## Status of Compliance Implementation Plan

- In 2016, the monitors inspected the facilities in the Downtown Jail Complex on twelve days over six visits, during which they conducted extensive inspections, observed training, interviewed inmates and staff, and met with senior leadership.
- The Monitors' Second Report was filed with the court on March 1, 2017
- The monitors reported
  - 101 of 105 recommendations had been implemented
  - *Rosas* related use of force policies were approved December 1, 2015
  - On November 17, 2016, the monitors adopted and issued final compliance measures
  - Extensive data collection per the compliance measures began January 1, 2017
  - No excessive force in the packages reviewed found
  - Inmates interviews reflect "that Deputy interactions with the inmates were more positive and respectful, and reflect a fundamental and positive change in the culture in the Downtown Jail Complex."
