Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

66 August 7, 2018

CELIA ZAVALA
ACTING EXECUTIVE OFFICER

**ISSUANCE AND SALE OF CERTAIN COUNTY OF LOS ANGELES
SCHOOL DISTRICTS 2018-19 TAX AND REVENUE ANTICIPATION NOTES
(ALL DISTRICTS) (3 VOTES)**

SUBJECT

The governing boards of certain school districts have requested that the County of Los Angeles (the "County") issue and sell tax and revenue anticipation notes on their behalf in an aggregate principal amount not to exceed \$75,465,000.

IT IS RECOMMENDED THAT THE BOARD:

Adopt the Resolution authorizing the issuance of 2018-19 Tax and Revenue Anticipation Notes (the "Notes") on behalf of certain County school districts (the "Districts") and providing for the sale of Participation Certificates (the "Certificates") in an aggregate principal amount not to exceed \$75,465,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The governing boards of certain school districts located within the County have adopted individual resolutions as required by Section 53850 et. seq. of the Government Code requesting that your Board issue the Notes on their behalf. Adoption of the attached Resolution will authorize the issuance, execution and delivery of the Notes for the following Districts: Acton-Agua Dulce Unified School District, Beverly Hills Unified School District, Burbank Unified School District, Duarte Unified School District, Hawthorne School District, Lennox School District, Manhattan Beach Unified School District, Palos Verdes Peninsula Unified School District, and Redondo Beach Unified School District.

The Notes will be issued through the Los Angeles County Schools Pooled Financing Program (the "Pooled Financing Program"), which was established in 1985 to allow participating districts to combine their respective debt issuances into a single financing. The Pooled Financing Program is administered by the Los Angeles County Office of Education (LACOE) and has served as an effective mechanism for reducing borrowing costs to school and community college districts. Exhibit C to the Resolution provides a list of the nine (9) Districts that expect to participate in this financing.

Implementation of Strategic Plan Goals

The recommended action supports County Strategic Plan Strategy III.3 – Pursue Operational Effectiveness, Fiscal Responsibility and Accountability.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Tax and revenue anticipation notes are short-term debt instruments that provide borrowers with the ability to finance their operating cash flow deficits during a given fiscal year. The Notes will be issued for the benefit of the Districts for a term not to exceed thirteen (13) months at an interest rate to be determined at the time of pricing. The Notes will be deposited into a trust for the purpose of securing a corresponding series of Certificates to be sold in the public capital markets. Proceeds generated from the sale of the Certificates will be used by the Districts to meet their respective cash flow needs for Fiscal Year 2018-19.

The Resolution provides for the negotiated sale of the Certificates to the underwriters, with participation by the Treasurer and Tax Collector (the "Treasurer") in the pricing of the securities. LACOE has selected RBC Capital Markets, LLC and Stifel Nicolaus & Company, Inc. as the underwriters; Hawkins Delafield & Wood LLP as bond counsel; Montague DeRose and Associates, LLC as the municipal advisor; and Bank of New York Mellon Trust Company, N. A. as the certificate agent.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not Applicable.

CONCLUSION

Upon approval of this Resolution, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted Resolution to the Treasurer (Office of Public Finance).

**RESOLUTION OF THE BOARD OF SUPERVISORS
OF THE COUNTY OF LOS ANGELES PROVIDING FOR
THE ISSUANCE OF 2018-19 TAX AND REVENUE
ANTICIPATION NOTES, ON BEHALF OF
CERTAIN LOS ANGELES COUNTY SCHOOL DISTRICTS**

WHEREAS, pursuant to Section 53850 *et seq.*, of the Government Code of the State of California (the "Government Code"), contained in Title 5, Division 2, Part 1, Chapter 4, Article 7.6, certain school districts (individually, a "District" and collectively, the "Districts") located within the County of Los Angeles (the "County") have requested the Board of Supervisors of the County (the "Board of Supervisors") to issue a separate 2018-19 Tax and Revenue Anticipation Note (individually, a "Note" and collectively, the "Notes") on behalf of each District, respectively, in a principal amount not in excess of 85% of the estimated amount of the then uncollected taxes, income, revenue, cash receipts, and other moneys of the respective District for Fiscal Year 2018-19 which will be available for the payment of said Note and the interest thereon; and

WHEREAS, pursuant to Section 53853(a) of the Government Code, each such Note shall be issued in the name and on behalf of each District by the Board of Supervisors as soon as possible following receipt of a resolution of the governing board of a District (individually, a "District Board" and collectively, the "District Boards") respectively, requesting such borrowing; and

WHEREAS, the District Boards have previously adopted resolutions finding and determining that they need to borrow funds in an amount not to exceed the respective amount set forth in the schedule attached hereto as Exhibit C in Fiscal Year 2018-19 for their authorized purposes and requesting that the Board of Supervisors authorize for that purpose the issuance of, and offer for sale, a Note in the name and on behalf of each respective District in a principal amount of not to exceed the respective foregoing amount, to be used for any legal purposes for which the respective District is authorized to expend moneys (said District resolutions referred to herein collectively as the "District Note Resolutions"); and

WHEREAS, a Note may not bear interest exceeding twelve percent (12%) per annum, as permitted by Section 53531 of the Government Code, notwithstanding Section 53854 of the Government Code; and

WHEREAS, a Note will not be outstanding after the period ending thirteen (13) months from the date on which such Note is issued and will not be issued in an amount greater than the maximum anticipated cumulative cash flow deficit of the respective District to be financed by the anticipated unrestricted revenues (hereinafter defined) for the period for which such unrestricted revenues are anticipated and during which such Note is outstanding, all as provided under the Internal Revenue Code of 1986, as amended, and applicable Treasury Regulations promulgated thereunder; and

WHEREAS, the Districts have requested the Treasurer and Tax Collector of the County (the “Treasurer”) to serve as agent in matters relating to the moneys paid by them to the Treasurer as and for payments of the principal of and interest on the Notes, which moneys shall include the Pledged Revenues (as defined below), and have requested the Treasurer to perform certain other services in connection with the payment of the Notes, and for the Treasurer to provide for the designation and establishment of a Repayment Fund for the deposit of Pledged Revenues; and

WHEREAS, the District Boards have found and determined that it is in their respective best interests for the Treasurer to provide for the sale of their respective Note to the general public on a pooled basis with the tax and revenue anticipation notes of other local agencies located within the County in order to achieve savings in costs of issuance and to improve the marketability of the Notes; and

WHEREAS, the County wishes to provide the terms under which the Los Angeles County Schools Pooled Financing Program 2018-19 Pooled Tax and Revenue Anticipation Notes (the “Pooled Program”) will operate and wishes to provide for the appointment of the Certificate Agent (as defined below) and the approval of the terms of the Trust Agreement (as defined below);

NOW, THEREFORE, the Board of Supervisors of the County of Los Angeles hereby resolves as follows:

SECTION 1. Board Determination. All of the recitals set forth herein are true and correct, and the Board of Supervisors so finds and determines.

SECTION 2. Authorization of Issuance of Notes and Terms Thereof. The County hereby determines to and shall issue in the name and on behalf of each District a separate 2018-19 Tax and Revenue Anticipation Note (individually, a “Note” and collectively, the “Notes”) in the principal amount of not to exceed the amount set forth in the schedule attached hereto as Exhibit C, each to be in the denomination of the full principal amount thereof, to be dated the date of delivery thereof, to mature (without option of prior redemption) no more than thirteen (13) months from the date of delivery thereof, and to bear interest, payable as provided in the Notes and computed on the basis of a 360-day year consisting of twelve 30-day months, at the rate determined at the time of sale thereof by the Treasurer or his designee, but not in excess of twelve percent (12%) per annum. Both the principal of and the interest on a Note shall be payable in lawful money of the United States of America upon presentation thereof at the principal office of the Certificate Agent (as defined below).

SECTION 3. Form of Notes. Each Note shall be issued in fully registered form and shall be substantially in the form provided in the respective District Note Resolution.

SECTION 4. Deposit of Note Proceeds. The moneys representing the proceeds of sale of each Note shall be deposited to the credit of the general fund of a District. Following such deposit, said proceeds shall be withdrawn and expended by the respective District for any lawful purpose for which it is authorized to expend moneys, including, but not limited to, current

expenses, capital expenditures and the discharge of any obligation or indebtedness of the respective District.

SECTION 5. Payment of Notes.

(A) Sources of Payment. The principal amount of a Note, together with the interest thereon, shall be payable from uncollected taxes, income, revenue, cash receipts and other moneys that are received by the respective Districts during, or are attributable to, Fiscal Year 2018-19 and which are available therefor. Each Note shall be the general obligation of the respective District, and to the extent such Note is not paid from the Pledged Revenues identified below, the Note shall be paid with interest thereon from any other moneys of the respective District lawfully available therefor, as provided in each District Note Resolution and otherwise by law.

(B) Pledged Revenues. As security for the payment of principal of and interest on its respective Note, by its District Note Resolution, each respective District has pledged an aggregate amount equal to one hundred percent (100%) of the principal amount of its Note, plus an amount sufficient to pay interest on its Note, from its respective first unrestricted revenues received in one or more months and in the percentages set forth (the "Pledged Revenues") in the Trust Agreement. The term "unrestricted revenues" shall mean, as applicable, any taxes, income, revenue, cash receipts, or other moneys of such District, including moneys deposited in inactive or term deposits (but excepting certain moneys which, when received by such District, will be encumbered for a special purpose unless an equivalent amount of the proceeds from said Note is set aside for and used for said special purpose), as provided in Section 53856 of the Government Code, which are intended as receipts for the general fund of a District and which are generally available for the payment of current expenses and other obligations of the respective District.

The principal of each Note and the interest thereon shall be a first lien and charge against and shall be payable from the first moneys received by each District from such Pledged Revenues, as provided by law.

In the event there are insufficient unrestricted revenues received by a District to permit the deposit into its respective Repayment Fund (as hereinafter defined) of the full amount of Pledged Revenues to be deposited from its respective unrestricted revenues in a given month, then the amount of any deficiency shall be satisfied and made up from its respective first additional moneys lawfully available for the repayment of its Note and the interest thereon.

None of the Pledged Revenues of one District shall be available for the payment of principal and interest with respect to any tax and revenue anticipation notes attributable to another District and each District has in its District Note Resolution acknowledged and agreed that notwithstanding its participation in the Pooled Program it shall not be entitled to any payment of principal of and interest on its Note from the revenues of any other District participating in the Pooled Program.

(C) Deposit of Pledged Revenues into Repayment Fund. The Pledged Revenues for each District shall be held by the Treasurer in a special fund authorized and

designated in each District Note Resolution (individually, a “Repayment Fund” and collectively, the “Repayment Funds”) to be held by the Treasurer or, at the discretion of the Treasurer, by a fiscal agent or Certificate Agent to be determined by the Treasurer, and applied as directed in this resolution. Moneys placed in a Repayment Fund shall be for the sole benefit of the holders of a Note, and until such Note and all interest thereon are paid in full or until provision has been made for the payment of such Note at maturity with interest to such date, the moneys in the related Repayment Fund shall be applied only for the purposes for which such Repayment Fund was created. From the dates of receipt by the Treasurer of any of the Pledged Revenues, the respective Districts shall have no right, title or interest therein, except as to any excess moneys as described in subsection 5(D) hereof.

(D) Disbursement and Investment of Moneys in Repayment Fund. From the date the Notes are issued, all Pledged Revenues shall be deposited into the related Repayment Fund. After such date as the amount of Pledged Revenues deposited in a Repayment Fund shall be sufficient to pay in full the principal of and interest on the respective Note, when due, any moneys in excess of such amount remaining in or accruing to such Repayment Fund shall be transferred to the credit of the general fund of the respective District, as applicable. On the maturity date of a Note and any earlier interest payment date, all moneys on deposit in the related Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest due on such Note on such date.

Moneys in the Repayment Funds shall be invested in investment securities by the Treasurer or his designee, as permitted by applicable California law, as now in effect and as it may be amended, modified or supplemented from time to time.

SECTION 6. Execution of Notes. The Treasurer, or his designated representative, is directed to cause to be prepared a separate Note for each District. The Treasurer, or his designated representative, is hereby authorized to sign each Note manually or by use of his facsimile signature, the Chair of the Board of Supervisors is hereby authorized to sign a Note manually or by facsimile signature, the Acting Executive Officer-Clerk of the Board of Supervisors (the “Acting Executive Officer-Clerk”), or any designated representative, is hereby authorized to countersign a Note manually or by use of a facsimile signature (provided that one of such signatures must be manually affixed), the Acting Executive Officer-Clerk is hereby authorized to affix the seal of the County thereto by facsimile of the impression thereof, and said officers are hereby authorized to cause the blank spaces on the form of Note to be filled in prior to delivery as may be appropriate.

SECTION 7. Approval of Purchase. The Treasurer, within the limitations set forth below, is hereby authorized and directed, on behalf of each District, to purchase the Notes of each District at private sale, but only from the proceeds of sale of the Certificates (as defined in the Trust Agreement) established under the Trust Agreement. Each District has agreed and the Board of Supervisors hereby agrees to recognize each registered owner of the Certificates as the beneficial owner of each Note to the extent of such registered owner’s proportional, undivided interest in a Note. For purposes of obtaining the highest possible rating and the lowest possible interest rate for a Note and to comply with applicable federal tax law, the Pooled Program may be divided into two or more series, as approved by the Treasurer. The Authorized Officer (as defined in each District Note Resolution) of each District has been authorized by the

related District Board to execute and deliver any documents and to take such other action as maybe necessary or proper to carry out the intent and the provisions hereof.

The sale of each Note in connection with the Pooled Program has been approved by each respective District Board, and is hereby approved by the Board of Supervisors on such terms as the Authorized Officer may approve, such approval to be conclusively evidenced by the Treasurer's purchase of a Note and its subsequent delivery to the Certificate Agent; provided, however, that the maximum interest rate on a Note shall not exceed twelve percent (12%) per annum and the underwriters' discount shall not exceed one percent (1%) of the par amount of the Note.

SECTION 8. Delivery of Notes. The proper officers of the County are hereby authorized and directed to deliver the Notes to the Treasurer upon payment therefor in accordance with the Purchase Contract (defined herein). All actions heretofore taken by the officers and agents of the County with respect to the sale and issuance of the Notes are hereby approved, confirmed and ratified, and the officers of the County are hereby authorized and directed, for and in the name and on behalf of the County, to do any and all things and take any and all actions and execute and deliver any and all certificates, agreements and other documents including but not limited to those described in the Purchase Contract, which they, or any of them, may deem necessary or advisable in order to consummate the lawful issuance and delivery of the Notes in accordance with this resolution and the District Note Resolutions.

SECTION 9. Non-Negotiability of Note. Each Note shall immediately upon assignment by the Treasurer to the Certificate Agent be lodged in trust with the Certificate Agent and maintained in such trust until scheduled maturity and payment or purchase in full. Each Note shall not be transferable or assignable by the Certificate Agent except as specifically provided in the Trust Agreement, for example, as with Defaulted Notes (as defined in each District Note Resolution) and assignment to a successor Certificate Agent. Notwithstanding the foregoing, in the event that a Note should be lost, stolen, destroyed or mutilated prior to its stated maturity, the Treasurer shall cause to be issued a new Note of the same tenor, term and maturity as the original and upon such reasonable terms and conditions, including the payment of costs and the posting of a surety bond, as may from time to time be determined and prescribed by the Treasurer.

SECTION 10. Appointment of Certificate Agent; Form of Trust Agreement. The Bank of New York Mellon Trust Company, N.A., a national banking association organized and existing under the laws of the United States of America, is hereby appointed to serve as Certificate Agent and Registrar for the Pooled Program. The terms and provisions of the Trust Agreement by and between the County and the Certificate Agent (the "Trust Agreement"), in substantially the form attached hereto as Exhibit A, are hereby approved, provided that the aggregate principal amount of Certificates to be executed and delivered pursuant to the Trust Agreement shall not exceed the aggregate principal amount of the related series of Notes authorized in the related District Note Resolutions and approved by the Treasurer. The Treasurer (and any designee of the Treasurer), is hereby authorized and directed on behalf of the County and in its name to execute and deliver the Trust Agreement in substantially the form presented to and considered at this meeting of the Board of Supervisors, which such changes therein,

In accordance with the provisions of the District Note Resolutions and the terms of the Pooled Program, there may be executed a form of credit enhancement agreement, pursuant to which the principal of and interest accrued to maturity on a Note will be secured, in the event that amounts on deposit in the related Repayment Fund are not sufficient to pay the principal of and interest on such Note in full. The Treasurer (and any designee of the Treasurer), is hereby authorized and directed on behalf of the County and in its name to execute and deliver a credit enhancement agreement as may be approved by the Treasurer or his designee in consultation with County Counsel, such approval to be conclusively evidenced by the Treasurer's execution thereof.

SECTION 12. Distribution of Preliminary Official Statement and Official Statement. The Underwriters (defined herein) are hereby authorized to prepare and distribute a preliminary and final official statement for use in the marketing and sale of the Certificates as directed by the Treasurer on behalf of the Districts.

SECTION 13. Form of Purchase Contract. The Treasurer (or any designee of the Treasurer), is hereby authorized to enter into a purchase contract (the "Purchase Contract") for the Certificates with RBC Capital Markets, LLC, as representative of itself and other underwriters named therein (collectively, the "Underwriters") in substantially the form attached hereto as Exhibit B in implementation of the Pooled Program and in accordance with the terms of the District Note Resolutions, with such changes therein, however, as may be approved by the Treasurer or his designee in consultation with County Counsel, such approval to be conclusively evidenced by the Treasurer's execution thereof.

SECTION 14. Treasurer to Act as Fiscal Agent. The Treasurer shall act as fiscal agent for the payment of the principal of and interest on the Notes and the related Series of Certificates. The Treasurer may, however, appoint a bank or trust company to act as a substitute fiscal agent in accordance with the provisions of the Trust Agreement. The Treasurer may, at his discretion, appoint a fiscal agent or Certificate Agent for the management of the separate Repayment Funds to be held in the name of each District for the sole benefit of the owners of the Notes, and until the Notes and all interest thereon are paid or until provision has been made for the payment of the Notes at maturity with interest to maturity, the moneys in the Repayment Fund shall be applied only for the purpose for which the Repayment Funds are created.

SECTION 15. Costs and Expenses. The costs and expenses of the Pooled Program, including, without limitation, the costs and expenses associated with any credit enhancement, shall be borne entirely by the Districts in accordance with such standards as may be established by the Treasurer from time to time.

SECTION 16. Effective Date. This resolution shall take effect immediately.

The foregoing resolution was on the 7th day of August, 2018, adopted by the Board of Supervisors of the County of Los Angeles and *ex officio* the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

(a) The County hereby appoints The Bank of New York Mellon Trust Company, N.A., a national banking association organized and existing under the laws of the United States of America, to act as Certificate Agent and Registrar with respect to the Certificates, and to hold the Notes in trust for the benefit of the Registered Owners of the Certificates as set forth herein. The Certificate Agent hereby accepts its appointment and agrees to act as Certificate Agent and Registrar.

(b) The Certificate Agent may resign at any time by giving written notice thereof to the County, *provided, however*, that no such resignation shall be effective until a successor has been appointed and has accepted the duties of the Certificate Agent hereunder.

(c) The County may appoint a substitute Certificate Agent, which Certificate Agent shall be a commercial bank, national banking association, or trust company in good standing and duly authorized to exercise trust powers, having an office in Los Angeles, California, which, together with the corporate parent of such Certificate Agent, has a combined capital (exclusive of borrowed capital) and surplus of at least seventy-five million dollars (\$75,000,000), and subject to supervision or examination by Federal or state authority, so long as any Certificates are outstanding. (d) If the Certificate Agent shall resign, be removed or become incapable of acting, the County shall promptly appoint a successor Certificate Agent. If an instrument of acceptance by a successor Certificate Agent shall not have been delivered to the Certificate Agent within thirty (30) days after the Certificate Agent gives notice of resignation or after its removal, the Certificate Agent may petition any court of competent jurisdiction at the expense of the County, on behalf of the Participants, for the appointment of a successor Certificate Agent. ARTICLE III

THE NOTES; THE PARTICIPATION CERTIFICATES

SECTION 3.1 Purchase of Notes by County. On the date of issuance of the Notes, as set forth in the Purchase Contract, the County, acting through the Treasurer, shall purchase the Notes, and simultaneously with such purchase, the Treasurer shall assign and deposit such Notes in trust with the Certificate Agent for the benefit of the Registered Owners of the Certificates. The purchase price for the Notes attributable to the Certificates shall be derived solely from the proceeds (including any premiums) received from the sale of the Certificates.

The Notes shall, immediately upon delivery and assignment by the Treasurer to the Certificate Agent, be registered to and lodged in trust with the Certificate Agent and maintained in such trust until submitted for payment on the Maturity Date and payment or purchase in full. The Notes shall not be transferable or assignable by the Certificate Agent, except for Defaulted Notes in accordance with a municipal bond insurance policy, if any, and except for Notes transferred to a successor Certificate Agent. The assignment and transfer of the Notes to the Certificate Agent shall constitute a first and exclusive lien on the principal and interest payments made thereunder and all of the rights under the Notes in accordance with this Agreement. Upon payment of the Notes, the Certificate Agent shall mark such Notes “canceled” and destroy such canceled Notes in accordance with the Certificate Agent’s internal practices and procedures.

SECTION 3.2 Authorization and Execution of Certificates. The Certificate Agent is hereby authorized and directed to execute participation certificates representing undivided proportionate interests in the Notes, as described below, to be designated as “Participation Certificates, Los Angeles County Schools Pooled Financing Program 2018-19 Pooled TRAN, Series A-” to mature on [Maturity Date]. The Certificates may be executed and delivered hereunder in an aggregate principal amount not to exceed the aggregate principal amount of the Notes authorized by the Participants in the respective District Note Resolutions. The Certificates shall be executed and delivered substantially in the form attached hereto as Exhibit A and incorporated herein by this reference. In no event shall the Certificates be deemed a debt or obligation of the Certificate Agent.

The Certificates shall be representative of proportionate interests of the Registered Owners thereof in the Notes, which shall be the general obligations of the related Participants; the Certificates shall be payable solely from the Debt Service Payments attributable to the Notes and any investment earnings thereon and, in turn, shall be a charge upon the Pledged Revenues described in the related District Note Resolutions and, as applicable, any other amounts deposited in

the respective Repayment Funds for the payment of principal of and interest on such Notes attributable to the Certificates, as provided in the District Note Resolutions.

SECTION 3.3 Terms of Certificates. The Certificates shall be in Authorized Denominations, numbered serially and bearing the Date of Delivery and the Maturity Date, it being the intention that the Certificates be executed and delivered in such principal amount, denominations, dated date, maturity date and interest rate as may be necessary in order for the Certificates to conform with the corresponding terms of the Notes. Both the principal and the interest with respect to the Certificates shall be payable by check or wire transfer in lawful money of the United States of America, but only upon presentation and surrender thereof at the office of the Fiscal Agent.

SECTION 3.4 Initial Registration of Certificates. The Certificates shall be delivered in the form of fully registered Certificates. The Certificates shall be individually numbered as determined by the Certificate Agent. The Certificates shall be registered initially in the name of "Cede & Co.," as nominee of DTC and shall be evidenced by one certificate. Registered ownership of the Certificates, or any portion thereof, may not thereafter be transferred except as set forth in Section 3.6 hereof.

SECTION 3.5 Execution. The Certificates shall be executed by and in the name of the Certificate Agent by the manual signature of any authorized signatory of the Certificate Agent. The Certificate Agent shall insert the date of execution of each Certificate in the place provided thereon.

SECTION 3.6 Transfer and Exchange of Certificates.

(a) Transfer of Certificates. Any Certificate may, in accordance with its terms, and subject to Section 3.8, be transferred upon the registration books required to be kept by the Registrar by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Certificate for cancellation at the Principal Corporate Trust Office of the Certificate Agent, as Registrar, accompanied by delivery of a written instrument of transfer in a form acceptable to the Certificate Agent, duly executed. Whenever any Certificate or Certificates shall be surrendered for transfer, the Certificate Agent shall execute and deliver a new Certificate or Certificates for a like aggregate principal amount of Authorized Denominations.

(b) Exchange of Certificates. Certificates may be exchanged at the Principal Corporate Trust Office of the Certificate Agent for a like aggregate principal amount of Certificates of the same tenor in Authorized Denominations. The Certificate Agent shall require the payment by the Registered Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. All Certificates surrendered pursuant to the provisions of this Section shall be canceled by the Certificate Agent and shall not be redelivered.

SECTION 3.7 Mutilated, Lost, Destroyed or Stolen Certificates. If any Certificate shall become mutilated, the Certificate Agent shall execute and deliver a new Certificate of like tenor and maturity in exchange and substitution for the Certificate so mutilated, but only upon surrender to the Certificate Agent of the Certificate so mutilated. Every mutilated Certificate

so surrendered to the Certificate Agent shall be canceled by it. If any Certificate shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Certificate Agent, and, if such evidence is satisfactory to the Certificate Agent and, if an indemnity satisfactory to the Certificate Agent shall be given, the Certificate Agent shall execute and deliver a new Certificate of like tenor and maturity and numbered as the Certificate Agent shall determine in lieu of and in substitution for the Certificate so lost, destroyed or stolen. The Certificate Agent may require payment of an appropriate fee from the Registered Owner of such lost, stolen or destroyed Certificates for each new Certificate delivered under this Section. Any Certificate executed and delivered under the provisions of this Section in lieu of any Certificate alleged to be lost, destroyed or stolen shall be equally and proportionately entitled to the benefits of this Agreement with all other Certificates secured by this Agreement.

