EXECUTIVE OFFICER

Dear Supervisors:

SET: March 26, 2019 @ 1:00 p.m.

RESOLUTION DECLARING HAZARDOUS BRUSH, DRY GRASS, NOXIOUS OR DANGEROUS WEEDS, RUBBISH, AND COMBUSTIBLE GROWTH OR FLAMMABLE VEGETATION, TO INCLUDE NATIVE AND ORNAMENTAL VEGETATION ON DESIGNATED PROPERTIES IN LOS ANGELES COUNTY, AS A PUBLIC NUISANCE (ALL DISTRICTS) (3 VOTES)

SUBJECT

Annual abatement of hazardous vegetation is a critical component of the overall fire prevention infrastructure throughout most of Los Angeles County. This resolution and the associated Board Hearing are part of the legal process that is required to carry out this critical public safety function, which is a joint effort of the Department of Agricultural Commissioner/Weights and Measures (ACWM) and the Consolidated Fire Protection District of Los Angeles County (District).

IT IS RECOMMENDED THAT THE BOARD ACTING AS THE GOVERNING BODY OF THE CONSOLIDATED FIRE PROTECTION DISTRICT OF LOS ANGELES COUNTY AND AS THE BOARD OF SUPERVISORS:

1. Adopt the attached resolution and establish the following dates, times, and locations for Hearings of Protest before the Weed Abatement and Brush Clearance Referees:

- February 20, 2019, from 9:30 a.m. until 12:00 p.m. in the ACWM's Conference Room, located at 12300 Lower Azusa Road, Arcadia; and
- February 21, 2019, from 9:30 a.m. until 12:00 p.m. in the Antelope Valley at 335 East Avenue K-10, Lancaster.

2. Set March 26, 2019, at 1:00 p.m. as the date and time for a Weed Abatement and Brush Clearance Program (Program) Public Hearing at 500 West Temple Street, Los Angeles.

AT THE CONCLUSION OF THE MARCH 26, 2019, PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD:

1. Allow or overrule any or all objections whereupon the Board shall acquire jurisdiction to proceed and perform the work of hazardous vegetation abatement; and
2. Instruct ACWM and the District, as appropriate, to respond directly to property owner issues, if any, raised at that hearing and report back to the Board in two weeks with a disposition for each.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Attached is a resolution declaring dangerous or noxious weeds, brush, combustible growth, rubbish, etc., on designated properties in the County a seasonal and recurrent public nuisance. The properties were included in the resolution because:

- They were found by inspection to contain vegetation or potentially combustible growth which, when dry, would become a fire hazard to adjacent homes if not abated.
- The size, location and topography of the property create the potential for the growth of weeds and brush which, when dry, would become a fire hazard to adjacent homes if not abated.
- The vegetation or potentially combustible growth is in close enough proximity to a structure to prevent firefighters from defending the structure in the event of a fire or endangers their efforts to protect neighboring structures. In addition, a fire originating at the structure could readily spread beyond the structure and onto adjacent land, placing parkland, infrastructure and other homes at risk.
- The vegetation or potentially combustible growth is in close enough proximity to a road to jeopardize safe evacuation from the area by residents as well as impede safe ingress/egress by firefighters attempting to respond to a fire or other emergency.

Tumbleweeds which have the potential to blow off a property in sufficient amounts to cause traffic accidents on the highway, damage agricultural crops, and clog up swimming pools or build up along fences and homes may also be deemed to be a public nuisance.

Accumulated piles of rubbish, refuse, trash, litter or other flammable material, in many cases the result of illegal dumping, may also be deemed to be a public nuisance.

Adoption of the resolution will allow ACWM and the District to take the actions necessary to cause the public nuisances, hereinbefore described, to be abated if not done so by the owners of the properties upon which the unsafe or nuisance conditions exist. After the resolution is adopted, ACWM will focus primarily on the unimproved (vacant) properties included in the attached list and the District will work towards achieving fire safety on the improved properties.

