9. Instruct the Auditor-Controller to make all payroll system changes necessary to implement the recommendations contained herein.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

BACKGROUND

Successor MOUs for most Safety and SEIU bargaining units and certain independent bargaining units were approved by the Board of Supervisors (Board) on October 16, 2018, November 20, 2018, February 12, 2019, and February 19, 2019. These MOUs provide for salary increases totaling seven percent (7%) over a 3-year period. In conjunction with the successor MOUs, the Board approved corresponding salary movements for non-represented employees.

Successor MOU Amendments

These successor MOUs provide for the terms and conditions for Bargaining Units 321, 323, 421, 721, 724, 802, and 821 for three (3) years – October 1, 2018 through September 30, 2021.

We are requesting your approval of the successor MOUs with general salary increases for units 321, 323, 421, 721, 724, 802 and 821 as follows:

- 8 levels (approximately 2%) effective October 1, 2018
- 10 levels (approximately 2.5%) effective October 1, 2019
- 10 levels (approximately 2.5%) effective October 1, 2020

In addition, for certain bargaining units, various market-based “inequity adjustments” are recommended in support of recruitment and retention efforts, and certain differentials or special pay practices were adjusted or established.

Non-Represented Employees

In light of these agreements, it is appropriate to extend comparable pay adjustments and market-based inequity adjustments for certain non-represented employees, to maintain appropriate internal pay relationships with represented employees.

Updates and Technical Corrections

Finally, we are making various routine updates, and technical changes and corrections, including adjusting the special pay practices (shift differentials) and Peace Officer Standards and Training bonuses applicable to non-represented employees, amending a compensatory overtime provision, updating the salary rates for classifications subject to the Chief Executive Officer performance-based pay plan, correcting a reference in the salary notes, and updating the department provisions for the Department of Health Services to extend a bonus provision for certain non-represented pharmacists.

Implementation of Strategic Plan Goals

The actions recommended in this Board letter promote the County's Strategic Plan Goal of Fiscal Sustainability by providing a wage and benefit structure that is financially responsible.

FISCAL IMPACT/FINANCING

The provisions of the successor MOUs have been ratified by the unions and are within the parameters established by the Board. The County's pension actuary, Cheiron, Inc., has advised that the proposed compensation adjustments do not exceed the increase in payrolls assumed in the current actuarial valuation of the retirement plan. Therefore, there will be no negative impact on the funded status of the retirement system.

The salary movement for the term of the aforementioned contracts has been accounted into the County budget for Fiscal Year 2018-2019.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Successor MOUs provide for a seven percent (7%) salary increase over three years.

The accompanying successor MOUs and ordinance have been approved as to form by the County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

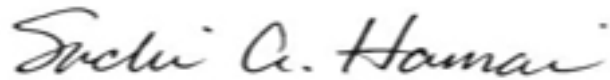

No impact on current services.

The Honorable Board of Supervisors

3/5/2019

ARTICLE 1 RECOGNITION

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, AFSCME Council 36 was certified on March 22, 2010 by the County Employee Relations Commission (Employee Relations Commission File No. CP 01-10) as the majority representative of County employees in the Physician Assistant/Senior Physician Assistant Unit (hereinafter "unit"). Management hereby recognizes AFSCME Local 1271 as the certified majority representative of the employees in said unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit as Physician Assistants (Item number 5047) and Senior Physician Assistants (Item number 5051).

ARTICLE 2 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of AFSCME, Local 1271 and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, or handicapped status or other non-merit factors as defined by Civil Service Rule 25.

No employee shall be interfered with, intimidated, restrained, coerced or discriminated against because of the exercise of these rights.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to the County Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions of Articles; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of ratification of the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 TERM

The term of this Memorandum of Understanding shall commence on the date the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2018. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2021.

ARTICLE 5 RENEGOTIATION

In the event either party hereto desires to negotiate a successor Memorandum of Understanding, such party shall serve upon the other during the period from May 1, through May 31, 2021, its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding.

Upon receipt of such written notice and proposals, negotiations shall begin no later than 30 days after such receipt or June 1, 2021 whichever is later. An impasse concerning the items under negotiations shall be declared automatically if full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by August 31, 2021, unless the parties mutually agree to continue negotiations.

It is the intent of the parties to engage in good faith negotiations and endeavor to reach agreement on a successor Memorandum of Understanding.

A maximum of seven (7) members of Unit 321 shall be released to participate in successor contract negotiations. For employees working on an evening or night shift the County will coordinate temporary work schedule/shift changes with Departments subject to operational considerations to facilitate negotiations for a successor MOU.

ARTICLE 6 LEGAL REPRESENTATION

Upon request of an employee and subject to any limitations provided by law, County will provide for the defense of any civil action or proceeding initiated against the employee in which the employee is specifically named, by a person or entity other than County in a court of competent jurisdiction, on account of any act or omission occurring within the course and scope of his/her employment as an employee of County pursuant to Government Code Section 825 *et seq.*

Nothing herein shall be deemed to require the provision of such defense where the discretion to provide or not provide such defense is vested in County pursuant to the provisions of the California Government Code, or where the act or omission was not within the scope of the employee's employment, or the employee acted or failed to act because of actual fraud, corruption, or actual malice, or where the provision of such defense would create a conflict of interest between County and the employee.

Nothing herein shall be construed to grant to any employee any rights or privileges in addition to those provided in the said Government Code.

ARTICLE 7 GRIEVANCE PROCEDURESection 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee who may submit or be involved in a grievance.

Section 2. Definitions

1. Wherever used, the term "employee" means either employee or employees as appropriate.
2. "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between the employee and his/her immediate supervisor.
3. "Days" means calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time. The union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested.

2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and

 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.

2. Any level of review, or any time limits established in this Article may be waived or extended by mutual agreement confirmed in writing.

3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall automatically be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.

Section 5. General Provisions

1. An employee involved in the processing of his/her grievance may do so without loss of compensation provided that he/she accomplishes all phases of preparation and presentation in a reasonable and expeditious manner.
2. An employee has the right to the assistance of a representative in the preparation of his/her written grievance, and to represent him/her in formal grievance meetings.
3. Only County employees in this Unit or authorized AFSCME Local 1271 representatives as specified in Article 31, AFSCME Representative Work Access, may be selected by an employee to represent him/her in formal grievance meetings.
4. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent himself/herself from his/her duties to attend a grievance meeting.

5. A County employee selected as a representative in a grievance shall not receive compensation from Los Angeles County for any time spent investigating or processing the grievance unless the employee's name is supplied to Management as required in Article 24, AFSCME Local 1271 Stewards/Officers.
6. If the employee elects to be represented by any person in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.
7. The AFSCME Local 1271 has the right to be present at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of this Memorandum of Understanding.
8. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. Procedure

1. Informal Complaint:

- a. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall discuss his/her complaint in a meeting with his/her immediate supervisor.
- b. Within ten (10) business days from the day of the discussion with the employee, his/her immediate supervisor shall verbally reply to the employee's complaint.

2. Grievance:

Step 1- First Level Management:

- A. Within ten (10) business days from receipt or failure to receive his/her supervisor's decision, an employee, not satisfied, may file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy he/she requests from his/her departmental Management. The employee shall submit two copies to the first level Management representative and retain the third copy.

- B. Within ten (10) business days from receipt of the grievance, the first level Management representative shall meet with the parties involved and shall give a written decision to the employee using the original copy of the grievance.

Step 2- Middle Level Management:

- A. Within ten (10) business days from his/her receipt of the written decision at level one and using the returned original copy of the grievance form, the employee may appeal to the middle level Management representative. The middle level Management representative shall meet with the first level Management representative and the employee before a decision is reached by him/her.
- B. Within ten (10) business days from receipt of the grievance, the middle level Management representative shall give a written decision to the employee using the original copy of the grievance.

Step 3- Upper Level Management:

- A. Within ten (10) business days from the receipt of the decision at level two, the employee may appeal to the upper level Management representative using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the upper level Management representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance and meet with the parties involved. He/she shall then render a written decision to the employee within ten (10) business days of the holding of the meeting.
- C. If the upper level Management representative fails to give a decision at the third level within the specified time limits, AFSCME Local 1271 shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that do not directly concern or involve the interpretation or application of the specified terms and provisions of the Memorandum of Understanding, the written decision of the upper level Management representative shall be final.

Section 7. Arbitration

- 1. Within ten (10) business days from the receipt of the written decision of the upper level Management representative, AFSCME Local 1271 may request that the grievance be submitted to arbitration as provided for hereinafter.
- 2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:

- A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Commission Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharge, reductions, and discrimination; nor
- C. The interpretation, application, merits, or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986.

3. In the event AFSCME Local 1271 desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission with a copy thereof simultaneously transmitted to County's Office of Human Resources, Chief Executive Office and to the County Department Head or Officer affected, which written request shall:
 - A. Set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
 - B. The parties shall select an arbitrator by mutual agreement and recommend to the Employee Relations Commission that the individual be appointed for the purpose of conducting the arbitration proceeding. In the event the parties cannot agree on a choice within thirty (30) working days from date of receipt of the request for arbitration, the parties shall request that the Employee Relations Commission provide them with panel of five arbitrators. Upon receipt of the Employee Relations Commission panel, the parties shall alternately strike one name each from the panel and the last name left will be appointed as the arbitrator in the case by the Employee Relations Commission.

- C. Arbitration procedures conducted under the authority of this Article shall be held at an appropriate location in the County Hall of Administration except when another location is mutually agreed upon by the parties to the case.
4. Arbitration of grievances hereunder will be limited to the formal grievances as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
5. Prior to a hearing by an arbitrator, a representative of the County and AFSCME Local 1271 shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and AFSCME Local 1271 cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

6. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
7. The decision of the arbitrator shall be binding upon AFSCME Local 1271. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. AFSCME Local 1271 may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.
8. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
 - Recognition
 - Implementation
 - Term
 - Renegotiation
 - Equal Opportunity
 - Safety
 - Payroll Deductions and Dues
 - Authorized Agents
 - Provisions of Law
 - Clinical Supervision

ARTICLE 8 GRIEVANCE GENERAL-IN-CHARACTER

In order to provide an effective mechanism whereby disagreements between the AFSCME Local 1271 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon.

- A. Within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from its knowledge of such occurrence, where AFSCME Local 1271 has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, AFSCME Local 1271 may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, AFSCME Local 1271 shall have the right to meet with the principal representative(s) of the County who have authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have the authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his/her authorized representative.
- C. Within ten (10) business days after the meeting provided in (B) above, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 7, Subsection 2 of Article 7, the disagreement may be submitted to arbitration in accordance with the provisions of Section 7 of Article 7 of this Memorandum of Understanding. It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 7 of this Memorandum of Understanding. Instead, this Article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the Grievance Procedure set forth in Article 7 hereof.

ARTICLE 9 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 7, Arbitration, of Article 7, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination; nor
 - C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Officer, or any other County department, agency, or commission, unless the arbitrator, in his discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
4. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
- A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel, and 3) there will be no post hearing briefs.
5. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his selection and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
6. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
7. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
8. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
9. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County.

If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

10. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
11. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

- Recognition
- Non-Discrimination
- Implementation
- Term
- Renegotiation
- Safety and Health
- Payroll Deductions and Dues
- Leaves of Absence
- Authorized Agents
- Provisions of Law

ARTICLE 10 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State, and County laws and regulations, the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable provisions of Federal, State or County laws, rules and regulations or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 11 ALTERNATIVES TO LAYOFFS

Section 1. Board Policy on Workforce Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions. If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et. seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact of workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions.

Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CEO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

The Department of Human Resources and department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

Section 3. Enhanced Voluntary Time-Off

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-Off program with operating departments.

Section 4. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible, the Department of Human Resources and/or Department Management will give ten (10) business days' notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 13 OVERTIMESection 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. 201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave, and vacation pay with the exception that those hours paid during a work week for a regular County holiday will be counted in calculating hours worked for overtime purposes.

The County will pay employees for any overtime worked at a rate of one and one-half (1 ½) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.

- B. With the approval of departmental management, an employee in the bargaining unit may elect to accrue up to forty (40) hours of FLSA overtime on the books to be used as compensatory time off in lieu of pay at the rate of one and one-half (1 ½) hours for each hour of overtime worked. Time "on the books" may be taken as time off, subject to management approval, or may be converted to pay. An

employee electing payment for any portion of his or her CTO accrual balance may submit a request and, within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee. Accrued compensatory time shall be paid prior to any promotions.

An employee who wants to use his/her accumulated compensatory time must submit a written request ten (10) working days in advance of the dates for which time off is desired. Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval by departmental management. With prior approval of departmental management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Management may direct an employee to use his/her excess accumulated time provided the employee is given ten (10) working days' notice. At the discretion of management, an employee may be paid for a portion or all of his/her CTO at any time.

Employees may not accrue overtime hours which are worked during a Board of Supervisors, State, or Federally declared emergency and/or disaster periods, unless management approves the accrual of such overtime hours.

Section 2. Savings Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 AFSCME Local 119 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 3. Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational unit and work location. In the assignment of overtime under this provision, however, management may consider special skills required to perform particular work.

Section 4. Management Authority

It is agreed and understood that nothing herein is intended to limit or restrict the authority of management to require any employee to perform overtime work, and it is further agreed that overtime will be ordered and worked only when required to meet the County's public service obligations.

ARTICLE 14 WORK SCHEDULES

Nothing herein shall be construed as a guarantee of a minimum number of hours of work per day or per week, or of days of work per week. Nothing herein shall be construed to modify in any manner whatsoever a workday or workweek as defined by Chapter 6.12 of the Los Angeles County Code.

Section 1. Work Shift

Employees shall be scheduled to work on regular work shifts having regular starting and quitting times. Except for emergencies (See Section 6), employee's work schedules shall not be changed without at least ten (10) working days written notice to the employee before the change is to be implemented. "Written notice" means a personal e-mail notification; making changes on the schedule alone does not constitute notification to the employee. Irregular work schedules shall not be changed without notice to the employee at least ten (10) working days prior to the date the change is to be effective.

Management and the union agree that if there is a change in the hours or days of operation for any facility which will affect the work schedules, management shall meet and consult with the union prior to any change taking place.

Section 2. Workweek

For the purposes of computing overtime, the workweek for employees in this unit is forty (40) hours of work in a seven (7) consecutive day period as defined by management.

The normal workweek shall be five (5) consecutive workdays and two days of rest in a seven (7) consecutive day period except as provided in Section 5.

Section 3. Rest Periods

A. Each eight (8) hour shift shall include two (2) fifteen (15) minute rest periods, scheduled according to the needs of the unit. This is exclusive of at least a thirty (30) minute lunch period.

B. For other than eight (8) hour shifts, an employee is entitled to a fifteen (15) minute paid rest for each four (4) hours of scheduled work time.

Section 4. Workday

For full-time employees, eight (8) hours shall constitute a regular workday, unless a flextime work schedule has been arranged pursuant to Section 7.

Section 5.

Nothing herein shall be construed to affect in any manner whatsoever irregular workday or workweek assignments required for the maintenance of necessary operations.

Section 6. Emergencies

Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergencies. However, such emergency assignments shall not extend beyond the period of such emergency, with Management making every reasonable effort to resolve the emergency conditions. An emergency condition is herein defined as an unforeseen happening requiring prompt action.

Section 7. Flexible Working Hours

Nothing herein shall preclude Management from establishing flextime work schedules when the needs of the service permit. Upon request, a Unit member may be permitted a flextime schedule as mutually agreed upon by the employee and Management.

No facility is obliged to offer the following alternative work schedules. These are provided solely as examples of those currently in use in the County.

1. Four ten-hour workdays per week (4/40).
2. Eight nine-hour workdays and one eight-hour workday per two week period, allowing an additional day off every other week (9/80).

Section 8.

Full-time permanent Physician Assistants and Senior Physician Assistants may be granted the time necessary to complete required non-clinical duties.

ARTICLE 15 TRANSFERS

Section 1. Definition

For purposes of this article, transfer is defined as a permanent change of work location. Permanent change of work location may be the result of employee request, needs of the service, promotions, demotions, and administrative reassignments.

Section 2. Voluntary Transfers within the Department of Health Services

PAs and Senior PAs who wish to transfer to a work location within the Department of Health Services may submit a written request to the Personnel Officer of that Department and have his/her name placed on a list to be kept by the Department for twelve (12) months from the date of receipt. It is understood that the request is for an available, vacant position in the same classification. The Department will consider the request when filling vacancies.

Before seeking candidates from promotional lists or new hires Management agrees to give serious consideration to each transfer request for equal level positions to employees who have the requisite skills/competencies and acceptance by the physician under whose license the Physician Assistant will work. Management will consider factors such as the employee's seniority, experience, academic training, professional skills and geographical location in making transfer decisions. The submission of a request to transfer to another work location does not obligate the employee to accept any actual offer of employment

at that location. Further, the Department is not obligated to make an offer of employment to the employee by virtue of the employee having submitted a request. Management will make every effort to release an employee who has been offered and accepted a lateral transfer onto an authorized item, without any change in their classification title or employment status, within thirty days from the date of the request unless otherwise agreed to by the respective facility managers.

When, by virtue of hardship, Management is unable to grant a timely release for the lateral transfer of the employee, there shall be an attempt to negotiate a mutually agreed upon release date by/between the releasing/receiving managers and the affected employee.

Section 3. Management-Initiated Transfers within Health Services

It is understood that transfers are not disciplinary actions. It does not reflect negatively on the performance of an employee who is the subject of a management initiated transfer.

In the case of a management-initiated transfer of an employee that is based upon the needs of the service, management shall give at least ten (10) business days written notice to the affected employee, unless an emergent situation necessitates immediate transfer. In the case of an emergent situation, the transfer of the employee will continue only for the duration of the emergency.

When the demands of the service require that an employee be transferred, the selection of the employee transferred shall be based upon the needs of the operation, and/or based upon skills and competencies. In the selection process, Management will, in the following

order: First, consider all transfer requests previously received; Second, request volunteers; and Third, consider transfers on the basis of inverse County seniority. It is recognized that the needs of the service might mandate a selection outside of these criteria.

Section 4. Reassignment within the Department of Health Services

If the Department of Health Services determines that reassignments are necessary as a result of restructuring and/or workforce reductions, management will first use pre-existing geographical preferences as expressed on the Employee Verification Notices. Employees will be assigned to vacancies in their classification based on geographical preference by County seniority. This provision shall not be construed to entitle any employee to entitle any employee to a promotion.

Section 5. Other departments

Current practices within other departments that use Physician Assistants, such as Sheriff's and Coroner, shall be controlling.

