or accounts established under the Trust Agreement, except the Expense Account.

The Series 2016 Bonds shall not constitute a charge against the general credit of the Authority or any of its members, and under no circumstances shall the Authority be obligated to pay principal of, premium (if any) and interest on the Series 2016 Bonds except from the Trust Estate. Neither the State nor any public agency (other than the Authority) nor any member of the Authority is obligated to pay the principal of, premium (if any) and interest on the Series 2016 Bonds, and neither the faith and credit nor the taxing power of the State or any public agency thereof or any member of the Authority is pledged to the payment of the principal of, premium (if any) and interest on the Series 2016 Bonds. The payment of the principal of, premium (if any) and interest on the Series 2016 Bonds does not constitute a debt, liability or obligation of the State or any public agency (other than the Authority) or any member of the Authority. See APPENDIX D – “SUMMARY OF TRUST AGREEMENT” attached hereto.

The Local Obligations will be special limited obligations of the Agency Participant and is payable, as to principal, redemption premium (if any) and interest thereon, exclusively from the Tax Revenues under, and to the extent described in, the Agency Indenture, and the Agency Participant is not obligated to pay such principal of, premium (if any) and interest on the Local Obligations except from such Tax Revenues. See Appendix A for a description of the lien of Tax Revenues for the Project Areas, including a description of any superior claims and liens on such Tax Revenues. The Local Obligations will be payable as set forth in the Agency Indenture, are not a debt of the City of Los Angeles, the County, the State or any other political subdivision of the State, and none of the City of Los Angeles, the State, the County nor any of the State's other political subdivisions is liable therefor, nor in any event shall the Local Obligations be payable out of any funds or properties other than those of the Agency Participant pledged therefor as provided in the Agency Indenture.

All of the obligations of the Agency Participant and the Project Areas with respect to the Local Obligations are not general obligations of the Agency Participant or Former RDA, but are limited obligations of the Agency Participant and the Project Areas, payable solely from the Tax Revenues under, and to the extent described in, the Agency Indenture and the funds pledged therefor under the Agency Indenture, as applicable.

For information regarding the Agency Participant and the Agency Indenture, see Appendix A under the caption "SECURITY FOR THE REFUNDING BONDS."

Reserve Account under Agency Indenture

Upon the issuance of the Local Obligations, the Reserve Policy will be deposited into the reserve account established under the Agency Indenture in an amount equal to the debt service reserve requirement for the Local Obligations. For information regarding the reserve account relating to the Agency Indenture and the Project Areas, see Appendix A under the heading "Reserve Account" under the caption "SECURITY FOR THE REFUNDING BONDS."

Reserve Policy

_____ ("_____") will issue a municipal bond debt service reserve insurance policy (the "Reserve Policy") for the Local Obligations as described herein. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS – Reserve Policy" and Appendix A under the heading "Reserve Account" under the caption "SECURITY FOR THE REFUNDING BONDS."

Additional Bonds

The Trust Agreement does not authorize the issuance of additional bonds or parity debt. There is limited authority under the Agency Indenture for the Agency Participant to issue additional bonds. The Dissolution Act in its current form does not permit a Successor Agency issuing bonds or incurring other indebtedness for purposes other than refunding existing enforceable obligations or outstanding bonds of the agency resulting in savings. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS" herein and Appendix A under the heading "Parity Debt Limited to Refunding Bonds" under the caption "SECURITY FOR THE REFUNDING BONDS."

The County is located in the southern coastal portion of the State and covers 4,084 square miles. The County was established under an act of the State Legislature on February 18, 1850. It is the most populous county in the nation and is more populous than 43 states. The economy of the County is

diversified and includes manufacturing, technology, world trade, financial services, motion picture and television production, and tourism.

The Authority

The Authority was formed pursuant to a Joint Exercise of Powers Agreement, dated August 6, 2013 (the “JPA Agreement”), by and between the County and the Los Angeles County Public Works Financing Authority, a joint exercise of powers authority formed pursuant to a Joint Exercise of Powers Agreement, dated May 18, 1993, as amended by a Certificate of Amendment dated April 26, 1994 and a Certificate of Amendment dated October 22, 1996, to purchase certain local tax allocation obligations issued by Successor Agencies to Former RDAs within the County as described in Section 34173 of the California Health and Safety Code, as amended, and other purposes, including refunding any of its then-outstanding bonds.

Continuing Disclosure

The Agency Participant will covenant and agree for the benefit of Owners and any person which has or shares the power, directly or indirectly, to make investment decisions concerning ownership of any Series 2016 Bonds (including persons holding Bonds through nominees, depositories or other intermediaries) (the “Beneficial Owners”) to provide certain financial information and operating data relating to the Agency Participant by not later than 180 days after the end of the Agency Participant’s fiscal year (presently June 30) in each year commencing with its report for the 2016-17 Fiscal Year. The Authority will covenant and agree to provide notices of the occurrence of certain enumerated events. See “CONTINUING DISCLOSURE” and APPENDIX F – “FORM OF CONTINUING DISCLOSURE AGREEMENT.” For information regarding the Agency Participant and the Continuing Disclosure Agreement, see Appendix A under the heading “Continuing Disclosure” under the initial captions describing the Agency Participant.

The Authority as Dissemination Agent

The Authority has agreed to assist the Agency Participant in the preparation of annual updates of the information contained in the tables included in this Official Statement with respect to property tax revenues, collections and principal taxpayers. The Agency Participant will agree to be responsible for preparing the audited financial statements required under the Continuing Disclosure Agreement. The Authority will act as Dissemination Agent (the “Dissemination Agent”) and will file the annual reports, including audited financial statements, and notices with the Municipal Securities Rulemaking Board (the “MSRB”) through its Electronic Municipal Market Access system (“EMMA”), including notices of enumerated events. In carrying out the duties of Dissemination Agent, the Authority will adhere to the continuing disclosure procedures approved by the County Treasurer and Tax Collector.

REFUNDING OF AGENCY OBLIGATIONS

Proceeds of the Series 2016 Bonds will be used by the Authority to purchase the Local Obligations. The Local Obligations are being issued to (i) refund the Refunded Bonds, (ii) fund a deposit to, or purchase a surety for deposit to, a reserve account under the Agency Indenture for the benefit of the Series 2016 Bonds, and (iii) pay costs of issuance of the Local Obligations and the Series 2016 Bonds. The Refunded Bonds were originally issued to finance or refinance improvements for the benefit of the Project Areas. For information regarding the Agency Participant and the refunding plan, see Appendix A under the caption “THE REFUNDING PLAN.”

The following table details the principal amount of the Local Obligations, the final maturity of the Local Obligations, and the principal amount of Refunded Bonds to be refunded.

⁽¹⁾ Principal amount at the prepayment date.

On the date of issuance of the Series 2016 Bonds and the Local Obligations, a portion of the proceeds will be transferred, to an escrow agent (the “Escrow Agent”) for deposit into an escrow fund (the “Escrow Fund”) created for each series of Refunded Bonds pursuant to various Escrow Agreements (each an “Escrow Agreement”). The amount deposited pursuant to each Escrow Agreement, together with other available moneys, will be held uninvested, or invested in certain Federal Securities, and irrevocably pledged for the payment of the related Refunded Bonds on the first date for which redemption can be duly noticed. See Appendix A with respect to the refunding plan under the caption “THE REFUNDING PLAN.”

The amounts held by the Escrow Agent for each respective series of Refunded Bonds are pledged solely to the payment of amounts due and payable by the Agency Participant for such series of Refunded Bonds. The funds irrevocably deposited in the Escrow Funds for the Refunded Bonds will not be available for the payment of debt service on the Local Obligations or the Series 2016 Bonds.

See “ESTIMATED SOURCES AND USES OF PROCEEDS OF THE SERIES 2016 BONDS” below. See also “VERIFICATION OF MATHEMATICAL ACCURACY” below.

ESTIMATED SOURCES AND USES OF PROCEEDS OF THE SERIES 2016 BONDS

The proceeds of the Series 2016 Bonds are expected to be applied approximately as set forth below. Costs of issuance, which includes legal fees, printing costs, rating agency fees, underwriters' discount, and other miscellaneous expenses will be paid from proceeds of the Local Obligations.

As can be seen in the tables above, the payment schedule for the Local Obligations equals debt service on the Series 2016 Bonds. Keyser Marston Associates Inc., Los Angeles, California (the “Fiscal Consultant”) has been retained to estimate the incremental taxable value for the Project Areas as set forth in the Fiscal Consultant’s Report appearing in Appendix B. See Appendix A under the caption “THE PROJECT AREAS – Estimated Debt Service Coverage” for projections of tax increment revenues and debt service coverage on the Local Obligations.

To estimate the revenues available to pay debt service on the Local Obligations, the Fiscal Consultant has made certain assumptions with regard to the assessed valuations in the Project Areas, future tax rates and percentage of taxes collected. The Agency Participant believes these assumptions to

be reasonable, but to the extent that the assessed valuation, the tax rates or the percentage of taxes collected are less than such assumptions, the Tax Revenues available to pay debt service on its Local Obligations will likely be less than those projected. No assurance can be given that the aggregate coverage projections with respect to such Local Obligations as shown in Appendix A will be met.

THE SERIES 2016 BONDS

The following is a summary of certain provisions of the Series 2016 Bonds. Reference is made to the Series 2016 Bonds for the complete text thereof and to the Trust Agreement for a more detailed description of such provisions. The discussion herein is qualified by such reference. See APPENDIX D – “SUMMARY OF TRUST AGREEMENT” attached hereto.

Authority for Issuance

The Series 2016 Bonds will be special, limited obligations of the Authority payable from and secured by Revenues which will consist primarily of payments made on the Local Obligations to be purchased by the Authority under the Trust Agreement. The Local Obligations will be purchased by the Authority pursuant to the Marks-Roos Local Bond Pooling Act of 1985, constituting Article 4 (commencing with Section 6584) of Chapter 5, Division 7, Title 1 of the California Government Code, as amended from time to time (the “Marks-Roos Law”). The Series 2016 Bonds are being issued pursuant to the provisions of the Marks-Roos Law, a Resolution adopted by the Authority and the Trust Agreement. The Local Obligations will be registered in the name of the Trustee and will be pledged under the Trust Agreement to secure payment of the Series 2016 Bonds.

General

The Series 2016 Bonds will be issued in Authorized Denominations of \$5,000 and any integral multiple thereof. The Series 2016 Bonds will be dated the date of original delivery thereof and will bear interest payable semiannually on March 1 and September 1, commencing on [March] 1, [2017]. Principal on the Series 2016 Bonds will be due on September 1, as shown on the inside cover.

The Series 2016 Bonds will be delivered in fully-registered form only, and when delivered, will be registered in the name of Cede & Co., as nominee of DTC. DTC will act as securities depository for the Series 2016 Bonds. Ownership interests in the Series 2016 Bonds may be purchased in book-entry form only. Principal of and interest and premium (if any) on the Series 2016 Bonds will be paid by the Trustee to DTC or its nominee, which will in turn remit such payments to its Direct Participants (defined herein) for subsequent disbursement to the Owners of the Series 2016 Bonds. See APPENDIX G – “BOOK-ENTRY ONLY SYSTEM” attached hereto.

The principal of, premium (if any) and interest on the Series 2016 Bonds will be payable by check in lawful money of the United States of America. The Series 2016 Bonds will be issued as fully registered bonds in Authorized Denominations and will be numbered as the Authority will determine. The Series 2016 Bonds will bear interest from their date of initial delivery. Payment of the interest on any Series 2016 Bond will be made to the Person whose name appears on the Bond Register as the Owner thereof as of the Record Date, such interest to be paid by check mailed by first class mail on the Interest Payment Date to the Owner at the address which appears on the Bond Register as of the Record Date for that purpose; except that in the case of an Owner of one million dollars (\$1,000,000) or more in aggregate principal amount of Bonds, upon written request of such Owner to the Trustee under the Trust Agreement, in form satisfactory to the Trustee, received not later than the Record Date, such interest will be paid on the Interest Payment Date in immediately available funds by wire transfer. The principal and redemption premium (if any) on the Series 2016 Bonds will be payable at the Principal Corporate Trust

Office of the Trustee upon presentation and surrender of the Series 2016 Bonds. Notwithstanding the foregoing, so long as DTC or its nominee is the registered owner of the Series 2016 Bonds, interest payments will be made as described in APPENDIX G – “BOOK-ENTRY ONLY SYSTEM” attached hereto.

Redemption

Mandatory Redemption from Optional Local Obligation Prepayments. The Series 2016 Bonds will be subject to mandatory redemption on or after September 1, _____, in whole or in part on any date, from and to the extent of any Prepayments with respect to the Local Obligations, at a redemption price equal to the principal amount of the Series 2016 Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption. For a summary of terms of redemption of the Local Obligations, see Appendix A under “THE REFUNDING BONDS – Redemption of the Refunding Bonds.”

Mandatory Redemption of Series 2016 Bonds from Sinking Fund Installments. The Series 2016 Bonds maturing on September 1, _____ are subject to mandatory redemption in part by lot on September 1 in each year commencing September 1, _____, at the principal amount thereof plus accrued interest thereon to the date fixed for redemption in accordance with the following schedule:

Series 2016 Term Bonds Maturing on September 1, _____

Redemption Date

*

* Stated Maturity

In the event that 2016 Bonds subject to mandatory redemption are redeemed in part prior to their stated maturity date from any moneys other than Principal Installments, the remaining Principal Installments for such Series 2016 Bonds will be reduced as directed by the Authority.

[Make-Whole Optional Redemption of the Series 2016 Bonds. The Series 2016 Bonds are further subject to optional redemption prior to their respective maturity dates as a whole, or in part by lot, on any date before September 1, 20____, by such maturity or maturities as shall be directed by the Authority (or in absence of such direction, pro rata by maturity and by lot within a maturity), from any source of available funds. Such optional redemption shall be at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued but unpaid interest to the date fixed for redemption, together with the Make-Whole Premium (as such term is defined below).

The term “Make-Whole Premium” means, with respect to any Series 2016 Bond to be redeemed, an amount provided to the Trustee by the Authority which has been calculated by an Independent Banking Institution (as such term is defined below) to be equal to the positive difference, if any, between:

(1) The sum of the present values, calculated as of the date fixed for redemption of:

(A) Each interest payment that, but for the redemption, would have been payable on the Series 2016 Bond or portion thereof being redeemed on each regularly scheduled Interest

Payment Date occurring after the date fixed for redemption through the maturity date of such Series 2016 Bond (excluding any accrued interest for the period prior to the date fixed for redemption); provided, that if the date fixed for redemption is not a regularly scheduled Interest Payment Date with respect to such Series 2016 Bond, the amount of the next regularly scheduled interest payment will be reduced by the amount of interest accrued on such Series 2016 Bond to the date fixed for redemption; plus

(B) The principal amount that, but for such redemption, would have been payable on the maturity date of the Series 2016 Bond or portion thereof being redeemed; minus

(2) The principal amount of the Series 2016 Bond or portion thereof being redeemed.

The present values of the interest and principal payments referred to in clause (1) above will be determined by discounting the amount of each such interest and principal payment from the date that each such payment would have been payable but for the redemption to the date fixed for redemption on a semiannual basis (assuming a 360-day year consisting of twelve (12) 30-day months) at a discount rate equal to the Comparable Treasury Yield (as defined below), plus 25 basis points.

The term “Comparable Treasury Yield” means the yield which represents the weekly average yield to maturity for the preceding week appearing in the most recently published statistical release designated “H.15(519) Selected Interest Rates” under the heading “Treasury Constant Maturities,” or any successor publication selected by the Independent Banking Institution that is published weekly by the Board of Governors of the Federal Reserve System and that establishes yields on actively traded United States Treasury securities adjusted to constant maturity, for the maturity corresponding to the remaining term to maturity of the Series 2016 Bond being redeemed. The Comparable Treasury Yield will be determined as of the fifteenth day immediately preceding the applicable date fixed for redemption. If the H.15(519) statistical release sets forth a weekly average yield for United States Treasury securities that have a constant maturity that is the same as the remaining term to maturity of the Series 2016 Bond being redeemed, then the Comparable Treasury Yield will be equal to such weekly average yield. In all other cases, the Comparable Treasury Yield will be calculated by interpolation on a straight-line basis, between the weekly average yields on the United States Treasury securities that have a constant maturity (i) closest to and greater than the remaining term to maturity of the Series 2016 Bond being redeemed; and (ii) closest to and less than the remaining term to maturity of the Series 2016 Bond being redeemed. Any weekly average yields calculated by interpolation will be rounded to the nearest 1/100th of 1%, with any figure of 1/200th of 1% or above being rounded upward.

