The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Supervisors:

**ADOPTED**

BOARD OF SUPERVISORS  
COUNTY OF LOS ANGELES

32 January 30, 2018

LORI GLASGOW  
EXECUTIVE OFFICER

**TRANSPORTATION CORE SERVICE AREA  
TOW AWAY ZONE REGULATIONS  
IN THE UNINCORPORATED COMMUNITIES OF  
ROSEWOOD/WEST RANCHO DOMINGUEZ AND WILLOWBROOK  
(SUPERVISORIAL DISTRICT 2)  
(3 VOTES)**

**SUBJECT**

These actions are to implement traffic regulations to support traffic safety, enhance traffic flow, and facilitate street sweeping in the unincorporated communities of Rosewood/West Rancho Dominguez and Willowbrook.

**IT IS RECOMMENDED THAT THE BOARD:**

1. Find that adopting the traffic regulation orders and posting the corresponding regulatory and advisory signage are categorically exempt from the provisions of the California Environmental Quality Act.
2. Adopt traffic regulation orders establishing Tow Away Zones during street sweeping at specified times and locations in the unincorporated communities of Rosewood/West Rancho Dominguez and Willowbrook in accordance with Section 15.64.510 of the Los Angeles County Code.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

The purpose of the recommended actions is to support traffic safety, enhance traffic flow, and facilitate street sweeping. The traffic regulations for street sweeping parking restrictions were adopted by the Board on August 8, 2017, to address the concentrations of recreational vehicles parking along the streets specified in the enclosed Exhibits A and B. The facilities along the affected roadways in this community consist entirely of commercial and industrial buildings. Tow Away Zones are recommended to assist the Sheriff's Department with enforcement of the street sweeping parking restrictions.

**Implementation of Strategic Plan Goals**

The County Strategic Plan directs the provision of Strategy II.3, Make Environmental Sustainability Our Daily Reality. The recommended actions support a clean, flexible, and integrated Multi-Modal Transportation System that improves mobility and traffic safety.

**FISCAL IMPACT/FINANCING**

There will be no impact to the County General Fund. Sufficient funds are included in the Road Fund Fiscal Year 2017-18 Budget to cover the minor costs of installing the necessary signs and markings.

**FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The California Vehicle Code authorizes the Board to implement these traffic regulations that are required prior to enforcement by the Sheriff's Department.

**ENVIRONMENTAL DOCUMENTATION**

The establishment of these regulations, including the installation of related traffic control devices required to notify the motoring public, is categorically exempt from the provisions of the California Environmental Quality Act pursuant to Section 15301(c) of the California Environmental Quality Act Guidelines and Class I(x) 7 of the Environmental Reporting Procedures and Guidelines approved by the Board on November 17, 1987.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

Implementation of these traffic controls will have a positive impact by enhancing traffic flow and safety.

**CONCLUSION**

Please return one adopted copy of this letter to the Department of Public Works, Traffic and Lighting Division. Also, please forward adopted copies of this letter to the Sheriff's Department, Contract Law Enforcement Bureau (Attention Lieutenant John McBride), Field Operations Support Services (Attention Sergeant Alise Norman), and Parking Enforcement Detail (Attention Cynthia Kamikura).

The Honorable Board of Supervisors

1/30/2018
