

MOTION BY SUPERVISOR HILDA L. SOLIS

February 20, 2018

Cal State LA IT Pilot Partnership

In October of 2017 a motion was passed to formulate a pilot partnership with the California State University Los Angeles (Cal State LA). This pilot partnership was intended to identify key technology projects that would augment departmental services and simultaneously provide Cal State LA students with valuable hands on exposure and experience. The October motion directed the participating departments to provide a report in 120 days. That report should be presented at a Board meeting.

I, THEREFORE, MOVE that the Board of Supervisors direct the Department of Human Resources, in conjunction with the Executive Office of the Board and the Department of Parks and Recreation to report back to the Board of Supervisors at the March 6, 2018 meeting with a status of the program so far, and a set of comprehensive recommendations that would allow the County to extend this pilot program to other academic institutions beginning with local Universities, Technical Colleges, and Trade Schools.