SECTION 3.8 Use of Depository Trust Company. Notwithstanding any provision of this Agreement to the contrary:

(a) The Certificates shall be initially delivered and registered as provided in Section 3.4. Registered ownership of the Certificates, or any portion thereof, may not thereafter be transferred except:

(i) To any successor of DTC or its nominee, or to any substitute Securities Depository designated pursuant to clause (ii) of this subsection (a) (“Substitute Depository”); *provided* that any successor of DTC or a Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any Substitute Depository designated by the Treasurer and not objected to by the Certificate Agent, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) or (2) a determination by the Treasurer that DTC or its successor (or any Substitute Depository or its successor) is no longer able to carry out its functions as the Securities Depository; *provided* that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or Substitute Depository or its successor) from its functions as depository; *provided* that no Substitute Depository which is not objected to by the Certificate Agent can be obtained or (2) a determination by the Treasurer that it is in the best interests of the beneficial owners of the Certificates to remove DTC or its successor (or any Substitute Depository or its successor) from its functions as Securities Depository hereunder.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) hereof, upon receipt of the Outstanding Certificates by the Certificate Agent, together with a request from the Treasurer to the Certificate Agent, a single new Certificate shall be executed and delivered in the aggregate principal amount of the Certificates then Outstanding, registered in the name of such successor or such Substitute Depository, or their nominees, as the case may be, all

as specified in such request from the Treasurer. In the case of any transfer pursuant to clause (iii) of subsection (a) hereof, upon receipt of the Outstanding Certificates by the Certificate Agent, new Certificates shall be executed and delivered in such denominations and registered in the names of such persons as are requested by DTC or its successors, subject to the limitations of Section 3.4 hereof.

(c) The Treasurer and the Certificate Agent shall be entitled to treat the person in whose name any Certificate is registered as the Registered Owner thereof for all purposes of this Agreement and any applicable laws, notwithstanding any notice to the contrary received by the Certificate Agent; and the Treasurer and the Certificate Agent shall have no responsibility for transmitting payments to, communication with, notifying or otherwise dealing with any beneficial owners of the Certificates. The Treasurer and the Certificate Agent will have no responsibility or obligations, legal or otherwise, to the beneficial owners or to any other party including DTC or its successors, except for the Registered Owner of any Certificate.

(d) So long as the Outstanding Certificates are registered in the name of DTC or a Substitute Depository, the Treasurer and the Certificate Agent shall cooperate with DTC or such Substitute Depository, as sole Registered Owner, in effecting payment of the principal of and prepayment premium, if any, and interest with respect to the Certificates by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

(e) Notwithstanding the foregoing, at any time during the Fiscal Year, the Treasurer may determine that participation in the book-entry only system of DTC is no longer in the best interests of the Pooled Program and may thereupon provide for certificated securities representing the Certificates. In the event the Treasurer determines that the continuation of the system of book-entry only transfers through DTC (or a successor securities depository) is not in the best interests of the Pooled Program, the Treasurer will notify DTC of the availability through DTC of certificated securities representing the Certificates. In such event, the Treasurer shall direct the Certificate Agent to execute and deliver and shall register Certificates in Authorized Denominations as requested by DTC.

SECTION 3.9 Certificate Register. The Certificate Agent will keep or cause to be kept, at its Principal Corporate Trust Office, sufficient books for the registration and transfer of the Certificates which shall at all times be open to inspection by the Treasurer during regular business hours with reasonable prior notice; and, upon presentation for such purpose, the Certificate Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on said books, Certificates as hereinbefore provided. The Treasurer and the Certificate Agent shall be entitled to treat the Registered Owner of a Certificate as the absolute owner thereof for all purposes, whether or not a Certificate shall be overdue, and the Treasurer and the Certificate Agent shall not be affected by any notice to the contrary.

SECTION 3.10 Place and Manner of Payment. The Certificates shall be payable upon surrender thereof by check or wire transfer in lawful money of the United States of America (but only from amounts received in payment of the Notes) at the office of the Fiscal Agent. The Certificates shall be payable from payments made on the Notes in accordance with Section 5.1.

ARTICLE IV

APPLICATION OF PROCEEDS

SECTION 4.1 Deposit of Sale Proceeds. The moneys representing the net proceeds of sale of the Certificates shall be used to pay the purchase price of the Notes. \$_____ of the net proceeds of the sale of the Notes shall be deposited in the Costs of Delivery Fund maintained by the Certificate Agent and applied as provided in Section 4.2 hereof. The balance of the net proceeds of sale of the Notes shall be deposited with the Treasurer for credit to each of the general funds of the Participants, in amounts which represent the proportion which the Note of each Participant shall bear to the aggregate principal amount of Certificates authorized and delivered hereunder.

Such net proceeds of sale of the Notes shall be invested in accordance with the definition of Permitted Investments as directed in writing by the Treasurer. The Treasurer may withdraw proceeds from such investments and remit such proceeds to the respective Participants in accordance with their *pro rata* shares. In the event that any portion of such proceeds with respect to any Participant is not withdrawn from the respective county school service fund or general fund prior to such Participant's first scheduled deposit of Pledged Revenues into its Repayment Fund, the Treasurer shall transfer an amount equal to such Participant's scheduled deposit on such date from such county school service fund or general fund to the credit of its Repayment Fund. In the event that any portion of the proceeds of sale of the Notes with respect to any Participant is likewise not withdrawn prior to such Participant's second, third or fourth, as applicable, scheduled deposit of Pledged Revenues into its Repayment Fund, the Treasurer shall transfer to the credit of such Participant's Repayment Fund an amount equal to such Participant's second, third or fourth, respectively, scheduled deposit on such dates shall be transferred to the credit of its Repayment Fund.

The Certificate Agent shall not invest any cash held by it hereunder in the absence of timely and specific written direction from the County. In no event shall the Certificate Agent be liable for the selection of investments or for investment losses incurred thereon. The Certificate Agent may purchase or sell to itself or any affiliate, as principal or agent, investments authorized by this Agreement. The Certificate Agent may conclusively rely upon such written direction from the County as to the suitability, compliance with the investment policy of the County, and legality of the directed investments. The County acknowledges that regulations of the Comptroller of the Currency grant the County the right to receive brokerage confirmations of the security transactions as they occur, at no additional cost. To the extent permitted by law, the County specifically waives compliance with 12 C.F.R. 12 and hereby notifies the Certificate Agent that no brokerage confirmations need be sent relating to the security transactions as they occur.

SECTION 4.2 Costs of Delivery. There is hereby established with the Certificate Agent the Costs of Delivery Fund. Amounts in the Costs of Delivery Fund shall be invested in Permitted Investments until expended. The Certificate Agent will make payment by check or wire transfer from amounts on deposit in the Costs of Delivery Fund for costs of delivery as may be requested by the Office of Education upon receipt by the Certificate Agent of a requisition signed by an authorized officer of the Office of Education. In the event the total of any requisition exceeds

the amount then on deposit in the Costs of Delivery Fund, the Certificate Agent shall promptly notify the Office of Education of the shortfall, and await further instructions from the Office of Education.

On the earliest of the date on which all amounts in the Costs of Delivery Fund are expended or the first business day equal to or greater than 180 calendar days subsequent to the date of delivery of the Notes or as designated by the Office of Education, the Certificate Agent shall close the Costs of Delivery Fund and any remainder from the Costs of Delivery Fund shall be refunded to the Treasurer for subsequent *pro rata* credit to the Participants.

ARTICLE V

COUNTY COVENANTS; PLEDGED REVENUES

SECTION 5.1 Punctual Payment. The County covenants that it shall duly and punctually cause to be paid from the payments of principal of and interest on the Notes payable on the Maturity Date thereof the principal and interest with respect to each Certificate at the place and in the manner stated in the Certificates and in accordance with the provisions of this Agreement. The County further covenants that it shall faithfully observe and perform all of the conditions, covenants and requirements of this Agreement which are expressly applicable to the County, and that it shall not, except as provided hereunder, pledge, assign, subject to any lien or otherwise encumber the Notes, or any interest therein other than as contemplated by the terms of this Agreement. The County acknowledges and agrees, in furtherance of the terms, intent and purposes of each District Note Resolution, to recognize each Registered Owner as the beneficial owner of the Note of each such Participant, in each case to the extent of such Registered Owner's direct, proportional and undivided interest in such Note, and following a default with respect to a related Certificate, such Registered Owner individually shall have and may exercise any and all rights and remedies directly against each such Participant to the full extent as if such Registered Owner were the owner of record of Notes of each such Participant in principal amount equal to such Registered Owner's direct, proportional and undivided interest in such Notes.

SECTION 5.2 Intercept Procedure. The County covenants that it will intercept the amounts previously deposited in each Participant's general fund as set forth in Section 5.3 and 5.4 herein, and place such amounts on deposit directly in the Repayment Fund held by the County with a designation of the amounts to be credited for each Participant. Upon each such deposit, such funds will be invested in the Los Angeles County Treasury Pool, or in such other Permitted Investments and will not be available to the Participants. In the event that there have been insufficient Pledged Revenues received by a Participant by the third Business Day prior to any Pledge Date to permit the deposit into its Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Treasurer shall direct the Los Angeles County Auditor-Controller (the "Auditor-Controller") to collect the amount of any deficiency and deposit such amount in the Repayment Fund in such amount as may be directed by the Treasurer from any other unrestricted moneys of the affected Participant lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis, when and as such Pledged Revenues and unrestricted moneys are received by the

affected Participant and will deposit said moneys with the Treasurer for deposit directly in the respective Repayment Fund.

SECTION 5.3 Pledged Revenues. In order to facilitate the collection of the Pledged Revenues, the County shall hold Pledged Revenues which have been deposited from specific amounts from the respective Participant's funds on deposit with the Treasurer for such purpose and received from each of the respective Participants for the account of such respective Participants established under the respective District Note Resolutions. The Treasurer shall transmit or cause to be transmitted a monthly statement on a per-Participant basis of all transactions and investments made by or through the County and of all amounts on deposit with the County hereunder, including, in the event that sufficient Pledged Revenues have not been timely deposited in a Participant's Repayment Fund in accordance with its District Note Resolution, written confirmation of such event, to the Office of Education, and shall invest such Pledged Revenues in the Los Angeles County Treasury Pool or in such other Permitted Investments.

All principal and interest payments on the Notes shall be paid directly by each Participant to the Treasurer or by the Auditor-Controller to the County pursuant to the procedure set forth in Section 5.2 above. All principal and interest payments on the Notes received by the Treasurer shall be held in trust by the Treasurer under the terms of this Agreement and shall be deposited by it, as and when received, in the Repayment Funds of the respective Participants established under this Agreement. All money in the Repayment Funds shall be held in trust by the Treasurer for the benefit and security of the Registered Owners of the Certificates to the extent provided in this Agreement and shall be invested in the County Pool or in such other Permitted Investments. Moneys received by the Treasurer attributable to a Participant shall not be used in any manner (directly or indirectly) to make up any deficiency in Note payments of any other Participant. Notwithstanding any deposit to a Repayment Fund, each Participant shall remain obligated to pay the principal of and interest on its respective Note in accordance with its terms.

To the extent the Treasurer receives Note payments from a Participant that are less than the amounts required to pay the interest due on such Participant's Note on the Maturity Date thereof, and the principal on such Note payable on the Maturity Date thereof, the Treasurer shall apply the moneys received first, to pay interest on such Note, and second, to pay the principal of such Note. Any moneys deposited in the Repayment Funds for the Notes shall be for the sole benefit of the Registered Owners of the Certificates, and until the Notes and all interest thereon are paid or until provision has been made for the payment of the principal of and interest on the Notes payable on the Maturity Date thereof, the moneys in the Repayment Funds shall be applied only for the purpose for which such Repayment Funds are created.

If the amount on deposit in a Participant's Repayment Fund is in excess of the amounts required to pay the principal of and interest on the respective Note payable on the Maturity Date thereof, and after the payment of interest and principal with respect to the Certificates corresponding to such Participant's Note, the Treasurer shall pay over for the account of the Participant all moneys or deposits or investments held by it pursuant hereto and attributable to such Participant which are not required for the payment of principal of and interest on such Note.

SECTION 5.4 Pledge of Notes and Unrestricted Revenues. The Notes and all right, title and interest therein and all payments thereon are irrevocably assigned, pledged and transferred to the Certificate Agent for the benefit of the Registered Owners of the Certificates. The Debt Service Payments on the Notes, together with investment earnings thereon, shall be used for the payment of interest and principal with respect to the Certificates and the Notes will not be used for any other purpose while any of the Certificates remain outstanding. The assignment, transfer and pledge of the Notes to the Certificate Agent pursuant to this Agreement shall constitute a first and exclusive lien on the principal and interest payments and all other rights under the Notes in accordance with this Agreement.

Pursuant to Section 53856 of the Act, each Participant has pledged in its respective District Note Resolution and Note as security for the payment of the principal of and interest on its respective Note the first Unrestricted Revenues received by the Participant in the Repayment Month until the amount in the respective Repayment Fund is equal to the percentage stated in the respective District Note Resolution and in this Section of principal due on its respective Note at maturity plus interest due at maturity; provided that, the amounts due in the Repayment Month shall take into consideration anticipated earnings to be received from Permitted Investments through the end of the Participant’s Repayment Month, whichever is earlier. The principal of each Note and the interest thereon shall be payable from the Pledged Revenues and, to the extent not so paid, shall be paid from any other moneys of the Participant lawfully available therefor.

The County covenants that all Pledged Revenues transferred pursuant to the schedule set forth in this Section will be held in trust in the respective Repayment Funds and will be applied only for the purposes for which such Repayment Funds were created and as directed in the District Note Resolutions for the benefit of Registered Owners of the Certificates. The County represents that this Agreement creates a valid, binding lien on and first priority perfected security interest in Pledged Revenues in favor of the Registered Owners as security for payment of the principal of and interest on the Notes.

Pledge Dates and Percentages of each Participant’s Note

<u>Participant</u>	<u>1st Pledge</u>		<u>2nd Pledge</u>	
	<u>Pledge Month</u>	<u>Percentage</u>	<u>Pledge Month</u>	<u>Percentage</u>

The amounts determined by applying the foregoing percentages to the principal amount of each Participant’s Note represent the Pledged Revenues for the Notes, as defined and pledged in the related District Note Resolutions, and the principal and interest due with respect to the Certificates shall be payable from such Pledged Revenues, and to the extent not so paid shall be paid from any other moneys of the related Participants lawfully available therefor.

SECTION 5.5 Participants Not Liable for other Participant’s Default. No Participant has covenanted to pay or provide for the payment of any other Participant’s Pledged Revenues, and the Repayment Funds for the several Participants are not pooled. No Participant’s Repayment Fund is available to make up a deficiency in the Repayment Fund of another Participant or payment of principal of and interest on another Participant’s Note. One Participant’s default in

the payment of principal of and interest on its Note will cause a partial default in the payment of the Certificates, even though the non-defaulting Participants make timely payments of principal of and interest due on their Notes; *provided, however*, that the Registered Owner of any Certificate individually shall have and may exercise any and all rights and remedies directly against any such Defaulting Participant to the full extent as if such Registered Owner were the owner of record of the Note of each such Participant in Principal Amount equal to such Registered Owner's direct, proportional and undivided interest in such Notes as provided in this Agreement.

SECTION 5.6 Registered Owner's Interests. The Treasurer (or any substitute Fiscal Agent), as agent for each Participant with respect to the execution and delivery of the Notes and in connection with execution and delivery of the Certificates by the Certificate Agent, regarding moneys paid by such Participant to the County as and for Debt Service Payments pursuant to the terms of the Note of such Participant, hereby acknowledges and agrees, in furtherance of the terms, intent and purposes of each such District Note Resolution, to recognize each Registered Owner as the beneficial owner of the Note of each such Participant, in each case to the extent of such Registered Owner's direct, proportional and undivided interest in such Note (as noted on the face of the Certificates), and such Registered Owner individually shall have and may exercise any and all rights and remedies directly against each such Participant to the full extent as if such Registered Owner were the owner of record of Notes of each such Participant in principal amount equal to such Registered Owner's direct, proportional and undivided interest in such Notes.

ARTICLE VI

THE CERTIFICATE AGENT AND THE COUNTY

SECTION 6.1 Duties of the Certificate Agent. The Certificate Agent covenants that it will faithfully observe and perform all of the conditions, covenants and requirements of this Agreement which are expressly applicable to the Certificate Agent, *provided, however* that in no event shall the Certificate Agent be required to expend any of its own funds or incur any personal liability. The Certificate Agent further covenants that it shall not pledge, assign, subject to any lien or otherwise encumber the Notes, or any interest therein other than as contemplated by the terms of this Agreement. In addition, the Certificate Agent covenants that it will hold the Notes for the sole benefit of the Registered Owners until the Maturity Date. The Certificate Agent shall only be required to perform the duties expressly set forth herein. No implied duties or obligations shall be read into this Agreement against the Certificate Agent.

SECTION 6.2 Reliance on Documents, Etc.

(A) The Certificate Agent may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Certificate Agent by the County and the Participants.

(B) Neither the Certificate Agent nor the County shall be liable in connection with the performance of their duties hereunder except for their own negligence or willful misconduct. The County may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents or attorneys, and the County shall not be responsible for

any misconduct or negligence on the part of any agent (other than an employee) or attorney appointed with due care.

(C) No provision of this Agreement shall require the County to expend or risk their own funds or otherwise incur any financial liability for performance of any of their duties hereunder, or in the exercise of any of their rights or powers.

(D) The Certificate Agent and the County may rely, or be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document (including facsimile copies) believed by them to be genuine and to have been signed or presented by the proper party or parties. The Certificate Agent and the County need not examine the ownership of any Certificates, but are protected in acting upon receipt of Certificates containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Registered Owner or agent of the Registered Owner.

(E) The Certificate Agent and the County may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full authorization and protection with respect to any action taken, suffered or omitted by them hereunder in good faith and reliance thereon. The County agrees to cause the Participants to pay the fees and expenses of such counsel in connection herewith.

(F) Neither the Certificate Agent nor the County shall be charged with notice or knowledge of any default hereunder unless and until a responsible officer of the Certificate Agent or the County charged with the administration of this Agreement shall have actual knowledge thereof.

Anything in this Agreement to the contrary notwithstanding, in no event shall the Certificate Agent be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Certificate Agent has been advised of the likelihood of such loss or damage and regardless of the form of action. The Certificate Agent shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Certificate Agent and could not have been avoided by exercising due care. Force majeure shall include acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

The Certificate Agent shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Agreement and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Certificate Agent, or another method or system specified by the Certificate Agent as available for use in connection with its services hereunder.); provided, however, that the County shall provide to the Certificate Agent an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the County, whenever a person is to be added or

deleted from the listing. If the County elects to give the Certificate Agent Instructions using Electronic Means and the Certificate Agent in its discretion elects to act upon such Instructions, the Certificate Agent's understanding of such Instructions shall be deemed controlling. The County understands and agrees that the Certificate Agent cannot determine the identity of the actual sender of such Instructions and that the Certificate Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Certificate Agent have been sent by such Authorized Officer. The County shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Certificate Agent and that the County and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the County. The Certificate Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Certificate Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The County agrees: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Certificate Agent, including without limitation the risk of the Certificate Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Certificate Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the County; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Certificate Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

SECTION 6.3 No Liability of the Certificate Agent or the County to the Registered Owners. Neither the Certificate Agent nor the County shall have any obligation or liability to the Registered Owners with respect to the payment when due of the principal and interest with respect to the Certificates, except from the Debt Service Payments received with respect to the Notes, or with respect to the observance or performance by the Participants of the other agreements, conditions, covenants and terms required to be observed or performed by them contained in the related District Note Resolutions, as applicable, or with respect to the performance by the Treasurer, of any right or obligation required to be observed or performed by her/him contained herein or in the District Note Resolutions.

SECTION 6.4 Certificate Agent May Own Certificates. The Certificate Agent, in its individual or any other capacity, may become the owner or pledgee of Certificates with the same rights it would have if it were not the Certificate Agent and Registrar for the Certificates.

SECTION 6.5 Other Transactions. The Certificate Agent may engage in or be interested in any financial or other transaction with the County, *provided* that if the Certificate Agent determines that any such relationship is in conflict with its duties under this Agreement, it shall eliminate the conflict or resign as Certificate Agent.

No. R-1

[Closing Date]	[Maturity Date]		

REGISTERED OWNER: Cede & Co.

THIS IS TO CERTIFY THAT CEDE & CO., as Registered Owner of this Participation Certificate (the "Certificate"), is the owner of a direct, proportionate and undivided interest in the payments of principal of and interest on 2018-19 Tax and Revenue Anticipation Notes (individually, a "Note" and, collectively, the "Notes"), and the debt service payments (the "Debt Service Payments") to be made thereon, issued by the local agencies, each being a school district, located within the County of Los Angeles (the "County"), organized and existing under the Constitution and laws of the State of California, identified in the Trust Agreement hereinafter referred to (collectively, the "Participants"), each maturing on the Maturity Date stated above and issued in the principal amounts established in the Trust Agreement herein referred to.

Except as to principal amount, the Notes are all of like date, tenor and effect, made, executed and given pursuant to and by authority of a resolution duly passed and adopted by the governing board of each Participant pertaining to the respective Note of such Participant (collectively, the "District Note Resolutions") and a resolution duly passed and adopted by the Board of Supervisors of the County on [BRD] (the "County Resolution" and, together with the District Note Resolutions, the "Resolutions") each under and by authority of Section 53853(a) and of Article 7.6 (commencing with Section 53850) of Chapter 4, Part 1, Division 2, Title 5, California Government Code. The owner of these Certificates is entitled to receive, subject to the terms of the Resolutions, on the Maturity Date stated above, the Principal Amount specified above, representing a direct, undivided interest in the principal payments to be made by each Participant on its respective Note, together with interest thereon accrued at the Interest Rate stated above. Payments of principal and interest with respect to the Certificates properly presented for payment upon maturity shall be made by wire transfer by the County in immediately available funds to The Depository Trust Company, as initial securities depository for the Certificates (or a successor securities depository).

This Certificate is not subject to prepayment.

Unless these Certificates are presented by an authorized representative of The Depository Trust Company to the Certificate Agent or the Treasurer and Tax Collector of the County or any Certificates executed and delivered is registered in the name of Cede & Co. or such other name as requested by an authorized representative of The Depository Trust Company and any payment

is made to Cede & Co., any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful so long as the Registered Owner hereof, Cede & Co., has an interest herein.

Pursuant to the terms of the Trust Agreement by and between the County and The Bank of New York Mellon Trust Company, N.A., as Certificate Agent (the "Certificate Agent"), dated as of August 1, 2018 (the "Trust Agreement"), the Certificate Agent shall hold in trust each Note represented by these Certificates in the principal amount shown above and maturing on the date these Certificates mature. The Notes will be held by the Certificate Agent and the Debt Service Payments will be held by the County in the Repayment Funds (as defined in the Trust Agreement).

The principal amount represented by these Certificates, together with the interest evidenced and represented hereby, shall be payable from the principal of and interest coming due on the Notes. Each Note constitutes the general obligation of the Participant issuing the same and shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the respective Participant during, or are attributable to, Fiscal Year 2018-19, and which are lawfully available therefor, all as set forth in the respective District Note Resolution. As security for the Notes, each Participant has individually pledged certain of its unrestricted revenues received in the amounts and as of the dates provided in the respective District Note Resolution, plus in the month during which the final payment of Pledged Revenues is to occur, an amount sufficient to pay interest on such Note.

No Participant has covenanted to pay or provide for the payment of any other Participant's Pledged Revenues, and the Repayment Funds established by the County for the several Participants are not pooled. No Participant's Repayment Fund held by the County is available to make up a deficiency in the Repayment Fund of another Participant or payment of principal of and interest on another Participant's Note. One Participant's default in the payment of principal of and interest on its Note will cause a partial default in payment of the Certificates, even though the non-defaulting Participants make timely payments of principal of and interest due on their Notes; *provided, however*, that the Registered Owner hereof individually shall have and may exercise any and all rights and remedies directly against any such defaulting Participant to the full extent as if such Registered Owner were the owner of record of Notes of each such Participant in Principal Amount equal to such Registered Owner's direct, proportional and undivided interest in such Notes as provided above.

The County does not warrant the accuracy of the statements and recitals herein. The County has no obligation or liability to make payments with respect to the Certificates except from Debt Service Payments of the Notes by the Participants and from the funds and accounts established for such purpose by the Trust Agreement.

The Participants have certified, recited and declared that all acts, conditions and things required by the Constitution and laws of the State of California and the provisions of the District Note Resolutions to exist, to have happened and to have been performed precedent to and in the execution and delivery of the Notes do exist, have happened and have been performed in due time, form and manner as required by law and that the Notes, together with all other indebtedness and obligations of the respective Participants, do not exceed any limit prescribed by the Constitution or laws of the State of California.

IN WITNESS WHEREOF, The Bank of New York Mellon Trust Company, N.A., as Certificate Agent, has caused these Certificates to be executed by its authorized signatory this _____.

PURCHASE CONTRACT

August __, 2018

To: Each Los Angeles County School District set forth in Exhibit A hereto.

The undersigned, RBC Capital Markets, LLC (the “Representative”), acting on behalf of itself and as representative of Stifel Nicolaus & Company, Incorporated (collectively, the “Underwriters”), acting on their own behalf and not as a fiduciary or agent for you, offers to enter into this Purchase Contract (the “Purchase Contract”) with the Treasurer and Tax Collector of the County of Los Angeles (the “Treasurer”), acting on behalf of the Participants (as described below), which will be binding upon the Treasurer, each Participant beneficially and upon the Underwriters. This offer is made subject to the written acceptance of this Purchase Contract by the Treasurer in his official capacity and the delivery of such acceptance to the Representative at or prior to 11:59 p.m., Pacific time, on the date following the date hereof.

