Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

65 September 6, 2016

LORI GLASGOW
EXECUTIVE OFFICER

**AWARD CONSTRUCTION CONTRACT
MAJOR DAMS SECURITY IMPROVEMENT PROJECT
IN THE CITIES OF ARCADIA, GLENDORA, AND
SAN DIMAS AND IN THE UNINCORPORATED AREA OF
ANGELES NATIONAL FOREST
(SUPERVISORIAL DISTRICT 5)
(3 VOTES)**

SUBJECT

This action is to award a construction contract to Two Brothers Construction Corp., for Major Dams Security Improvement Project, and authorize the Chief Engineer of the Los Angeles County Flood Control District or her designee to execute a construction contract for work in the Cities of Arcadia, Glendora, and San Dimas and in the unincorporated area of Angeles National Forest.

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:

1. Award and authorize the Chief Engineer of the Los Angeles County Flood Control District or her designee to execute a construction contract and establish the effective date following receipt of approved Faithful Performance and Labor and Material Bonds and insurance certificate filed by the contractor for Project ID No. WRDD000032 – Major Dams Security Improvement Project, for installation of steel fences and gates, security cameras, and motion-activated lighting at various dam facilities, in the Cities of Arcadia, Glendora, and San Dimas and in the unincorporated area of Angeles National Forest, to Two Brothers Construction Corp., in the amount of \$1,423,695.70.
2. Delegate to the Chief Engineer of the Los Angeles County Flood Control District or her designee the following authority in connection with the contract: (1) approve and execute change orders within

the same monetary limits delegated to the Director of Public Works under Section 2.18.050 of the Los Angeles County Code relative to the construction of County buildings, (2) accept the project upon its final completion, and (3) release retention money withheld consistent with the requirements of State Public Contract Code Sections 7107 and 9203.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval of the project from the Board, acting as the governing body of the Los Angeles County Flood Control District, to award this construction contract, authorize the Chief Engineer of the District or her designee to execute the construction contract, and establish the effective contract date following receipt of approved Faithful Performance and Labor and Material Bonds and insurance certificate filed by the contractor for this project.

On May 31, 2016, Agenda Item 47, the Board approved the project; adopted the plans and specifications; called for bids to be received on July 7, 2016; and instructed the Executive Officer of the Board of Supervisors to advertise the project. The Board also delegated authority to the Chief Engineer to award a construction contract within the estimated cost range of \$650,000 to \$950,000. However, the lowest bid exceeds the authorized range. This bid is significantly higher than the estimate, there were two bidders for this project and the second bidder was within 7 percent of the lowest bidder. However, the second bidder was found to be nonresponsive. The major reason for the high bids could be contributed to the project site locations specifically Cogswell, Big Dalton, and Pacoima dams, which are located at remote locations and will require more travel time for delivery of materials, equipment, and workers to reach the sites. We do not believe re-advertising the project will result in lower bids. We recommend award of the project to Two Brothers Construction Corp., in the amount of \$1,423,695.70.

The enclosure includes the project description, the call for bids and a bid opening date, a tabulation of bids, and financial information. The certified record of receipt of bids and the original bid proposal are also enclosed for this project.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness/ Fiscal Sustainability (Goal 1) and Integrated Services Delivery (Goal 3). Awarding this construction contract will provide improved infrastructure to better serve the public and enhance the quality of life in the affected cities and area.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The construction contract cost of \$1,423,695.70 is included in the Flood Control District Fund Fiscal Year 2016-17 Budget.

The enclosure includes the amount of the recommended contract as compared with the engineer's estimate, the other bids received, and more detailed fiscal and financial information.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The contract agreement will be in the form previously reviewed and approved as to form by County

Counsel. The recommended contract was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements. The contractor is in compliance with the Chief Executive Officer's and the Board's requirements.

The contract specifications require the work to be completed in 80 working days. It is anticipated the work will start in September 2016 and be completed in January 2017.

The award of this contract will be in full compliance with Federal, State, and County regulations. This contract contains terms and conditions supporting the Board's ordinances, policies, and programs including, but not limited to: the County of Los Angeles' Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the County's Child Support Compliance Program, Los Angeles County Code, Chapter 2.200; the County's Defaulted Property Tax Reduction Program, Los Angeles County Code, Chapter 2.206; Local Business Enterprise Preference Program, Los Angeles County Code, Chapter 2.204; and the standard Board directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the District to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the District to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the District to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by each respective contractor was considered before making this recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with the Department of Public Works.

ENVIRONMENTAL DOCUMENTATION

On May 31, 2016, Agenda Item 47, the Board found this project to be categorically exempt from the provisions of the California Environmental Quality Act.

CONTRACTING PROCESS

The contract was solicited on an open-competitive basis in accordance with the provisions of the State Public Contract Code.

The State Labor Code requires contractors to pay prevailing wage rates to all persons employed on construction contracts. These rates are determined by the Department of Industrial Relations and include contributions for fringe benefits such as vacations, pension funds, training, and health plans for each employee.

To further increase contractor awareness of contracting opportunities with Public Works, this project was listed on both the County's "Doing Business with Us" and Public Works' "Contract Opportunities" websites for upcoming bids. Public Works also coordinated with the Office of Small Business to maximize outreach.

Public Works will review and approve the Faithful Performance and payment bonds filed by the contractor.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

This construction contract will result in improved infrastructure in the cities and area where the work is scheduled.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Construction Division.

Respectfully submitted,

GAIL FARBER

Director

BID SUMMARY:

Low	Two Brothers Construction Corp. 7299 Orangethrope Avenue Buena Park, California 90621 (714) 521-7006	\$1,423,695.70
2	Broughton Construction, Inc.	\$1,520,115.94

FINANCIAL INFORMATION:

Amount of estimate	\$ 817,750.00
Amount of recommended contract	\$1,423,695.70
Amount of recommended contract above estimate	\$ 605,945.70

The amount of recommended contract is 74 percent above the estimate.

On May 31, 2016, the Board delegated authority to the Director of Public Works to award a construction contract within the estimated cost range of \$650,000 to \$950,000. However, the lowest bid exceeds the authorized range. This bid is significantly higher than the estimate.