Section 6. Vacancy Notices

Vacancies shall be posted according to the procedures of DHS and all other Departments where PAs are assigned. AFSCME will be informed regarding the method

to access the vacancy listing. Additionally, employees can access the NEOGOV system to obtain information on Physician Assistant transfer opportunities.

- B. Employees requiring information regarding blood borne pathogen exposure or related issues may reference/contact any of the facility/department resources: infection control policies and procedures, infection control coordinator, employee/occupational health services, Los Angeles County Department of Public

Health, and the Center for Disease Control and Prevention at telephone number 1 (888) 232-3228 or website at www.cdc.gov.

It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty, as for example by work furloughs because of lack of work or for other legitimate reasons, and determine the methods, means and personnel by which the County's operations are to be conducted; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 22 PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read and receive a copy, if requested, of any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document would not be placed in the official file until the grievance procedure or civil service appeal rights had been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Upon entering other work locations, the Steward shall inform the cognizant supervisor of the nature of his business. Upon request, County Management agrees to meet with representatives of AFSCME Local 1271 for the sole purpose of consultation when conducting classification studies which could result in erosion of this bargaining unit. All matters affecting employee relations, including those that are not subject to negotiations are subject to consultation prior to effecting basic changes in any rule or procedures affecting employee relations. Every reasonable effort shall be made to have such consultation prior to effecting basic changes in any rule or procedures affecting employee relations.

County Management shall provide AFSCME Local 1271 with notice of changes to matters affecting employee relations and provide the Union with reasonable opportunity to either confer or consult (in accordance with state law and the Los Angeles County Code) on the changes prior to effecting such proposed changes.

ARTICLE 27CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. Prior to a Request for Proposal (RFP) or other contract solicitation documents approval and issuance, the Employee Relations Division of Chief Executive Office will arrange to meet with representatives of the Union to advise them of this action within five (5) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement. Management acknowledges an obligation to negotiate the impact of wages, hours and working conditions of the employees in this bargaining unit insofar, as such subjects have not already been negotiated.

ARTICLE 28 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppage, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 29 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither AFSCME Local 1271 nor Management, nor their authorized representatives will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 30 FULL UNDERSTANDING, MODIFICATIONS, AND WAIVER

- A. It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. This Article is not intended to negate or eliminate past practice as a factor establishing agreement in practice between the parties.
- B. It is the intent of the parties that this Memorandum of Understanding be administered in its entirety in good faith during its full term. It is recognized that during such term it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit. Management shall notify AFSCME Local 1271 of changes resulting from emergent or legal requirements as soon as practicable. AFSCME Local 1271 shall notify Management within five (5) working days from the receipt of such notice if it desires to consult with Management. Nothing contained herein shall prevent the Union from grieving the effect of such change in accordance with the grievance procedure contained herein. Failure by AFSCME Local 1271 to request consultation, pursuant to Paragraph B,

shall not be deemed as approval of any action taken by the County.

- C. Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any other matters within the scope of negotiations, during the term of the Memorandum of Understanding.
- D. Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, approved and implemented by County's Board of Supervisors.
- E. The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

AFSCME Local 1271 shall give to the Department Head and the Chief Executive Officer of the County of Los Angeles, a written list of all of its authorized representatives, which list shall be kept current by AFSCME Local 1271. Management agrees to honor all authorizations for payroll deduction of union dues payments to Union and remit such payments to AFSCME Council 36 Local 1271 within thirty (30) business days after the conclusion of the month in which said dues and deductions were deducted pursuant to such authorization. Authorized deductions shall be revocable in accordance with the lawful terms under which an employee voluntarily authorized said deductions. Any employee inquiries to cancel or change deductions shall be referred to the Union.

AFSCME Council 36 Local 1271 hereby certifies that each individual whose name is presented for deductions has signed a written authorization which authorizes the Union to request that Management deduct from his or her salary/wages the amount specified by the Union. The Union has and will maintain an authorization on behalf of each individual employee.

Section 2. Security Clause

Any employees in this unit who have authorized union dues deductions on the effective date of this Memorandum of Understanding or at any time subsequent to the effective date of this Memorandum of Understanding shall continue to have such dues deduction made by the County during the term of this Memorandum of Understanding; provided, however, that any employee in the unit may terminate such union dues by notifying the Union of their termination of union dues deductions not less than ten (10) days and not more than twenty (20) days before the end of any yearly period as defined by the date of execution of the individual employee's authorization.

Such notification shall be by certified mail or by email to palocal1271@gmail.com and should be in the form of a letter containing the following information: Employee Name, Employee Number, Job Classification, Department Name and Name of Union from which dues deductions are to be cancelled. The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Such meetings shall be for the purpose of informing employees of union membership programs and their rights and obligations under the Agreement and shall be conducted

during the employee's scheduled work time and at the work location to be mutually determined by AFSCME Local 1271 and Management. The union shall be provided with

ARTICLE 35 EMPLOYEE BENEFITS

It is the intent of the parties that, during the term of this agreement, permanent employees in the classifications of Physician Assistants (5047) and Senior Physician Assistants (5051) shall continue to receive all employee benefits that they currently have, on the same basis and level of benefit, subsidy or otherwise, as that provided currently for non-represented employees and as more fully set forth in the Los Angeles County Code for non-represented employees, including but not limited to the following benefits: Flexible Benefit Plan; Mega-Flex Plan; Holidays; Sick Leave; Bereavement Leave; Deferred Compensation Plan (457); Savings Plan (401K); Life Insurance; Annual Leave; Leave Donation; Retirement; and Mileage.

The parties agree that any new employee hired, transferred, promoted, or who demotes into the Physician Assistant (5047) or Senior Physician Assistant (5051) classification on or after the expiration date of this MOU, September 30, 2018, shall not be eligible to participate in the Flexible Benefit Plan, Mega-Flex Plan, or the Savings Plan (401K), but

Section 1.

Permanent County employees covered by this agreement participating in, or eligible to participate in the Flexible Benefit Plan, Mega-Flex Plan (Pensionable and Non-Pensionable), or the Savings Plan (401K) shall continue to be eligible for and participate in said Plans. Any and all future changes the County makes to these Plans for non-represented employees, including contributions, plan design and benefit changes, shall be extended to and become part of said eligible or participating employee's Plan(s).

It is the intent of the County to provide a "grandfathered" benefit to employees currently receiving or eligible to participate in these Plans that elected to be represented by a certified employee organization. Section 3.

The parties agree that the exclusive management, control and administration of the Flexible Benefit Plan, Mega-Flex Plan, Deferred Compensation (457), or Savings Plan (401K) shall be at the sole discretion of the County. Any and all current or future changes, modification, or termination of the Flexible Benefit Plan, Mega-Flex Plan, Deferred Compensation (457), or Savings Plan (401K) will be at the sole discretion of Management subject to the County meeting and consulting with the Union prior to implementing any

said changes or termination of the Flexible Benefit Plan, Mega-Flex Plan, Deferred Compensation (457), or Savings Plan (401K).

Section 4.

Permanent employees in this Unit will be eligible to participate in the Retiree Medical Trust as sponsored by the Coalition of County Unions.

A. Underpayments

1. If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's paycheck, a paycheck correction may be requested. Such request must be made to the appointing authority within two (2) business days after receipt of the warrant. Otherwise, the correction shall be made in the next regularly issued warrant.

3. Changes in salary resulting from step advances or changes in status are excluded from amounts which constitute paycheck errors for purposes of this Article.

B. Overpayments

1. Employees will be notified prior to the recovery of overpayments.
2. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller. Such recovery shall not exceed 15% per month of disposable

earnings (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

Full-time, permanent, PA employees are allowed a maximum of twenty-five (25) hours for each contract year during this MOU for approved continuing education purposes. Up to eight (8) hours may be home study.

A department may, at its discretion, require additional education or training for clinical practice.

Subject to the needs of the service and upon request of the full-time permanent PA, management may allow the PA to carry over up to twenty-five (25) hours to the second year. If carryover hours are not used during the second year, they will be lost.

Part-time PAs on permanent status working at least twenty (20) hours per week are allowed a maximum of twelve (12) hours for each contract year of this MOU for approved continuing education purposes. Up to three (3) hours may be home study.

- B. If no performance review is filed as defined in A. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

The PA with the greatest seniority will be given the opportunity to have first choice of his/her vacation schedule, with the other PAs given their choice of vacation schedule in descending order of seniority. Seniority, for purposes of this article, will be defined as time in grade in the classification of Physician Assistant.

Having once made a choice, no PA may change his/her vacation schedule if such change will conflict with the choice of another employee in the department, unless the affected employee and management agree to such a change.

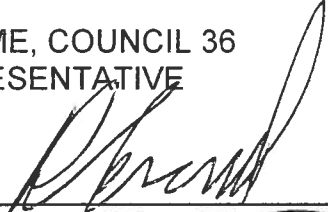

A PA who transfers from one service to another will not be allowed to exercise seniority rights if it would result in replacing another PA on the existing vacation schedule. Management will make reasonable efforts to accommodate the employee's pre-approved vacation.

Sheriff's Department and Coroner

Current practice shall be controlling for Sheriff's and Coroner.

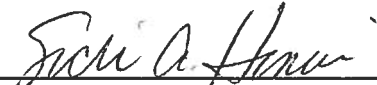

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Memorandum of Understanding the day, month, and year first above written.

The parties having jointly reviewed and considered available salary and wage information data, agree that the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

Section 2. Physician Service Assignments

- A. A Physician, Post Graduate, shall have the approval of his Chief of Service to participate in Physician Service Assignments.
- B. The Chief of Service shall not unreasonably withhold approval.
- C. These assignments shall be limited to 96 hours per month.

- D. There shall be no substantial change in the current practice of Physician Service Assignments.

If there is a substantial change it will be subject to the meet and confer in good faith process.

- E. Physicians, Post Graduate II or higher performing in a "Physicians Service Assignment" shall receive the remuneration established in the Physician Pay Plan of the Los Angeles County Code.

Section 3. Advancement

Members of this bargaining unit will advance along a predictable progression of Physician Post-Graduate years, one year for every year of training in an accredited training program. The members will receive the salary associated with the PPG level of their primary training program. Individuals who transfer into another primary training program or select a secondary training program will receive that salary that is identified with the entry level of that specific training program as determined by management. Under no circumstances will a resident be paid higher than PPG - VII, as identified in this Memorandum of Understanding.

All residents in the LAC+USC six-year Oral and Maxillofacial surgery Program will be paid at the PGY 3 level in their fifth year of training and advance to the PGY 4 level in their sixth year of training.

Section 4. Chief Resident Bonus

In cases where a member of this bargaining unit, who is in an accredited training program, is requested or recruited to function in a Chief Resident position, the Physician Post-Graduate shall receive a bonus of \$300.00 for each full month, not to exceed 12 months, served in this position. The bonus shall be paid in one lump sum at the conclusion of the assignment. To qualify for this bonus the Chief Resident must perform functions including but not limited to: scheduling, clinical supervision and education of Physician Post-Graduates involved in a training program and not simply as a requirement of the program.

The Chief Resident Bonus shall increase effective the dates indicated below:

2% effective October 1, 2018

2.5% effective October 1, 2019

2.5% effective October 1, 2020

Section 5. Non-Resident Items

It is understood that, in some departments, physicians that complete resident training continue on physician post-graduate items to supervise residents still in training. The Department of Health Services will continue to pursue the appropriate allocation and funding of these non-resident items.

ARTICLE 7 QUALITY PATIENT CARE FUND

In recognition of Residents foregoing pay raises in a previous contract, the Department of Health Services, and Chief Executive Office will recommend to the Board of Supervisors that a fund, to be identified as the CIR Quality Patient Care Fund, be established within the Department of Health Services effective on the date of Board approval of this Agreement. The amount of the CIR Quality Patient Care Fund will be \$ 2,222,500 each year for fiscal years 2018-2019, 2019-2020 and 2020-2021. The \$2,222,500 will be appropriated by relative employee size of the institutions as follows:

\$1,210,000 for the use of LAC+USC Medical Center house staff; \$990,000 for the use of Harbor/UCLA Medical Center house staff and \$22,500 for the 15 residents/dental interns at the Martin Luther King Jr and Rancho Los Amigos facilities. Sixty calendar days prior to the end of each fiscal year, CIR will provide the respective institution an accounting of any unused funds. Said unused funds will then be eligible to be rolled over into the next fiscal year. The total amount of rolled over funds in any given year will be limited to equal the amount of the initial fiscal year allocation (e.g., \$1,210,000; \$990,000; and/or \$22,500).

In the event more than 15 residents/dental interns are designated to the Martin Luther King Jr. and Rancho Los Amigos facilities, either party can request to meet to discuss providing additional funding to the Quality Patient Care Fund based upon the increased number in residents/dental interns at the Martin Luther King Jr. and Rancho Los Amigos facilities. This meeting shall take place within 30 business days.

This fund shall be inviolate and free from assessments, freezes, impounds or deferrals, and may be used only for improved quality of patient care.

The Director of the Department of Health Services shall have direct control of the fund. During the term of this Memorandum of Understanding, all of the committees provided in 2 and 3 below shall meet as a "Steering Committee" and by mutual agreement allocate funds to the institutional level, taking cognizance of all recommendations.

Funds allocated to the institutional level will be administered as follows:

1. Authority to commit and expend the funds will be vested in the institutional administrators.
2. The institutional administrator shall appoint a "Team." Medical Directors, physician service chiefs and director of patient care services may be appointed to this Team. This Team shall not exceed five in number.
3. Interns and Residents at each institution shall convene and designate a "Team". This Team shall not exceed five in number.
4. When issues involve Preventive Health, Mental Health, Nursing and Ambulatory Care needs, representatives from these areas shall participate in the discussions.
5. Mutual agreement of the teams at each institution listed in 2 and 3 shall be required to initiate the authority to expend as provided in 1 above.

6. The CIR shall submit its list of requested patient care equipment for that fiscal year to the institutional Chief Medical Officer by February 28. By meeting this due date, it shall be deemed that the CIR has met the requirements for committing the allocation to the Patient Care Fund. The institution shall, within 30 days from the date of receipt, discuss problem requests with the CIR. Where the County is able to obtain equipment for less than the CIR's initial estimate, Management and CIR shall, as soon as possible, mutually agree to spend the savings.

If CIR fails to meet this due date, the institution allocation shall be transferred to the institution administrator to purchase patient care equipment.

7. The CIR shall obtain estimates and information only, and shall not commit or negotiate prices, services agreements, or training costs with vendors. The items recommended shall be processed through the County's normal County purchasing procedures.

The Los Angeles County - USC Medical Center, Harbor - UCLA Medical Center and the Martin Luther King Jr. and Rancho Los Amigos facilities will provide a monthly Patient Care Fund status report to the President of the Interns and Residents at each hospital, the Patient Care Fund Vice-President at each hospital and to the designated representative of the CIR.

Section 1. Quality Improvement Projects

The Department of Health Services agrees to pay the sum of \$300,000 to CIR each year for fiscal years 2018-2019, 2019-2020, and 2020-2021 for the sole purpose of funding Patient Provider and Community Engagement Projects (i.e., improving discharge planning or patient satisfaction,) and engagement of the medical and local community (i.e., resident well-being initiatives, house-staff appreciation days or a community health fair) for house staff at LAC+USC Medical Center, Harbor/UCLA Medical Center, the Martin Luther King Jr. Outpatient Center and Rancho Los Amigos Rehabilitation Center. The Department of Health Services agrees to make the initial annual lump sum payment to CIR covering the 2018-2019 fiscal year within 30 days of Board approval of this MOU and the subsequent payments by the 10th business day following the start of the 2019-2020 and 2020-2021 fiscal years. CIR shall accept fiduciary responsibility over these funds in compliance with relevant accounting standards. The County and the Department of Health Services shall have no responsibility or liability for the administration of this benefit. Interns and Residents at LAC+USC Medical Center, Harbor/UCLA Medical Center, the Martin Luther King Jr. Outpatient Center and Rancho Los Amigos Rehabilitation facilities shall each convene and designate a Quality Improvement Steering Committee (not to exceed five in number) and submit an annual report to the respective facility CEO. An itemized financial statement addressing the sums set forth above, as well as a report of the corresponding Quality Improvement activities, shall be provided by CIR to the Department of Health Services upon request.

Sixty calendar days prior to the end of each fiscal year, CIR will provide the respective institution an accounting of any unused funds. Said unused funds will then be eligible to be rolled over into the next fiscal year. The total amount of rolled over funds in any given year will be limited to equal the amount of the initial fiscal year allocation (e.g., \$300,000).

As needed, CIR will submit to the Associate Director, a written response to the "DHS Quarterly Status Report on Resident Hours, Meals and Call Rooms" that comments on the progress of contract implementation. The CIR must be aware that regulatory agencies such as the Office of Statewide Health Planning and Development have requirements that at times, slow the construction or remodeling of hospital buildings. However, when the completion of call rooms remodeling is affected by a regulatory agency, the CIR shall be notified.

Also, the director has instructed local facility CEOs, Medical Directors, and Graduate Medical Education Directors to offer to meet and consult with representatives of the CIR prior to implementing changes on the above mentioned matters, and on other matters requiring as stipulated in the MOU, a meet and consult meeting.

These complaints shall be presented to the facility GMEC in a timely manner by the resident members of that committee.

The Department agrees to establish within 60 days from implementation of this agreement, a Compliance Committee, chaired by the Associate Director of Health Services, Clinical and Medical Affairs and be composed of equal members of CIR and Management that shall be empowered to resolve issues that cannot be resolved at the facility levels. Issues of non-compliance include, but are not limited to, duty hours and working conditions.

Assignments for house staff who are post "in-hospital" call shall be consistent with existing ACGME duty hour policies.

Section 6. Communications Committee

The County and CIR recognize the potential impact of sleep deprivation and fatigue upon house staff that must drive after 24 hours of continuous duty. In the interest of maintaining quality patient care and the health and safety of house staff, both parties agree to the establishment of Communications Labor-Management Meeting work groups at each Medical Center.

The purpose of the work group is to study and make recommendations related to funding for the purpose of, but not limited to: education on resident sleep deprivation and fatigue, guest speakers on the topic of sleep deprivation and fatigue and/or a taxi voucher program. Work group recommendations will be made to their hospital administration at Communication meetings.

Section 7. House-Staff Lounge

A joint Labor Management Collaboration will be established with the purpose of establishing resident lounges at LAC+USC Medical Center, Harbor-UCLA Medical Center, Martin Luther King Jr. Outpatient Center and the Rancho Los Amigos Rehabilitation Center.