Upon the terms and conditions and upon the basis of the representations and warranties hereinafter set forth, the following transactions shall occur simultaneously at the Closing (as defined in paragraph 6 hereof): the Treasurer shall purchase all (but not less than all) of the following series of 2018-19 Tax and Revenue Anticipation Notes (collectively, the “Notes”):

\$ _____ of 2018-19 Tax and Revenue Anticipation Notes, Series A-1 (the “A-1 Notes”);

\$ _____ of 2018-19 Tax and Revenue Anticipation Notes, Series A-2 (the “A-2 Notes”); and

\$ _____ of 2018-19 Tax and Revenue Anticipation Notes, Series A-3 (the “A-3 Notes”)

The Notes shall be issued by certain school districts (collectively, the “Participants”) listed on Exhibit A attached hereto and by this reference incorporated herein, and in the respective amounts for each Participant as set forth on said Exhibit A; the Treasurer shall deposit the Notes of each series in trust with The Bank of New York Mellon Trust Company, N.A., as Certificate Agent (the “Certificate Agent”), and the Certificate Agent shall hold such Notes, pursuant to the terms and conditions of separate trust agreements for each series of the Notes, each dated as of August 1, 2018 (collectively, the “Trust Agreements”), between the County of Los Angeles (the “County”) and the Certificate Agent, until the respective maturity dates thereof; and the Underwriters hereby agree to purchase for reoffering to the public the following series of Los Angeles County Schools Pooled Financing Program 2018-19 Pooled TRAN Participation Certificates (collectively, the “Certificates”):

\$ _____ aggregate principal amount of Los Angeles County Schools Pooled Financing Program 2018-19 Pooled TRAN Participation Certificates, Series A-1 (the “Series A-1 Certificates”), due on [June 1], 2019;

\$ _____ aggregate principal amount of Los Angeles County Schools Pooled Financing Program 2018-19 Pooled TRAN Participation Certificates, Series A-2 (the “Series A-2 Certificates”), due on [June 1], 2019; and

\$ _____ aggregate principal amount of Los Angeles County Schools Pooled Financing Program 2018-19 Pooled TRAN Participation Certificates, Series A-3 (the “Series A-3 Certificates”), due on [June 1], 2019.

Each series of Certificates evidences and represents proportionate and undivided interests of the owners thereof in the correlative series of Notes, with such Notes and Certificates being dated the date of delivery thereof, with interest components calculated as follows:

(1) for the Series A-1 Certificates at the rate of ___% per annum, priced to yield at the rate of ___%;

(2) for the Series A-2 Certificates at the rate of ___% per annum, priced to yield at the rate of ___%; and

(3) for the Series A-3 Certificates at the rate of ___% per annum, priced to yield at the rate of ___%.

Pursuant to the respective Trust Agreements, the Certificate Agent shall execute and deliver the Certificates to, and register such Certificates in the name of, The Depository Trust Company (“DTC”) or its nominee. The principal amount of each series of Notes and the corresponding principal amount of the respective series of Certificates shall be adjusted as necessary prior to the Closing upon the advice of and notice given to the Underwriters by Hawkins Delafield & Wood LLP, Los Angeles, California, Bond Counsel (“Bond Counsel”), in order to comply with the Internal Revenue Code of 1986, as amended, and the applicable Treasury regulations promulgated thereunder. Inasmuch as this purchase and sale represents a

negotiated transaction, the Treasurer and the Participants understand, and hereby confirm, that (i) the purchase and sale of the Certificates pursuant to this Purchase Contract is an arm's-length commercial transaction between the Treasurer, the Participants and the Underwriters; (ii) in connection with such transaction, the Underwriters are acting solely as a principal and not as an agent or a fiduciary of the Treasurer or the Participants; (iii) the Underwriters have not assumed a fiduciary responsibility in favor of the Treasurer or the Participants with respect to: (x) the transactions offered hereby or the process leading thereto (whether or not either Underwriter, or any affiliate of either Underwriter, has advised or is currently advising the Treasurer or the Participants on other matters); or (y) any other fiduciary or contractual obligation to the Treasurer or the Participants except the obligations expressly set forth in this Purchase Contract; and (iv) the Treasurer and the Participants have consulted with their own legal and financial advisors to the extent deemed appropriate in connection with the transactions contemplated hereby. The Representative has been duly authorized to execute this Purchase Contract and to act hereunder.

The purchase price for the Notes attributable to the Certificates paid by the Treasurer shall be derived solely from the proceeds received from the sale of the Certificates to the Underwriters, which aggregate purchase price shall be as follows: \$_____, which represents the aggregate principal amount of the Notes evidenced and represented by the Certificates in the amount of \$_____, plus a premium in the amount of \$_____ and less an Underwriters' discount of \$_____.

1. The Certificates shall evidence and represent proportionate and undivided interests in the principal of and interest payable on the Notes, and shall be otherwise substantially as described in the resolutions adopted by each of the Participants authorizing the execution and delivery of the Certificates and the issuance of the Notes (collectively, the "Participant Resolutions"), and shall be executed and delivered in a manner consistent with the provisions of the Constitution of the State of California (the "State") and laws of the State and the resolution adopted by the Board of Supervisors of the County on August __, 2018 (the "County Resolution"). The Notes shall be substantially as described in the County Resolution, and shall be issued in a manner consistent with the provisions of the Constitution and laws of the State.

2. Prior to the Treasurer's acceptance hereof, the Participants have caused to be delivered to the Representative a Preliminary Official Statement, dated August __, 2018, relating to the Certificates (the "Preliminary Official Statement"), in a form satisfactory to the Representative. The Participants, pursuant to their respective Participant Resolutions, have authorized the preparation of and use by the Underwriters, of the Preliminary Official Statement in connection with the offering of the Certificates by the Underwriters prior to the date of the final Official Statement (the "Official Statement") in connection with the offering and sale of the Certificates. The Participants also have authorized the preparation and use of the final Official Statement.

The Underwriters hereby represent that they have received and reviewed the Preliminary Official Statement. The Participants each have represented that they deem the Preliminary Official Statement to be final, except for the addition of the offering price(s), interest rate(s), selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s), and other terms of the Certificates which depend on the foregoing and

that as of the date thereof, the Preliminary Official Statement did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

3. The Underwriters agree that prior to the time the final Official Statement is available, the Underwriters will send, and will contractually obligate each member of any underwriting syndicate to send, to any potential purchaser of the Certificates, upon the request of such potential purchaser, a copy of the most recent Preliminary Official Statement relating to the Certificates. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date such request is received.

(A) The Participants shall deliver (or cause to be delivered) to the Representative, within seven business days following the date this Purchase Contract is fully executed but not later than the date of Closing, copies of the final Official Statement relating to the Certificates in such quantities as may be requested by the Representative not later than five business days following the date this Purchase Contract is fully executed, in order to permit the Underwriters to comply with paragraph (b)(4) of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended (“Rule 15c2-12”), and the rules of the Municipal Securities Rulemaking Board. Such final Official Statement shall be substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Representative and the Participants. At all times subsequent thereto during the period up to and including the date of Closing, the final Official Statement does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

(B) After the Closing of the purchase and sale of the Notes and the Certificates hereunder: (a) the Participants shall not adopt any amendment of or supplement to the Official Statement to which, after having been furnished with a copy, the Representative shall object in writing; and (b) if any event relating to or affecting any Participant shall occur as a result of which it is necessary, in the opinion of the Representative, to amend or supplement the Official Statement to make the Official Statement not misleading in light of the circumstances existing at the time such is delivered to a purchaser, the Participants shall forthwith prepare and furnish to the Representative (at the expense of the Participants for ninety (90) days from the Closing and otherwise at the expense of the Underwriters) a reasonable number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Representative) that will amend or supplement the Official Statement so that it will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in light of the circumstances existing at the time it is delivered to a purchaser, not misleading.

(C) The financial statements of, and other financial information regarding the Participants in the Official Statement fairly present the financial position and results of

the Participants as of the dates and for the periods set forth therein. Prior to the Closing, there will be no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the Participants. The Participants are not a party to any litigation or other proceeding pending or, to their respective knowledge, threatened which, if decided adversely to the Participants, would have a materially adverse effect on the financial condition of the Participants;

(D) References herein to the Preliminary Official Statement and the final Official Statement include the cover page, the inside cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto and such changes therein and supplements thereto which are consented to in writing by the Underwriters.

4. The Underwriters agree to make a bona fide public offering of all the Certificates at the initial public offering prices as set forth on the inside cover page of the Official Statement. Subsequent to such initial public offering, the Underwriters reserve the right to change the public offering prices as they may deem necessary in connection with the marketing of the Certificates.

(a) The Representative, on behalf of the Underwriters, agrees to assist the Treasurer, on behalf of the Participants, in establishing the issue price of the Certificates and shall execute and deliver at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, as may be appropriate or necessary, in the reasonable judgment of the Representative, the Treasurer and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Certificates. All actions to be taken by the Treasurer, on behalf of the Participants, under this section to establish the issue price of the Certificates may be taken on behalf of the Treasurer, on behalf of the Participants, by the financial advisor and any notice or report to be provided to the Treasurer or the Participants may be provided to the financial advisor.

(b) Except as otherwise set forth in Appendix A attached hereto, the Treasurer, on behalf of the Participants, will treat the first price at which 10% of each maturity of the Certificates (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Representative shall report to the Treasurer, on behalf of the Participants, the price or prices at which it has sold to the public each maturity of Certificates. [If at that time the 10% test has not been satisfied as to any maturity of the Certificates, the Representative agrees to promptly report to the Treasurer, on behalf of the Participants, the prices at which it sells the unsold Certificates of that maturity to the public. That reporting obligation shall continue, whether or not the Closing has occurred, until either (i) all Certificates of that maturity have been sold or (ii) the 10% test has been satisfied as to the Certificates of that maturity, provided that the Underwriters’ reporting obligation after the Closing may be at reasonable periodic intervals or otherwise upon request of the Representative, the Treasurer or bond counsel.] For purposes of this Section, if Certificates mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Certificates.

(c) [This Section shall apply only if the Representative agrees to apply the hold-the-offering-price rule.] [The Representative confirms that the Underwriters have offered the Certificates to the public on or before the date of this Purchase Contract at the offering price or prices (the “initial offering price”), or at the corresponding yield or yields, set forth in Appendix A attached hereto, except as otherwise set forth therein. Appendix A also sets forth, as of the date of this Purchase Contract, the maturities, if any, of the Certificates for which the 10% test has not been satisfied and for which the Treasurer, on behalf of the Participants, and the Representative, on behalf of the Underwriters, agree that the restrictions set forth in the next sentence shall apply, which will allow the Participants to treat the initial offering price to the public of each such maturity as of the sale date as the issue price of that maturity (the “hold-the-offering-price rule”). So long as the hold-the-offering-price rule remains applicable to any maturity of the Certificates, the Underwriters will neither offer nor sell unsold Certificates of that maturity to any person at a price that is higher than the initial offering price to the public during the period starting on the sale date and ending on the earlier of the following:

(2) the close of the fifth (5th) business day after the sale date; or

(3) the date on which the Underwriters have sold at least 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

The Representative will advise the Treasurer, on behalf of the Participants, promptly after the close of the fifth (5th) business day after the sale date whether it has sold 10% of that maturity of the Certificates to the public at a price that is no higher than the initial offering price to the public.

(d) The Representative confirms that:

(ii) any agreement among underwriters, any selling group agreement and each third-party distribution agreement (to which the Representative is a party) relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter, each dealer who is a member of the selling group and each broker-dealer that is a party to such third-party distribution agreement, as applicable:

(A) (i) to report the prices at which it sells to the public the unsold Certificates of each maturity allocated to it, whether or not the Closing has occurred, until either all Certificates of that maturity allocated to it have been sold or it is notified by the Representative that the 10% test has been satisfied as to the Certificates of that maturity, provided that, the reporting obligation after the Closing may be at reasonable periodic intervals or otherwise upon request of the Representative, and (ii) to comply with the hold-the-offering-price rule, if applicable, if and for so long as directed by the Representative and as set forth in the related pricing wires, and

(B) to promptly notify the Representative of any sales of Certificates that, to its knowledge, are made to a purchaser who is a related party to an underwriter participating in the initial sale of the Certificates to the public (each such term being used as defined below).

(C) to acknowledge that, unless otherwise advised by the Underwriter, dealer or broker-dealer, the Representative shall assume that each order submitted by the Underwriter, dealer or broker-dealer is a sale to the public.

(i) any agreement among underwriters or selling group agreement relating to the initial sale of the Certificates to the public, together with the related pricing wires, contains or will contain language obligating each Underwriter or dealer that is a party to a third-party distribution agreement to be employed in connection with the initial sale of the Certificates to the public to require each broker-dealer that is a party to such third-party distribution agreement to (A) report the prices at which it sells to the public the unsold Certificates of each maturity allocated to it, whether or not the Closing has occurred, until either all Certificates of that maturity allocated to it have been sold or it is notified by the Representative or such Underwriter or dealer that the 10% test has been satisfied as to the Certificates of that maturity, provided that, the reporting obligation after the Closing may be at reasonable periodic intervals or otherwise upon request of the Representative or such Underwriter or dealer, and (B) comply with the hold-the-offering price rule, if applicable, if and for so long as directed by the Representative or the Underwriter or the dealer and as set forth in the related pricing wires.

(iii) “underwriter” means (A) any person that agrees pursuant to a written contract with the Treasurer, on behalf of the Participants, (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Certificates to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Certificates to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Certificates to the public),

(iv) a purchaser of any of the Certificates is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (A) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (C) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other), and

Purchasers of the Certificates will not receive certificated securities representing their interests in the Certificates purchased.

6. The Underwriters have entered into this Purchase Contract in reliance upon the representations and warranties of the Participants required hereby, the Trust Agreements, the County Resolution, the Participant Resolutions and the performance by the Treasurer and the Participants of their obligations hereunder, as of the date hereof and as of the date of the Closing. The Underwriters' obligations under this Purchase Contract are and shall be subject to the following further conditions as of the Closing:

(A) The representations and warranties of the Participants heretofore provided to the Underwriters shall not be materially inaccurate at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents executed by the Participants and delivered to the Underwriters at the Closing pursuant hereto shall not be materially inaccurate at and as of the Closing; and the Participants shall be in compliance with each of the agreements made by each of them in the related Participant Resolution (unless such agreements are waived by the Representative).

(C) The provisions of law governing the payment of the revenues pledged to pay the Notes shall be in full force and effect and shall not have been amended in any respect that would materially adversely affect the prospects that such revenues will be

received in the amounts and by the respective dates indicated in the County Resolution, the Official Statement and the signature pages to this Purchase Contract.

(D) Except as disclosed in the Official Statement, no decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Purchase Contract (and not reversed on appeal or otherwise set aside) which (i) has any of the effects described in sub-paragraph (G)(6)(vi) of this Section 6, or (ii) declares this Purchase Contract to be invalid or unenforceable in whole or in material part.

(E) There shall not have occurred since the date of this Purchase Contract any materially adverse change in the affairs or financial condition of any of the Participants.

(F) In recognition of the desire of the Treasurer and the Underwriters to effect a successful public offering of the Certificates, and in view of the potential adverse impact of any of the following events on a public offering, the Underwriters shall have the right to cancel their obligations to acquire the Certificates, by delivery of written notice from the Representative to the Participants, if between the date hereof and the Closing: (i) the Official Statement shall have been amended, modified or supplemented and which amendment, modification or supplement, in the reasonable judgment of the Underwriter, materially and adversely affects the marketability or market price of the Certificates; or (ii) any event shall occur which, in the reasonable professional judgment of the Representative, makes untrue any statement of a material fact set forth in the Official Statement or results in an omission to state a material fact necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading; or (iii) the market for the Certificates or the ability of the Underwriters to enforce contracts for the sale of the Certificates shall have been materially and adversely affected, in the reasonable professional judgment of the Representative, by (a) legislation enacted by the Congress of the United States, or passed by either House of the Congress, or recommended to the Congress for passage by the President of the United States, or favorably reported for passage to either House of the Congress by a committee of such House to which such legislation has been referred for consideration, or a decision rendered by a court of the United States or by the United States Tax Court, or a ruling, order, official statement, or regulation (final, temporary or proposed) made by the Treasury Department of the United States or the Internal Revenue Service, with respect to federal taxation upon interest received on obligations of the general character of the Notes or the Certificates or which would have the effect of changing, directly or indirectly, the federal income tax consequences of interest on obligations of the general character of the Certificates in the hands of the holders thereof, or (b) any outbreak or escalation of hostilities or other national or international calamity, or crisis or an event of fiscal default by a city, municipality, district or authority located in the State, the effect of such outbreak, escalation, calamity, crisis or default being such as would cause a major disruption in the municipal bond market that, in the reasonable judgement of the Representative, would have a materially adverse effect on of the marketability of the Certificates, or (c) a general suspension of trading on the New York Stock Exchange, or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on the New York Stock Exchange, whether by virtue of a determination by that Exchange or by order of the Securities and Exchange Commission or any other

governmental authority having jurisdiction, or (d) a general banking moratorium declared by either federal or State authorities having jurisdiction, or (e) any action, suit, proceeding or investigation described in sub-paragraph (G)(6)(vi) of this Section 6, or (f) a withdrawal or downgrading of any rating of the Certificates by a national rating agency, or (g) there shall have occurred or any notice shall have been given of any intended downgrading, suspension, withdrawal, or negative change in credit watch status by any national rating service to any of the obligations of any of the Participants' outstanding indebtedness; or (iv) there shall have occurred any materially adverse change in the affairs or financial condition of the Participants;

(G) At or prior to the Closing, the Representative shall have received the following documents, each dated the date of the Closing and in each case satisfactory in form and substance to the Representative:

**RESOLUTION OF THE BOARD OF TRUSTEES OF THE
ACTON-AGUA DULCE UNIFIED SCHOOL DISTRICT
REQUESTING THE ISSUANCE OF
2018-2019 TAX AND REVENUE ANTICIPATION NOTES
FOR THE DISTRICT BY THE BOARD OF SUPERVISORS
OF THE COUNTY OF LOS ANGELES**

WHEREAS, pursuant to Sections 53850 *et seq.*, of the Government Code of the State of California (the "Code") contained in Title 5, Division 2, Part 1, Chapter 4, Article 7.6 thereof, on or after the first day of any fiscal year, the Acton-Agua Dulce Unified School District (the "District") may borrow money by issuing notes to be designated "Acton-Agua Dulce Unified School District 2018-2019 Tax and Revenue Anticipation Notes" (the "Notes") in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received by the District attributable to its fiscal year ending June 30, 2019 (the "Repayment Fiscal Year") for any purpose for which the District is authorized to expend moneys, including but not limited to current expenses, capital expenditures and the discharge of any obligation or indebtedness of the District; and

WHEREAS, Section 53853 of the Code provides that such notes may be issued by the board of supervisors of the county, the county superintendent of which has jurisdiction over the school or community college district on behalf of the school or community college district upon the authority of a resolution of the governing board of the school or community college district; and

WHEREAS, this Board of Trustees (the "Board of Trustees"), being the governing board of the District, desires the assistance of the Board of Supervisors of the County of Los Angeles (the "County Board") in connection with the issuance of the Notes; and

WHEREAS, pursuant to the Code, the Notes shall be payable no more than 13 months after the date of issue and the Notes shall be payable only from revenue received or accrued during the fiscal year in which the Notes were issued; and

WHEREAS, pursuant to Section 53856 of the Code, the District may pledge any taxes, income, revenue, cash receipts or other moneys deposited in inactive or term deposits, excepting funds of the District otherwise restricted, to the repayment of the Notes, which shall be issued as a general obligation of the District, and to the extent not paid from the taxes, income, revenue, cash receipts and other moneys of the District pledged for the payment thereof, shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Code; and

WHEREAS, the Notes to be issued hereunder in Fiscal Year 2018-2019 when added to the interest payable thereon, may not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be

available for the payment of principal of the Notes and the interest thereon, as required by Section 53858 of the Code; and

WHEREAS, it may be in the best interests of the District to participate in a Los Angeles County Schools Pooled Financing 2018-2019 Tax and Revenue Anticipation Notes Program (the "Pooled Program") in order to achieve the highest possible rating, the lowest possible interest rate for the Notes and savings in costs of issuance and to improve the marketability of the Notes, and, accordingly, for the Treasurer and Tax Collector of the County of Los Angeles (the "Treasurer and Tax Collector") to provide for the execution and delivery of participation certificates ("Participation Certificates"), evidencing proportionate interests in the Notes for sale to the general public on a pooled basis with the tax and revenue anticipation notes of other school districts and/or community college districts located within the County of Los Angeles (the "County"); and

WHEREAS, the Los Angeles County Office of Education has approved the selection of underwriters who will purchase any Notes issued under the Pooled Program (the "Pooled Program Notes") and the selection of Bond Counsel who will provide the approving opinion on the Notes, and the Board of Trustees desires to have any Pooled Program Notes or, in the alternative, to have its individual Notes purchased by such underwriters upon such terms as may be approved by an Authorized Officer (as defined in Section 7 below) of the District;

NOW, THEREFORE, this Board of Trustees hereby determines and resolves as follows:

Section 1. Findings and Determinations. All of the recitals set forth herein are true and correct and this Board of Trustees so finds and determines.

Section 2. Authorization of Issuance of Notes; Terms of the Notes. This Board of Trustees hereby authorizes the issuance of its Notes in a principal amount not to exceed \$800,000 under Section 53850, *et seq.*, of the Code to be designated "Acton-Agua Dulce Unified School District, 2018-2019 Tax and Revenue Anticipation Notes," the principal amount to be set forth in the Purchase Contract (hereinafter defined) and the Notes. The Notes are to be numbered from one consecutively upward in order of issuance, to be in denominations of \$5,000 or any integral multiples thereof, to be dated the date of delivery thereof; to mature (without option of prior redemption) not more than 13 months after their date of issue and to bear interest, payable on the date of maturity (the "Maturity Date") and, if the Maturity Date for such Notes is more than 12 months from the date of issuance, on a date not more than 12 months after their date issuance and on the Maturity Date, all as determined by the Treasurer and Tax Collector and provided for in the Notes, computed on the basis of a 360-day year consisting of twelve 30-day months, at the interest rate or rates determined at the time of sale thereof but not in excess of the maximum rate permitted by law. The Notes may be issued for purchase by the Pooled Program whereby the District and certain other school districts and community college districts (collectively, with respect to any one series of Participation Certificates, the "Participants") located within the County will simultaneously issue tax and revenue anticipation notes to secure Participation Certificates evidencing proportionate and undivided interests in the Notes and the tax and revenue anticipation notes of the other Participants as provided in Section 7 below.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the Treasurer and Tax Collector if such Notes are issued for purchase by the Pooled Program. The Treasurer and Tax Collector is hereby requested to act as a trustee, fiscal agent, dissemination agent and/or presentation agent (the "Fiscal Agent") in connection with the Notes and the Participation Certificates related thereto, and the County may appoint an agent or other third party to perform any or all of such duties.

If the Notes are not issued for purchase by the Pooled Program, the principal of and interest on the Notes shall be payable to the registered owner thereof upon surrender of the Note at the principal office of The Bank of New York Mellon Trust Company, N.A., as certificate agent (the "Certificate Agent") as provided in the Trust Agreement (the "Trust Agreement") to be entered into by and between the County and the Certificate Agent.

Section 3. Form of Notes. The Notes shall be issued in fully registered form, and shall be substantially in the form attached hereto as Exhibit A and by this reference incorporated herein or with appropriate modifications to such form as the Treasurer and Tax Collector may determine and approve. There shall be delivered with the Notes a legal opinion of Hawkins Delafield & Wood LLP, or such other counsel as the Los Angeles County Office of Education may appoint, as bond counsel ("Bond Counsel") respecting the validity of said Notes and the exclusion from gross income of the interest thereon for federal income tax purposes and the exemption of interest thereon from present State of California personal income taxes.

Section 4. Deposit of Note Proceeds; No Arbitrage. The proceeds of sale of the Notes (net of costs of issuance) shall be deposited in or to the credit of the general fund of the District or otherwise as directed by the Authorized Officer to be withdrawn and expended for any lawful purpose for which the District is authorized to expend moneys, including, but not limited to, current expenses, capital expenditures and the discharge of any obligations or indebtedness of the District. The District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District with respect to the Notes and any other instructions requested by or otherwise provided by Bond Counsel.

Section 5. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during, or are attributable to, the Repayment Fiscal Year and which are lawfully available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges from the first unrestricted revenues received by the District (such pledged amounts being hereinafter called the "Pledged Revenues"), the amounts as fully described in the Purchase Contract and Notes. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other money of the District as provided in Section 53856 of the Code, which are intended as receipts for the general fund of the

District and which are generally available for the payment of current expenses and other obligations of the District. The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the moneys received by the District from such Pledged Revenues, as provided by law. Any tax and revenue anticipation notes issued subsequent to the Notes (the "Subordinated Notes") shall be payable from and secured by a lien on unrestricted revenues received or attributable to Fiscal Year 2018-2019 on a basis junior and subordinate in all respects to the lien on the unrestricted revenues received or attributable to Fiscal Year 2018-2019 of the Notes authorized under Section 2 of this District Resolution. The Subordinated Notes shall not mature prior to the Notes or be subject to redemption prior to the maturity of the Notes. No deposit to any account established for the payment of principal of and interest on the Subordinated Notes shall be permitted prior to the deposit in full of each monthly set-aside requirement in the Repayment Fund for the Notes pursuant to Section 5 hereof.

In order to effect the pledge referred to in the preceding paragraph, the District agrees to the establishment of the Repayment Fund (hereinafter defined) and the District agrees to cause to be deposited, and shall request specific amounts from the District's funds on deposit with the Treasurer and Tax Collector for such purpose, directly therein the first unrestricted revenues received by the District in the amounts and on the dates set forth in the Trust Agreement if such Notes are issued for purchase by the Pooled Program or in the Notes if such Notes are issued on a stand-alone basis (each individual month a "Repayment Month" and collectively, the "Repayment Months") and any amount thereafter attributable to the Repayment Fiscal Year, until the amount on deposit in such fund, taking into consideration anticipated investment earnings thereon to be received by the Maturity Date (as specified in the Purchase Contract and Notes) is equal to the principal of and interest due on the Notes at maturity as specified in the Purchase Contract and the Notes; provided, however, that nothing herein shall prohibit or restrict the District from depositing moneys into the Repayment Fund in advance of a Repayment Month.

