The high cost of housing has reached a crisis level in Los Angeles County. Established community-serving retail uses are also affected by rising real estate costs. Now is the time the County, cities, and other stakeholders to look at every tool available to preserve housing affordability. This Board has committed funding to new affordable housing production, services to the homeless, and the Department of Regional Planning is implementing a Work Plan aimed at promoting more Equitable Development. Nonetheless, more tools are needed to secure housing stability for the most vulnerable County residents.

Displacement pressures are stoking community concerns as capital floods into long-neglected urban areas. The maintenance of diverse, stable neighborhoods is in the interest of public health and orderly development. Tenants with secure tenure have a greater stake and incentivize to invest in their community. Long-term tenants who have contributed to neighborhood desirability have a legitimate interest in remaining

when values go up. In order to pay increased rents, tenants must expend less on other necessities of life. In addition to placing an undue hardship on low-income families, reduced consumption impedes neighborhood economic development.

There are various examples throughout the country of policies designed to address rental rates, security of tenure, building conditions, and landlord-tenant relations. Implementation of these types of tenant protection programs requires further study, coordination with cities, discussion and recommendations by experts and stakeholders, the elaboration of a County administrative framework, and potentially also changes to State law. However, there need be little or no cost to the County general fund if administrative costs are recovered through a small per unit fee paid by landlords. It is time to advance these policies on behalf of the tenants of Los Angeles County.

**WE, THEREFORE MOVE** that the Board

Direct the Chief Executive Officer, in coordination with the Director of the Department of Regional Planning, the Executive Director of the Community Development Commission, the Director of the Department of Consumer and Business Affairs, the Director of Public Health, the Director of Public Works, the Assessor, and the County Counsel, to:

1. Produce and report to the Board within 90 days with a Los Angeles County Tenant Protections Policy Development Framework that includes:
   a. A review of existing sources of information on and analysis of private rental housing stock and commercial properties for lease;
   b. An inventory of organizations, constituencies, stakeholders and advocates with expertise or involvement in the rental property market;
c. State and Federal laws and regulations that authorize or constrain local
governments’ ability to regulate the private rental market; and
d. Best practices implemented by other jurisdictions within and without the
State of California designed to protect tenants’ rental rates, security of
tenure, habitability, quiet enjoyment, freedom from discrimination, and due
process of law.

2. Upon the submission of the Framework, convene and provide technical support
for a Tenant Protections Working Group, with two members appointed by each
Supervisor, to
a. Provide recommendations to this Board within 180 days on tenant
protections that might be enacted for unincorporated areas as well as
additional actions to protect residential and commercial tenants
Countywide;
b. Propose an administrative framework for the promulgation, administration,
and enforcement of recommended ordinances, policies, and programs;
c. Advise the Chief Executive Officer regarding the production, scope,
content, maintenance, and distribution of a comprehensive Los Angeles
County Tenancy Report and Dashboard focused on the state of residential
and commercial tenancies throughout Los Angeles County;
d. Identify any legislative positons that support the County’s ability to protect
its residents and commercial establishments; and
e. Engage cities within the County that may be interested in coordinating the
development and administration of one or more tenant protection policies.
