At the time and place regularly set, notice having been duly given, the following item was called up:

Hearing on proposed amendments to Title 22 - Planning and Zoning, relating to the Rowland Heights Community Standards District to establish specific development standards, which include increased setbacks and landscaping, maximum lot coverage and floor-area ratio, a dedicated acceleration/deceleration lane to mitigate traffic for certain commercial development, and architectural features; and project review procedures establishing a discretionary director's review or conditional use permit requirement applicable to development projects in commercial and industrial zones (1 and 4); also find that the proposed amendment is de minimus in its effect on the environment.

By common consent, and there being no objection (Supervisor Yaroslavsky being absent), the Board continued the hearing, without discussion, to June 22, 2004.
