#### SUBJECT

The Supplemental Budget marks the final step in the County's annual budget process and reflects an ongoing commitment to serving our most vulnerable residents and improving the quality of life throughout the region. It is intended to address a broad range of emerging needs and Board priorities. Among the key investments proposed in this supplemental budget are expanded mental health services, including an increase in mental evaluation teams, along with funding for interim and affordable housing programs; modernization of County voting systems; immigration legal services; health and environmental health programs; and recreational and cultural projects.

This Supplemental Budget request reflects the Chief Executive Officer's recommended changes to the FY 2018-19 Adopted Budget, which was adopted by the Board on June 25, 2018. Approval of these recommendations, along with any approved motion(s), will result in the adoption of the FY 2018-19 Final County Budget.

#### IT IS RECOMMENDED THAT THE BOARD:

 Approve the recommended changes and corresponding appropriation adjustments (Budget Adjustment Nos. 1 – 178) to the fiscal year (FY) 2018-19 General County Budget. These changes transfer \$200,719,000 from the Appropriation for

Contingencies to various budgets; increase appropriation that is fully offset by revenue; and transfer appropriation from one budget unit to another or redirect existing appropriation or revenue as a result of ministerial changes. (3- AND 4-VOTES)

- 2. Approve the recommended changes and corresponding appropriation adjustments (Budget Adjustment Nos. 179 247) to the FY 2018-19 Special Funds/Special Districts Budgets, which are fully offset with various financing sources. (3- AND 4-VOTES)
- 3. Authorize the Chief Executive Officer, or her designee, to execute and, if necessary, to amend or terminate funding agreements totaling \$10,223,000 with the following: Los Angeles County Museum of Natural History Foundation at an amount not to exceed \$3,000,000 comprised of \$1,000,000 for the La Brea Tar Pits and Museum Hancock Park Re-visioning and Master Plan, and \$2,000,000 for the Exposition Park West/South Side Project; Grand Avenue Joint Powers Authority at an amount not to exceed \$3,000,000 for design and construction of the Grand Avenue Parcel L/Phase IIC into a public open plaza; Charles Drew University at an amount not to exceed \$1,000,000 for community engagement and capital planning activities; and the Community Development Commission at an amount not to exceed \$3,223,000 comprised of \$1,807,000 for the Magic Johnson Park Phase 1A redesign of up to 30 acres of the Park, \$216,000 for the Community Development Commission Homeless Coordinator, and to increase the existing funding agreement for Affordable Housing by \$1,200,000 (for a total of \$45,000,000 for FY 2018-19). # PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

# <u>Supplemental Budget Recommendations</u>

The actions recommended in this letter are necessary to budget the actual FY 2017-18 fund balances and the use of additional one-time funds, to further refine the estimates contained in the FY 2018-19 Adopted Budget, to provide sufficient appropriation to implement programs or changes in revenues, or to make miscellaneous adjustments to various funds. These adjustments could not be made prior to adoption of the FY 2018-19 Adopted Budget since the actual FY 2017-18 fund balances and funds to be carried over to FY 2018-19 were not known at that time.

As displayed below, the FY 2018-19 Supplemental Budget totals \$32.8 billion and reflects 111,805 budgeted positions. It should be noted that the budget increase of \$1.4 billion is reflective of both changes recommended by our office in this Board letter totaling \$0.8 billion and budget changes recommended by the Auditor-Controller in a separate action, which totals \$0.6 billion. The Auditor-Controller changes adjust the budget to reflect actual fund balance amounts.

#### **Funding Agreements**

Approval of the recommended action will authorize the Chief Executive Officer, or her designee, to execute agreements totaling \$10,223,000 with the following public agencies:

- Los Angeles County Museum of Natural History Foundation, at an amount not to exceed \$3,000,000 comprised of \$1,000,000 for the La Brea Tar Pits and Museum Hancock Park Re-visioning and Master Plan, and \$2,000,000 for the Exposition Park West/South Side Project to continue the schematic design and partial funding for design development services;

# Implementation of Strategic Plan Goals

These actions support the County's Strategic Plan, Goal I, Make Investments That Transform Lives; Goal II, Foster Vibrant and Resilient Communities; and Goal III, Realize Tomorrow's Government Today.

# FISCAL IMPACT/FINANCING

The FY 2017-18 General Fund Budget ended the year with a \$1.929 billion fund balance, of which \$1.728 billion was already approved as fund balance in the FY 2018-19 Adopted Budget. This leaves the General Fund with an additional fund balance of \$200.7 million. Along with the additional fund balance, the County released long-term receivables totaling \$72.3 million previously committed that are no longer required, and increased one-time documentary transfer tax revenue by \$7.9 million. These adjustments, coupled with the other fund balance adjustments, provide a total of \$280.9 million in one-time financing sources that can be used to finance one-time programs and projects.

