

MOTION BY SUPERVISOR HILDA L. SOLIS

December 18, 2018

International Migrants Day 2018

On December 4, 2000 the United Nations General Assembly adopted a resolution to observe December 18 as International Migrants Day. International Migrants Day is observed, annually, by all UN Member States. This observance is preceded by a previous resolution that was adopted on the same day in 1990; the International Convention on the Protection of the Rights of All Migrant Workers and Members of their Families. International Migrants Day provides an opportunity to recognize the contributions that migrants have made across the world and to raise awareness about their human rights. Los Angeles County is the largest and one of the most diverse counties in the Country and has witnessed and benefited from the immeasurable contributions of immigrants.

I, THEREFORE MOVE that the Board of Supervisors proclaim December 18, 2018 as International Migrants Day in Los Angeles County.
