The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration

Los Angeles, California 90012

Dear Supervisors:

**APPROVAL OF MASTER AGREEMENTS FOR AS-NEEDED MEDIA SERVICES EFFECTIVE
UPON DATE OF EXECUTION THROUGH JUNE 30, 2028
(ALL SUPERVISORIAL DISTRICTS) (3 VOTES)**

SUBJECT

Request approval to execute Master Agreements with multiple vendors and delegated authority to execute Master Agreement Work Orders and/or amendments to provide as-needed media services for the County Departments.

IT IS RECOMMENDED THAT THE BOARD:

1. Approve and instruct the Director of the Department of Public Health (DPH), or her designee, to execute Master Agreements, substantially similar to Exhibit I, for the provision of media services with each of the twenty-one (21) qualified providers listed in Attachment A, effective upon date of execution through June 30, 2026, with an option to extend thereafter for two (2) additional one-year terms through June 30, 2028, exercised through written notification from the Director of DPH, or her designee, to the Contractor prior to the end of the Master Agreement term.
2. Delegate authority to the Director of DPH, or her designee, to execute additional Master Agreements during the ensuing ten-year period with additional qualified providers that submit a Statement of Qualifications (SOQ), which meets all the requirements as outlined in the initial Request for Statement of Qualifications (RFSQ) released on November 27, 2017, subject to review and approval by County Counsel, and notification to your Board and the Chief Executive Office (CEO).

3. Delegate authority to the Director of DPH, or her designee, to execute amendments to the Master Agreements to add additional media service categories as a result of submitting an additional SOQ that meets the requirements as outlined in the initial RFSQ, effective upon date of execution, subject to review and approval by County Counsel.
4. Delegate authority to the Director of DPH, or her designee, to execute amendments to the Master Agreements that extend the term, if a Master Agreement Work Order (MAWO) executed prior to the expiration of the Master Agreement has an expiration date later than the Master Agreement expiration date, subject to review and approval by County Counsel.
5. Delegate authority to the Directors of DPH, the Department of Health Services (DHS), the Department of Mental Health (DMH), as well as the Directors of other County departments, as necessary, or their designees, to execute competitively solicited MAWOs for services performed under the Master Agreements subject to the following criteria: a) if a Work Order Solicitation (WOS) results in MAWOs that are \$ 2,000,000 or less annually, the respective Department will notify your Board of the MAWO once approved by County Counsel; b) if a WOS results in any MAWOs that are more than \$ 2,000,000 annually, upon approval from County Counsel, the respective Department will provide two week advance written notice to your Board and, unless otherwise instructed will execute the MAWO; and c) annually the Departments will provide your Board, the CEO, and County Counsel a listing of all approved vendors and the total amount awarded to each vendor, as well as the total cumulative amount awarded to each vendor.
6. Delegate authority to the Directors of the Departments, or their designees, to execute amendments to MAWOs that extend the term up to two (2) additional original term lengths at similar funding amounts; allow the rollover of unspent MAWO funds; provide an internal reallocation of funds between budgets up to 10 percent of each term's annual base maximum obligation; and/or provide an increase or decrease in funding up to (10) percent above or below each term's annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable MAWO term; and make corresponding service adjustments , as necessary, subject to review and approval by County Counsel, and notification to your Board and the CEO.
7. Delegate authority to the Directors of the Departments, or their designees, to execute change notices to MAWOs that authorize modifications to or within budget categories within each budget, and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or corrections of errors in the MAWO's terms and conditions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of Recommendation 1 will allow DPH to execute Master Agreements with selected qualified providers that met the minimum mandatory qualifications of the RFSQ, including three (3) years' experience within the last five (5) years providing local, statewide, or national social marketing, advertising, and/or public relations media services in one or more of the following categories: Designing and Creating, Media Planning and Buying, Social Media, Public Relations, Community Outreach, and Public Affairs.

Approval of Recommendations 2, 3, and 4 will allow DPH to execute Master Agreements with additional vendors to meet media services needs during the ensuing ten-year period and expand the pool of qualified vendors seamlessly, without interruption, to meet the needs of the Departments; to amend the Master Agreements to add additional media service categories consistent with the RFSQ,

and to exercise the option to extend the term of each Master Agreement.

