

MOTION BY SUPERVISOR MARK RIDLEY-THOMAS**August 22, 2017****Establish the Reward Offer in the Murder of Andre McMiheik**

On Saturday, May 14, 2016, at approximately 7:30 p.m., 30-year-old Andre McMiheik was standing in the street at the 1000 block of South Nestor Avenue in the city of Compton, where he came to visit friends and extended family, when a blue sedan of unknown make and model approached, with at least three passengers inside the vehicle. A male suspect exited the rear seat of the vehicle with an assault rifle, and fired several rounds of bullets, hitting Mr. McMiheik. The suspect reentered the vehicle, which fled southbound on South Nestor Avenue. A blue MINI Cooper, which may have been a scout vehicle for the blue sedan, also fled the scene at the same time. Mr. McMiheik succumbed to his wounds at the scene.

Mr. McMiheik was the father of five children, and had no criminal record or gang affiliation. This senseless and untimely death has left his family and the community devastated. Evidence from the crime suggests that Mr. McMiheik may have been specifically targeted by the suspects for reasons unknown.

MOTION BY SUPERVISOR MARK RIDLEY-THOMAS
August 22, 2017
PAGE 2

To this date, no witnesses have come forward with information related to this murder. The Los Angeles County Sheriff's Department (LASD) detectives believe that there are witnesses in the neighborhood that may have seen the suspects leave the area or know of their identities, and that a reward motion would help the detectives solve the crime. Any individuals with information about this crime are urged to contact LASD's Homicide Bureau or Crime Stoppers.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Establish the offer of a reward in the amount of \$10,000 in exchange for information leading to the apprehension and/or conviction of the persons responsible for the death of 30-year-old Andre McMiheik who was shot and killed at the 1000 block of South Nestor Avenue in the city of Compton on Saturday, May 14, 2016, at approximately 7:30 p.m.
