Dear Commissioners:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

1-H December 11, 2018

CELIA ZAVALA
EXECUTIVE OFFICER

**AWARD A CONSTRUCTION CONTRACT TO TL VETERANS CONSTRUCTION, INC. FOR A
WINDOW REPLACEMENT PROJECT PHASE II AT SOUTH SCATTERED FAMILY PUBLIC
HOUSING DEVELOPMENTS
(DISTRICT 2) (3 VOTE)**

SUBJECT

This letter recommends award of a Construction Contract (Contract) to TL Veterans Construction, Inc. to complete the replacement of windows in 54 dwelling units, including necessary caulking and painting, water proofing, and associated work at five (5) South Scattered family public housing developments located throughout unincorporated South Los Angeles (Project).

IT IS RECOMMENDED THAT THE BOARD:

1. Find that the approval of the Contract and the proposed Project to complete the replacement of windows in 54 dwelling units including necessary caulking and painting, water proofing, and associated work at five South Scattered family public housing developments is exempt from the provisions of the California Environmental Quality Act (CEQA) for the reasons stated in this letter and the record of the Project.
2. Approve the proposed Project and adopt the plans and specifications that are on file in the Construction Management Unit of the Community Development Commission (CDC) for construction of the Project.
3. Award a Contract to TL Veterans Construction, Inc. the apparent lowest responsive and responsible bidder, in the amount of \$259,709 to complete replacement of windows and sliding glass doors, and associated work at the five South Scattered family public housing developments in

unincorporated South Los Angeles, and authorize the Executive Director, or her designee, to execute the Contract following receipt of the acceptable Faithful Performance and Labor and Material Bonds and insurance filed by the Contractor.

4. Authorize the Executive Director or her designee, upon her determination and as necessary and appropriate, to amend the Contract, or to terminate the contractor's right to proceed with the performance of the Contract or to terminate the Contract for convenience.

5. Authorize the Executive Director or her designee to approve Contract change orders not to exceed \$51,942, which represents 20% of the \$259,709 contract amount, for unforeseen project costs, using the same source of funds.

6. Authorize the Executive Director to fund the Contract and contingency with a total project cost of \$311,651 in County General Funds included in the Housing Authority's Fiscal Year 2018-2019 amended budget approved on September 11, 2018, as needed.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The approval of the recommended actions will find the proposed Project is exempt from the provisions of CEQA, adopt the plans and specifications for the proposed Project, and authorize the Executive Director, or her designee, to award and execute a construction contract with the apparent lowest responsive and responsible bidder for the replacement of windows in 54 dwelling units including necessary caulking and painting, water proofing, and associated work at five South Scattered family public housing developments.

The proposed work will be completed at five South Scattered family public housing developments consisting of 14 two story buildings with a total of 54 dwelling units. The scope of work for this Contract includes removal of existing windows with new energy efficient windows including necessary caulking and painting, and associated work. As approved by your Board on January 9, 2018, phase I of this window replacement project was completed successfully at 10 additional South Scattered family public housing developments in 111 dwelling units.

FISCAL IMPACT/FINANCING

The Housing Authority will fund the improvements with up to \$311,651 in County General Funds included in the Housing Authority's approved Fiscal Year 2018-2019 amended budget. On June 27, 2016, your Board approved \$6,000,000 for the South Scattered Sites Improvements Project. On September 20, 2016, your Board executed a funding agreement to transfer these funds to the Housing Authority. Upon your Board's approval of the proposed improvements, the Housing Authority will have a balance of \$505,416 in unobligated funds of the original \$6,000,000. The balance is expected to be obligated in early 2019 with termite abatement and plumbing projects.

A 20% contingency, in the amount of \$51,942 is being set aside for unforeseen costs using the same source of funds. This contingency is recommended because the replacement of windows and sliding glass doors, including caulking and painting, water proofing, and associated work often involves unforeseen conditions or damaged window framing, headers, and exterior stuccos that extend further than initially identified in the scope of work.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The improvements are funded by County General Funds, and are therefore not subject to the requirements of Section 3. Instead, the improvements are subject to the requirements of the Greater Avenues for Independence (GAIN) Program, and the General Relief Opportunity for Work (GROW) Program implemented by the County of Los Angeles.