Approval of Recommendation 5 and 6 will allow the Departments to execute MAWOs for services under the Master Agreements and execute amendments to the MAWOs to extend the term up to two (2) additional original term lengths given that MAWO terms may vary in length; rollover unspent funds; internally reallocate funds between budgets up to ten (10) percent of the annual base maximum obligation; and/or increase or decrease funding up to ten (10) percent above or below the annual base maximum obligation, effective upon amendment execution or at the beginning of the applicable MAWO term, and make corresponding service adjustments, as necessary.

Recommendation 6 will also enable the Departments to amend MAWOs to allow for the provision of additional units of funded services that are above the service level identified in the current MAWO and/or the inclusion of unreimbursed eligible cost, based on the availability of grant funds and grant funder approval. While the County is under no obligation to pay a contractor beyond what is identified in the original executed MAWO, the County may determine that the Contractor has provided evidence of eligible costs for qualifying contracted services and that it is in the County's best interest to increase the maximum obligation as a result of receipt of additional grant funds or a determination that funds should be reallocated. This recommendation has no impact on net County cost.

Approval of Recommendation 7 will allow the Departments to execute change notices to MAWOs that authorize modifications to or within budget categories within each budget, and corresponding service adjustments, as necessary; changes to hours of operation and/or service locations; and/or corrections of errors in the MAWO's terms and conditions.

Implementation of Strategic Plan Goals

The recommended actions support Strategy III.4, Engage and Share Information with our Customers, Communities and Partners, of the County's Strategic Plan.

FISCAL IMPACT/FINANCING

Utilizing the Master Agreements, DPH, DHS, DMH, and the Directors of other County departments, as necessary, will be able to conduct WOS' to select vendor(s) to provide media services on an as-needed basis. Funding, as well as the funding source, for each MAWO will vary, depending upon the services to be provided, the term of the MAWO, and the availability of funding.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

On April 9, 2013, your Board approved the execution of 17 Master Agreements, for the provision of media services, as a result of a RFSQ. On April 14, 2014, your Board was notified that DPH was executing an additional eight (8) Master Agreements for media services. All 25 Master Agreements for media services are slated to expire on March 31, 2019.

DPH will be responsible for the administration of the Master Agreements, which will provide a pool of pre-qualified vendors that have demonstrated relevant experience and capacity to provide one or more media services. The recommended Master Agreements include all of the current Board-

mandated provisions and each of the vendors has agreed to all of the terms therein. Approval of the Master Agreement does not guarantee a contractor any minimum amount of business. The County only incurs an obligation as individual MAWOs are issued.

As needed, each Department will issue its own WOS to all qualified vendors with a Master Agreement for the required media services. Each WOS shall include a Statement of Work and/or Scope of Work describing in detail the particular project and work required for the performance thereof, guidance on WOS responsive pricing, submission requirements, and selection criteria. Each Department will administer and monitor the MAWOs resulting from its solicitations.

Exhibit I is the Master Agreement reviewed and approved by County Counsel. Attachment A is the list of recommended contractors. Attachment B is the contracting opportunity announcement posted on the County website. Attachment C is the Community Business Enterprise Information Summary for the recommended vendors.

CONTRACTING PROCESS

On November 27, 2017, DPH released a RFSQ for as-needed media services for the following categories: Designing and Creating, Media Planning and Buying, Social Media, Public Relations, Community Outreach, and Public Affairs.

The contracting opportunity announcement was posted on the County of Los Angeles Online website and DPH's Contracts and Grants website (Attachment B), and a Notice of Intent to release the RFSQ was also sent by electronic mail to DPH vendors currently providing media services.

