SERVICES CONTRACT TRANSPORTATION CORE SERVICE AREA AWARD OF SERVICES CONTRACT FOR EAST LOS ANGELES DIAL-A-RIDE SERVICE IN THE UNINCORPORTED COUNTY COMMUNITY OF EAST LOS ANGELES (SUPERVISORIAL DISTRICT 1) (3 VOTES)

SUBJECT

Public Works is seeking Board approval to award a service contract for East Los Angeles dial-a-ride service in the unincorporated County area of East Los Angeles.

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the contract work is statutorily exempt from the provisions of the California Environmental Quality Act for the reasons stated in this letter and in the record of the project.

2. Find that this service can be more economically performed by an independent contractor than by County employees.

3. Award the contract for East Los Angeles dial-a-ride service to Empire Transportation, Inc., a Community Business Enterprise, and direct the Chair to execute the contract for a maximum potential contract term of 54 months and a maximum potential contract sum of \$3,136,130.

4. Authorize the Director of Public Works or his designee to renew this contract for each additional renewal option and extension period if, in the opinion of the Director of Public Works or his designee, Empire Transportation, Inc., has successfully performed during the previous contract period and the

services are still required; to approve and execute amendments to incorporate necessary changes within the scope of work; and to suspend work if, in the opinion of the Director of Public Works or his designee, it is in the best interest of the County to do so.

5. Authorize the Director of Public Works or his designee to annually increase the contract amount up to an additional 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract, if required.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended action is to award a contract for a community dial-a-ride service that provides service to eligible elderly and persons with disabilities residing in the unincorporated County area of East Los Angeles.

The proposed contract will be for a period of 1 year with three 1-year renewal options, and a monthto-month extension up to 6 months for a maximum potential contract term of 54 months. The sum for the initial term is \$683,580; the sum for the first optional term is \$692,092; the sum for the second optional term is \$699,832; the sum for the third and last optional term is \$707,082; and the total potential sum for the month-to-month option to extend for up to an additional 6 months is for \$353,544 with a maximum potential contract sum of \$3,136,130. These amounts include major vehicle repair work to County-provided service vehicles and for potential increased demand in service and ridership performance incentives in accordance with the contract.

Implementation of Strategic Plan Goals

The County Strategic Plan directs the provisions of Strategy 11.2, Support the Wellness of our Communities and Objective 11.2.4, Promote Active and Healthy Lifestyles. The recommended action allows the contractor to provide transit service for the elderly and persons with disabilities to access recreational, shopping, medical, and business opportunities and will support the Department of Public Works in meeting these goals.

FISCAL IMPACT/FINANCING

There will be no impact to the County's General Fund.

The maximum potential contract sum is \$3,136,130 for the maximum contract period of 54 months plus 10 percent of the annual contract sum for unforeseen, additional work within the scope of the contract.

These amounts are based on Public Works' estimated annual utilization of the contractor's service at the hourly rates quoted by the contractor. The terms and sums for each term of the maximum contract period are as follows:

The sum for the initial term is \$683,580.

The sum for the first option term is \$692,092.

The sum for the second option term is \$699,832.

The sum for the third and final option term is \$707,082.

The sum for the month-to-month option to extend up to 6 months is \$353,544.

The Honorable Board of Supervisors 6/6/2018 Page 3

Funding for this service is included in the Proposition A Local Return Transit Program and included in the Transit Operations Fund Fiscal Year 2018-19 Budget. Funds to finance the contract's option years and 10 percent additional funding for contingencies will be requested through the annual budget process.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The recommended contractor is Empire Transportation, Inc., located in Bellflower, California, a Community Business Enterprise. The contract has been executed by Empire Transportation, Inc., and approved as to form by County Counsel (Enclosure A). The recommended contract was solicited on an open-competitive basis and is in accordance with applicable Federal, State, and County requirements.

A standard service contract has been used that contains terms and conditions in compliance with the Board's ordinances, policies, and programs. Enclosure C reflects the contractor's minority participation. Data regarding the proposers' minority participation is on file with Public Works. The contractor was selected upon final analysis and consideration without regard to race, creed, gender, or color.

Pursuant to the applicable Memorandum of Understanding, the Request for Statement of Qualifications (RFSQ) for this solicitation was submitted on March 17, 2016, to the appropriate union for review. Subsequently, the Invitation for Bids for these services were submitted on December 26, 2017, to the appropriate union for review. The union has not asked to meet with Public Works regarding this solicitation.

This work is being contracted in accordance with procedures authorized under County Charter, Section 44.7, Part 3, and Chapter 2.121 (Contracting with Private Business) of the Los Angeles County Code. The mandatory requirements for contracting set forth in the Los Angeles County Code, Section 2.121.380, have been met.

The contractor has agreed to pay its full-time employees the current Living Wage Rate approved by the Board on December 1, 2015, and to comply with the County's Living Wage reporting requirements. The County's Proposition A and Living Wage Ordinance provisions apply to this proposed contract, as County employees can perform these contracted services. The contract complies with all of the requirements of the County Code, Section 2.201.

