The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**SERVICES AND SUPPLIES EQUIPMENT AND STOCK ITEM INVENTORIES  
ALL SUPERVISORIAL DISTRICTS  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Award and delegate authority to the Director of Public Works to execute the contract for "Services and Supplies Equipment and Stock Item Inventories" to Comp U Count Inventory Service, a partnership, located in North Hills, California. This contract will be for a period of one year commencing upon Board approval, with a one-year renewal option, not to exceed a total of two years.
2. Delegate authority to the Director of Public Works to renew this contract for the additional one-year renewal option, if, in the opinion of the Director, renewal is warranted, or, if necessary, to terminate the contract.
3. Authorize the contractor to proceed with the work in accordance with the contract's specifications, terms, conditions, and requirements.
4. Authorize Public Works to encumber an annual amount not to exceed \$60,750, plus 10 percent for additional, extraordinary, or as-needed inventory services beyond the contemplated scope of this contract. Funds are available in Public Works' 2003-04 Internal Service Fund.

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Public Works is required by the Auditor-Controller to conduct an annual, physical inventory of portable items of equipment which have an acquisition cost of between \$300 to \$4,999 such as personal computers, two-way radios, cameras, laboratory equipment, fax and video equipment, small power tools, etc. A similar physical inventory of Public Works' office supplies, automotive parts, tools, maintenance and construction materials, etc., is also required. Public Works has contracted for such inventories since 1998. The purpose of this action is to continue contracting for this service. The inventories have been the subject of two separate contracts until now. Combining them under one contract will achieve efficiencies in procurement, training, and scheduling.

### **Implementation of Strategic Plan Goals**

The award of this contract is consistent with the County's Strategic Plan Goal of Organizational Effectiveness as this service is required intermittently and the contractor has the specialized expertise to complete this service accurately and efficiently.

### **FISCAL IMPACT/FINANCING**

The contract's annual not-to-exceed amount is \$60,750, plus 10 percent for additional, extraordinary, or as-needed inventory services beyond the contemplated scope of this contract. This amount represents our estimated annual cost for this service based on the unit prices submitted by the contractor. This contract will commence upon Board approval for one year. With the Board's delegated authority, the Director may renew this contract for one additional year for a total contract period not to exceed two years. In any event, this contract may be canceled or terminated at any time by the County without cause upon giving at least 30 days' written notice to the contractor.

Funds are available in Public Works' 2003-04 Internal Service Fund to cover the contract's first term cost. Funds to finance the contract's renewal years will be made through Public Works' annual budget process.

This contract allows a cost of living adjustment for the additional optional year in accordance with County policy established by the Chief Administrative Office. There will be no impact on net County cost.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Prior to the Director executing this contract which will be substantially reflected in Enclosure A, the contractor will sign and County Counsel will review it as to form.

Public Works has evaluated and determined that the Living Wage Program (Los Angeles County Code Chapter 2.201) does not apply to this recommended contract which is for services required on an as-needed and intermittent basis.

### **ENVIRONMENTAL DOCUMENTATION**

This recommended contract does not constitute a project as defined by the California Environmental Quality Act (CEQA), and therefore is not subject to the provisions of CEQA.

### **CONTRACTING PROCESS**

On December 22, 2003, Public Works solicited proposals from 125 independent contractors and community business organizations to accomplish this work. Also, notice of proposal availability was placed on the County's bid website (Enclosure B) and an advertisement was placed in the Los Angeles Times.

On January 21, 2004, two proposals were received. The proposals were first reviewed to ensure they met the mandatory requirements as outlined in the Request for Proposals (RFP). Having met these requirements, they were then evaluated by an evaluation committee consisting of Public Works staff. The committee's evaluation was based on criteria described in the RFP which included experience, capability, references, and pricing. Based on this evaluation, it is recommended that this contract be awarded to the most responsive and lowest-cost proposer, Comp U Count Inventory Service, a partnership, located in North Hills, California.

Enclosure C reflects the proposers' minority participation. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

This contract contains Board-approved contract terms and conditions regarding current and new employee notification of the Federal-earned income tax credit, agreement to maximize to the extent possible the use of recycled-content paper products, contractor responsibility and debarment, jury service requirements, nonpayment for services rendered after contract expiration or termination, and the Safely Surrendered Baby Law.

The Honorable Board of Supervisors  
February 26, 2004  
Page 4

Public Works has confirmed that the Child Support Services Department has received the contractor's Principal Owner Information Form in compliance with the Los Angeles County Code, Chapter 2.200 (Child Support Compliance Program).

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractor before any work is assigned.

