MOTION BY CHAIR HILDA L. SOLIS

October 18, 2016

On Saturday, October 22, 2016, El Sereno Community Arts will be hosting their Dia De Los Muertos Festival in El Sereno. There will be an underground pedestrian tunnel for art, poetry, and music. Centered on the Festival grounds you will see beautiful altars by community groups.

In keeping with the Dia de los Muertos tradition, El Sereno Community Arts offers many ways to celebrate loved ones who have passed. Individuals can commemorate them on their community altar, participate in the opening blessing, and take part in the annual balloon release in the evening.

I, THEREFORE, MOVE, that the Board of Supervisors waive fees in the amount of \$1,250.00 dollars for the use of a County Bandwagon, excluding the cost of liability insurance, on October 22, 2016