In accordance with the Board's consolidated Local and Targeted Worker Hire Policy adopted on September 6, 2016, this affordable housing project will not include a local worker requirement because the project budget is less than \$2.5 million. Per the Policy, the "Targeted Worker" component will not be included as part of the project. However, the construction project bid specifications require that vendors submit a Business Hiring Survey to match qualified public housing residents with available jobs. Residents that are interested in obtaining employment are encouraged to submit an Economic Opportunities Enrollment Form to the Housing Authority to identify their past work experience and refer them to job openings. If a potential job match is identified, the vendor's information is provided to the resident and the resident is encouraged to apply.

The Housing Authority partners with the Los Angeles County Workforce Development, Aging and Community Services (WDACS) to implement a workforce development program at public housing developments located in the 1st, 2nd, 3rd and 5th Supervisorial Districts. Residents who participate are provided with employment and supportive services through a network of Los Angeles County America's Job Centers of California (AJCC). For 4th Supervisorial District residents, workforce development services are provided at the Carmelitos public housing development through Pacific Gateway and at the Harbor Hills public housing development through the South Bay Workforce Investment Board.

The Contract has been approved as to form by County Counsel and executed by the apparent lowest responsive and responsible bidder, TL Veterans Construction, Inc. On November 28, 2018, the Housing Commission recommended approval of the Contract award to TL Veterans Construction, Inc.

ENVIRONMENTAL DOCUMENTATION

The proposed Project is categorically exempt from CEQA. The Project, replacement of windows in 54 dwelling units, including necessary caulking and painting, water proofing, and associated work, is within a class of projects that have been determined not to have a significant effect on the environment in that it meets the criteria set forth in Section 15301 of the CEQA Guidelines and Class 1 of the County's Environmental Document Reporting Procedures and Guidelines, Appendix G. In addition, the Project is not in a sensitive environment, and there are no cumulative impacts, unusual circumstances, or other limiting factors that would make the exemption inapplicable based on the project records. The Project will not adversely affect natural watercourses, wetlands, environmentally sensitive areas, remove scenic resources, remove rare plants or mature trees. Upon your Board's approval of the proposed Project, the Housing Authority will file a Notice of Exemption with the County Clerk in accordance with Section 15062 of the State CEQA Guidelines.

CONTRACTING PROCESS

On June 26, 2018, the Housing Authority initiated an outreach to identify a contractor to complete the work at the subject property. Notices were electronically sent to all 395 Class B licensed contractors identified from the CDC's vendor list. Advertisements also appeared in the Los Angeles Times newspaper, and on the County WebVen and CDC websites.

On August 7, 2018, two bids were received and formally opened. The lowest bidder, TL Veterans Construction, Inc., was determined to be the lowest responsive and responsible and is being recommended for the Contract award.

The Summary of the Outreach Activities is provided in Attachment A.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Approval of the recommended actions will allow for the replacement of windows in 54 dwelling units, including caulking and painting, water proofing, and associated work at five South Scattered family public housing developments and allow the Housing Authority to continue providing residents with modest affordable housing.

Respectfully submitted,

CONSTRUCTION CONTRACT

This CONSTRUCTION CONTRACT (or "Contract") is made this day of December, 2018 by and between the **Housing Authority** of the County of Los Angeles, a body corporate and politic, hereinafter referred to as the "**Housing Authority**" or the "**Owner**", and TL Veterans Construction Inc., hereinafter referred to as the "**Contractor**".

WITNESSETH, that the Owner and the Contractor, for the consideration stated herein, mutually agree as follows:

- A. The Housing Authority is the Owner of that certain real property, commonly known as the South Scattered Sites, located at 1115 & 1116 W. 90th Street, Los Angeles, CA 90044, 4212-4220 Addington Street, Compton, CA 90221, 1101 & 1109 W. 91st Street, Los Angeles, CA 90044, 1336-1340 W. 105th Street, Los Angeles, CA 90044, 9104-9118 Bandera Street, Los Angeles, CA 90002 hereinafter referred to as the "Property".
- B. The term "Work" includes performance, as set forth in the Contract Documents by the Contractor, for all improvement work on, in and about the Properties.
- C. Owner desires the Contractor to perform the Work on the terms and conditions hereinafter set forth, and Contractor agrees to perform said Work on terms and conditions set forth below.