If, and only if, weekly average yields for United States Treasury securities for the preceding week are not available in the H.15(519) statistical release or any successor publication, then the Comparable Treasury Yield will be the rate of interest per annum equal to the semiannual equivalent yield to maturity of the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price (each as defined herein) as of the date fixed for redemption.

“Comparable Treasury Issue” means the United States Treasury security selected by the Independent Banking Institution as having a maturity comparable to the remaining term to maturity of the Series 2016 Bond being redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term to maturity of the Series 2016 Bond being redeemed.

“Independent Banking Institution” means an investment banking institution of national standing which is a primary United States government securities dealer in the City of New York designated by the Authority (which may be one of the underwriters of the 2016 Bonds). If the Authority fails to appoint an Independent Banking Institution at least 45 days prior to the date fixed for redemption, or if the

Independent Banking Institution appointed by the Authority is unwilling or unable to determine the Comparable Treasury Yield, the Comparable Treasury Yield will be determined by an Independent Banking Institution designated by the Authority.

“Comparable Treasury Price” means, with respect to any date on which a Series 2016 Bond or portion thereof is being redeemed, either: (I) the average of five Reference Treasury Dealer quotations for the date fixed for redemption, after excluding the highest and lowest such quotations; and (II) if the Independent Banking Institution is unable to obtain five such quotations, the average of the quotations that are obtained. The quotations will be the average, as determined by the Independent Banking Institution, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of principal amount) quoted in writing to the Independent Banking Institution, at 5:00 p.m. New York City time on the fifteenth day preceding the date fixed for redemption.

“Reference Treasury Dealer” means a primary United States Government securities dealer in the United States appointed by the Authority and reasonably acceptable to the Independent Banking Institution (which may be one of the underwriters of the 2016 Bonds). If the Authority fails to select the Reference Treasury Dealers within a reasonable period of time, the Authority will select the Reference Treasury Dealers.]

General Terms for Mandatory Redemption from Optional Local Obligation Prepayments. The Agency Indenture provides, in order to effect such optional redemption of the Series 2016 Bonds, that the Agency Participant, or Designee, will deliver to the Agency Trustee (i) a Written Request of the Agency Participant specifying (A) the maturity or maturities, and the principal amount or amounts (or portion thereof), of the Series 2016 Bonds to be mandatorily redeemed from such Prepayment (the “Callable Authority Bonds”), (B) the date on which such Callable Authority Bonds are to be mandatorily redeemed from such Prepayment (which redemption date will be a date on which such Callable Authority Bonds are subject to mandatory redemption from optional Local Obligation prepayments (the “Prepayments”)) pursuant to the Trust Agreement, (C) the amount of each mandatory sinking fund installment for the Series 2016 Bonds to be Outstanding after the date of such mandatory redemption from such Prepayments, and (D) the amount of the Prepayment (or redemption price) necessary to cause such mandatory redemption of such Callable Authority Bonds, and (ii) a Cash Flow Certificate of an Independent Financial Consultant (A) demonstrating that, if such Prepayment is allocated and applied to the redemption of the respective Local Obligations as provided in the paragraph immediately below, the debt service on the respective Local Obligations, together with the debt service payable on all other Local Obligations (as defined in the Trust Agreement), payable on each Interest Payment Date after such redemption date will be sufficient, but not materially more than sufficient, to pay debt service on the Series 2016 Bonds to be Outstanding on such Interest Payment Date, (B) specifying the principal amount, as of such redemption date, of the respective Local Obligations, or portion thereof, to the optional redemption of which such Prepayment is to be allocated and applied as provided in the paragraph immediately below, (C) specifying the amount of the redemption premium, if any, to be paid in connection with such optional redemption of the respective Local Obligations, or portion thereof, to which such Prepayment is to be allocated and applied as provided in the paragraph immediately below, and (D) specifying the principal amount, and the amount of each mandatory sinking fund installment, as of such redemption date, of each respective Local Obligations that will remain Outstanding if such Prepayment is allocated and applied to the redemption of the respective Local Obligations on such redemption date as provided in the paragraph immediately below, which Written Request of the Agency Participant and Cash Flow Certificate of such Independent Financial Consultant will be delivered to the Agency Trustee no later than the Business Day prior to the redemption date.

No later than the date specified in a Written Request of the Agency Participant delivered pursuant to the paragraph immediately above as the date on which Callable Authority Bonds are to be mandatorily

redeemed from optional Local Agency Prepayments pursuant to the Trust Agreement, the Agency Participant will deliver to the Agency Trustee an amount equal to the amount of the Prepayment specified in such Written Request of the Agency Participant and, on such redemption date, the Agency Trustee will pay such amount to the Trustee under the Trust Agreement, on behalf of the owners of such Callable Authority Bonds. Upon the payment by the Agency Trustee to the Trustee under the Trust Agreement of such amount representing such Prepayment (i) the Local Obligations, or portion thereof, debt service on which would have, after such redemption date, been applied to the payment of debt service on such Callable Authority Bonds will, as of such redemption date, be deemed to have been optionally redeemed pursuant to the Agency Indenture, and will be considered to have been optionally redeemed pursuant to the Agency Indenture, in an amount equal to the principal amount of the Local Obligations, or portion thereof, as of such redemption date, and (ii) the remainder of (A) such Prepayment, less (B) accrued interest, if any, thereon and such principal amount of such respective Local Obligations, or portion thereof, as of such redemption date, will be deemed to be, and will be considered to be, the redemption premium paid in connection with such optional redemption of such respective Local Obligations, or portion thereof.

The Authority will give the Trustee written notice of the redemption of Series 2016 Bonds from optional Local Agency Prepayments not less than 35 days prior to the applicable redemption date, unless a later date is agreed to by the Trustee. Such written notice will be accompanied by the Written Request of the Agency Participant (as defined in the Agency Indenture) required to be delivered pursuant to, and the Cash Flow Certificate of an Independent Financial Consultant required to be filed pursuant to, the Agency Indenture, and no such redemption of Series 2016 Bonds will occur unless such written notice is so accompanied by such Written Request of the Agency Participant and such Cash Flow Certificate of an Independent Financial Consultant. In the event that the Agency Trustee will mail notice of the redemption of any Local Obligations that will produce Prepayments with respect to Series 2016 Bonds, the Trustee will concurrently mail notice of the redemption of Series 2016 Bonds from optional Local Agency Prepayments, such redemption to occur on the date fixed for such redemption of such Local Obligations. On the date of such redemption of the Local Obligations, the proceeds of such redemption will be applied by the Trustee to pay the redemption price of Series 2016 Bonds from optional Local Agency Prepayments.

Mandatory Redemption as a Result of Acceleration. The Series 2016 Bonds may be subject to mandatory redemption, in whole or in part on any date, from and to the extent of any amounts received with respect to any Local Obligations as a result of the acceleration of amounts due on such Local Obligations upon an event of default under the Agency Indenture, at a redemption price equal to the principal amount of the Series 2016 Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption. Whenever less than all of the Series 2016 Bonds are to be redeemed as a result of acceleration, the Trustee will, on or prior to the redemption date, receive a Cash Flow Certificate specifying the maturity or maturities of the Series 2016 Bonds to be redeemed and showing that the remaining payments of principal of and interest on the Local Obligations, together with other Revenues available under the Trust Agreement, will be sufficient to pay on a timely basis the principal of and the interest on the Series 2016 Bonds not so redeemed when due. In the event of acceleration of amounts due on the Local Obligations, payments with respect to the Local Obligations and the Series 2016 Bonds remain subject to the prior lien of the Senior Bonds.

Notice of Redemption. In the case of any redemption of Series 2016 Bonds, the Trustee will give notice under the Trust Agreement that the Series 2016 Bonds, identified by CUSIP numbers, serial numbers and maturity date, have been called for redemption and, in the case of Series 2016 Bonds to be redeemed in part only, the portion of the principal amount thereof that has been called for redemption (or if all the Outstanding Series 2016 Bonds are to be redeemed, so stating, in which event such serial numbers may be omitted), that they will be due and payable on the date fixed for redemption (specifying

such date) upon surrender thereof at the Principal Corporate Trust Office, at the redemption price (specifying such price), together with any accrued interest to such date, and that all interest on such Series 2016 Bonds, or portions thereof, so to be redeemed will cease to accrue on and after such date and that from and after such date such Series 2016 Bond or such portion will no longer be entitled to any lien, benefit or security under the Trust Agreement, and the Owner thereof will have no rights in respect of such redeemed Series 2016 Bond or such portion except to receive payment from such moneys of such redemption price plus accrued interest to the date fixed for redemption.

Such notice will be mailed by first class mail, postage prepaid, at least twenty (20) but not more than sixty (60) days before the date fixed for redemption, to the Security Depository, the MSRB and the Owners of such Series 2016 Bonds, or portions thereof, so called for redemption, at their respective addresses as the same will last appear on the Bond Register. No notice of redemption need be given to the Owner of a Series 2016 Bond to be called for redemption if such Owner waives notice thereof in writing, and such waiver is filed with the Trustee prior to the redemption date. Neither the failure of an Owner to receive notice of redemption of Series 2016 Bonds under the Trust Agreement nor any error in such notice will affect the validity of the proceedings for the redemption of Series 2016 Bonds.

Any notice of redemption may be expressly conditional and may be rescinded by Written Order given to the Trustee under the Trust Agreement not later than the date fixed for redemption. Upon receipt of such Written Order, the Trustee will promptly mail notice of such rescission to the same parties that were mailed the original notice of redemption.

Selection of Series 2016 Bonds for Redemption. Whenever less than all the Outstanding Series 2016 Bonds of any one maturity are to be redeemed on any one date, the Trustee will select the particular Series 2016 Bonds to be redeemed by lot and in selecting the Series 2016 Bonds for redemption the Trustee will treat each Series 2016 Bond of a denomination of more than five thousand dollars (\$5,000) as representing that number of Series 2016 Bonds of five thousand dollars (\$5,000) denomination which is obtained by dividing the principal amount of such Series 2016 Bond by five thousand dollars (\$5,000), and the portion of any Series 2016 Bond of a denomination of more than five thousand dollars (\$5,000) to be redeemed will be redeemed in an Authorized Denomination. The Trustee will promptly notify the Authority in writing of the numbers of the Series 2016 Bonds so selected for redemption in whole or in part on such date.

Payment of Redeemed Series 2016 Bonds. If notice of redemption has been given as summarized above, or waived, each as provided in the Trust Agreement, the Series 2016 Bonds or portions thereof called for redemption will be due and payable on the date fixed for redemption at the redemption price thereof, together with accrued interest to the date fixed for redemption, upon presentation and surrender of the Series 2016 Bonds to be redeemed at the office specified in the notice of redemption. If there will be less than the full principal amount of a Series 2016 Bond called for redemption, the Authority will execute and deliver and the Trustee will authenticate, upon surrender of such Series 2016 Bond, and without charge to the Owner thereof, Series 2016 Bonds of like interest rate and maturity in an aggregate principal amount equal to the unredeemed portion of the principal amount of the Series 2016 Bonds so surrendered in such Authorized Denominations as will be specified by the Owner.

If any Series 2016 Bond or any portion thereof will have been duly called for redemption and payment of the redemption price, together with unpaid interest accrued to the date fixed for redemption, will have been made or provided for by the Authority, then interest on such Series 2016 Bond or such portion will cease to accrue from such date, and from and after such date such Series 2016 Bond or such portion will no longer be entitled to any lien, benefit or security under the Trust Agreement, and the

Owner thereof will have no rights in respect of such Series 2016 Bond or such portion except to receive payment of such redemption price, and unpaid interest accrued to the date fixed for redemption.

Purchase in Lieu of Redemption. In lieu of redemption of any Series 2016 Bond, amounts on deposit in the Principal Fund or in the Redemption Fund may also be used and withdrawn by the Trustee at any time prior to selection of Series 2016 Bonds for redemption having taken place with respect to such amounts, upon a Written Order of the Authority for the purchase of such Series 2016 Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Fund) as the Authority may in its discretion determine, but not in excess of the redemption price thereof plus accrued interest to the purchase date. All Series 2016 Bonds so purchased will be delivered to the Trustee under the Trust Agreement for cancellation.

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS

Special Obligations

The Series 2016 Bonds will be special limited obligations of the Authority, payable from and secured as to the payment of the principal, redemption premium (if any) and interest thereon in accordance with their terms and the terms of the Trust Agreement, solely from the Trust Estate, which will consist primarily of principal and interest payments on the Local Obligations to be purchased by the Authority under the Trust Agreement and to be owned by the Authority as set forth in the Agency Indenture. The Series 2016 Bonds shall not constitute a charge against the general credit of the Authority or any of its members, and under no circumstances shall the Authority be obligated to pay principal of, premium (if any) and interest on any Series 2016 Bonds except from the Trust Estate. Neither the State nor any public agency (other than the Authority) nor any member of the Authority is obligated to pay the principal of, premium (if any) and interest on the Series 2016 Bonds, and neither the faith and credit nor the taxing power of the State or any public agency thereof or any member of the Authority is pledged to the payment of the principal of, premium (if any) and interest on the Series 2016 Bonds. The payment of the principal of, premium (if any) and interest on the Series 2016 Bonds does not constitute a debt, liability or obligation of the State or any public agency (other than the Authority) or any member of the Authority.

The Local Obligations will be special limited obligations of the Agency Participant and are payable, as to principal, redemption premium (if any) and interest thereon, exclusively from the Tax Revenues, and funds on deposit in certain funds and accounts established under and as specified in the Agency Indenture, and the Agency Participant is not obligated to pay such principal of and interest on the Local Obligations except from such Tax Revenues. Debt service on the Local Obligations will be subordinate to the payment of debt service on the Senior Bonds. The Local Obligations will be payable as set forth in the Agency Indenture, is not a debt of the City of Los Angeles, the County, the State or any other political subdivision of the State, and neither said city, the State, the County nor any of the State's other political subdivisions is liable therefor, nor in any event shall the Local Obligations be payable out of any funds or properties other than those of the Agency Participant pledged therefor as provided in the Agency Indenture.

The Local Obligations have been sized to pay debt service on the Series 2016 Bonds. All of the obligations of the Agency Participant with respect to the Local Obligations are not general obligations of the Agency Participant or Former RDA, but are limited obligations of the Agency Participant and the Project Areas, payable solely from the Tax Revenues under, and to the extent described in, the Agency Indenture and the funds pledged therefor under the Agency Indenture.

In order to assist the Agency Participant, the County has accepted the irrevocable direction of the Agency Participant to transfer on or about each January 2 and June 1, commencing January 2, 2017, to an account of the Agency Participant, held by the Agency Trustee under the Agency Indenture, all amounts set forth in any duly approved ROPS with respect to principal and interest payments due on the Local Obligations and any senior obligations, including the Senior Bonds, and any deficiency in the reserve account for the Local Obligations. Such transfers to the Agency Trustee shall be made after the payment of unsubordinated pass-through obligations to local taxing entities, if any, as provided in Section 34183(a) of the California Health and Safety Code. The Authority has covenanted to take such actions as may be reasonable and necessary to compel the County to comply with the irrevocable direction of the Agency Participant to make such transfers. However, no assurance can be given that a court would order the County to continue to make such transfers if the County refused to do so. The Agency Participant remains obligated under the Agency Indenture to take all actions required under the Dissolution Act to include on its ROPS for both six-month periods covered thereby all payments expected to be made to each Agency Trustee in order to satisfy the requirements of the Agency Indenture, including any amounts required to pay principal and interest payments due on the Local Obligations, deficiency in the reserve account for the Local Obligations to the debt service reserve requirement, and any Compliance Costs. See Appendix A under the caption "SECURITY FOR THE REFUNDING BONDS" for a discussion of the specific claim and lien on Tax Revenues for the Agency Participant and the Project Areas.