As requested by your Board, the contractor has submitted a safety record which reflects that activities conducted by the contractor in the past have been according to reasonable standards of safety.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that this contractor will not be requested to perform services which will exceed the contract's approved amount, scope of work, and/or terms.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The award of this contract will not result in the displacement of any County employees, as this service is presently contracted with the private sector.

**CONCLUSION**

One approved copy of this letter is requested.

Respectfully submitted,

JAMES A. NOYES  
Director of Public Works

SERVICES AND SUPPLIES EQUIPMENT AND STOCK ITEM INVENTORIES

SECTION 1

WORK REQUIRED/PROPOSAL SUBMISSION

A. Work Required

1. Persons who wish to contract with the County may respond to this Request for Proposals (RFP) by submitting a Proposal in the form described in the following Sections and Attachments. Proposers are instructed to carefully read these Terms, Requirements, Specifications, Conditions, Attachments, and Exhibits.
2. The work to be accomplished under these Specifications will consist of performing a physical inventory of the services and supplies (S&S) equipment items and stock items for Public Works.

B. Proposal Format and Contents

Proposals shall be submitted in the sequence, with the content, and according to the format stated below. Failure to provide the required information or comply with these guidelines may be a basis for rejection of the Proposal. Include the following in the order listed:

1. Title page which indicates the Proposer's name, project title, and date of submission.
2. Comprehensive Table of Contents for material included in the Proposal.
3. Introductory letter (REQUIRED).

A comprehensive description of the Proposer's capabilities, in sufficient detail and scope to provide for a meaningful evaluation, comparison, and assessment. The narrative should discuss each of the following subject areas, with emphasis on how the Proposer measures up to the evaluation criteria (see Part I, Section 3.F, Evaluation Criteria):

- Background and experience
- Organization
- Principals (include resumes if available)
- Key staff (include resumes if available)

PART I - SPECIFICATIONS AND CONDITIONS

4. Work Plan

Submit a written Work Plan that describes the staffing plan, schedules, procedures, techniques, and methods that will be employed in meeting the objectives outlined in Part I, Section 2, Scope of Work. These may include personnel management, training, subcontracting, recruitment and replacement, supervision, supplies, equipment, uniforms, identification badges, safety, communications, and quality control.

5. Subcontractors

The County seeks diverse, broad-based participation in its contracting. Subcontractors, if any, shall be subject to all requirements set forth in this RFP that are applicable to the contractor in general. If subcontractors are to be employed, Proposer must submit a statement of the subcontractor's proposed assignments, qualifications, experience, staffing, and schedules. In addition to this statement, the following forms must be completed and submitted for each subcontractor contemplated:

- Contractor's Industrial Safety Record;
- Conflict of Interest Certification;
- Proposer's Equal Employment Opportunity (EEO) Certification;
- GAIN/GROW Employment Commitment Form;
- Request for Local Small Business Enterprise (SBE) Preference Program Consideration and CBE Firm/Organization Information Form (Part II of form only);

PART I - SPECIFICATIONS AND CONDITIONS

6. Submit copies of the Proposer's licenses and certifications required to perform the work, if any.
7. Submit proof of current, valid insurance coverage that meets the RFP requirements or a statement acknowledging that the required insurance coverage will be provided prior to commencing work under the contract.
8. Additional data and material not specifically requested for evaluation, but which the Proposer feels is essential, must appear in the last section. If there is no additional data the Proposer wishes to present, this section will consist of the statement: "There is no additional data we wish to present."

9. Forms List

Complete and submit the following forms, which are included in the RFP package:

- Schedule of Prices (Part I, Section 6)
- Declaration for Proposal
- Proposal
- Contractor's Industrial Safety Record
- Conflict of Interest Certification

- Child Support Compliance Program Certification (submit to Child Support Services Department and submit a copy to Public Works)

PART I - SPECIFICATIONS AND CONDITIONS

- Jury Service Program Application for Exception and Certification.

C. Proposal Submission

1. Proposals shall be submitted with four complete copies (one original and three copies) of the Proposal and any accompanying documents. Proposals received after the closing date and time will be rejected by Public Works as nonresponsive.
2. Submit Proposals to the County of Los Angeles Department of Public Works' Lobby Cashier, 900 South Fremont Avenue, Alhambra, California 91803, in a package which clearly identifies this Request for Proposals and the name of the Proposer. Proposals will be officially received by Public Works only when accepted and time stamped by the Lobby Cashier. It is the responsibility of the Proposer to instruct delivery services, such as United Parcel Service and Federal Express, to deliver Proposals directly to the Lobby Cashier. Proposals not delivered to the Lobby Cashier may be delayed in being officially time stamped by the Lobby Cashier and may miss the Proposal submission deadline. While Proposals received at Public Works' Mail Center through the United States Postal Service will be forwarded to the Lobby Cashier as quickly as possible, the Mail Center will not time stamp proposals. Public Works will not be responsible for any delays or missed deadlines for proposals that are not delivered directly to the Lobby Cashier.