The committee will evaluate the location, logistics, professional decorum and other relevant matters related to providing the ACGME required lounges, including but not limited to ongoing maintenance of said lounges.

The resident lounges will be established in each current facility by the end of this term. The joint Labor Management collaboration will be convened at the request of either party when new county facilities are being developed/built.

Where possible, computer equipment will be reasonably accessible from on-call rooms in accordance with ACGME guidelines.

Section 2. IT Walk-Through

In conjunction with the annual call room walk-through as outlined in Article 11, Section 2 CIR, hospital administration and the IT Director or designee will conduct an annual IT walk-through to assess computer and printer operability. Results of this walk-through will be presented at the CIR Communications meeting in a formal report identifying key issues and solutions. Resolution to issues identified in both the call room and IT walk-throughs will be addressed at each facility's Communications meeting.

ARTICLE 11 PHYSICIAN, POST GRADUATE TIME OFF

In lieu of other vacation and holiday allowances, persons employed as full-time or half-time Physicians, Post Graduate (first through seventh year) who are assigned to a County hospital for any one annual contractual period shall receive 192 hours to be used solely for post graduate time off. The 192 hours (i.e., 24 eight hour work days) will be posted to the Physicians, Post Graduate (first through seventh year) effective the first day of the employee's individual contract year. Upon completion of each Physician, Post Graduate year (first year through seventh year), any remaining hours shall be eliminated from the employee's record unless the Physician, Post Graduate has contracted to another consecutive year of training with the County of Los Angeles.

If the Physician, Post Graduate has contracted to another consecutive year of training, at the end of that consecutive year of training the Physician Post Graduate will have the option to be compensated for a maximum of 80 hours (10 eight hour work days) of the remaining hours or to request a maximum of 80 hours (10 day eight hour work days) of the remaining hours be deferred (i.e., carried over) to their next contract year.

The Physician, Post Graduate may defer 10 working days each year the resident contracts to another consecutive year of training with the County of Los Angeles. Whenever the sum of a Physician, Post Graduate deferred leave time exceeds 60 days, the resident shall be compensated for accumulated deferred leave time in excess of 60 days.

Such excess leave time shall be paid at the Physician, Post Graduate's rate of pay in effect on the last day of his/her contract year. Upon completion of their term as Physician, Post Graduate (second through seventh year), a lump sum payment shall be paid for such leave time not to exceed 60 days.

Any returning Physician, Post Graduate who chooses to be compensated for remaining hours, or to carry over any remaining hours to their next individual contract year, will continue to receive the full 192 hours (i.e., 24 eight-hour work days) at the beginning of their individual contract year.

Any Physician, Post Graduate who wishes to use deferred leave time for other than a post graduate time off must provide proper and timely notification for orderly scheduling. When the leave request exceeds more than seven (7) continuous days, the Physician must submit the request for the leave at least 30 days in advance of the beginning date. In special situations, if approved by the Chief of Service, leave may be granted for less than one week intervals.

Both parties recognize that arrangements for taking time off must reflect patient care responsibilities, and that the ultimate decision regarding scheduling shall rest with the Chief of Service. Leave time must be scheduled within the contractual period.

When a member of this Unit is prevented from working his/her regular assignment as a result of a holiday, he may be reassigned to another work location for that day. If the resident is not reassigned, the resident's pay or vacation will not be charged.

ARTICLE 12 LABOR-MANAGEMENT PARTNERSHIP

Both parties agree to the establishment of a Labor-Management Partnership which both parties agree will be utilized to bring to the attention of each hospital's administration and the Department problems and recommendations to improve patient care at the County hospitals. It is understood that the members of this Unit and their working conditions directly impact on the medical care provided to the patients and are therefore in a position to offer suggestions which would improve patient care.

This Labor-Management Partnership shall not prevent any member of this Unit from using other appropriate recourse to redress grievances.

Section 1. Procedures

1. All issues and concerns shall be introduced on an Agenda form jointly agreed upon by both the Department of Health Services and the CIR.
2. The Agenda form shall be provided to both parties a minimum of one week prior to a Labor-Management Partnership meeting.
3. Issues and concerns will be discussed at the Labor-Management Partnership meeting and both parties will review and recommend if further exploration is needed to reach agreement.

4. Hospital administration will expeditiously consult with the appropriate individuals to obtain a further understanding of the issue and concern in a timely manner and consult expeditiously with CIR on a solution.
5. If the CIR is not satisfied with the response of hospital administration, they will refer the issue and concern to the Director of Health Services. In referring the issue and concern to the Director, the CIR will include a statement as to why they are not satisfied with the response from Hospital Administration.
6. The Director of Health Services and/or his designee shall consult with the CIR within 10 working days within receipt of the issue and concern.
7. The Director of Health Services shall have the option of convening a committee of experts, which shall include representatives of the CIR, to investigate the issue and concern and to make recommendations to the Director, including but not limited to hospital efficiencies and a multi-disciplinary approach to patient care. The committee shall meet expeditiously and submit its recommendation within 20 days unless an extension is granted by the Director.
8. Members of this Unit may not grieve, and the CIR may not refer to arbitration, any suggestion which Management does not implement if Management complied with the Labor-Management Partnership procedures as stated above.

Section 2. Frequency

County and the CIR will make every best effort to hold Quarterly Labor-Management Partnership meetings at a mutually acceptable time, date and place with the DHS CMO. Agenda items are intended to address systemic issues and concerns including, but not limited to, quality patient care, health and safety, and any topics related to the resident training program.

County and the CIR will make every best effort to hold monthly communications meetings at a mutually acceptable time, date and place at Harbor/UCLA Medical Center, and LAC+USC Medical Center for the duration of this contract.

Agenda items at the communications meetings are intended to address facility issues and concerns including, but not limited to, patient care and any topics related to resident training rotations. CIR will report back to the County on the issues and concerns addressed in Labor-Management Partnership meetings and committee work as outlined in this MOU.

Section 3. Duty Hours Committee

1. Both parties recognize the desirability of maintaining work schedules consistent with optimum patient care. In the interest of maintaining quality patient care and the health and safety of house-staff both parties agree to the establishment of departmental committees at each of the Medical Centers for the purpose of studying and making recommendations to their hospital administration on the issue of work schedules.

The committees will address the following areas:

- Consecutive work hours/rest periods
- On call frequency/schedules

2. The departmental committees shall include CIR representation.
3. The recommendations of the respective committees shall be advisory to the respective Medical Centers.
4. In accordance with Section 6.12.020(D) of the Los Angeles County Code, it is recognized that Interns and Residents routinely work more than a basic 40 hours in any one calendar week without compensation or time off for such overtime worked. As a result, CIR desires to establish a mechanism at each of the three medical centers to better document the hours worked by Interns and Residents above the minimum standard number of required hours. Therefore, Management agrees to the establishment of committees at each of the medical centers comprised of Hospital Administration and facility CIR members in an effort to find a mutually acceptable mechanism of better documenting the actual hours worked by Interns and Residents.

Within 60 days of the implementation date of this agreement, the CIR at each of the three medical centers shall submit to their respective Management their proposal for establishing a mechanism to better document the actual hours worked by Interns and Residents at their particular medical center.

Within 60 days of receipt of the CIR's proposal at each respective medical center, the Management/CIR Committee shall meet as a whole in an effort to find a mutually acceptable mechanism of better documenting the actual hours worked by Interns and Residents.

Section 4. Health and Safety Committee

Both parties agree that house-staff will be represented on the appropriate AIDS related task force/committees which have been or will be established at each of the three Medical Centers.

On an annual basis, DHS and CIR will review existing needle stick injury protocols and make revisions as necessary. In addition, the needle stick injury protocol will be electronically posted so residents in the facilities can have 24/7 access to the information. In the event a bargaining unit member sustains a needle stick injury, the bargaining unit member will follow existing protocols.

Section 5. Patient Relationships

A. At the Los Angeles County-University of Southern California Medical Center, and Harbor - UCLA Medical Center, Physicians, Post Graduate, have historically been given a role of immediate and continuing responsibility for patient diagnosis and treatment, always under the ultimate responsibility and authority of the attending physicians and Chief of Service. Management agrees that it will maintain such relationships regardless of the source of patient fiscal responsibility (private or public resources).

- B. Programs which expand the training of Physicians, Post Graduate, into areas currently not utilizing these personnel -- e.g., neighborhood health care facilities -- shall conform to the Essentials of approved Internship and Residencies per the Liaison Council on Graduate Medical Education of the American Medical Association.

Section 6. Physician Recruitment and Pipeline

Diversity recruitment, physician pipeline and retention into the Los Angeles County healthcare network will be discussed at each facility's communications meetings as requested by either CIR or the hospital.

Section 7. Away Rotations

CIR and the County remain committed to exploring the feasibility, including but not limited to the economic, operational, indemnification impact of allowing international and domestic away rotations to Residents.

Within 60 days of the Board of Supervisor approval of this MOU, a CIR subcommittee will be established with the purpose of researching and analyzing the methodologies, policies and procedures, including the funding sources, of existing programs used by other California public agencies. The subcommittee will present its findings and any recommendations to the DHS Director for consideration. Any recommendation put forth by the subcommittee must outline the funding source for the program.

DHS will review the CIR recommendation and if said recommendation is feasible, DHS will meet with CIR representatives to discuss submitting the recommendation to the Chief Executive Office for approval.

This provision will sunset at the end of the contract term if no recommendation has been submitted by the CIR subcommittee by that time.

ARTICLE 13 GRIEVANCE PROCEDURE

Section 1. Definitions

Section 3. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.

2. Any level of review, or any time limits established in this Article may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.

3. The parties agree that there have been instances during the life of the present contract that grievances filed at various facilities have not moved forward within the time lines established under Article 14, Grievance Procedure. Both parties further agree that the problems occurring are in the application and observation of the time lines. Therefore, in an attempt to eliminate a continuation of these problems, the parties agree:

- a. All grievances and responses will be filed on a standardized form with the Office of Human Resources Management (HRM), 5555 Ferguson Drive, Room 120-15, Commerce, CA. After hearing input from all concerned, the HRM representative will decide to grant or deny the request and notify all parties.
- c. The Office of Human Resources Management will generate a quarterly report showing:
 - Number of grievances filed (by facility)
 - Number resolved
 - Number outstanding
 - Number failing to meet time lines, and
 - Number of extensions granted.

- d. Within 30 days of implementation of this MOU, Management and CIR will convene a committee of representatives from DHS and CIR, comprised of no more than four (4) representatives per party, to develop guidelines and forms for time line extensions.
- e. Should CIR fail to meet the established time deadlines, then the grievance shall be dropped. Should the County fail to meet the established deadlines, then the employee is automatically granted the right to process the grievance to the next level.

Section 6. Arbitration

- 1. Within ten (10) business days from the receipt of the written decision of the departmental Medical Director, or his designated representative, the CIR, or CIR on behalf of an employee whom it has represented in the processing of this grievance, may request that the grievance be submitted to arbitration as provided for hereinafter.
- 2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:

- A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances, adopted by County's Board of Supervisors; unless the arbitrator, in his discretion finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Commission Rules, nor matters under the jurisdiction of said Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, suspensions, transfers, classification actions, performance evaluations, and similar matters within the jurisdiction of said Civil Service Commission; nor

In the event the CIR, on behalf of any employee whom it has represented in the processing of this grievance, desires to request that a grievance, which meets the requirements of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Director of Personnel and to the County Department Head or officer affected, which written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.

- 3. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that the Commission provide the parties with a panel of five names from which the parties will select an arbitrator by alternately striking one name each from the panel until there is one arbitrator who will be deemed to be the mutually acceptable arbitrator and be appointed as above.

If after five days the parties cannot agree on an arbitrator, the parties will request the Employee Relation Commission to appoint the arbitrator.

4. Arbitration of grievances hereunder will be limited to the formal grievances as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.
5. Prior to a hearing by an arbitrator, a representative of the County and the CIR shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

6. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within 60 days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The CIR may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

3. After completion of the third level of the grievance procedure and by mutual agreement, either management or CIR may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties.

Any final settlement of the grievance shall be reduced to writing and signed by Management, CIR and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.

The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

 6. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
 7. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.

 9. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County.

If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

10. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
11. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

A resident physician who is pregnant may request to her program director to be assigned rotations appropriate to the employee's pregnancy condition. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be cancelled.

The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 3. Agency Election

If 60 percent of the employees represented by this Unit are dues paying members of the Union, the Union shall have the right to conduct a secret ballot election at any time of its choosing during the term of this Memorandum of Understanding to determine whether a majority of the employees in the bargaining unit covered by this agreement are in favor of an agency fee agreement provided in G.C. 3502.5(a). This election shall be administered by the Employee Relations Commission (ERCOM). The ERCOM shall notify the County and the Union of the result of the election. The Union shall be responsible for the cost of the election.

The parties will encourage ERCOM to establish election procedures which are designed to produce the maximum possible participation in the election. However, if less than 20% of the employees in the bargaining unit vote in this election, agency shop shall be deemed rejected. If at least 20% of the employees in the bargaining unit vote, and a majority of those voting do vote in favor of an agency shop, then the Union shall notify the County, and the County shall immediately thereafter notify all employees in the bargaining unit that they will then be required, as a condition of continued employment, either to join the Union, pay a Fair Share Fee equal to Union dues or pay the Union an Agency Fee as provided in G.C. 3502.5(a).

Section 4. Agency Shop Provisions

If at least 20% of the employees in the bargaining unit vote, and a majority of those voting do vote in favor of an agency shop, then the following provisions of this Section 4 shall apply:

A. Agency Shop Defined

It is mutually agreed by the parties that the term "agency shop" means that every employee represented by this Unit shall, as a condition of continued employment, either join the certified majority representative organization; or pay the organization a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code for the duration of this agreement, or a period of three years from the effective date of this agreement, whichever comes first.

B. Religious Objections

An employee, who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

C. Agency Shop

It is mutually agreed by the parties that this Unit is an agency shop Unit.

D. Rescission

It is mutually agreed by the parties that the Agency Shop provisions in this agreement may be rescinded by a majority vote of all the employees represented by this Unit under procedures established by the Employee Relations Commission. In the event such rescission should take place, then the procedures as described in Section 1 and 2 shall prevail. There shall be only one election during the term of this agreement.

E. Union Responsibilities

Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval by departmental management.

Management may direct an employee to use his/her accumulated compensatory time provided the employee is given thirty days calendar notice.

ARTICLE 12 WORK SCHEDULES

Section 1. Shift, Lunch and Rest Periods

It is agreed and understood that each employee covered hereunder shall be assigned an 8-hour working shift, unless otherwise agreed to, which shall be exclusive of a 30-minute lunch period. Two 15-minute rest periods, one scheduled during each half of the assigned shift, shall be included in the 8-hour working shift. A fifteen-minute break will be allowed following 2 hours of overtime provided work is anticipated to last for at least one additional hour following break.

Section 2. Workweek

The workweek for employees in this unit is 40-hours of work in a seven-consecutive day period as defined by management. Normally, the workweek will consist of five – 8-hour days, Monday through Friday.

Section 3. Shift Change

Except for emergencies, employees' work schedules shall not be changed without notice to the employee at least five (5) working days before the change is to be implemented. If an employee's work schedule is changed on less than 24 hours' notice because of storm duty, the employee may be permitted, if work is available in the employee's classification, to work to the end of the employee's regularly scheduled shift. This section is not operative if the work schedule is changed because of storm duty to a 12-hour on, 12-hour off schedule.

Section 4. Work Location

Except for emergencies, employees' permanent work location shall not be changed without notice to the employee at least ten (10) working days before the change is to be implemented. Work location means an automotive repair shop or shops at a geographic site.

Section 5. Emergencies

Nothing herein shall limit the authority of the department or district head to make temporary assignments to different or additional locations, shifts, or work duties for the purpose of meeting emergencies. However, such emergency assignments shall not extend beyond the period of such emergency. Emergency as used herein is defined to mean an occurrence developing suddenly and unexpectedly, requiring immediate action to protect life, safety, health or property.

Section 6. Alternative Work Schedules

Employees may request alternative work schedules such as a nine (9) day – 80-hour two-week schedule or a four (4) day - 40-hour week schedule. Management will respond to an employee's request within 15 calendar days. Any changes from existing work schedules will be based on the needs of the service as determined by Management. Employees covered by the Fair Labor Standards Act will not be placed on alternate work schedules that mandate the payment of overtime under the Act.

ARTICLE 13 OUT-OF-CLASS ASSIGNMENTSSection 1. Definitions

- A. For this article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated, vacant, funded position in one class by an individual in another class.
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee class and the out-of-class assignment is less than the above bonus the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

Section 2. Conditions

If an employee is assigned to an out-of-class assignment for more than 20 consecutive working days, management shall upon the employee's or union's written request for relief either:

Appoint the employee according to Civil Service Rules. If the person is appointed within 30 calendar days from the date of request for relief, no bonus under this article is to be paid; return the employee to an assignment in his/her own class. If such return is made within 30 calendar days of the request for relief, no bonus under this article is to be paid; or pay the employee the bonus.

The bonus is paid from the date of request for relief and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.

- B. Nothing in this article shall be construed as limiting management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training. Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.

ARTICLE 14 ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Upon the employee's written request, any permanent, full-time employee shall be entitled to additional compensation for the performance of additional responsibilities which are assigned and approved by the Department Head or designated management representative and the Chief Executive Office.

The Department shall notify an employee in writing of the approval or denial of his/her written request within 45 business days of receipt of the request for the additional responsibilities bonus.

If an employee is placed in an assignment requiring the performance of additional responsibilities prior to the Department obtaining CEO approval, he/she shall be returned to an assignment in his/her own classification and notified of the action in writing.

To qualify for this additional compensation on a full-time permanent employee must either:

1. Be assigned to a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically allocated to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class would not qualify for this additional compensation. The bonus for being assigned a special project or assignment shall be two standard salary schedules; or
2. Performs all the significant duties of a higher-level class for which there is no vacant funded position. The bonus shall be two standard salary schedules, unless the difference between the employee's class and the higher-level class is less than two standard schedules. In this case, the bonus shall be the difference between the two classes.

The bonus provision in paragraph 2 above does not apply to employees on short term higher level assignments of two weeks or less.

For employees on higher level assignments of 2 weeks and 1 day, the additional compensation shall begin on the first day the additional responsibilities are assigned by Management and shall end on the day the additional responsibilities are no longer performed.

In no event shall an employee receive compensation pursuant to this Section and receive out of class bonus pursuant to Article 13 for the same assignment.

The additional compensation provided in this section shall not constitute a base rate.