Upon the issuance of the Local Obligations, the amount on deposit in the reserve account established under the Agency Indenture will be equal to the debt service reserve requirement for the Local Obligations. No deposit need be made in any such reserve account so long as there will be on deposit therein a sum equal to the debt service reserve requirement. For information regarding the Agency Participant's reserve account, which may be cash funded or secured by a debt service reserve surety and secured on a stand-alone basis or in common with other parity bonds issued by the Agency Participant, see Appendix A under the heading "Reserve Account" under the caption "SECURITY FOR THE REFUNDING BONDS."

Tax Revenues

Under California law, the rate of *ad valorem* property taxes which may be levied with respect to property within a project area is generally limited to 1% of the "full cash" assessed value. In this Official Statement and in Appendix A such taxes are referred to as the "general levy" and are allocated to the State, the County, the City of Los Angeles, and all other taxing entities having jurisdiction over all or a portion of the Project Areas. The assessed values of property within such project area, as last equalized prior to adoption of the redevelopment plan, is the "base year" assessed values (the "Base Year").

Pursuant to subdivision (b) of Section 33670 of the Law and Section 16 of Article XVI of the Constitution of the State and as provided in the related redevelopment plan, taxes levied upon taxable property in the respective redevelopment project area each year by or for the benefit of the State, any city, county, city and county, district, or other public corporation (herein sometimes collectively called "taxing agencies") after the effective date of the ordinance approving such related redevelopment plan, or the respective effective dates of ordinances approving amendments to such related redevelopment plan that added territory to the respective redevelopment project area, as applicable, are to be divided as follows:

(a) *To Taxing Agencies:* That portion of the taxes which would be produced by the rate upon which the tax is levied each year by or for each of the taxing agencies upon the total sum of the assessed value of the taxable property in the respective redevelopment project area as shown upon the assessment roll used in connection with the taxation of such property by such taxing agency last equalized prior to the effective date of the ordinance adopting the related redevelopment plan, or the respective effective dates

of ordinances approving amendments to the related redevelopment plan that added territory to the respective redevelopment project area, as applicable (each, a “base year valuation”), will be allocated to, and when collected will be paid into, the funds of the respective taxing agencies as taxes by or for the taxing agencies on all other property are paid; and

(b) *To the Respective Former RDA:* Except for that portion of the taxes in excess of the amount identified in (a) above which are attributable to a tax rate levied by a taxing agency for the purpose of producing revenues in an amount sufficient to make annual repayments of the principal of, and the interest on, any bonded indebtedness approved by the voters of the taxing agency on or after January 1, 1989 for the acquisition or improvement of real property, which portion will be allocated to, and when collected will be paid into, the fund of that taxing agency, that portion of the levied taxes each year in excess of such amount when collected will be paid into a special fund of the Former RDA. Section 34172 of the Dissolution Act provides that, for purposes of Section 16 of Article XVI of the State Constitution, the RPTTF attributable to the Agency Participant and the Project Areas will be deemed to be a special fund of the Agency Participant to pay the debt service and payments on indebtedness and other enforceable obligations incurred by the Community Redevelopment Agency of the City of Los Angeles.

That portion of the levied taxes described in paragraph (b) above, less amounts deducted pursuant to Section 34183(a) of the Dissolution Act for permitted administrative costs of the County Auditor-Controller, constitute the amounts required under the Dissolution Act to be deposited by the County Auditor-Controller into the RPTTF. In addition, Section 34183 of the Dissolution Act effectively eliminates the January 1, 1989 date from paragraph (b) above.

Taxes are due in two equal installments. Installments of taxes levied upon secured property become delinquent after December 10 and April 10. Taxes on unsecured property are due July 1 and become delinquent August 31. As of February 1, 2012, the allocation of tax increment revenue was dictated by the legislation adopted as AB 26. Revenue to Successor Agencies is now made on January 2 and June 1 of each fiscal year. All tax increment revenue is accumulated by the County Auditor-Controller in the RPTTF for allocation on these two dates. The tax increment revenue available for allocation on January 2 consists of revenues collected after June 1 of the previous fiscal year and for collections in November and December of the current fiscal year. The tax increment revenues available for allocation on June 1 include revenues collected from January 2 to June 1 of the current fiscal year.

From the amounts accumulated in the RPTTF for each allocation date, the County Auditor-Controller is to deduct its own administrative charges and is to calculate and deduct amounts (if not subordinated) owed to taxing entities for tax sharing agreements entered into pursuant to Section 33401 of the Law and for statutory tax sharing obligations required by Sections 33607.5 and 33607.7 of the Law that have not been subordinated to debt obligations, including debt service. The amount remaining after these reductions, if any, will be available for payment by the Agency Participant of debt obligations on a valid ROPS of the Former RDA.

Prior to receiving revenues on January 2 and June 1, the Agency Participant must adopt a ROPS that lists the debt obligations of the Former RDA that must be paid during the upcoming twelve-month period of July 1 through June 30 of the following year. The ROPS must be approved by an Oversight Board that is established in the legislation with membership consisting of representatives from various taxing entities. To be valid, the ROPS must also receive approval from the State Department of Finance (the “DOF”).

The Agency Participant is entitled to receive tax revenues to cover the administrative costs of winding down the business of the Former RDA. This amount is set by the legislation at a minimum

\$250,000 per year and a maximum that is 3% of the RPTTF allocated to the successor agency for each fiscal year. To the extent that revenues are insufficient to pay all of the approved ROPS obligations, the Agency Participant's administrative cost allowance will be reduced or eliminated.

If there are RPTTF amounts remaining after reductions for county administrative charges, pass-through obligations, ROPS obligations and the Agency Participant's administrative cost allowance, these remainder amounts are referred to as Residual Revenue. Residual Revenue for each ROPS cycle is proportionately allocated to the taxing entities and to the Educational Revenue and Augmentation Fund ("ERAF").

The Agency Participant has no power to levy and collect taxes, and any provision of law limiting property taxes or allocating additional sources of income to taxing agencies and having the effect of reducing the property tax rate must necessarily reduce the amount of tax increment revenues and, accordingly, Tax Revenues that would otherwise be available to pay debt service on the Local Obligations. Likewise, broadened property tax exemptions could have a similar effect (see "LIMITATIONS ON TAX REVENUES" and "RISK FACTORS" below).

Conversely, any increase in the present tax rate or assessed valuation, or any reduction or elimination of present property tax exemptions, or the satisfaction of enforceable obligations, would increase the Tax Revenues available to pay debt service on the Local Obligations (see "LIMITATIONS ON TAX REVENUES" and "RISK FACTORS" for discussion of the Constitutional constraints of increasing tax rates and assessed valuation).

The Dissolution Act requires the County Auditor-Controller to determine the amount of property taxes that would have been allocated to the Former RDA had the Former RDA not been dissolved pursuant to the operation of AB 26, using current assessed values on the last equalized roll on August 20, and to deposit that amount in the RPTTF for the Agency Participant established and held by the County Auditor-Controller pursuant to the Dissolution Act. The Dissolution Act further provides that any bonds authorized under its terms to be issued by the Agency Participant will be considered indebtedness incurred by the dissolved RDA, with the same legal effect as if the bonds had been issued prior to effective date of AB 26, in full conformity with the applicable provision of the Law that existed prior to that date, and debt service will be included in the Agency Participant's ROPS. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS – Recognized Obligation Payment Schedule."

The Dissolution Act further provides that bonds authorized under its terms to be issued by the Agency Participant will be secured by a pledge of, and lien on, and will be repaid from moneys deposited from time to time in the RPTTF attributable to the Agency Participant and the Project Areas, and that property tax revenues pledged to any bonds authorized under the Dissolution Act, such as the Local Obligations, are taxes allocated to the Agency Participant pursuant to the provisions of the Law and the State Constitution which provided for the allocation of tax increment revenues under the Law, as described in the foregoing paragraph.

See Appendix A under the caption "SECURITY FOR THE REFUNDING BONDS" for a discussion of the specific claim and lien on Tax Revenues for the Agency Participant and the Project Areas. The Agency Participant has no power to levy property taxes and must look specifically to the allocation of taxes as described above.

In accordance with the Dissolution Act, the Local Obligations will be payable from and secured by Tax Revenues which will generally include moneys deposited or available for deposit, from time to time, in the RPTTF attributable to the Agency Participant and the Project Areas, as provided in

paragraph (2) of subdivision (a) of the California Health and Safety Code Section 34183. The Local Obligations will be payable from and secured by Tax Revenues subject to senior obligations, and any deficiency in the reserve account for the Local Obligations, certain deductions for unsubordinated pass-through payments to taxing entities, if any, debt service on bonds issued on a basis senior to the Series 2016 Bonds, including the Senior Bonds, County collection charges and payments pursuant to Prior Agreements. See Appendix A for a description of the lien of Tax Revenues for the Project Areas. The Agency Participant is not obligated to pay such principal of, premium (if any) and interest on the Local Obligations except from such Tax Revenues. See Appendix A for a description of the lien of Tax Revenues for the Project Areas, including a description of any superior claims and liens on such Tax Revenues. As provided in the Agency Indenture, if, and to the extent, that the provisions of Section 34172 or paragraph (2) of subdivision (a) of Section 34183 are invalidated by a final judicial decision, then Tax Revenues will include all tax revenues allocated to the payment of indebtedness pursuant to the California Health and Safety Code Section 33670 or such other section as may be in effect at the time providing for the allocation of tax increment revenues in accordance with Article XVI, Section 16 of the California Constitution, which prior to the adoption of the Dissolution Act were required to be deposited into the Former RDA's low and moderate income housing fund pursuant to Sections 33334.2, 33334.3 and 33334.6 of the Law.

The Dissolution Act eliminates the characterization of certain tax increment revenues as Housing Set-Aside. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS – Housing Set-Aside." All of the Local Obligations include a pledge of, or offset for a pledge of, any Housing Set-Aside. Accordingly, the Local Obligations will be payable from, and secured by, Tax Revenues, including amounts constituting the former Housing Set-Aside.

Taxes levied on the property within the Project Areas on that portion of the taxable valuation over and above the taxable valuation of the applicable base year property tax roll with respect to the various territories within the Project Areas, to the extent they constitute Gross Tax Revenues, as further described in Appendix A, will be deposited in the RPTTF for transfer by the County Auditor-Controller to the Agency Participant's Redevelopment Obligation Retirement Fund on January 2 and June 1 of each year to the extent required for payments listed in the Agency Participant's ROPS in accordance with the requirements of the Dissolution Act (see "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS – Recognized Obligation Payment Schedule"). Monies deposited by the County Auditor-Controller into the Agency Participant's Redevelopment Obligation Retirement Fund will be transferred by the County pursuant to an irrevocable direction of the Agency Participant directing the County to transfer to the Debt Service Fund or similar fund established under the Agency Indenture and administered by the Agency Trustee in accordance with the Agency Indenture.

The Agency Participant has no power to levy and collect taxes, and various factors beyond its control could affect the amount of Tax Revenues available in any six-month period to pay the principal of and interest on indebtedness including, without limitation, the Local Obligations (see "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS – Tax Allocation Financing" and "– Recognized Obligation Payment Schedule" and "RISK FACTORS" in the forepart of this Official Statement). See also "LIMITATIONS ON TAX REVENUES" in the forepart of this Official Statement and "SPECIAL RISK FACTORS" in Appendix A.

Tax increment revenues are computed based upon the annual incremental assessed value of the Project Areas multiplied by a tax rate determined by the County Auditor-Controller. The tax rates which are applied to incremental taxable values consist of two components: the General Tax Rate of \$1.00 per \$100 of taxable values and the Override Tax Rate which is levied to pay voter approved indebtedness. The basic levy tax rate may not exceed 1% (\$1.00 of \$100 taxable value) in accordance with Article XIII A. An amendment to the Constitution prohibits redevelopment agencies from receiving taxes

generated by new Override Tax Rates, which are reflective of debt approved after December 31, 1988. Based upon the County Auditor-Controller's reliance to use the basic one percent tax rate in calculating the RPTTF allocation, a one percent levy is used in the revenue projections herein and in the Fiscal Consultant's Report. See Appendix A under the caption "THE PROJECT AREAS – Projected Tax Revenues" for a discussion of the tax rate assumptions utilized by the Fiscal Consultant in projecting Gross Tax Revenues for the Project Areas.

Section 34183(a)(1) of the Redevelopment Law requires the Auditor Controller to allocate all revenues attributable to tax rates levied to make annual repayments of the principal and interest on any bonded indebtedness for the acquisition or improvement of real property to the taxing entity levying the tax rate. Under the County's interpretation of this Section, revenues derived from over-ride tax rates levied for pension related obligations have been determined to not be for "annual repayments of the principal and interest on any bonded indebtedness for the acquisition or improvements of real property." As a result, tax increment revenues derived from over-ride tax rates levied for pension related obligations within the Project Areas are included in the revenues distributed from the RPTTF.

In Los Angeles County, there are thirteen cities that levy over-ride tax rates in order to fund pension fund obligations. However, the Agency Participant is not related to any of these thirteen cities.

Tax Allocation Financing

Prior to the enactment of AB 26, the Law authorized the financing of redevelopment projects through the use of tax increment revenues. This method provided that the taxable valuation of the property within a redevelopment project area on the property tax roll last equalized prior to the effective date of the ordinance which adopts the redevelopment plan becomes the base year valuation. Assuming the taxable valuation never drops below the base year level, the taxing agencies thereafter received that portion of the taxes produced by applying then current tax rates to the base year valuation, and the redevelopment agency was allocated the remaining portion produced by applying then current tax rates to the increase in valuation over the base year. Such designated property tax allocated to a redevelopment agency were authorized to be pledged to the payment of agency obligations.

The Dissolution Act authorizes refunding bonds, including the Local Obligations, to be secured by a pledge of monies deposited from time to time in a RPTTF attributable to such Successor Agency and its project areas held by a County Auditor-Controller with respect to a Successor Agency, which are equivalent to the tax increment revenues that were formerly allocated under the Law to the redevelopment agency and formerly authorized under the Law to be used for the financing of redevelopment projects, less amounts deducted pursuant to Section 34183(a) of the Dissolution Act for permitted administrative costs of the County Auditor-Controller. Under the Agency Indenture, Tax Revenues consist of the amounts deposited from time to time in the RPTTF attributable to the Agency Participant and the Project Areas established pursuant to and as provided in the Dissolution Act, subject to certain deductions for unsubordinated pass-through payments to taxing entities, unsubordinated contractual obligations to third parties and County collection charges. See Appendix A under the caption "SECURITY FOR THE REFUNDING BONDS" for a discussion of the specific claim and lien on Tax Revenues for the Agency Participant and the Project Areas for pass-through obligations and Prior Agreements. Successor Agencies have no power to levy property taxes and must look specifically to the allocation of taxes as described above. See "LIMITATIONS ON TAX REVENUES" and "RISK FACTORS" in the forepart of this Official Statement. See also "SPECIAL RISK FACTORS" in Appendix A.

The Law authorized redevelopment agencies to make payments to school districts and other taxing agencies to alleviate any financial burden or detriments to such taxing agencies caused by a redevelopment project as described in Appendix A under the caption "SECURITY FOR THE

REFUNDING BONDS – Statutory Pass-Through Amounts.” Negotiated agreements for this purpose are generally described as pass-through or tax sharing agreements (“Pass-Through Agreements” in the forepart of this Official Statement). Prior to the enactment of AB 1290, redevelopment project areas adopted between January 1, 1985 and January 1, 1994 were subject to payments to schools and to other affected taxing agencies that elected to receive tax revenue payments set forth under Section 33676 of the Law (“33676 Amounts”). Additionally, Section 33607.5 and 33607.7 of the Law required mandatory tax sharing applicable to redevelopment projects adopted after January 1, 1994, or amended thereafter in certain manners specified in such statutes (the “Statutory Pass-Through Amounts” in the forepart of this Official Statement). The Dissolution Act requires the County Auditor-Controller to distribute from the RPTTF amounts required to be distributed under the Pass-Through Agreements and for 33676 Amounts and Statutory Pass-Through Amounts to the taxing entities for each six-month period before amounts are distributed by the County Auditor-Controller from the RPTTF to the Agency Participant’s Redevelopment Obligation Retirement Fund each January 2 and June 1, unless (i) pass-through payment obligations have previously been made subordinate to debt service payments for the bonded indebtedness of the dissolved agency, as succeeded by the Agency Participant, (ii) the Agency Participant has reported, no later than the December 1 and May 1 preceding the January 2 or June 1 distribution date, as applicable, that the total amount available from the RPTTF allocation to the Agency Participant’s Redevelopment Obligation Retirement Fund, from other funds transferred from the dissolved agency, and from funds that have or will become available through asset sales and all redevelopment operations is insufficient to fund each of the Agency Participant’s enforceable obligations, pass-through payments, and each of the Agency Participant’s administrative cost allowance for the applicable six-month period, and (iii) the State Controller has concurred with the Agency Participant that there are insufficient funds for such purposes for the applicable six-month period.