D. GAIN/GROW Program

As a threshold requirement for consideration for contract award, Proposers shall demonstrate a proven record of hiring participants in the County's Department of Public Social Services' Greater Avenue for Independence (GAIN) or General Relief Opportunity for Work (GROW) Programs or shall attest to a willingness to consider GAIN/GROW participants for any future employment opening if they meet the minimum qualifications for that opening (Part I, Section 1.B.9, Forms List). Additionally, Proposer shall attest to a willingness to provide employed GAIN/GROW participants access to Proposer's employee mentoring program, if available, to assist these individuals in obtaining permanent employment and/or promotional opportunities. Proposers who are unable to meet this requirement shall not be considered for contract award.

E. Child Support Compliance Program

Proposers must certify in accordance with the provisions of Section 2.200.060 of the County Code that: 1) the Principal Owner Information Form and the Child Support Compliance Program Certification Form has been appropriately completed and provided to the Child Support Services Department with respect to the Proposer's Principal Owners (Part I, Section 1.B.9, Forms List); 2) the Proposer has fully complied with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and 3) the Proposer has fully complied with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignments and continues to maintain compliance. Such certification must be submitted on the Child Support Compliance Program Certification (Part I, Section 1.B.9, Forms List). Failure by the Proposer to provide the Principal Owner Information Form to the Child Support Services Department will be grounds for a finding by the County that the Proposal is nonresponsive.

F. Jury Service Program

1. The resultant contract from this RFP will be subject to the requirements of the County's Contractor Employee Jury Service Ordinance (Jury Service Program, Los Angeles County Code, Chapter 2.203). Proposers should carefully read the pertinent jury service provisions in Part II, Section 3.V, Jury Service Program. The Jury Service Program applies to both contractors and their subcontractors. Proposals that fail to comply with the requirements of the Jury Service Program will be considered nonresponsive and excluded from further consideration.
2. The Jury Service Program requires contractors and their subcontractors to have and adhere to a written policy that provides that its employees shall receive from the contractor, on an annual basis, no less than five days of regular pay for actual jury service. The policy may provide that employees deposit any fees received for such jury service with the contractor or that the contractor deduct from the employee's regular pay the fees received for jury service. For purposes of the Jury Service Program, "employee" means any California resident who is a full-time employee of a contractor and "full-time" means 40 hours or more worked per week, or a lesser number of hours if: 1) the lesser number is a recognized industry standard as determined by the County; or 2) the contractor has a long-standing practice that defines the lesser number of hours as full-time. Therefore, the Jury

PART I - SPECIFICATIONS AND CONDITIONS

Service Program applies to all of a contractor's full-time California employees, even those not working specifically on the County project.

3. There are two ways in which a contractor might not be subject to the Jury Service Program. The first is if the contractor does not fall within the Jury Service Program's definition of "contractor." The Program defines "contractor" to mean a person, partnership, corporation or other entity which has a contract with the County or a subcontract with a County contractor and has received or will receive an aggregate sum of \$50,000 or more in any 12-month period under one or more County contracts or subcontracts. The second is if the contractor meets one of the two exceptions to the Jury Service Program. The first exception concerns small businesses and applies to contractors that have: 1) ten or fewer employees; and, 2) annual gross revenues in the preceding 12 months which, if added to the annual amount of this contract is less than \$500,000; and, 3) is not an "affiliate or subsidiary of a business dominant in its field of operation." The second exception applies to contractors that possess a collective bargaining agreement that expressly supersedes the provisions of the Jury Service Program. The contractor is subject to any provision of the Jury Service Program not expressly superseded by the collective bargaining agreement.
4. If a contractor does not fall within the Jury Service Program's definition of "contractor" or if it meets any of the exceptions to the Jury Service Program, then the contractor must so indicate in the Certification Form and Application for Exception (Part I, Section 1.B.9, Forms List) and include with its submission all necessary documentation to support the claim such as tax returns or a collective bargaining agreement, if applicable. Upon reviewing the contractor's application, the County will determine, in its sole discretion, whether the contractor falls within the definition of "contractor" or meets any of the exceptions to the Jury Service Program. The County's decision will be final.