The District shall and does hereby authorize and instruct that, in the event that there have been insufficient Pledged Revenues received by the District by the third Business Day prior to the last Business Day (as defined in the Trust Agreement) of any Repayment Month (the "Pledge Date") to permit the deposit into the Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Auditor-Controller shall collect the amount of any deficiency for deposit in the Repayment Fund in such amount as may be directed by the Treasurer and Tax Collector from any other unrestricted moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis when and as such Pledged Revenues and unrestricted moneys are received by the District or for the account of the District and shall deposit said moneys with the Treasurer and Tax Collector for credit directly to the Repayment Fund.

None of the Pledged Revenues shall be available for the payment of principal of and interest due on any tax and revenue anticipation notes attributable to any Participant other than the District, and the District acknowledges and agrees that by participation in the Pooled Program or by issuing its Notes on a stand-alone basis, it shall not be entitled to any payment of principal of and interest on the Notes from the moneys of any Participant other than the District.

(C) Intercept Procedure. In accordance with Section 5(B) hereof and to effect the pledge contained in this resolution (the “District Resolution”), the District shall and does hereby authorize and instruct the Los Angeles County Auditor-Controller (the “Auditor-Controller”) to intercept Pledged Revenues as set forth in Notes and the Trust Agreement, and place such amounts on deposit each Repayment Month with the Treasurer and Tax Collector directly in the Repayment Fund held by the Fiscal Agent with a designation to the Certificate Agent of the amounts to be credited for the District. Upon such deposit, such funds will not be available to the District.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a separate and special fund designated as the “Acton-Agua Dulce Unified School District, 2018-2019 Tax and Revenue Anticipation Notes Repayment Fund” (herein called the “Repayment Fund”) and the County will administer the Pledged Revenues through and including the Maturity Date of the Notes and apply such funds as directed in this District Resolution. Any moneys deposited in the Repayment Fund shall be for the sole benefit of the owners of the Notes and until the Notes and all interest thereon are paid, or until provision has been made for the payment of the principal of the Notes and all interest thereon in accordance with their terms, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created. The Treasurer and Tax Collector is directed to deposit all Pledged Revenues subject to deposit as provided in this Section 5(D) when and as received directly into the Repayment Fund, without further instruction by the District. From the dates of receipt by the Treasurer and Tax Collector of any of the Pledged Revenues subject to such deposit, the District shall have no right, title or interest therein.

(E) Disbursement and Investment of Moneys in Repayment Fund. All Pledged Revenues shall be deposited into the Repayment Fund upon receipt. After such date as the amount of Pledged Revenues on deposit in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District or otherwise as directed by the Authorized Officer. On the Maturity Date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested in Permitted Investments (as defined in the Trust Agreement) as directed by the Treasurer and Tax Collector or by the Authorized Officer in consultation with the Los Angeles County Office of Education. The Treasurer and Tax Collector (who is hereby designated as agent of the District for these purposes) is hereby requested to invest and/or to direct the investment of the proceeds of the Notes and the Participation Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and County policy governing the investment of such funds.

(F) Defaults in the Repayment of the Notes. If the Notes are not paid when due or are paid in whole or in part by a draw under or claim upon a form of credit support for the Notes or a series of Participation Certificates (“Credit Enhancement”) which draw or claim is not fully reimbursed on such date, they shall become Defaulted Notes (as defined in the Trust Agreement), and the unpaid portion thereof (or the portion thereof with respect to which Credit

Enhancement applies for which reimbursement on a draw or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest at the default rate specified in the Trust Agreement (the "Default Rate"). If the Notes are not secured by Credit Enhancement in whole or in part and are not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Enhancement applies which is unpaid), including the respective series of Participation Certificates, shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Notes or unpaid Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year as provided in Section 5(B) above.

Section 6. Execution of Notes. The District hereby requests the Treasurer and Tax Collector, or his designated deputy, and the appropriate officers of the County Board to execute the Notes by their manual or facsimile signatures and to affix a facsimile of the seal of the County thereon. Said officers shall be authorized to cause the blank spaces thereof to be filled in prior to initial delivery as may be appropriate. The District's approval of the information set forth therein shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector.

Section 7. Approval of Sale of Notes. This Board of Trustees hereby delegates to the President or Chairperson, as applicable, of the Board of Trustees, to the Superintendent, Assistant Superintendent for Fiscal Services, Business Manager or Chief Business Officer of the District, as the case may be, or such other authorized person (each, an "Authorized Officer"), the right, on behalf of the District, to elect to have the District participate in the Pooled Program or to have the Notes issued on a stand-alone basis. Such election shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector. In case any officer whose signature shall appear on any Notes shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Treasurer and Tax Collector shall, within the limitations set forth below, be authorized and directed, on behalf of the District, to enter into a contract of purchase (the "Purchase Contract") with the Underwriters (hereinafter defined) for the purchase of the Notes and the respective series of Participation Certificates. In connection with the Pooled Program, the Los Angeles County Office of Education, with the concurrence of this District, has appointed RBC Capital Markets, LLC, as representative of itself and any co-underwriter the Los Angeles County Office of Education may appoint as underwriters (collectively, the "Underwriters").

The tax and revenue anticipation notes of the Pooled Program shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes and the tax and revenue anticipation notes of the other Participants in such series, if any. The Notes, if such Notes are issued on a stand-alone basis, shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes. It is hereby recognized, acknowledged and agreed that the Certificate Agent appointed pursuant to the Trust Agreement may execute and deliver a Series of Participation Certificates on behalf of the District and the other Participants of such Series, each representing the proportional, undivided ownership interest of the registered owner

thereof in the Notes of the Pooled Program related to such Series of Participation Certificates. The District agrees to recognize each registered owner of the related Series of Participation Certificates as the beneficial owner of its Notes to the extent of such registered owner's proportional, undivided interest in the Notes. The Authorized Officer is hereby authorized to execute and deliver any documents and to take such other action as may be necessary or proper to carry out the interest of the provisions hereof. The participation by the District in the Pooled Program and the execution and delivery of a Series of Participation Certificates under the Trust Agreement shall not cause the District to be liable for payments of principal of or interest on the tax and revenue anticipation notes attributable to any other Participant.

Section 8. Authorization and Approval of Preliminary Official Statement and Official Statement. The Underwriters are hereby authorized to prepare a Preliminary Official Statement and an Official Statement relating to the Notes and the Pooled Program. Each Authorized Officer is hereby authorized and directed to provide to the Underwriters such information relating to the District as the Underwriters shall reasonably request in connection with the preparation of and for inclusion in the Preliminary Official Statement and the Official Statement. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement, except for certain omissions permitted by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC") promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), is hereby deemed "final" within the meaning of the Rule; provided that no representation is made by the District as to the information contained in the Preliminary Official Statement relating to the other Participants or any municipal bond insurer.

If, at any time prior to the execution of the Purchase Contract by the County, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, at any time subsequent to the execution of the Purchase Contract by the County and prior to the "end of the underwriting period" (as defined in the Rule), any event occurs as a result of which the information contained in the Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, in the opinion of the Underwriters, such event requires the preparation and distribution of a supplement or amendment to the Preliminary Official Statement or Official Statement, the District shall prepare and furnish to the Underwriters, at the expense of the District, such number of copies of the supplement or amendment to the Preliminary Official Statement or Official Statement, as applicable, in form and substance mutually agreed upon by the District and the Underwriters, as the Underwriters may reasonably request.

FOR THE DISTRICT BY THE BOARD OF SUPERVISORS
OF THE COUNTY OF LOS ANGELES**

WHEREAS, pursuant to Sections 53850 *et seq.*, of the Government Code of the State of California (the "Code") contained in Title 5, Division 2, Part 1, Chapter 4, Article 7.6 thereof, on or after the first day of any fiscal year, the Beverly Hills Unified School District (the "District") may borrow money by issuing notes to be designated "Beverly Hills Unified School District 2018-2019 Tax and Revenue Anticipation Notes" (the "Notes") in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received by the District attributable to its fiscal year ending June 30, 2019 (the "Repayment Fiscal Year") for any purpose for which the District is authorized to expend moneys, including but not limited to current expenses, capital expenditures and the discharge of any obligation or indebtedness of the District; and

WHEREAS, Section 53853 of the Code provides that such notes may be issued by the board of supervisors of the county, the county superintendent of which has jurisdiction over the school or community college district on behalf of the school or community college district upon the authority of a resolution of the governing board of the school or community college district; and

WHEREAS, this Board of Education (the "Board of Education"), being the governing board of the District, desires the assistance of the Board of Supervisors of the County of Los Angeles (the "County Board") in connection with the issuance of the Notes; and

WHEREAS, pursuant to the Code, the Notes shall be payable no more than 13 months after the date of issue and the Notes shall be payable only from revenue received or accrued during the fiscal year in which the Notes were issued; and

WHEREAS, pursuant to Section 53856 of the Code, the District may pledge any taxes, income, revenue, cash receipts or other moneys deposited in inactive or term deposits, excepting funds of the District otherwise restricted, to the repayment of the Notes, which shall be issued as a general obligation of the District, and to the extent not paid from the taxes, income, revenue, cash receipts and other moneys of the District pledged for the payment thereof, shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Code; and

WHEREAS, the Notes to be issued hereunder in Fiscal Year 2018-2019 when added to the interest payable thereon, may not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be

available for the payment of principal of the Notes and the interest thereon, as required by Section 53858 of the Code; and

WHEREAS, it may be in the best interests of the District to participate in a Los Angeles County Schools Pooled Financing 2018-2019 Tax and Revenue Anticipation Notes Program (the "Pooled Program") in order to achieve the highest possible rating, the lowest possible interest rate for the Notes and savings in costs of issuance and to improve the marketability of the Notes, and, accordingly, for the Treasurer and Tax Collector of the County of Los Angeles (the "Treasurer and Tax Collector") to provide for the execution and delivery of participation certificates ("Participation Certificates"), evidencing proportionate interests in the Notes for sale to the general public on a pooled basis with the tax and revenue anticipation notes of other school districts and/or community college districts located within the County of Los Angeles (the "County"); and

WHEREAS, the Los Angeles County Office of Education has approved the selection of underwriters who will purchase any Notes issued under the Pooled Program (the "Pooled Program Notes") and the selection of Bond Counsel who will provide the approving opinion on the Notes, and the Board of Education desires to have any Pooled Program Notes or, in the alternative, to have its individual Notes purchased by such underwriters upon such terms as may be approved by an Authorized Officer (as defined in Section 7 below) of the District;

NOW, THEREFORE, this Board of Education hereby determines and resolves as follows:

Section 1. Findings and Determinations. All of the recitals set forth herein are true and correct and this Board of Education so finds and determines.

Section 2. Authorization of Issuance of Notes; Terms of the Notes. This Board of Education hereby authorizes the issuance of its Notes in a principal amount not to exceed \$15,000,000 under Section 53850, *et seq.*, of the Code to be designated "Beverly Hills Unified School District, 2018-2019 Tax and Revenue Anticipation Notes," the principal amount to be set forth in the Purchase Contract (hereinafter defined) and the Notes. The Notes are to be numbered from one consecutively upward in order of issuance, to be in denominations of \$5,000 or any integral multiples thereof, to be dated the date of delivery thereof; to mature (without option of prior redemption) not more than 13 months after their date of issue and to bear interest, payable on the date of maturity (the "Maturity Date") and, if the Maturity Date for such Notes is more than 12 months from the date of issuance, on a date not more than 12 months after their date issuance and on the Maturity Date, all as determined by the Treasurer and Tax Collector and provided for in the Notes, computed on the basis of a 360-day year consisting of twelve 30-day months, at the interest rate or rates determined at the time of sale thereof but not in excess of the maximum rate permitted by law. The Notes may be issued for purchase by the Pooled Program whereby the District and certain other school districts and community college districts (collectively, with respect to any one series of Participation Certificates, the "Participants") located within the County will simultaneously issue tax and revenue anticipation notes to secure Participation Certificates evidencing proportionate and undivided interests in the Notes and the tax and revenue anticipation notes of the other Participants as provided in Section 7 below.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the Treasurer and Tax Collector if such Notes are issued for purchase by the Pooled Program. The Treasurer and Tax Collector is hereby requested to act as a trustee, fiscal agent, dissemination agent and/or presentation agent (the "Fiscal Agent") in connection with the Notes and the Participation Certificates related thereto, and the County may appoint an agent or other third party to perform any or all of such duties.

If the Notes are not issued for purchase by the Pooled Program, the principal of and interest on the Notes shall be payable to the registered owner thereof upon surrender of the Note at the principal office of The Bank of New York Mellon Trust Company, N.A., as certificate agent (the "Certificate Agent") as provided in the Trust Agreement (the "Trust Agreement") to be entered into by and between the County and the Certificate Agent.

Section 3. Form of Notes. The Notes shall be issued in fully registered form, and shall be substantially in the form attached hereto as Exhibit A and by this reference incorporated herein or with appropriate modifications to such form as the Treasurer and Tax Collector may determine and approve. There shall be delivered with the Notes a legal opinion of Hawkins Delafield & Wood LLP, or such other counsel as the Los Angeles County Office of Education may appoint, as bond counsel ("Bond Counsel") respecting the validity of said Notes and the exclusion from gross income of the interest thereon for federal income tax purposes and the exemption of interest thereon from present State of California personal income taxes.

Section 4. Deposit of Note Proceeds; No Arbitrage. The proceeds of sale of the Notes (net of costs of issuance) shall be deposited in or to the credit of the general fund of the District or otherwise as directed by the Authorized Officer to be withdrawn and expended for any lawful purpose for which the District is authorized to expend moneys, including, but not limited to, current expenses, capital expenditures and the discharge of any obligations or indebtedness of the District. The District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District with respect to the Notes and any other instructions requested by or otherwise provided by Bond Counsel.

Section 5. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during, or are attributable to, the Repayment Fiscal Year and which are lawfully available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges from the first unrestricted revenues received by the District (such pledged amounts being hereinafter called the "Pledged Revenues"), the amounts as fully described in the Purchase Contract and Notes. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other money of the District as provided in Section 53856 of the Code, which are intended as receipts for the general fund of the District and

which are generally available for the payment of current expenses and other obligations of the District. The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the moneys received by the District from such Pledged Revenues, as provided by law. Any tax and revenue anticipation notes issued subsequent to the Notes (the "Subordinated Notes") shall be payable from and secured by a lien on unrestricted revenues received or attributable to Fiscal Year 2018-2019 on a basis junior and subordinate in all respects to the lien on the unrestricted revenues received or attributable to Fiscal Year 2018-2019 of the Notes authorized under Section 2 of this District Resolution. The Subordinated Notes shall not mature prior to the Notes or be subject to redemption prior to the maturity of the Notes. No deposit to any account established for the payment of principal of and interest on the Subordinated Notes shall be permitted prior to the deposit in full of each monthly set-aside requirement in the Repayment Fund for the Notes pursuant to Section 5 hereof.

In order to effect the pledge referred to in the preceding paragraph, the District agrees to the establishment of the Repayment Fund (hereinafter defined) and the District agrees to cause to be deposited, and shall request specific amounts from the District's funds on deposit with the Treasurer and Tax Collector for such purpose, directly therein the first unrestricted revenues received by the District in the amounts and on the dates set forth in the Trust Agreement if such Notes are issued for purchase by the Pooled Program or in the Notes if such Notes are issued on a stand-alone basis (each individual month a "Repayment Month" and collectively, the "Repayment Months") and any amount thereafter attributable to the Repayment Fiscal Year, until the amount on deposit in such fund, taking into consideration anticipated investment earnings thereon to be received by the Maturity Date (as specified in the Purchase Contract and Notes) is equal to the principal of and interest due on the Notes at maturity as specified in the Purchase Contract and the Notes; provided, however, that nothing herein shall prohibit or restrict the District from depositing moneys into the Repayment Fund in advance of a Repayment Month.

The District shall and does hereby authorize and instruct that, in the event that there have been insufficient Pledged Revenues received by the District by the third Business Day prior to the last Business Day (as defined in the Trust Agreement) of any Repayment Month (the "Pledge Date") to permit the deposit into the Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Auditor-Controller shall collect the amount of any deficiency for deposit in the Repayment Fund in such amount as may be directed by the Treasurer and Tax Collector from any other unrestricted moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis when and as such Pledged Revenues and unrestricted moneys are received by the District or for the account of the District and shall deposit said moneys with the Treasurer and Tax Collector for credit directly to the Repayment Fund.

None of the Pledged Revenues shall be available for the payment of principal of and interest due on any tax and revenue anticipation notes attributable to any Participant other than the District, and the District acknowledges and agrees that by participation in the Pooled Program or by issuing its Notes on a stand-alone basis, it shall not be entitled to any payment of principal of and interest on the Notes from the moneys of any Participant other than the District.

(C) Intercept Procedure. In accordance with Section 5(B) hereof and to effect the pledge contained in this resolution (the “District Resolution”), the District shall and does hereby authorize and instruct the Los Angeles County Auditor-Controller (the “Auditor-Controller”) to intercept Pledged Revenues as set forth in Notes and the Trust Agreement, and place such amounts on deposit each Repayment Month with the Treasurer and Tax Collector directly in the Repayment Fund held by the Fiscal Agent with a designation to the Certificate Agent of the amounts to be credited for the District. Upon such deposit, such funds will not be available to the District.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a separate and special fund designated as the “Beverly Hills Unified School District, 2018-2019 Tax and Revenue Anticipation Notes Repayment Fund” (herein called the “Repayment Fund”) and the County will administer the Pledged Revenues through and including the Maturity Date of the Notes and apply such funds as directed in this District Resolution. Any moneys deposited in the Repayment Fund shall be for the sole benefit of the owners of the Notes and until the Notes and all interest thereon are paid, or until provision has been made for the payment of the principal of the Notes and all interest thereon in accordance with their terms, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created. The Treasurer and Tax Collector is directed to deposit all Pledged Revenues subject to deposit as provided in this Section 5(D) when and as received directly into the Repayment Fund, without further instruction by the District. From the dates of receipt by the Treasurer and Tax Collector of any of the Pledged Revenues subject to such deposit, the District shall have no right, title or interest therein.

(E) Disbursement and Investment of Moneys in Repayment Fund. All Pledged Revenues shall be deposited into the Repayment Fund upon receipt. After such date as the amount of Pledged Revenues on deposit in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District or otherwise as directed by the Authorized Officer. On the Maturity Date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested in Permitted Investments (as defined in the Trust Agreement) as directed by the Treasurer and Tax Collector or by the Authorized Officer in consultation with the Los Angeles County Office of Education. The Treasurer and Tax Collector (who is hereby designated as agent of the District for these purposes) is hereby requested to invest and/or to direct the investment of the proceeds of the Notes and the Participation Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and County policy governing the investment of such funds.

(F) Defaults in the Repayment of the Notes. If the Notes are not paid when due or are paid in whole or in part by a draw under or claim upon a form of credit support for the Notes or a series of Participation Certificates (“Credit Enhancement”) which draw or claim is not fully reimbursed on such date, they shall become Defaulted Notes (as defined in the Trust Agreement), and the unpaid portion thereof (or the portion thereof with respect to which Credit

Enhancement applies for which reimbursement on a draw or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest at the default rate specified in the Trust Agreement (the "Default Rate"). If the Notes are not secured by Credit Enhancement in whole or in part and are not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Enhancement applies which is unpaid), including the respective series of Participation Certificates, shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Notes or unpaid Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year as provided in Section 5(B) above.

Section 6. Execution of Notes. The District hereby requests the Treasurer and Tax Collector, or his designated deputy, and the appropriate officers of the County Board to execute the Notes by their manual or facsimile signatures and to affix a facsimile of the seal of the County thereon. Said officers shall be authorized to cause the blank spaces thereof to be filled in prior to initial delivery as may be appropriate. The District's approval of the information set forth therein shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector.

Section 7. Approval of Sale of Notes. This Board of Education hereby delegates to the President and the Chairperson of the Board of Education and to the Superintendent, Assistant Superintendent for Fiscal Services, Business Manager or Chief Business Officer of the District or such other authorized person (each, an "Authorized Officer") the right, on behalf of the District, to elect to have the District participate in the Pooled Program or to have the Notes issued on a stand-alone basis. Such election shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector. In case any officer whose signature shall appear on any Notes shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Treasurer and Tax Collector shall, within the limitations set forth below, be authorized and directed, on behalf of the District, to enter into a contract of purchase (the "Purchase Contract") with the Underwriters (hereinafter defined) for the purchase of the Notes and the respective series of Participation Certificates. In connection with the Pooled Program, the Los Angeles County Office of Education, with the concurrence of this District, has appointed RBC Capital Markets, LLC, as representative of itself and any co-underwriter the Los Angeles County Office of Education may appoint as underwriters (collectively, the "Underwriters").

The tax and revenue anticipation notes of the Pooled Program shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes and the tax and revenue anticipation notes of the other Participants in such series, if any. The Notes, if such Notes are issued on a stand-alone basis, shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes. It is hereby recognized, acknowledged and agreed that the Certificate Agent appointed pursuant to the Trust Agreement may execute and deliver a Series of Participation Certificates on behalf of the District and the other Participants of such Series, each representing the proportional, undivided ownership interest of the registered owner

thereof in the Notes of the Pooled Program related to such Series of Participation Certificates. The District agrees to recognize each registered owner of the related Series of Participation Certificates as the beneficial owner of its Notes to the extent of such registered owner's proportional, undivided interest in the Notes. The Authorized Officer is hereby authorized to execute and deliver any documents and to take such other action as may be necessary or proper to carry out the interest of the provisions hereof. The participation by the District in the Pooled Program and the execution and delivery of a Series of Participation Certificates under the Trust Agreement shall not cause the District to be liable for payments of principal of or interest on the tax and revenue anticipation notes attributable to any other Participant.

Section 8. Authorization and Approval of Preliminary Official Statement and Official Statement. The Underwriters are hereby authorized to prepare a Preliminary Official Statement and an Official Statement relating to the Notes and the Pooled Program. Each Authorized Officer is hereby authorized and directed to provide to the Underwriters such information relating to the District as the Underwriters shall reasonably request in connection with the preparation of and for inclusion in the Preliminary Official Statement and the Official Statement. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement, except for certain omissions permitted by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC") promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), is hereby deemed "final" within the meaning of the Rule; provided that no representation is made by the District as to the information contained in the Preliminary Official Statement relating to the other Participants or any municipal bond insurer.

If, at any time prior to the execution of the Purchase Contract by the County, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, at any time subsequent to the execution of the Purchase Contract by the County and prior to the "end of the underwriting period" (as defined in the Rule), any event occurs as a result of which the information contained in the Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, in the opinion of the Underwriters, such event requires the preparation and distribution of a supplement or amendment to the Preliminary Official Statement or Official Statement, the District shall prepare and furnish to the Underwriters, at the expense of the District, such number of copies of the supplement or amendment to the Preliminary Official Statement or Official Statement, as applicable, in form and substance mutually agreed upon by the District and the Underwriters, as the Underwriters may reasonably request.

Section 9. Representations and Warranties.

(A) The District is a validly existing school district or community college district under the Constitution and laws of the State, with the right and power to execute, deliver and perform its obligations under this District Resolution.

(B) The performance of the District's obligations under this District Resolution and compliance with the provisions hereof by the District do not and will not conflict with or constitute on the part of the District a breach of, or a default under, the Constitution of the State, any existing law, charter, ordinance, regulation, decree, order or resolution, or any agreement, indenture, mortgage, lease or other instrument, to which the District is subject or by which it is bound.

Section 12. Non-Negotiability of Notes. In the event that the Authorized Officer shall elect to issue the District’s Notes within the Pooled Program, such Notes shall be deposited with the Certificate Agent and maintained in trust until their scheduled maturity and

payment in full. The Notes shall not be transferable or assignable by the Certificate Agent. Notwithstanding the foregoing, in the event that the Notes should be lost, stolen, destroyed or mutilated prior to their stated maturity, the District shall cause to be issued a new Note or Notes of the same tenor, term and maturity as the original to replace the same upon such reasonable terms and conditions, including the payment of costs and the posting of a surety bond, as may from time to time be determined and prescribed by the Authorized Officer in consultation with the Los Angeles County Office of Education.

Section 13. Authorization for Credit Enhancement. This Board of Education acknowledges and agrees that the District shall be obligated to pay the District's *pro rata* share of the cost or the cost, respectively, of any Credit Enhancement required for the Pooled Program or the District in the event the District issues its Notes on a stand-alone basis, respectively, and this Board of Education specifically finds and determines that the acquisition of such Credit Enhancement will benefit the District by reducing the interest cost associated with the Notes. The Authorized Officer is hereby authorized and directed to execute such reimbursement or other financing agreement as may be necessary in order to obtain said Credit Enhancement for the District's participation in the Pooled Program or for the District if the Notes are issued on a stand-alone basis, and the District agrees to perform its obligations pursuant to such reimbursement or other financing agreement.

Section 14. Authorization to Attest. Any Authorized Officer or the Clerk of the Board of Education, or designee thereof, is hereby authorized and directed to attest to the signature of any other Authorized Officer, whenever required or advisable for the transactions contemplated by this District Resolution. Each Authorized Officer is authorized and directed to execute and attest such further documents, instruments and certificates as may be deemed necessary or advisable by Bond Counsel in order to accomplish the purposes of this District Resolution.

Section 15. Further Actions Authorized. It is hereby covenanted that the District, and its appropriate officials, have duly taken all proceedings necessary to be taken by them, and will take any additional proceedings necessary to be taken by them, for the levy, collection and enforcement of the taxes and other revenues pledged under this District Resolution in accordance with the law and for carrying out the provisions of this District Resolution. The Authorized Officers, and other officers and staff of the District are hereby directed to take such further action as may be necessary to carry out the intent and purpose of this District Resolution and to execute and deliver any and all agreements, certificates and other documents that they or Bond Counsel may deem necessary or advisable to effectuate the purposes of this District Resolution without further approval of this Board of Education.