If the requirements stated in clauses (i) through (iii) of the foregoing paragraph have been met, the Dissolution Act provides for certain modifications in the distributions otherwise calculated to be distributed for such six-month period. To provide for calculated shortages to be paid to the Agency Participant for enforceable obligations, the amount of the deficiency will first be deducted from the residual amount otherwise calculated to be distributed to the taxing entities under the Dissolution Act after payment of the Agency Participant’s enforceable obligations, pass-through payments, and the Agency Participant’s administrative cost allowance. If such residual amount is exhausted, the amount of the remaining deficiency will be deducted from amounts available for distribution to the Agency Participant for administrative costs for the applicable six-month period in order to fund the enforceable obligations. Finally, funds required for servicing bond debt may be deducted from the amounts remaining to be distributed to taxing entities under Pass-Through Agreements and for 33676 Amounts and Statutory Tax Sharing Amounts, if such amounts have been subordinated to the payment of debt service on such bonded indebtedness, and if that amount is exhausted, from amounts available for distribution for administrative, but only after the amounts described in the previous two sentences and the amounts available for distribution for administrative costs have been exhausted.

The Dissolution Act provides for a procedure by which the Agency Participant may make Statutory Tax Sharing Amounts subordinate to the Local Obligations. The Agency Participant has not undertaken the procedure required to subordinate its Statutory Tax Sharing Amounts to the payment of debt service on the Local Obligations. See Appendix A under the captions describing Pass-Through Agreements, 33676 Amounts and Statutory Pass-Through Amounts under the caption “SECURITY FOR THE REFUNDING BONDS.”

The Agency Participant cannot guarantee that this process prescribed by the Dissolution Act of administering the tax increment revenues and the subordinations provided in the Law and the Pass-Through Agreements will effectively result in adequate tax increment revenues for the payment of principal of and redemption premium (if any) and interest on the Local Obligations when due. See

“SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS – Recognized Obligation Payment Schedule.” See also Appendix A under the captions describing Pass-Through Agreements, 33676 Amounts and Statutory Pass-Through Amounts under the caption “SECURITY FOR THE REFUNDING BONDS” for additional information regarding the Pass-Through Agreements, the 33676 Amounts and the Statutory Tax Sharing Amounts applicable to the Agency Participant and the revenues derived from the Project Areas.

Successor Agencies have no power to levy property taxes and must look specifically to the allocation of taxes as described above. See “LIMITATIONS ON TAX REVENUES” and “RISK FACTORS” in the forepart of this Official Statement.

Housing Set-Aside

Pre-Dissolution Housing Set-Aside Requirement. Before it was amended by the Dissolution Act, the Redevelopment Law generally required each redevelopment agency to set aside not less than 20% of all tax increment generated in each project area into a low and moderate income housing fund to be used for the purpose of increasing, improving and/or preserving the supply of low and moderate income housing. These tax increment revenues were commonly referred to as “Housing Set-Aside.”

Impact of Dissolution Act. The Dissolution Act eliminates the characterization of certain tax increment revenues as Housing Set-Aside. Accordingly, the Local Obligations will be payable from, and secured by, Tax Revenues, including amounts constituting the former Housing Set-Aside. See also, “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS – Housing Set-Aside.”

Recognized Obligation Payment Schedule

Before each twelve-month period, the Dissolution Act requires Successor Agencies to prepare and approve, and submit to the Successor Agency’s Oversight Board and the DOF for approval, a ROPS pursuant to which enforceable obligations (as defined in the Dissolution Act) of the Successor Agency are listed, together with the source of funds to be used to pay for each enforceable obligation, for the two six-month periods covered thereby (January 2 through June 30 and July 1 through January 1, respectively). As defined in the Dissolution Act, “enforceable obligation” includes bonds, including the required debt service, reserve set-asides, and any other payments required under the indenture or similar documents governing the issuance of the outstanding bonds of the Former RDA, as well as other obligations such as loans, judgments or settlements against the Former RDA, any legally binding and enforceable agreement that is not otherwise void as violating the debt limit or public policy, contracts necessary for the administration or operation of the successor agency, and amounts borrowed from the Low and Moderate Income Housing Fund, if any. A reserve may be included on the ROPS and held by the Successor Agency when required by the bond indenture or when the next property tax allocation will be insufficient to pay all obligations due in the following six-month period.

The Dissolution Act provides that, commencing on the date the first ROPS is valid, only those payments listed in the ROPS may be made by the successor agency from the funds specified in the ROPS.

The ROPS must be submitted by the Agency Participant, after approval by the Oversight Board, to the County Executive Officer, the County Auditor-Controller, the DOF, and the State Controller no later than February 1 of each year. If the Successor Agency does not submit an Oversight Board-approved ROPS by such deadline, the Successor Agency will be subject to a civil penalty equal to \$10,000 per day for every day the schedule is not submitted to the DOF. Additionally, the Agency Participant’s administrative cost allowance is reduced by 25% if the Successor Agency does not submit an Oversight Board-approved ROPS within 10 days after the February 1 deadline.

The Dissolution Act requires the DOF to make a determination of the enforceable obligations and the amounts and funding sources of the enforceable obligations for each ROPS submitted no later than April 15. Within 5 business days of the determination by the DOF, Successor Agencies may request additional review by the department and an opportunity to meet and confer on disputed items, if any. The DOF will notify Successor Agencies and the County Auditor-Controller as to the outcome of its review at least 15 days before the June 1 date of property tax distribution. Additionally, the County Auditor-Controller may review a submitted ROPS and object to the inclusion of any items that are not demonstrated to be enforceable obligations and may object to the funding source proposed for any items, provided that the County Auditor-Controller must provide notice of any such objections to Successor Agencies, the Oversight Board, and the DOF at least 60 days prior to the June 1 date of property tax distribution.

In connection with the allocation and distribution by the County Auditor-Controller of property tax revenues deposited in the RPTTF, under the Dissolution Act the County Auditor-Controller must prepare estimates of the amounts of (i) property tax to be allocated and distributed and (ii) the amounts of pass-through payments to be made in the upcoming six-month period, and provide those estimates to the entities receiving the distributions and the DOF no later than October 1 and April 1 of each year, as applicable. If, after receiving such estimate from the County Auditor-Controller, the Agency Participant determines and reports, no later than December 1 or May 1, as applicable (*e.g.*, by December 1, 2016 with respect to the property tax distribution for January 2, 2016 through June 30, 2016), that the total amount available from the RPTTF allocation to the Agency Participant's Redevelopment Obligation Retirement Fund, from other funds transferred from a dissolved agency, and from funds that have or will become available through asset sales and all redevelopment operations, is insufficient to fund the payment of pass-through obligations, for the Agency Participant's enforceable obligations listed on the ROPS, and for the Agency Participant's administrative cost allowance, the County Auditor-Controller must notify the State Controller and the DOF no later than 10 days from the date of the Agency Participant's notification. If the State Controller concurs that there are insufficient funds to pay required debt service, the Dissolution Act provides for certain adjustments to be made to the estimated distributions, as described under "—Tax Allocation Financing" above.

The Dissolution Act provides that any bonds authorized under its terms to be issued by a Successor Agency will be considered indebtedness incurred by the related dissolved Former RDA, with the same legal effect as if the bonds had been issued prior to effective date of AB 26, in full conformity with the applicable provision of the Law that existed prior to that date, and debt service will be included in the Agency Participant's ROPS. Additionally, if an enforceable obligation provides for an irrevocable commitment of property tax revenue and where allocation of revenues is expected to occur over time, the Dissolution Act provides that a Successor Agency may petition the DOF to provide written confirmation that its determination of such enforceable obligation as approved in a ROPS is final and conclusive, and reflects the department's approval of subsequent payments made pursuant to the enforceable obligation. If the confirmation is granted by the DOF, then the DOF's review of such payments in each future ROPS will be limited to confirming that they are required by the prior enforceable obligation.

The Agency Participant has covenanted under the Agency Indenture to take all actions required under the Dissolution Act to include on the ROPS for both six-month periods covered thereby all payments to the Agency Trustee to satisfy the requirements of the Agency Indenture and the Local Obligations, any deficiency in the reserve account established pursuant to the Local Obligations, any amounts required under an indenture or fiscal agent agreement securing parity indebtedness to replenish the reserve account established thereunder, if any, to its required level and any Compliance Costs related thereto.

The Agency Participant has further covenanted under the Agency Indenture to comply with all other requirements of the Dissolution Act. Without limiting the generality of the foregoing, the Agency Participant covenants and agrees to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by the Agency Participant with its covenants under the Agency Indenture. Further, the Agency Participant will take all actions required under the Dissolution Act to include scheduled debt service on the Local Obligations, as well as any amounts required under the Agency Indenture including to replenish the reserve account in ROPS for both periods covered thereby so as to enable the County Auditor-Controller to distribute from the RPTTF to the Agency Participant's Redevelopment Obligation Retirement Fund on each January 2 and June 1 amounts required for the Agency Participant to pay the principal of, premium (if any) and interest on, the Local Obligations coming due in the respective six-month period. These actions will include, without limitation, placing on the annual ROPS for approval by the Oversight Board and the DOF, to the extent necessary, the amounts to be held by the Agency Participant or its agent as a reserve until the next six-month period, as contemplated by paragraph (1)(A) of subdivision (d) of Section 34171 of the Dissolution Act, that are necessary to provide for the payment of the principal of, premium (if any), and interest under the Agency Indenture, when the next property tax allocation is projected to be insufficient to pay all obligations due under the Agency Indenture for the next payment due in the following six-month period.

Optional Last and Final ROPS

At the option of a Successor Agency and beginning January 1, 2016, the Dissolution Act allows a Successor Agency to submit a "Last and Final ROPS" for approval by the Oversight Board. The following conditions must be met: (i) the remaining debt is limited to administrative costs and payments pursuant to enforceable obligations with defined payment schedules including, but not limited to, debt service, loan agreements and contracts, (ii) all remaining obligations have been previously listed on a ROPS and approved by the DOF, and (iii) the Successor Agency is not a party to outstanding or unresolved litigation. The DOF will have 100 days to review a Last and Final ROPS submitted for approval. The DOF may make changes to the Last and Final ROPS with the Successor Agency's agreement or issue a letter denying the Last and Final ROPS. If the DOF approves the Last and Final ROPS, it will establish the maximum amount of moneys within the RPTTF to be distributed to the successor agency for each remaining fiscal year until the obligations have been fully paid. The Successor Agency can submit no more than two requests to amend an approved Last and Final ROPS. The Oversight Board must first approve each amendment request, and the DOF will then have 100 days to approve or deny the request. After the DOF approves the Last and Final ROPS, the Successor Agency will no longer prepare or submit ROPS, and the County Auditor-Controller will make distributions from the RPTTF to the Successor Agency pursuant to the Last and Final ROPS in a prescribed order of priority until the aggregate amount of property tax allocated to the Successor Agency equals the total outstanding obligation approved in the Last and Final ROPS. See "RISK FACTORS – Last and Final Recognized Obligation Payment Schedule."

Local Obligations and the Agency Indenture

Subject only to the provisions of the Agency Indenture (including any obligations of the Agency Participant payable on a basis senior to or on a parity with the lien of its Local Obligations under the Agency Indenture, including the Senior Bonds) permitting the application thereof for the purposes and on the terms and conditions set forth in the Agency Indenture, all of the Tax Revenues and all amounts on deposit from time to time in the funds and accounts established under the Agency Indenture (other than the Expense Account) will be pledged to the payment of the principal of and interest on the Outstanding Series 2016 Bonds as provided in the Agency Indenture. The Agency Participant will irrevocably grant to the Agency Trustee for the benefit of the Owners of the Outstanding Series 2016 Bonds (subject to any obligations of the Agency Participant payable on a basis senior to or on a parity with the lien of its Local

Obligations under the Agency Indenture, including the Senior Bonds) a first charge and lien on, and a security interest in, and will pledge and assign, the Tax Revenues, whether held by the Agency Participant, the County Auditor-Controller, the County Treasurer and Tax Collector or the Agency Trustee, and all amounts in the funds and accounts established under the Agency Indenture (other than the Expense Account) with respect to the Local Obligations.

Pursuant to the laws of the State, including California Health and Safety Code Sections 34183 and 34170.5(b), the County Auditor-Controller is obligated to deposit the Tax Revenues into the RPTTF attributable to the Agency Participant and the Project Areas. The Agency Participant shall take all steps to ensure that the County Auditor-Controller (1) deposits the Tax Revenues into the RPTTF, (2) allocates funds for the principal and interest payments due on the Outstanding Series 2016 Bonds, any deficiency in the related reserve account pursuant to each valid ROPS in accordance with the Dissolution Act and as provided in the Agency Indenture and any deficiency in the related reserve account pursuant to each valid ROPS in accordance with the Dissolution Act and as provided in the Agency Indenture, and any Compliance Costs, and (3) make the transfers to the Agency Trustee required thereunder.

In order to assist the Agency Participant, the County has accepted the irrevocable direction of the Agency Participant to transfer on or about each January 2 and June 1 to an account of the Agency Participant, held by the Agency Trustee under the Agency Indenture, all amounts set forth in any duly approved ROPS with respect to principal and interest payments due on the Local Obligations and any senior and parity obligations, including the Senior Bonds, and any deficiency in the reserve account for the Local Obligations and parity obligations related thereto. The Authority has covenanted to take such actions as may be reasonable and necessary to compel the County to comply with the irrevocable direction of the Agency Participant to make such transfers. However, no assurance can be given that a court would order the County to continue to make such transfers if the County refused to do so. The Agency Participant remains obligated under the Agency Indenture to take all actions required under the Dissolution Act to include on its ROPS for both six-month periods covered thereby all payments expected to be made to the Agency Trustee in order to satisfy the requirements of the Agency Indenture, including any amounts required to pay principal and interest payments due on the Local Obligations, the Senior Bonds, parity obligations, any deficiency in the reserve account for the Local Obligations, the Senior Bonds and parity obligations to the debt service reserve requirement, and any Compliance Costs (as defined in this Official Statement).

As to the Local Obligations, in accordance with the Dissolution Act, the Agency Participant may pledge to the refunding bonds or other indebtedness the revenues pledged to the bonds or other indebtedness being refunded, and that pledge, when made in connection with the issuance of such refunding bonds or other indebtedness, shall have the same lien priority as the pledge of the bonds or other obligations to be refunded, and shall be valid, binding, and enforceable in accordance with its terms. The Agency Participant has repeated such prior pledges in connection with the issuance of the Local Obligations.

As provided in the Agency Indenture, the Agency Participant will take all actions required under the Dissolution Act to include on its ROPS all payments expected to be made to the Agency Trustee in order to satisfy the requirements of the Agency Indenture, including any amounts required to pay principal and interest payments due on the Local Obligations, parity obligations, any deficiency in the reserve account for the Local Obligations and parity obligations to the debt service reserve requirement, and any Compliance Costs (as defined in this Official Statement). The Agency Participant shall include in its ROPS the amounts described below to be transmitted to the Agency Trustee for the applicable six month period. See Appendix A under the caption "SECURITY FOR THE REFUNDING BONDS." The Agency Participant shall submit an Oversight Board-approved ROPS to the County Auditor-Controller and the DOF (with a copy to the Authority) by at least February 1 of each year.

Further, in accordance with California Health and Safety Code Section 34183(b) on or before each May 1 and December 1, the Agency Participant shall determine and report to the County Auditor-Controller and the Authority any insufficiencies in the RPTTF to fund payments in accordance with the Agency Indenture, and cooperate with the County Auditor-Controller for its distribution of funds in accordance with California Health and Safety Code Section 34183. See “—Tax Allocation Financing” above.