G. Local Small Business Enterprise Preference Program

In evaluating proposals, the County will give preference to businesses that are certified by the County as a Local Small Business Enterprise (Local SBE), consistent with Chapter 2.204 of the Los Angeles County Code. Proposers who wish to be considered for this preference should do so using the attachment entitled Request for Local SBE Preference Program

PART I - SPECIFICATIONS AND CONDITIONS

Consideration and CBE Firm/Organization Information Form (Part I, Section 1.B.9, Forms List). A Certified Local SBE is a business: 1) certified by the State of California as a small business enterprise; 2) having its principal office currently located in Los Angeles County for a period of at least the past 12 months; and 3) certified by the Office of Affirmative Action and Compliance as meeting the requirements set forth in 1 and 2 above. Certified Local SBEs must request the SBE Preference in their solicitation responses and may not request the preference unless the certification process has been completed and certification affirmed. County must verify Local SBE certification prior to applying the preference. Sanctions and financial penalties may apply to a business that knowingly, and with intent to defraud, seeks to obtain or maintain certification as a certified Local SBE.

Information about the State's small business enterprise certification regulations is in the California Code of Regulations, Title 2, Subchapter 8, Section 1896 et seq., and is also available on the California Department of General Services Office of Small Business Certification and Resources Web site at <http://www.pd.dgs.ca.gov/smbus/default>.

You can obtain further information on certification from the County Website at [www.oaac.co.la.ca.us/sbemain.html](http://www.oaac.co.la.ca.us/sbemain.html) or by calling (213) 974-0912.

H. Vendor Registration

Proposers must register online with the County's Web-based vendor registration system to facilitate the contract award process. Registration is accessible through the "Doing Business with Us" link on the County's Internet Home Page at [www.lacounty.info](http://www.lacounty.info).

SECTION 2

SCOPE OF WORK

A. Proposers' Conference

Prior to submission of Proposal, all Proposers are required to attend a mandatory Proposers' Conference to be held at Public Works Headquarters, Conference Room A, 900 South Fremont Avenue, Alhambra, California 91803, on Tuesday, January 13, 2004, at 2 p.m. **ALL INTERESTED PROPOSERS MUST ATTEND THIS CONFERENCE.** Proposals received from Proposers not signed in as attending this Conference will be rejected as nonresponsive. Proposers are encouraged to be prepared to ask questions concerning this RFP's requirements, specifications, terms, and conditions. Upon conclusion of the Proposers' Conference, Public Works will only provide further clarifications and/or answers concerning this solicitation through an addendum(s) to all who attended the conference.

B. Proposal Requirements and Conditions

Proposers are requested to review Part II, Section 2, General Proposal Requirements and Conditions, as well as the County's "Policy on Doing Business with Small Business" and the County's "Vision" statement (both attached).

C. Public Works Project Managers

The Project Managers for the S&S Equipment Inventory will be Fiscal Division staff, Leanne Hall at (626)458-6934 and Karen Choi at (626) 458-6553.

The Stock Inventory Project Manager will be Hank Kokosenski of the Internal Audit Group at (626) 458-6545.

The Project Managers can be contacted Monday through Thursday 7 a.m. to 5:30 p.m. The Project Managers are the only persons authorized by Public Works to request work of the Contractor. From time to time, Public Works may change Project Managers. The Contractor shall be notified in writing when there is a change in Project Managers.

D. Work Location

1. S&S Equipment Inventory

The persons ("Property Custodians") who will be the Contractor's on-site contact for the S&S Equipment

PART I - SPECIFICATIONS AND CONDITIONS

Inventory and the list of locations to be inventoried is shown in Exhibit A, Property Custodian by Sublocation.

2. Stock Inventory

A list of warehouse locations to be inventoried, their hours, and their respective contact persons are shown in Exhibit B, Stock Inventory Warehouse Locations.

E. Work Description - Services and Supplies (S&S) Equipment Inventory

1. The Contractor shall provide all materials and equipment required to perform the annual S&S equipment physical inventory. This should include but is not limited to bar code scanners and all accompanying hardware and software needed to compile the inventory data. All forms, work sheets, etc., become the property of the County following the inventory. The total number of S&S equipment items is estimated to be 12,500 items.
2. The inventory process will include verifying and reporting unlisted property that should be added to the County's S&S equipment inventory. This task became necessary when the County increased the minimum value of a fixed asset to \$5,000, demoting many items to S&S equipment status. Although the change in status was automatic, they have not yet been added to the S&S equipment inventory listing.
3. The Contractor shall inventory all S&S equipment items at the Public Works Headquarters building, field locations, and jobsites specified in Exhibit A.
4. The Contractor shall provide only qualified inventory specialists to perform S&S Equipment Inventory. Before the Contractor begins work, resumes for each inventory specialist shall be made available to the Project Manager. The Project Manager will determine if each specialist meets the minimum qualifications. The County reserves the right to request immediate removal of any Contractor employee who is determined to be unqualified to perform work or who creates unnecessary disruption. An individual so removed shall be immediately replaced by the Contractor.
5. The Contractor shall conduct the S&S Equipment Inventory primarily by using bar code readers to scan bar code tags currently affixed to the S&S equipment items. The Contractor shall provide the computer equipment and

PART I - SPECIFICATIONS AND CONDITIONS

software needed to compile and report inventory results, including exception items discussed in detail above.