ARTICLE 1 THE CONSTRUCTION CONTRACT

- 1.1 The Construction Contract means and includes all of the "Contract Documents". The Contract Documents which form the Construction Contract are incorporated herein by this reference and are made a part of this Construction Contract as if fully set forth herein. The Contract Documents consist of the following component parts:

PART A	Instructions to Bidders and General Conditions
PART B	Specifications
PART C	Bidder's Documents, Representations, Certifications, Bid, and Other Statements of Bidder
DRAWINGS	
ALL ADDENDA TO THE ABOVE CONTRACT DOCUMENTS.	

ARTICLE 2
STATEMENT OF WORK

- 2.1 Contractor agrees to perform in a professional manner, to the satisfaction of the Housing Authority's Executive Director, all Work described in the Contract Documents referenced in Article 1.
- 2.2 The Contractor shall furnish all labor, material, equipment and services and perform and complete all Work required for the project identified as Bid No. CDC18-081 for the Housing Authority.

All such Work shall be in strict accordance with the Specifications and Drawings, identified as Part B, all as prepared by the Housing Authority.

- 2.3 Data provided in the Specifications and Drawings are believed to actually depict the conditions to be encountered by the Contractor, but Owner does not guarantee such data as being all-inclusive or complete in any respect. Nothing contained herein shall relieve Contractor from making any and all investigations through non-destructive observations of the Properties which are reasonably necessary to apprise him/herself of the condition of the Properties. Contractor hereby accepts the project in an "as is" condition and herein warrants that all such investigations have been performed by him/her, and hereby expressly waives any and all rights under this Construction Contract, or in law, to additional compensation and/or time adjustments for alleged unknown subsurface and/or latent conditions that could be reasonably discovered or inferred based upon standard industry construction practices and techniques.

ARTICLE 3
TIME OF COMMENCEMENT AND COMPLETION

- 3.1 The Work to be performed under this Construction Contract shall be commenced within ten (10) days after a Notice to Proceed is received by the Contractor, or on the date specified in the Notice, whichever is later, and shall be completed within one hundred twenty (120) calendar days following the required commencement date.
- 3.2 The Contractor and the Owner agree that, since the determination of actual damages for any delay in completion would be extremely difficult or impracticable to determine in the event of breach of contract, the Contractor and his/her sureties shall be liable for, and shall pay to the Owner the sum of Five Hundred Dollars (\$500.00) as liquidated damages for each calendar day of delay, until the Work is accepted by the Owner. The Contractor shall not be charged with liquidated

damages because of any delay in the completion of the Work due to unforeseeable causes beyond the control and without the fault or negligence of the Contractor.

The Owner may withhold, or cause to be withheld, from any monies payable on account of Work performed by the Contractor or subcontractor any accrued liquidated damages, amounts necessary to cover stop notices or alleged labor underpayments.

ARTICLE 4 CONTRACT SUM

- 4.1 The Owner shall pay the Contractor for the performance of the Construction Contract subject to additions and deductions by Change Order(s) as provided in the Contract Documents, in current funds, the sum of TWO HUNDRED FIFTY-NINE THOUSAND SEVEN HUNDRED NINE DOLLARS AND ZERO CENTS (\$259,709). The Contractor represents and warrants that he/she shall pay his/her employees, and all individuals performing Work, not less than the prescribed minimum wages in accordance with the Prevailing Wage Determination published by the U.S. Department of Labor that is applicable to this contract.
- 4.2 The Contract Sum set forth herein includes the payment by Contractor of all sales and use taxes required by any local codes, or any law existing or which may hereafter be adopted by federal, state or governmental authority, taxing the materials, services required or labor furnished, and of any other tax levied by reason of the Work to be performed hereunder.
- 4.2 The Contract Sum is not subject to escalation, the Contractor having satisfied him/herself with said Contract Price, which includes all labor and material increases anticipated throughout the duration of this Construction Contract.
- 4.3 The Owner's obligation is payable only and solely from funds appropriated from the Department of Housing and Urban Development (HUD) and for the purpose of this Contract. All funds are appropriated every fiscal year beginning July 1.
- 4.4 In the event this Contract extends into the succeeding fiscal year and funds have not been appropriated, this Contract will automatically terminate as of June 30 of the current fiscal year. The Owner will endeavor to notify the Contractor in writing within ten (10) days of receipt of the non-appropriation notice.