#### HIGHLIGHTS OF SIGNIFICANT PROGRAM CHANGES

#### Key Priorities and Initiatives

• Mental Evaluation Teams — Adds 23.0 budgeted positions to the Sheriff's Department and 17.0 budgeted positions to the Department of Mental Health (DMH) for ten new field teams, enhanced supervision and support, and staff to establish Risk Assessment and Management Programs (RAMP). RAMP personnel help to identify threats and address the needs of patients with serious mental illness who require intensive case management. This increase brings the total number of these highly effective multi-disciplinary teams to 33.

- Immigration Legal Services Allocates an additional \$1.1 million and 5.0 positions to the Public Defender to expand services provided to its non-citizen clients with advice regarding adverse immigration consequences stemming from criminal convictions, also known as the Padilla Advisory. This increase brings the total number of staff in this unit to 14 with a total budget of \$3.0 million.
- Prison Rape Elimination Act (PREA) Transfers \$1.7 million from the Provisional Financing Uses (PFU) budget unit to the Sheriff, Probation, and County Counsel Departments to establish a PREA Compliance Team and for the renewal of PREA consultant services. The team will identify steps to achieve compliance with PREA in County detention facilities to implement necessary countywide reforms.
- Increase County Reserves Supplements the County's Rainy Day Fund by \$7.8 million (in addition to \$39.0 million added in the Adopted Budget) bringing the balance to \$524.9 million, which is approximately 8.15 percent of locally generated revenues. Board budget policy sets a 10 percent reserve of locally generated revenues to be set aside in the Rainy Day Fund. This marks the second year of the five-year plan to reach the prescribed level for the County's Rainy Day Fund.

#### Fostering Arts and Culture

- Arts Commission Transition Sets aside \$1.0 million in the PFU budget unit for the transition of the Arts Commission to a County department, effective July 1, 2019.
- Arts Internship Program Adds funding for the addition of 25 interns to the Arts Internship Program to develop future arts leaders to serve in staff positions, as board members, and volunteers in organizations that provide cultural services to County residents.
- Regional Plan for Arts Education Includes \$50,000 in one-time matching funds for the Arts Commission to develop the Los Angeles Regional Plan for Arts Education.
- LA County Library Sets aside \$8.0 million in obligated fund balance committed for library services and provides \$2.0 million for the LA County Library to purchase books and materials countywide.

# Affordable Housing and the Fight Against Homelessness

- Homeless Outreach Services Team (HOST) Provides \$1.0 million in Assembly Bill (AB) 109 funding for the Los Angeles County Police Chief's Association (LACPCA) to expand homeless outreach by the Sheriff and its collaboration between local police departments and service providers throughout Los Angeles County. Also, provides \$2.2 million of ongoing AB 109 funding for continued support of the Sheriff's HOST and the LACPCA Program.
- Interim Housing Capital Funding Pool Reflects an increase of \$25.4 million in one-time funding for the Department of Health Services (DHS) to provide additional interim housing beds, particularly for strategic projects and projects in difficult to serve regions of the County.
- Housing for Health Programs Reflects an increase of \$44.2 million and 2.0 budgeted positions for DHS to provide intensive case management services, street-based outreach, and transitional housing assistance, primarily offset with funding from DMH.
- Affordable Housing Provides \$9.7 million in additional one-time funding for the Affordable Housing budget unit. This results in a funding commitment of \$54.7 million for the following:

  - √ \$5.0 million to a housing acquisition fund;
  - √ \$3.5 million to housing preservation to fund a preservation coordinator position, develop a preservation database, promote tenant outreach, provide tenant assistance, and initiate targeted preservation strategies across the County; and
  - ✓ \$1.2 million toward administration and staffing.

Additionally, our office secured \$40.2 million in grant funding in June 2018 related to affordable housing development through the State of California's Affordable Housing and Sustainable Communities Program. We have applied \$5.3 million of these grant funds as a credit towards the Affordable Housing budget unit in FY 2018-19. The combination of \$54.7 million from the County General Fund and \$5.3 million of the grant allocation will bring the County's overall funding for affordable housing to \$60.0 million, which is consistent with the October 27, 2015 Board motion, that established the Affordable Housing budget unit.

We have reviewed the proposal within the context of the overall County budget and other priorities, as well as analyzed