ARTICLE 15 CHANGE OF ASSIGNMENT

Permanent full-time employees in the Unit who received at least a competent rating on their last performance evaluation and who desire to be assigned to a different work location(s) in their department may submit a written request for such assignment listing the specific work location requested to their department's personnel office. For purposes of this Article, each hospital in the Department of Health Services shall be a department.

Requests submitted during the window period January 1 through January 31 will be granted priority status and will be addressed in seniority order. Requests for change of assignment submitted after January 31 shall be listed after the above requests in order of receipt. Each employee will be permitted to maintain 3 transfer requests on file. An employee transferred in accordance with this procedure may not submit a request for another new assignment until the next window period but will not be considered for voluntary transfer until a minimum of twelve (12) months have passed since the transfer. Management will submit to AFSCME, Local 119, a copy of all requests submitted during the window period.

When Management decides to fill a vacancy by transferring a current employee to such vacancy, Management shall review the requests for transfer currently on file. Management will then select one of the three (3) most senior qualified employees who would not need additional training. For purposes of this Article, seniority shall be defined as the total amount of continuous service in the classification and within the department. Management will notify AFSCME, Local 119, prior to filling any vacancy where a transfer request has been made.

Management shall provide AFSCME Local 119 a list of all work locations at all facilities where work is performed by employees represented by AFSCME, Local 119. During emergencies, the provisions of this Article shall be applied only to the degree practicable. When new facilities are instituted, the right to assignment changes under this Article shall be limited to the extent necessary to maintain an adequate, experienced work force in the remaining facilities.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental management regarding his work performance or conduct if such statement is to be placed in his personnel file. The employee shall acknowledge that he has read such material by affixing his signature on the copy to be filed, with the understanding that such signature merely signifies that he has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document would not be placed in the official file until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of the envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing his/her personnel file, may request and have any written warnings or reprimand(s) issued more than two (2) years prior removed from his/her personnel file except as such may be a part of an official permanent record.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will reference on such forms.

ARTICLE 17 PAYCHECK ERRORSA. Underpayments

1. If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's paycheck, a paycheck correction may be requested. Such request must be made to the appointing authority within two business days after receipt of the warrant. Otherwise, the correction shall be made in the next regularly issued warrant.
2. The Auditor-Controller will issue a corrected or supplemental warrant within three working days after receiving the request from the appointing authority.
3. Changes in salary resulting from step advances or changes in status are excluded from amounts which constitute paycheck errors for purposes of this Article.

B. Overpayments

1. Employees will be notified prior to the recovery of overpayments.
2. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller. Such recovery shall not exceed 15% per month of disposable income (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.

An employee may present his/her grievance to Management on County time. The middle management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance the middle management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

However, the department head or designate is not limited to denying a grievance for the reasons stated at any previous step in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination; nor

If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

Management hereby recognizes Local 2712, AFSCME as the certified majority representative of the employees in said Unit. The term "employee" or "employees" as used herein shall refer only to employees employed by County in said Unit as listed in Article 6, Salaries, as well as such classes as may be added hereafter by the Employee Relations Commission.

Members of Unit 721, not to exceed a total of six (6), whom, upon request of the Association, are excused from their regular assignment for the purpose of attending and/or participating in negotiating sessions shall suffer no loss of regular pay. Time lost from regularly scheduled work and spent in negotiations shall be computed as time worked for payroll purposes.

ARTICLE 2 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of the AFSCME and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 2712.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, gender, sexual orientation, age, national origin, political or religious opinions or affiliations, or handicapped status, or other non-merit factors as defined by the Civil Service Rule No. 25.

No employee shall be interfered with, intimidated, restrained, coerced or discriminated against because of the exercise of these rights.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions of Articles; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of date of ratification by County's Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2018. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 a.m. on September 30, 2021.

When mutually agreed to by the parties, and if a legitimate fiscal emergency exists, the MOU may be reopened on the issue of the third-year wage of the agreement.

The County agrees to reopen the salary related articles of the MOU if any bargaining unit in the County receives a higher general pay increase during the 2018-2021 term of this MOU.

Effective March 1, 1999, whenever any person employed as a Psychiatric Social Worker II (Item No. 9035) or Psychiatric Social Work Consultant (Item No. 9037) has been on the top step of the established salary range for Psychiatric Social Worker II (Item No. 9035) or Psychiatric Social Work Consultant (Item No. 9037) for at least one (1) year, he/she shall receive additional compensation of twelve (12) standards levels above the top step otherwise established for these classes.

The rate established by this provision shall constitute a base rate.

Section 2. Step Advances

- A. Full-time permanent employees in this unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.

- B. If no performance review is filed as defined in a. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

Where no Performance Evaluation is issued in accordance with Paragraph a. above, the employee may request his department in writing to issue a Performance Evaluation. The department head shall issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

An annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.

C. Grievances arising out of this section shall be processed as follows:

1. Where no Performance Evaluation has been issued in accordance with Paragraph b. above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his step anniversary date.

2. Where the department head issues a Performance Evaluation upon request of the Department of Human Resources, and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his step advance anniversary date.
3. Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten business days of issuance with the department head or his or her designated representative who shall respond to the grievance within ten business days.

Appeals from a department head decision shall be processed in accordance with Civil Service Rules.

- D. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this Section, the parties agree to meet and renegotiate this Section. In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

Section 3.

The parties having jointly reviewed and considered available salary and wage information data, agree that the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

ARTICLE 7 OVERTIMESection 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) hours in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. ' 201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.
- B. The County will pay employees for any overtime worked at a rate of one and one-half (1 1/2) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.
- C. An employee may request compensatory time off (CTO) in lieu of pay at a rate of one and one-half (1-1/2) hours off for each hour of overtime worked to a maximum of 48 hours on the books at any one time. To use compensatory time, an employee must submit a written request to the immediate supervisor at least five (5) working days prior to the first date requested to be off.

Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written

approval of departmental management. Subject to operational needs, management shall not unreasonably deny requests to use compensatory time which have been submitted pursuant to the above procedure.

Accrued compensatory time shall be paid prior to any promotions. Unless approved by management, employees may not accrue overtime hours which are worked during disaster periods or emergencies declared by the Board of Supervisors, local or federal government.

At the discretion of management, an employee may be paid for a portion or all of his/her CTO at any time.

D. Payoff of Special Deferred CTO

On or after August 1, 1995, at the employee's option, CTO earned during the period October 1, 1993 through and including June 30, 1994 and remaining on the books, may continue to be taken as time off, subject to Management approval, or may be converted to pay. An employee electing payment for any portion of his or her CTO accrual balance may submit a request and within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.

Section 2. Usage of Non-FLSA Earned Compensatory Time

- A. Employees shall not be directed by Management to take compensatory time off without at least ten (10) business days' notice or be denied a timely request to take such time off. Requests for time-off will be approved based on the needs of the service as determined by Management.

- B. With prior approval of departmental Management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 3. Distribution of Overtime

Management shall assign overtime work as equitably as possible among all employees in the same classification, work unit, and location. In the assignment of overtime under this provision, Management may consider special skills required to perform work.

ARTICLE 8 EMPLOYEE BENEFITS

The parties agree that the provisions of the Memorandum of Understanding between the County and the Coalition of County Unions, AFL-CIO, including Fringe Benefits, Mileage, and Retirement in effect during the term of this agreement shall apply to employees in the Unit.

ARTICLE 9 SPECIAL PAY PRACTICESSection 1. Evening and Night Shift Differential

Persons employed in classifications within this Bargaining Unit who are assigned to a regularly scheduled evening or night shift as defined in the County Code shall receive one dollar (\$1.00) per hour bonus for each hour worked during such shifts.

Section 2. Weekend Differential

All DHS employees in this bargaining unit who work a weekend shift as defined by County Code shall receive an additional \$2.25 per hour bonus for each eligible hour worked.

Effective October 1, 2018, all members of this bargaining unit in DMH who work a weekend shift as defined by County Code shall receive, in addition to any other relevant compensation in this Article an additional \$1.00 per hour for each eligible hour worked.

Section 3. Call-Back

Whenever an employee is unexpectedly ordered by his/her Department Head or designated Management representative to return to work following the termination of his/her normal work shift or normal workweek and departure from his/her work location, the employee shall receive a minimum payment of four hours' pay at the rate of time and one-half.

If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 4. Standby

- A. Effective upon Board of Supervisors approval of the MOU, persons whose regular assignment is within the Full Service Partnership Program and the Emergency Outreach and Triage Division (EOTD) including, Law Enforcement team, Psychiatric Mobile Response Team; Assisted Outpatient Treatment; School Threat Assessment Response Team, and any other newly created program developed throughout the term of this MOU, shall receive a \$2.50 per hour bonus, but not to exceed a maximum of \$500.00 per month (\$250.00 per pay period), for each hour such person is assigned to regularly scheduled standby periods which occur at off-duty times.

- B. Assignment to such standby service requires the prior annual authorization of the Chief Executive Officer, and payment of said bonus for standby service requires the finding of the Chief Executive Officer that such service meets the standards set forth above.

Section 5. Sheriff and Probation Detention Facilities

Effective October 1, 2013, any person employed in a full-time permanent position of Psychiatric Social Worker I (Item No. 9034), Psychiatric Social Worker II (Item No. 9035) or Mental Health Services Coordinator I (Item No. 8148), Mental Health Clinician I (Item No. 9029) and Mental Health Clinician II (Item No. 9030) who is permanently assigned to work, on a full-time basis in any Los Angeles County Sheriff's or Probation Detention Facility, shall receive, in addition to any other compensation in this Article \$100.00 per month (\$50.00 per pay period). Compensation pursuant to this Section does not constitute a base rate.

Effective October 1, 2019, any member of this unit who is permanently assigned to work, on a full-time basis in any Los Angeles County Sheriff or Probation Detention Facility, shall receive in addition to any other compensation in this Article \$150.00 per month (\$75.00 per pay period). Effective October 1, 2020, compensation for unit members permanently assigned to work Detention Facilities shall increase to \$180.00 per month (\$90.00 per pay period). Compensation pursuant to this section does not constitute a base rate.

Section 6. Assignment of Additional Responsibilities

Upon the employee's written request, any permanent, full-time employee shall be entitled to additional compensation for the performance of additional responsibilities which are assigned and recommended by the Department Head or designated Management representative and approved by the Chief Executive Office. The Department shall notify an employee in writing of the approval or denial of his/her written request within 45 business days of receipt of the request for the additional responsibilities bonus.

If an employee is placed in an assignment requiring the performance of additional responsibilities prior to the Department obtaining CEO approval, he/she shall be returned to an assignment in his/her own classification and notified of the action in writing.

To qualify for this additional compensation a full-time permanent employee must either:

1. Be assigned to a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically allocated to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class would not qualify for this additional compensation. The bonus for being assigned a special project or assignment shall be two standard salary schedules (approximately 5.5 percent);
or

2. Performs all the significant duties of a higher level class for which there is no vacant funded position. The bonus shall be two standard salary schedules (approximately 5.5 percent), unless the difference between the employee's class and the higher level class is less than two standard schedules. In this case, the bonus shall be the difference between the two classes.

The bonus provision in number 2 above does not apply to employees on short term higher level assignments of two weeks or less.

In no event shall an employee receive compensation pursuant to this section and receive out of class bonus pursuant to Article 15 (Out-of-Class Assignment) for the same assignment.

The additional compensation provided in this section shall not constitute a base rate.

Section 7. Bilingual Bonus

Effective April 1, 2001, each member of the Bargaining Unit who is certified by the County as proficient in a language other than English and who is using this skill on a continuing and frequent basis in order to meet the public service responsibility of the department, shall receive an additional bonus of 50.00 per month (\$25.00 per pay period), in accordance with County Code Section 6.10.140. This is in addition to any bilingual bonus monies agreed to in the Coalition of County Unions Fringe Benefits MOU.

Section 8. DHS Medically Qualified Bilingual Bonus Status

Within 180 days of Board of Supervisors' approval of this MOU, the Labor Management Transformation Committee agrees to convene a Work Group to discuss the creation and implementation of a two tiered "medically" qualified bilingual bonus for Department of Health Services employees providing cultural and linguistic appropriate services. Should all parties comprising said Work Group reach a consensus, the County agrees to present to the Chief Executive Officer for implementation. This language shall sunset at the end of the contract term on September 30, 2021.

Section 9. Service Pay Bonus

Effective October 1, 2019, all members of this unit who are permanently paired with Law Enforcement as part of their regular assignment, shall receive, in addition to any other relevant compensation in this Article, One Hundred Fifty Dollars (\$150.00) per month, (\$75.00 per pay period). Effective October 1, 2020, any members of this unit who are permanently paired with Law Enforcement as part of their regular assignment, shall receive in addition to any other relevant compensation in this Article, One Hundred Eighty Dollars (\$180.00) per month, (\$90.00 per pay period).

ARTICLE 10 PAYCHECK ERRORSA. Underpayments

1. If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's paycheck, a paycheck correction may be requested. Such request must be made to the appointing authority within two business days after receipt of the warrant. Otherwise, the correction shall be made in the next regularly issued warrant.
2. The appointing authority shall submit employee's paycheck correction request to the Auditor-Controller within two business days of receipt.
3. The Auditor-Controller will issue a corrected or supplemental warrant within three working days after receiving the request from the appointing authority.
4. Changes in salary resulting from step advances or changes in status are excluded from amounts which constitute paycheck errors for purposes of this Article.

B. Overpayments

1. Employees will be notified at least 30 days prior to the recovery of overpayments.

2. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller. Such recovery shall not exceed 15% per month of disposable earnings (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

AFSCME will cooperate by encouraging all employees to perform their work in a safe manner. Employees covered by Fair Labor Standards Act will not be placed on alternative work schedules that mandate the payment of overtime under the act.

Section 2. Work Shift

Employees shall be scheduled to work on regular work shifts having regular starting and quitting times. Except for emergencies (see Section 3) employee's work schedules shall not be changed without written notice to the employees at least ten working days before the change is to be implemented.

Section 3. Emergencies

Nothing herein shall limit the authority of the department head to make temporary assignments to different or additional locations, shifts, or work duties for the purpose of meeting emergencies. However, such emergency assignments shall not extend beyond the period of such emergency. An emergency condition is herein defined as an unforeseen happening requiring prompt action and is a crisis which is time limited.

Section 4. Transfers

A. Voluntary Transfers

Employees in this bargaining unit who wish to transfer to another work location may submit a written request to the Personnel Officer of that Department and have his/her name placed on a list to be kept by the Department for six months from the date of receipt.

It is understood that the request is for an available, vacant position in the same classification. The Department will consider the request when filling vacancies.

Management agrees to review transfer lists before assigning newly hired employees. Management will consider factors such as the employee's seniority, experience, academic training, professional skills and geographical location in making transfer decisions. The submission of a request to transfer to another work location does not obligate the employee to accept any actual offer of employment at that location. Further, the Department is not obligated to make an offer of employment to the employee by virtue of the employee having submitted a request. This section is not intended in any manner to limit Management's authority to select, in its judgment, the best, qualified individual for the position.

B. Involuntary Transfers

In the assignment of involuntary transfers, Management will consider several factors, such as the employee's seniority, experience, academic training, and skills; geographical location; and operational needs. Management will give at least ten (10) business days' advance written notice prior to a transfer.

Section 5. Reassignment/Involuntary Transfer within the Department of Health Services

- A. If the Department of Health Services determines that reassignments are necessary as a result of restructuring and/or workforce reductions, management shall first use pre-existing geographical preferences as expressed on the Employee Verification Notices. Employees will be assigned to vacancies within their classification based on geographic preference by County seniority. Employees may also be reassigned to vacancies within the same series that require the same qualifications and minimum requirements. This provision shall not be construed to entitle any employee to a promotion.

Section 6. Alternative Work Schedules

Management will consult with the Union prior to implementing or eliminating alternative work schedules, including, but not limited to, a four (4) - ten (10) hour work-day per week (4/10) schedule.

ARTICLE 14 CONSULTATION

- A. Upon request, County Management agrees to meet with representatives of the AFSCME Local 2712 for the sole purpose of consultation when conducting classification studies which could result in erosion of this bargaining unit.

All matters affecting employee relations, including those that are not subject to negotiations, are subject to consultation between Management representatives and the duly authorized Union representative. Every reasonable effort shall be made to have such consultation at least thirty (30) days prior to effecting basic changes in any rule or procedures affecting employee relations.

Management agrees to consult on request with AFSCME on matters related to professional standards and patient care, on changes in rules affecting conditions of employment, and on impact of County-wide classification studies of classes represented by this bargaining unit.

AFSCME agrees to work, cooperatively and jointly with the Department of Mental Health on the creation of a para-professional classification series.

- B. It is the intention of County Management to provide timely notification concerning classification studies, referenced in Paragraph A. of this Article, so that ample time exists prior to action by the Director of Personnel should this representation unit desire to request a consultation meeting.
- C. Management further agrees to consult on request with AFSCME Local 2712 on training, professional development, safety and health, and major organizational changes which impact on the working conditions of employees in this unit.
- D. All matters affecting employee relations, including those that are not subject to negotiations, are subject to consultation between Management representatives and the duly authorized Union representative. Every reasonable effort shall be made to have such consultation prior to effecting basic changes in any rule or procedures affecting employee relations.
- E. The parties will establish a Joint Labor/Management Committee to discuss proposed changes in the delivery of directly-operated mental health services, where such proposed changes will have a substantial impact on employees in this Bargaining Unit.

The Joint Labor/Management Committee shall consist of no more than four (4) Management representatives, and no more than twelve (12) employee representatives between Bargaining Units 721 and 724. Management representatives will be designated by the Department Head.

Employee representatives will be designated by the Union. During the term of this MOU, the Joint Labor-Management Committee shall meet, upon request of either party, at mutually agreeable times and locations. Management will accommodate requests by either unit to meet alone on standing JLMC meeting days.

The parties agree that the Committee may make advisory recommendations to Management for consideration.

- F. It is understood by the parties that the provisions of this Article do not waive rights provided for in the Los Angeles County Employee Relations Ordinance.

Health Reform and Integration Advisory Committee

The parties agree to establish a joint labor-management committee (titled the Reform and Integration Advisory Committee) to review the impact on conditions of employment resulting from health care reform and Health Agency integration on the Department of Mental Health (DMH), the County Health Agency, DHS, and DPH and make recommendations to management. Management from the County Health Agency, Health Services and Public Health will be invited to participate in the Advisory Committee meetings.

The Committee can make recommendations on how best to implement health care reform and integration. The Committee, which will be chaired by the County, will have a maximum of seven (7) members from Local 2712 and seven (7) members from Local 2712.

The Committee will meet once a month as necessary, at a time and place to be determined by the committee.

