

MOTION BY SUPERVISOR SHEILA KUEHL

March 27, 2018

**National Social Work Month**

The National Association of Social Workers has designated March as “National Social Work Month” in recognition of the positive and significant impact social workers make in the lives of children, adults, and families countywide. The theme for this year is: “Social Workers: Leaders. Advocates. Champions.”

Today we recognize social workers throughout Los Angeles County for their outstanding work. Social workers perform a critical role in our County Departments of: Children and Family Services, Public Social Services, Public Health, Mental Health, Health Services, Workforce Development, Aging and Community Services, Office of the Public Defender, and the Office of the Alternate Public Defender.

**I, THEREFORE, MOVE** that the Board of Supervisors:

1. Declare the month of March, 2018, as “National Social Work Month;” and
2. Recognize social workers and their Departments throughout the County for helping to create a support system for our children, adults, and families.