Section 16. Costs and Expenses. The District covenants and agrees to pay its *pro rata* share of the costs and expenses incurred in connection with the execution and delivery of the Notes, the Participation Certificates and the administration of the Pooled Program, in the event that its Authorized Officer should elect to issue the Notes.

Section 17. Indemnification of Certificate Agent. The District shall indemnify, to the extent permitted by law, the Certificate Agent and its officers, directors, agents and employees for losses, costs, expenses (including, without limitation, legal fees and

expenses), suits, damages, judgments and liabilities incurred by the Certificate Agent under this District Resolution and the Trust Agreement not resulting from the Certificate Agent's own gross negligence or willful misconduct.

Section 18. Limited Liability. Notwithstanding anything to the contrary contained herein or in the Notes or in any other document mentioned herein, the District shall not have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby except to the extent payable from moneys available therefor as set forth in Section 5 hereof and the County is not liable for payment on the Notes or any other obligation of the District hereunder.

Section 19. Effective Date. This Resolution shall become effective upon its adoption by the Board of Education.

DATE: June 21, 2018

SUBJECT: Adoption of Resolution 41 Requesting the Issuance of Tax and Revenue Anticipation Notes (TRANs)

RECEIVED

BUSINESS ADVISORY
SERVICES

Background:

Every year the District has the opportunity to join the Los Angeles County Schools pooled Financing Program for Tax and Revenue Anticipation Notes (TRANs). The Los Angeles County Office of Education (LACOE) provides the vehicle for districts to pool their TRANs so that they are more marketable and thus have the potential to earn a higher reinvestment spread.

TRANs are a low cost borrowing mechanism that districts can use in order to solve potential cash flow shortages throughout their fiscal year. The way in which TRANs work is that a district sells revenue anticipation notes and then reinvests these proceeds at a higher rate of return. This reinvestment spread is what makes the cost of borrowing for the district lower than if they were to go to a lending institution.

Discussion/Issues:

The TRANs size is based upon the district's unique projected cash flow for 2018-19. The Bank of New York Mellon Trust Company, are the pooled TRANs underwriters' representative and sets these limits for the participating districts. ✓

The District does project a negative cash flow during 2018-19. We anticipate a cash deficit need of up to **\$17,165,000**, due to the timing of November/December state aid payments and receipt of property taxes.

Burbank Unified School District has not participated in the TRANs for several years. However, the District did experience a negative balance in December 2017 and was able to borrow temporarily from another fund. This is a full year Trans. LACOE will deposit the money into the District's bank account in August 2018 and repay half, in January 2019 and the balance in May 2019. The total transaction costs, including issuance costs have historically been approximately 2%

Fiscal Impact:

Estimated cost of issuance and interest could be up to **\$350,000** (less potential interest earnings).

Recommendation:

David Jaynes, Assistant Superintendent, Administrative Services, recommends that the Board of Education adopt Resolution 41 Requesting the Issuance of the 2018-2019 Tax and Revenue Anticipation Notes for the District by the Board of Supervisors of the County of Los Angeles, not to exceed **\$17,165,000**, as presented.

RESOLUTION NO. 41

**RESOLUTION OF THE BOARD OF EDUCATION OF THE
BURBANK UNIFIED SCHOOL DISTRICT
REQUESTING THE ISSUANCE OF
2018-2019 TAX AND REVENUE ANTICIPATION NOTES
FOR THE DISTRICT BY THE BOARD OF SUPERVISORS
OF THE COUNTY OF LOS ANGELES**

WHEREAS, pursuant to Sections 53850 *et seq.*, of the Government Code of the State of California (the "Code") contained in Title 5, Division 2, Part 1, Chapter 4, Article 7.6 thereof, on or after the first day of any fiscal year, the Burbank Unified School District (the "District") may borrow money by issuing notes to be designated "Burbank Unified School District 2018-2019 Tax and Revenue Anticipation Notes" (the "Notes") in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received by the District attributable to its fiscal year ending June 30, 2019 (the "Repayment Fiscal Year") for any purpose for which the District is authorized to expend moneys, including but not limited to current expenses, capital expenditures and the discharge of any obligation or indebtedness of the District; and

WHEREAS, Section 53853 of the Code provides that such notes may be issued by the board of supervisors of the county, the county superintendent of which has jurisdiction over the school or community college district on behalf of the school or community college district upon the authority of a resolution of the governing board of the school or community college district; and

WHEREAS, this Board of Education (the "Board of Education"), being the governing board of the District, desires the assistance of the Board of Supervisors of the County of Los Angeles (the "County Board") in connection with the issuance of the Notes; and

WHEREAS, pursuant to the Code, the Notes shall be payable no more than 13 months after the date of issue and the Notes shall be payable only from revenue received or accrued during the fiscal year in which the Notes were issued; and

WHEREAS, pursuant to Section 53856 of the Code, the District may pledge any taxes, income, revenue, cash receipts or other moneys deposited in inactive or term deposits, excepting funds of the District otherwise restricted, to the repayment of the Notes, which shall be issued as a general obligation of the District, and to the extent not paid from the taxes, income, revenue, cash receipts and other moneys of the District pledged for the payment thereof, shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Code; and

WHEREAS, the Notes to be issued hereunder in Fiscal Year 2018-2019 when added to the interest payable thereon, may not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be available for the payment of principal of the Notes and the interest thereon, as required by Section 53858 of the Code; and

WHEREAS, it may be in the best interests of the District to participate in a Los Angeles County Schools Pooled Financing 2018-2019 Tax and Revenue Anticipation Notes Program (the "Pooled Program") in order to achieve the highest possible rating, the lowest possible interest rate for the Notes and savings in costs of issuance and to improve the marketability of the Notes, and, accordingly, for the Treasurer and Tax Collector of the County of Los Angeles (the "Treasurer and Tax Collector") to provide for the execution and delivery of participation certificates ("Participation Certificates"), evidencing proportionate interests in the Notes for sale to the general public on a pooled basis with the tax and revenue anticipation notes of other school districts and/or community college districts located within the County of Los Angeles (the "County"); and

WHEREAS, the Los Angeles County Office of Education has approved the selection of underwriters who will purchase any Notes issued under the Pooled Program (the "Pooled Program Notes") and the selection of Bond Counsel who will provide the approving opinion on the Notes, and the Board of Education desires to have any Pooled Program Notes or, in the alternative, to have its individual Notes purchased by such underwriters upon such terms as may be approved by an Authorized Officer (as defined in Section 7 below) of the District;

NOW, THEREFORE, this Board of Education hereby determines and resolves as follows:

Findings and Determinations. All of the recitals set forth herein are true and correct and this Board of Education so finds and determines.

Authorization of Issuance of Notes; Terms of the Notes. This Board of Education hereby authorizes the issuance of its Notes in a principal amount not to exceed \$17,165,000 under Section 53850, *et seq.*, of the Code to be designated "Burbank Unified School District, 2018-2019 Tax and Revenue Anticipation Notes," the principal amount to be set forth in the Purchase Contract (hereinafter defined) and the Notes. The Notes are to be numbered from one consecutively upward in order of issuance, to be in denominations of \$5,000 or any integral multiples thereof, to be dated the date of delivery thereof; to mature (without option of prior redemption) not more than 13 months after their date of issue and to bear interest, payable on the date of maturity (the "Maturity Date") and, if the Maturity Date for such Notes is more than 12 months from the date of issuance, on a date not more than 12 months after their date issuance and on the Maturity Date, all as determined by the Treasurer and Tax Collector and provided for in the Notes, computed on the basis of a 360-day year consisting of twelve 30-day months, at the interest rate or rates determined at the time of sale thereof but not in excess of the maximum rate permitted by law. The Notes may be issued for purchase by the Pooled Program whereby the District and certain other school districts and community college districts (collectively, with respect to any one series of Participation Certificates, the "Participants") located within the

County will simultaneously issue tax and revenue anticipation notes to secure Participation Certificates evidencing proportionate and undivided interests in the Notes and the tax and revenue anticipation notes of the other Participants as provided in Section 7 below.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the Treasurer and Tax Collector if such Notes are issued for purchase by the Pooled Program. The Treasurer and Tax Collector is hereby requested to act as a trustee, fiscal agent, dissemination agent and/or presentation agent (the "Fiscal Agent") in connection with the Notes and the Participation Certificates related thereto, and the County may appoint an agent or other third party to perform any or all of such duties.

If the Notes are not issued for purchase by the Pooled Program, the principal of and interest on the Notes shall be payable to the registered owner thereof upon surrender of the Note at the principal office of The Bank of New York Mellon Trust Company, N.A., as certificate agent (the "Certificate Agent") as provided in the Trust Agreement (the "Trust Agreement") to be entered into by and between the County and the Certificate Agent.

Form of Notes. The Notes shall be issued in fully registered form, and shall be substantially in the form attached hereto as Exhibit A and by this reference incorporated herein or with appropriate modifications to such form as the Treasurer and Tax Collector may determine and approve. There shall be delivered with the Notes a legal opinion of Hawkins Delafield & Wood LLP, or such other counsel as the Los Angeles County Office of Education may appoint, as bond counsel ("Bond Counsel") respecting the validity of said Notes and the exclusion from gross income of the interest thereon for federal income tax purposes and the exemption of interest thereon from present State of California personal income taxes.

Deposit of Note Proceeds; No Arbitrage. The proceeds of sale of the Notes (net of costs of issuance) shall be deposited in or to the credit of the general fund of the District or otherwise as directed by the Authorized Officer to be withdrawn and expended for any lawful purpose for which the District is authorized to expend moneys, including, but not limited to, current expenses, capital expenditures and the discharge of any obligations or indebtedness of the District. The District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District with respect to the Notes and any other instructions requested by or otherwise provided by Bond Counsel.

Payment of Notes.

Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during, or are attributable to, the Repayment Fiscal Year and which are lawfully available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges from the first unrestricted revenues received by the

District (such pledged amounts being hereinafter called the "Pledged Revenues"), the amounts as fully described in the Purchase Contract and Notes. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other money of the District as provided in Section 53856 of the Code, which are intended as receipts for the general fund of the District and which are generally available for the payment of current expenses and other obligations of the District. The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the moneys received by the District from such Pledged Revenues, as provided by law. Any tax and revenue anticipation notes issued subsequent to the Notes (the "Subordinated Notes") shall be payable from and secured by a lien on unrestricted revenues received or attributable to Fiscal Year 2018-2019 on a basis junior and subordinate in all respects to the lien on the unrestricted revenues received or attributable to Fiscal Year 2018-2019 of the Notes authorized under Section 2 of this District Resolution. The Subordinated Notes shall not mature prior to the Notes or be subject to redemption prior to the maturity of the Notes. No deposit to any account established for the payment of principal of and interest on the Subordinated Notes shall be permitted prior to the deposit in full of each monthly set-aside requirement in the Repayment Fund for the Notes pursuant to Section 5 hereof.

In order to effect the pledge referred to in the preceding paragraph, the District agrees to the establishment of the Repayment Fund (hereinafter defined) and the District agrees to cause to be deposited, and shall request specific amounts from the District's funds on deposit with the Treasurer and Tax Collector for such purpose, directly therein the first unrestricted revenues received by the District in the amounts and on the dates set forth in the Trust Agreement if such Notes are issued for purchase by the Pooled Program or in the Notes if such Notes are issued on a stand-alone basis (each individual month a "Repayment Month" and collectively, the "Repayment Months") and any amount thereafter attributable to the Repayment Fiscal Year, until the amount on deposit in such fund, taking into consideration anticipated investment earnings thereon to be received by the Maturity Date (as specified in the Purchase Contract and Notes) is equal to the principal of and interest due on the Notes at maturity as specified in the Purchase Contract and the Notes; provided, however, that nothing herein shall prohibit or restrict the District from depositing moneys into the Repayment Fund in advance of a Repayment Month.

The District shall and does hereby authorize and instruct that, in the event that there have been insufficient Pledged Revenues received by the District by the third Business Day prior to the last Business Day (as defined in the Trust Agreement) of any Repayment Month (the "Pledge Date") to permit the deposit into the Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Auditor-Controller shall collect the amount of any deficiency for deposit in the Repayment Fund in such amount as may be directed by the Treasurer and Tax Collector from any other unrestricted moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis when and as such Pledged Revenues and unrestricted moneys are received by the District or for the account of the District and shall deposit said moneys with the Treasurer and Tax Collector for credit directly to the Repayment Fund.

None of the Pledged Revenues shall be available for the payment of principal of and interest due on any tax and revenue anticipation notes attributable to any Participant other

than the District, and the District acknowledges and agrees that by participation in the Pooled Program or by issuing its Notes on a stand-alone basis, it shall not be entitled to any payment of principal of and interest on the Notes from the moneys of any Participant other than the District.

Intercept Procedure. In accordance with Section 5(B) hereof and to effect the pledge contained in this resolution (the “District Resolution”), the District shall and does hereby authorize and instruct the Los Angeles County Auditor-Controller (the “Auditor-Controller”) to intercept Pledged Revenues as set forth in Notes and the Trust Agreement, and place such amounts on deposit each Repayment Month with the Treasurer and Tax Collector directly in the Repayment Fund held by the Fiscal Agent with a designation to the Certificate Agent of the amounts to be credited for the District. Upon such deposit, such funds will not be available to the District.

Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a separate and special fund designated as the “Burbank Unified School District, 2018-2019 Tax and Revenue Anticipation Notes Repayment Fund” (herein called the “Repayment Fund”) and the County will administer the Pledged Revenues through and including the Maturity Date of the Notes and apply such funds as directed in this District Resolution. Any moneys deposited in the Repayment Fund shall be for the sole benefit of the owners of the Notes and until the Notes and all interest thereon are paid, or until provision has been made for the payment of the principal of the Notes and all interest thereon in accordance with their terms, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created. The Treasurer and Tax Collector is directed to deposit all Pledged Revenues subject to deposit as provided in this Section 5(D) when and as received directly into the Repayment Fund, without further instruction by the District. From the dates of receipt by the Treasurer and Tax Collector of any of the Pledged Revenues subject to such deposit, the District shall have no right, title or interest therein.

Disbursement and Investment of Moneys in Repayment Fund. All Pledged Revenues shall be deposited into the Repayment Fund upon receipt. After such date as the amount of Pledged Revenues on deposit in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District or otherwise as directed by the Authorized Officer. On the Maturity Date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested in Permitted Investments (as defined in the Trust Agreement) as directed by the Treasurer and Tax Collector or by the Authorized Officer in consultation with the Los Angeles County Office of Education. The Treasurer and Tax Collector (who is hereby designated as agent of the District for these purposes) is hereby requested to invest and/or to direct the investment of the proceeds of the Notes and the Participation Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and County policy governing the investment of such funds.

Defaults in the Repayment of the Notes. If the Notes are not paid when due or are paid in whole or in part by a draw under or claim upon a form of credit support for the Notes or a series of Participation Certificates (“Credit Enhancement”) which draw or claim is not fully reimbursed on such date, they shall become Defaulted Notes (as defined in the Trust Agreement), and the unpaid portion thereof (or the portion thereof with respect to which Credit Enhancement applies for which reimbursement on a draw or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest at the default rate specified in the Trust Agreement (the “Default Rate”). If the Notes are not secured by Credit Enhancement in whole or in part and are not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Enhancement applies which is unpaid), including the respective series of Participation Certificates, shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Notes or unpaid Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year as provided in Section 5(B) above.

Execution of Notes. The District hereby requests the Treasurer and Tax Collector, or his designated deputy, and the appropriate officers of the County Board to execute the Notes by their manual or facsimile signatures and to affix a facsimile of the seal of the County thereon. Said officers shall be authorized to cause the blank spaces thereof to be filled in prior to initial delivery as may be appropriate. The District’s approval of the information set forth therein shall be conclusively evidenced by the execution of the District’s Note by the Treasurer and Tax Collector.

Approval of Sale of Notes. This Board of Education hereby delegates to the President or Chairperson, as applicable, of the Board of Education, to the Superintendent, Assistant Superintendent for Fiscal Services, Business Manager or Chief Business Officer of the District, as the case may be, or such other authorized person (each, an “Authorized Officer”), the right, on behalf of the District, to elect to have the District participate in the Pooled Program or to have the Notes issued on a stand-alone basis. Such election shall be conclusively evidenced by the execution of the District’s Note by the Treasurer and Tax Collector. In case any officer whose signature shall appear on any Notes shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Treasurer and Tax Collector shall, within the limitations set forth below, be authorized and directed, on behalf of the District, to enter into a contract of purchase (the “Purchase Contract”) with the Underwriters (hereinafter defined) for the purchase of the Notes and the respective series of Participation Certificates. In connection with the Pooled Program, the Los Angeles County Office of Education, with the concurrence of this District, has appointed RBC Capital Markets, LLC, as representative of itself and any co-underwriter the Los Angeles County Office of Education may appoint as underwriters (collectively, the “Underwriters”).

The tax and revenue anticipation notes of the Pooled Program shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes and the tax and revenue anticipation notes of the other Participants

in such series, if any. The Notes, if such Notes are issued on a stand-alone basis, shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes. It is hereby recognized, acknowledged and agreed that the Certificate Agent appointed pursuant to the Trust Agreement may execute and deliver a Series of Participation Certificates on behalf of the District and the other Participants of such Series, each representing the proportional, undivided ownership interest of the registered owner thereof in the Notes of the Pooled Program related to such Series of Participation Certificates. The District agrees to recognize each registered owner of the related Series of Participation Certificates as the beneficial owner of its Notes to the extent of such registered owner's proportional, undivided interest in the Notes. The Authorized Officer is hereby authorized to execute and deliver any documents and to take such other action as may be necessary or proper to carry out the interest of the provisions hereof. The participation by the District in the Pooled Program and the execution and delivery of a Series of Participation Certificates under the Trust Agreement shall not cause the District to be liable for payments of principal of or interest on the tax and revenue anticipation notes attributable to any other Participant.

Authorization and Approval of Preliminary Official Statement and Official Statement. The Underwriters are hereby authorized to prepare a Preliminary Official Statement and an Official Statement relating to the Notes and the Pooled Program. Each Authorized Officer is hereby authorized and directed to provide to the Underwriters such information relating to the District as the Underwriters shall reasonably request in connection with the preparation of and for inclusion in the Preliminary Official Statement and the Official Statement. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement, except for certain omissions permitted by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC") promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), is hereby deemed "final" within the meaning of the Rule; provided that no representation is made by the District as to the information contained in the Preliminary Official Statement relating to the other Participants or any municipal bond insurer.

If, at any time prior to the execution of the Purchase Contract by the County, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, at any time subsequent to the execution of the Purchase Contract by the County and prior to the "end of the underwriting period" (as defined in the Rule), any event occurs as a result of which the information contained in the Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, in the opinion of the Underwriters, such event requires the preparation and distribution of a supplement or amendment to the Preliminary Official Statement or Official Statement, the District shall prepare and furnish to the Underwriters, at the expense of the District, such number of copies of the supplement or amendment to the Preliminary Official Statement or Official Statement, as applicable, in form and substance mutually agreed upon by the District and the Underwriters, as the Underwriters may reasonably request.

Representations and Warranties.

The District is a validly existing school district or community college district under the Constitution and laws of the State, with the right and power to execute, deliver and perform its obligations under this District Resolution.

The performance of the District's obligations under this District Resolution and compliance with the provisions hereof by the District do not and will not conflict with or constitute on the part of the District a breach of, or a default under, the Constitution of the State, any existing law, charter, ordinance, regulation, decree, order or resolution, or any agreement, indenture, mortgage, lease or other instrument, to which the District is subject or by which it is bound.

No action, suit, proceeding or investigation is pending or threatened against the District in any court or before any governmental authority seeking to restrain or enjoin the execution or delivery of or in any way contesting or affecting the validity of this District Resolution or the receipt or application of the Pledged Revenues pledged to pay the Notes or contesting the powers of the District to participate in the financing represented by the Participation Certificates.

The maximum aggregate principal amount of the Notes, when added to the interest payable thereon, shall not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from the State and federal governments), cash receipts and other moneys of the District which will be available for the payment of the Notes and interest thereon as required by Section 53858 of the Act.

WHEREAS, it may be in the best interests of the District to participate in a Los Angeles County Schools Pooled Financing 2018-2019 Tax and Revenue Anticipation Notes Program (the "Pooled Program") in order to achieve the highest possible rating, the lowest possible interest rate for the Notes and savings in costs of issuance and to improve the marketability of the Notes, and, accordingly, for the Treasurer and Tax Collector of the County of Los Angeles (the "Treasurer and Tax Collector") to provide for the execution and delivery of participation certificates ("Participation Certificates"), evidencing proportionate interests in the Notes for sale to the general public on a pooled basis with the tax and revenue anticipation notes of other school districts and/or community college districts located within the County of Los Angeles (the "County"); and

The Notes may be issued for purchase by the Pooled Program whereby the District and certain other school districts and community college districts (collectively, with respect to any one series of Participation Certificates, the "Participants") located within the County will simultaneously issue tax and revenue anticipation notes to secure Participation Certificates evidencing proportionate and undivided interests in the Notes and the tax and revenue anticipation notes of the other Participants as provided in Section 7 below.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the Treasurer and Tax Collector if such Notes are issued for purchase by the Pooled Program. The Treasurer and Tax Collector is hereby requested

to act as a trustee, fiscal agent, dissemination agent and/or presentation agent (the "Fiscal Agent") in connection with the Notes and the Participation Certificates related thereto, and the County may appoint an agent or other third party to perform any or all of such duties.

If the Notes are not issued for purchase by the Pooled Program, the principal of and interest on the Notes shall be payable to the registered owner thereof upon surrender of the Note at the principal office of The Bank of New York Mellon Trust Company, N.A., as certificate agent (the "Certificate Agent") as provided in the Trust Agreement (the "Trust Agreement") to be entered into by and between the County and the Certificate Agent.

Section 3. Form of Notes. The Notes shall be issued in fully registered form, and shall be substantially in the form attached hereto as Exhibit A and by this reference incorporated herein or with appropriate modifications to such form as the Treasurer and Tax Collector may determine and approve. There shall be delivered with the Notes a legal opinion of Hawkins Delafield & Wood LLP, or such other counsel as the Los Angeles County Office of Education may appoint, as bond counsel ("Bond Counsel") respecting the validity of said Notes and the exclusion from gross income of the interest thereon for federal income tax purposes and the exemption of interest thereon from present State of California personal income taxes.

Section 4. Deposit of Note Proceeds; No Arbitrage. The proceeds of sale of the Notes (net of costs of issuance) shall be deposited in or to the credit of the general fund of the District or otherwise as directed by the Authorized Officer to be withdrawn and expended for any lawful purpose for which the District is authorized to expend moneys, including, but not limited to, current expenses, capital expenditures and the discharge of any obligations or indebtedness of the District. The District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District with respect to the Notes and any other instructions requested by or otherwise provided by Bond Counsel.

Section 5. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during, or are attributable to, the Repayment Fiscal Year and which are lawfully available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges from the first unrestricted revenues received by the District (such pledged amounts being hereinafter called the "Pledged Revenues"), the amounts as fully described in the Purchase Contract and Notes. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other money of the District as provided in Section 53856 of the Code, which are intended as receipts for the general fund of the District and which are generally available for the payment of current expenses and other obligations of the District. The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the moneys received by the District from such Pledged

Revenues, as provided by law. Any tax and revenue anticipation notes issued subsequent to the Notes (the "Subordinated Notes") shall be payable from and secured by a lien on unrestricted revenues received or attributable to Fiscal Year 2018-2019 on a basis junior and subordinate in all respects to the lien on the unrestricted revenues received or attributable to Fiscal Year 2018-2019 of the Notes authorized under Section 2 of this District Resolution. The Subordinated Notes shall not mature prior to the Notes or be subject to redemption prior to the maturity of the Notes. No deposit to any account established for the payment of principal of and interest on the Subordinated Notes shall be permitted prior to the deposit in full of each monthly set-aside requirement in the Repayment Fund for the Notes pursuant to Section 5 hereof.

In order to effect the pledge referred to in the preceding paragraph, the District agrees to the establishment of the Repayment Fund (hereinafter defined) and the District agrees to cause to be deposited, and shall request specific amounts from the District's funds on deposit with the Treasurer and Tax Collector for such purpose, directly therein the first unrestricted revenues received by the District in the amounts and on the dates set forth in the Trust Agreement if such Notes are issued for purchase by the Pooled Program or in the Notes if such Notes are issued on a stand-alone basis (each individual month a "Repayment Month" and collectively, the "Repayment Months") and any amount thereafter attributable to the Repayment Fiscal Year, until the amount on deposit in such fund, taking into consideration anticipated investment earnings thereon to be received by the Maturity Date (as specified in the Purchase Contract and Notes) is equal to the principal of and interest due on the Notes at maturity as specified in the Purchase Contract and the Notes; provided, however, that nothing herein shall prohibit or restrict the District from depositing moneys into the Repayment Fund in advance of a Repayment Month.

The District shall and does hereby authorize and instruct that, in the event that there have been insufficient Pledged Revenues received by the District by the third Business Day prior to the last Business Day (as defined in the Trust Agreement) of any Repayment Month (the "Pledge Date") to permit the deposit into the Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Auditor-Controller shall collect the amount of any deficiency for deposit in the Repayment Fund in such amount as may be directed by the Treasurer and Tax Collector from any other unrestricted moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis when and as such Pledged Revenues and unrestricted moneys are received by the District or for the account of the District and shall deposit said moneys with the Treasurer and Tax Collector for credit directly to the Repayment Fund.