6. The Contractor's personnel performing the S&S Equipment Inventory shall:
  - Actually observe the item inventoried.
  - Verify that the equipment is in good operational condition (not damaged beyond repair).
  - Verify that the Bar Code Tag Number is in good condition (is legible) and that the Bar Code Tag Number agrees with the description as shown on the Department's Listing of Service and Supplies Equipment provided by Fiscal Division.
  - Check inside trucks or truck beds for radios or any other equipment items that may be stored there.
7. The Contractor shall report on a daily basis to the Project Manager to convey the progress of the physical inventory so that any delays beyond the scheduled completion date of each location can be determined and corrective steps can be taken at the earliest possible date.
8. The Contractor shall develop a schedule and list of all the locations and current job sites where S&S equipment may be located and in use during the inventory (jobsites will vary depending on various factors, e.g., earthquakes or other natural disasters). Public Works Property Custodians (Exhibit A) will assist the Contractor in locating S&S equipment.
9. The first year's S&S Equipment Inventory shall begin on a date specified by the Project Manager and be completed no later than March 15, 2004, or as specified by the Project Manager. The option year's inventory shall commence as directed by the Project Manager and shall be completed by January 31, 2005, or as specified by the Project Manager.
10. The Contractor shall supply, within 10 days of the Board's approval of this Contract, a detailed Schedule of Work plan for performing the first year's S&S Equipment Inventory. The subsequent year's S&S Equipment Inventory Schedule of Work shall be submitted to the County by December 1, 2004. These schedules shall include the inventory count beginning and end dates by location and jobsite. The Contractor shall notify all field office

PART I - SPECIFICATIONS AND CONDITIONS

personnel identified by the Property Custodians of the dates designated for the physical inventory at each location by phone and shall confirm the notification in writing. The Contractor shall request that all equipment not in use at jobsites be brought back to the main yard or a sub yard.

11. On occasion, there will be S&S equipment items that will not have bar code tags (e.g., new equipment items that do not yet have a bar code tag or the bar code tag is defective or destroyed). In these instances, the Bar Code Tag number shall be manually recorded and the item shall be identified on the inventory report under "Missing or Illegible Bar Code Tags."
12. An estimated 1,200 pieces of S&S equipment will have missing, illegible or non-scannable bar code tags for the first year's physical inventory. These tags need to be affixed or replaced by the Contractor during the first year of the Contract. The Project Manager will provide a listing of those items which need the tags to be replaced. Replacing the tags means completely removing the old tag and affixing the correct corresponding new tag to the item. During the option year of this Contract, if equipment items with missing bar code tags have been identified prior to the inventory, Contractor may be asked to attach new bar codes to said equipment. Public Works anticipates up to 800 such items during this Contract's option year. Bar codes will be provided to the Contractor on an as-needed basis by the Project Manager.
13. The Contractor shall identify items that are inoperable or in need of major repair. It is not required that the Contractor test the equipment to see if it is operable. Visually observing the physical extremities of the equipment and noting if it is rusted beyond repair or if the item is crushed or demolished will be satisfactory. If the Contractor determines that the S&S equipment item is damaged beyond repair or inoperable, the Contractor shall identify the item on the inventory report under "Damaged/Inoperable."
14. If the physical location of the S&S equipment item is different from the location on the Public Works listing of S&S equipment, the Contractor shall report the item as found and the inventory location of the item shall be identified on the inventory report under "Inventory Location."

PART I - SPECIFICATIONS AND CONDITIONS

15. If the S&S equipment item does not match the corresponding property tag and/or bar code tag number's description in the Public Works listing of S&S equipment, the Contractor shall list the item and enter the new description on a separate inventory exception report for "Inaccurate Description Match." The new description shall include any identification characteristics, e.g., serial numbers or make/model of equipment.
16. If an S&S equipment number has been counted more than once by the Contractor, the Contractor shall check the bar code tag and/or the Property Tag Number. If they agree then the item was simply counted twice and the duplicate record should be removed. If the Property Tag and the Bar Code Tag do not agree with the description on the Public Works listing of service and supplies equipment, the item shall be listed on a separate inventory exception report for "Duplicate Item Numbers" with the new description and inventory location entered under "New Description" and "Inventory Location."
17. Missing Items

When the physical inventory has been initially completed and it is certain that the S&S equipment item has not been identified in another location, the Contractor shall perform additional follow-up work to account for any missing equipment items. Specifically, the Contractor shall first re-inventory the location where the S&S equipment item is currently recorded in the County records. If the S&S equipment item cannot be found at the original location, the Contractor shall work with the County Property Custodians to determine which field offices and jobsites to re-inventory. Every effort shall be made to locate missing S&S equipment.