Using methodology approved by the Auditor-Controller, the Proposition A cost analysis indicates that the recommended contracted services can be performed more economically by the private sector.

This contract does not allow for a Cost-of-Living Adjustment for the optional renewal periods.

ENVIRONMENTAL DOCUMENTATION

This service is statutorily exempt from the provisions of the California Environmental Quality Act, pursuant to Section 21080 (b) (10) of the Public Resources Code. This exemption provides for the implementation of passenger or commuter transit services.

CONTRACTING PROCESS

On May 2, 2016, a notice of the RFSQ was placed on the County's "Doing Business With Us" website (Enclosure B), Public Works' "Business Opportunities" website, Twitter, and an advertisement was placed in the Los Angeles Times. Also, Public Works informed 1,198 Local Small Business Enterprises, and 106 independent contractors about this business opportunity.

Commencing on May 31, 2016, Public Works started to accept Statement of Qualifications for fixed route and dial-a-ride transit service providers. The statements were reviewed to ensure they each met the minimum requirements in the RFSQ. The evaluation was based on criteria detailed in the RFSQ, including experience, work plan, financial resources, references, and demonstrated controls over labor/payroll recordkeeping. The committee utilized the informed averaging methodology for applicable criteria. Based on this evaluation, Public Works selected nine apparent responsive and responsible vendors and placed them on a prequalified list.

On January 29, 2018, Public Works issued an Invitation for Bids soliciting bids from the apparent responsive and responsible vendors on the qualified list. On February 26, 2018, three bids were received. The bids were evaluated based on the price category. It is recommended that this contract be awarded to the apparent responsive, responsible, and lowest bid, Empire Transportation, Inc., located in Bellflower, California, a Community Business Enterprise.

Public Works has accessed available resources to review and assess the proposed contractor's past performance, history of Labor Law violations, and prior performance on County contracts.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The award of this contract will not result in the displacement of any County employees as this service is presently contracted with the private sector.

The Honorable Board of Supervisors 6/6/2018 Page 5

CONCLUSION

Please return one adopted copy of this Board letter along with the Contractor Execute and Department Conform originals of the contract to the Department of Public Works, Business Relations and Contracts Division. The original Board Execute copy should be retained for your files.

Respectfully submitted,

## STANDARD TERMS AND CONDITIONS PERTAINING TO CONTRACT ADMINISTRATION

#### A. <u>Amendments</u>

- 1. For any change which affects the Scope of Work, Contract sum, payments, or any term or condition included in this Contract, an amendment shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor.
- 2. The Board or County's Chief Executive Officer or designee may require the addition and/or change of certain terms and conditions in this Contract during the term of this Contract. County reserves the right to add and/or change such provisions as required by the Board or the Chief Executive Officer. To implement such changes, an amendment or a change order to this Contract shall be prepared by Public Works and signed by the Contractor.
- 3. County may, at its sole discretion, authorize extensions of time to this Contract's term. Contractor agrees that such extensions of time shall not change any other term or condition of this Contract during the period of such extensions. To implement an extension of time, an amendment to this Contract shall be prepared and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor. To the extent that extensions of time for Contractor performance do not impact either scope or amount of this Contract, Public Works may, at its sole discretion, grant Contractor extensions of time, provided the aggregate of all such extensions during the life of this Contract shall not exceed 120 days.
- 4. For any change which does not materially affect the Scope of Work or any other term or condition included under this Contract, a change order shall be prepared by Public Works and signed by the Contractor. If the change order is prepared by the Contractor, it shall be approved by Public Works and signed by the Contractor and the County.

### B. Assignment and Delegation

1. Contractor shall not assign its rights or delegate its duties under this Contract, or both, whether in whole or in part, without the prior written consent of County, in its discretion, and any attempted assignment or delegation without such consent shall be null and void. For purposes of this paragraph, County consent shall require a written amendment to this Contract, which is formally approved and executed by Contractor and the Board or if delegated by the Board, the Director, and Contractor. Any payments by County to any approved delegate or assignee on any claim under this Contract shall be deductible, at County's sole discretion, against the claims which Contractor may have against County.

- 2. Shareholders, partners, members, or other equity holders of Contractor may transfer, sell, exchange, assign, or divest themselves of any interest they may have therein. However, in the event any such sale, transfer, exchange, assignment, or divestment is effected in such a way as to give majority control of Contractor to any person(s), corporation, partnership, or legal entity other than the majority controlling interest therein at the time of execution of this Contract, such disposition is an assignment requiring the prior written consent of County in accordance with applicable provisions of this Contract.
- 3. Any assumption, assignment, delegation, or takeover of any of Contractor's duties, responsibilities, obligations, or performance of same by any person or entity other than Contractor, whether through assignment, Subcontract, delegation, merger, buyout, or any other mechanism, with or without consideration for any reason whatsoever without County's express prior written approval, shall be a material breach of this Contract, which may result in the suspension or termination of this Contract. In the event of such a termination, County shall be entitled to pursue the same remedies against Contractor as it could pursue in the event of default of Contractor.