Tax Revenues received by the Agency Participant during the period commencing on January 3 of each calendar year and ending January 1 of the following calendar year that are in excess of the amount required to be deposited in the Tax Increment Fund on January 2 of the then-current calendar year shall, immediately following the deposit with the Trustee of the amounts required to be so deposited as provided in this section on each such January 2, be released from the pledge, security interest and lien hereunder for the security of the Outstanding Bonds, and may be applied by the Agency Participant for any lawful purpose of the Agency Participant, including but not limited to the payment of subordinate debt, or the payment of any amounts due and owing to the United States of America pursuant to the Agency Indenture. Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Outstanding Bonds and the payment in full of all other amounts payable hereunder and under any Supplemental Indentures, the Agency Participant shall not have any beneficial right or interest in the moneys on deposit in the Tax Increment Fund, except as may be provided in the Agency Indenture and in any Supplemental Indenture

Reserve Account

Upon the issuance of the Local Obligations, the Reserve Policy will be deposited into the reserve account established under the Agency Indenture in an amount equal to the debt service reserve requirement for the Local Obligations. For information regarding the reserve account relating to the Agency Indenture and the Project Areas, see Appendix A under the heading “Reserve Account” under the caption “SECURITY FOR THE REFUNDING BONDS.”

Defaults and Remedies

In addition to the terms specifying the pledge and security for payment of the Local Obligations, the Agency Indenture specifies events of default which generally include payment defaults and certain covenant defaults with respect to the related bonds and the commencement by the Agency Participant of bankruptcy proceedings. Upon such event, and in general terms, the Agency Trustee may, or at the Written Request of the Authority, as owner of the Local Obligations, shall, subject to terms for indemnification of the Agency Trustee, take legal action to protect and enforce any of the rights vested in the Agency Trustee or the Authority, as owner of the Local Obligations, whether for the specific enforcement of any covenant or agreement or for the enforcement of any other legal or equitable right, including any one or more of the remedies set forth in the Agency Indenture.

In some instances, the provider of a policy of municipal bond insurance, or reserve fund surety policy, for the Local Obligations shall be deemed to be the sole bondowner for purposes of direction of remedies and consent rights.

No delay or omission of the Agency Trustee or of any Owner to exercise any right or power accruing upon any default or Event of Default shall impair any such right or power or shall be construed to be a waiver of any such default or Event of Default, or an acquiescence therein; and every power and remedy given by the provisions of the Agency Indenture to the Agency Trustee and to the Authority, as owner of the Local Obligations, may be exercised from time to time and as often as may be deemed expedient.

Any moneys received by the Agency Trustee pursuant to the provisions of the Agency Indenture shall, after payment of all fees and expenses of the Agency Trustee, and the reasonable fees and expenses of its outside counsel, if any, incurred in connection with the performance of the Agency Trustee's duties under the Agency Indenture, be applied to the payment of the Authority, as owner of the unpaid principal, interest and redemption premium, if any, and any of the Local Obligations which shall have become due.

Copies of the Local Obligations and the Agency Indenture may be obtained upon request from the Agency Trustee, U.S. Bank National Association at: 633 West Fifth Street, 24th Floor, Los Angeles, California 90071, Attention: Corporate Trust Administration.

Reserve Policy

Upon issuance of the Series 2016 Bonds, _____ will issue a municipal bond debt service reserve insurance policy for the Local Obligations as described herein. See Appendix A under the heading "Reserve Account" under the caption "SECURITY FOR THE REFUNDING BONDS." The following disclosure has been provided by _____.

[INSURER DESCRIPTION TO COME]

Approval by Oversight Board and Department of Finance

Before the issuance of refunding bonds under the Dissolution Act, a Successor Agency must obtain the approval of the Oversight Board, by resolution. Such Oversight Board resolution (as with all Oversight Board resolutions) does not become effective unless it has been approved, or deemed approved, by the DOF. The issuance of the Local Obligations by the Agency Participant has been approved by the Oversight Board. Additionally, on _____, 2016 the DOF issued a determination letter with respect to the Oversight Board's resolution (the "DOF Letter") indicating the DOF's approval of the Oversight Board's approval of the issuance of the Local Obligations over which it had jurisdiction. The DOF Letter conditioned such approval on the understanding that the Series 2016 Bonds will meet the limitations in Health and Safety Code Section 34177.5.

Pursuant to Health and Safety Code Section 34177.5(f), once the DOF has given its approval to the Oversight Board resolution approving the issuance of the Local Obligations, the scheduled payments on the Local Obligations must be listed on the Successor Agency's ROPS (see "Recognized Obligation Payment Schedule" above) and will not be subject to further review and approval by the DOF or the State Controller. Furthermore, pursuant to Health and Safety Code Section 34177.5(f), once the Local Obligations are issued with an Oversight Board's approval, such Oversight Board will not be permitted to unilaterally approve any amendments to or early termination of the bonds, indebtedness, or enforceable obligation.

The Dissolution Act also provides that, notwithstanding any other State law, an action to challenge the issuance of bonds under the Dissolution Act must be brought within 30 days after the date on which the Oversight Board adopts the resolution approving the issuance of the bonds by the Successor Agency. More than 30 days have expired between the adoption of the Oversight Board resolution approving the issuance of the Local Obligations and the date of this Official Statement. During this interim, none of the Authority, the County or the Agency Participant has received notice of any action challenging the issuance of the Local Obligations.

Due Diligence Reviews

Pursuant to the Dissolution Act, the Agency Participant was required to retain an independent accountant to conduct two reviews, known as due diligence reviews (each, a “DDR”): one for the Housing Fund and the other for all of the other funds and accounts (the “Other Funds”). The purpose of the DDRs was to determine the unobligated balance (the “Unobligated Balance”), if any, of the Housing Fund and the Other Funds, as of June 30, 2012, so that such Unobligated Balance would be distributed to the taxing agencies. Pursuant to the specific procedure for determining the Unobligated Balances set forth in the Dissolution Act, legally restricted funds (including bond proceeds), value of assets that are not cash or cash equivalents (such as land and equipment) and amounts that are needed to satisfy obligations listed on an approved ROPS were excluded from the Unobligated Balance.

With respect to each DDR, the Agency Participant was required to and did submit such DDR, after review and approval by the Oversight Board, to the DOF. The DOF issued determination letters confirming the Unobligated Balances from the Housing Fund and the Other Funds to be remitted to the County Auditor-Controller. The Agency Participant issued payments to the County Auditor-Controller for the required amounts.

Because the Agency Participant has made the remittances required by the DOF’s final determination concerning the DDRs, as well as certain other amounts previously required to be remitted pursuant to the Dissolution Act, the DOF issued a “Finding of Completion” to the Agency Participant on September 10, 2013. Upon receipt of such Finding of Completion, the Agency Participant in receipt of such determination is authorized to proceed with actions permitted under certain provisions of the Dissolution Act, such as the disposition of real property assets following Oversight Board and DOF approval of a Long Range Property Management Plan. On November 7, 2013 and November 12, 2013, the Agency Participant’s Governing Board and Oversight Board, respectively, approved the submission of a Long Range Property Management Plan to DOF. On February 27, 2014, DOF approved the transfer of government use properties to the City of Los Angeles and the retention of properties held to fulfill enforceable obligations. On October 7, 2014, the Agency Participant received DOF’s determination letter approving the Long Range Property Management Plan.

Additional Bonds

The Trust Agreement does not authorize the issuance of additional bonds or parity debt. There is limited authority under the Agency Indenture for the Agency Participant to issue additional bonds. The Dissolution Act in its current form does not permit a Successor Agency issuing bonds or incurring other indebtedness for purposes other than refunding existing enforceable obligations or outstanding bonds of the agency resulting in savings. See “SECURITY FOR THE REFUNDING BONDS – Parity Debt Limited to Refunding Bonds” in Appendix A for a description of the conditions precedent for the issuance of indebtedness on a parity basis with the Local Obligations.

Covenants of the Agency Participant

The following is a general description of covenants and terms that will be included in Agency Indenture. This description is intended to be general and a summary statement of terms which necessarily vary.

Punctual Payment. The Agency Participant will agree under the Agency Indenture to punctually pay the principal of, premium (if any) and interest on the Local Obligations in conformity with the terms of the Local Obligations and of the Agency Indenture and will faithfully satisfy, observe and perform all conditions, covenants and requirements of the Local Obligations and of the Agency Indenture.

Against Encumbrances. The Agency Participant will agree under the Agency Indenture to not mortgage or otherwise encumber, pledge or place any charge upon any of the Tax Revenues except as provided in the Agency Indenture from the Project Areas, except as provided in the Agency Indenture, and will not issue any obligation or security superior to or on a parity with then Outstanding Series 2016 Bonds payable in whole or in part from the Tax Revenues (other than additional bonds in accordance with the Agency Indenture). The Agency Participant shall refund outstanding Senior Bonds and Prior Agreements on a basis senior to or on a parity with the Series 2016 Bonds only to the extent that such refunding would be permitted by Section 34177.5(a)(1) of the Dissolution Act.

Payment of Claims. Subject to the terms of the Dissolution Act, the Agency Participant will pay and discharge any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by the Agency Participant or upon the Tax Revenues or any part thereof, or upon any funds in the hands of the Trustee, or which might impair the security of the Local Obligations; provided that the Agency Indenture will not be required to make any such payments so long as the Agency Participant in good faith will contest the validity of any such claims.

Protection of Security and Rights of Owners. The Agency Participant will agree under the Agency Indenture to preserve and protect the security of the Local Obligations and the rights of the Owners, and will warrant and defend their rights against all claims and demands of all persons. From and after the sale and delivery of any Series 2016 Bonds by the Agency Participant, such Series 2016 Bonds will be incontestable by the Agency Participant.

Amendment of Redevelopment Plan. Plan amendments are limited by the terms of the Dissolution Act and generally require the report of an independent consultant which demonstrates that Tax Revenues will not be materially reduced by such proposed amendment.

Compliance with the Dissolution Act. The Agency Participant covenants that in addition to complying with the requirements of the Agency Indenture, it will comply with all other requirements of the Dissolution Act. Without limiting the generality of the foregoing, the Agency Participant covenants and agrees to file all required statements and seek all necessary successor agency or an oversight board approvals required under the Dissolution Act in order to assure compliance by the Agency Participant with its covenants under the Agency Indenture. Furthermore, the Agency Participant will take all actions required under the Dissolution Act to file its Recognized Obligation Payment Schedules in a timely manner and to include on each Recognized Obligation Payment Schedule for each twelve-month period (or other period if then applicable under the Dissolution Law or a final unappealable judicial decision): (a) all payments expected to be made to the Agency Trustee in order to satisfy the requirements of the Agency Indenture; (b) any amounts required to pay principal and interest payments due on the Senior Bonds and amounts due under the Pass-Through Obligations and the Prior Agreements; (c) a request to receive on each January 2 the Annual Debt Service for the Outstanding Series 2016 Bonds for the entire calendar year to which the Recognized Obligation Payment Schedule applies; (d) any deficiency in the Reserve Account to the full amount of the Reserve Account Requirement; (e) any deficiency in the reserve accounts under the indentures for the Senior Bonds and the Prior Agreements; (f) any Compliance Costs; and (g) any required debt service, reserve set-asides, and any other payments required under the Agency Indenture or similar documents pursuant to Section 34171(d)(1)(A) of the California Health and Safety Code, so as to enable the County Auditor-Controller to distribute from the Redevelopment Property Tax Trust Fund to the Agency Trustee for deposit in the Tax Increment Fund on each January 2 amounts that are sufficient to pay the Annual Debt Service on the Outstanding Series 2016 Bonds coming due in the respective twelve-month period (or other period if then applicable under the Dissolution Law or a final unappealable judicial decision). These actions will include, without limitation, placing on the periodic Recognized Obligation Payment Schedule for approval by the Oversight Board and the DOF, to the extent necessary, the amounts to be held by the Agency Participant as a reserve until the next twelve-

month period (or other period if then applicable under the Dissolution Law or a final unappealable judicial decision), as contemplated by Section 34171(d)(1)(A) of the Dissolution Act, which amounts are necessary to provide for the payment of principal of, premium, if any, and the interest under the Agency Indenture when the next property tax allocation is projected to be insufficient to pay all obligations due under the Agency Indenture for the next payment due in the following twelve-month period (or other period if then applicable under the Dissolution Law or a final unappealable judicial decision).

Credits to Redevelopment Obligation Retirement Fund. The Agency Participant will agree under the Agency Indenture to credit all Tax Revenues withdrawn from the RPTTF by the County Auditor-Controller and remitted to the Agency Trustee for the payment of the Local Obligations to the Redevelopment Obligation Retirement Fund established pursuant to Section 34170.5 of the California Health and Safety Code.

Limited Obligations of the Agency Participant

The Local Obligations are not a debt of the County, the City of Los Angeles, the State or any of its political subdivisions, and neither the City referenced in this Official Statement, the State nor any of its political subdivisions, other than the Agency Participant, is liable in any way for the Local Obligations. The principal of, premium (if any) and interest on the Local Obligations are payable solely from the Tax Revenues under, and to the extent described in, the Agency Indenture and the funds pledged therefor under the Agency Indenture, as applicable. The Local Obligations are limited obligations of the Agency Participant and the Project Areas payable solely from and secured by the Tax Revenues to be derived from the Project Areas, and from the amounts on deposit in certain funds as further described in Appendix A. Payment of the principal of, premium (if any) and interest on the Local Obligations is subordinate to payment of principal of, premium (if any) and interest on the Senior Bonds. The Agency Participant will covenant and agree under the Agency Indenture to not issue obligations with a lien on Tax Revenues on a basis senior to or on a parity with the lien of its Local Obligations (except for refunding bonds) in accordance with the Agency Indenture. The Local Obligations are issued pursuant to the Agency Indenture.

LIMITATIONS ON TAX REVENUES

Property Tax and Spending Limitations

Article XIII A of the California Constitution. Section 1(a) of Article XIII A of the California Constitution limits the maximum *ad valorem* tax on real property to one percent of full cash value, to be collected by the counties and apportioned according to law. Section 2 of Article XIII A defines “full cash value” to mean “the county assessor’s valuation of real property as shown on the 1975/76 tax bill under full cash value or, thereafter, the appraised value of real property when purchased, newly constructed, or a change in ownership has occurred after the 1975 assessment.” The full cash value may be adjusted annually to reflect inflation at a rate not to exceed 2% per year, or reduction in the consumer price index or comparable data for the area under taxing jurisdiction or reduced in the event of declining property value caused by substantial damage, destruction or other factors. Legislation enacted by the California Legislature to implement Article XIII A provides that notwithstanding any other law, local agencies may not levy any *ad valorem* property tax except to pay debt service on indebtedness approved by the voters as described above.

In the general elections of 1986, 1988, and 1990, the voters of the State approved various measures which further amended Article XIII A. One such amendment generally provides that the purchase or transfer of (i) real property between spouses or (ii) the principal residence and the first \$1,000,000 of the full cash value of other real property between parents and children, do not constitute a

“purchase” or “change of ownership” triggering reassessment under Article XIII A. This amendment will reduce the tax increment of the Agency Participant. Other amendments permitted the Legislature to allow persons over 55 who sell their residence and on or after November 5, 1986, to buy or build another of equal or lesser value within two years in the same county, to transfer the old residence’s assessed value to the new residence, and permitted the Legislature to authorize each county under certain circumstances to adopt an ordinance making such transfers or assessed value applicable to situations in which the replacement dwelling purchased or constructed after November 8, 1988, is located within that county and the original property is located in another county within California.

In the June 1990 election, the voters of the State approved additional amendments to Article XIII A permitting the State Legislature to extend the replacement dwelling provisions applicable to persons over 55 to severely disabled homeowners for replacement dwellings purchased or newly constructed on or after June 5, 1990, and to exclude from the definition of “new construction” triggering reassessment improvements to certain dwellings for the purpose of making the dwelling more accessible to severely disabled persons. In the November 1990 election, the voters approved the amendment of Article XIII A to permit the State Legislature to exclude from the definition of “new construction” seismic retrofitting improvements or improvements utilizing earthquake hazard mitigation technologies constructed or installed in existing buildings after November 6, 1990.

Both the California Supreme Court and the United States Supreme Court have upheld the constitutionality of Article XIII A.

Article XIII B of the California Constitution. On November 6, 1979, California voters approved Proposition 4, the Gann Initiative, which added Article XIII B to the California Constitution. The principal effect of Article XIII B is to limit the annual appropriations of the State and any city, county, school district, authority or other political subdivision of the State to the level of appropriations for the prior fiscal year, as adjusted for changes in the cost of living, population and services rendered by the government entity.