ARTICLE 5 PROGRESS PAYMENTS

- 5.1 Based upon applications for payment submitted by the Contractor to the Owner, and after approval by the Construction Management Division, the Owner shall

make progress payments on account of the Contract Sum to the Contractor, as provided in the Instruction to Bidders of the Construction Contract.

- 5.2 Approved applications for progress payments will be paid by the thirtieth day of each month, provided that application for payment has been submitted to the Owner on or before the first working day of the month. Payment shall be subject to all provisions of Section 1.27.1 and 1.27.2 of the General Conditions and Requirements incorporated by reference into the Contract.
- 5.3 The Contractor and each Subcontractor shall submit all required Labor Compliance forms to the Housing Authority before the start of construction. The Contractor shall submit to the Housing Authority all of its payrolls for each pay period within seven (7) days after the pay period has ended. The Contractor shall also collect, review and submit to the Housing Authority all of its subcontractors' payrolls for each pay period within seven (7) days after the pay period has ended. Contractor's failure to submit its payrolls or any subcontractor payrolls within seven (7) days after the pay period has ended, is a violation of this Contract and entitles the Housing Authority to withhold up to ten percent (10%) from any pending progress payment until all such payrolls are received. Repeated, ongoing or flagrant failures by the Contractor to submit the required forms, its payrolls or the payrolls of its subcontractors in a timely manner and in accordance with this provision constitutes a material breach of this Contract which may result in the Housing Authority terminating the Contract for default.

ARTICLE 6

PROJECT CLOSEOUT

- 6.1 Prior to occupancy of any dwelling unit, building, or other portion of the project, the Owner shall receive a certificate from the Contractor that such portion of the project is ready for occupancy, and shall cause a Notice of Completion to be issued. A Notice of Completion shall be issued only when the Work, including all phases thereof, is finally completed, and all requirements of this Construction Contract have been satisfied. The Owner shall cause the Notice of Completion to be recorded with the County Recorder.
- 6.2 Upon Issuance of a Notice of Completion, final payment shall be made to the Contractor of the entire unpaid balance of the Contract Sum, including any sums due to the Contractor for changes in the Work approved by the Owner pursuant to Section 1.27.5 of the General Conditions and Requirements, less any amounts which Owner is entitled to receive from the Contractor under the terms of this Contract or amounts necessary to cover stop notices or alleged labor underpayments, and less the ten percent (10%) retention withheld, pursuant to Section 1.27.6 of the General Conditions and Requirements.

- 6.3 In addition to all other requirements, a Notice of Completion shall be issued only when Owner has received the following:
- A. A Certificate of Completion, executed by Owner.
 - B. All guarantees and warranties issued by the manufacturers or installers of equipment or other component parts of the project. Contractor guarantees that the equipment, materials, and workmanship, not otherwise covered by a guarantee or warranty, will be free from defects in materials and workmanship for a period of one (1) year following date of final acceptance of the project.
 - C. The waiver and release of all liens, claims of liens, or stop notice rights of the Contractor and all subcontractors, and the Contractor's Certificate and Release.
 - D. Verification from the Architect that Contractor has removed all waste materials, rubbish, tools, construction equipment, machinery, and surplus materials from the project site. If the Contractor has failed to remove any of such items, the Owner may remove such items, and the Contractor shall pay the Owner for all costs incurred in connection with such removal.
- 6.4 After recordation of the Notice of Completion, and expiration of the thirty-day period for filing of stop notices, the Owner shall use reasonable efforts to settle all claims and disputes, notify the Contractor of final acceptance of the project, and make final payment of the entire unpaid balance of the Contract Sum, including the five percent (5%) retention, less any amounts which the Owner is entitled to receive from the Contractor under the terms of this Construction Contract, including liquidated damages, and less amounts necessary to cover stop notices or alleged labor underpayments.

ARTICLE 7

BREACH AND TERMINATION

- 7.1 Waiver by the Owner of any breach of this Construction Contract shall not constitute a waiver of any other breach or of any future breach. No payment made hereunder shall be construed to be an acceptance of defective Work or improper materials.
- 7.2 In addition to any right of termination reserved to the Owner by Section 1.34.1 of the General Conditions and Requirements of the Construction Contract, the Owner may terminate this Construction Contract or performance under this Construction Contract, if the Contractor is adjudged bankrupt, a receiver is appointed because of the Contractor's insolvency, or the Contractor makes a general assignment for the benefit of its creditors, fails to make prompt payment to subcontractor(s), or for material or labor, persistently disregards laws, ordinances, rules, regulations or

orders of any public authority having jurisdiction, fails to construct the project in accordance with the Drawings and Specifications, or otherwise substantially violates any provision of the Contract Documents.