Implementation of Strategic Plan Goals

Attached is a resolution declaring dangerous or noxious weeds, brush, combustible growth, rubbish, etc., on designated properties in the County a seasonal and recurrent public nuisance. The properties were included in the resolution because:

Adoption of the resolution will allow ACWM and the District to take the actions necessary to cause the public nuisances, hereinbefore described, to be abated if not done so by the owners of the properties upon which the unsafe or nuisance conditions exist. After the resolution is adopted, ACWM will focus primarily on the unimproved (vacant) properties included in the attached list and the District will work towards achieving fire safety on the improved properties.

FISCAL IMPACT/FINANCING

ACWM will recover its expenses for abatement costs, including clerical functions such as mailings, boundary determination, data entry, etc., through direct assessments on the property taxes of individual properties. ACWM has adopted as policy relating to the clearance of weeds and brush that reasonable estimates of charges will be provided to affected property owners if the projected charges are in excess of \$750 for work other than routine discing.

The District will assess fines directly to private property owners of declared improved properties if they fail to comply with two official notices to abate hazards that constitute a public nuisance. Costs for abatement enforcement services beyond the annual inspection Program are recovered by direct assessments to the tax roll. The County of Los Angeles Auditor-Controller has approved abatement enforcement costs of \$1,023 per improved parcel.

There is no net County cost.

WHEREAS, accumulated piles of trash, refuse, litter and other flammable material, largely the result of illegal dumping, hereafter referred to collectively as rubbish, can pose a health hazard to the community, degrade property values and serve as an attractant to further illegal dumping; and

WHEREAS, the presence of hazardous or nuisance vegetation and rubbish upon real property are conditions which endanger the public safety and constitute a public nuisance which should be abated; and

WHEREAS, such hazardous or nuisance vegetation and rubbish are a seasonal and recurrent nuisance on such real property located within the County of Los Angeles; and

WHEREAS, the County of Los Angeles has a duty to protect the public safety and to take actions necessary to abate a public nuisance; and

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF LOS ANGELES AS FOLLOWS:

SECTION 1. Board Finds. The Board of Supervisors of the County of Los Angeles hereby finds that the hazardous or nuisance vegetation and rubbish upon real property as described in Exhibit 1 constitute and are hereby declared to be a seasonal recurrent public nuisance which should be abated.

SECTION 2. Notice. (a) The County Agricultural Commissioner/Director of Weights and Measures (Commissioner) and the Fire Chief of the Consolidated Fire Protection District of Los Angeles County (Chief) are hereby designated, authorized and directed to give notice to destroy and/or remove (abate) said hazardous or nuisance vegetation and rubbish from the described properties.

(b) Not less than ten (10) days prior to the date of the hearings described in SECTION 3 below, the Commissioner and/or Chief shall cause notice to be given to each property owner by mail as their names and addresses appear from the last equalized assessment roll or as they are known to the clerk.

SECTION 3. Hearings. (a) Wednesday, February 20, 2019, from 9:30 a.m. until noon in the conference room of the Agricultural Commissioner, located at 12300 Lower Azusa Rd., Arcadia, California and Thursday, February 21, 2019, from 9:30 a.m. until noon in the Antelope Valley at 335 East Avenue K-10, Lancaster, California are fixed by this Board as the times and places when and where any and all property owners having any objections to the aforementioned proposed removal of hazardous or nuisance vegetation and rubbish may appear before the Weed Abatement and Brush Clearance Referees and show cause why said hazardous or nuisance vegetation and rubbish should not be removed in accordance with this resolution, and said objections will then and there be heard and given due consideration.

(b) Tuesday, March 26, 2019, at 1:30 p.m. is fixed by this Board as the time and place the Board of Supervisors shall hear and consider all remaining objections or protests, if any, to the proposed actions by it or its agents designed to carry out the purpose of this resolution. Upon the conclusion of the hearing, the Board shall allow or overrule any or all objections, whereupon the Board shall acquire jurisdiction to proceed and perform the work of removal of the hazardous or nuisance vegetation or rubbish. After final action is taken by the Board on the disposition of any protests or objections or in case no protests or objections are received, the Board shall order the Commissioner and Chief to abate the public nuisance, or to cause it to be abated by having the hazardous or nuisance vegetation and rubbish removed.

SECTION 4. Recovery of Inspection and Abatement Enforcement Costs.