PART I - SPECIFICATIONS AND CONDITIONS

2. Proposals passing the first step will be evaluated based on the following:

The proposed price should accurately reflect the Proposer's cost of providing the required services and any profit expected during the Contract term. The lowest Total Proposed Annual Price quoted in the Schedule of Prices (Part I, Section 6), will receive the full weight of this evaluated item (50 points). Other Proposals will receive a prorated score calculated as follows: divide the lowest Total Proposed Annual Price by each other Proposers' Total Proposed Annual Price and multiply the result by the maximum possible points for this evaluation criterion (50 points). However, the Proposal with the lowest Total Proposed Annual Price may not necessarily be awarded a contract.

In addition, should one or more of the Proposers request and be granted the Local SBE Preference, the price component points will be determined as follows:

Five percent (5%) of the lowest price proposed will be calculated, which shall not exceed \$50,000, and

PART I - SPECIFICATIONS AND CONDITIONS

that amount will be deducted from the price submitted by all Local SBE Proposers who requested and were granted the Local SBE Preference.

b. Work Plan and Approach (25 points)

Proposals will be evaluated on the extent to which the Work Plan meets the Scope of Work requirements for all tasks identified and on the extent to which it demonstrates creativity and innovation that exceed the minimum requirements of the Scope of Work.

The evaluation committee may make this determination from all relevant information presented, which may include but is not limited to Proposer's Work Plan of Action (Part I, Section 1.B.4) comprised of Proposer's staffing plan and programs for personnel management, training, subcontracting, recruitment and replacement, supervision, supplies, equipment, uniforms, identification, safety, communications, and quality control.

Significant unacceptable weakness in any factor of the Work Plan may result in a low or zero score for the Work Plan overall. Omission of the Work Plan may also result in a zero score for this evaluation category. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

c. References (15 points)

Public Works will check at least three of the Proposer's references for overall satisfaction with Proposer's services, with priority given to services provided to Public Works and other County departments. One or more unfavorable references may result in rejection of the Proposal.

d. Experience (10 points)

The evaluators may award a maximum of 10 points for the quality and quantity of experience of the Proposer and its key personnel and subcontractors in providing the requested services to organizations. Greater weight will be given to services provided to agencies of similar size and nature. The evaluators may consider the Proposer's

PART I - SPECIFICATIONS AND CONDITIONS

description of its capabilities, resumes of key personnel (Part I, Section 1.B.3), and any other relevant information. Significant unacceptable weakness in quality or quantity of experience may result in a low or zero score. A score of zero in this evaluation category is unacceptable and may result in rejection of the Proposal.

Proposals submitted by telegram and those which are not clocked in at Public Works' Headquarters Lobby Cashier before the date and hour set for receipt of the same will not be considered and will be returned to the Proposer unopened.

D. Altering Solicitation Document

The wording of the solicitation document shall not be changed. Any additions, conditions, limitations, or provisions inserted by the Proposer shall render their Proposal irregular and may cause its rejection.

E. Term of Proposals

All Proposals shall be firm offers and may not be withdrawn for a period of 120 days following the last day to accept Proposals.

F. Acceptance or Rejection of Proposals

The right is reserved to reject any or all Proposals not suitable in the judgment of the Board/Director to be in the best interests of the County/Public Works. If the solicitation document contains multi-Proposal requests, no Proposal will be considered unless the Proposer submits a price on all items within each category, though the Proposer may not be required to submit a price on all the categories.

G. Qualification of Proposer

No award will be made to any Proposer who cannot give satisfactory assurance as to its ability to carry out this Contract, based both on financial strength and experience as a contractor on work of the nature contemplated in the proposed Contract. Proposers are encouraged to submit records of work of similar nature, size, or extent to that proposed under these Specifications. A reasonable inquiry to determine the responsibility of a Proposer will be conducted. The unreasonable failure of a Proposer to promptly supply information in connection with such inquiry, including, but not limited to information regarding past performance, financial stability, and ability to perform on schedule, may be grounds for a determination of nonresponsibility with respect to such Proposer. Unfamiliarity with the type of work required by Public Works may be sufficient cause for rejection of the Proposal.