#### C. <u>Authorization Warranty</u>

Contractor represents and warrants that the person(s) executing this Contract for Contractor is an authorized agent who has actual authority to bind Contractor to each and every term, condition, and obligation of this Contract and that all requirements of Contractor have been fulfilled to provide such actual authority.

#### D. <u>Budget Reduction</u>

In the event that the County's Board of Supervisors adopts, in any fiscal year, a County Budget which provides for reductions in the salaries and benefits paid to the majority of County employees and imposes similar reductions with respect to County Contracts, the County reserves the right to reduce its payment obligation under this Contract correspondingly for that fiscal year and any subsequent fiscal year during the term of this Contract (including any extensions), and the services to be provided by the Contractor under this Contract shall also be reduced correspondingly. Except as set forth in the preceding sentence, the Contractor shall continue to provide all of the services set forth in this Contract. The County's notice to the Contractor regarding said reduction in payment obligation shall be provided within 30 calendar days of the Board's approval of such actions.

### E. <u>Complaints</u>

Contractor shall develop, maintain, and operate procedures for receiving, investigating, and responding to any complaints by any individual.

- 1. Within 12 business days after this Contract's effective date, Contractor shall provide County with Contractor's policy for receiving, investigating, and responding to any complaints by any individual.
- 2. County will review Contractor's policy and provide Contractor with approval of said plan or with requested changes.
- 3. If County requests changes in Contractor's policy, Contractor shall make such changes and resubmit the plan within five business days for County approval.
- 4. If, at any time, Contractor wishes to change Contractor's policy, Contractor shall submit proposed changes to County for approval before implementation.
- 5. Contractor shall preliminarily investigate all complaints and notify the Contract Manager of the status of the investigation within five business days of receiving the complaint.

by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this paragraph shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction or other equitable relief, or make any admission, in each case, on behalf of County without County's prior written approval.

Contractor shall comply with its EEO Certification (Form PW-7).

  - 1. Contractor shall maintain the confidentiality of all records obtained from County under this Contract in accordance with all applicable Federal, State, and local laws, ordinances, regulations, and directives relating to confidentiality.
  - 2. Contractor shall indemnify, defend, and hold harmless County, its officers, employees, and agents from and against any and all claims, demands, damages, liabilities, losses, costs, and expenses including, without limitation, defense costs and legal, accounting and other expert, consulting or professional fees, arising from, connected with, or related to any failure by Contractor, its officers, employees, agents, or Subcontractors, to comply with this paragraph, as determined by County in its sole judgment. Any legal defense pursuant to Contractor's indemnification obligations under this paragraph shall be conducted by Contractor and performed by counsel selected by Contractor and approved by County. Notwithstanding the preceding sentence, County shall have the right to participate in any such defense at its sole cost and expense, except that in the event Contractor fails to provide County with a

full and adequate defense, as determined by County in its sole judgment, County shall be entitled to retain its own counsel including, without limitation, County Counsel, and to reimbursement from Contractor for all such costs and expenses incurred by County in doing so. Contractor shall not have the right to enter into any settlement, agree to any injunction, or make any admission, in each case, on behalf of County without County's prior written approval.

- 3. Contractor shall inform all of its officers, employees, agents, and Subcontractors providing services hereunder of the confidentiality provisions of this Contract.
- I. <u>Conflict of Interest</u>
  - 1. No County employee whose position with County enables such employee to influence the award of this Contract or any competing Contract, and no spouse or economic dependent of such employee shall be employed in any capacity by Contractor or have any other direct or indirect financial interest in this Contract. No officer or employee of Contractor who may financially benefit from the performance of the work hereunder shall in any way participate in County's approval, or ongoing evaluation, of such work, or in any way attempt to unlawfully influence County's approval or ongoing evaluation of such work.
  - 2. Contractor represents and warrants that it is aware of, and its authorized officers have read, the provisions of Los Angeles County Code, Section 2.180.010, "Certain Contracts Prohibited," and that execution of this Agreement will not violate those provisions. Contractor shall comply with all conflict of interest laws, ordinances, and regulations now in effect or hereafter to be enacted during the term of this Contract. Contractor warrants that it is not now aware of any facts that create a conflict of interest. If Contractor hereafter becomes aware of any facts that might reasonably be expected to create a conflict of interest, it shall immediately make full written disclosure of such facts to County. Full written disclosure shall include, but is not limited to, identification of all persons implicated and a complete description of all relevant circumstances. Failure to comply with the provisions of this paragraph shall be a material breach of this Contract subjecting Contractor to either Contract termination for default or debarment proceedings or both. Contractor must sign and adhere to the "Conflict of Interest Certification" (Form PW-5).
- J. <u>Consideration of Hiring County Employees Targeted for Layoffs or Former County</u> <u>Employees on Reemployment List</u>

Should Contractor require additional or replacement personnel after the effective date of this Contract to perform the services set forth herein, Contractor shall

give first consideration for such employment openings to qualified permanent County employees who are targeted for layoff or qualified, former County employees who are on a reemployment list during the life of this Contract.