None of the Pledged Revenues shall be available for the payment of principal of and interest due on any tax and revenue anticipation notes attributable to any Participant other than the District, and the District acknowledges and agrees that by participation in the Pooled Program or by issuing its Notes on a stand-alone basis, it shall not be entitled to any payment of principal of and interest on the Notes from the moneys of any Participant other than the District.

(C) Intercept Procedure. In accordance with Section 5(B) hereof and to effect the pledge contained in this resolution (the "District Resolution"), the District shall and does hereby authorize and instruct the Los Angeles County Auditor-Controller (the "Auditor-

Controller”) to intercept Pledged Revenues as set forth in Notes and the Trust Agreement, and place such amounts on deposit each Repayment Month with the Treasurer and Tax Collector directly in the Repayment Fund held by the Fiscal Agent with a designation to the Certificate Agent of the amounts to be credited for the District. Upon such deposit, such funds will not be available to the District.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a separate and special fund designated as the “Duarte Unified School District, 2018-2019 Tax and Revenue Anticipation Notes Repayment Fund” (herein called the “Repayment Fund”) and the County will administer the Pledged Revenues through and including the Maturity Date of the Notes and apply such funds as directed in this District Resolution. Any moneys deposited in the Repayment Fund shall be for the sole benefit of the owners of the Notes and until the Notes and all interest thereon are paid, or until provision has been made for the payment of the principal of the Notes and all interest thereon in accordance with their terms, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created. The Treasurer and Tax Collector is directed to deposit all Pledged Revenues subject to deposit as provided in this Section 5(D) when and as received directly into the Repayment Fund, without further instruction by the District. From the dates of receipt by the Treasurer and Tax Collector of any of the Pledged Revenues subject to such deposit, the District shall have no right, title or interest therein.

(E) Disbursement and Investment of Moneys in Repayment Fund. All Pledged Revenues shall be deposited into the Repayment Fund upon receipt. After such date as the amount of Pledged Revenues on deposit in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District or otherwise as directed by the Authorized Officer. On the Maturity Date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested in Permitted Investments (as defined in the Trust Agreement) as directed by the Treasurer and Tax Collector or by the Authorized Officer in consultation with the Los Angeles County Office of Education. The Treasurer and Tax Collector (who is hereby designated as agent of the District for these purposes) is hereby requested to invest and/or to direct the investment of the proceeds of the Notes and the Participation Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and County policy governing the investment of such funds.

(F) Defaults in the Repayment of the Notes. If the Notes are not paid when due or are paid in whole or in part by a draw under or claim upon a form of credit support for the Notes or a series of Participation Certificates (“Credit Enhancement”) which draw or claim is not fully reimbursed on such date, they shall become Defaulted Notes (as defined in the Trust Agreement), and the unpaid portion thereof (or the portion thereof with respect to which Credit Enhancement applies for which reimbursement on a draw or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest at the default rate specified in the Trust Agreement (the “Default Rate”). If the Notes are not secured by Credit Enhancement in whole or

in part and are not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Enhancement applies which is unpaid), including the respective series of Participation Certificates, shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Notes or unpaid Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year as provided in Section 5(B) above.

Section 6. Execution of Notes. The District hereby requests the Treasurer and Tax Collector, or his designated deputy, and the appropriate officers of the County Board to execute the Notes by their manual or facsimile signatures and to affix a facsimile of the seal of the County thereon. Said officers shall be authorized to cause the blank spaces thereof to be filled in prior to initial delivery as may be appropriate. The District's approval of the information set forth therein shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector.

Section 7. Approval of Sale of Notes. This Board of Education hereby delegates to the President and the Vice President of the Board of Education and to the Superintendent and the Assistant Superintendent of Business Services of the District or such other authorized person (each, an "Authorized Officer") the right, on behalf of the District, to elect to have the District participate in the Pooled Program or to have the Notes issued on a stand-alone basis. Such election shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector. In case any officer whose signature shall appear on any Notes shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Treasurer and Tax Collector shall, within the limitations set forth below, be authorized and directed, on behalf of the District, to enter into a contract of purchase (the "Purchase Contract") with the Underwriters (hereinafter defined) for the purchase of the Notes and the respective series of Participation Certificates. In connection with the Pooled Program, the Los Angeles County Office of Education, with the concurrence of this District, has appointed RBC Capital Markets, LLC, as representative of itself and any co-underwriter the Los Angeles County Office of Education may appoint as underwriters (collectively, the "Underwriters").

The tax and revenue anticipation notes of the Pooled Program shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes and the tax and revenue anticipation notes of the other Participants in such series, if any. The Notes, if such Notes are issued on a stand-alone basis, shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes. It is hereby recognized, acknowledged and agreed that the Certificate Agent appointed pursuant to the Trust Agreement may execute and deliver a Series of Participation Certificates on behalf of the District and the other Participants of such Series, each representing the proportional, undivided ownership interest of the registered owner thereof in the Notes of the Pooled Program related to such Series of Participation Certificates. The District agrees to recognize each registered owner of the related Series of Participation Certificates as the beneficial owner of its Notes to the extent of such registered owner's

proportional, undivided interest in the Notes. The Authorized Officer is hereby authorized to execute and deliver any documents and to take such other action as may be necessary or proper to carry out the interest of the provisions hereof. The participation by the District in the Pooled Program and the execution and delivery of a Series of Participation Certificates under the Trust Agreement shall not cause the District to be liable for payments of principal of or interest on the tax and revenue anticipation notes attributable to any other Participant.

Section 8. Authorization and Approval of Preliminary Official Statement and Official Statement. The Underwriters are hereby authorized to prepare a Preliminary Official Statement and an Official Statement relating to the Notes and the Pooled Program. Each Authorized Officer is hereby authorized and directed to provide to the Underwriters such information relating to the District as the Underwriters shall reasonably request in connection with the preparation of and for inclusion in the Preliminary Official Statement and the Official Statement. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement, except for certain omissions permitted by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC") promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), is hereby deemed "final" within the meaning of the Rule; provided that no representation is made by the District as to the information contained in the Preliminary Official Statement relating to the other Participants or any municipal bond insurer.

If, at any time prior to the execution of the Purchase Contract by the County, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, at any time subsequent to the execution of the Purchase Contract by the County and prior to the "end of the underwriting period" (as defined in the Rule), any event occurs as a result of which the information contained in the Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, in the opinion of the Underwriters, such event requires the preparation and distribution of a supplement or amendment to the Preliminary Official Statement or Official Statement, the District shall prepare and furnish to the Underwriters, at the expense of the District, such number of copies of the supplement or amendment to the Preliminary Official Statement or Official Statement, as applicable, in form and substance mutually agreed upon by the District and the Underwriters, as the Underwriters may reasonably request.

WHEREAS, pursuant to Section 53856 of the Code, the District may pledge any taxes, income, revenue, cash receipts or other moneys deposited in inactive or term deposits, excepting funds of the District otherwise restricted, to the repayment of the Notes, which shall be issued as a general obligation of the District, and to the extent not paid from the taxes, income, revenue, cash receipts and other moneys of the District pledged for the payment thereof, shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Code; and

WHEREAS, the Notes to be issued hereunder in Fiscal Year 2018-2019 when added to the interest payable thereon, may not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be available for the payment of principal of the Notes and the interest thereon, as required by Section 53858 of the Code; and

WHEREAS, it may be in the best interests of the District to participate in a Los Angeles County Schools Pooled Financing 2018-2019 Tax and Revenue Anticipation Notes Program (the "Pooled Program") in order to achieve the highest possible rating, the lowest possible interest rate for the Notes and savings in costs of issuance and to improve the marketability of the Notes, and, accordingly, for the Treasurer and Tax Collector of the County of Los Angeles (the "Treasurer and Tax Collector") to provide for the execution and delivery of participation certificates ("Participation Certificates"), evidencing proportionate interests in the Notes for sale to the general public on a pooled basis with the tax and revenue anticipation notes of other school districts and/or community college districts located within the County of Los Angeles (the "County"); and

WHEREAS, the Los Angeles County Office of Education has approved the selection of underwriters who will purchase any Notes issued under the Pooled Program (the "Pooled Program Notes") and the selection of Bond Counsel who will provide the approving opinion on the Notes, and the Governing Board desires to have any Pooled Program Notes or, in the alternative, to have its individual Notes purchased by such underwriters upon such terms as may be approved by an Authorized Officer (as defined in Section 7 below) of the District;

NOW THEREFORE, this Governing Board hereby determines and resolves as follows:

Section 1. Findings and Determinations. All of the recitals set forth herein are true and correct and this Governing Board so finds and determines.

Section 2. Authorization of Issuance of Notes; Terms of the Notes. This Governing Board hereby authorizes the issuance of its Notes in a principal amount not to exceed \$12,500,000 under Section 53850, *et seq.*, of the Code to be designated "Hawthorne School District, 2018-2019 Tax and Revenue Anticipation Notes," the principal amount to be set forth in the Purchase Contract (hereinafter defined) and the Notes. The Notes are to be numbered from one consecutively upward in order of issuance, to be in denominations of \$5,000 or any integral multiples thereof, to be dated the date of delivery thereof; to mature (without option of prior redemption) not more than 13 months after their date of issue and to bear interest, payable on the date of maturity (the "Maturity Date") and, if the Maturity Date for such Notes is more than 12 months from the date of issuance, on a date not more than 12 months after their date issuance and on the Maturity Date, all as determined by the Treasurer and Tax Collector and provided for in the Notes, computed on the basis of a 360-day year consisting of twelve 30-day months, at the interest rate or rates determined at the time of sale thereof but not in excess of the maximum rate permitted by law. The Notes may be issued for purchase by the Pooled Program whereby the District and certain other school districts and community college districts (collectively, with respect to any one series of Participation Certificates, the "Participants") located within the County will simultaneously issue tax and revenue anticipation notes to secure Participation Certificates evidencing proportionate and undivided interests in the Notes and the tax and revenue anticipation notes of the other Participants as provided in Section 7 below.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the Treasurer and Tax Collector if such Notes are issued for purchase by the Pooled Program. The Treasurer and Tax Collector is hereby requested to act as a trustee, fiscal agent, dissemination agent and/or presentation agent (the "Fiscal Agent") in connection with the Notes and the Participation Certificates related thereto, and the County may appoint an agent or other third party to perform any or all of such duties.

If the Notes are not issued for purchase by the Pooled Program, the principal of and interest on the Notes shall be payable to the registered owner thereof upon surrender of the Note at the principal office of The Bank of New York Mellon Trust Company, N.A., as certificate agent (the "Certificate Agent") as provided in the Trust Agreement (the "Trust Agreement") to be entered into by and between the County and the Certificate Agent.

Section 3. Form of Notes. The Notes shall be issued in fully registered form, and shall be substantially in the form attached hereto as Exhibit A and by this reference incorporated herein or with appropriate modifications to such form as the Treasurer and Tax Collector may determine and approve. There shall be delivered with the Notes a legal opinion of Hawkins Delafield & Wood LLP, or such other counsel as the Los Angeles County Office of Education may appoint, as bond counsel ("Bond Counsel") respecting the validity of said Notes and the exclusion from gross income of the interest thereon for federal income tax purposes and the exemption of interest thereon from present State of California personal income taxes.

Section 4. Deposit of Note Proceeds; No Arbitrage. The proceeds of sale of the Notes (net of costs of issuance) shall be deposited in or to the credit of the general fund of the District or otherwise as directed by the Authorized Officer to be withdrawn and expended for any lawful purpose for which the District is authorized to expend moneys, including, but not limited to, current expenses, capital expenditures and the discharge of any obligations or indebtedness of the District. The District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District with respect to the Notes and any other instructions requested by or otherwise provided by Bond Counsel.

Section 5. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during, or are attributable to, the Repayment Fiscal Year and which are lawfully available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges from the first unrestricted revenues received by the District (such pledged amounts being hereinafter called the "Pledged Revenues"), the amounts as fully described in the Purchase Contract and Notes. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other money of the District as provided in Section 53856 of the Code, which are intended as receipts for the general fund of the District and which are generally available for the payment of current expenses and other obligations of the District. The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the moneys received by the District from such Pledged Revenues, as provided by law. Any tax and revenue anticipation notes issued subsequent to the Notes (the "Subordinated Notes") shall be payable from and secured by a lien on unrestricted revenues received or attributable to Fiscal Year 2018-19 on a basis junior and subordinate in all respects to the lien on the unrestricted revenues received or attributable to Fiscal Year 2018-19 of the Notes authorized under Section 2 of this District Resolution. The Subordinated Notes shall not mature prior to the Notes or be subject to redemption prior to the maturity of the Notes. No deposit to any account established for the payment of principal of and interest on the Subordinated Notes shall be permitted prior to the deposit in full of each monthly set-aside requirement in the Repayment Fund for the Notes pursuant to Section 5 hereof.

In order to effect the pledge referred to in the preceding paragraph, the District agrees to the establishment of the Repayment Fund (hereinafter defined) and the District agrees to cause to be deposited, and shall request specific amounts from the District's funds on deposit with the Treasurer and Tax Collector for such purpose, directly therein the first unrestricted revenues received by the District in the amounts and on the dates set forth in the Trust Agreement if such Notes are issued for purchase by the Pooled Program or in the Notes if such Notes are issued on a stand-alone basis (each individual month a "Repayment Month" and collectively, the "Repayment Months") and any amount thereafter attributable to the Repayment Fiscal Year, until the amount on deposit in such fund, taking into consideration anticipated investment earnings thereon to be received by the Maturity Date (as specified in the Purchase Contract and Notes) is equal to the principal of and interest due on the Notes at maturity as specified in the Purchase Contract and the Notes; provided, however, that nothing herein shall prohibit or restrict the District from depositing moneys into the Repayment Fund in advance of a Repayment Month.

The District shall and does hereby authorize and instruct that, in the event that there have been insufficient Pledged Revenues received by the District by the third Business Day prior to the last Business Day (as defined in the Trust Agreement) of any Repayment Month (the "Pledge Date") to permit the deposit into the Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Auditor-Controller shall collect the amount of any deficiency for deposit in the Repayment Fund in such amount as may be directed by the Treasurer and Tax Collector from any other unrestricted moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis when and as such Pledged Revenues and unrestricted moneys are received by the District or for the account of the District and shall deposit said moneys with the Treasurer and Tax Collector for credit directly to the Repayment Fund.

None of the Pledged Revenues shall be available for the payment of principal of and interest due on any tax and revenue anticipation notes attributable to any Participant other than the District, and the District acknowledges and agrees that by participation in the Pooled Program or by issuing its Notes on a stand-alone basis, it shall not be entitled to any payment of principal of and interest on the Notes from the moneys of any Participant other than the District.

(C) Intercept Procedure. In accordance with Section 5(B) hereof and to effect the pledge contained in this resolution (the "District Resolution"), the District shall and does hereby authorize and instruct the Los Angeles County Auditor-Controller (the "Auditor-Controller") to intercept Pledged Revenues as set forth in Notes and the Trust Agreement, and place such amounts on deposit each Repayment Month with the Treasurer and Tax Collector directly in the Repayment Fund held by the Fiscal Agent with a designation to the Certificate Agent of the amounts to be credited for the District. Upon such deposit, such funds will not be available to the District.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a separate and special fund designated as the "Hawthorne School District, 2018-2019 Tax and Revenue Anticipation Notes Repayment Fund" (herein called the "Repayment Fund") and the County will administer the Pledged Revenues through and including the Maturity Date of the Notes and apply such funds as directed in this District Resolution. Any moneys deposited in the Repayment Fund shall be for the sole benefit of the owners of the Notes and until the Notes and all interest thereon are paid, or until provision has been made for the payment of the principal of the Notes and all interest thereon in accordance with their terms, the moneys in the Repayment Fund shall be applied only for the purposes for

which the Repayment Fund is created. The Treasurer and Tax Collector is directed to deposit all Pledged Revenues subject to deposit as provided in this Section 5(D) when and as received directly into the Repayment Fund, without further instruction by the District. From the dates of receipt by the Treasurer and Tax Collector of any of the Pledged Revenues subject to such deposit, the District shall have no right, title or interest therein.

(E) Disbursement and Investment of Moneys in Repayment Fund. All Pledged Revenues shall be deposited into the Repayment Fund upon receipt. After such date as the amount of Pledged Revenues on deposit in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District or otherwise as directed by the Authorized Officer. On the Maturity Date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested in Permitted Investments (as defined in the Trust Agreement) as directed by the Treasurer and Tax Collector or by the Authorized Officer in consultation with the Los Angeles County Office of Education. The Treasurer and Tax Collector (who is hereby designated as agent of the District for these purposes) is hereby requested to invest and/or to direct the investment of the proceeds of the Notes and the Participation Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and County policy governing the investment of such funds.

(F) Defaults in the Repayment of the Notes. If the Notes are not paid when due or are paid in whole or in part by a draw under or claim upon a form of credit support for the Notes or a series of Participation Certificates ("Credit Enhancement") which draw or claim is not fully reimbursed on such date, they shall become Defaulted Notes (as defined in the Trust Agreement), and the unpaid portion thereof (or the portion thereof with respect to which Credit Enhancement applies for which reimbursement on a draw or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest at the default rate specified in the Trust Agreement (the "Default Rate"). If the Notes are not secured by Credit Enhancement in whole or in part and are not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Enhancement applies which is unpaid), including the respective series of Participation Certificates, shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Notes or unpaid Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year as provided in Section 5(B) above.

Section 6. Execution of Notes. The District hereby requests the Treasurer and Tax Collector, or his designated deputy, and the appropriate officers of the County Board to execute the Notes by their manual or facsimile signatures and to affix a facsimile of the seal of the County thereon. Said officers shall be authorized to cause the blank spaces thereof to be filled in prior to initial delivery as may be appropriate. The District's approval of the information set forth therein shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector.

Section 7. Approval of Sale of Notes. This Governing Board hereby delegates to the President or Chairperson, as applicable, of the Governing Board, to the Superintendent, Assistant Superintendent for Fiscal Services, Business Manager or Chief Business Officer of the

District, as the case may be, or such other authorized person (each, an "Authorized Officer"), the right, on behalf of the District, to elect to have the District participate in the Pooled Program or to have the Notes issued on a stand-alone basis. Such election shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector. In case any officer whose signature shall appear on any Notes shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Treasurer and Tax Collector shall, within the limitations set forth below, be authorized and directed, on behalf of the District, to enter into a contract of purchase (the "Purchase Contract") with the Underwriters (hereinafter defined) for the purchase of the Notes and the respective series of Participation Certificates. In connection with the Pooled Program, the Los Angeles County Office of Education, with the concurrence of this District, has appointed RBC Capital Markets, LLC, as representative of itself and any co-underwriter the Los Angeles County Office of Education may appoint as underwriters (collectively, the "Underwriters")

The tax and revenue anticipation notes of the Pooled Program shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes and the tax and revenue anticipation notes of the other Participants in such series, if any. The Notes, if such Notes are issued on a stand-alone basis, shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes. It is hereby recognized, acknowledged and agreed that the Certificate Agent appointed pursuant to the Trust Agreement may execute and deliver a Series of Participation Certificates on behalf of the District and the other Participants of such Series, each representing the proportional, undivided ownership interest of the registered owner thereof in the Notes of the Pooled Program related to such Series of Participation Certificates. The District agrees to recognize each registered owner of the related Series of Participation Certificates as the beneficial owner of its Notes to the extent of such registered owner's proportional, undivided interest in the Notes. The Authorized Officer is hereby authorized to execute and deliver any documents and to take such other action as may be necessary or proper to carry out the interest of the provisions hereof. The participation by the District in the Pooled Program and the execution and delivery of a Series of Participation Certificates under the Trust Agreement shall not cause the District to be liable for payments of principal of or interest on the tax and revenue anticipation notes attributable to any other Participant.

Section 8. Authorization and Approval of Preliminary Official Statement and Official Statement. The Underwriters are hereby authorized to prepare a Preliminary Official Statement and an Official Statement relating to the Notes and the Pooled Program. Each Authorized Officer is hereby authorized and directed to provide to the Underwriters such information relating to the District as the Underwriters shall reasonably request in connection with the preparation of and for inclusion in the Preliminary Official Statement and the Official Statement. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement, except for certain omissions permitted by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC") promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), is hereby deemed "final" within the meaning of the Rule; provided that no representation is made by the District as to the information contained in the Preliminary Official Statement relating to the other Participants or any municipal bond insurer.

If, at any time prior to the execution of the Purchase Contract by the County, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify

the Underwriters. If, at any time subsequent to the execution of the Purchase Contract by the County and prior to the "end of the underwriting period" (as defined in the Rule), any event occurs as a result of which the information contained in the Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, in the opinion of the Underwriters, such event requires the preparation and distribution of a supplement or amendment to the Preliminary Official Statement or Official Statement, the District shall prepare and furnish to the Underwriters, at the expense of the District, such number of copies of the supplement or amendment to the Preliminary Official Statement or Official Statement, as applicable, in form and substance mutually agreed upon by the District and the Underwriters, as the Underwriters may reasonably request.

(B) The performance of the District's obligations under this District Resolution and compliance with the provisions hereof by the District do not and will not conflict with or constitute on the part of the District a breach of, or a default under, the Constitution of the State, any existing law, charter, ordinance, regulation, decree, order or resolution, or any agreement, indenture, mortgage, lease or other instrument, to which the District is subject or by which it is bound.

**RESOLUTION OF THE BOARD OF EDUCATION OF THE
LENNOX SCHOOL DISTRICT
REQUESTING THE ISSUANCE OF
2018-2019 TAX AND REVENUE ANTICIPATION NOTES
FOR THE DISTRICT BY THE BOARD OF SUPERVISORS
OF THE COUNTY OF LOS ANGELES**

WHEREAS, pursuant to Sections 53850 *et seq.*, of the Government Code of the State of California (the "Code") contained in Title 5, Division 2, Part 1, Chapter 4, Article 7.6 thereof, on or after the first day of any fiscal year, the Lennox School District (the "District") may borrow money by issuing notes to be designated "Lennox School District 2018-2019 Tax and Revenue Anticipation Notes" (the "Notes") in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received by the District attributable to its fiscal year ending June 30, 2019 (the "Repayment Fiscal Year") for any purpose for which the District is authorized to expend moneys, including but not limited to current expenses, capital expenditures and the discharge of any obligation or indebtedness of the District; and

WHEREAS, Section 53853 of the Code provides that such notes may be issued by the board of supervisors of the county, the county superintendent of which has jurisdiction over the school or community college district on behalf of the school or community college district upon the authority of a resolution of the governing board of the school or community college district; and

WHEREAS, this Board of Education (the "Board of Education"), being the governing board of the District, desires the assistance of the Board of Supervisors of the County of Los Angeles (the "County Board") in connection with the issuance of the Notes; and

WHEREAS, pursuant to the Code, the Notes shall be payable no more than 13 months after the date of issue and the Notes shall be payable only from revenue received or accrued during the fiscal year in which the Notes were issued; and

WHEREAS, pursuant to Section 53856 of the Code, the District may pledge any taxes, income, revenue, cash receipts or other moneys deposited in inactive or term deposits, excepting funds of the District otherwise restricted, to the repayment of the Notes, which shall be issued as a general obligation of the District, and to the extent not paid from the taxes, income, revenue, cash receipts and other moneys of the District pledged for the payment thereof, shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Code; and

WHEREAS, the Notes to be issued hereunder in Fiscal Year 2018-2019 when added to the interest payable thereon, may not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be available for the payment of principal of the Notes and the interest thereon, as required by Section 53858 of the Code; and

WHEREAS, it may be in the best interests of the District to participate in a Los Angeles County Schools Pooled Financing 2018-2019 Tax and Revenue Anticipation Notes Program (the "Pooled Program") in order to achieve the highest possible rating, the lowest possible interest rate for the Notes and savings in costs of issuance and to improve the marketability of the Notes, and, accordingly, for the Treasurer and Tax Collector of the County of Los Angeles (the "Treasurer and Tax Collector") to provide for the execution and delivery of participation certificates ("Participation Certificates"), evidencing proportionate interests in the Notes for sale to the general public on a pooled basis with the tax and revenue anticipation notes of other school districts and/or community college districts located within the County of Los Angeles (the "County"); and

WHEREAS, the Los Angeles County Office of Education has approved the selection of underwriters who will purchase any Notes issued under the Pooled Program (the "Pooled Program Notes") and the selection of Bond Counsel who will provide the approving opinion on the Notes, and the Board of Education desires to have any Pooled Program Notes or, in the alternative, to have its individual Notes purchased by such underwriters upon such terms as may be approved by an Authorized Officer (as defined in Section 7 below) of the District;

NOW, THEREFORE, this Board of Education hereby determines and resolves as follows:

Section 1. Findings and Determinations. All of the recitals set forth herein are true and correct and this Board of Education so finds and determines.

Section 2. Authorization of Issuance of Notes; Terms of the Notes. This Board of Education hereby authorizes the issuance of its Notes in a principal amount not to exceed \$8,000,000 under Section 53850, *et seq.*, of the Code to be designated "Lennox School District, 2018-2019 Tax and Revenue Anticipation Notes," the principal amount to be set forth in the Purchase Contract (hereinafter defined) and the Notes. The Notes are to be numbered from one consecutively upward in order of issuance, to be in denominations of \$5,000 or any integral multiples thereof, to be dated the date of delivery thereof; to mature (without option of prior redemption) not more than 13 months after their date of issue and to bear interest, payable on the date of maturity (the "Maturity Date") and, if the Maturity Date for such Notes is more than 12 months from the date of issuance, on a date not more than 12 months after their date issuance and on the Maturity Date, all as determined by the Treasurer and Tax Collector and provided for in the Notes, computed on the basis of a 360-day year consisting of twelve 30-day months, at the interest rate or rates determined at the time of sale thereof but not in excess of the maximum rate permitted by law. The Notes may be issued for purchase by the Pooled Program whereby the District and certain other school districts and community college districts (collectively, with respect to any one series of Participation Certificates, the "Participants") located within the County will simultaneously issue tax and revenue anticipation notes to secure Participation Certificates evidencing proportionate and undivided interests in the Notes and the tax and revenue anticipation notes of the other Participants as provided in Section 7 below.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the Treasurer and Tax Collector if such Notes are issued for purchase by the Pooled Program. The Treasurer and Tax Collector is hereby requested

to act as a trustee, fiscal agent, dissemination agent and/or presentation agent (the "Fiscal Agent") in connection with the Notes and the Participation Certificates related thereto, and the County may appoint an agent or other third party to perform any or all of such duties.