By January 12, 2018, the initial SOQ submission deadline, 25 vendors submitted SOQs in response to the RFSQ. Four (4) SOQs were deemed non-responsive to the RFSQ and disqualified upon determination that they did not meet the minimum mandatory qualifications for all categories applied. Two (2) SOQs were deemed partially non-responsive and disqualified in-part upon determination that they did not meet the minimum mandatory qualifications for some categories applied. The latter two (2) vendors subsequently requested a Disqualification Review. Upon review, the disqualifications of the SOQs for some categories were found to be appropriate. A disqualification review response was sent to the vendor on April 20, 2018. Twenty-one (21) vendors were determined to be qualified in one or more categories. Five (5) of these vendors will be required to provide a performance security prior to the award of a work order, pursuant to RFSQ section 3.1.2, Vendor's Qualification. DPH is recommending that your Board approve execution of the recommended twenty-one (21) Master Agreements.

In accordance with the solicitation process, the RFSQ will remain open throughout the duration of the Master Agreement term, allowing new SOQs to be submitted beyond the initial submission deadline. Additional qualified vendors will be offered a Master Agreement if it serves the best interest of the County.

Community Business Enterprise Program information as reported by the recommended vendors is identified in Attachment C. The vendors were selected without regard to gender, race, creed, color, or national origin for award of a Master Agreement.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Establishment of Master Agreements with pre-qualified vendors to provide as-needed media services will simplify the solicitation and contracting process for the Departments that require these services. Approval of the recommendations will enable the Departments to perform at a more efficient and effective level, and provide timely services.

- 8.35.1 Any documents submitted by Contractor; all information obtained in connection with the County's right to audit and inspect Contractor's documents, books, and accounting records pursuant to sub-paragraph 8.37 - Record Retention and Inspection/Audit Settlement of this Master Agreement; as well as those documents which were required to be submitted in response to the Request for Statement of Qualifications (RFSQ) used in the solicitation process for this Master Agreement, become the exclusive property of the County. All such documents become a matter of public record and shall be regarded as public records. Exceptions will be those elements in the California Government Code Section 6250 et seq. (Public Records Act) and which are marked "trade secret", "confidential", or "proprietary". The County shall not in any way be liable or responsible for the disclosure of any such records including, without limitation, those so marked, if disclosure is required by law, or by an order issued by a court of competent jurisdiction.
- 8.35.2 In the event the County is required to defend an action on a Public Records Act request for any of the aforementioned documents, information, books, records, and/or contents of an SOQ marked "trade secret", "confidential", or "proprietary", the Contractor agrees to defend and indemnify the County from all costs and expenses, including reasonable attorney's fees, in action or liability arising under the Public Records Act.

8.36 Publicity

- 8.36.1 The Contractor shall not disclose any details in connection with this Master Agreement to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publishing its role under this Master Agreement within the following conditions:
- The Contractor shall develop all publicity material in a professional manner; and
 - During the term of this Master Agreement, the Contractor shall not, and shall not authorize another to, publish or disseminate any commercial advertisements, press releases, feature articles, or other materials using the

name of the County without the prior written consent of the County's Project Manager. The County shall not unreasonably withhold written consent.

- 8.36.2 The Contractor may, without the prior written consent of County, indicate in its proposals and sales materials that it has been awarded this Master Agreement with the County of Los Angeles, provided that the requirements of this sub-paragraph 8.36 shall apply.

8.37 Record Retention and Inspection-Audit Settlement

The Contractor shall maintain accurate and complete financial records of its activities and operations relating to this Master Agreement in accordance with generally accepted accounting principles. The Contractor shall also maintain accurate and complete employment and other records relating to its performance of this Master Agreement. The Contractor agrees that the County, or its authorized representatives, shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, or record relating to this Master Agreement. All such material, including, but not limited to, all financial records, bank statements, cancelled checks or other proof of payment, timecards, sign-in/sign-out sheets and other time and employment records, and proprietary data and information, shall be kept and maintained by the Contractor and shall be made available to the County during the term of this Master Agreement and for a period of seven (7) years thereafter unless the County's written permission is given to dispose of any such material prior to such time. All such material shall be maintained by the Contractor at a location in Los Angeles County, provided that if any such material is located outside Los Angeles County, then, at the County's option, the Contractor shall pay the County for travel, per diem, and other costs incurred by the County to examine, audit, excerpt, copy, or transcribe such material at such other location.