Appropriations subject to Article XIII B include generally the proceeds of taxes levied by the State or other entity of local government, exclusive of certain State subventions, refunds of taxes, benefit payments from retirement, unemployment insurance and disability insurance funds.

Effective September 30, 1980, the California Legislature added Section 33678 to the Law which provides that the allocation of taxes to a redevelopment agency for the purpose of paying principal of, or interest on, loans, advances, or indebtedness will not be deemed the receipt by the agency of proceeds of taxes levied by or on behalf of the agency within the meaning of Article XIII B or any statutory provision enacted in implementation thereof, including Section 33678 of the Law. The constitutionality of Section 33678 has been upheld by the Second and Fourth District Courts of Appeal in two decisions: *Bell Community Redevelopment Agency v. Woosely* and *Brown v. Community Redevelopment Agency of the City of Santa Ana*. On the basis of these decisions, the Agency Participant has not adopted an appropriations limit.

Proposition 218. On November 5, 1996, the voters of the State approved Proposition 218, the “Right to Vote on Taxes Act.” Proposition 218 added Articles XIII C and XIII D to the State Constitution, which contain a number of provisions affecting the ability of the public agencies to levy and collect both existing and future taxes, assessments, fees and charges.

Article XIII C removes limitations on the initiative power in matters of local taxes, special taxes, assessments, fees and charges. While the matter is not free from doubt, it is likely that a court would hold

that the initiative power cannot be used to reduce or repeal the levy of property taxes or to materially affect the collection and pledge of Tax Revenues.

The interpretation and application of the initiative provisions of Proposition 218 will ultimately be determined by the courts with respect to a number of the matters discussed above, and while it is not possible at this time to predict with certainty the outcome of such determination, the Agency Participant does not believe that Proposition 218 will materially affect its ability to pay the principal of or interest on the Local Obligations.

Implementing Legislation

Legislation enacted by the California Legislature to implement Article XIII A provides that all taxable property is shown at full assessed value as described above. In conformity with this procedure, all taxable property value included in Appendix A and in the Fiscal Consultant's Report appearing in Appendix B is shown at 100% of assessed value and all general tax rates reflect the \$1.00 per \$100 of taxable value. Tax rates for bond debt service and pension liability are also applied to 100% of assessed value.

Future assessed valuation growth allowed under Article XIII A (new construction, change of ownership, 2% annual value growth) will be allocated on the basis of "situs" among the jurisdictions that serve the tax rate area within which the growth occurs. Local agencies and school districts will share the growth of "base" revenue from the tax rate area. Each year's growth allocation becomes part of each agency's allocation in the following year. Neither the Authority nor the Agency Participant is able to predict the nature or magnitude of future revenue sources which may be provided by the State to replace lost property tax revenues. Article XIII A effectively prohibits the levying of any other *ad valorem* property tax above the 1% limit except for taxes to support indebtedness approved by the voters as described above.

Unitary Property

Assembly Bill 2890 (Statutes of 1986, Chapter 1457), which added Section 98.9 to the California Revenue and Taxation Code, provided that, commencing with the Fiscal Year 1988-89, assessed value derived from State-assessed unitary property (consisting mostly of operational property owned by utility companies) was to be allocated county-wide as follows: (i) each tax rate area will receive the same amount from each assessed utility received in the previous fiscal year unless the applicable county-wide values are insufficient to do so, in which case values will be allocated to each tax rate area on a pro rata basis; and (ii) if values to be allocated are greater than in the previous fiscal year, each tax rate area will receive a pro rata share of the increase from each assessed utility according to a specified formula. Additionally, the lien date on State-assessed property was changed from March 1 to January 1.

Assembly Bill 454 (Statutes of 1987, Chapter 921) further modified the distribution of tax revenues derived from property assessed by the State Board of Equalization. Chapter 921 provided for the consolidation of all State-assessed property, except for regulated railroad property, into a single tax rate area in each county. Chapter 921 further provided for a new method of establishing tax rates on State-assessed property and distribution of property tax revenues derived from State-assessed property to taxing jurisdictions within each county as follows: for revenues generated from the 1% tax rate, each jurisdiction, including redevelopment project areas, will receive a percentage up to 102% of its prior year State-assessed unitary revenue; and if county-wide revenues generated for unitary property are greater than 102% of the previous year's unitary revenues, each jurisdiction will receive a percentage share of the excess unitary revenue generated from the application of the debt service tax rate to county-wide unitary taxable value, further, each jurisdiction will receive a percentage share of revenue based on the

jurisdiction's annual debt service requirements and the percentage of property taxes received by each jurisdiction from unitary property taxes in accordance with a new formula. Railroads will continue to be assessed and revenues allocated to all tax rate areas where railroad property is sited.

The intent of Chapters 1457 and 921 was to provide redevelopment agencies with their appropriate share of revenue generated from the property assessed by the State Board of Equalization.

The Fiscal Consultant has projected the amount of unitary revenues to be allocated for the fiscal year 2015-16 within the Project Areas. See Appendix A for such information. Neither the Authority nor the Agency Participant can predict the effect of any future litigation or settlement agreements on the amount of unitary tax revenues received or to be received nor the impact on unitary property tax revenues of any transfer of electrical transmission lines to tax-exempt agencies.

Assessed Value Appeals and Proposition 8 Adjustments

Pursuant to State law, property owners may apply for a reduction of their property tax assessment by filing a written appeal. After the applicant and the assessor have presented their arguments, the applicable local appeals board makes a final decision on the proper assessed value. The appeals board may rule in the assessor's favor, rule in the applicant's favor, or set its own opinion of the proper assessed value, which may be more or less than either the assessor's opinion or the applicant's opinion. Any reduction in the assessment ultimately granted applies to the year for which the application is made and may also affect the values in subsequent years. Refunds for taxpayer overpayment of property taxes may include refunds for overpayment of taxes in years after that which was appealed. Current year values may also be adjusted as a result of a successful appeal of prior year values. Any taxpayer payment of property taxes that is based on a value that is subsequently adjusted downward will require a refund for overpayment.

Appeals for reduction in the "base year" value of an assessment, if successful, reduce the assessment for the year in which the appeal is taken and prospectively thereafter. The base year is determined by the completion date of new construction or the date of change of ownership. Any base year appeal must be made within four years of the change of ownership or new construction date. A base year assessment appeal has significant future revenue impacts because a reduced base year assessment will then reduce the compounded value of the property prospectively. Except for the two percent inflation factor, the value of the property cannot be increased until a change of ownership occurs or additional improvements are added.

Section 51 of the Revenue and Taxation Code permits a reduction (a "Proposition 8 Adjustment") in the assessed value if the full cash value of the property has been reduced by damage, destruction, depreciation, obsolescence, removal of property or other factors causing a decline in value. Reductions made under this code section may be initiated by the County Assessor or requested by the property owner. During the recent real estate market downturn which started in 2006 and appears to have ended in the past five years, the County Assessor's Office initiated proactive reviews of single family homes, condominiums, townhomes, multifamily and commercial and industrial properties, which result in Proposition 8 Adjustments for many properties in the County.

After a roll reduction is granted under this section, the property is reviewed on an annual basis to determine its full cash value and the valuation is adjusted accordingly. This may result in further reductions or in value increases. Such increases must be in accordance with the full cash value of the property and may exceed the maximum annual inflationary growth rate allowed on other properties under Article XIII A of the State Constitution. Once the property has regained its prior value, adjusted for

inflation, it once again is subject to the annual inflationary factor growth rate allowed under Article XIII A.

The taxable value of unitary property may be contested by utility companies and railroads to the State Board of Equalization. Generally, the impact of utility appeals is on the statewide value of a utility determined by the State Board of Equalization. As a result, the successful appeal of a utility may not impact the taxable value of a project area but could impact a project area's allocation of unitary property tax revenues.

Any assessment appeal that is pending or which may be filed in the future, if successful, will result in a reduction of the assessed value of the subject property. A reduction of assessed valuation due to appeals, if significant, and the resulting property tax refunds could adversely impact the amount of Tax Revenues available to pay debt. See additional discussion on assessment appeals in Appendix A and in the Fiscal Consultant's Report appearing in Appendix B.

Additional Limitation on Tax Revenues

On November 8, 1988 the voters of the State approved Proposition 87, which amended Article XVI, Section 16 of the California Constitution to provide that property tax revenue attributable to the imposition of taxes on property within a redevelopment project area for the purpose of paying debt service on bonded indebtedness approved by the voters of the taxing entity after January 1, 1989 will be allocated to the taxing entity and not to the redevelopment agency. The Agency Participant does not project the receipt of any tax increment revenues as a result of general obligation bonds which may be approved on or after January 1, 1989.

RISK FACTORS

The following factors, along with all other information in this Official Statement, should be considered by potential investors in evaluating the Series 2016 Bonds and the credit quality of the Local Obligations. The following does not purport to be an exhaustive listing of risks and other considerations which may be relevant to investing in the Series 2016 Bonds. In addition, the order in which the following information is presented is not intended to reflect the relative importance of any such risks. For a discussion of certain matters that will or could cause reductions in the Tax Revenues available in future years, see "LIMITATIONS ON TAX REVENUES" in the forepart of this Official Statement. See also "SPECIAL RISK FACTORS" in Appendix A for a discussion of additional risk factors specific to the Agency Participant and the Project Areas.

Limited Special Obligations

The Series 2016 Bonds will be special obligations of the Authority, payable from and secured as to the payment of the principal, redemption premium (if any) and interest thereon in accordance with their terms and the terms of the Trust Agreement, solely from the Trust Estate, which will consist primarily of principal and interest payments on the Local Obligations to be purchased by the Authority under the Trust Agreement and to be owned by the Authority as set forth in the Agency Indenture. The Series 2016 Bonds shall not constitute a charge against the general credit of the Authority or any of its members, and under no circumstances shall the Authority be obligated to pay principal of, premium (if any) and interest on any Series 2016 Bonds except from the Trust Estate. Neither the State nor any public agency (other than the Authority) nor any member of the Authority is obligated to pay the principal of, premium (if any) and interest on the Series 2016 Bonds, and neither the faith and credit nor the taxing power of the State or any public agency thereof or any member of the Authority is pledged to the payment of the principal of, premium (if any) and interest on the Series 2016 Bonds. The payment of the principal of, premium (if

any) and interest on the Series 2016 Bonds does not constitute a debt, liability or obligation of the State or any public agency (other than the Authority) or any member of the Authority.

Risks of Real Estate Secured Investments Generally

The Owners and Beneficial Owners of the Series 2016 Bonds will be subject to the risks generally incident to an investment secured by real estate, including, without limitation, (a) adverse changes in local market conditions, such as changes in the market value of real property within and in the vicinity of the Project Areas, the supply of or demand for competitive properties in the Project Areas, and the market value of competitive properties in the event of sale or foreclosure, (b) changes in real estate tax rates and other operating expenses, governmental rules (including, without limitation, zoning laws and laws relating to endangered species and hazardous materials) and fiscal policies, and (c) natural disasters (including, without limitation, earthquakes, fires, droughts and floods), which may result in uninsured losses.

Tax Revenues

Tax Revenues, which secure the Local Obligations, are determined by the incremental assessed value of taxable property in the Project Areas, the current rate or rates at which property in the Project Areas is taxed, and the percentage of taxes collected in the Project Areas. Several types of events which are beyond the control of the Agency Participant could occur and cause a reduction in available Tax Revenues and, potentially, Revenues under the Trust Agreement. A reduction of taxable values of property in the Project Areas or a reduction of the rate of increase in taxable values of property in the Project Areas caused by economic or other factors beyond the Agency Participant's control (such as a relocation out of the Project Areas by one or more major property owners, successful appeals by property owners for a reduction in a property's assessed value, a reduction in the rate of transfers of property, construction activity or other events that permit reassessment of property at lower values, or the destruction of property caused by natural or other disasters, including earthquakes) could occur, thereby causing a reduction in Tax Revenues and, potentially, Revenues under the Trust Agreement. This risk increases in proportion to the percent of total assessed value attributable to any single assessee in the Project Areas and in relation to the concentration of property in the Project Areas in terms of size or land use. Several of the Project Areas have a large concentration of ownership among the largest property taxpayers. See "THE PROJECT AREAS" and "SPECIAL RISK FACTORS – Concentration of Ownership" in Appendix A.

Any reduction in the tax rate applicable to property in the Project Areas, by reason of discontinuance of certain override tax levies in excess of the 1% basic levy, will reduce the Tax Revenues and, potentially, Revenues under the Trust Agreement. The tax rates which are applied to incremental taxable values consist of two components: the General Tax Rate of \$1.00 per \$100 of taxable values and the Override Tax Rate which is levied to pay voter approved indebtedness. The basic levy tax rate may not exceed 1% (\$1.00 of \$100 taxable value) in accordance with Article XIII A. An amendment to the Constitution prohibits redevelopment agencies from receiving taxes generated by new Override Tax Rates, which are reflective of debt approved after December 31, 1988. As mentioned in the Fiscal Consultant's Report, many issues involved in the dissolution of redevelopment agencies have yet to be resolved. Additionally approximately 100 lawsuits have been filed on various aspects of AB 26 and AB 1484 which could impact the dissolution of redevelopment agencies. The projections herein could be impacted as a result of future court decisions.

The Fiscal Consultant has based certain projections herein on assumptions with regard to the Project Areas, including growth in assessed values and tax increment revenue growth. These projections assume that assessed value will increase by 2% annually beginning in fiscal year 2016-17. A 2% growth

rate is the maximum inflationary growth rate permitted by law. For summary information regarding such projections and projected growth rate of the Agency Participant, see Appendix A under the caption “THE PROJECT AREAS” and the Fiscal Consultant’s Report appearing in Appendix B. There can be no assurance, however that assessed values will increase as projected, if at all.

Any reduction in assessed value in the Project Areas, reduction in tax rates or reduction in taxes collected would reduce the Tax Revenues available to pay debt service on the Local Obligations. See “RISK FACTORS” and “LIMITATIONS ON TAX REVENUES – Property Tax Administrative Costs.” See also Appendix A under the caption “THE PROJECT AREAS” hereto for a summary of historical assessed valuation of property in the project area, current assessment appeals and historical delinquencies.

Successor Agency Powers and Resources Are Limited

Each Successor Agency was created pursuant to the Dissolution Act to wind down the affairs of a Former RDA. Its powers are limited to those granted under the Dissolution Act. It has no power to levy and collect property taxes. It does not have any legal authority to participate in redevelopment activities, except to complete work related to enforceable obligations, as defined in the Dissolution Act. Many Successor Agency actions are subject to the review or the directions of its Oversight Board and the DOF and, in some cases, the County Auditor-Controller and the State Controller. California Health and Safety Code Section 34173(e) states that that the liability of the Successor Agency, acting pursuant to the powers granted under the Dissolution Act, is limited to the extent of the total sum of property tax revenues it receives pursuant to the Dissolution Act and the value of assets transferred to it as a Successor Agency for the Former RDA.

Prior to dissolution, the Former RDA retained funds on hand, accumulated from prior years, that were available for use if short-term cash flow issues arose. In the event of a delay in the receipt of tax increment in any given year, the Former RDA could (though it was not obligated to) use such other available funds to make payments on debt obligations when due. Under the Dissolution Act, a Successor Agency is required to seek prior approval from its Oversight Board (and, therefore, the DOF because all Oversight Board actions are subject to DOF’s review) in order to pay an enforceable obligation from a source of funds that is different than the one identified on the ROPS. As the result of procedures already completed under the Dissolution Act, such as the due diligence reviews (see “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS – Due Diligence Reviews”), the Successor Agency virtually has no alternative resources available to make payment on enforceable obligations if there is a significant delay with respect to scheduled RPTTF disbursements or if the amount from RPTTF disbursements is not sufficient for the required payment on the enforceable obligations.