A review of the Proposer's safety record will be made before the award. J. Wages, Materials, and Other Costs

N. Proposal Prices and Agreement of Figures

If the total amount arrived at by multiplying the unit price times the quantity does not agree with the total amount entered for the item or if the total amount is not entered,

O. Disclosure of Contents of Proposals

All Proposals in response to the solicitation document will become the exclusive property of the County. At such time as Public Works recommends the award of this Contract to the Board and that letter appears on the Board's agenda, all Proposals will become a matter of public record and will be regarded as public records, except those parts of each Proposal which are defined by the Proposer as business or trade secrets, and plainly marked as "trade secret." Designation of all or substantial portions of the Proposal as "trade secret" or inappropriate designation of portions of the Proposal as "trade secret" may result in the Proposal being rejected as nonresponsive. The County will not in any way be liable or responsible for the disclosure of any such records, or any parts thereof, if disclosure is required or permitted under the California Public Records Act or otherwise by law.

P. Gratuities

It is improper for any County officer, employee, or agent to solicit consideration, in any form, from a Proposer with the implication, suggestion, or statement that the Proposer's provision of the consideration may secure more favorable treatment for the Proposer in the award of this Contract or that the Proposer's failure to provide such consideration may negatively affect the County's consideration of the Proposer's submission. A Proposer shall not offer or give, either directly or through an intermediary, consideration, in any form, to a County officer, employee or agent for the purpose of securing favorable treatment with respect to the award of this Contract.

A Proposer shall immediately report any attempt by a County officer, employee, or agent to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 544-6861. 4. If there is evidence that the highest rated Proposer may not be responsible, Public Works will notify the Proposer in writing of the evidence relating to the Proposer's responsibility, and its intention to recommend to the Board that the Proposer be found not responsible. Public Works will provide the Proposer and/or the Proposer's representative with an opportunity to present evidence as to why the Proposer should be found to be responsible and to rebut evidence which is the basis for Public Works' recommendation. If the Proposer fails to avail itself of the opportunity to rebut Public Works' evidence, the

Proposer may be deemed to have waived all rights of appeal.

5. If the Proposer presents evidence in rebuttal to Public Works, Public Works will evaluate the merits of such evidence, and based on that evaluation, make a recommendation to the Board. The final decision concerning the responsibility of the Proposer will reside with the Board.

2. If there is evidence that the highest rated Proposer may be subject to debarment, Public Works will notify the Proposer in writing of the evidence which is the basis for the proposed debarment, and will advise the Proposer of the scheduled date for a debarment hearing before the Contractor Hearing Board.
3. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. The Proposer and/or the Proposer's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a proposed decision, which will contain a recommendation regarding whether the Proposer should be debarred, and, if so, the appropriate length of time of the debarment. D. Termination Claim

If this Contract is terminated, the Contractor shall, within 60 days after the Notice of Termination, submit to the County its termination claim.

Subject to the provisions of the paragraph immediately below, the County and the Contractor shall negotiate an equitable amount to be paid the Contractor by reason of the total or partial termination of work pursuant to this clause, which amount may include a reasonable allowance for profit on services rendered, but shall not include an allowance on services terminated. The County will pay the agreed amount provided that such amount shall not exceed the total funding obligated under this Contract, and reduced by the amount of payments otherwise made, and as further reduced by this Contract price of services not terminated.

Failure of the Contractor to submit its termination claim and invoice within the time allowed, the County may determine, based on information available to the County, the amount, if any, due to the Contractor in respect to the termination, and such determination shall be final. After such determination is made, the County will pay the Contractor the amount so determined.

PART III  
STANDARD TERMS AND CONDITIONS  
LOS ANGELES COUNTY SERVICES CONTRACTS

A. Limitation of the County's Obligation Due to Non-appropriation of Funds

1. The County's obligation is payable only and solely from funds appropriated for the purpose of this Contract.
2. All funds for payments after June 30 of the current fiscal year are subject to the County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.
3. In the event this Contract extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the affected equipment and/or services shall be terminated as of June 30 of the then current fiscal year. The County shall notify the Contractor in writing of such non-allocation at the earliest possible date.

B. Nondiscrimination in Employment

The Contractor shall ensure that qualified applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.

The Contractor shall deal with its subcontractors, bidders, or vendors without regard to, or because of, race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender.

The Contractor shall allow the County representative access to its employment records during regular business hours to verify compliance with the provisions of this section when so requested by the County.

If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to cancel, terminate, or suspend this Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated State or Federal antidiscrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the antidiscrimination provisions of this Contract.

The parties agree that in the event the Contractor violates the antidiscrimination provisions of this Contract, the County shall, at its option, be entitled to a sum of \$500 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Contract.

C. Assignment

This Contract, or any interest therein, including any claims for monies due or to become due with respect thereto, may only be assigned upon the written consent of the Director and any prohibited assignment shall be null and void. Any payments to any assignee of any claim under this Contract, in consequence of each consent, shall be subject to set-off, recoupment, or other reduction for any claim which the County may have.