An agenda will be prepared in advance of each meeting. If there are topics on the agenda affecting any other department, a representative for labor, and a representative for management from that department will be invited to attend. Any party can add items to the agenda.

Management agrees to consult with the committee on new classifications or classification changes resulting from health care reform and integration.

Pursuant to the County's Employee Relations Ordinance, upon written request by the Union, County Management agrees to meet and confer with the union on negotiable subjects specifically related to DMH's, DHS's, and DPH's changes under health care reform and integration when such matters are not covered by Memoranda of Understanding, Civil Service Rules, or other laws, regulations, or agreements between the parties.

This section shall expire on September 30, 2021.

ARTICLE 15 OUT-OF-CLASS ASSIGNMENTSSection 1. Definitions

- A. For the purpose of this Article, an out-of-class assignment is the fulltime performance of all the significant duties of an allocated, vacant*, funded position in one class by an individual in another class.
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class.

This bonus is paid pursuant to the conditions described below.

* [For the purpose of this Article, vacancies due to leaves of absence shall be defined as in the County Code Section 6.20.110.]

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than 20 consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within 30 calendar days from the date of request for relief, no bonus under this Article is to be paid;

return the employee to an assignment in his/her own class. If such return is made within 30 calendar days of the request for relief, no bonus under this Article is to be paid; or

pay the employee the bonus from the date of request for relief and terminates when the conditions of this Article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.

- B. Nothing in this Article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training. Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this Article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.

- E. Grievances filed under this Article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 16 VACATION SCHEDULING

Vacation periods shall be scheduled by Management to provide adequate staffing. Such schedules shall be subject to the needs of County service.

Employees shall be entitled to take authorized vacations in accordance with the following procedures:

1. At least annually, Management shall prepare a vacation schedule for all employees in each work facility.
2. The employees with the greatest seniority will be given the opportunity to have first choice of his/her vacation schedule, with the other employees being given their choice of vacation schedules in descending order of seniority.
3. Having once made such a choice, no employee may change his/her vacation schedule if such change will conflict with the choice of any other employee in the facility or unless the affected employee and Management agree to such a change.
4. For the purpose of this Article, employees assigned to a facility after the annual vacation schedule has been prepared waive any seniority rights they may have had until the next annual vacation schedule is prepared.

5. For the purpose of this Article, seniority shall be defined as the total amount of continuous County service.
6. Management shall return ROTOS to employees within ten (10) business days of receipt.

ARTICLE 17 PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read and receive a copy, if requested, of any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee declines to sign, the supervisor shall note declines to sign on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's declining to sign. This paragraph shall not be subject to the grievance process unless the matter is unresolved within twenty (20) business days after notice to Human Resources.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document would not be placed in the official file until the grievance procedure or civil service appeal rights had been exhausted.

Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date will be two years from the date of issue of the documents in the sealed envelope. Upon the employee's request, the sealed envelope shall be removed from the personnel file and returned to the employee

On reviewing his/her personnel file, an employee may request and have any written warnings or reprimands issued more than two years prior removed from his/her personnel file except as such may be a part of an official permanent record.

If the department takes disciplinary action against an employee, the department, upon request of the employee, will furnish the employee copies of all documents or written statements used and/or referenced by the department as a basis for its action that are the property of or in the possession of the Department.

No non-work related material will be introduced into the file.

ARTICLE 18 EMPLOYEE LEAVESSection 1. Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Chief Executive Officer and by the department head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her physician, may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury.

Section 2. Bereavement Leave

Upon the employee's request and with approval by the department head, an employee may use the necessary portion of his/her available personal leave, vacation, or compensatory time off for the purpose of supplementing bereavement leave.

Section 3. Medical Leave

Pursuant to the Civil Service Rules, medical leaves without pay will be granted for the purpose of recovery from a prolonged illness or injury or to restore health, upon the employee's request, if, after submission of medical evidence satisfactory to the department head as establishing the employee's medical need, the department head determines that such leave would be in the best interests of the department and the County. Medical evidence shall be sent to the departmental return-to-work coordinator.

Section 4. Educational Leave

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, unpaid educational leaves may be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university. Bargaining unit members may elect to use non-sick benefit time during educational leave.

Section 5. Employee Organization Leave

AFSCME, Local 2712, may request up to two (2) employees in the Unit at the same time on leave of absence to work on union business. These leaves are subject to Civil Service Rules. The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct Union business as it is related to County functions.

AFSCME Local 2712 may request additional releases of employees to the Chief Executive Office. Said requests will be granted based on organizational needs.

The leave shall be without County pay or benefits of any kind, unless fully reimbursed by the union. Leaves shall generally be for a maximum of one year. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.
- D. This section shall not be subject to arbitration.

Section 7. Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will temporarily convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis. The employee will be returned to their usual work shift as soon as practicable upon completion of Jury or Witness service.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

ARTICLE 19 PROFESSIONAL DEVELOPMENT AND TRAINING

Management recognizes that the procedures and time limits at the facility for requesting participation in work related educational programs, seminars, and professional conferences on County time may vary.

Employees who are not required to complete Continuing Education Units to maintain a professional license may request County time for work related training. Management will distribute as equitably as possible among all employees in the same job assignment paid County time to attend conferences, workshops, seminars, or symposia, when and if management provides paid County time to any employees in such job assignment.

Requests for salary only training must be submitted for approval at least six (6) weeks prior to the commencement of the training. No later than ten (10) calendar days prior to the date of the training, Management shall inform the employee of approval or denial of the request.

The employee will be notified of the reasons for the denial of the training request. Management shall not be obligated to these time frames if the employee does not submit the request at least six (6) weeks prior to the commencement of the training.

Requests for salary only training for which the employee has received short notice (short notice defined as less than forty-two (42) calendar days) must be requested by the employee at least ten (10) calendar days prior to the date of the training.

Management shall inform the employee of approval or denial of the request at least five (5) calendar days prior to the date of the training. Management will distribute as equitably as possible among all employees in the same job assignment paid County time to attend conferences, workshops, seminars, or symposiums, when and if Management provides paid County time to any employees in such job assignment. Training requests shall not be denied on the basis of performance issues.

The parties agree jointly to recommend to the County's Board of Supervisors for adoption and implementation through amendment to applicable provisions of said Ordinance, that in addition to all provisions of the Los Angeles County Code, any person employed in a full-time permanent position of Mental Health Clinician I (Item No. 9029), Mental Health Clinician II (Item No. 9030), Psychiatric Social Worker I (Item No. 9034), Psychiatric Social Worker II (Item 9035), or Psychiatric Social Work Consultant (Item No. 9037) may, subject to departmental staffing consideration, during the term of this contract, be allowed time off from work at regular pay for twenty-four (24) hours per year throughout the term of this contract to attend mandatory continuing education, licensure or recertification programs.

It is agreed that sixteen (16) hours of the twenty-four (24) hours per year may include pre-approved home study courses to fulfill mandatory continuing education requirements for licensure. Additionally, if the needs of the service are not negatively impacted, the Department of Mental Health and the Department of Health Services shall make every effort to adjust the employee's schedule for that workweek to include attendance at approved continuing education programs when such training falls on a Saturday and/or Sunday, or regular day off or at a time that is outside of regular work hours.

Notwithstanding the above provisions and pursuant to Civil Service Rules where paid leave time is not available to all employees desiring to attend a work-related program, subject to departmental criteria, the employee may (a) use accrued leave time or (b) use up to two days of leave without pay per year for such attendance. In all instances, provisions of this Article will be subject to departmental staffing considerations.

ARTICLE 21 PARKING

The Coalition of County Unions will negotiate over Management proposals to increase average vehicle ridership (AVR) pursuant to regulations of the Air Quality Management District (AQMD). Upon completion of those negotiations, all other parking provisions contained herein shall cease to apply to employees in this bargaining unit. Completion of negotiations means (1) agreement or (2) exhaustion of the impasse procedures established by the Employee Relations Commission (ERCOM) or 120 calendar days from commencement of negotiations whichever occurs first.

County will continue to make every reasonable effort to provide free parking facilities for employees who regularly find it necessary to use their own vehicle for transportation to their work locations.

ARTICLE 22 PROMOTIONSSection 1.

Upon the employee's request, Management shall discuss with the employee the reason(s) he/she was not selected for a promotion if the employee ranked higher on the eligible list than the employee who was appointed. For informational purposes only, employees are advised that, under the Los Angeles County Civil Service Rules, eligible lists are available for public inspection.

For the purpose of this Article, promotion shall be defined as advancement to a position of higher rank or grade involving an increase in pay.

To facilitate the continued implementation of affirmative action, equal promotional opportunities shall be offered to all qualified members of this bargaining unit when such opportunities are available.

Section 2.

The County agrees to provide the Local President with copies of all promotional examination bulletins for classes in the bargaining Unit.

7. The AFSCME has the right to be present at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of this Memorandum of Understanding. 8. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. AFSCME may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

ARTICLE 24 GRIEVANCES GENERAL-IN-CHARACTER

In order to provide an effective mechanism whereby disagreements between AFSCME and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon.

- A. Within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from its knowledge of such an occurrence, where AFSCME has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, AFSCME may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the department heads involved and to the Chief Executive Officer.

Such written request shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought. Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved; AFSCME shall have the right to meet the principal representative(s) of the County who have authority to resolve the matter.

For purposes of this provision, Management's principal representative(s) shall mean the County department heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his authorized representative.

Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to AFSCME in writing setting forth Management's decision. The parties may waive any time limits established in this Article, including the time for the response, by mutual agreement.

- C. Within thirty (30) business days after receipt of a response to the meeting provided in (B) above, or from the conclusion of grievance mediation as provided in this MOU, whichever is applicable if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 7, Subsection 2 of Article 23, the disagreement may be submitted to arbitration in accordance with the provisions of Section 7 of Article 23 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 23 of this Memorandum of

Understanding. Instead, this Article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees.

Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the Grievance Procedure set forth in Article 23 hereof.

ARTICLE 25 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 23, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 23, Section 7, can be submitted to grievance mediation. Both Local 2712 and Management must mutually agree to submit a qualifying grievance to grievance mediation.

After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 2712 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance.

An offer to participate in mediation shall be made to the other party within thirty (30) business days of issuance or receipt of a decision at the final level of the grievance procedure. The party receiving the request for mediation shall respond to the requestor's offer of mediation within thirty (30) business days of receiving the request. The timelines may be waived by mutual agreement.

3. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.

5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 2712, and the grievant. The final agreement shall be binding on all parties.

Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 26 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 7, Arbitration, of Article 23, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination; nor
 - C. The interpretation, application, merits or legality of the rules or regulations of the department head, the Chief Executive Officer, or any other County department, agency, or commission, unless the arbitrator, in his discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
4. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
- A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel, and 3) there will be no post hearing briefs.
5. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his selection and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
 6. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
 7. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
 8. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of the Memorandum of Understanding.
 9. The decision of the arbitration shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County.

If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

10. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
11. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:
 - Recognition
 - Non-Discrimination
 - Implementation
 - Term
 - Renegotiation
 - Safety and Health
 - Payroll Deductions and Dues
 - Leave of Absence for Union Business
 - Authorized Agents
 - Provisions of Law

When required to leave his/her work location to investigate or process a grievance, the AFSCME representative shall report to his/her immediate supervisor and advise him/her of his/her intent.

Permission to leave will be granted by the supervisor promptly unless the absence will cause a hardship upon the department which could not be alleviated without the representative's continued presence. In such case, the representative will be advised of an alternate time as soon as possible. Upon completion of the investigation or processing of the grievance, the representative will report back to his immediate supervisor whose responsibility it shall be to note the time of leaving and return to the department. Upon arriving at another work location, the representative shall inform the concerned supervisor of his/her presence and the reason therefore. Said supervisor will grant the employee involved Permission to leave the job promptly, unless the employee's absence from the work location would cause a hardship upon the department. Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2. Security Clause

Any employees in this Unit who have authorized Union dues deductions on the effective date of this agreement or at any time subsequent to the effective date of this agreement shall continue to have such dues deduction made by the County during the term of this agreement; provided, however, that any employee in the Unit may terminate such Union dues during the period December 15 through December 31, in each year of this MOU, by notifying the Union of their termination of Union dues deduction. Such notice and procedures shall be provided to non-members Agency Fee payers in each year that the Agency Shop agreement is in effect.

F. Implementation

The employee list shall contain the name, employee number, classification title, item number, item sub, item step salary rate, department, time base, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by this Memorandum of Understanding.

Nothing herein shall be deemed to require the provision of such defense where the discretion to provide or not provide such defense is vested in County pursuant to the provisions of the California Government Code, or where the act or omission was not within the scope of the employee's employment, or the employee acted or failed to act because of actual fraud, corruption, or actual malice, or where the provision of such defense would create a conflict of interest between County and the employee.

Nothing herein shall be construed to grant to any employee any rights or privileges in addition to, or less than those provided in the said Government Code.

ARTICLE 32 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither AFSCME nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 33 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

- A. It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. This Article is not intended to negate or eliminate past practice as a factor establishing agreement in practice between the parties.
- B. It is the Intent of the parties that this Memorandum of Understanding be administered in its entirety in good faith during its full term. It is recognized that during such term it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit. Where Management finds it necessary to make such change, it shall notify AFSCME Local 2712 indicating the proposed change prior to its implementation. Nothing herein shall limit the authority of Management to make necessary changes during emergencies or when required to do so by law. Management shall notify AFSCME Local 2712 of changes resulting from emergent or legal requirements as soon as practicable. AFSCME Local 2712 shall notify Management within ten (10) working days from the receipt of such notice if it desires to consult with Management. Nothing contained herein shall prevent the Union from grieving the effect of such change in accordance with the grievance procedure contained herein. Failure by AFSCME Local to request consultation, pursuant to Paragraph B, shall not be deemed as approval of any action taken by the County.

- C. Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any other matters within the scope of negotiations, during the term of the Memorandum of Understanding.
- D. Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, approved and implemented by County's Board of Supervisors.
- E. The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 34 MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty, as for example by work furloughs because of lack of work or for other legitimate reasons, and determine the methods, means and personnel by which the County's operations are to be conducted; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 35 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a Request for Proposal or other contract solicitation documents are approved and issued, the Employee Relations Division of the Chief Executive Office will arrange to meet with representatives of the Union to advise and consult them of this action within five (5) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement. Management acknowledges an obligation to negotiate the impact on wages, hours, and working conditions of the employees in this bargaining unit insofar as such subjects have not already been negotiated.

ARTICLE 36 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission or similar independent commissions of the County. If any part or provisions of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 3 IMPLEMENTATION

The County agrees to reopen the salary related articles of the MOU if any bargaining unit in the County receives a higher general pay increase during the 2018-2021 term of this MOU.

Effective March 1, 1999, whenever any person employed as a Mental Health Clinical Supervisor (Item No. 9038), Assistant Chief, Psychiatric Social Work (Item No. 9041) or Head Psychiatric Social Worker (Item No. 9040) has been on the top step of the established salary range for Supervising Psychiatric Social Worker (Item No. 9038), Assistant Chief, Psychiatric Social Work (Item No. 9041) or Head Psychiatric Social Worker (Item No. 9040) for at least one (1) year, he/she shall receive additional compensation of twelve (12) standard levels above the top step otherwise established for these classes.

The rate established by this provision shall constitute a base rate.

Section 2. Step Advances

- A. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better performance evaluation has been filed by the employee's department head.

The performance evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.

- B. If no performance review is filed as defined in A. above or if an employee receives an improvement needed performance evaluation, the employee's step advance will not be granted on the date due.

Where no performance evaluation is issued in accordance with Paragraph A above, the employee may request his department head in writing to issue a performance evaluation. The department head shall issue a performance evaluation within five (5) days of the employee request. If said evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

- C. Grievances arising out of this Section shall be processed as follows:

- 1. Where no performance evaluation has been issued in accordance with Paragraph B. above, the employee may file a grievance with the Department of Human Resources. If the Department of Human Resources fails to obtain issuance of such performance evaluation within ten (10) days after the grievance is filed with the Department of Human Resources, the employee shall be deemed competent and the step advance shall be processed within thirty (30) days effective to his step advance anniversary date.

2. Where the department head issues a performance evaluation upon request of the Department of Human Resources and said performance, evaluation is competent or better, the employee shall be provided a step advance within thirty (30) days effective to his step advance anniversary date.
3. Grievance based on an improvement needed performance evaluation shall be filed within ten (10) days of issuance with the department head or his designated representative who shall respond to the grievance within ten (10) days.

Appeals from a department head decision shall be processed in accordance with Civil Service Commission Rules.

- D. During the term of this agreement should any changes be made in the existing categories of performance evaluation which adversely impacts the application of this Section, the parties agree to meet and renegotiate this Section.

In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of performance evaluations.

Section 3.

The parties having jointly reviewed and considered available salary and wage information data, agree that the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

ARTICLE 7 OVERTIMESection 1. Compensation

The parties agree to jointly recommend to the County's Board of Supervisors that overtime shall be compensated as follows:

- A. The County will pay overtime for all hours worked in excess of forty (40) hours in one week. "Hours worked" will be calculated as provided for by the Fair Labor Standards Act, 29 U.S.C. ' 201, et seq. Hours worked do not include time for which persons are compensated but do not actually work, including but not limited to, sick leave and vacation pay, with the exception that hours paid during a workweek for a regular County holiday will be counted in calculating hours worked for overtime purposes.
- B. The County will pay employees for any overtime worked at a rate of one and one-half (1-1/2) times his/her regular rate of pay. Regular rate of pay shall be calculated as provided for by the Fair Labor Standards Act.
- C. An employee may request compensatory time off (CTO) in lieu of pay at a rate of one and one-half (1-1/2) hours off for each hour of overtime worked to a maximum of 40 hours on the books at any one time. To use compensatory time, an employee must submit a written request to the immediate supervisor at least five (5) working days prior to the first date requested to be off.

Such accumulated compensatory time may be taken off subject to staffing requirements and with prior written approval of departmental management. Subject to operational needs, management shall not unreasonably deny requests to use compensatory time which have been submitted pursuant to the above procedure.

Accrued compensatory time shall be paid prior to any promotions. Unless approved by management, employees may not accrue overtime hours which are worked during disaster periods or emergencies declared by the Board of Supervisors, local or federal government.

At the discretion of management, an employee may be paid for a portion or all of his/her CTO at any time.

D. Payoff of Special Deferred CTO

On or after August 1, 1995, at the employee's option, CTO earned during the period October 1, 1993 through and including June 30, 1994 and remaining on the books, may continue to be taken as time off, subject to Management approval, or may be converted to pay. An employee electing payment for any portion of his or her CTO accrual balance may submit a request and within forty-five (45) days of that request, shall be paid at the rate of pay then in effect for the employee.