Limited Application of Tax Revenues in Project Areas

Debt service payable on the Series 2016 Bonds has been calculated based on the assumption that the Agency Participant and the Project Areas will generate sufficient Tax Revenues to timely pay debt service on the Local Obligations with respect to the Project Areas and that the aggregate of the debt service on all Local Obligations will be available in an amount sufficient to timely pay debt service on the Series 2016 Bonds. Accordingly, if there should be a substantial decline in the amount of Tax Revenues available with respect to the Agency Participant or the Project Areas causing a default in the payment of the Local Obligations, and should the debt service reserve account established for the Local Obligations become depleted as a result of such default or defaults in the payment of the Local Obligations, the Authority may be unable to pay debt service on the Series 2016 Bonds.

Change in Law

In addition to the other limitations on Tax Revenues, the California electorate or Legislature could adopt a constitutional or legislative property tax decrease with the effect of reducing Tax Revenues payable to the Agency Participant. There is no assurance that the California electorate or Legislature will not at some future time approve additional limitations that could reduce the Tax Revenues and adversely affect the security of the Local Obligations.

Last and Final Recognized Obligation Payment Schedule

SB 107 amended the Dissolution Act to permit certain Successor Agencies with limited remaining obligations to submit a Last and Final ROPS for approval by the Oversight Board and DOF. The Last and Final ROPS must list the remaining enforceable obligations of the Successor Agency, including the total outstanding obligation amount and a schedule of remaining payments for each enforceable obligation. The Last and Final ROPS shall also establish the maximum amount of funds from the RPTTF to be distributed to the Successor Agency for each remaining fiscal year until all obligations have been fully paid.

Any revenues, interest, and earnings of the Successor Agency, including proceeds from the disposition of real property, that are not authorized for use pursuant to the approved Last and Final ROPS shall be remitted to the County Auditor-Controller for distribution to the affected taxing entities. A Successor Agency shall not expend more than the amount approved for each enforceable obligation listed on the approved Last and Final ROPS and once the Successor Agency has received RPTTF moneys equal to the amount of the total outstanding obligations approved in the Last and Final ROPS, the County Auditor-Controller will not allocate further RPTTF moneys to the Successor Agency.

Successor Agencies may only amend an approved Last and Final ROPS twice. If the Agency Participant prepares and obtains DOF approval of a Last and Final ROPS and subsequently amends the Last and Final ROPS two times, the Agency Participant may be unable to make unexpected or unscheduled reserve deposits or payments due to the [Insurer]. However, the Agency Participant covenants in the Agency Indenture to provide the Agency Trustee and the [Insurer] with copies of (a) any Request for Last and Final ROPS Approval submitted by the Agency Participant and (b) any and all correspondence received from DOF regarding a Request for Last and Final ROPS Approval, upon receipt thereof. In the event that the Agency Participant and DOF schedule a meeting or telephone conference to discuss a written denial by DOF of a Request for Last and Final ROPS Approval, the Agency Participant shall timely notify the Agency Trustee and the [Insurer] of such meeting or telephone conference. The Agency Trustee will, and, if the subject of the meet and confer could impact the payment of or security for payments to the [Insurer], the [Insurer] will have the right to participate in the meeting or telephone conference either by appearance with the Agency Participant or through written submission as determined by the Agency Trustee and the [Insurer]. In the event the Agency Participant receives a denial of a Request for Last and Final ROPS Approval, and such denial could delay the receipt of tax revenues necessary to pay debt service or amounts owing to the [Insurer], the Agency Participant agrees to cooperate in good faith with the [Insurer] and the [Insurer] shall receive prompt notice of any such event and shall be permitted to attend any meetings with the Agency Participant and DOF relating to such event and to discuss such matters with DOF directly.

The Agency Participant plans to seek approval of a Last and Final ROPS following the issuance of the Series 2016 Bonds.

See the caption “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2016 BONDS—Optional Last and Final ROPS” for a discussion of the requirements for a Last and Final ROPS and the mechanics for allocation of RPTTF moneys pursuant to an approved Last and Final ROPS.

Reduction in Inflationary Rate

As described in greater detail below, Article XIII A of the California Constitution provides that the full cash value base of real property used in determining taxable value may be adjusted from year to year to reflect the inflationary rate, not to exceed a 2% increase for any given year, or may be reduced to reflect a reduction in the consumer price index or comparable local data. Such measure is computed on a calendar year basis. See “LIMITATIONS ON TAX REVENUES” for a discussion of how this measure or other initiative measures adopted by the California electorate could reduce Tax Revenues and, potentially, Revenues under the Trust Agreement.

Levy and Collection

The Agency Participant has no independent power to levy and collect property taxes. Any reduction in the tax rate or the implementation of any constitutional or legislative property tax decrease could reduce the Tax Revenues, and accordingly, could have an adverse impact on the ability of the Agency Participant to pay debt service on the Local Obligations. Likewise, the County has not implemented a Teeter Plan with respect to the collection and distribution of taxes and delinquencies in the payment of property taxes could have an adverse effect on the Agency Participant’s ability to make timely debt service payments. See “Property Tax Collection Procedures” below.

Property Tax Collection Procedures

In California, property which is subject to *ad valorem* taxes is classified as “secured” or “unsecured.” The “secured roll” is that part of the assessment roll containing state-assessed public utilities’ property and property the taxes on which are a lien on real property sufficient, in the opinion of the County Assessor, to secure payment of the taxes. A tax levied on unsecured property does not become a lien against such unsecured property, but may become a lien on certain other property owned by the taxpayer. Every tax which becomes a lien on secured property has priority over all other liens arising pursuant to State law on such secured property, regardless of the time of the creation of the other liens. Secured and unsecured properties are entered separately on the assessment roll maintained by the County Assessor. The method of collecting delinquent taxes is substantially different for the two classifications of property. Collections are the responsibility of the County Treasurer and Tax Collector.

Property taxes on the secured roll are due in two installments, on November 1 and February 1 of each fiscal year. If unpaid, such taxes become delinquent after December 10 and April 10, respectively, and a 10% penalty attaches to any delinquent payment. In addition property on the secured roll with respect to which taxes are due is delinquent on or about June 30 of the fiscal year. Such property may thereafter be redeemed by payment of the delinquent taxes and a delinquency penalty, plus a redemption penalty of 1.5% per month to the time of redemption. If taxes are unpaid for a period of five years or more, the property is deeded to the State and then is subject to sale by the County Tax Collector.

Historically, property taxes are levied for each fiscal year on taxable real and personal property situated in the taxing jurisdiction as of the preceding January 1. A bill enacted in 1983, SB 813 (Statutes of 1983, Chapter 498), however, provided for the supplemental assessment and taxation of property as of the occurrence of a change of ownership or completion of new construction. Thus, this legislation eliminated delays in the realization of increased property taxes from new assessments. As amended, SB 813 provided increased revenue to taxing jurisdictions to the extent that supplemental assessments of new construction or changes of ownership occur subsequent to the January 1 lien date.

Property taxes on the unsecured roll are due on the January 1 lien date and become delinquent, if unpaid on the following August 31. A ten percent (10%) penalty is also attached to delinquent taxes in

respect of property on the unsecured roll, and further, an additional penalty of 1.5% per month accrues with respect to such taxes beginning the first day of the third month following the delinquency date. The taxing authority has four ways of collecting unsecured personal property taxes: (1) a civil action against the taxpayer, (2) filing a certificate in the Office of the County Clerk specifying certain facts in order to obtain a judgment lien on certain property of the taxpayer, (3) filing a certificate of delinquency for record in the County Recorder's Office, in order to obtain a lien on certain property of the taxpayer, and (4) seizure and sale of personal property, improvements or possessory interests belonging or assessed to the assessee. The exclusive means of enforcing the payment of delinquent taxes in respect of property on the secured roll is the sale of the property securing the taxes to the State for the amount of taxes which are delinquent.

The County has not implemented a Teeter Plan with respect to the collection and distribution of taxes. See Appendix A under the caption "THE PROJECT AREAS" hereto for a summary of historical assessed valuation of property in the Project Areas, current assessment appeals and historical delinquencies.

Natural Disasters; Seismic Hazards

Natural disasters, including floods and earthquakes, could damage improvements and/or property in the Project Areas, or impair the ability of landowners within the Project Areas to further develop their properties or to pay property taxes.

There are several identified faults within close proximity to or within the boundaries of the Project Areas, including the Southern Segment of the San Andreas Fault that could potentially result in damage to buildings, roads, bridges, and property within the Project Areas in the event of an earthquake. For summary information regarding natural disasters and seismic hazards concerning the Project Areas, see Appendix A under the caption "SPECIAL RISK FACTORS – Natural Disasters; Seismic Hazards." If an earthquake or other natural disaster were to substantially damage or destroy taxable property within the Project Areas, the assessed valuation of such property would be reduced. Such a reduction of assessed valuations could result in a reduction of the Tax Revenues that secure the Local Obligations.

Hazardous Substances

An environmental condition that may result in the reduction in the assessed value of parcels would be the discovery of hazardous substances that would limit the beneficial use of a property within the Project Areas. In general, the owners and operators of a property may be required by law to remedy conditions of the property relating to releases or threatened releases of hazardous substances. The Federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as "CERCLA" or the "Superfund Act" is the most well-known and widely applicable of these laws, but California laws with regard to hazardous substances are also stringent and similar. Under many of these laws, the owner (or operator) is obligated to remedy a hazardous substance condition of property whether or not the owner or operator has anything to do with creating or handling the hazardous substance. The effect, therefore, should any of the property within the Project Areas be affected by a hazardous substance, would be to reduce the marketability and value of the property by the costs of remedying the condition, since the purchaser, upon becoming an owner, will become obligated to remedy the condition just as is the seller.

Assessment Appeals

Property taxable values may be reduced as a result of a successful appeal of the taxable value determined by the County Assessor. An appeal may result in a reduction to the Assessor's original

taxable value and a tax refund to the applicant property owner. A reduction in taxable values within the Project Areas and the refund of taxes which may arise out of successful appeals by property owners will affect the amount of Tax Revenues, and, potentially, Revenues. The Agency Participant has in the past experienced reductions in Tax Revenues as a result of assessment appeals. The actual impact to tax increment is dependent upon the actual revised value of assessments resulting from values determined by the County Assessment Appeals Board or through litigation and the ultimate timing of successful appeals. See “THE PROJECT AREAS – Assessment Appeals” in Appendix A for a discussion of historical assessment appeals in the Project Areas.

Litigation

Certain litigation may affect the distribution of property tax revenues or other monies to the Agency Participant, which may affect the amounts available to pay debt service on the Series 2016 Bonds. See “LITIGATION” and APPENDIX A – “CRA/LA – LITIGATION” herein.

Economic Risks

The Agency Participant’s ability to make payments on the Local Obligations will be partially dependent upon the economic strength of the Project Areas. If there is a decline in the general economy of the Project Areas, the owners of property may be less able or less willing to make timely payments of property taxes causing a delay or stoppage of tax increment revenues. In the event of decreased values, Tax Revenues and, potentially, Revenues may decline as a result.

State Budget Issues

AB 26 and AB 1484 were enacted by the State Legislature and Governor as trailer bills necessary to implement provisions of the State’s budget acts for its Fiscal Years 2011-12 and 2012-13, respectively, as efforts to address structural deficits in the State general fund budget. In general terms, these bills implemented a framework to transfer cash assets previously held by redevelopment agencies to cities, counties, and special districts to fund core public services, with assets transferred to schools offsetting State general fund costs (then projected savings of \$1.5 billion).

SB 107, which makes extensive amendments to the Dissolution Act, was enacted following the adoption of the Fiscal Year 2015-16 Budget, after having initially been presented as AB 113, a trailer bill to the Fiscal Year 2015-16 Budget. SB 107 changes the process for submitting Recognized Obligation Payment Schedules from a six-month to an annual process, authorizes successor agencies to submit and obtain DOF approval of a Last and Final ROPS to govern all remaining payment obligations of the Successor Agency, alters the provisions governing the distribution of RPTTF moneys attributable to pension and State Water Project tax rate overrides, and eliminates the impact of financial and time limitations in redevelopment plans for purposes of paying enforceable obligations, among other changes to the Dissolution Act. These statutory amendments impact the manner in which Successor Agencies claim RPTTF moneys for enforceable obligations and, for some Successor Agencies, impact the amount of RPTTF moneys that will be available for payment of the Successor Agency’s enforceable obligations.

There can be no assurance that additional legislation will not be enacted in the future to additionally implement provisions relating to the State budget or otherwise that may affect successor agencies or tax increment revenues, including Tax Revenues.

Analyst's Office at www.lao.ca.gov. In addition, various State official statements, many of which contain a summary of the current and past State budgets may be found at the website of the State Treasurer, www.treasurer.ca.gov.

Neither the Authority nor the Agency Participant can make any representation whatsoever as to the accuracy or completeness of any of the information on such websites.

Direct and Overlapping Indebtedness

The ability of land owners within the Project Areas to pay property tax installments as they come due could be affected by the existence of other taxes and assessments, imposed upon the land. In addition, other public agencies whose boundaries overlap those of the Project Areas could, without consent of the Agency Participant, and in certain cases without the consent of the owners of the land within the Project Areas, impose additional taxes or assessment liens on the property to finance public improvements. See "Bankruptcy and Foreclosure" below.

Bankruptcy and Foreclosure

The payment of property taxes by owners may be limited by bankruptcy, insolvency, or other laws generally affecting creditor's rights or by the laws of the State relating to judicial foreclosure. The various legal opinions to be delivered concurrently with the issuance of the Series 2016 Bonds (including Bond Counsel's approving legal opinion) will be qualified, as to the enforceability of the various legal instruments, by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

Although bankruptcy proceedings would not cause the property tax obligation of a landowner to become extinguished, such bankruptcy could result in a delay in collection of Tax Revenues, and would increase the likelihood of a delay or default in payment of the principal of and interest on the Local Obligations.

Future Legislation and Initiatives

Article XIII A, Article XIII B and Proposition 218 were each adopted as measures that qualified for the ballot pursuant to California's initiative process. From time to time other initiative measures could be adopted, further affecting revenues of the Agency Participant or the Agency Participant's ability to expend revenues. In addition, there are currently a number of proposed legislative changes to the Dissolution Act which, if adopted, would also affect revenues of the Agency Participant or the Agency Participant's ability to expend revenues. The nature and impact of these measures cannot currently be anticipated.

TAX MATTERS

In the opinion of Bond Counsel, under existing statutes, regulations, rulings and judicial decisions, interest with respect to the Series 2016 Bonds is exempt from State of California personal income tax.

The difference between the issue price of a Series 2016 Bond (the first price at which a substantial amount of the Series 2016 Bonds of the same series and maturity is to be sold to the public) and the stated redemption price at maturity with respect to such Series 2016 Bond constitutes original issue discount. Original issue discount accrues under a constant yield method. The amount of original

issue discount deemed received by the Series 2016 Bond Owner will increase the Series 2016 Bond Owner's basis in the Series 2016 Bond.

The amount by which a Series 2016 Bond Owner's original basis for determining loss on sale or exchange in the applicable Series 2016 Bond (generally, the purchase price) exceeds the amount payable on maturity (or on an earlier call date) constitutes amortizable Series 2016 Bond premium, which a Series 2016 Bond holder may elect to amortize under Section 171 of the Code; such amortizable Series 2016 Bond premium reduces the Series 2016 Bond Owner's basis in the applicable Series 2016 Bond (and the amount of taxable interest received), and is deductible for federal income tax purposes. The basis reduction as a result of the amortization of Series 2016 Bond premium may result in a Series 2016 Bond Owner realizing a taxable gain when a Series 2016 Bond is sold by the Owner for an amount equal to or less (under certain circumstances) than the original cost of the Series 2016 Bond to the Owner. Purchasers of the Series 2016 Bond should consult their own tax advisors as to the treatment, computation and collateral consequences of amortizable Series 2016 Bond premium.

The federal tax and State of California personal income tax discussion set forth above is included for general information only and may not be applicable depending upon an owner's particular situation. The ownership and disposal of the Series 2016 Bonds and the accrual or receipt of interest (and original issue discount) with respect to the Series 2016 Bonds may otherwise affect the tax liability of certain persons. Bond Counsel expresses no opinion regarding any such tax consequences. Accordingly, before purchasing any of the Series 2016 Bonds, all potential purchasers should consult their tax advisors with respect to collateral tax consequences relating to the Series 2016 Bonds.

A copy of the proposed forms of opinion of Bond Counsel is attached hereto as Appendix E.