- 7.3 The Owner shall give the Contractor and his/her surety written notice prior to terminating this Construction Contract or performance under this Construction Contract, pursuant to Section 1.34.1 of the General Conditions and Requirements, provided that the Contractor shall, upon receipt of such notice, immediately stop the installation of improvements, or other permanent construction work encompassing part of the project. Upon termination, the Owner may take possession of the project and all materials, equipment, tools, and construction equipment and machinery owned by the Contractor and located at the project site, and may finish the project by whatever method it may deem expedient. In such case, the Contractor shall not be entitled to receive any further payment under this Construction Contract.
- 7.4 The Owner shall not be deemed to have waived any of its other rights or remedies against the Contractor by exercising its right of termination under this Article.
- 7.5 Termination for Cause: This Contract may be terminated by the Housing Authority upon written notice to the Contractor for cause (failure to perform satisfactorily any of the Contract terms, conditions, and Work items) with no penalties upon termination or upon the occurrence of any of the following events:
- A. Continuing failure of the Contractor to perform any Work required to be performed hereunder in a timely and professional manner, or Contractor is not properly carrying out the provisions of the Contract in their true intent and meaning, then in such case, notice thereof in writing will be served upon the Contractor; and should the Contractor neglect or refuse to provide a means for a satisfactory compliance with this Contract and with the direction of the Housing Authority within the time specified in such notices, the Housing Authority shall have the power to suspend the performance of this Contract by Contractor in whole or in part.
 - B. Failure on the part of the Contractor to procure or maintain insurance required by this Contract shall constitute a material breach of contract upon which the Housing Authority may immediately terminate this Contract.
 - C. Should the Contractor fail within five (5) days to perform in a satisfactory manner, in accordance with the provisions of this Contract, or if the Work to be done under said Contract is abandoned for more than three (3) days by the Contractor, then notice of deficiency thereof in writing will be served upon the Contractor. Should the Contractor fail to comply with the terms of said Contract within five (5) days, upon receipt of said written notice of deficiency, the Executive Director of the Housing Authority shall have the power to suspend or terminate the operations of the Contractor in whole or in part.

D. In the event that a petition of bankruptcy shall be filed by or against the Contractor.

E. If, through any cause, the Contractor shall fail to fulfill, in a timely and proper manner, the obligations under this Contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this Contract, the Housing Authority shall thereupon have the right to terminate this Contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by the Contractor under this Contract shall, at the option of the Housing Authority become its property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed.

- 7.6 Termination for Improper Consideration: The Housing Authority may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Construction Contract if it is found that consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any Housing Authority officer, employee or agent with the intent of securing the Contract or securing favorable treatment with respect to the award, amendment or extension of the Contract or the making of any determinations with respect to the Contractor's performance pursuant to the Contract. In the event of such termination, the Housing Authority shall be entitled to pursue the same remedies against the Contractor as it could pursue in the event of default by the Contractor.

The Contractor shall immediately report any attempt by the Housing Authority officer or employee to solicit such improper consideration. The Report shall be made to the Housing Authority's Executive Director or designee.

Among other items, such improper consideration may take the form of cash, discounts, service, the provision of travel or entertainment, or tangible gifts.

- 7.7 Termination for Convenience: The Housing Authority reserves the right to cancel this Contract for any reason at all upon thirty (30) days prior written notice to Contractor. In the event of such termination, Contractor shall be entitled to a prorated portion paid for all satisfactory work unless such termination is made for cause, in which event, compensation, if any, shall be adjusted in such termination.
- 7.8 The Housing Authority's Quality Assurance Plan: The Housing Authority will evaluate Contractor's performance under this Contract on not less than a quarterly basis. Such evaluation will include assessing Contractor's compliance with all Contract terms and performance standards. Contractor deficiencies which the Housing Authority determines are severe or continuing and that may place

performance of the Contract in jeopardy if not corrected will be reported to the Board of Commissioners. The report will include improvement/corrective action measures taken by the Housing Authority and the Contractor. If improvement does not occur consistent with the corrective action measures, the Housing Authority may terminate this Contract or pursue other penalties as specified in this Contract.