Section 2. Usage of Non-FLSA Earned Compensatory Time

- A. Employees shall not be directed by Management to take compensatory time off without at least ten (10) business days' notice or be denied a timely request to take such time off. Requests for time-off will be approved based on the needs of the service as determined by Management.

- B. With prior approval of departmental Management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

ARTICLE 8 EMPLOYEE BENEFITS

The parties agree that the provisions of the Memorandum of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and the Coalition of County Unions, AFL-CIO in effect during the term of this agreement shall apply to employees in the Unit.

ARTICLE 9 SPECIAL PAY PRACTICESSection 1. Evening and Night Shift Differential

Effective October 1, 2017, persons employed in classifications within this Bargaining Unit who are assigned to a regularly scheduled evening or night shift as defined in the County Code shall receive a \$1.00 per hour bonus for each hour worked during such shift.

Section 2. Weekend Differential

Effective upon Board of Supervisors approval, all employees of this bargaining unit who work a weekend shift as defined by County Code and whose regular assignments are within a Sheriffs facility shall receive an additional \$2.25 per hour bonus for each eligible hour worked.

Effective October 1, 2018, all members of this unit in DMH who work a weekend shift as defined by County Code shall receive, in addition to any other relevant compensation in this Article an additional \$1.00 per hour bonus for each eligible hour worked.

Section 3. Call-Back

Whenever an employee is unexpectedly ordered by his/her Department Head or designated Management representative to return to work following the termination of his/her normal work shift or normal workweek and departure from his/her work location, the employee shall receive a minimum payment of four hours' pay at the rate of time and one-half.

If an employee should complete work required, leave the work location and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half (1-1/2) as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his/her normal shift starting time, this shall be considered an early shift start and not a call back.

Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 4. Standby

- A. Employees in this unit employed as Mental Health Clinical Supervisor (Item No. 9038), and whose regular assignment is within the Full Service Partnership and the Emergency Outreach and Triage Division (EOTD) including, Law Enforcement Team; Psychiatric Mobile Response Team; Assisted Outpatient Treatment; School Threat Assessment Response Team, and any other newly created program developed throughout the term of this MOU, shall receive a \$2.50 per hour bonus, but not to exceed a maximum of \$500.00 per month (\$250.00 per pay period), for each hour such person is assigned to regularly scheduled standby periods which occur at off-duty times.

- B. Assignment to such standby service requires the prior annual authorization of the Chief Executive Officer, and payment of said bonus for standby service requires the finding of the Chief Executive Officer that such service meets the standards set forth above.

Section 5. Sheriff and Probation Detention Facility

Effective April 1, 2001, any person employed in a full-time permanent position of Clinical Social Work Supervisor I (Item No. 9014), Clinical Social Work Supervisor II, (Item No. 9015) or Mental Health Clinical Supervisor (Item No. 9038), who is permanently assigned to work, on a full-time basis in any Los Angeles County Sheriff and Probation Detention Facility, shall receive, in addition to any other compensation in this Article, \$100.00 per month (\$50.00 per pay period). Compensation pursuant to this Section does not constitute a base rate.

Effective October 1, 2019, any member of this unit who is permanently assigned to work, on a full-time basis in any Los Angeles County Sheriff's or Probation Detention Facility, shall receive in addition to any other relevant compensation in this Article, One Hundred Fifty Dollars (\$150.00) per month, (\$75.00 per pay period). Effective October 1, 2020, any member of this unit who is permanently assigned to work, on a full-time basis in any Los Angeles County Sheriff's or Probation Detention Facility, shall receive, in addition to any other relevant compensation in this Article, One Hundred Eighty Dollars (\$180.00) per month, (\$90.00 per pay period).

Section 6. Assignment of Additional Responsibilities

Upon the employee's written request, any permanent, full-time employee shall be entitled to additional compensation for the performance of additional responsibilities which are assigned and recommended by the Department Head or designated Management representative and approved by the Chief Executive Office. The Department shall notify an employee in writing of the approval or denial of his/her written request within 45 business days of receipt of the request for the additional responsibilities bonus.

If an employee is placed in an assignment requiring the performance of additional responsibilities prior to the Department obtaining CEO approval, he/she shall be returned to an assignment in his/her own classification and notified of the action in writing.

To qualify for this additional compensation a full-time permanent employee must either:

1. Be assigned to a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically allocated to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class would not qualify for this additional compensation. The bonus for being assigned a special project or assignment shall be two standard salary schedules (approximately 5.5 percent);
or

2. Performs all the significant duties of a higher-level class for which there is no vacant funded position. The bonus shall be two standard salary schedules (approximately 5.5 percent), unless the difference between the employee's class and the higher-level class is less than two standard schedules. In this case, the bonus shall be the difference between the two classes.

The bonus provision of paragraph 2, above, does not apply to employees on short term higher level assignments of two weeks or less.

In no event shall an employee receive compensation pursuant to this section and receive out of class bonus pursuant to Article 15 (Out-of-Class Assignment) for the same assignment.

The additional compensation provided in this section shall not constitute a base rate.

Section 7.

Effective April 1, 2001, each member of the Bargaining Unit who is certified by the County as proficient in a language other than English and who is using this skill on a continuing and frequent basis in order to meet the public service responsibility of the department, shall receive an additional bonus of \$50.00 per month (\$25.00 per pay period), in accordance with County Code Section 6.10.140. This is in addition to any bilingual bonus monies agreed to in the Coalition of County Unions Fringe Benefits MOU.

Section 8. DHS Medically Qualified Bilingual Bonus Status

Within 180 days of Board of Supervisors' approval of this MOU, the Labor Management Transformation Committee agrees to convene a Work Group to discuss the creation and implementation of a two tiered "medically" qualified bilingual bonus for Department of Health Services employees providing cultural and linguistic appropriate services. Should all parties comprising said Work Group reach a consensus, the County agrees to present to the Chief Executive Officer for implementation. This language shall sunset at the end of the contract term on September 30, 2021.

Section 9. Service Pay Bonus

Effective October 1, 2019, all members of this unit who are permanently assigned to supervise staff paired with Law Enforcement as part of their regular assignment, shall receive, in addition to any other relevant compensation in this Article, One Hundred Fifty Dollars (\$150.00) per month, (\$75.00 per pay period). Effective October 1, 2020, any member of this unit who are permanently assigned to supervise staff paired with Law Enforcement as part of their regular assignment, shall receive in addition to any other relevant compensation in this Article, One Hundred Eighty Dollars (\$180.00) per month, (\$90.00 per pay period).

ARTICLE 10 PAYCHECK ERRORSSection 1. Underpayments

- A. If an underpayment of 10% of base monthly pay (5% of base monthly pay if paid twice a month) or \$100, whichever is least, occurs in an employee's pay check, a pay check correction may be requested. Such request must be made to the appointing authority within two (2) business days after receipt of the warrant. Otherwise, the correction shall be made in the next regularly issued warrant.
- B. The Auditor-Controller will issue a corrected or supplemental warrant within three (3) working days after receiving the request from the appointing authority.
- C. Changes in salary resulting from step advances or changes in status are excluded from amounts which constitute pay check errors for purposes of this Article.

Section 2. Overpayments

- A. Employees will be notified prior to the recovery of overpayments.
- B. Recovery of more than 15% of net pay will be subject to a repayment schedule established by the appointing authority under guidelines issued by the Auditor-Controller. Such recovery shall not exceed 15% per month of disposable earnings (as defined by State law), except, however, that a mutually agreed-upon acceleration provision may permit faster recovery.

ARTICLE 11 BULLETIN BOARDS

Management agrees to furnish dedicated bulletin board space to AFSCME, Local 3511, the size, number, and location to be jointly determined by departmental Management and the AFSCME. The boards shall be used only for posting the following information:

It is the duty of Management to make every reasonable effort to provide and maintain a safe place of employment, including restrooms. AFSCME will cooperate by encouraging all employees to perform their work in a safe manner. It is the duty of all employees in the course of performing their regularly assigned duties to be alert to unsafe practices, equipment and conditions and to report any such unsafe practices, or conditions to their immediate supervisors. If such condition cannot be satisfactorily remedied by the immediate supervisor, the employee has the right to submit the matter in writing either personally or through his AFSCME Advocate to the local facility safety officer or the departmental safety officer, if there is no local safety officer.

On any matter of safety that is not resolved by the safety officer within a reasonable period of time, the AFSCME Advocate may confer with the safety officer who will respond in writing.

The parties agree to establish a joint labor-management committee (titled the Healthcare Reform and Integration Advisory Committee) to review the impact on conditions of employment resulting from health care reform and Health Agency integration on the Department of Mental Health (DMH), the County Health Agency, DHS, and DPH and make recommendations to management. Management from the County Health Agency, Health Services and Public Health will be invited to participate in the Advisory Committee meetings.

Management agrees to consult with the committee on new classifications or classification changes resulting from health care reform and integration.

Pursuant to the County's Employee Relations Ordinance, upon written request by the Union, County Management agrees to meet and confer with the union on negotiable subjects specifically related to DMH's, DHS' and DPH's changes under health care reform and integration when such matters are not covered by Memoranda of Understanding, Civil Service Rules, or other laws, regulations, or agreements between the parties.

This bonus is paid pursuant to the conditions described below.

Section 2. Conditions

- A. If an employee is assigned to an out-of-class assignment for more than 20 consecutive working days, Management shall upon the employee's or Union's written request for relief either:

 3. Pay the employee the bonus from the date of request for relief and terminates when the conditions of this Article are no longer met.
 4. This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.
- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.

- B. Nothing in this Article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training. 2. The employees with the greatest seniority will be given the opportunity to have first choice of his/her vacation schedule, with the other employees being given their choice of vacation schedules in descending order of seniority.
3. Having once made such a choice, no employee may change his/her vacation schedule if such change will conflict with the choice of any other employee in the facility or unless the affected employee and Management agree to such a change.
4. For the purpose of this Article, employees assigned to a facility after the annual vacation schedule has been prepared waive any seniority rights they may have had until the next annual vacation schedule is prepared.

5. For the purpose of this Article, seniority shall be defined as the total amount of continuous County service.
6. Management shall return ROTOS to employees within ten (10) business days of receipt.

ARTICLE 17 PERSONNEL FILES

An employee, or his/her certified representative, with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired. A reasonable number of employee reviews can occur on County time.

An employee shall be advised of, and entitled to read, and receive a copy if requested, all written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee declines to sign, the supervisor shall note declines to sign on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's declining to sign. This paragraph shall not be subject to the grievance process unless the matter is unresolved within twenty (20) business days after notice to Human Resources.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document will not be placed in the official file until the grievance procedure or civil service appeal rights have been exhausted.

Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date will be two years from the date of issue of the document in the sealed envelope. Upon the employee's request, the sealed envelope shall be removed from the personnel file and returned to the employee.

On reviewing his/her personnel file, an employee may request and have any written warnings or reprimands issued more than two years prior removed from his/her personnel file except as such may be a part of an official permanent record.

If the department takes disciplinary action against an employee, the department, upon request of the employee, will furnish the employee copies of any documents or written statements used and/or referenced by the department as a basis for its action that are the property of or in possession of the Department.

No non-related work material will be introduced into the file.

Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Chief Executive Officer and by the department head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her physician, may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury.

Section 2. Bereavement Leave

Upon the employee's request and with prior approval by the department head, an employee may use the necessary portion of his/her available personal leave, vacation, or compensatory time off for the purpose of supplementing bereavement leave.

Section 3. Medical Leave

Pursuant to the Civil Service Rules, medical leaves without pay will be granted for the purpose of recovery from a prolonged illness or injury or to restore health, upon the employee's request, if, after submission of medical evidence satisfactory to the department head as establishing the employee's medical need, the department head determines that such leave would be in the best interests of the department and the County. Medical evidence shall be sent to the departmental return-to-work coordinator.

Section 4. Educational Leave

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, unpaid educational leaves may be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university. Bargaining unit members may elect to use non-sick benefit time during educational leave.

Section 5. Employee Organization Leave

AFSCME Local 3511 may request up to two (2) employees in the Unit at the same time on leave of absence to work on union business. These leaves are subject to Civil Service Rules. The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct Union business as it is related to County functions.

AFSCME Local 3511 may request additional releases of employees to the Chief Executive Office. Said requests will be granted based on organizational needs.

The leave shall be without County pay or benefits of any kind, unless fully reimbursed by the union. Leaves shall generally be for a maximum of one year. An individual employee's leave may be extended at the discretion of management. Except by mutual agreement, no more than one (1) employee shall be on such leave from any given service area. Employees on such leave will have their performance evaluation reflect that they were on an authorized organizational leave.

Management agrees to release AFSCME Officers to conduct Union business related to County services up to twenty-four (24) hours quarterly on County time. The release time shall be granted by management on a case-by-case basis and shall be based on the needs of the operation.

"Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State Law, except that a domestic partner and their children may qualify an employee as eligible for FMLA/CFRA".

- B. The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.

- C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.

- D. This section shall not be subject to arbitration.

Section 7. Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will temporarily convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis. The employee will be returned to their usual work shift as soon as practicable upon completion of Jury or Witness service.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

ARTICLE 19 PROFESSIONAL DEVELOPMENT AND TRAINING

Management recognizes that the procedures and time limits at the facility for requesting participation in work related educational programs, seminars, and professional conferences on County time may vary.

Employees who are not required to complete Continuing Education Units to maintain a professional license may request County time for work related training. Management will distribute as equitably as possible among all employees in the same job assignment paid County time to attend conferences, workshops, seminars, or symposia, when and if management provides paid County time to any employees in such job assignment.

Requests for salary-only training must be submitted for approval at least six (6) weeks prior to the commencement of the training. No later than ten (10) calendar days prior to the date of the training, Management shall inform the employee of approval or denial of the request. The employee will be notified of the reasons for the denial of the training request. Management shall not be obligated to these time frames if the employee does not submit the request at least six (6) weeks prior to the commencement of the training.

Requests for salary only training for which the employee has received short notice (short notice defined as less than forty-two (42) calendar days) must be requested by the employee at least ten (10) calendar days prior to the date of the training. Management shall inform the employee of approval or denial of the request at least five (5) calendar days prior to the date of the training.

Management shall not be obligated to these time frames if the employee does not submit the request at least ten (10) calendar days prior to the commencement of the training.

ARTICLE 20 MANDATORY CONTINUING EDUCATION

Management recognizes the importance of continued education for employees in this Unit and will give reasonable consideration to employee requests for participation in available work-related educational programs, seminars, professional conferences and professional meetings, on county time.

Management will distribute as equitably as possible among all employees in the same job assignment paid County time to attend conferences, workshops, seminars, or symposiums, when and if Management provides paid County time to any employees in such job assignment.

The parties agree jointly to recommend to the County's Board of Supervisors for adoption and implementation through amendment to applicable provisions of said Ordinance, that in addition to all provisions of the Los Angeles County Code, any person employed in a full-time permanent position of Mental Health Clinical Supervisor (Item No. 9038), Assistant Chief, Psychiatric Social Work (Item No. 9041), Head Psychiatric Social Worker (Item No. 9040), Clinical Social Work Supervisor I (Item No. 9014), and Clinical Social Work Supervisor II (Item No. 9015) may, subject to departmental staffing consideration, during the term of this contract, be allowed time off from work at regular pay for twenty-four (24) hours per year throughout the term of this contract to attend mandatory continuing education, licensure or recertification programs.

It is agreed that twelve (12) hours of the twenty-four (24) hours per year may include pre-approved home study courses to fulfill mandatory continuing education requirements for licensure. Additionally, if the needs of the service are not negatively impacted, the Department of Mental Health and the Department of Health Services shall make every effort to adjust the employee's schedule for that workweek to include attendance at approved continuing education programs when such training falls on a Saturday and/or Sunday, or regular day off or at a time that is outside of regular work hours.

Notwithstanding the above provisions and pursuant to Civil Service Rules where paid leave time is not available to all employees desiring to attend a work-related program, subject to departmental criteria, the employee may (a) use accrued leave time or (b) use up to two days of leave without pay per year for such attendance. In all instances, provisions of this Article will be subject to departmental staffing considerations.

ARTICLE 21 PARKINGSection 1.

County will continue to make every reasonable effort to provide free parking facilities for employees who regularly find it necessary to use their own vehicle for transportation to work location.

Section 2.

The Coalition of County Unions will negotiate over Management proposals to increase average vehicle ridership (AVR) pursuant to regulations of the Air Quality Management District (AQMD). Upon completion of those negotiations, all other parking provisions contained herein shall cease to apply to employees in this bargaining unit. Completion of negotiations means (1) agreement or (2) exhaustion of the impasse procedures established by the Employee Relations Commission (ERCOM) or 120 calendar days from commencement of negotiations, whichever comes first.

ARTICLE 22 PROMOTIONS

The County agrees to provide the Local President with copies of all promotional examination bulletins for classes in the bargaining Unit.

ARTICLE 23 GRIEVANCE PROCEDURESection 1. Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of the grievances without discrimination, coercion, restraint, or reprisal against any employee who may submit or be involved in a grievance.

Section 2. Definitions

2. "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules or regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between the employee and his/her immediate supervisor.
3. "Days" means calendar days exclusive of Saturdays, Sundays, or legal holidays.

Section 3. Responsibilities

1. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.  - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and
 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this Article may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall automatically be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.

Section 5. General Provisions

1. An employee involved in the processing of his/her grievance may do so without loss of compensation provided that he/she accomplishes all phases of preparation and presentation in a reasonable and expeditious manner.
2. An employee has the right to the assistance of a representative in the preparation of his/her written grievance, and to represent him/her in formal grievance meetings.

4. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent himself/herself from his/her duties to attend a grievance meeting.
5. A County employee selected as a representative in a grievance shall not receive compensation from Los Angeles County for any time spent investigating or processing the grievance unless the employee's name is supplied to Management as required in Article 28.

6. If the employee elects to be represented by any person in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.
7. The AFSCME has the right to be present at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of this Memorandum of Understanding.
8. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6. Procedure

1. Informal Complaint

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his knowledge of such occurrence, an employee shall discuss his/her complaint in a meeting with his/her immediate supervisor.

- B. Within ten (10) business days from the day of the discussion with the employee, his/her immediate supervisor shall verbally reply to the employee's complaint.

2. Grievance

- A. Within ten (10) business days from receipt or failure to receive his/her supervisor's decision, an employee, not satisfied, may file a formal written grievance.
- B. Within ten (10) business days from receipt of the grievance, the first level Management representative shall meet with the parties involved and shall give a written decision to the employee using the original copy of the grievance.

