FORESTRY AND FIRE PROTECTION AND THE COUNTY OF LOS ANGELES FOR THE  
PROVISION OF FIRE PROTECTION SERVICES BY THE CONSOLIDATED FIRE PROTECTION  
DISTRICT OF LOS ANGELES COUNTY  
(ALL DISTRICTS) (3 VOTES)**

**SUBJECT**

The Consolidated Fire Protection District of Los Angeles County (District) is requesting Board of Supervisors' (Board) approval of the attached Agreement between the State of California Department of Forestry and Fire Protection (State) and the County of Los Angeles (County) in which the District will continue to provide fire protection services to the State Responsibility Areas (SRA) from July 1, 2017 through June 30, 2020.

COUNTY OF LOS ANGELES

29 October 3, 2017

EXECUTIVE OFFICER

4. Authorize the Fire Chief of the District to review and update the Operating Plan on an annual basis.

5. Find that this Agreement is exempt from the California Environmental Quality Act (CEQA) under Section 15061(b)(3) of the State CEQA Guidelines.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

In accordance with provisions of the Public Resources Code, Section 4125, et seq., your Board is requested to approve the attached Agreement between the State and the County. The Agreement authorizes the State to continue to compensate the District, through the County, for the prevention and suppression of fires in SRA. SRA lands include privately owned watershed lands and portions of unincorporated areas of the County that are within the District's boundaries. There is a shared wildland fire protection responsibility for this acreage pursuant to the County Charter and the Public Resources Code provisions that govern SRA. The District will be compensated \$87,413,641 over the three-year Agreement term, from July 1, 2017, through June 30, 2020.

The Agreement also authorizes the State to reimburse the District for additional costs of certain personnel and equipment such as bulldozers, hand crews, and aircraft utilized in fighting wildland fires on SRA lands that would be over and above the State's annual compensation to the District. Such reimbursement by the State would be in accordance with Exhibit A, Attachment 2, of the Agreement.

The current Agreement between the State and the County for the provision of fire protection services by the District to the SRA was for the period of July 1, 2014, through June 30, 2017. Pursuant to the Holding Over provisions included in Exhibit E of the expiring Agreement, it has been automatically extended until a new Agreement is executed. The new Agreement will extend such services for the term of July 1, 2017, through June 30, 2020.

#### **Implementation of Strategic Plan Goals**

Approval of the recommended actions is consistent with the County's Strategic Plan Goal No. I, Strategy I.2: Enhance Our Delivery of Comprehensive Interventions by delivering comprehensive and seamless services to those seeking assistance from the County.

#### **FISCAL IMPACT/FINANCING**

The State will pay the County \$24,114,108 for Fiscal Year 2017-2018, \$30,142,635 for Fiscal Year 2018-2019, and \$33,156,898 for Fiscal Year 2019-2020 totaling \$87,413,641 for fire protection and fire prevention services provided under the Agreement. These amounts will be passed through to the District as the service provider. Contractual compensation by the State is based upon what the State would spend if it were providing fire protection and prevention services directly.

Additionally, costs over and above the annual amounts incurred by the District in the actual fighting of wildland fires on SRA lands for personnel and equipment, such as bulldozers, hand crews, and aircraft, will be billed by the District and reimbursed by the State in accordance with Exhibit A, Attachment 2, of the Agreement. There is no impact on net County cost.

## **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

Pursuant to the provisions of the Public Resources Code, the State has elected to contract with the County for its legally required financial share of fire protection responsibility in the designated areas. Based on the County's fire protection capability, efficiency and qualifications, the State will execute the subject Agreement with the County, which provides for payment to the County for fire protection services rendered in SRA. This three-year Agreement provides for State reimbursement of \$87,413,641. Actual reimbursement rates will be adjusted annually through the State's Gray Book (Exhibit F of the Agreement) based upon the level of funds appropriated by the State for this purpose. Pursuant to County Code Section 2.20.080, the District will provide the fire protection services and receive compensation. The Agreement is automatically extended after the conclusion of the three-year term until the earlier of either: 1) a renewal agreement is executed, or 2) either agency provides a minimum of 12 months written notice of termination, as stated in Exhibit E of the Agreement.

The District and the State agree to an Operating Plan that contains all the guidelines and information necessary to implement the terms of the Agreement. The Operating Plan is reviewed annually.

In addition to Los Angeles County, the Counties of Kern, Marin, Orange, Santa Barbara and Ventura have entered into similar agreements and are commonly known as the "Contract Counties." These counties provide direct protection to approximately 3.4 million acres of SRA.

