Los Angeles, CA 90012

Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

27 December 20, 2016

LORI GLASGOW
EXECUTIVE OFFICER

JOB ORDER CONTRACTS FOR MAINTENANCE, REPAIR, AND REFURBISHMENT OF COUNTY INFRASTRUCTURE AND FACILITIES ADOPT AND ADVERTISE VARIOUS SPECIFICATIONS, AWARD CONTRACTS (ALL DISTRICTS - 3 VOTES)

SUBJECT

This action is to adopt the Job Order Contract (JOC) Construction Task Catalog and Specifications; approve for advertisement bids to be received; award agreements to the Lowest Responsive and Responsible Bidders for 12 separate JOC agreements.

IT IS RECOMMENDED THAT YOUR BOARD:

1. Find that the adoption of the JOC Construction Task Catalog and Specifications, advertisement for bids and award of JOCs are exempt from the California Environmental Quality Act (CEQA), for the reasons stated in this letter and in the record of the action.
2. Adopt the December 2016 JOC Construction Task Catalog and Specifications.
3. Instruct the Executive Officer of the Board to advertise for bids to be received for twelve separate JOCs in accordance with the Instruction Sheet for Publishing Legal Advertisements (Attachment I).
4. Authorize the Director of Internal Services Department (ISD) or his designee to award and execute five general and seven specialty (two HVAC, one electrical, one low voltage, one plumbing, one roof and one paint) JOC agreements in the form previously approved by County Counsel, and to establish the effective date following receipt of approved

BIDS: January 17, 2017 at 09:00 a.m.

Faithful Performance and Payment for Labor and Materials Bonds, and insurance certificate filed by the contractors, and contract execution. JOC135, JOC136, JOC137, JOC138, JOC139, HVAC JOC1, HVAC JOC2 (each for a maximum amount of \$4.6 million), EJOC41 (for a maximum of \$4 million), Low Voltage JOC1, Plumbing JOC1, Roof JOC1 (each for a maximum of \$3 million), and Paint JOC9 (for a maximum amount of \$500,000). The aggregate maximum amount for the twelve agreements is \$45.7 million.

5. Authorize the Director of ISD or his designee, to reject all nonresponsive bids and determine, in accordance with the applicable contract and bid documents, the lowest responsive and responsible bidders.
6. Authorize the Director of ISD or his designee, to issue work orders for maintenance of County facilities subject to the maximum amount of each JOC; and for repair, remodeling and refurbishment of County facilities in an amount not to exceed \$75,000 pursuant to authority granted under Public Contract Code Section 20145.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

Approval of the recommended actions will find that adoption of the JOC Construction Task Catalog and Specifications, advertisement for bids and award of JOCs are exempt from CEQA and augment ISD's ability to effectively and efficiently maintain and repair (including emergency repairs) County infrastructure and facilities.

JOCs are a flexible, cost-effective unit price contracting method to accomplish maintenance, repair, and refurbishment of County infrastructure and facilities without extensive plans and specifications. JOCs are annual contracts that may be awarded for repair, remodeling, refurbishment, or other repetitive work, but not for new construction. This process reduces administrative requirements and lowers direct construction costs while meeting all federal, State, and County procurement requirements.

Implementation of Strategic Plan Goals

This action meets the County's Strategic Plan Goal No. 1 for Operational Effectiveness by providing timely facilities services, effectively managing County resources and investing in public infrastructure.

FISCAL IMPACT/FINANCING

Maintenance, repair, and refurbishment work will be funded through the appropriate maintenance, capital, refurbishment, or infrastructure project budgets. ISD's Fiscal Year (FY) 2016-17 Adopted Budget includes \$45 million for these JOC agreement expenditures, ISD will request adequate appropriation in the FY 2017-18 budget submission. ISD will only incur JOC expenditures to the extent that they are offset through County department and Contract Cities billings and within available appropriation. Because the agreements cross fiscal years, funding for these costs will be requested in future fiscal year budget requests. For capital

projects, no work will be assigned to these JOCs without authorization from the Chief Executive Office. There are no minimum obligations on these contracts.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Board approval of the recommended actions is required by Public Contract Code Sections 20124 and 20125.

Public Contract Code Section 20128.5 allows individual JOC to have a one-year term and a maximum value of \$4.6 million per JOC. A 1997 amendment to the Public Contract Code allows annualized increases in the maximum contract value, based on the California Consumer Price Index.

