On Saturday, March 27th, a screening of the film, "Scooby-Doo 2: Monsters Unleashed" will be held at the Magic Johnson Theater (4020 Marlton Ave., Baldwin Hills, CA 90008) for 300 children from selected Second District schools and the Martin Luther King/Drew Medical Center's High Risk Infant Program.

This screening of *Scooby-Doo 2: Monsters Unleashed* is a public-private partnership with Los Angeles County Second District to educate and empower youths through positive film imagery that promotes learning and problem-solving techniques.

In *Scooby-Doo 2: Monsters Unleashed*, Scooby and the gang lose their cool – and their stellar reputation – when an anonymous masked villain wreaks mayhem on the city of Coolsville with a monster machine that re-creates classic Mystery Inc. foes like The Pterodactyl Ghost, The Black Knight Ghost, Captain Cutler's Ghost and The 10,000 Volt Ghost. Directed by Raja Gosnell from a screenplay by James Gunn, based on characters created by Hanna Barbera Productions, the film is produced by Charles Roven and Richard Suckle.

Scooby-Doo 2: Monsters Unleashed will be released in North America on March 26, 2004 and distributed worldwide by Warner Bros. Pictures, a Warner Bros. Entertainment Company.