- 7.9 Non-payment after expiration or termination: Contractor shall have no claim against the Housing Authority for payment of any money or reimbursement, of any kind whatsoever, for any service provided by Contractor after the expiration or other termination of this Agreement. Should Contractor receive any such payment, it shall immediately notify the Housing Authority and shall immediately repay all such funds to the Housing Authority. Payment by the Housing Authority for services rendered after expiration/termination of this Agreement shall not constitute a waiver of the Housing Authority's right to recover such payment from Contractor. This provision shall survive the expiration or other termination of this Agreement.

ARTICLE 8 MISCELLANEOUS PROVISIONS

- 8.1 Contractor shall give all notices and comply with all laws, rules, regulations, ordinances and orders of any governmental entity relating to the Work. Should Contractor become aware that any provision of the Construction Contract is at variance with any such rule, law, regulation, ordinance or order, he/she shall promptly give notice in writing to the Owner of such variance.
- 8.2 It is hereby declared to be the intention of the parties that the sections, paragraphs, sentences, clauses and phrases of this Construction Contract are severable, and if any phrase, clause, sentence, paragraph or section of this Construction Contract shall be declared unconstitutional, invalid or unenforceable by the valid judgment or decree of a court of competent jurisdiction, such unconstitutionality, invalidity or unenforceability shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Construction Contract.
- 8.3 Anything mentioned in the Specifications and not shown on the Drawings, or shown on the Drawings and not mentioned in the Specifications, shall be of like effect as if shown or mentioned in both. In case of difference between Drawings and Specifications, the Specifications shall govern. In case of discrepancy within the Drawings, or within the Specifications, the matter shall be promptly submitted to the Contracting Officer, who shall promptly make a determination in writing. Any adjustment by the Contractor without such a determination by the Contracting Officer shall be at its own risk and expense. The Contracting Officer shall furnish from time to time such detailed drawings and other information as considered necessary, unless otherwise provided.

ARTICLE 9
CONTRACTOR APPROVAL

9.1 Contractor's Adherence to the Child Support Compliance Program

Contractor shall: 1) fully comply with all applicable State and Federal reporting requirements relating to employment reporting for its employees; and, 2) comply with all lawfully served Wage and Earnings Assignment Orders and Notice of Assignment and continue to maintain compliance during the term of any contract that may be awarded pursuant to this solicitation. Failure to comply may be cause for termination of a contract or initiation of debarment proceedings against the non-compliant contractor.

9.2 Contractor's Warranty of Adherence to Housing Authority's Child Support Compliance Program

Contractor acknowledges that the Housing Authority has established a goal of ensuring that all individuals who benefit financially from the Housing Authority through a contract, are in compliance with their court-ordered child, family and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the taxpayers of the County of Los Angeles.

As required by the Housing Authority's Child Support Compliance Program and without limiting Contractor's duty under this Contract to comply with all applicable provisions of law, Contractor warrants that it is now in compliance and shall, during the term of this Contract, maintain compliance with employment and wage reporting requirements as required by the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement all lawfully served Wage and Earnings Withholding Orders or Child Support Services Department (CSSD) Notices of Wage and Earnings Assignment for Child or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

9.3 Termination For Breach of Warranty to Comply with Housing Authority's Child Support Compliance Program

- 10.2 This Construction Contract contains the entire agreement between the parties. No variations, modifications, or changes hereto shall be binding upon any party hereto unless set forth in a document duly executed by or on behalf of such party. All prior negotiations, representations and/or contracts between the parties relative to the subject matters hereof shall be superseded hereby and have no further force and effect.
- 10.3 No consent or waiver, expressed or implied, by either party to or of any breach or default by the other of its obligations hereunder shall be deemed or construed to be a consent or waiver to or of any other breach or default in the performance of such other party hereunder. Failure on the part of either party to complain of any such act of the other party or to declare the other party in default, irrespective of how long such failure continues, shall not constitute a waiver by such party of its rights hereunder.
- 10.4 Without limiting Contractor's duties to indemnify and defend the Housing Authority provided in this Contract, Contractor shall procure and maintain, at Contractor's sole expense for the duration of this Contract, the insurance policies described herein. Such insurance shall be secured from carriers admitted in California, or authorized to do business in California. Such carriers shall be in good standing with the California Secretary of State's Office and the California Department of Insurance. The insurance policies shall contain a waiver of subrogation for the benefit of the Housing Authority. In the event of such a breach, the Housing Authority shall have the right, at its sole election, to participate in and control any insurance claim, adjustment, or dispute with the insurance carrier. Contractor's failure to assert or delay in asserting any claim shall not diminish or impair the Housing Authority's rights against the Contractor or the insurance carrier.