- 8.37.1 In the event that an audit of the Contractor is conducted specifically regarding this Master Agreement by any Federal or State auditor, or by any auditor or accountant employed by the Contractor or otherwise, then the Contractor shall file a copy of such audit report with the County's Auditor-Controller within thirty (30) days of the Contractor's receipt thereof, unless otherwise provided by applicable Federal or State law or under this Master Agreement. The County shall make a reasonable effort to maintain the confidentiality of such audit report(s).
- 8.37.2 Failure on the part of the Contractor to comply with any of the provisions of this sub-paragraph shall constitute a material

breach of this Master Agreement upon which the County may terminate or suspend this Master Agreement.

- 8.37.3 If, at any time during the term of this Master Agreement or within seven (7) years after the expiration or termination of this Master Agreement, representatives of the County may conduct an audit of the Contractor regarding the work performed under this Master Agreement, and if such audit finds that the County's dollar liability for any such work is less than payments made by the County to the Contractor, then the difference shall be either: a) repaid by the Contractor to the County by cash payment upon demand or b) at the sole option of the County's Auditor-Controller, deducted from any amounts due to the Contractor from the County, whether under this Master Agreement or otherwise. If such audit finds that the County's dollar liability for such work is more than the payments made by the County to the Contractor, then the difference shall be paid to the Contractor by the County by cash payment, provided that in no event shall the County's maximum obligation for this Master Agreement exceed the funds appropriated by the County for the purpose of this Master Agreement.

8.38 Recycled Bond Paper

Consistent with the Board of Supervisors' policy to reduce the amount of solid waste deposited at the County landfills, the Contractor agrees to use recycled-content paper to the maximum extent possible on this Master Agreement.

8.39 Subcontracting

- 8.39.1 The requirements of this Master Agreement may not be subcontracted by the Contractor **without the advance approval of the County**. Any attempt by the Contractor to subcontract without the prior consent of the County may be deemed a material breach of this Master Agreement.
- 8.39.2 If the Contractor desires to subcontract, the Contractor shall provide the following information promptly at the County's request:
- A description of the work to be performed by the subcontractor;
 - A draft copy of the proposed subcontract; and
 - Other pertinent information and/or certifications requested by the County.
- 8.39.3 The Contractor shall indemnify and hold the County harmless with respect to the activities of each and every subcontractor

in the same manner and to the same degree as if such subcontractor(s) were Contractor employees.

- 8.39.4 The Contractor shall remain fully responsible for all performances required of it under this Master Agreement, including those that the Contractor has determined to subcontract, notwithstanding the County's approval of the Contractor's proposed subcontract.
- 8.39.5 The County's consent to subcontract shall not waive the County's right to prior and continuing approval of any and all personnel, including subcontractor employees, providing services under this Master Agreement. The Contractor is responsible to notify its subcontractors of this County right.
- 8.39.6 The County's MAPD is authorized to act for and on behalf of the County with respect to approval of any subcontract and subcontractor employees. After approval of the subcontract by the County, Contractor shall forward a fully executed subcontract to the County for their files.
- 8.39.7 The Contractor shall be solely liable and responsible for all payments or other compensation to all subcontractors and their officers, employees, agents, and successors in interest arising through services performed hereunder, notwithstanding the County's consent to subcontract.
- 8.39.8 The Contractor shall obtain certificates of insurance, which establish that the subcontractor maintains all the programs of insurance required by the County from each approved subcontractor. The Contractor shall ensure delivery of all such documents to:

8.40 Termination for Breach of Warranty to Maintain Compliance with County's Child Support Compliance Program

Failure of the Contractor to maintain compliance with the requirements set forth in sub-paragraph 8.13 - Contractor's Warranty of Adherence to County's Child Support Compliance Program, shall constitute a default under this Master Agreement. Without limiting the rights and remedies available to the County under any other provision of this Master Agreement, failure of Contractor to cure such default within 90

calendar days of written notice shall be grounds upon which the County may terminate this Master Agreement pursuant to subparagraph 8.42 - Termination for Default and pursue debarment of Contractor, pursuant to County Code Chapter 2.202.