## K. Consideration of Hiring GAIN and GROW Participants

- 1. Should Contractor require additional or replacement personnel after the effective date of this Contract, Contractor shall give consideration for any such employment openings to participants in County's Department of Public Social Services Greater Avenues for Independence (GAIN) Program and General Relief Opportunity for Work (GROW) Program who meet Contractor's minimum qualifications for the open position. For this purpose, consideration shall mean that Contractor will interview qualified candidates. County will refer GAIN and GROW participants by category to Contractor.
- 2. In the event that both laid-off County employees and GAIN and GROW participants are available for hiring, County employees shall be given first priority.

## L. <u>Contractor's Acknowledgment of County's Commitment to Child Support</u> Enforcement

Contractor acknowledges that County places a high priority on the enforcement of child support laws and the apprehension of child support evaders. Contractor understands that it is County's policy to encourage all County Contractors to voluntarily post County's L.A.'s Most Wanted: Delinquent Parents poster in a prominent position at Contractor's place of business. County's Child Support Services Department will supply Contractor with the poster to be used.

#### M. <u>Contractor's Charitable Activities Compliance</u>

The Supervision of Trustees and Fundraisers for Charitable Purposes Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purposes Act requirements. By requiring Contractors to complete the Charitable Contributions Certification (Form PW-12), County seeks to ensure that all County Contractors which receive or raise charitable contributions comply with California law in order to protect County and its taxpayers. A Contractor which receives or raises charitable contributions under California law commits a material breach subjecting it to either Contract termination for default or debarment proceedings or both. (Los Angeles County Code, Chapter 2.202).

## N. <u>Contractor's Warranty of Adherence to County's Child Support Compliance</u> Program

- 1. Contractor acknowledges that County has established a goal of ensuring that all individuals who benefit financially from County through Contracts are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon County and its taxpayers.
- 2. As required by County's Child Support Compliance Program (Los Angeles County Code, Chapter 2.200), and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall during the term of this Contract maintain compliance with the employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code, Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code, Section 5246(b).

## O. <u>Contractor Performance Evaluation/Corrective Action Measures</u>

County or its agent will evaluate Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing Contractor's compliance with all this Contract's terms and conditions and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by County and Contractor. If improvement does not occur consistent with the corrective action measures, County may suspend or terminate this Contract for default or impose other penalties as specified in this Contract.

## P. Damage to County Facilities, Buildings, or Grounds

- 1. Contractor shall repair, or cause to be repaired, at its own cost, any and all damage to County facilities, buildings, or grounds caused by Contractor, employees, or agents of Contractor.
- 2. Such repairs shall be made immediately after Contractor has become aware of such damage, but in no event later than 30 days after the occurrence. If Contractor fails to make timely repairs, County may make any necessary repairs. All costs incurred by County, as determined

by County, for such repairs shall be repaid by Contractor by cash payment upon demand. County may deduct from any payment otherwise due Contractor for costs incurred by County to make such repairs.

- Q. <u>Employment Eligibility Verification</u>
  - 1. Contractor warrants that it fully complies with all Federal and State statutes and regulations regarding the employment of aliens and others and that all of its employees performing work under this Contract meet the citizenship or alien status requirements set forth in Federal and State statutes and regulations. Contractor shall obtain, from all covered employees performing services hereunder, all verification and other documentation of employment eligibility status required by Federal and State statutes and regulations including, but not limited to, the Immigration Reform and Control Act of 1986 (P.L. 99-603), or as they currently exist and as they may be hereafter amended. Contractor shall retain all such documentation for all covered employees for the period prescribed by law.
  - 2. Contractor shall indemnify, defend, and hold harmless the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers from employer sanctions and any other liability which may be assessed against Contractor or County or both in connection with any alleged violation of Federal or State statutes or regulations pertaining to the eligibility for employment of persons performing services under this Contract.

#### R. <u>Facsimile Representations</u>

At the discretion of County, County may agree to regard facsimile representations of original signatures of Contractor's authorized officers, when appearing in appropriate places on the change notices and amendments prepared pursuant to this Exhibit's Amendments, and received via communications facilities, as legally sufficient evidence that such original signatures have been affixed to change notices and amendments to this Contract, such that the Contractor need not follow up facsimile transmissions of such documents with subsequent (nonfacsimile) transmission of "original" versions of such documents.