The terms and conditions of the recommended contracts will be approved as to form by County Counsel prior to execution and will contain the Board's required contract provisions including those pertaining to consideration of qualified County employees targeted for layoffs as well as qualified GAIN/GROW participants for employment openings, compliance with the Jury Service Ordinance, Safely Surrendered Baby Law, the Child Support program, Defaulted Tax Program Ordinance, Local and Targeted Worker Hiring Program, and Disabled Veteran Business Enterprise Preference Program. The JOC Agreements are not Proposition "A" contracts and therefore are not subject to the County's Living Wage Program.

Data regarding the proposers' minority participation will be on file with ISD. The contractors will be selected upon final analysis and consideration without regard to race, creed, gender, or color.

The General Conditions and December 2016 Construction Task Catalog and Specifications include the contractual provisions, methods, and material requirements necessary for this project are on file with ISD.

ENVIRONMENTAL DOCUMENTATION

The recommended actions, to adopt the JOC Construction Task Catalog and Specifications, advertise for bids and award of JOCs, are categorically exempt from CEQA. JOC projects include repair, maintenance and refurbishment of existing structures and facilities as requested by County departments, which are generally categorically exempt under Section 15301, Class 1, of the State CEQA Guidelines. The proposed work involves either negligible or no expansion of existing use, and any replacement structures will have substantially the same purpose and capacity as structures replaced. ISD will file all required Notices of Exemption for each categorically exempt project as required by CEQA. For any work that is not determined to be exempt from CEQA following further assessment, ISD will return to the Board to recommend approval of the appropriate environmental documentation pursuant to CEQA prior to implementation of applicable work orders under the JOCs.

CONTRACTING PROCESS

The Executive Officer of the Board will advertise the JOC invitation for bids in various publications throughout the County of Los Angeles. Additionally, ISD will advertise the invitation for bids on the Green Sheet publication and post the bids on the County's "Doing Business with Us" web site.

The recommended JOCs will be solicited on an open-competitive basis and in accordance with applicable federal, State, and County requirements. The County will award contracts to the lowest responsive and responsible bidder pursuant to the State Public Contract Code.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The use of these contracts will expedite the completion of maintenance, repair, and refurbishment of County infrastructure and facilities work managed by ISD. Minor impacts to tenant departments may occur while maintenance, repair, and refurbishment of County infrastructure and facilities work is underway.

There is no employee impact. JOCs are intended to augment, but not replace the County workforce, and to ensure our ability to respond to emergent requirements.

CONCLUSION

Please return one adopted copy of this Board letter to the ISD Facilities Operations Service.

Respectfully submitted,

SCOTT MINNIX
Director

Bidders must comply with the provisions of the Bidding Requirements and General Conditions concerning bid guarantee, contract bonds, and insurance requirements. These projects require the prime contractor to possess a "B" license at time of bid for General Contract JOCs (JOC135, JOC136, JOC137, JOC138, JOC139). Contractors bidding the HVAC JOCs (HVAC JOC1, HVAC JOC2) are required to possess a "C-20" license at time of bid. Contractors bidding the Electrical JOC (EJOC41) are required to possess a "C-10" license at time of bid. Contractors bidding the Low Voltage JOC (Low Voltage JOC1) are required to possess a "C-7" license at time of bid. Contractors bidding the Plumbing JOC (Plumbing JOC1) are required to possess a "C-36" license at time of bid. Contractors bidding the Roof JOC (Roof JOC1) are required to possess a "C-39" license at time of bid. Contractors bidding the Paint JOC (Paint JOC9) are required to possess a "C-33" license at time of bid. Contractor should verify to his/her satisfaction that he/she holds the correct license for this type of project.

PREBID CONFERENCE

ISD will hold a single **mandatory** pre-bid conference for all of the listed JOC contracts/projects at 9:00 a.m. on January 4, 2017, Conference Room G101 at 1100 N. Eastern Avenue, Los Angeles, CA 90063 to provide information on the JOC, bidding process, and answer any questions that potential bidders may have. It is **required** that the pre-bid conference be attended by the President or Owner of each Bidder only. The Bidder must submit to the County the Articles of Incorporation or a notarized document identifying the attendee within 24 hours after the conference. In County's sole discretion, failure to comply with the requirement of this Article may be a basis to reject the bid as nonresponsive. For further directions, please contact Ms. Sue Chang at (323) 267-3129 or Ms. Lolitta Cheung at (323) 267-2243.