8.41 Termination for Convenience

8.41.1 County may terminate this Master Agreement, and any Work Order issued hereunder, in whole or in part, from time to time or permanently, when such action is deemed by the County, in its sole discretion, to be in its best interest. Termination of work hereunder shall be effected by notice of termination to Contractor specifying the extent to which performance of work is terminated and the date upon which such termination becomes effective. The date upon which such termination becomes effective shall be no less than ten (10) days after the notice is sent.

8.41.2 Upon receipt of a notice of termination and except as otherwise directed by the County, the Contractor shall immediately:

- Stop work under the Work Order or under this Master Agreement, as identified in such notice;
- Transfer title and deliver to County all completed work and work in process; and
- Complete performance of such part of the work as shall not have been terminated by such notice.

8.41.3 All material including books, records, documents, or other evidence bearing on the costs and expenses of the Contractor under this Master Agreement or Work Order shall be maintained by the Contractor in accordance with subparagraph 8.37, Record Retention and Inspection/Audit Settlement.

8.42 Termination for Default

8.42.1 The County may, by written notice to the Contractor, terminate the whole or any part of this Master Agreement, if, in the judgment of County's Project Manager:

- Contractor has materially breached this Master Agreement;
- Contractor fails to timely provide and/or satisfactorily perform any task, deliverable, service, or other work required either under this Master Agreement or any Work Order issued hereunder; or

- Contractor fails to demonstrate a high probability of timely fulfillment of performance requirements of any Work Order issued under this Master Agreement, or of any obligations of this Master Agreement and in either case, fails to demonstrate convincing progress toward a cure within five (5) working days (or such longer period as the County may authorize in writing) after receipt of written notice from the County specifying such failure.

8.42.2 In the event that the County terminates this Master Agreement in whole or in part as provided in sub-paragraph 8.42.1, the County may procure, upon such terms and in such manner as the County may deem appropriate, goods and services similar to those so terminated. The Contractor shall be liable to the County for any and all excess costs incurred by the County, as determined by the County, for such similar goods and services. The Contractor shall continue the performance of this Master Agreement to the extent not terminated under the provisions of this sub-paragraph.

8.42.3 Except with respect to defaults of any subcontractor, the Contractor shall not be liable for any such excess costs of the type identified in sub-paragraph 8.42.2 if its failure to perform this Master Agreement, including any Work Order issued hereunder, arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not limited to: acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of Federal or State governments in their sovereign capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the fault or negligence of either of them, the Contractor shall not be liable for any such excess costs for failure to perform, unless the goods or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required performance schedule. As used in this sub-paragraph 8.42.3, the terms "subcontractor" and "subcontractors" mean subcontractor(s) at any tier.

8.42.4 If, after the County has given notice of termination under the provisions of this sub-paragraph 8.42, it is determined by the County that the Contractor was not in default under the

provisions of this sub-paragraph 8.42, or that the default was excusable under the provisions of sub-paragraph 8.42.3, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to sub-paragraph 8.41 - Termination for Convenience.

- 8.42.5 The rights and remedies of the County provided in this sub-paragraph 8.42 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.43 Termination for Improper Consideration

- 8.43.1 The County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Master Agreement if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee, or agent with the intent of securing this Master Agreement or securing favorable treatment with respect to the award, amendment, or extension of this Master Agreement or the making of any determinations with respect to the Contractor's performance pursuant to this Master Agreement. In the event of such termination, the County shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.
- 8.43.2 The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 544-6861.
- 8.43.3 Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment, or tangible gifts.

8.44 Termination for Insolvency

- 8.44.1 The County may terminate this Master Agreement forthwith in the event of the occurrence of any of the following:
- Insolvency of the Contractor. The Contractor shall be deemed to be insolvent if it has ceased to pay its debts for at least sixty (60) days in the ordinary course of business or cannot pay its debts as they become due, whether or not a petition has been filed under the Federal Bankruptcy Code and whether or not the Contractor is insolvent within the meaning of the Federal Bankruptcy Code;

- The filing of a voluntary or involuntary petition regarding the Contractor under the Federal Bankruptcy Code;
- The appointment of a Receiver or Trustee for the Contractor; or
- The execution by the Contractor of a general assignment for the benefit of creditors.