Step 2 - Middle Level Management

- A. Within ten (10) business days from his/her receipt of the written decision at level one and using the returned original copy of the grievance form, the employee may appeal to the middle level Management representative.

The middle level Management representative shall meet with the first level Management representative and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle level Management representative shall give a written decision to the employee using the original copy of the grievance.

Step 3 - Upper Level Management

- A. Within ten (10) business days from the receipt of the decision at level two, the employee may appeal to the upper level Management representative using the original copy of the grievance.
- B. Within ten (10) business days from the receipt of the employee's grievance, the upper level Management representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance and meet with the parties involved. He/she shall then render a written decision to the employee within five (5) business days of the holding of the meeting.
- C. If the upper level Management representative fails to give a decision at the third level within the specified time limits, AFSCME shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that do not directly concern or involve the interpretation or application of the specified terms and provisions of the Memorandum of Understanding, the written decision of the upper level Management representative shall be final.

Section 7. Arbitration

1. Within thirty (30) business days from the receipt of the written decision of the upper level Management representative or at the conclusion of grievance mediation as contained in this MOU, whichever is applicable, AFSCME may request that the grievance be submitted to arbitration as provided for hereinafter.

2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances, adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

 - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Commission Rules, nor matters under the jurisdiction of said Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including but not limited to, discharge, reductions, and discrimination; nor

- C. The interpretation, application, merits, or legality of the rules or regulations of the department head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
 - D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986.
3. In the event AFSCME desires to request that a grievance, which meets the requirements of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission with a copy thereof simultaneously transmitted to County's Office of Human Resources, Chief Executive Office and to the County Department Head or Officer affected, which written request shall:
- A. Set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.

Upon receipt of the Employee Relations Commission panel, the parties shall alternately strike one name each from the panel and the last name left will be appointed as the arbitrator in the case by the Employee Relations Commission.
 - C. Arbitration procedures conducted under the authority of this article shall be held at an appropriate location in the County Hall of Administration except when another location is mutually agreed upon by the parties to the case.
- 4. Arbitration of grievances hereunder will be limited to the formal grievances as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration.

The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

5. Prior to a hearing by an arbitrator, a representative of the County and AFSCME shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and AFSCME cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.
6. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
7. The decision of the arbitrator shall be binding upon AFSCME. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

ARTICLE 24 GRIEVANCES GENERAL-IN-CHARACTER

In order to provide an effective mechanism whereby disagreements between Local 3511 and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the Unit may be effectively resolved, the following procedures are agreed upon:

- A. Within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from its knowledge of such an occurrence where Local 3511 has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, Local 3511 may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the department heads involved and to the Chief Executive Officer. Such written request shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B. Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, Local 3511 shall have the right to meet with the principal representative(s) of the County who have authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County department heads who have authority to resolve the matter or their authorized representatives, including the Chief Executive Officer or his authorized representative.
- C. Within thirty (30) business days after the meeting provided in B. above, or from the conclusion of grievance mediation as contained in this MOU, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 7, Subsection 2 of Article 23, the disagreement may be submitted to arbitration in accordance with the provisions of Section 7 of Article 23, of this Memorandum of Understanding.

It is further understood that this article is not intended as a substitute or alternative for the grievance procedures set forth in Article 23 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the right of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the Unit, as distinguished from the rights of individual employees.

Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees and otherwise processed through the grievance procedure set forth in Article 23 hereof.

ARTICLE 25 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 23, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 23, Section 7, can be submitted to grievance mediation. Both Local 3511 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 3511 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 3511, and the grievant. The final agreement shall be binding on all parties.

Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 26 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 7, Arbitration, of Article 23, Grievance Procedure, and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination; nor
 - C. The interpretation, application, merits or legality of the rules or regulations of the department head, the Chief Executive Office, or any other County department, agency, or commission, unless the arbitrator, in his discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
4. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel, and 3) there will be no post hearing briefs.
5. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his selection and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
6. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
7. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
8. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.

9. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.
10. Election of this binding forum shall constitute waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.

Authorized deductions shall be revocable in accordance with the lawful terms under which an employee voluntarily authorized said deductions. Any employee inquiries to cancel or change deductions shall be referred to the Union.

AFSCME Local 3511 hereby certifies that each individual whose name is presented for deductions has signed a written authorization, which authorizes the Union to request that Management deduct from his or her salary or wages the amount specified by the Union. The Union has, and will maintain an authorization on behalf of each such individual

Section 2. Security Clause

Any employees in the Unit who have authorized Union dues deductions on the effective date of this agreement or at any time subsequent to the effective date of this agreement shall continue to have such dues deductions made by the County during the term of this agreement; provided, however, that any employee in this Unit may terminate such Union dues, by notifying the Union of his/her termination of Union dues deductions not less than ten (10) days and not more than twenty (20) days before the end of any yearly period as defined by the date of execution of the individual's authorization.

On the first of every month, Management shall provide to the Union a list of employees who have left the unit by means of promotion, demotion, changes of job title, leaving County service or any other means.

Management will supply to employees newly hired or transferred into the Unit an information brochure, and/or letter about AFSCME and a dues deduction card furnished by AFSCME, Local 3511: Each department will notify the union if it runs out of this material.

Section 4. Indemnification Clause

The Union understands and acknowledges that Management will rely upon the foregoing representations in making deductions, in the amounts specified by the Union from salaries or wages of the individuals whose names are presented for deductions, and that the employer shall not be required to make further investigation or inquiry regarding the accuracy of those representations prior to making such deductions.

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

ARTICLE 30 NEW EMPLOYEE ORIENTATION

The Union shall be allowed to conduct a 30-minute one-on-one meeting to orient, educate, and update each new hire employee or newly promoted employee covered by this MOU. Such meeting shall be on County time and for the purpose of informing the employee of Union membership programs and services, and their rights and obligations under the MOU.

The Union shall be provided with a name of all new hires and their assigned work location prior to their start date consistent with Article 29 of this MOU.

All employees in this unit who are being assigned to a Sheriff or Probation Detention facility shall be informed of the unique work environment, including oversight, monitoring, procedural and policy guidelines required to work in such facilities.

ARTICLE 31 LEGAL REPRESENTATION

Upon request of an employee and subject to any limitations provided by law, County will provide for the defense of any civil action or proceeding initiated against the employee by a person or entity other than County in a court of competent jurisdiction, on account of any act or omission occurring within the course and scope of his/her employment as an employee of the County.

Nothing herein shall be deemed to require the provision of such defense where the discretion to provide or not provide such defense is vested in County pursuant to the provisions of the California Government Code, or where the act or omission was not within the scope of the employee's employment, or the employee acted or failed to act because of actual fraud, corruption, or actual malice, or where the provision of such defense would create a conflict of interest between County and the employee.

Nothing herein shall be construed to grant to any employee any rights or privileges in addition to those provided in the said Government Code.

ARTICLE 32 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither the Supervisory Professional Social Workers Association nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 33 FULL UNDERSTANDING, MODIFICATIONS AND WAIVER

- A. It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. This Article is not intended to negate or eliminate past practice as a factor establishing agreement in practice between the parties.
- B. It is the intent of the parties that this Memorandum of Understanding be administered in its entirety in good faith during its full term. It is recognized that during such term it may be necessary for Management to make changes in rules or it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit. Where Management finds it necessary to make such change, it shall notify AFSCME, Local 3511 indicating the proposed change prior to its implementation. Nothing herein shall limit the authority of Management to make necessary changes during emergencies or when required to do so by law. Management shall notify AFSCME, Local 3511 of changes resulting from emergent or legal requirements as soon as practicable. AFSCME, Local 3511 shall notify Management within five (5) working days from the receipt of such notice if it desires to consult with Management.

Nothing contained herein shall prevent the Union from grieving the effect of such change in accordance with the grievance procedure contained herein. Failure by AFSCME, Local 3511 to request consultation, pursuant to Paragraph B, shall not be deemed as approval of any action taken by the County.

- C. Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of negotiations during the term of the Memorandum of Understanding.
- D. Any agreement, alteration, understanding, variation, waiver or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto and, if required, approved and implemented by County's Board of Supervisors.
- E. The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 34 MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of service to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty, effect work furloughs or any other alternatives because of lack of work or for other legitimate reasons, and determine the methods, means and personnel by which the County's operations are to be conducted; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 35 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a Request for Proposal or other contract solicitation documents are approved and issued, the Employee Relations Division of the Chief Executive Office will arrange to meet with representatives of the Union to advise them of this action within five (5) business days and to consult.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement. Management acknowledges an obligation to negotiate the impact on wages, hours and working conditions of the employees in this bargaining unit insofar, as such subjects have not already been negotiated.

ARTICLE 36 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State, and County laws and regulations, the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable provisions of Federal, State, or County laws, rules and regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 37 AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A. Management's principal authorized agent shall be the County's Chief Executive Officer, or his duly authorized representative (address: 222 North Grand Avenue, Los Angeles, California 90012, Telephone: 974-4029) except where a particular Management representative is specifically designated in connection with the performance of a specified function or obligation as set forth herein.

ARTICLE 38 DISCIPLINARY ACTION

Prior to disciplinary action involving demotion, the department will give notification to the employee of such action and, upon request of the employee, will furnish copies of any documents or written statements used by the department as a basis for its action.

ARTICLE 39 ALTERNATIVES TO LAYOFFS

Section 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions.

Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CAO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any members of a bargaining unit.

Section 3. Enhanced Voluntary Time-Off Program

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Executive Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

Section 4. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days' notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

Section 5. Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and Department Management will make every reasonable effort to place or, if laid off, rehire such employees prior to using any new contract employee provided such County employees are qualified to perform the available work.

ARTICLE 40SPAN OF CONTROL DMHSection 1

The Department agrees to cooperate in maintaining adequate and equitable supervision that promotes appropriate guidance, instruction, training, development, monitoring and evaluation for clinical staff.

Section 2 Span of Control Measures

Except as provided below, employees in this unit shall be limited to providing supervision to employees at no more than three (3) programs and/or locations at any given time. Employees in this unit shall be limited to driving not more than 60 (sixty) miles per day for supervision related duties. The location/program limitations shall not apply to supervisors on the Psychiatric Mobile Response Team and co-located program assignments to maintain equity in the supervisor to subordinate ratios.

Employees in the bargaining unit shall not exceed the following ratios.

Department of Health Services

Clinical Social Work Supervisors	10:1 (No more than 3 license waiver staff)
Mental Health Clinical Supervisors	10:1 (No more than 3 license waiver staff)

Department of Mental Health

Mental Health Clinical Supervisors	10:1 (No more than 3 license waiver staff)
------------------------------------	--

Department of Public Health

10:1 (No more than 3 license waiver staff)

The span of control for the above assignments in DHS and DMH may include the supervision of non-clinical staff.

For DMH, the above ratios will be phased in over eighteen months, and not later than July 1, 2020. DMH will work with AFSCME to establish a priority list to accomplish the target ratios.

Section 3 Span of Control Committee

Within 60 days of Board of Supervisors approval of this agreement, the County will meet with AFSCME Local 3511 BU 724 to initiate the phased in implementation of the agreed upon ratios.

The committee shall meet monthly, unless canceled by mutual agreement.

ARTICLE 41 TRANSFERSSection 1. Voluntary Transfers

Employees in this bargaining unit who wish to transfer to another work location may submit a written request to the Personnel Officer of that Department and have his/her name placed on a list to be kept by the Department for six months from the date of receipt.

It is understood that the request is for an available, vacant position in the same classification. The Department will consider the request when filling vacancies.

Management agrees to review transfer lists before assigning newly hired employees. Management will consider factors such as the employee's seniority, experience, academic training, professional skills and geographical location in making transfer decisions. The submission of a request to transfer to another work location does not obligate the employee to accept any actual offer of employment at that location. Further, the Department is not obligated to make an offer of employment to the employee by virtue of the employee having submitted a request. This section is not intended in any manner to limit Management's authority to select, in its judgment, the best, qualified individual for the position.

Section 2. Involuntary Transfers

In the assignment of involuntary transfers, Management will consider several factors, such as the employee's seniority, experience, academic training, and skills; geographical location; and operational needs. Management will give as least ten (10) business days' advance written notice prior to a transfer.

Section 3. Reassignment/Involuntary Transfer within the Department of Health Services

If the Department of Health Services determines that reassignments are necessary as a result of restructuring and/or workforce reductions, management shall first use pre-existing geographical preferences as expressed on the Employee Verification Notices. Employees will be assigned to vacancies within their classification based on geographic preference by County seniority. Employees may also be reassigned to vacancies within the same series that require the same qualifications and minimum requirements. This provision shall not be construed to entitle any employee to a promotion.

Section 4. Vacancy Notices

Vacancies shall be posted according to department procedures. AFSCME will be informed regarding the method of access to the vacancy listing.

APPENDIX A

It is the intent of Management to utilize the professional skills and knowledge of Social Workers and Marriage and Family Therapist in a manner that maximizes the use of their scope of practice, professional skills and knowledge. To that end, Management shall make every reasonable effort to provide the appropriate support services to meet patient care needs including support staff and computer access at each program facility or program.

Management and the Union commit to work together to provide a healthy and professional work environment that promotes dignity for all workforce members. Management and the Union are committed to working together to address all complaints in a timely manner.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Memorandum of Understanding the day, month and year first above written.

ARTICLE 1 PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered herein; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered hereby, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County Board of Supervisors.

ARTICLE 2 RECOGNITIONSection 1.

Pursuant to the provisions of the Employee Relations Ordinance of the County of Los Angeles and applicable State law, the American Federation of State, County, and Municipal Employees District Council 36 (AFSCME) was certified on March 23, 2015 by the County Employee Relations Commission as the majority representative of County employees in Bargaining Unit 802 (Child Support Attorneys I, II, III and IV) previously found to be an appropriate unit by the Employee Relations Commission. Management hereby recognizes AFSCME as the certified exclusive bargaining representative of the employees in said unit. The term “employee” or “employees” as used herein shall refer only to employees employed by the County in said Unit.

ARTICLE 3 IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to the County Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions of Articles; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date of Board of Supervisors' approval. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4 AUTHORIZED AGENTS

For purposes of administering the terms and provisions of this Memorandum of Understanding:

ARTICLE 5 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither AFSCME nor Management, nor their authorized representatives will appear before the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 6 NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of AFSCME and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511. No employee shall be interfered with, intimidated, restrained, coerced or discriminated against because of the exercise of these rights.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, gender identity, gender expression, marital status, age, national origin, ethnicity, political or religious opinions or affiliations, or disability status or other factors not directly related to the successful performance of the job.

ARTICLE 7 TERM

The term of this Memorandum of Understanding shall commence on the date the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on the date of contract agreement. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2021.

ARTICLE 8 RENEGOTIATION

Upon receipt of such written notice and proposals, negotiations shall begin no later than thirty (30) days after such receipt or June 1, 2021 whichever is later. An impasse concerning the matters under negotiation shall be declared automatically if full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by August 31, 2021, unless the parties mutually agree to continue negotiations.

ARTICLE 9 GRIEVANCE PROCEDURESection 1. Purpose

3. "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3. Responsibilities

1. The Union agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.

2. Departmental Management has the responsibility to:
 - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and

 - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.

3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4. Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.
3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5. Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.

If the nature of the grievance may have impact on bar licensure, an employee may require additional representatives.

2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.
5. If an employee feels that because of the sensitive, expedited or extraordinary nature of his or her complaint that it should be reviewed initially by the Director of Employee Relations, the employee may direct the grievance to that office with a written memorandum describing the need for departure from the standard procedure. The Director of Employee Relations will determine whether the grievance should be moved directly to Level 2 or Level 3 or should instead go through the full grievance process. If it is determined that the grievance should proceed through all Levels, it will be returned to the employee with a written explanation.

When an employee makes such a request, the grievance will be held in abeyance until the written response from the Director of Employee Relations is received.

Section 6. The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.
3. Management shall notify the Union of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The Union representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the Union representative elects to attend any formal grievance meeting, he/she must notify departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.

Level 2. Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the middle Management level if such a level is not appropriate because of the size of his/her department.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3. Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.

- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative.

However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. A copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8. Arbitration

- 1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, the Union may request that the grievance be submitted to arbitration as provided for hereinafter.
- 2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:

- A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.

- D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen (15) business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.
3. In the event the Union desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Executive Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.

5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.

Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.

7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County.
If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

Purpose
Recognition
Non-Discrimination
Implementation
Term
Renegotiation
Safety and Health
Payroll Deductions and Dues
Authorized Agents

ARTICLE 10 GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 9, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 9, Section 8, can be submitted to grievance mediation. Both the Union and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or the Union may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, the Union, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 11 GRIEVANCE REPRESENTATIVES

It is agreed by the parties to the Memorandum of Understanding that the Union may select a reasonable number of Union Grievance representatives for this Unit. Union shall provide a written list of the names of Grievance Representatives who have been selected as Union Grievance Representatives. This list shall be kept current by the Union.

Union Grievance Representatives may spend a reasonable amount of time to promptly and expeditiously investigate and process formal grievances without loss of pay or benefits of any kind. Union Grievance Representatives, when leaving their work locations to conduct such investigations or processing, shall first obtain permission from their immediate supervisor and inform the supervisor of the nature of the business. Permission to leave will be granted promptly unless such absence would cause an undue interruption of work. Except, however, denial of permission will automatically constitute an extension of the time equal to the amount of the delay. If such permission cannot be granted promptly, the Union Grievance Representatives will be immediately informed when time will be made available. Such time will not be more than 24 hours, excluding Saturday, Sunday, and holidays after the time of the Union representative's request unless otherwise mutually agreed to.

Upon entering a work location, the Union Grievance Representatives shall inform the cognizant supervisor of the nature of the union representative's business. Permission to leave the job will be granted promptly to the employee involved unless such absence would cause an undue interruption of work.

Except, however, denial of permission will automatically constitute an extension of the time equal to the amount of delay. If the employee cannot be made available, the Union Grievance Representatives will be immediately informed when the employee will be made available. Such time will not be more than 24 hours, excluding Saturday, Sunday, and holidays, after the time of the union representative's request, unless otherwise mutually agreed to.

The Union agrees that Union Grievance Representatives shall not log compensatory time or premium pay time for the time spent performing any function of a steward/Union representative.

ARTICLE 12 GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between the Union and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A. Where the Union, has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, the Union, may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Executive Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to the Union, in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 9 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 9 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 9 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 9 hereof.

ARTICLE 13 EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 9, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
 - A. The interpretation, application, merits, or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
 - C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Executive Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Executive Office, Employee Relations Division, and the Union, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
 - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:

- A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.
 - B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
- 6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
 - 7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
 - 8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.