CONTINUING DISCLOSURE

In accordance with the Continuing Disclosure Agreement to be delivered concurrently with the delivery of the Series 2016 Bonds, the Agency Participant will covenant and agree for the benefit of Owners of the Series 2016 Bonds, with assistance from the Authority, to provide certain financial information and, with assistance from the Authority, operating data relating to the Project Areas by not later than 180 days after the end of the Agency Participant's fiscal year (presently June 30), in each year commencing with its report for the 2016-17 fiscal year (each an "Annual Report"). The Agency Participant has also agreed to provide notices of the occurrence of certain enumerated events. Such Annual Report and notices will be filed by the Agency Participant or the Authority, as dissemination agent, on behalf of the Agency Participant, with the MSRB through EMMA.

The Authority has agreed to assist the Agency Participant in the preparation of annual updates of the information contained in the tables included in this Official Statement with respect to property tax revenues, collections, principal taxpayers, and has agreed to advise the Agency Participant of any enumerated events of which it has knowledge. The Authority will act as Dissemination Agent and, unless otherwise filed by the Agency Participant, will file the Annual Reports, including audited financial statements, and notices with the MSRB through EMMA. In carrying out the duties of Dissemination Agent, the Authority will adhere to the continuing disclosure procedures approved by the County Treasurer and Tax Collector found at the Los Angeles County Treasurer and Tax Collector website (http://ttc.lacounty.gov/Proptax/Investor_Info.asp). The information contained in such website is not incorporated into this Official Statement.

These covenants have been made in order to assist the Underwriters in complying with Securities Exchange Commission Rule 15c2-12(b)(5) ("Rule 15c2-12"). The specific nature of the information to

FINANCIAL STATEMENTS

Audited annual financial statements for the Agency Participant for the fiscal year ended June 30, 2015, were prepared by Simpson and Simpson, Certified Public Accountants. Excerpts of the Agency Participant’s audited annual financial statements for the fiscal year ended June 30, 2015, are attached hereto as Appendix C. The Agency Participant has not requested, and the auditor has not provided, any update or review of such audited financial statements in connection with the inclusion thereof in Appendix C to this Official Statement.

FINANCIAL ADVISOR

KNN Public Finance, a limited liability company, Oakland California (the “Financial Advisor”) is serving as financial advisor to the Agency Participant and the Authority in connection with the execution and delivery of the Series 2016 Bonds. The Financial Advisor has not independently verified any of the data contained in this Official Statement or conducted a detailed investigation of the affairs of the Authority or the Agency Participant to determine the accuracy or completeness of this Official Statement. The Financial Advisor assumes no responsibility for the accuracy or completeness of any of the information contained in this Official Statement.

VERIFICATION OF MATHEMATICAL ACCURACY

Causey Demgen & Moore P.C., independent accountants, upon delivery of the Series 2016 Bonds, will deliver a report on the mathematical accuracy of certain computations, contained in schedules prepared by the Underwriters, relating to the sufficiency of moneys and securities deposited into the Escrow Funds to pay, when due, the principal, whether at maturity or upon prior prepayment, interest and redemption premium requirements of the Refunded Bonds.

The report of Causey Demgen & Moore P.C. will include the statement that the scope of its engagement is limited to verifying the mathematical accuracy of the computations contained in such schedules provided to it, and that it has no obligation to update its report because of events occurring, or data or information coming to its attention, subsequent to the date of its report.

LITIGATION

To the best knowledge of the Authority, there is no litigation pending (where service of process has been completed on the Authority) or threatened against the County or the Authority concerning the validity of the Series 2016 Bonds or challenging any action taken by the Authority in connection with the authorization of the Trust Agreement, the Bond Purchase Agreement, Local Obligations Purchase Contract or any other document relating to the Series 2016 Bonds to which the Authority is or is to become a party or the performance by the Authority of any of its obligations under any of the foregoing.

There is no action, suit or proceeding pending or, to the knowledge of the Agency Participant, threatened, restraining or enjoining the execution or delivery of the Local Obligations or Agency Indenture, or in any way contesting or affecting the validity of the foregoing or any proceedings of the Agency Participant, or its Oversight Board taken with respect to any of the foregoing. The Agency Participant is a defendant in actions for writs of mandamus, injunctive relief and related fees, and for alleged damages to persons and/or property and for other alleged liabilities arising out of matters usually incident to the operation of a Former RDA (now a Successor Agency). However, the Agency Participant does not expect such pending or threatened litigation to result in a material adverse impact on the ability of the Agency Participant to make timely payments of debt service on its Local Obligations. See Appendix A under the caption "LITIGATION." The lawsuits described below relate to issues that may affect the distribution of property tax revenues or other monies to the Agency Participant under the Dissolution Act.

Prior to adoption of the Dissolution Act in 2011, redevelopment agencies were responsible for remitting the statutory pass-through payments to taxing agencies based on the allocation of moneys as provided by County Auditor-Controllers. Although the redevelopment agencies relied upon allocations provided by the County Auditor Controller, the redevelopment agencies were legally responsible for paying each taxing agency its allocated share. Following the adoption of the Dissolution Act, County Auditor-Controllers administer the allocation and payment of statutory pass-throughs directly.

In 2007, the Los Angeles Unified School District ("LAUSD") filed a lawsuit against the County and various cities, special districts and redevelopment agencies in the County, including the Former Agency, alleging that the County Auditor-Controller and local redevelopment agencies improperly allocated and paid to cities, counties, and special districts an illegally inflated share of local property tax revenue. This lawsuit involves the method the County uses to calculate the allocation of Statutory Pass-Through Amounts among taxing agencies and does not challenge the total amount or calculation of the Statutory Pass-Through Amounts owed by redevelopment agencies.

In January 2011, the Los Angeles Community College District ("LACCD") filed a similar lawsuit against the County and various cities, special districts and redevelopment agencies in the County based on the same grounds. The court in the LACCD case determined the matter to be related to the LAUSD case and therefore the case has been placed on hold pending final resolution of LAUSD matter.

The trial court in the LAUSD litigation rendered judgment in favor of the County, cities, special districts and redevelopment agencies and, after the appellate court reversed such judgment and remanded the case back to the trial court, the trial court issued a statement of decision in favor of LAUSD on January 27, 2012, ruling that the amount of pass-through received by the County, cities and special districts had been illegally inflated, and requiring the respondents to file a return on the writ explaining how they would comply with the court's order to return the improperly withheld funds to LAUSD. LAUSD appealed on September 7, 2012 to a portion of the court's statement of decision, specifically challenging the court's determination that while ERAF revenue received by schools is to be factored when calculating their pass-through shares, the ERAF revenue they are credited with shall not include

amounts diverted under Revenue & Taxation Code sections 97.68 (the “Triple Flip”) and 97.70 (the “VLF Swap”) since their respective enactment in 2004. The appellate court agreed with LAUSD, reversed the trial court’s ruling concluding that: “The property tax revenue that LAUSD received from the ERAF’s should be deemed to include its share of the ERAF revenue that was diverted by the Triple Flip and the VLF Swap legislation, thus avoiding either a decrease in LAUSD’s pass-through payment allocation, or an increase in a city or county’s pass-through payment allocation.” The appellate court remanded to the trial court on June 26, 2013. The County appealed, and the State Supreme Court denied the County’s petition for review on this matter on October 2, 2013.

The County, LAUSD and other parties to the litigation are currently negotiating a methodology pursuant to which the Statutory Pass-Through Amounts could be allocated consistent with the appellate court decision. The County believes that a resolution with an approved calculation methodology is close to completion; however, time for a court remittitur ends in October 2016. LAUSD has sought return of Pass-Through Amounts to which it was entitled since 2004 in addition to correcting the allocation of pass-throughs in the future. LACCD, in its lawsuit, has sought the return of Pass-Through Amounts to which it was entitled from fiscal year 2007-08 through January 31, 2012. As discussed above, prior to the enactment of the Dissolution Act in 2011, redevelopment agencies were responsible for the payment of the Statutory Pass-Through Amounts based on allocations provided by County Auditor-Controllers. It is likely that the trial court could seek repayment of past due sums from the County, cities and special districts and/or from the redevelopment agencies who paid the wrong Statutory Pass-Through Amounts to the taxing agencies. The County and the school districts are also exploring the best way for the cities, special districts and Former RDAs to repay the schools which filed these lawsuits. Additionally the trial court has determined that interest is owed on any past due amounts. The total estimated County exposure (including separate agencies governed by the same County officials) is approximately \$80 million. The County has reserved \$80 million for the expected resolution of these lawsuits.

If the Agency Participant is found liable, it is unclear under the Dissolution Act whether any amounts owed by the Agency Participant as a result of the LAUSD case would be senior or subordinate to the payment of debt service on the Local Obligations. Notwithstanding the foregoing, due to the amount of residual tax increment revenues generated from the Project Areas, neither of the Authority nor the Agency Participant expect the final judgment or similar resolution of either litigation to result in a material adverse impact on the ability of the Agency Participant to make timely payments of debt service on the Local Obligations when due. See Appendix A under the caption “THE PROJECT AREAS – Estimated Debt Service Coverage.”

With respect to California Successor Agencies and the Dissolution Act in general, on August 1, 2012, Syncora Guarantee Inc. and Syncora Capital Assurance Inc. (collectively, “Syncora”) filed a lawsuit against the State, the State Controller, the State Director of Finance, and the Auditor-Controller of San Bernardino County on his own behalf and as the representative of all other County Auditors in the State (Superior Court of the State of California, County of Sacramento, Case No. 34-2012-80001215) (the “Syncora Lawsuit”) challenging the terms of the Dissolution Act. Syncora are monoline financial guaranty insurers domiciled in the State of New York, and as such, provide credit enhancement on bonds issued by state and local governments and do not sell other kinds of insurance such as life, health, or property insurance. Syncora provided bond insurance and other related insurance policies for bonds issued by former California redevelopment agencies.

The Syncora Lawsuit was brought as a petition for writ of mandate, complaint for declaratory relief, inverse condemnation and injunctive relief. The injunctive relief sought included an injunction enjoining the respondents from implementing enforcing, and/or carrying out the Redistribution Provisions, ordering respondents to immediately return all money remitted by Successor Agencies to local taxing entities pursuant to the Redistribution Provisions, and ordering respondents to hold all future

tax increment revenues in the RPTTF, or a similar fund, for the exclusive benefit of, and distribution to, the bondholders, until such a time when the bondholders are completely repaid. In August 2013, the court ordered Syncora's claims dismissed, without prejudice to refile, as premature claims for impairment of contract and an unconstitutional taking. The court noted that no redevelopment agency bonds are in default.

The original complaint alleged that the Dissolution Act, and specifically the "Redistribution Provisions" thereof (i.e., California Health and Safety Code Sections 34172(d), 34174, 34177(d), 34183(a)(4), and 34188) violate the "contract clauses" of the United States and California Constitutions (U.S. Const. art. 1, § 10, cl.1; Cal. Const. art. 1, § 9) because they unconstitutionally impair the contracts among the Former RDAs, bondholders and Syncora. The complaint also alleged that the Redistribution Provisions violate the "Takings Clauses" of the United States and California Constitutions (U.S. Const. amend. V; Cal Const. art. 1 § 19) because they unconstitutionally take and appropriate bondholders' and Syncora's contractual right to critical security mechanisms without just compensation. Specifically, the complaint alleges that the security mechanism created by the irrevocable pledge of tax increment revenues to repay the redevelopment agency debts was a critical feature of the redevelopment bonds' marketability. No assurance can be made that Syncora will not re-file its claim at a later date.

RATING

FORM OF OPINION OF BOND COUNSEL

Upon delivery of the Series 2016 Bonds, Stradling Yocca Carlson & Rauth, a Professional Corporation, Bond Counsel to the Authority, proposes to render its final opinion in substantially the following form with respect to the Series 2016 Bonds:

APPENDIX F

FORM OF CONTINUING DISCLOSURE AGREEMENT

BOOK-ENTRY ONLY SYSTEM

BOOK-ENTRY ONLY SYSTEM

The description that follows of the procedures and recordkeeping with respect to beneficial ownership interests in the Series 2016 Bonds, payment of principal of, premium (if any) and interest on the Series 2016 Bonds to Participants or Beneficial Owners, confirmation and transfer of beneficial ownership interests in the Series 2016 Bonds, and other related transactions by and between DTC, Direct Participants and Beneficial Owners, is based on information furnished by DTC which the Authority believes to be reliable, but the Authority does not take responsibility for the completeness or accuracy thereof. The Authority cannot and does not give any assurances that DTC, Direct Participants or Indirect Participants will distribute to the Beneficial Owners either (a) payments of the principal of, premium (if any) and interest on the Series 2016 Bonds or (b) certificates representing ownership interests in or other confirmation of ownership interests in the Series 2016 Bonds, or that they will so do on a timely basis or that DTC, Direct Participants or Indirect Participants will act in the manner described in this Official Statement. The current “Rules” applicable to DTC are on file with the Securities and Exchange Commission and the current “Procedures” of DTC to be followed in dealing with DTC Participants are on file with DTC.

The Depository Trust Company (“DTC”), New York, NY, will act as securities depository for the Series 2016 Bonds. The Series 2016 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond will be issued for each maturity (and each individual yield in the case of bifurcated maturities) of the Series 2016 Bonds, in the aggregate principal amount of such issue, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and

Exchange Commission. More information about DTC can be found at www.dtcc.com; provided that nothing contained in such website is incorporated into this Official Statement.

Purchases of Series 2016 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2016 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2016 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2016 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2016 Bonds, except in the event that use of the book-entry system for the Series 2016 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2016 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2016 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2016 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2016 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2016 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2016 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Trust Agreement. For example, Beneficial Owners of Series 2016 Bonds may wish to ascertain that the nominee holding the Series 2016 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2016 Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2016 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Authority as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2016 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2016 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Authority or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by

standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC, the Trustee, or the Authority, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Authority or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

The Authority may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, bond certificates will be printed and delivered to DTC.

NEITHER THE AUTHORITY NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO DTC PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS WITH RESPECT TO THE PAYMENTS OR THE PROVIDING OF NOTICE TO DIRECT PARTICIPANTS, INDIRECT PARTICIPANTS OR BENEFICIAL OWNERS OR THE SELECTION OF SERIES 2016 BONDS FOR REDEMPTION.

DTC (or a successor securities depository) may discontinue providing its services as securities depository with respect to the Series 2016 Bonds at any time by giving reasonable notice to the Authority. The Authority, in its sole discretion and without the consent of any other person, may terminate the services of DTC (or a successor securities depository) with respect to the Series 2016 Bonds. The Authority undertakes no obligation to investigate matters that would enable the Authority to make such a determination. In the event that the book-entry system is discontinued as described above, the requirements of the Trust Agreement will apply.

THE AUTHORITY AND THE UNDERWRITERS CANNOT AND DO NOT GIVE ANY ASSURANCES THAT DTC, THE PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL, INTEREST OR PREMIUM, IF ANY, WITH RESPECT TO THE SERIES 2016 BONDS PAID TO DTC OR ITS NOMINEE AS THE REGISTERED OWNER, OR WILL DISTRIBUTE ANY REDEMPTION NOTICES OR OTHER NOTICES, TO THE BENEFICIAL OWNERS, OR THAT THEY WILL DO SO ON A TIMELY BASIS OR WILL SERVE AND ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE AUTHORITY AND THE UNDERWRITERS ARE NOT RESPONSIBLE OR LIABLE FOR THE FAILURE OF DTC OR ANY PARTICIPANT TO MAKE ANY PAYMENT OR GIVE ANY NOTICE TO A BENEFICIAL OWNER WITH RESPECT TO THE SERIES 2016 BONDS OR AN ERROR OR DELAY RELATING THERETO.

The information in this section concerning DTC and DTC’s book-entry system has been obtained from sources that the Authority deems reliable, but the Authority takes no responsibility for the accuracy thereof.

DTC may discontinue providing its services as securities depository with respect to the Series 2016 Bonds at any time by giving reasonable notice to the Authority or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2016 Bonds are required to be printed and delivered as described in the Trust Agreement.

The Authority may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2016 Bonds will be printed and delivered as described in the Trust Agreement and payment of interest to each Owner who owns of record \$1,000,000

or more in aggregate principal amount of Series 2016 Bonds may be made to such Owner by wire transfer to such wire address within the United States that such Owner may request in writing for all Interest Payment Dates following the 15th day after the Trustee's receipt of such request.