8.44.2 The rights and remedies of the County provided in this subparagraph 8.44 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.45 Termination for Non-Adherence of County Lobbyist Ordinance

The Contractor, and each County Lobbyist or County Lobbying firm as defined in County Code Section 2.160.010 retained by the Contractor, shall fully comply with the County's Lobbyist Ordinance, County Code Chapter 2.160. Failure on the part of the Contractor or any County Lobbyist or County Lobbying firm retained by the Contractor to fully comply with the County's Lobbyist Ordinance shall constitute a material breach of this Master Agreement, upon which the County may in its sole discretion, immediately terminate or suspend this Master Agreement.

8.46 Termination for Non-Appropriation of Funds

Notwithstanding any other provision of this Master Agreement, the County shall not be obligated for the Contractor's performance hereunder or by any provision of this Master Agreement during any of the County's future fiscal years unless and until the County's Board of Supervisors appropriates funds for this Master Agreement in the County's Budget for each such future fiscal year. In the event that funds are not appropriated for this Master Agreement, then this Master Agreement shall terminate as of June 30 of the last fiscal year for which funds were appropriated. The County shall notify the Contractor in writing of any such non-allocation of funds at the earliest possible date.

8.47 Validity

If any provision of this Master Agreement or the application thereof to any person or circumstance is held invalid, the remainder of this Master Agreement and the application of such provision to other persons or circumstances shall not be affected thereby.

8.48 Waiver

No waiver by the County of any breach of any provision of this Master Agreement shall constitute a waiver of any other breach or of such

provision. Failure of the County to enforce at any time, or from time to time, any provision of this Master Agreement shall not be construed as a waiver thereof. The rights and remedies set forth in this subparagraph 8.48 shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Master Agreement.

8.49 Warranty Against Contingent Fees

8.49.1 The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Master Agreement upon any agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.

8.49.2 For breach of this warranty, the County shall have the right to terminate this Master Agreement and, at its sole discretion, deduct from the Master Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

8.50 Warranty of Compliance with County's Defaulted Property Tax Reduction Program

Contractor acknowledges that County has established a goal of ensuring that all individuals and businesses that benefit financially from County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.

Unless Contractor qualifies for an exemption or exclusion, Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this contract will maintain compliance, with Los Angeles County Code Chapter 2.206.

8.51 Termination for Breach of Warranty to Maintain Compliance with County's Defaulted Property tax Reduction Program

Failure of Contractor to maintain compliance with the requirements set forth in Paragraph 8.51 "Warranty of Compliance with County's Defaulted Property Tax Reduction Program" shall constitute default under this contract. Without limiting the rights and remedies available to County under any other provision of this contract, failure of Contractor to cure such default within 10 days of notice shall be grounds upon which County may terminate this contract and/or

pursue debarment of Contractor, pursuant to County Code Chapter 2.206.

8.52 Time off For Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than 10 days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

8.53 Compliance with County's Zero Tolerance Policy on Human Trafficking

Contractor acknowledges that the County has established a Zero Tolerance Policy on Human Trafficking prohibiting contractors from engaging in human trafficking.

If a Contractor or member of Contractor's staff is convicted of a human trafficking offense, the County shall require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Master Agreement. County will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of Contractor's staff pursuant to this paragraph shall not relieve Contractor of its obligation to complete all work in accordance with the terms and conditions of this Master Agreement.

8.54 Data Encryption

Title 2 ADMINISTRATION
Chapter 2.203.010 through 2.203.090
CONTRACTOR EMPLOYEE JURY SERVICE

Page 1 of 3

2.203.010 Findings.

The board of supervisors makes the following findings. The county of Los Angeles allows its permanent, full-time employees unlimited jury service at their regular pay. Unfortunately, many businesses do not offer or are reducing or even eliminating compensation to employees who serve on juries. This creates a potential financial hardship for employees who do not receive their pay when called to jury service, and those employees often seek to be excused from having to serve. Although changes in the court rules make it more difficult to excuse a potential juror on grounds of financial hardship, potential jurors continue to be excused on this basis, especially from longer trials. This reduces the number of potential jurors and increases the burden on those employers, such as the county of Los Angeles, who pay their permanent, full-time employees while on juror duty. For these reasons, the county of Los Angeles has determined that it is appropriate to require that the businesses with which the county contracts possess reasonable jury service policies. (Ord. 2002-0015 § 1 (part), 2002)