If the Notes are not issued for purchase by the Pooled Program, the principal of and interest on the Notes shall be payable to the registered owner thereof upon surrender of the Note at the principal office of The Bank of New York Mellon Trust Company, N.A., as certificate agent (the "Certificate Agent") as provided in the Trust Agreement (the "Trust Agreement") to be entered into by and between the County and the Certificate Agent.

Section 3. Form of Notes. The Notes shall be issued in fully registered form, and shall be substantially in the form attached hereto as Exhibit A and by this reference incorporated herein or with appropriate modifications to such form as the Treasurer and Tax Collector may determine and approve. There shall be delivered with the Notes a legal opinion of Hawkins Delafield & Wood LLP, or such other counsel as the Los Angeles County Office of Education may appoint, as bond counsel ("Bond Counsel") respecting the validity of said Notes and the exclusion from gross income of the interest thereon for federal income tax purposes and the exemption of interest thereon from present State of California personal income taxes.

Section 4. Deposit of Note Proceeds; No Arbitrage. The proceeds of sale of the Notes (net of costs of issuance) shall be deposited in or to the credit of the general fund of the District or otherwise as directed by the Authorized Officer to be withdrawn and expended for any lawful purpose for which the District is authorized to expend moneys, including, but not limited to, current expenses, capital expenditures and the discharge of any obligations or indebtedness of the District. The District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District with respect to the Notes and any other instructions requested by or otherwise provided by Bond Counsel.

Section 5. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during, or are attributable to, the Repayment Fiscal Year and which are lawfully available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges from the first unrestricted revenues received by the District (such pledged amounts being hereinafter called the "Pledged Revenues"), the amounts as fully described in the Purchase Contract and Notes. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other money of the District as provided in Section 53856 of the Code, which are intended as receipts for the general fund of the District and which are generally available for the payment of current expenses and other obligations of the District. The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the moneys received by the District from such Pledged

Revenues, as provided by law. Any tax and revenue anticipation notes issued subsequent to the Notes (the "Subordinated Notes") shall be payable from and secured by a lien on unrestricted revenues received or attributable to Fiscal Year 2018-2019 on a basis junior and subordinate in all respects to the lien on the unrestricted revenues received or attributable to Fiscal Year 2018-2019 of the Notes authorized under Section 2 of this District Resolution. The Subordinated Notes shall not mature prior to the Notes or be subject to redemption prior to the maturity of the Notes. No deposit to any account established for the payment of principal of and interest on the Subordinated Notes shall be permitted prior to the deposit in full of each monthly set-aside requirement in the Repayment Fund for the Notes pursuant to Section 5 hereof.

In order to effect the pledge referred to in the preceding paragraph, the District agrees to the establishment of the Repayment Fund (hereinafter defined) and the District agrees to cause to be deposited, and shall request specific amounts from the District's funds on deposit with the Treasurer and Tax Collector for such purpose, directly therein the first unrestricted revenues received by the District in the amounts and on the dates set forth in the Trust Agreement if such Notes are issued for purchase by the Pooled Program or in the Notes if such Notes are issued on a stand-alone basis (each individual month a "Repayment Month" and collectively, the "Repayment Months") and any amount thereafter attributable to the Repayment Fiscal Year, until the amount on deposit in such fund, taking into consideration anticipated investment earnings thereon to be received by the Maturity Date (as specified in the Purchase Contract and Notes) is equal to the principal of and interest due on the Notes at maturity as specified in the Purchase Contract and the Notes; provided, however, that nothing herein shall prohibit or restrict the District from depositing moneys into the Repayment Fund in advance of a Repayment Month.

The District shall and does hereby authorize and instruct that, in the event that there have been insufficient Pledged Revenues received by the District by the third Business Day prior to the last Business Day (as defined in the Trust Agreement) of any Repayment Month (the "Pledge Date") to permit the deposit into the Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Auditor-Controller shall collect the amount of any deficiency for deposit in the Repayment Fund in such amount as may be directed by the Treasurer and Tax Collector from any other unrestricted moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis when and as such Pledged Revenues and unrestricted moneys are received by the District or for the account of the District and shall deposit said moneys with the Treasurer and Tax Collector for credit directly to the Repayment Fund.

None of the Pledged Revenues shall be available for the payment of principal of and interest due on any tax and revenue anticipation notes attributable to any Participant other than the District, and the District acknowledges and agrees that by participation in the Pooled Program or by issuing its Notes on a stand-alone basis, it shall not be entitled to any payment of principal of and interest on the Notes from the moneys of any Participant other than the District.

(C) Intercept Procedure. In accordance with Section 5(B) hereof and to effect the pledge contained in this resolution (the "District Resolution"), the District shall and does hereby authorize and instruct the Los Angeles County Auditor-Controller (the "Auditor-

Controller”) to intercept Pledged Revenues as set forth in Notes and the Trust Agreement, and place such amounts on deposit each Repayment Month with the Treasurer and Tax Collector directly in the Repayment Fund held by the Fiscal Agent with a designation to the Certificate Agent of the amounts to be credited for the District. Upon such deposit, such funds will not be available to the District.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a separate and special fund designated as the “Lennox School District, 2018-2019 Tax and Revenue Anticipation Notes Repayment Fund” (herein called the “Repayment Fund”) and the County will administer the Pledged Revenues through and including the Maturity Date of the Notes and apply such funds as directed in this District Resolution. Any moneys deposited in the Repayment Fund shall be for the sole benefit of the owners of the Notes and until the Notes and all interest thereon are paid, or until provision has been made for the payment of the principal of the Notes and all interest thereon in accordance with their terms, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created. The Treasurer and Tax Collector is directed to deposit all Pledged Revenues subject to deposit as provided in this Section 5(D) when and as received directly into the Repayment Fund, without further instruction by the District. From the dates of receipt by the Treasurer and Tax Collector of any of the Pledged Revenues subject to such deposit, the District shall have no right, title or interest therein.

(E) Disbursement and Investment of Moneys in Repayment Fund. All Pledged Revenues shall be deposited into the Repayment Fund upon receipt. After such date as the amount of Pledged Revenues on deposit in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District or otherwise as directed by the Authorized Officer. On the Maturity Date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested in Permitted Investments (as defined in the Trust Agreement) as directed by the Treasurer and Tax Collector or by the Authorized Officer in consultation with the Los Angeles County Office of Education. The Treasurer and Tax Collector (who is hereby designated as agent of the District for these purposes) is hereby requested to invest and/or to direct the investment of the proceeds of the Notes and the Participation Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and County policy governing the investment of such funds.

(F) Defaults in the Repayment of the Notes. If the Notes are not paid when due or are paid in whole or in part by a draw under or claim upon a form of credit support for the Notes or a series of Participation Certificates (“Credit Enhancement”) which draw or claim is not fully reimbursed on such date, they shall become Defaulted Notes (as defined in the Trust Agreement), and the unpaid portion thereof (or the portion thereof with respect to which Credit Enhancement applies for which reimbursement on a draw or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest at the default rate specified in the Trust Agreement (the “Default Rate”). If the Notes are not secured by Credit Enhancement in whole or

in part and are not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Enhancement applies which is unpaid), including the respective series of Participation Certificates, shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Notes or unpaid Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year as provided in Section 5(B) above.

Section 6. Execution of Notes. The District hereby requests the Treasurer and Tax Collector, or his designated deputy, and the appropriate officers of the County Board to execute the Notes by their manual or facsimile signatures and to affix a facsimile of the seal of the County thereon. Said officers shall be authorized to cause the blank spaces thereof to be filled in prior to initial delivery as may be appropriate. The District's approval of the information set forth therein shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector.

Section 7. Approval of Sale of Notes. This Board of Education hereby delegates to the President and the Chairperson of the Board of Education and to the Superintendent, Assistant Superintendent for Fiscal Services, Business Manager or Chief Business Officer of the District or such other authorized person (each, an "Authorized Officer") the right, on behalf of the District, to elect to have the District participate in the Pooled Program or to have the Notes issued on a stand-alone basis. Such election shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector. In case any officer whose signature shall appear on any Notes shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Treasurer and Tax Collector shall, within the limitations set forth below, be authorized and directed, on behalf of the District, to enter into a contract of purchase (the "Purchase Contract") with the Underwriters (hereinafter defined) for the purchase of the Notes and the respective series of Participation Certificates. In connection with the Pooled Program, the Los Angeles County Office of Education, with the concurrence of this District, has appointed RBC Capital Markets, LLC, as representative of itself and any co-underwriter the Los Angeles County Office of Education may appoint as underwriters (collectively, the "Underwriters").

The tax and revenue anticipation notes of the Pooled Program shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes and the tax and revenue anticipation notes of the other Participants in such series, if any. The Notes, if such Notes are issued on a stand-alone basis, shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes. It is hereby recognized, acknowledged and agreed that the Certificate Agent appointed pursuant to the Trust Agreement may execute and deliver a Series of Participation Certificates on behalf of the District and the other Participants of such Series, each representing the proportional, undivided ownership interest of the registered owner thereof in the Notes of the Pooled Program related to such Series of Participation Certificates. The District agrees to recognize each registered owner of the related Series of Participation Certificates as the beneficial owner of its Notes to the extent of such registered owner's

proportional, undivided interest in the Notes. The Authorized Officer is hereby authorized to execute and deliver any documents and to take such other action as may be necessary or proper to carry out the interest of the provisions hereof. The participation by the District in the Pooled Program and the execution and delivery of a Series of Participation Certificates under the Trust Agreement shall not cause the District to be liable for payments of principal of or interest on the tax and revenue anticipation notes attributable to any other Participant.

Section 8. Authorization and Approval of Preliminary Official Statement and Official Statement. The Underwriters are hereby authorized to prepare a Preliminary Official Statement and an Official Statement relating to the Notes and the Pooled Program. Each Authorized Officer is hereby authorized and directed to provide to the Underwriters such information relating to the District as the Underwriters shall reasonably request in connection with the preparation of and for inclusion in the Preliminary Official Statement and the Official Statement. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement, except for certain omissions permitted by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC") promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), is hereby deemed "final" within the meaning of the Rule; provided that no representation is made by the District as to the information contained in the Preliminary Official Statement relating to the other Participants or any municipal bond insurer.

If, at any time prior to the execution of the Purchase Contract by the County, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, at any time subsequent to the execution of the Purchase Contract by the County and prior to the "end of the underwriting period" (as defined in the Rule), any event occurs as a result of which the information contained in the Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, in the opinion of the Underwriters, such event requires the preparation and distribution of a supplement or amendment to the Preliminary Official Statement or Official Statement, the District shall prepare and furnish to the Underwriters, at the expense of the District, such number of copies of the supplement or amendment to the Preliminary Official Statement or Official Statement, as applicable, in form and substance mutually agreed upon by the District and the Underwriters, as the Underwriters may reasonably request.

OF THE COUNTY OF LOS ANGELES**

WHEREAS, pursuant to Sections 53850 *et seq.*, of the Government Code of the State of California (the "Code") contained in Title 5, Division 2, Part 1, Chapter 4, Article 7.6 thereof, on or after the first day of any fiscal year, the Manhattan Beach Unified School District (the "District") may borrow money by issuing notes to be designated "Manhattan Beach Unified School District 2018-2019 Tax and Revenue Anticipation Notes" (the "Notes") in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received by the District attributable to its fiscal year ending June 30, 2019 (the "Repayment Fiscal Year") for any purpose for which the District is authorized to expend moneys, including but not limited to current expenses, capital expenditures and the discharge of any obligation or indebtedness of the District; and

WHEREAS, Section 53853 of the Code provides that such notes may be issued by the board of supervisors of the county, the county superintendent of which has jurisdiction over the school or community college district on behalf of the school or community college district upon the authority of a resolution of the governing board of the school or community college district; and

WHEREAS, pursuant to the Code, the Notes shall be payable no more than 13 months after the date of issue and the Notes shall be payable only from revenue received or accrued during the fiscal year in which the Notes were issued; and

WHEREAS, pursuant to Section 53856 of the Code, the District may pledge any taxes, income, revenue, cash receipts or other moneys deposited in inactive or term deposits, excepting funds of the District otherwise restricted, to the repayment of the Notes, which shall be issued as a general obligation of the District, and to the extent not paid from the taxes, income, revenue, cash receipts and other moneys of the District pledged for the payment thereof, shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Code; and

WHEREAS, it may be in the best interests of the District to participate in a Los Angeles County Schools Pooled Financing 2018-2019 Tax and Revenue Anticipation Notes Program (the "Pooled Program") in order to achieve the highest possible rating, the lowest possible interest rate for the Notes and savings in costs of issuance and to improve the marketability of the Notes, and, accordingly, for the Treasurer and Tax Collector of the County of Los Angeles (the "Treasurer and Tax Collector") to provide for the execution and delivery of participation certificates ("Participation Certificates"), evidencing proportionate interests in the Notes for sale to the general public on a pooled basis with the tax and revenue anticipation notes of other school districts and/or community college districts located within the County of Los Angeles (the "County"); and

NOW, THEREFORE, this Board of Trustees hereby determines and resolves as follows:

Section 1. Findings and Determinations. All of the recitals set forth herein are true and correct and this Board of Trustees so finds and determines.

Section 2. Authorization of Issuance of Notes; Terms of the Notes. This Board of Trustees hereby authorizes the issuance of its Notes in a principal amount not to exceed \$6,000,000 under Section 53850, *et seq.*, of the Code to be designated "Manhattan Beach Unified School District, 2018-2019 Tax and Revenue Anticipation Notes," the principal amount to be set forth in the Purchase Contract (hereinafter defined) and the Notes. The Notes are to be numbered from one consecutively upward in order of issuance, to be in denominations of \$5,000 or any integral multiples thereof, to be dated the date of delivery thereof; to mature (without option of prior redemption) not more than 13 months after their date of issue and to bear interest, payable on the date of maturity (the "Maturity Date") and, if the Maturity Date for such Notes is more than 12 months from the date of issuance, on a date not more than 12 months after their date issuance and on the Maturity Date, all as determined by the Treasurer and Tax Collector and provided for in the Notes, computed on the basis of a 360-day year consisting of twelve 30-day months, at the interest rate or rates determined at the time of sale thereof but not in excess of the maximum rate permitted by law. The Notes may be issued for purchase by the Pooled Program whereby the District and certain other school districts and community college districts (collectively, with respect to any one series of Participation Certificates, the "Participants") located within the County will simultaneously issue tax and revenue anticipation notes to secure Participation Certificates evidencing proportionate and undivided interests in the Notes and the tax and revenue anticipation notes of the other Participants as provided in Section 7 below.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the Treasurer and Tax Collector if such Notes are issued for purchase by the Pooled Program. The Treasurer and Tax Collector is hereby requested to act as a trustee, fiscal agent, dissemination agent and/or presentation agent (the "Fiscal Agent") in connection with the Notes and the Participation Certificates related thereto, and the County may appoint an agent or other third party to perform any or all of such duties.

If the Notes are not issued for purchase by the Pooled Program, the principal of and interest on the Notes shall be payable to the registered owner thereof upon surrender of the Note at the principal office of The Bank of New York Mellon Trust Company, N.A., as certificate agent (the "Certificate Agent") as provided in the Trust Agreement (the "Trust Agreement") to be entered into by and between the County and the Certificate Agent.

Section 3. Form of Notes. The Notes shall be issued in fully registered form, and shall be substantially in the form attached hereto as Exhibit A and by this reference incorporated herein or with appropriate modifications to such form as the Treasurer and Tax Collector may determine and approve. There shall be delivered with the Notes a legal opinion of Hawkins Delafield & Wood LLP, or such other counsel as the Los Angeles County Office of Education may appoint, as bond counsel ("Bond Counsel") respecting the validity of said Notes and the exclusion from gross income of the interest thereon for federal income tax purposes and the exemption of interest thereon from present State of California personal income taxes.

Section 4. Deposit of Note Proceeds; No Arbitrage. The proceeds of sale of the Notes (net of costs of issuance) shall be deposited in or to the credit of the general fund of the District or otherwise as directed by the Authorized Officer to be withdrawn and expended for any lawful purpose for which the District is authorized to expend moneys, including, but not limited to, current expenses, capital expenditures and the discharge of any obligations or indebtedness of the District. The District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District with respect to the Notes and any other instructions requested by or otherwise provided by Bond Counsel.

Section 5. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during, or are attributable to, the Repayment Fiscal Year and which are lawfully available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges from the first unrestricted revenues received by the District (such pledged amounts being hereinafter called the "Pledged Revenues"), the amounts as fully described in the Purchase Contract and Notes. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other money of the District as provided in Section 53856 of the Code, which are intended as receipts for the general fund of the District and

which are generally available for the payment of current expenses and other obligations of the District. The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the moneys received by the District from such Pledged Revenues, as provided by law. Any tax and revenue anticipation notes issued subsequent to the Notes (the "Subordinated Notes") shall be payable from and secured by a lien on unrestricted revenues received or attributable to Fiscal Year 2018-2019 on a basis junior and subordinate in all respects to the lien on the unrestricted revenues received or attributable to Fiscal Year 2018-2019 of the Notes authorized under Section 2 of this District Resolution. The Subordinated Notes shall not mature prior to the Notes or be subject to redemption prior to the maturity of the Notes. No deposit to any account established for the payment of principal of and interest on the Subordinated Notes shall be permitted prior to the deposit in full of each monthly set-aside requirement in the Repayment Fund for the Notes pursuant to Section 5 hereof.

In order to effect the pledge referred to in the preceding paragraph, the District agrees to the establishment of the Repayment Fund (hereinafter defined) and the District agrees to cause to be deposited, and shall request specific amounts from the District's funds on deposit with the Treasurer and Tax Collector for such purpose, directly therein the first unrestricted revenues received by the District in the amounts and on the dates set forth in the Trust Agreement if such Notes are issued for purchase by the Pooled Program or in the Notes if such Notes are issued on a stand-alone basis (each individual month a "Repayment Month" and collectively, the "Repayment Months") and any amount thereafter attributable to the Repayment Fiscal Year, until the amount on deposit in such fund, taking into consideration anticipated investment earnings thereon to be received by the Maturity Date (as specified in the Purchase Contract and Notes) is equal to the principal of and interest due on the Notes at maturity as specified in the Purchase Contract and the Notes; provided, however, that nothing herein shall prohibit or restrict the District from depositing moneys into the Repayment Fund in advance of a Repayment Month.

The District shall and does hereby authorize and instruct that, in the event that there have been insufficient Pledged Revenues received by the District by the third Business Day prior to the last Business Day (as defined in the Trust Agreement) of any Repayment Month (the "Pledge Date") to permit the deposit into the Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Auditor-Controller shall collect the amount of any deficiency for deposit in the Repayment Fund in such amount as may be directed by the Treasurer and Tax Collector from any other unrestricted moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis when and as such Pledged Revenues and unrestricted moneys are received by the District or for the account of the District and shall deposit said moneys with the Treasurer and Tax Collector for credit directly to the Repayment Fund.

None of the Pledged Revenues shall be available for the payment of principal of and interest due on any tax and revenue anticipation notes attributable to any Participant other than the District, and the District acknowledges and agrees that by participation in the Pooled Program or by issuing its Notes on a stand-alone basis, it shall not be entitled to any payment of principal of and interest on the Notes from the moneys of any Participant other than the District.

(C) Intercept Procedure. In accordance with Section 5(B) hereof and to effect the pledge contained in this resolution (the “District Resolution”), the District shall and does hereby authorize and instruct the Los Angeles County Auditor-Controller (the “Auditor-Controller”) to intercept Pledged Revenues as set forth in Notes and the Trust Agreement, and place such amounts on deposit each Repayment Month with the Treasurer and Tax Collector directly in the Repayment Fund held by the Fiscal Agent with a designation to the Certificate Agent of the amounts to be credited for the District. Upon such deposit, such funds will not be available to the District.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a separate and special fund designated as the “Manhattan Beach Unified School District, 2018-2019 Tax and Revenue Anticipation Notes Repayment Fund” (herein called the “Repayment Fund”) and the County will administer the Pledged Revenues through and including the Maturity Date of the Notes and apply such funds as directed in this District Resolution. Any moneys deposited in the Repayment Fund shall be for the sole benefit of the owners of the Notes and until the Notes and all interest thereon are paid, or until provision has been made for the payment of the principal of the Notes and all interest thereon in accordance with their terms, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created. The Treasurer and Tax Collector is directed to deposit all Pledged Revenues subject to deposit as provided in this Section 5(D) when and as received directly into the Repayment Fund, without further instruction by the District. From the dates of receipt by the Treasurer and Tax Collector of any of the Pledged Revenues subject to such deposit, the District shall have no right, title or interest therein.

(E) Disbursement and Investment of Moneys in Repayment Fund. All Pledged Revenues shall be deposited into the Repayment Fund upon receipt. After such date as the amount of Pledged Revenues on deposit in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District or otherwise as directed by the Authorized Officer. On the Maturity Date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested in Permitted Investments (as defined in the Trust Agreement) as directed by the Treasurer and Tax Collector or by the Authorized Officer in consultation with the Los Angeles County Office of Education. The Treasurer and Tax Collector (who is hereby designated as agent of the District for these purposes) is hereby requested to invest and/or to direct the investment of the proceeds of the Notes and the Participation Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and County policy governing the investment of such funds.

(F) Defaults in the Repayment of the Notes. If the Notes are not paid when due or are paid in whole or in part by a draw under or claim upon a form of credit support for the Notes or a series of Participation Certificates (“Credit Enhancement”) which draw or claim is not fully reimbursed on such date, they shall become Defaulted Notes (as defined in the Trust Agreement), and the unpaid portion thereof (or the portion thereof with respect to which Credit

Enhancement applies for which reimbursement on a draw or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest at the default rate specified in the Trust Agreement (the "Default Rate"). If the Notes are not secured by Credit Enhancement in whole or in part and are not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Enhancement applies which is unpaid), including the respective series of Participation Certificates, shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Notes or unpaid Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year as provided in Section 5(B) above.

Section 6. Execution of Notes. The District hereby requests the Treasurer and Tax Collector, or his designated deputy, and the appropriate officers of the County Board to execute the Notes by their manual or facsimile signatures and to affix a facsimile of the seal of the County thereon. Said officers shall be authorized to cause the blank spaces thereof to be filled in prior to initial delivery as may be appropriate. The District's approval of the information set forth therein shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector.

Section 7. Approval of Sale of Notes. This Board of Trustees hereby delegates to the President and Vice President of the Board of Trustees and to the Superintendent, Deputy Superintendent and Director of Fiscal Services, and such other authorized person (each, an "Authorized Officer"), the right, on behalf of the District, to elect to have the District participate in the Pooled Program or to have the Notes issued on a stand-alone basis. Such election shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector. In case any officer whose signature shall appear on any Notes shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Treasurer and Tax Collector shall, within the limitations set forth below, be authorized and directed, on behalf of the District, to enter into a contract of purchase (the "Purchase Contract") with the Underwriters (hereinafter defined) for the purchase of the Notes and the respective series of Participation Certificates. In connection with the Pooled Program, the Los Angeles County Office of Education, with the concurrence of this District, has appointed RBC Capital Markets, LLC, as representative of itself and any co-underwriter the Los Angeles County Office of Education may appoint as underwriters (collectively, the "Underwriters").

The tax and revenue anticipation notes of the Pooled Program shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes and the tax and revenue anticipation notes of the other Participants in such series, if any. The Notes, if such Notes are issued on a stand-alone basis, shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes. WHEREAS, it may be in the best interests of the District to participate in a Los Angeles County Schools Pooled Financing 2018-2019 Tax and Revenue Anticipation Notes Program (the "Pooled Program") in order to achieve the highest possible rating, the lowest possible interest rate for the Notes and savings in costs of issuance and to improve the marketability of the Notes, and, accordingly, for the Treasurer and Tax Collector of the County of Los Angeles (the "Treasurer and Tax Collector") to provide for the execution and delivery of participation certificates ("Participation Certificates"), evidencing proportionate interests in the Notes for sale to the general public on a pooled basis with the tax and revenue anticipation notes of other school districts and/or community college districts located within the County of Los Angeles (the "County"); and

District and which are generally available for the payment of current expenses and other obligations of the District. The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the moneys received by the District from such Pledged Revenues, as provided by law. Any tax and revenue anticipation notes issued subsequent to the Notes (the "Subordinated Notes") shall be payable from and secured by a lien on unrestricted revenues received or attributable to Fiscal Year 2018-2019 on a basis junior and subordinate in all respects to the lien on the unrestricted revenues received or attributable to Fiscal Year 2018-2019 of the Notes authorized under Section 2 of this District Resolution. The Subordinated Notes shall not mature prior to the Notes or be subject to redemption prior to the maturity of the Notes. No deposit to any account established for the payment of principal of and interest on the Subordinated Notes shall be permitted prior to the deposit in full of each monthly set-aside requirement in the Repayment Fund for the Notes pursuant to Section 5 hereof.

In order to effect the pledge referred to in the preceding paragraph, the District agrees to the establishment of the Repayment Fund (hereinafter defined) and the District agrees to cause to be deposited, and shall request specific amounts from the District's funds on deposit with the Treasurer and Tax Collector for such purpose, directly therein the first unrestricted revenues received by the District in the amounts and on the dates set forth in the Trust Agreement if such Notes are issued for purchase by the Pooled Program or in the Notes if such Notes are issued on a stand-alone basis (each individual month a "Repayment Month" and collectively, the "Repayment Months") and any amount thereafter attributable to the Repayment Fiscal Year, until the amount on deposit in such fund, taking into consideration anticipated investment earnings thereon to be received by the Maturity Date (as specified in the Purchase Contract and Notes) is equal to the principal of and interest due on the Notes at maturity as specified in the Purchase Contract and the Notes; provided, however, that nothing herein shall prohibit or restrict the District from depositing moneys into the Repayment Fund in advance of a Repayment Month.

