## CAPITAL IMPROVEMENTS INTERMEDIARY (CII) REPORT (ITEM NO. 21 AGENDA OF JANUARY 24, 2017)

On January 24, 2017, the Board instructed the Director of the Health Agency, the Chief Executive Office, County Counsel, and the Department of Public Works (DPW) to report back to the Board on the Health Agency's progress in implementing the Capital Improvements Intermediary (CII). Prior to September 17, 2018, the CII had been operated through the Flexible Housing Subsidy Pool (FHSP) work order between the Department of Health Services (DHS) and Brilliant Corners. On September 17, 2018, DHS executed a new work order with Brilliant Corners that is specifically for the Capital Improvements Intermediary Program (CIIP).

The intent of the CII and the newly executed CIIP is to streamline the County's ability to expand housing and supportive services for homeless individuals. Through the CIIP, the County seeks to cost-effectively expedite the County's efforts to support housing related capital improvement projects approved by the County. Brilliant Corners will manage the disbursement of CIIP funds for Small Scale Capital and Exploratory Grants (grants valued at no more than \$500,000) and Medium Scale Capital Grants (grants exceeding \$500,000). The approval of all CIIP projects require an amendment to the CIIP work order with Brilliant Corners and prior approval from DHS and County Counsel.

Please find attached a description of approved Small Capital and Exploratory Grants. There are no approved Medium Scale Capital Grants at this time. The next report will be issued in April 2019.