#### S. Fair Labor Standards

Contractor shall comply with all applicable provisions of the Federal Fair Labor Standards Act and shall indemnify, defend, and hold harmless the County of Los Angeles, its Special Districts, Elected Officials, Officers, Agents, Employees, and Volunteers from any and all liability including, but not limited to, wages, overtime pay, liquidated damages, penalties, court costs, and attorneys' fees arising under any wage and hour law including, but not limited to, the Federal

- T. Force Majeure
  - 1. Neither party shall be liable for such party's failure to perform its obligations under and in accordance with this Contract, if such failure arises out of fires, floods, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by such party or any of such party's Subcontractors), freight embargoes, or other similar events to those described above, but in every such case the failure to perform must be totally beyond the control and without any fault or negligence of such party (such events are referred to in this subparagraph as "force majeure events").
  - 2. Notwithstanding the foregoing, a default by a Subcontractor of Contractor shall not constitute a force majeure event, unless such default arises out of causes beyond the control of both Contractor and such Subcontractor, and without any fault or negligence of either of them. In such case, Contractor shall not be liable for failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit Contractor to meet the required performance schedule. As used in this subparagraph, the term "Subcontractor" and "Subcontractors" mean Subcontractors at any tier.
  - 3. In the event Contractor's failure to perform arises out of a force majeure event, Contractor agrees to use commercially reasonable best efforts to obtain goods or services from other sources, if applicable, and to otherwise mitigate the damages and reduce the delay caused by such force majeure event.

#### U. <u>Governing Laws, Jurisdiction, and Venue</u>

This Contract shall be governed by, and construed in accordance with the laws of the State of California. To the maximum extent permitted by applicable law, Contractor and County agree and consent to the exclusive jurisdiction of the courts of the State of California for all purposes concerning this Contract and further agree and consent that venue of any action brought in connection with or arising out of this Contract, shall be exclusively in the County of Los Angeles.

#### V. Most Favored Public Entity

If the Contractor's prices decline, or should the Contractor at any time during the term of this Contract provide the same goods or services under similar quantity and delivery conditions to the State of California or any county, municipality, or district of the State at prices below those set forth in this Contract, then such lower prices shall be immediately extended to the County.

# W. Nondiscrimination and Affirmative Action

- 1. Contractor certifies and agrees that all persons employed by it, its affiliates, subsidiaries, or holding companies are and shall be treated equally without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations.
- 2. Contractor shall certify to, and comply with, the provisions of Contractor's EEO Certification (Form PW-7).
- 3. Contractor shall take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, in compliance with all applicable Federal and State antidiscrimination laws and regulations. Such action shall include, but not be limited to, employment, upgrading, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.
- 4. Contractor certifies and agrees that it will deal with its Subcontractors, bidders, or vendors without regard to or because of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation.
- 5. Contractor certifies and agrees that it, its affiliates, subsidiaries, or holding companies shall comply with all applicable Federal and State laws and regulations to the end that no person shall, on the grounds of race, color, religion, ancestry, national origin, sex, age, physical or mental disability, marital status, or political affiliation, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.
- 6. Contractor shall allow County representatives access to Contractor's employment records during regular business hours to verify compliance with the provisions of this paragraph when so requested by County.
- 7. If County finds that any of the above provisions have been violated, such violation shall constitute a material breach of this Contract upon which County may terminate for default or suspend this Contract. While County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Contractor has

- B.13 -

violated Federal or State antidiscrimination laws or regulations shall constitute a finding by County that Contractor has violated the antidiscrimination provisions of this Contract.

8. The parties agree that in the event Contractor violates any of the antidiscrimination provisions of this Contract, County shall, at its sole option, be entitled to a sum of \$500 for each violation pursuant to California Civil Code, Section 1671, as liquidated damages in lieu of terminating or suspending this Contract.

#### X. <u>Nonexclusivity</u>

Nothing herein is intended nor shall be construed as creating any exclusive arrangement with Contractor. This Contract shall not restrict County from acquiring similar, equal, or like goods and/or services from other entities or sources.

## Y. <u>No Payment for Services Provided Following Expiration/Suspension/Termination of</u> <u>Contract</u>

Contractor shall have no claim against County for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration, suspension, or other termination of this Contract. Should Contractor receive any such payment, it shall immediately notify County and shall immediately repay all such funds to County. Payment by County for services rendered after expiration/suspension/termination of this Contract shall not constitute a waiver of County's right to recover such payment from Contractor. This provision shall survive the expiration/suspension/termination of this Contract.

#### Z. <u>Notice of Delays</u>

Except as otherwise provided under this Contract, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within one business day, give notice thereof, including all relevant information with respect thereto, to the other party.

#### AA. <u>Notice of Disputes</u>

Contractor shall bring to the attention of the Contract Manager any dispute between County and Contractor regarding the performance of services as stated in this Contract. If the Contract Manager is not able to resolve the dispute, the Director will resolve it.