## **ENVIRONMENTAL DOCUMENTATION**

This Agreement is exempt from the CEQA pursuant to Section 15061 (b) of the CEQA Guidelines, because it can be seen with certainty that this activity will not have a significant effect on the environment. A Notice of Exemption is attached.

## **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Acceptance of this Agreement will have no impact on current services.

**4. Potential Subcontractors**

Nothing contained in this Agreement or otherwise, shall create any contractual relation between the STATE and any subcontractors, and no subcontract shall relieve the Contractor of his responsibilities and obligations hereunder. The Contractor agrees to be as fully responsible to the STATE for the acts and omissions of its subcontractors and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by the Contractor. The Contractor's obligation to pay its subcontractors is an independent obligation from the STATE'S obligation to make payments to the Contractor. As a result, the STATE shall have no obligation to pay or to enforce the payment of any moneys to any subcontractor.

**5. Evaluation of Contractor**

Performance of the Contractor under this Agreement will be evaluated. The evaluation shall be prepared on Contract/Contractor Evaluation Sheet (STD 4), and maintained in the Agreement file. For consultant agreements, a copy of the evaluation will be sent to DGS, Office of Legal Services, if it is negative and over \$5,000.

**EXHIBIT D**  
**(Special Terms and Conditions)**

**6. Agency Liability**

The Contractor warrants by execution of this Agreement, that no person or selling agency has been employed or retained to solicit or secure this Agreement upon agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business. For breach or violation of this warranty, the STATE shall, in addition to other remedies provided by law, have the right to annul this Agreement without liability, paying only for the value of the work actually performed, or otherwise recover the full amount of such commission, percentage, brokerage, or contingent fee.

**7. Force Majeure**

Neither party shall be liable to the other for any delay in or failure of performance, nor shall any such delay in or failures of performance constitute default, if such delay or failure is caused by "Force Majeure." As used in this section, "Force Majeure" is defined as follows: Acts of war and acts of God such as earthquakes, floods, and other natural disasters such that performance is impossible.

**8. Contractor Name Change**

Contractor shall provide a written notice to the STATE at least thirty (30) days prior to any changes to the Contractor's current legal name.

**EXHIBIT E  
(Additional Provisions)**

**1. Holding Over**

- A. In the event STATE or COUNTY decides not to renew this Agreement, STATE or COUNTY shall provide the other a minimum of 12 months written notice of such intention. If no such notice is received, and a new Agreement has not been executed, this Agreement shall be automatically extended on the same terms and conditions as contained herein, together with amendments if any, until the earlier of:
1. The date on which a new renewal Agreement is fully executed, or
  2. Termination of this holdover Agreement by the mailing by either COUNTY or STATE of 12 months written notice to the other party.
- B. Renewal Agreements shall be retroactive to the end of the term of the present Agreement. Any payments made during a holdover period shall, if necessary, be promptly adjusted to comply with payments called for in the new Agreement. Such adjustments shall occur within 60 days after approval of the new Agreement by DGS. COUNTY shall invoice STATE for any billing correction made necessary because of changes in the contract rates.
- C. The effectiveness of this Exhibit E, Paragraph 4, is conditional upon the lawful appropriation and availability of STATE funding for COUNTY'S services during the term of this Agreement.

**2. Indemnification**

Paragraph 5 of Exhibit C, General Terms and Conditions, does not apply because it is superseded by this Paragraph.

COUNTY agrees to indemnify, defend and hold harmless the State, its officers, agents and employees from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by COUNTY in the performance of this Agreement.

Pursuant to Government Code Section 925 et seq., STATE agrees to indemnify, defend and hold harmless the COUNTY, its officers, agents and employees from any and all claims and losses accruing or resulting to any person, firm or corporation who may be injured or damaged by STATE in the performance of this Agreement.

**1. Indemnification for Vegetation Management Projects**

The STATE agrees to indemnify, defend, and hold harmless the COUNTY, its agents, officers and employees, from and against any and all liability expense, including defense costs and legal fees, and claims for damages of any nature whatsoever, arising solely out of performance by the COUNTY of approved vegetation management projects undertaken as part of fire prevention activities under this Agreement.

4. Notwithstanding the terminology of Public Resources Code Sections 4119, 4153, 4423, and 4436, the COUNTY shall not act as an agent of the STATE but shall exercise the powers granted in those sections independently as authorized by Public Resources Code Section 4129.
5. Paragraph 15 of Exhibit C, does not apply to this Agreement because the services provided in this Agreement were not obtained by means of a competitive bid.