D. Assurance of Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000e through 2000e(17), to the end that no person shall, on the grounds of race, creed, color, gender, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

E. Compliance with Laws

1. The Contractor agrees to comply with all applicable Federal, State, and local laws, rules, regulations, or ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference.
2. The Contractor agrees to indemnify and hold the County harmless from any loss, damage, or liability resulting from a violation on the part of the Contractor of such laws, rules, regulations, or ordinances.

F. Covenant Against Contingent Fees

1. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
2. For breach or violation of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from this Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

G. Governing Laws

This Contract shall be construed in accordance with and governed by the laws of the State of California.

H. Termination for Improper Consideration

County may, by written notice to Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that consideration, in any form, was offered or given by Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, County shall be entitled to pursue that same remedies against Contractor as it could pursue in the event of default by the Contractor.

Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (213) 974-0914 or (800) 554-6861. Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment or tangible gifts.

I. Notice of Delays

Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within five days, give notice thereof, including all relevant information with respect thereto, to the other party.

J. Record Retention and Inspection

The Contractor agrees that the County or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, time cards, or other records relating to this Contract. Such material, including all pertinent costs, accounting, financial records, and proprietary data, shall be kept and maintained by the Contractor, at a location in Los Angeles County, for a period of five years after completion of this Contract unless the County's written permission is given to dispose of material prior to the end of such period.

K. Validity

The invalidity in whole or in part of any provision of this Contract shall not void or affect the validity of any other provision.

L. Waiver

No waiver of a breach of any provision of this Contract by either party shall constitute a waiver of any other breach of said provision or any other provision of this Contract. Failure of either party to enforce at anytime or from time to time, any provision of this Contract shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

M. Default for Insolvency

1. The County may cancel forthwith this Contract for default in the event of the occurrence of any of the following:
  - a. Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, and whether insolvent within the meaning of the Federal Bankruptcy Law or not.
  - b. The filing of a voluntary petition to have the Contractor declared bankrupt.
  - c. The appointment of a Receiver or Trustee for the Contractor.
  - d. The execution by the Contractor of an assignment for the benefits of creditors.

2. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.

N. Default

1. The County may, subject to the provisions of Paragraph 3 below, by written notice of default to the Contractor, terminate the whole or any part of this Contract in any one of the following circumstances:
  - a. If the Contractor fails to perform the services within the time specified herein or any extension thereof; or
  - b. If the Contractor fails to perform any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of 10 calendar days (or such longer period as the County may authorize in writing) after receipt of notice from the County specifying such failure.
2. In the event the County terminates this Contract in whole or in part as provided in Paragraph "a" above, the County may procure, upon such terms and in such manner as the County may deem appropriate, services similar to those so terminated, and the Contractor shall be liable to the County for any excess costs for such similar services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this clause.
3. Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor.

Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of the Federal or State government in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the negligence of either

of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.

4. If, after Notice of Termination of this Contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued pursuant to the Termination for Convenience of the County clause above (see Part II, Section 5).
5. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
6. As used herein, the terms "subcontractor" and "subcontractors" mean persons, companies, corporations, or other organizations furnishing supplies, services of any nature, equipment, or materials to Contractor, at any tier, under oral or written agreement.

O. Disclosure of Information

The Contractor shall not disclose any details in connection with this Contract to any party, except as may be otherwise provided herein or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publicizing its role under this Contract within the following conditions:

1. The Contractor shall develop all publicity material in a professional manner.
2. During the course of performance of this Contract, the Contractor, its employees, agents, and subcontractors shall not publish or disseminate commercial advertisements, press releases, opinions or feature articles using the name of the County without the prior written consent of the Chief Administrative Officer and County Counsel. The County shall not unreasonably withhold written consent and approval by the County may be assured in the event no adverse comments are received in writing within two weeks after submittal.

3. The Contractor may, without prior written permission of the County, indicate in its proposals and sales materials that it has been awarded a Contract to provide these services, provided that the requirements of this Article shall apply.

P. Notification

1. Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid in the United States Post Office or any substation thereof, or any public box, and any such notice and the envelope containing the same shall be addressed to the Contractor at its place of business, or such other place as may be hereinafter designated in writing by the Contractor. The notices and envelopes containing the same to the County shall be addressed to:

Chief Deputy Director  
County of Los Angeles Department of Public Works  
P.O. Box 1460  
Alhambra, CA 91802-1460

2. In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to the Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a copartner, if the Contractor is a partnership; or by the president, vice president, secretary or general manager, if the Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

Q. Notice to Employees Regarding the Safely Surrendered Baby Law

The Contractor shall notify and provide to its employees, and shall require each subcontractor to notify and provide to its employees, a fact sheet regarding the Safely Surrendered Baby Law, its implementation in Los Angeles County, and where and how to safely surrender a baby.