## BB. Notice to Employees Regarding the Federal Earned Income Credit

Contractor shall notify its employees, and shall require each Subcontractor to notify its employees, that they may be eligible for the Federal Earned Income Credit under the Federal income tax laws. Such notice shall be provided in accordance with the requirements set forth in Internal Revenue Service Notice 1015 (Exhibit C).

#### CC. <u>Notices</u>

Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid with the United States Post Office and any such notice and the envelope containing the same shall be addressed to Contractor at its place of business, or such other place as may be hereinafter designated in writing by Contractor. The notices and envelopes containing the same to County shall be addressed to:

> Contracting Manager, Architectural Engineering Division County of Los Angeles Department of Public Works P.O. Box 1460 Alhambra, CA 91802-1460

In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a copartner, if Contractor is a partnership; or by the president, vice president, secretary, or general manager, if Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

#### DD. <u>Publicity</u>

Contractor shall not disclose any details in connection with this Contract to any person or entity except as may be otherwise provided hereunder or required by law. However, in recognizing Contractor's need to identify its services and related clients to sustain itself, County shall not inhibit Contractor from publicizing its role under this Contract within the following conditions:

- 1. Contractor shall develop all publicity material in a professional manner.
- 2. During the term of this Contract, Contractor shall not, and shall not authorize another to, publish or disseminate commercial advertisements, press releases, feature articles, or other materials using the name of

County without the prior written consent of the Contract Manager. County shall not unreasonably withhold such written consent.

If the Contractor has declared in Form PW-16, Displaced Transit Employee Declaration that the Contractor will retain employees of the prior Contractor or Subcontractor for a period of not less than 90 days, the Contractor shall retain employees who have been employed by the prior Contractor or Subcontractors, except for reasonable and substantiated cause as specified in California Labor Code, Section 1072(c)(2). - C. In accordance with California Labor Code, Section 1072(c)(3), the Contractor shall make a written offer of employment to each employee to be rehired. - D.   - 3. Nothing herein is intended nor shall be construed as creating any exclusive provision for termination of this Contract. This provision shall not limit the County's right to terminate or debar Contractors under any other provisions of this Contract or under any other provision of the law.

#### Notice 1015

(Rev. December 2015)

Have You Told Your Employees About the Earned Income Credit (EIC)?

#### What is the EIC?

The EIC is a refundable tax credit for certain workers.

#### Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whose wages you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on Form W-4, Employee's Withholding Allowance Certificate.

Note: You are encouraged to notify each employee whose wages for 2015 are less than \$53,267 that he or she may be eligible for the EIC.

#### How and When Must I Notify My Employees?

You must give the employee one of the following:

• The IRS Form W-2, Wage and Tax Statement, which has the required information about the EIC on the back of Copy B.

 A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.

 Notice 797, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).

Your written statement with the same wording as Notice 797.

If you give an employee a Form W-2 on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If you give an employee a substitute Form W-2, but it does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 8, 2016.

You must hand the notice directly to the employee or send it by first-class mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can download copies of the notice at <u>www.irs.gov/lormspubs</u>. Or you can go to <u>www.irs.gov/lormspubs</u>. Or you can go to <u>www.irs.gov/lorderforms</u> to order it.

#### How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see Pub. 596, Earned Income Credit (EIC), or the instructions for Form 1040, 1040A, or 1040EZ.

#### How Do My Employees Claim the EIC?

An eligible employee claims the EIC on his or her 2015 tax return. Even an employee who has no tax withheld from wages and owes no tax may claim the EIC and ask for a refund, but he or she must file a tax return to do so. For example, if an employee has no tax withheld in 2015 and owes no tax but is eligible for a credit of \$800, he or she must file a 2015 tax return to get the \$800 refund.

The mothers may have ludden their programmies, fearful of what would happen if their families found nuc-Because they were afraid and had no one or nowhere to turn for help, they abandoned their babies. Abandoning a haby is illegal and places the baby in extreme danger. Too often, it results in the haby's death. The Safely Sumendered Baby Law prevents this tragedy from ever happening again in California.

# A baby's story

Early in the morning on April 9, 2005, a healthy baby boy was safely surrendened to numes at Harbor-UCLA Medical Center. The woman who brought the haby to the hospital identified herself as the haby's aunt and stated the baby's mother had asked her to bring the baby to the hospital on her behalf. The aunc was given a bracelet with a number matching the anklet placed on the baby; this would provide some identification in the event the mother changed bet mind about surrendering the baby and wished to reclaim the baby in the 14-day period allowed by the Law. The aunt was also provided with a medical questionnaire and tail she would have the mother complete and mall back in the stamped return emclope provided. # INTENTIONALLY OMITTED

## CONTROLLED SUBSTANCE AND ALCOHOL TESTING PROGRAM

#### 1. <u>Substance Abuse Testing</u>

It shall be the duty of Contractor to take all steps feasible to ensure that those employed personnel, independent contractors' or subcontractors' employees servicing or operating Service vehicles pursuant to this Scope of Work do not perform those functions under the influence of alcohol, controlled substances, or medication which impairs their judgment or physical ability.