10.28 Contractor's Charitable Contributions Compliance

The Supervision of Trustees and Fundraisers for Charitable Purpose Act regulates entities receiving or raising charitable contributions. The "Nonprofit Integrity Act of 2004" (SB 1262, Chapter 919) increased Charitable Purpose Act requirements. By requiring Contractors to complete the Charitable Contributions Certification as included in Attachment C, the Authority seeks to ensure that all Authority contractors that receive or raise charitable contributions comply with California law in order to protect the Authority and its taxpayers. A Contractor that receives or raises charitable contributions without complying with its obligations under California law commits a material breach subjecting it to either contract termination or debarment proceedings, or both.

10.29 Contractor's Warranty Of Compliance With County's Defaulted Property Tax Reduction Program

The Contractor acknowledges that the County has established a goal of ensuring that all individuals and businesses that benefit financially from the County through contract are current in paying their property tax obligations (secured and unsecured roll) in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers. Unless the Contractor qualifies for an exemption or

exclusion, the Contractor warrants and certifies that to the best of its knowledge it is now in compliance, and during the term of this Contract will maintain compliance, with the County's Defaulted Tax Program pursuant to Los Angeles County Code, Chapter 2.206.

10.30 Termination For Breach Of Warranty To Maintain Compliance With County's Defaulted Property Tax Reduction Program

Failure of the Contractor to maintain compliance with the requirements set forth in Paragraph 10.29, "CONTRACTOR'S WARRANTY OF COMPLIANCE WITH County's DEFAULTED PROPERTY TAX REDUCTION PROGRAM" shall constitute default under this Contract. Without limiting the rights and remedies available to the Housing Authority under any other provision of this Contract, failure of the Contractor to cure such default within 10 days of notice shall be grounds upon which the Housing Authority may terminate this contract and/or pursue debarment of the Contractor, pursuant to County's Defaulted Property Tax Reduction Program, to Los Angeles County Code, Chapter 2.206.

10.31 Authorization Warranty

Each party represents and warrants that the person executing this Contract or any amendment thereto for that party is an authorized agent of such party who has actual authority to bind the party to each and every term, condition and obligation of this Contract, and that all requirements of each party have been fulfilled to provide such actual authority.

10.32 Contractor's Compliance with the Housing Authority's Smoke Free Policy at All Housing Development Properties

The Contractor represents that it will comply with the Housing Authority's policy strictly prohibiting smoking on all Housing Authority housing development properties, except at the South Bay Gardens Senior Housing Development located at 230 E. 130th Street, Los Angeles, CA 90061, where smoking is permitted only in a specified open area that is at least 25 feet away from a Housing Authority building and is clearly labeled as a "**Smoking Designated Area.**" The Contractor acknowledges and understands that the Housing Authority's smoke free policy applies to all residents, guests, visitors, vendors, contractors, and staff.

10.33 Time Off for Voting

The Contractor shall notify its employees, and shall require each subcontractor to notify and provide to its employees, information regarding the time off for voting law (Elections Code Section 14000). Not less than ten (10) days before every statewide election, every Contractor and subcontractors shall keep posted conspicuously at the place of work, if practicable, or elsewhere where it can be seen as employees come or go to their place of work, a notice setting forth the provisions of Section 14000.

10.34 Compliance with County's Zero Tolerance Human Trafficking

The Contractor acknowledges that the County of Los Angeles has established a Zero Tolerance Human Trafficking Policy prohibiting contractors from engaging in human trafficking.

If a Contractor or member of the Contractor's staff is convicted of a human trafficking offense, the Housing Authority shall require that the Contractor or member of Contractor's staff be removed immediately from performing services under the Contract. The Housing Authority will not be under any obligation to disclose confidential information regarding the offenses other than those required by law.

Disqualification of any member of the Contractor's staff pursuant to this paragraph shall not relieve the Contractor of its obligation to complete all work in accordance with the terms and conditions of this Contract