1996**

The parties acknowledge the existence of the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations ("HIPAA"). Contractor understands and agrees that, as a provider of medical treatment services, it is a "covered entity" under HIPAA and, as such, has obligations with respect to the confidentiality, privacy and security of patient's medical information, and must take certain steps to preserve the confidentiality of this information, both internally and externally, including the training of its staff and the establishment of proper procedures for the release of such information, and the use of appropriate consents and authorizations specified under HIPAA.

The parties acknowledge their separate and independent obligations with respect to HIPAA, and that such obligations relate to transactions and code sets, privacy, and security. Contractor understands and agrees that it is separately and independently responsible for compliance with HIPAA in all these areas and that County has not undertaken any responsibility for compliance on Contractor's behalf. Contractor has not relied, and will not in any way rely, on County for legal advice or other representations with respect to Contractor's obligations under HIPAA, but will independently seek its own counsel and take the necessary measures to comply with the law and its implementing regulations.

Contractor and County understand and agree that each is independently responsible for HIPAA compliance and agree to take all necessary and reasonable actions to comply with the requirements of the HIPAA laws and implementing regulations related to transactions and code sets, privacy and security.

Each party further agrees that, should it fail to comply with its obligations under HIPAA, it shall indemnify and hold harmless the other party (including the other party's officers, employees, and agents), for its damages to the other party that are attributable to such failure.

**BUSINESS ASSOCIATE AGREEMENT
UNDER THE HEALTH INSURANCE PORTABILITY
AND ACCOUNTABILITY ACT OF 1996 ("HIPAA")**

County is a Covered Entity as defined by, and subject to the requirements and prohibitions of, the Administrative Simplification provisions of the Health Insurance Portability and Accountability Act of 1996, Public Law 104-191 ("HIPAA"), and regulations promulgated thereunder, including the Privacy, Security, Breach Notification, and Enforcement Rules at 45 Code of Federal Regulations (C.F.R.) Parts 160 and 164 (collectively, the "HIPAA Rules").

Contractor performs or provides functions, activities or services to County that require Contractor in order to provide such functions, activities or services to create, access, receive, maintain, and/or transmit information that includes or that may include Protected Health Information, as defined by the HIPAA Rules.

As such, Contractor is a Business Associate, as defined by the HIPAA Rules, and is therefore subject to those provisions of the HIPAA Rules that are applicable to Business Associates.

The HIPAA Rules require a written agreement ("Business Associate Agreement") between County and Contractor in order to mandate certain protections for the privacy and security of Protected Health Information, and these HIPAA Rules prohibit the disclosure to or use of Protected Health Information by Contractor if such an agreement is not in place.

This Business Associate Agreement and its provisions are intended to protect the privacy and provide for the security of Protected Health Information disclosed to or used by Contractor in compliance with the HIPAA Rules.

Therefore, the parties agree as follows:

- 1.2 "Business Associate" has the same meaning as the term "business associate" at 45 C.F.R. § 160.103. For the convenience of the parties, a "business associate" is a person or entity, other than a member of the workforce of covered entity, who performs functions or activities on behalf of, or provides certain services to, a covered entity that involve access by the business associate to Protected Health Information. A "business associate" also is a subcontractor that creates, receives, maintains, or transmits Protected Health Information on behalf of another business associate. And in reference to the party to this Business Associate Agreement "Business Associate" shall mean Contractor.
- 1.3 "Covered Entity" has the same meaning as the term "covered entity" at 45 C.F.R. § 160.103, and in reference to the party to this Business Associate Agreement, "Covered Entity" shall mean County.
- 1.4 "Data Aggregation" has the same meaning as the term "data aggregation" at 45 C.F.R. § 164.501.