In meeting this duty, Contractor shall, at a minimum, do the following:

A. <u>Promulgate and Distribute to All Personnel a Written Policy Statement</u> <u>Prohibiting Servicing and/or Operating Service Vehicles While Under the</u> <u>Influence of Alcohol, Controlled Substances, or Any Medication Which</u> <u>Impairs Judgment or Physical Ability</u>

The written policy statement shall indicate Contractor's intention to: (1) initiate substance abuse testing as described herein below; (2) immediately suspend any personnel testing "positive" for substance abuse from servicing or operating Service vehicles pending review pursuant to the procedure described herein below; and (3) absent overruling on review to permanently prohibit such person from servicing or operating Service vehicles.

- B. <u>Institute a Comprehensive Program for Substance Abuse Testing for All</u> Personnel Entailing Urinalysis and/or Blood Tests
  - Pre-employment testing of job applicants, independent contractors' and subcontractors' employees all as part of the pre-employment physical examination

Urine and/or blood samples will be taken as part of the pre-employment physical examination process and will be subjected to recognized testing procedures employed by duly licensed clinical laboratory technicians to determine the presence of alcohol and/or any controlled substance as that term is used in the Health and Safety Code, Section 11054, including, but not limited to, marijuana and its derivatives, opium and its derivatives, methaqualone, methamphetamine, lysergic acid diethylamide, psilocybin, or mescaline. Evidence of controlled substance presence in urine or blood of any job applicant shall require denial of the job application. Evidence of a blood alcohol level at the time of testing of greater than 0.04 percent shall likewise require denial of the job application.

If Contractor at any time during the period of this Contract uses or contemplates usage of independent contractors' or subcontractors' employees to service or operate the Service vehicles, the individuals who would perform such functions under such contractual arrangement shall be tested in the fashion described hereinabove and shall be prohibited from performing said functions upon testing "positive" for controlled substance use or blood alcohol concentration in excess of **0.04** percent.

 <u>Mandatory drug and alcohol testing within two (2) hours of a traffic</u> accident or incident giving rise to a suspicion of substance abuse

Contractor shall make the necessary arrangements for and require substance abuse testing of all personnel, independent contractors' or

subcontractors' employees involved in a traffic accident while operating a Service vehicle within as short a time as possible following the accident and in no event to exceed three (3) hours thereafter.

Contractor shall make the necessary arrangements for and require substance abuse testing of all personnel, independent contractors' or subcontractors' employees servicing or operating a Service vehicle as to whom a report has been received from the public or from coworkers or supervisors as to involvement in a physical altercation, being verbally abusive or otherwise acting in a bizarre manner. Contractor shall make arrangements to provide for continued public transportation service prior to ordering the subject individual to report for drug testing, but shall make every effort to have the testing occur within three (3) hours of the reported incident.

In addition to the testing required under Subsection 1.B.1 hereinabove, the testing required pursuant to this subsection shall include testing for the presence of prescription drugs and other over-the-counter medications which are known, on occasion, to cause drowsiness, impairment of judgment, and/or impairment of physical coordination and activity. This classification of substance is intended to include among other things: antihistamines, tranquilizers, pain killers, mood elevators, and psychotropics.

All persons testing "positive" for controlled substance abuse or showing blood-alcohol concentration in excess of **0.04** percent shall be immediately suspended from servicing or operating Service vehicles pending review pursuant to the review procedure set forth herein below. In the absence of an overruling of the suspension pursuant to the review procedure, Contractor shall permanently prohibit these individuals from servicing or operating Service vehicles pursuant to this Contract.

All persons whose tests indicate a blood-alcohol concentration greater than 0.00 percent but less than **0.04** percent or show the presence of a medication known on occasion to cause drowsiness, impairment of judgment, and/or impairment of coordination, and other physical abilities shall be immediately suspended from servicing or operating a Service vehicle for a period of twenty-four (24) hours. These individuals shall be given oral explanation and warning confirmed in writing and noted in the personnel file with respect to the potential safety hazard posed by the involved substance.

#### Non-discretionary, Random Substance Abuse Testing

Contractor shall identify all personnel, independent contractors', or subcontractors' employees scheduled to service or operate Service vehicles pursuant to this Scope of Work and place their names in a data pool susceptible to truly random accessibility either physically as by placement of cards in a tumbler or by programming of an information retrieval system.

Names of individuals shall be chosen for random testing on a schedule designed to test twenty-five percent (25%) of the relevant personnel and affected other personnel quarterly which schedule shall be set forth in a public statement distributed quarterly to all personnel and affected other persons. In no event shall the employee have

more than six (6) hours notice prior to his or her appointment for the test.

The testing shall take place on company time at a location that does not require the person tested to expend more personal time in traveling to or from the testing site than would otherwise be expended in traveling to or from a work location.