9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.
11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.

12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

Purpose

It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty, effect work furloughs or any other alternatives because of lack of work or for other legitimate reasons, and determine the methods, means and personnel by which the County's operations are to be conducted; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 16 FULL UNDERSTANDING, MODIFICATIONS, WAIVERSection 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Child Support Attorneys.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

Section 5.

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal laws, including the Americans with Disabilities Act, State and County laws and regulations, the Charter of the County of Los Angeles and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable provisions of Federal, State or County laws, rules and regulations or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of this Memorandum of Understanding shall not be affected thereby.

The county shall incur costs for the above referenced classes associated with the fingerprinting requirements instituted by the State Bar of California.

The Child Support Services Department shall establish and disseminate procedures to be followed by Child Support Attorneys for the payment of these membership fees and fingerprinting costs.

Child Support Attorneys requesting payment of their basic State Bar membership fees and fingerprinting costs shall follow the procedures set by the Department. Such payment shall be made in accordance with the County of Los Angeles Auditor-Controller procedures and deadlines.

ARTICLE 19 EMPLOYEE LISTS

Within sixty days from the effective date of this Memorandum of Understanding, Management shall provide AFSCME with a list of the names, home address, and home telephone numbers of all employees in the Unit. Additional lists may be provided at no less than three month intervals when requested by AFSCME at a reasonable cost determined by the Office of the County Auditor-Controller.

FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise AFSCME of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a Department's Request for Proposal is approved by the Chief Executive Officer, the Labor Relations Office will arrange to meet with representatives of AFSCME to advise them of this action within five (5) days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement. Management acknowledges an obligation to negotiate the impact on wages, hours, and working conditions of the employees in this bargaining unit insofar as such subjects are not set forth in Memoranda of Understanding or Civil Service Rules.

ARTICLE 21 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

The employee may photocopy material to which the employee is entitled to have access from his or her personnel file without charge.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature to the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall follow existing department practices

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the personnel file.

If the employee does file a grievance within the designated time limits, said document shall not be placed in the personnel file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve a violation of a specific provision of this agreement.

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, Management will make every effort to grant educational leaves to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university.

Section 3. Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4. Unpaid Employee Organization Leave

AFSCME requests for employee organizational leave for at least thirty (30) calendar days or more shall be made in writing to the CEO/Employee Relations Division and to the affected Department at least ten (10) business days in advance of the leave. AFSCME may not have more than three (3) employees in the Bargaining Unit on leave of absence to accept employment with AFSCME. These leaves are subject to the Civil Service Rules.

The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct AFSCME business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year.

Section 5. Family Leave

- A. The parties agree that employees covered by this Memorandum of Understanding are subject to the provisions of the State Family Rights Act of 1991 and the Federal Family and Medical Leave Act of 1993.

"Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State Law, except that a domestic partner and their children may qualify an employee as eligible for FMLA/CFRA".

- B. The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.
- C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.
- D. An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

Section 6. Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

Section 7. Bereavement Leave

The provisions of Los Angeles County Code section 6.02.080 regarding Bereavement Leave shall apply to employees in Bargaining Unit 802.

Section 8. Military Leave

ARTICLE 24 ENHANCED VOLUNTARY TIME-OFF PROGRAMProgram Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Executive Officer.
- The Chief Executive Officer may establish procedures and issue Executive instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.

- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.
- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
 - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.

- EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.
- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
 - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
 - After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.

- Retirement service credit will not accrue during this period.

- FLSA Non-exempt employees may request EVTO in increments as little as one hour.

- FLSA Exempt employees must request EVTO in full work day increments.

- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.

- EVTO is not available to employees on any other paid or unpaid leave.

- Department Heads may continue to approve other unpaid leave of absences.

- If the employee's request is not approved, Management will respond in writing to the employee giving the reason(s) for denial.

- EVTO will be actively encouraged by Management and AFSCME in order to achieve savings.

- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. This bonus is paid pursuant to the conditions described below.

However, such assignment shall not extend beyond the period of such emergency.

ARTICLE 39 PROFESSIONAL EDUCATIONAL EXPENSE AND
PROFESSIONAL DEVELOPMENT

CSSD is mandated by law to establish and enforce parentage and support orders and its attorneys are required to maintain mandatory levels of educational training and professional development in order to practice law. The Department is committed to delivering the work of the highest quality and in a professional manner.

As resources allow, the Department shall make available to each attorney (Grades I to IV) the opportunity to attend professional conferences on county time (e.g.; the CSDA Attorney College in its entirety). Priority shall first be given as follows:

- 1- To those attorneys who have not attended a Conference in the last three years, are within their current reporting MCLE compliance period and are deficient in MCLE credits.
- 2- To those attorneys within their current reporting MCLE compliance period who are deficient in MCLE credits.
- 3- To those attorneys who have not attended an Attorney conference within the last three years and who are deficient in MCLE credits.
- 4- To those attorneys who have not attended a conference within the last three years and who are not deficient in MCLE credits.

Attorneys will not be required to present an MCLE as a condition of attendance. Once the Department has made its selection of the participating attorneys for an upcoming conference, the list of the chosen participants will be sent to the Union president in advance of the release/approval of individuals.

In order to be licensed to practice law in the State of California, Attorneys are required to complete a number of approved continuing legal education credits every three years as currently mandated by the California Bar Association. To assist attorneys in this objective the Department will provide a minimum of nine (9) participatory hours of in-house MCLE trainings each year. Child Support Attorneys will only conduct MCLE trainings for the Department on a voluntary basis (unless assigned to a unit dedicated to Training). When logistically possible, the Department will tele-conference to CCW and the non-hosting Divisions the MCLE training sessions to allow attorneys to obtain participatory training and units. In addition, the Department will make every effort to videotape and make available these trainings to attorneys who were not able to attend the training in person. Should providing these in-house trainings become cost prohibitive the Department will meet with the Union to discuss viable alternatives.

ARTICLE 40 ATTORNEY STAFFING

The Department will comply with the Family Code §17206 and 45 CFR 303.20.

APPENDIX C
ADDENDUM TO ATTENDANCE POLICY

This settlement agreement has been modified to reflect the parties' intent in its execution.

SETTLEMENT AGREEMENT
ARB NO. 023-16

This agreement is entered into between the Los Angeles County Child Support Services Department (hereinafter, "Department"), the Chief Executive Officer (hereinafter, "CEO") and American Federation of State, County and Municipal Employees ("AFSCME") Local 1152 (hereinafter, "Union").

RECITALS

1. The Union is the exclusive representative of attorneys in the Los Angeles County Child Support Services bargaining unit.
2. In late September, 2015, the Department announced a change in the Attendance policy that affected this bargaining unit. Among other things, the new policy made changes to the way in which the attorney staff would report partial day absences and reiterated other policies regarding the reporting requirements for those attorneys on alternate work schedules (4-40 and 9-80).
3. Pursuant to the parties' memorandum of understanding, the Union filed a Grievance General In Character (GGIC, hereinafter the "Grievance") alleging that the Department violated the new Memorandum of Understanding between the parties, the LA County Department of Human Resources Interpretative Manual, and the LA County Code.
4. On or about _____, ERCOM approved the case for arbitration, and set a hearing for February 24, 2017.
5. The parties have decided to settle the controversy between them in order to avoid the cost, inconvenience, delays and uncertainties involved in further legal proceedings in this matter without any party conceding the correctness of the position of the other.

Now therefore, the parties agree as follows:

1. The Department and the Union agree that employees in the bargaining unit shall not be required to sign in at the beginning of their shift or sign out at the end of their shift, either in writing or electronically. This applies to all employees, including those on alternate work schedules.
2. The Department and Union agree that an employee in the bargaining unit shall submit an e-Forms Time-Off Request Form for each full-day absence and for each pre-planned or pre-scheduled partial day absence, i.e., those partial day absences of which the employee has advance notice. For pre-planned or pre-scheduled partial day absence, the employee shall **only** list in the notes section of the e-Forms Time-Off Request Form, the time of planned late arrival or early departure, as appropriate. **No hours except "0.0" shall be stated in hours section.**
3. The Department and Union agree that no employee in the bargaining unit shall be required to submit an e-Forms Time-Off Request Form for any same day partial day absence. If the employee is assigned to court on the date of the partial day absence, then he or she shall notify the head attorney of their reporting and/or departure time, as applicable, via electronic mail. If the employee is assigned to the division on the date of the partial day absence, then he or she shall notify their immediate supervisor of their reporting and/or departure time, as applicable, via electronic mail.
4. The Union, upon execution of this settlement, agrees to withdraw the ARB 023-16, with prejudice, and agrees to waive any and all further administrative or judicial remedies with respect to the allegations in the grievance.
5. The Union further agrees to fully release, acquit, and forever discharge the County, all present and former officers, employees, and agents of the County from any and all liability whatsoever with respect to the allegations in the grievance.
6. The Union and County each represent that they have fully considered the terms, conditions and effects of this settlement and each fully and freely assents thereto.
7. The terms and conditions set forth in this settlement are intended by the parties to be a complete and exclusive expression of their agreement with respect to the resolution of the grievance.

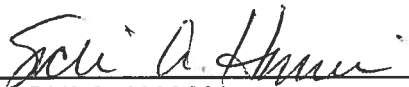

8. This settlement agreement shall be incorporated into successor Memoranda of Understanding unless rendered invalid by subsequent changes in governing law.
9. The Union and County will each bear their own attorneys' fees and costs in connection with the grievance and arbitration.
10. This settlement may be executed in counterparts.

IN WITNESS WHEREOF, the parties hereto have caused their duly authorized representatives to execute this Memorandum of Understanding the day, month, and year first above written.

ARTICLE 21 SAFETYSection 1.

It is the duty of Management to make every reasonable effort to provide and maintain a safe place of employment. Management agrees to assign a Safety manual to each member of the bargaining unit. Said manual to remain in the Inspector's possession for the term of his/her employment as an Inspector. Local 830, AFSCME, will cooperate by encouraging all employees to perform their work in a safe manner. It is the duty of all employees in the course of performing their regularly assigned duties to be alert to unsafe practices, equipment, and conditions and to report any such unsafe practices, or conditions to their immediate supervisors. If such condition cannot be satisfactorily remedied by the immediate supervisor, the employee has the right to submit the matter in writing either personally or through his/her steward to the departmental safety officer.

On any matter of safety that is not resolved by the safety officer within a reasonable period of time, the steward may confer with the safety officer who will respond in writing.

If the steward is not satisfied with the response of the safety officer, a Local 830/AFSCME agent may consult with the Chief of the Workers' Compensation and Occupational Health Branch of the Chief Administrative Office or his/her designate. A representative of such branch shall investigate the matter and advise the department head and Local 830, AFSCME of his/her findings, and recommendations, if any.

A copy of the minutes for any Safety committee meeting will be made available to an authorized, designated Local 830 Steward upon request, excluding matters of a personal or confidential nature regarding an individual. Local 830 agrees that all other matters contained in said minutes shall be treated in a confidential manner by the Steward designated to receive them.

Section 2. How Am I Driving Complaints

An employee in this bargaining unit may request to have How Am I Driving Complaints more than two (2) years old removed, at Management's discretion, from his/her Employee Accident File (EAF) Upon receiving said requests, Management shall review the request and assess whether removal is appropriate. The Managerial assessment shall entail a review of the employee's EAF covering the period of time from when the complaint was originally placed in the EAF up to and including the date the request for removal by the employee was filed with Management. The Department shall provide the employee with a written response regarding requests for removals that are granted or denied.

ARTICLE 22 CHANGE OF ASSIGNMENT

Permanent full-time employees in the unit who received at least a competent rating on their last performance evaluation may submit a written request for a new assignment to their department's human resource office.

Requests filed hereunder shall be valid for the period of this Memorandum of Understanding or for one (1) year from the date of filing, whichever comes earlier, and must be renewed prior to the anniversary date of the original request if the employee still desires to be considered for a new assignment beyond that date.

Management may, at its discretion, deny an employee's request for reassignment, where said employee has been reassigned in accordance with the procedure contained hereunder within a twelve (12) month period.

When Management decides to fill a vacancy by assigning a current employee to such vacancy, Management shall review the requests for new assignments currently on file. Management will then select one of the three (3) most senior employees who has the qualifications, skill and ability to competently perform the requirements of the vacancy without additional training. The vacated position of the newly assigned employee shall be filled according to this procedure. Thereafter, vacancies shall be filled at the discretion of Management.

It is understood that this Article does not modify Management's right to promote an employee whenever a vacancy occurs.

For the purposes of this Article, seniority shall be defined as the total amount of continuous service within the Department.

During emergencies or when vacancies occur as a result of opening new facilities, the provisions of this Article shall not apply.

ARTICLE 23 OUT-OF-CLASS ASSIGNMENTS

Section 1. Definitions

- A. For the purpose of this article, an out-of-class assignment is the full time performance of all the significant duties of an allocated, vacant, funded position in one class by an individual in another class.
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee class and the out-of-class assignment is less than the above bonus the employee shall receive the rate for the higher class. This bonus is paid for each 30 calendar days the employee performs an out-of-class assignment, subject to the conditions described below. This bonus shall not be prorated.

Section 2. Conditions

If an employee is assigned to an out-of-class assignment for more than 20 consecutive working days, management shall upon the employee's or union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within 30 calendar days from the date of request for relief, no bonus under this article is to be paid;

return the employee to an assignment in his/her/her own class. If such return is made within 30 calendar days of the request for relief, no bonus under this article is to be paid; or

pay the employee the bonus for each 30 calendar days, from the date of request for relief; he/she performs the out-of-class assignment.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.

- B. Nothing in this article shall be construed as limiting management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training. Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.
- D. Upon the employee's written request, a written confirmation of his/her out-of-class assignment shall be placed in the employees personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.
- E. Grievances filed under this article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 24 ALTERNATIVES TO LAYOFFSSection 1. Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a) discontinuing non-County contracted temporary personnel (Government Code Section 31000 et seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b) take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2. Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement transfers of qualified employees to available vacancies, recommend to the Board and/or CAO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any members of a bargaining unit.

Section 3. Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 25 CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event that County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer. When a Request For Proposal or other contract solicitation documents are approved and issued, the Employee Relations Division of the Chief Administrative Office will arrange to meet with representatives of the Union to advise them of this action within five (5) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services. It is understood and agreed that Management shall have no obligation to negotiate the decision of any reorganization by the County during the life of this agreement.

Management acknowledges an obligation to negotiate the impact on wages, hours and working conditions of the employees in this bargaining unit insofar as such subjects have not already been negotiated.

ARTICLE 26 LEAVE OF ABSENCE

Section 1. Medical Leave

Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the department head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which disability prevents her from performing the duties of her position as certified by her physician, may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

Section 4. Jury Duty and Witness Leave

During the time an employee is actually reporting to the Court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the department head or his/her designate will convert the employee's usual shift to a regular five-day, Monday through Friday, day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided he deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels his/her presence as a witness, unless he is a party or an expert witness, he shall be allowed the time necessary to be absent from work at his/her regular pay to comply with such subpoena, provided he/she deposits any witness fees, except mileage, with the County Treasurer.

Section 5. Family Leave

- A. The parties agreed that employees covered by this Memorandum of Understanding are subject to the provisions of the State Family Rights Act of 1991 and the Federal Family and Medical Leave Act of 1993.

Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State law.

- C. Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability.

Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the county Family Leave Policy.

- D. An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

ARTICLE 27 OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither Local 830, AFSCME nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 28 FULL UNDERSTANDING, MODIFICATIONS, WAIVER

- A. It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. This Article is not intended to negate or eliminate past practice as a factor establishing agreement in practice between the parties.
- B. It is the intent of the parties that this Memorandum of Understanding be administered in its entirety in good faith during its full term. It is recognized that during such term it may be necessary for Management to make changes in rules or procedures affecting the employees in the unit. Where Management finds it necessary to make such change, it shall notify Local 830, AFSCME indicating the proposed change prior to its implementation. Nothing herein shall limit the authority of Management to make necessary changes during emergencies or when required to do so by law. Management shall notify Local 830, AFSCME of changes resulting from emergent or legal requirements as soon as practicable. Local 830, AFSCME shall notify Management within five working days from the receipt of such notice if it desires to consult with Management.

Nothing contained herein shall prevent the Union from grieving the effect of such change in accordance with the Grievance Procedure contained herein. Failure by Local 830, AFSCME to request consultation, pursuant to this paragraph, shall not be deemed as approval of any action taken by the County.

- C. Except as specifically provided herein, it is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein or with respect to any other matters within the scope of negotiations, during the term of the Memorandum of Understanding.
- D. Any agreement, alteration, understanding, variation, waiver, or modification of any of the terms or provisions contained herein shall not be binding upon the parties hereto unless made and executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors.
- E. The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 29 STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 30 PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws, ordinances and regulations, the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable provisions of Federal, State or local law or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law or regulations, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 31 MANAGEMENTS RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty, as for example by work furlough, because of lack of work or for other legitimate reasons, and determine the methods, means and personnel by which the County's operations are to be conducted; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours, and other terms and conditions of employment.

ARTICLE 32 PRODUCTIVITY/WELLNESS

Should Management wish to develop wellness programs in accordance with the Fringe Benefits MOU, participation by employees shall be strictly voluntary, with no financial or other penalty resulting to employees who do not participate. Management shall also include provisions in any such program for handicapped employees.

ARTICLE 33 TRAINING

Management recognizes the advantage of continued education for employees in this Unit and will give reasonable consideration to employee requests for participation in available work-related educational programs, seminars, professional conferences and professional meetings on County time.

Considering the operational needs of the Department and the development needs of the employees, Management will distribute, as equitably as possible among all employees in the same job assignment, paid County time to attend conferences, workshop, seminars, or symposiums, when and if Management provides paid County time to any such employees in such assignment.

The Department Head, or whomever he delegates, will determine the need, kind, amount and timeliness of training to be provided to Unit members, and which of these persons will attend approved training programs.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the additional responsibilities bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus.

4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties.

Any final settlement of the grievance shall be reduced to writing and signed by Management, AFSCME Local 830, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposals or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.

The Union shall be provided with the names of all employees new to the unit and his/her duty location, within 30 days of hire or by the first pay period of the month following hire.

ARTICLE 41 UNIFORMS

Nothing herein shall be construed to modify in any manner the uniform policy or standards in the Department of Agricultural Commissioner/Weights and Measures nor shall anything herein be construed as a waiver of Management's rights to establish, change or otherwise modify uniform standards and dress codes.

Section 1. Uniforms