The District shall and does hereby authorize and instruct that, in the event that there have been insufficient Pledged Revenues received by the District by the third Business Day prior to the last Business Day (as defined in the Trust Agreement) of any Repayment Month (the "Pledge Date") to permit the deposit into the Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Auditor-Controller shall collect the amount of any deficiency for deposit in the Repayment Fund in such amount as may be directed by the Treasurer and Tax Collector from any other unrestricted moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis when and as such Pledged Revenues and unrestricted moneys are received by the District or for the account of the District and shall deposit said moneys with the Treasurer and Tax Collector for credit directly to the Repayment Fund.

None of the Pledged Revenues shall be available for the payment of principal of and interest due on any tax and revenue anticipation notes attributable to any Participant other than the District, and the District acknowledges and agrees that by participation in the Pooled Program or by issuing its Notes on a stand-alone basis, it shall not be entitled to any payment of principal of and interest on the Notes from the moneys of any Participant other than the District.

(C) Intercept Procedure. In accordance with Section 5(B) hereof and to effect the pledge contained in this resolution (the "District Resolution"), the District shall and does hereby authorize and instruct the Los Angeles County Auditor-Controller (the "Auditor-Controller") to intercept Pledged Revenues as set forth in Notes and the Trust Agreement, and place such amounts on deposit each Repayment Month with the Treasurer and Tax Collector directly in the Repayment Fund held by the Fiscal Agent with a designation to the Certificate Agent of the amounts to be credited for the District. Upon such deposit, such funds will not be available to the District.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a separate and special fund designated as the "Palos Verdes Peninsula Unified School District, 2018-2019 Tax and Revenue Anticipation Notes Repayment Fund" (herein called the "Repayment Fund") and the County will administer the Pledged Revenues through and including the Maturity Date of the Notes and apply such funds as directed in this District Resolution. Any moneys deposited in the Repayment Fund shall be for the sole benefit of the owners of the Notes and until the Notes and all interest thereon are paid, or until provision has been made for the payment of the principal of the Notes and all interest thereon in accordance with their terms, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created. The Treasurer and Tax Collector is directed to deposit all Pledged Revenues subject to deposit as provided in this Section 5(D) when and as received directly into the Repayment Fund, without further instruction by the District. From the dates of receipt by the Treasurer and Tax Collector of any of the Pledged Revenues subject to such deposit, the District shall have no right, title or interest therein.

(E) Disbursement and Investment of Moneys in Repayment Fund. All Pledged Revenues shall be deposited into the Repayment Fund upon receipt. After such date as the amount of Pledged Revenues on deposit in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District or otherwise as directed by the Authorized Officer. On the Maturity Date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested in Permitted Investments (as defined in the Trust Agreement) as directed by the Treasurer and Tax Collector or by the Authorized Officer in consultation with the Los Angeles County Office of Education. The Treasurer and Tax Collector (who is hereby designated as agent of the District for these purposes) is hereby requested to invest and/or to direct the investment of the proceeds of the Notes and the Participation Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and County policy governing the investment of such funds.

(F) Defaults in the Repayment of the Notes. If the Notes are not paid when due or are paid in whole or in part by a draw under or claim upon a form of credit support for the Notes or a series of Participation Certificates ("Credit Enhancement") which draw or claim is not fully reimbursed on such date, they shall become Defaulted Notes (as defined in the Trust Agreement), and the unpaid portion thereof (or the portion thereof with respect to which Credit

Enhancement applies for which reimbursement on a draw or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest at the default rate specified in the Trust Agreement (the "Default Rate"). If the Notes are not secured by Credit Enhancement in whole or in part and are not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Enhancement applies which is unpaid), including the respective series of Participation Certificates, shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Notes or unpaid Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year as provided in Section 5(B) above.

Section 6. Execution of Notes. The District hereby requests the Treasurer and Tax Collector, or his designated deputy, and the appropriate officers of the County Board to execute the Notes by their manual or facsimile signatures and to affix a facsimile of the seal of the County thereon. Said officers shall be authorized to cause the blank spaces thereof to be filled in prior to initial delivery as may be appropriate. The District's approval of the information set forth therein shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector.

Section 7. Approval of Sale of Notes. This Board of Education hereby delegates to the President or Chairperson, as applicable, of the Board of Education, to the Superintendent, Assistant Superintendent for Fiscal Services, Business Manager or Chief Business Officer of the District, as the case may be, or such other authorized person (each, an "Authorized Officer"), the right, on behalf of the District, to elect to have the District participate in the Pooled Program or to have the Notes issued on a stand-alone basis. Such election shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector. In case any officer whose signature shall appear on any Notes shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Treasurer and Tax Collector shall, within the limitations set forth below, be authorized and directed, on behalf of the District, to enter into a contract of purchase (the "Purchase Contract") with the Underwriters (hereinafter defined) for the purchase of the Notes and the respective series of Participation Certificates. In connection with the Pooled Program, the Los Angeles County Office of Education, with the concurrence of this District, has appointed RBC Capital Markets, LLC, as representative of itself and any co-underwriter the Los Angeles County Office of Education may appoint as underwriters (collectively, the "Underwriters").

The tax and revenue anticipation notes of the Pooled Program shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes and the tax and revenue anticipation notes of the other Participants in such series, if any. The Notes, if such Notes are issued on a stand-alone basis, shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes. It is hereby recognized, acknowledged and agreed that the Certificate Agent appointed pursuant to the Trust Agreement may execute and deliver a Series of Participation Certificates on behalf of the District and the other Participants of such Series, each representing the proportional, undivided ownership interest of the registered owner

thereof in the Notes of the Pooled Program related to such Series of Participation Certificates. The District agrees to recognize each registered owner of the related Series of Participation Certificates as the beneficial owner of its Notes to the extent of such registered owner's proportional, undivided interest in the Notes. The Authorized Officer is hereby authorized to execute and deliver any documents and to take such other action as may be necessary or proper to carry out the interest of the provisions hereof. The participation by the District in the Pooled Program and the execution and delivery of a Series of Participation Certificates under the Trust Agreement shall not cause the District to be liable for payments of principal of or interest on the tax and revenue anticipation notes attributable to any other Participant.

Section 8. Authorization and Approval of Preliminary Official Statement and Official Statement. The Underwriters are hereby authorized to prepare a Preliminary Official Statement and an Official Statement relating to the Notes and the Pooled Program. Each Authorized Officer is hereby authorized and directed to provide to the Underwriters such information relating to the District as the Underwriters shall reasonably request in connection with the preparation of and for inclusion in the Preliminary Official Statement and the Official Statement. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement, except for certain omissions permitted by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC") promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), is hereby deemed "final" within the meaning of the Rule; provided that no representation is made by the District as to the information contained in the Preliminary Official Statement relating to the other Participants or any municipal bond insurer.

If, at any time prior to the execution of the Purchase Contract by the County, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, at any time subsequent to the execution of the Purchase Contract by the County and prior to the "end of the underwriting period" (as defined in the Rule), any event occurs as a result of which the information contained in the Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, in the opinion of the Underwriters, such event requires the preparation and distribution of a supplement or amendment to the Preliminary Official Statement or Official Statement, the District shall prepare and furnish to the Underwriters, at the expense of the District, such number of copies of the supplement or amendment to the Preliminary Official Statement or Official Statement, as applicable, in form and substance mutually agreed upon by the District and the Underwriters, as the Underwriters may reasonably request.

REQUESTING THE ISSUANCE OF
2018-2019 TAX AND REVENUE ANTICIPATION NOTES
FOR THE DISTRICT BY THE BOARD OF SUPERVISORS
OF THE COUNTY OF LOS ANGELES**

WHEREAS, pursuant to Sections 53850 *et seq.*, of the Government Code of the State of California (the "Code") contained in Title 5, Division 2, Part 1, Chapter 4, Article 7.6 thereof, on or after the first day of any fiscal year, the Redondo Beach Unified School District (the "District") may borrow money by issuing notes to be designated "Redondo Beach Unified School District 2018-2019 Tax and Revenue Anticipation Notes" (the "Notes") in anticipation of the receipt of taxes, income, revenue, cash receipts and other moneys to be received by the District attributable to its fiscal year ending June 30, 2019 (the "Repayment Fiscal Year") for any purpose for which the District is authorized to expend moneys, including but not limited to current expenses, capital expenditures and the discharge of any obligation or indebtedness of the District; and

WHEREAS, Section 53853 of the Code provides that such notes may be issued by the board of supervisors of the county, the county superintendent of which has jurisdiction over the school or community college district on behalf of the school or community college district upon the authority of a resolution of the governing board of the school or community college district; and

WHEREAS, this Board of Education (the "Board of Education"), being the governing board of the District, desires the assistance of the Board of Supervisors of the County of Los Angeles (the "County Board") in connection with the issuance of the Notes; and

WHEREAS, pursuant to the Code, the Notes shall be payable no more than 13 months after the date of issue and the Notes shall be payable only from revenue received or accrued during the fiscal year in which the Notes were issued; and

WHEREAS, pursuant to Section 53856 of the Code, the District may pledge any taxes, income, revenue, cash receipts or other moneys deposited in inactive or term deposits, excepting funds of the District otherwise restricted, to the repayment of the Notes, which shall be issued as a general obligation of the District, and to the extent not paid from the taxes, income, revenue, cash receipts and other moneys of the District pledged for the payment thereof, shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as required by Section 53857 of the Code; and

WHEREAS, the Notes to be issued hereunder in Fiscal Year 2018-2019 when added to the interest payable thereon, may not exceed eighty-five percent (85%) of the estimated amount of the uncollected taxes, income, revenue (including but not limited to revenue from state and federal governments), cash receipts and other moneys of the District which will be

available for the payment of principal of the Notes and the interest thereon, as required by Section 53858 of the Code; and

WHEREAS, it may be in the best interests of the District to participate in a Los Angeles County Schools Pooled Financing 2018-2019 Tax and Revenue Anticipation Notes Program (the "Pooled Program") in order to achieve the highest possible rating, the lowest possible interest rate for the Notes and savings in costs of issuance and to improve the marketability of the Notes, and, accordingly, for the Treasurer and Tax Collector of the County of Los Angeles (the "Treasurer and Tax Collector") to provide for the execution and delivery of participation certificates ("Participation Certificates"), evidencing proportionate interests in the Notes for sale to the general public on a pooled basis with the tax and revenue anticipation notes of other school districts and/or community college districts located within the County of Los Angeles (the "County"); and

WHEREAS, the Los Angeles County Office of Education has approved the selection of underwriters who will purchase any Notes issued under the Pooled Program (the "Pooled Program Notes") and the selection of Bond Counsel who will provide the approving opinion on the Notes, and the Board of Education desires to have any Pooled Program Notes or, in the alternative, to have its individual Notes purchased by such underwriters upon such terms as may be approved by an Authorized Officer (as defined in Section 7 below) of the District;

NOW, THEREFORE, this Board of Education hereby determines and resolves as follows:

Section 1. Findings and Determinations. All of the recitals set forth herein are true and correct and this Board of Education so finds and determines.

Section 2. Authorization of Issuance of Notes; Terms of the Notes. This Board of Education hereby authorizes the issuance of its Notes in a principal amount not to exceed \$6,000,000 under Section 53850, *et seq.*, of the Code to be designated "Redondo Beach Unified School District, 2018-2019 Tax and Revenue Anticipation Notes," the principal amount to be set forth in the Purchase Contract (hereinafter defined) and the Notes. The Notes are to be numbered from one consecutively upward in order of issuance, to be in denominations of \$5,000 or any integral multiples thereof, to be dated the date of delivery thereof; to mature (without option of prior redemption) not more than 13 months after their date of issue and to bear interest, payable on the date of maturity (the "Maturity Date") and, if the Maturity Date for such Notes is more than 12 months from the date of issuance, on a date not more than 12 months after their date issuance and on the Maturity Date, all as determined by the Treasurer and Tax Collector and provided for in the Notes, computed on the basis of a 360-day year consisting of twelve 30-day months, at the interest rate or rates determined at the time of sale thereof but not in excess of the maximum rate permitted by law. The Notes may be issued for purchase by the Pooled Program whereby the District and certain other school districts and community college districts (collectively, with respect to any one series of Participation Certificates, the "Participants") located within the County will simultaneously issue tax and revenue anticipation notes to secure Participation Certificates evidencing proportionate and undivided interests in the Notes and the tax and revenue anticipation notes of the other Participants as provided in Section 7 below.

The principal of and interest on the Notes shall be payable in lawful money of the United States of America at the office of the Treasurer and Tax Collector if such Notes are issued for purchase by the Pooled Program. The Treasurer and Tax Collector is hereby requested to act as a trustee, fiscal agent, dissemination agent and/or presentation agent (the "Fiscal Agent") in connection with the Notes and the Participation Certificates related thereto, and the County may appoint an agent or other third party to perform any or all of such duties.

If the Notes are not issued for purchase by the Pooled Program, the principal of and interest on the Notes shall be payable to the registered owner thereof upon surrender of the Note at the principal office of The Bank of New York Mellon Trust Company, N.A., as certificate agent (the "Certificate Agent") as provided in the Trust Agreement (the "Trust Agreement") to be entered into by and between the County and the Certificate Agent.

Section 3. Form of Notes. The Notes shall be issued in fully registered form, and shall be substantially in the form attached hereto as Exhibit A and by this reference incorporated herein or with appropriate modifications to such form as the Treasurer and Tax Collector may determine and approve. There shall be delivered with the Notes a legal opinion of Hawkins Delafield & Wood LLP, or such other counsel as the Los Angeles County Office of Education may appoint, as bond counsel ("Bond Counsel") respecting the validity of said Notes and the exclusion from gross income of the interest thereon for federal income tax purposes and the exemption of interest thereon from present State of California personal income taxes.

Section 4. Deposit of Note Proceeds; No Arbitrage. The proceeds of sale of the Notes (net of costs of issuance) shall be deposited in or to the credit of the general fund of the District or otherwise as directed by the Authorized Officer to be withdrawn and expended for any lawful purpose for which the District is authorized to expend moneys, including, but not limited to, current expenses, capital expenditures and the discharge of any obligations or indebtedness of the District. The District hereby covenants that it will comply with the requirements of the Tax Certificate to be executed by the District with respect to the Notes and any other instructions requested by or otherwise provided by Bond Counsel.

Section 5. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts and other moneys which are received by the District during, or are attributable to, the Repayment Fiscal Year and which are lawfully available therefor. The Notes shall be a general obligation of the District, and to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. As security for the payment of the principal of and interest on the Notes, the District hereby pledges from the first unrestricted revenues received by the District (such pledged amounts being hereinafter called the "Pledged Revenues"), the amounts as fully described in the Purchase Contract and Notes. The term "unrestricted revenues" shall mean taxes, income, revenue, cash receipts, and other money of the District as provided in Section 53856 of the Code, which are intended as receipts for the general fund of the District and

which are generally available for the payment of current expenses and other obligations of the District. The principal of the Notes and the interest thereon shall be a first lien and charge against and shall be payable from the moneys received by the District from such Pledged Revenues, as provided by law. Any tax and revenue anticipation notes issued subsequent to the Notes (the "Subordinated Notes") shall be payable from and secured by a lien on unrestricted revenues received or attributable to Fiscal Year 2018-2019 on a basis junior and subordinate in all respects to the lien on the unrestricted revenues received or attributable to Fiscal Year 2018-2019 of the Notes authorized under Section 2 of this District Resolution. The Subordinated Notes shall not mature prior to the Notes or be subject to redemption prior to the maturity of the Notes. No deposit to any account established for the payment of principal of and interest on the Subordinated Notes shall be permitted prior to the deposit in full of each monthly set-aside requirement in the Repayment Fund for the Notes pursuant to Section 5 hereof.

In order to effect the pledge referred to in the preceding paragraph, the District agrees to the establishment of the Repayment Fund (hereinafter defined) and the District agrees to cause to be deposited, and shall request specific amounts from the District's funds on deposit with the Treasurer and Tax Collector for such purpose, directly therein the first unrestricted revenues received by the District in the amounts and on the dates set forth in the Trust Agreement if such Notes are issued for purchase by the Pooled Program or in the Notes if such Notes are issued on a stand-alone basis (each individual month a "Repayment Month" and collectively, the "Repayment Months") and any amount thereafter attributable to the Repayment Fiscal Year, until the amount on deposit in such fund, taking into consideration anticipated investment earnings thereon to be received by the Maturity Date (as specified in the Purchase Contract and Notes) is equal to the principal of and interest due on the Notes at maturity as specified in the Purchase Contract and the Notes; provided, however, that nothing herein shall prohibit or restrict the District from depositing moneys into the Repayment Fund in advance of a Repayment Month.

The District shall and does hereby authorize and instruct that, in the event that there have been insufficient Pledged Revenues received by the District by the third Business Day prior to the last Business Day (as defined in the Trust Agreement) of any Repayment Month (the "Pledge Date") to permit the deposit into the Repayment Fund of the full amount of the Pledged Revenues required to be deposited with respect to such Pledge Date, the Auditor-Controller shall collect the amount of any deficiency for deposit in the Repayment Fund in such amount as may be directed by the Treasurer and Tax Collector from any other unrestricted moneys of the District lawfully available for the payment of the principal of the Notes and the interest thereon on such Pledge Date or thereafter on a daily basis when and as such Pledged Revenues and unrestricted moneys are received by the District or for the account of the District and shall deposit said moneys with the Treasurer and Tax Collector for credit directly to the Repayment Fund.

None of the Pledged Revenues shall be available for the payment of principal of and interest due on any tax and revenue anticipation notes attributable to any Participant other than the District, and the District acknowledges and agrees that by participation in the Pooled Program or by issuing its Notes on a stand-alone basis, it shall not be entitled to any payment of principal of and interest on the Notes from the moneys of any Participant other than the District.

(C) Intercept Procedure. In accordance with Section 5(B) hereof and to effect the pledge contained in this resolution (the "District Resolution"), the District shall and does hereby authorize and instruct the Los Angeles County Auditor-Controller (the "Auditor-Controller") to intercept Pledged Revenues as set forth in Notes and the Trust Agreement, and place such amounts on deposit each Repayment Month with the Treasurer and Tax Collector directly in the Repayment Fund held by the Fiscal Agent with a designation to the Certificate Agent of the amounts to be credited for the District. Upon such deposit, such funds will not be available to the District.

(D) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be held by the County in a separate and special fund designated as the "Redondo Beach Unified School District, 2018-2019 Tax and Revenue Anticipation Notes Repayment Fund" (herein called the "Repayment Fund") and the County will administer the Pledged Revenues through and including the Maturity Date of the Notes and apply such funds as directed in this District Resolution. Any moneys deposited in the Repayment Fund shall be for the sole benefit of the owners of the Notes and until the Notes and all interest thereon are paid, or until provision has been made for the payment of the principal of the Notes and all interest thereon in accordance with their terms, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created. The Treasurer and Tax Collector is directed to deposit all Pledged Revenues subject to deposit as provided in this Section 5(D) when and as received directly into the Repayment Fund, without further instruction by the District. From the dates of receipt by the Treasurer and Tax Collector of any of the Pledged Revenues subject to such deposit, the District shall have no right, title or interest therein.

(E) Disbursement and Investment of Moneys in Repayment Fund. All Pledged Revenues shall be deposited into the Repayment Fund upon receipt. After such date as the amount of Pledged Revenues on deposit in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District or otherwise as directed by the Authorized Officer. On the Maturity Date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund, to the greatest extent possible, shall be invested in Permitted Investments (as defined in the Trust Agreement) as directed by the Treasurer and Tax Collector or by the Authorized Officer in consultation with the Los Angeles County Office of Education. The Treasurer and Tax Collector (who is hereby designated as agent of the District for these purposes) is hereby requested to invest and/or to direct the investment of the proceeds of the Notes and the Participation Certificates and any other funds held under the Trust Agreement in accordance with the Trust Agreement and County policy governing the investment of such funds.

(F) Defaults in the Repayment of the Notes. If the Notes are not paid when due or are paid in whole or in part by a draw under or claim upon a form of credit support for the Notes or a series of Participation Certificates ("Credit Enhancement") which draw or claim is not fully reimbursed on such date, they shall become Defaulted Notes (as defined in the Trust Agreement), and the unpaid portion thereof (or the portion thereof with respect to which Credit

Enhancement applies for which reimbursement on a draw or claim has not been fully made) shall be deemed outstanding and shall continue to bear interest at the default rate specified in the Trust Agreement (the "Default Rate"). If the Notes are not secured by Credit Enhancement in whole or in part and are not fully paid at maturity, the unpaid portion thereof (or the portion thereof to which no Credit Enhancement applies which is unpaid), including the respective series of Participation Certificates, shall be deemed outstanding and shall continue to bear interest thereafter until paid at the Default Rate. In each case set forth in the preceding two sentences, the obligation of the District with respect to such Defaulted Notes or unpaid Notes shall not be a debt or liability of the District prohibited by Article XVI, Section 18 of the California Constitution and the District shall not be liable thereon except to the extent of any available revenues attributable to the Repayment Fiscal Year as provided in Section 5(B) above.

Section 6. Execution of Notes. The District hereby requests the Treasurer and Tax Collector, or his designated deputy, and the appropriate officers of the County Board to execute the Notes by their manual or facsimile signatures and to affix a facsimile of the seal of the County thereon. Said officers shall be authorized to cause the blank spaces thereof to be filled in prior to initial delivery as may be appropriate. The District's approval of the information set forth therein shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector.

Section 7. Approval of Sale of Notes. This Board of Education hereby delegates to the President or Chairperson, as applicable, of the Board of Education, to the Superintendent, Assistant Superintendent for Fiscal Services, Business Manager or Chief Business Officer of the District, as the case may be, or such other authorized person (each, an "Authorized Officer"), the right, on behalf of the District, to elect to have the District participate in the Pooled Program or to have the Notes issued on a stand-alone basis. Such election shall be conclusively evidenced by the execution of the District's Note by the Treasurer and Tax Collector. In case any officer whose signature shall appear on any Notes shall cease to be such officer before the delivery of such Note, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Treasurer and Tax Collector shall, within the limitations set forth below, be authorized and directed, on behalf of the District, to enter into a contract of purchase (the "Purchase Contract") with the Underwriters (hereinafter defined) for the purchase of the Notes and the respective series of Participation Certificates. In connection with the Pooled Program, the Los Angeles County Office of Education, with the concurrence of this District, has appointed RBC Capital Markets, LLC, as representative of itself and any co-underwriter the Los Angeles County Office of Education may appoint as underwriters (collectively, the "Underwriters").

The tax and revenue anticipation notes of the Pooled Program shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes and the tax and revenue anticipation notes of the other Participants in such series, if any. The Notes, if such Notes are issued on a stand-alone basis, shall be deposited into a trust to be established under and pursuant to the Trust Agreement, creating a trust estate, which shall contain the Notes. It is hereby recognized, acknowledged and agreed that the Certificate Agent appointed pursuant to the Trust Agreement may execute and deliver a Series of Participation Certificates on behalf of the District and the other Participants of such Series, each representing the proportional, undivided ownership interest of the registered owner

thereof in the Notes of the Pooled Program related to such Series of Participation Certificates. The District agrees to recognize each registered owner of the related Series of Participation Certificates as the beneficial owner of its Notes to the extent of such registered owner's proportional, undivided interest in the Notes. The Authorized Officer is hereby authorized to execute and deliver any documents and to take such other action as may be necessary or proper to carry out the interest of the provisions hereof. The participation by the District in the Pooled Program and the execution and delivery of a Series of Participation Certificates under the Trust Agreement shall not cause the District to be liable for payments of principal of or interest on the tax and revenue anticipation notes attributable to any other Participant.

Section 8. Authorization and Approval of Preliminary Official Statement and Official Statement. The Underwriters are hereby authorized to prepare a Preliminary Official Statement and an Official Statement relating to the Notes and the Pooled Program. Each Authorized Officer is hereby authorized and directed to provide to the Underwriters such information relating to the District as the Underwriters shall reasonably request in connection with the preparation of and for inclusion in the Preliminary Official Statement and the Official Statement. Upon inclusion of the information relating to the District therein, the Preliminary Official Statement, except for certain omissions permitted by Rule 15c2-12 of the Securities and Exchange Commission (the "SEC") promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), is hereby deemed "final" within the meaning of the Rule; provided that no representation is made by the District as to the information contained in the Preliminary Official Statement relating to the other Participants or any municipal bond insurer.

If, at any time prior to the execution of the Purchase Contract by the County, any event occurs as a result of which the information contained in the Preliminary Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, at any time subsequent to the execution of the Purchase Contract by the County and prior to the "end of the underwriting period" (as defined in the Rule), any event occurs as a result of which the information contained in the Official Statement relating to the District might include an untrue statement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the District shall promptly notify the Underwriters. If, in the opinion of the Underwriters, such event requires the preparation and distribution of a supplement or amendment to the Preliminary Official Statement or Official Statement, the District shall prepare and furnish to the Underwriters, at the expense of the District, such number of copies of the supplement or amendment to the Preliminary Official Statement or Official Statement, as applicable, in form and substance mutually agreed upon by the District and the Underwriters, as the Underwriters may reasonably request.

Section 9. Representations and Warranties.

(B) The performance of the District's obligations under this District Resolution and compliance with the provisions hereof by the District do not and will not conflict with or constitute on the part of the District a breach of, or a default under, the Constitution of the State, any existing law, charter, ordinance, regulation, decree, order or resolution, or any agreement, indenture, mortgage, lease or other instrument, to which the District is subject or by which it is bound.