The testing shall be as to controlled substance abuse and/or blood-alcohol concentration as set forth in Subsection B.1. Upon evidence of a blood-alcohol level in excess of **0.04** percent or of the presence of any controlled substance in any tested individual, Contractor shall immediately suspend that individual from servicing or operating a Service vehicle pursuant to this Scope of Work.

If the finding of substance abuse is not overruled upon review, Contractor shall permanently prohibit any such individual from servicing or operating Service vehicles pursuant to this Scope of Work.

4) <u>Double Testing</u>

All urine and/or blood samples taken for the testing described hereinabove which test positive shall be processed twice for each subject substance. In those cases where it is necessary to perform a second test on a urine sample, the second test shall use a different methodology to assure the validity of the results.

No disciplinary action set forth herein shall be taken unless the urine or blood tests "positive" for the subject substance in each test.

5) <u>Notification of Suspension and Intent to Prohibit Servicing or</u> <u>Operating Vehicles or Performance of Function with Potential Impact</u> <u>upon Public Safety</u>

Contractor shall, upon receipt of substance abuse test results warranting action herein under, notify the subject individual of his immediate suspension and of Contractor's intention to prohibit performance of specified duties. Contractor is not required hereby to terminate employment of the individual altogether.

#### C. Institute A Review Procedure

The Contractor shall provide use of a meeting room and, as to the employee Board member, paid time for the convening of a drug-testing Review Board on an as-needed basis.

An individual must request a review in writing and must deliver that request to any superior within two (2) business days of receipt of the notice of suspension or forfeit his right of review. The superior shall deliver the request to any Board member.

The Board shall consist of a member appointed by Contractor, an employee representative (who shall be an employee of Contractor), and a third party chosen by the other two (2).

The Board shall decide upon the consequences of the substance testing set forth in Subsection B above within one (1) week of receipt of the request for review.

The Board shall hold short hearings at which the individual tested shall have the opportunity to dispute the fact of substance abuse and present evidence of extenuating circumstances.

The rules of evidence need not be applied. The fact of substance abuse will be presumed from the results of the substance test. Anticipated as the factual basis for rebutting that presumption would be a contrary test result obtained by the individual voluntarily in a relevant time frame from a competent disinterested laboratory.

The Board may make ex parte inquiries to County Health officials with respect to any review proceeding.

The Board has absolute discretion to question of extenuating circumstances.

The Board shall vote on whether to sustain or overrule the prohibition intended to be imposed within one (1) week of the hearing. A two-thirds vote is required to overrule Contractor's intended work prohibition.

The decision shall be written but need not be a formal document.

#### 2. <u>Confidentiality</u>

The substance test results and any material presented to the Review Board shall be maintained in a confidential file by Contractor. The confidentiality shall be of a limited nature. The files will not be available for public inspection and the information therein shall not be otherwise published. The County shall have access thereto however. Statistics generated there from without specific reference to individuals may be published or made available for public inspection; and Contractor will not refuse to honor a criminal or civil subpoena relative thereto.

#### 3. Liability

The County shall indemnify, defend, and hold harmless Contractor, its officers, agents, and employees, from and against any and all liability, expense, including defense costs and legal fees, and claims for damages arising from the institution of legal proceedings challenging the right of Contractor to subject its employees to mandatory random drug and alcohol abuse testing, or to require its subcontractors to do the same.

# *Re:* Request for Statement of Qualifications for Fixed Route and DAR Transit Services (2016-SQPA001

Dear Mr. Fong:

Thank you for the opportunity to participate in the pre-qualification process for Fixed Route and DAR Transit Services. We are always proud to say that Empire is Southern California's most experienced minority and locally owned transportation company. We have successfully provided shuttle services for over forty-eight years in Southern California, including services for the Los Angeles County Department of Public Works. During the past five years, we have established a rewarding professional relationship with the Los Angeles County Department of Public Works by providing the best service with emphasis in customer service, high maintenance standards, and safety.

In addition to meeting all the minimum requirements as set forth in the RFSQ, we strongly believe that we have proven to be the partner that we promised in our proposals.

Another factor that makes Empire different is our management structure. Both owners, Miguel Oliver and I, are very involved in day-to-day operations, allowing for swift decision making without waiting for the ownership being brought up to speed. We feel that we are the best operator to continue to be a qualified vendor for DPW based on our proven experience, currently established operational infrastructure, facility, and management structure.

As Co-owner, President, and Chief Operating Officer, I am authorized to submit this proposal and to represent the Company throughout the process. We have made a thorough analysis of Addendum #1,

BRINGING PEOPLE AND PLACES TOGETHER SINCE 1968 8800 Park Street, Bellflower, CA 90706 • 562-529-2676 Ext. 114 • FAX 562-529-2220 • E-Mail <u>baguirre@emptransportation.com</u> as well as the included specifications, and have taken no exception to those requirements in our proposal. We look forward to working with DPW staff as the selection process continues.

Sincerely, Berthal Aguipre President & Chief Operating Officer
